RE: Revised Proposed Amendment to Local Law No. 1-2015
Residency Requirement for Municipal Officers

DATE: August 27, 2018

As you are aware, by Local Law No. 1-2015 of January 12, 2015, the City Council adopted a residency requirement for the Municipal Officers listed in City Charter Section C3.00(B) and (C). The residency requirement was imposed prospectively for all municipal officers initially appointed on or after January 13, 2017. At the July 6, 2017 work session, concerns were raised about the goals, objectives and application of Local Law No. 1-2015, and it was requested that further discussion of this topic be placed on the August 10, 2017 work session agenda. The concerns appeared to focus on balancing the idea of fostering more engaged and committed municipal officers through City residency and recruiting, retaining and promoting the best qualified candidates for municipal officer positions. Summarizing the concerns raised about Local Law No. 1-2015 at the July 6, 2017 work session:

1. Application to individuals who were City employees on or before the date of adoption but who were not municipal officers. Local Law No. 1-2015 requires individuals who were City employees but who were not City residents on or before effective date of the local law to become City residents in order to be considered for a subsequent appointment to a municipal officer position. This has been perceived to have a negative effect on the opportunities for individuals who were employed by the City who want to be promoted to more senior positions but did not contemplate City residency because it was not required at the time the individual commenced employment with the City. Additionally, Local Law

No. 1-2015 provided an exception from the residency requirement for the individuals holding municipal officer positions at the time of adoption but some of those incumbents had less time in service to the City than other employees who are subject to the residency requirement and who want to be considered for promotion.

2. The potential to limit or negatively impact recruitment for the most senior City positions.

In August of 2017, I prepared a draft amendment to Local Law No. 1-2015 containing options to address these concerns which were presented to Council in August 2017 and after public hearing in September 2017, no further action was taken.

The draft amendment to Local Law No. 1-2015 was submitted to Council again at the August 9, 2018 work session. The proposed amendment would apply the exception to the residency requirement to all individuals who are employed by the City on the effective date of a local law containing such amendment. It would treat incumbent employees the same as the incumbent municipal officers. If a current employee was eligible for an appointment to a municipal officer position on a promotional basis and the employee was not a City resident, the employee would not be required to become a City resident by accepting the promotional appointment.

Previously the proposed amendment included the possibility of a partial or full waiver of the residency requirement on a case by case basis where sufficient evidence is submitted and establishes that the municipal officer position cannot be filled with a qualified City resident or a qualified nonresident who is willing to become a City resident. The proposed amendments to waiver provisions were not well-received at the August 9, 2018 work session and the have been removed from the proposed draft amendment.

Please be reminded that no further and additional revisions or amendments to Local Law No. 1-2015 are or were needed to address the residency for the position of Fire Chief because Local Law No. 1-2015 could not and did not override the residency requirement as set forth in POL Section 3(4) because it is not a general law of the State but rather a special law of the State that cannot be superseded by a local law.

If the Council wants to proceed with the revised amendment as now proposed, the next step is to schedule a public hearing by adopting a resolution scheduling such public hearing at the September 10, 2018 Council meeting. The public hearing would be held at a future Council meeting, which could be as early as September 24, 2018.

A RESOLUTION AUTHORIZING A TOLLING AGREEMENT WITH
NATIONAL EXPRESS GROUP, PLC IN THE CITY OF NEWBURGH'S
FEDERAL LAWSUIT RELATING TO THE CONTAMINATION OF
WASHINGTON LAKE AND THE CITY OF NEWBURGH WATER SUPPLY

WHEREAS, it has been determined that the source of the per- and polyfluoralkyl substances ("PFAS") contamination in the City of Newburgh's former primary source water supply in Washington Lake, originates from the New York State Air National Guard Base and Stewart Airport in Newburgh NY; and

WHEREAS, by Resolution No. 307-2017 of October 23, 2017, the Council of the City of Newburgh, New York, authorized litigation against any and all potentially responsible parties in connection with the contamination of Washington Lake and the City of Newburgh Water Supply; and

WHEREAS, on August 6, 2018, the City of Newburgh filed suit in federal court against 23 defendants, including National Express Group, PLC ("NEG"), seeking to halt and remediate the on-going contamination of the City's water supply by PFAS substances originating from the New York State Air National Guard Base and Stewart Airport (the "Action"); and

WHEREAS, NEG disputes any liability to the City relating to the City's claims of contamination of its public water supply and for which it seeks, *inter alia*, damages, cost recovery, and injunctive relief (collectively, the "Tolled Claims"); further asserts that it is not subject to the jurisdiction of any United States Court; and represents to the City that it did not participate in or conduct operations on the Airport or Base properties, although it was the parent company and sole shareholder of SWF Airport Acquisition, Inc.; and

WHEREAS, before any discovery has been conducted, the City desires to avoid the inconvenience and cost of serving process on NEG in the United Kingdom and both parties wish to avoid the time and expense of engaging in motion practice concerning the claims against NEG in the Action and/or NEG's amenability to suit in the United States by entering into a Tolling Agreement to facilitate the dismissal of NEG from the Action, without prejudice; and

WHEREAS, this Council now determines that entering into the proposed Tolling Agreement is in the best interests of the City of Newburgh;

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Newburgh, New York that the City's special counsel be and is hereby authorized to execute the Tolling Agreement to facilitate the dismissal of NEG from the City's federal complaint, without prejudice, and to defer any litigation concerning the Tolled Claims against NEG, without thereby altering the claims or defenses available to any party hereto, except as specifically provided in said Tolling Agreement.

TOLLING AGREEMENT

This Tolling Agreement is entered into on this ____ day of November, 2018 by and between the City of Newburgh ("City") and National Express Group, PLC ("NEG").

WHEREAS, the City has asserted claims against NEG in an action entitled *City of Newburgh v. United States of America*, et al, S.D.N.Y., 7:18-cv-07057 (KMK) (hereinafter the "Action"), pursuant to, *inter alia*, the Resource Conservation Recovery Act ("RCRA"), 42 U.S.C. §6972, the Comprehensive Environmental Response Compensation and Liability Act ("CERCLA"), 42 U.S.C. §9607(a) and various New York State common law causes of action (including negligence, strict liability for abnormally dangerous activities, public nuisance, trespass, equitable and implied indemnification, and restitution) relating to the alleged disposal of alleged hazardous waste materials and/or substances, including per- and polyfluoralkyl substances ("PFAS"), at New York Stewart International Airport ("Airport") and Stewart Air National Guard Base ("Base"), which the City claims has caused or resulted in the contamination of its public water supply and for which it seeks, *inter alia*, damages, cost recovery, and injunctive relief (collectively, the "Tolled Claims").

WHEREAS, NEG disputes that it has any liability to the City relating to the Tolled Claims and further asserts that it is not subject to the jurisdiction of any Court in the United States;

WHEREAS, NEG represents to the City, although the City reserves the right to dispute that representation, that NEG did not participate in or conduct operations on the Airport or Base properties, although it was identified as the parent company and sole shareholder of SWF Airport Acquisition, Inc. in the Airport lease;

WHEREAS, at this juncture in the Action, before any discovery has been conducted, the City desires to avoid the inconvenience and cost of serving process on NEG in the United Kingdom and both parties wish to avoid the time and expense of engaging in motion practice concerning the claims against NEG in the Action and/or NEG's amenability to suit in the United States;

WHEREAS, the City and NEG enter into this Tolling Agreement to facilitate the dismissal of NEG from the Action, without prejudice, and to defer any litigation concerning the Tolled Claims against NEG, without thereby altering the claims or defenses available to any party hereto, except as specifically provided herein.

2. The period between August 6, 2018, which represents the filing date of the Action against NEG, and November 30, 2020 (the "Tolling Period") shall not be included in computing

the running of any statute of limitations potentially applicable to any potential future action brought by the City against NEG for the Tolloed Claims.

3. Any defenses of laches, estoppel, or waiver, or other equitable defenses based upon the running or expiration of any time period shall not include the Tolling Period for the Tolloed Claims.

4. In any potential future action involving the Tolloed Claims, NEG shall not assert, plead, or raise against the City in any fashion, whether by answer, motion or otherwise, any defense of statute of limitations, laches, estoppel, waiver or other similar equitable defense based on the running of any statute of limitations that includes the passage of time during the Tolling Period. Nothing herein shall preclude NEG from asserting, pleading or raising the above defenses based on the running of time prior to the filing of the Action on August 6, 2018 and/or the running of time after the November 30, 2020 termination date of this Tolling Agreement.

5. This Tolling Agreement does not constitute an admission or acknowledgment of any fact, conclusion of law, or liability by any party to this Tolling Agreement. This Tolling Agreement does not constitute an admission or acknowledgment on the part of NEG that the City possesses a claim(s) against it, nor does this Tolling Agreement constitute an admission or acknowledgment on the part of the City that any statute of limitations, or defense concerning the timeliness of commencing a civil action, is applicable to the Tolloed Claims. The City reserves the right to assert that no statute of limitations applies to any of the Tolloed Claims and that no other defense based upon the timeliness of commencing a civil action is applicable. NEG reserves all rights and defenses which it may have to contest or defend any claim or action the City may assert or initiate against NEG with respect to the Tolloed Claims, including (without limitation) the right to assert that the statute of limitations applies to any of the Tolloed Claims or to assert any other defense based upon the timeliness of commencing a civil action except as specifically set forth in this Tolling Agreement.

6. This Tolling Agreement may not be modified except in a writing signed by all of the parties. This Tolling Agreement may be extended for such period of time as the parties mutually agree to in writing.

7. This Tolling Agreement does not limit in any way the nature or scope of any claims that could be brought by the City in any potential future complaint against NEG or the date on which the City may file or amend a complaint, except as expressly stated herein. This Tolling Agreement does not limit in any way the nature or scope of any defenses that could be asserted by NEG except as specifically set forth herein.

8. This Tolling Agreement is not intended to affect any claims by or against third parties or defenses thereto.

9. The City and NEG shall each preserve and maintain, during the pendency of the Tolling Period, at least one legible copy of all documents and other materials subject to discovery under the Federal Rules of Civil Procedure and relating to the Tolloed Claims, regardless of any corporate or other document retention policy to the contrary or potential claim of privilege regarding any document.

10. This Tolling Agreement contains the entire agreement between the parties, and no statement, promise, or inducement made by any party to this Tolling Agreement that is not set forth in this Tolling Agreement shall be valid or binding, nor shall it be used in construing the terms of this Tolling Agreement as set forth herein.

11. The undersigned representative of each of the parties certifies that he or she is fully authorized to enter into the terms and conditions of this Tolling Agreement and to legally bind such party to all terms and conditions of this document. To wit, the City Council of the City resolved to enter into this Tolling Agreement on the ____th day of November, 2018, as set forth in Resolution ____ of 2018.
