LOCAL LAW NO.: _____ - 2019

OF

_____, 2019

**A LOCAL LAW ENACTING CHAPTER 60 TO THE CODE OF ORDINANCES
OF THE CITY OF NEWBURGH ENTITLED
“MUNICIPAL IDENTIFICATION CARD PROGRAM”**

BE IT ENACTED, by the Council of the City of Newburgh, New York that Chapter 60 “Municipal Identification Card Program” be and is hereby enacted as follows:

SECTION 1 - TITLE

This Local Law shall be referred to as “A Local Law Enacting Chapter 60 entitled ‘Municipal Identification Card Program’ to the Code of Ordinances of the City of Newburgh”.

SECTION 2 - AMENDMENT

The Code of Ordinances of the City of Newburgh is hereby amended to enact new Chapter 60 entitled “Municipal Identification Card Program” to read as follows:

§ 60-1 Legislative findings, intent and purpose.

- A. The City Council of the City of Newburgh finds that many residents of the City of Newburgh often do not have access to various forms of identification and therefore have difficulty obtaining services, such as bank accounts, health care and access to public and government buildings. This barrier leaves thousands of individuals, including, but not limited to, immigrants, homeless persons, transgender persons, senior citizens, young people, and the formerly incarcerated, without access to critical services. It is the intent of the City Council to continue the City of Newburgh’s status as a fair and welcoming center for all residents without regard to a person’s race, national origin, religion, sex, sexual orientation, gender identity, disability, immigration, housing, or financial status.
- B. Residents’ lack of access to acceptable forms of identification also raises public safety concerns for the City of Newburgh. Residents without access to bank accounts often carry large amounts of money on their person or store it in their home making them targets for crime. In addition, residents who cannot produce proof of identity are often reluctant to report crimes to the police that they suffer or witness. Studies show that immigrant populations in particular are victimized by crime at rates similar to or greater than the general population but immigrant populations report crime at lower rates than the general

population. The under-reporting of crime poses a serious public safety problem and erodes the ability of law enforcement to function effectively in the City of Newburgh.

- C. A City of Newburgh identification card would help reduce the impact of the barriers to services outlined above, improve public safety, and foster pride and participation in the community. A City of Newburgh identification card would encourage crime reporting and witness cooperation and support a safer community. A City of Newburgh identification card also could assist more City residents to open bank accounts, access public facilities, receive resident discounts when available from local businesses, events, and arts institutions. A City of Newburgh identification card would benefit children and youth who become lost and normally possess no identification or emergency contact information and elderly citizens who no longer drive and may not possess a valid driver's license. Therefore, it is in the best interests of the City of Newburgh and its residents to issue its own municipal identification card.
- D. By authorizing and creating a municipal identification card program, the City Council does not intend to expand identification requirements for access to basic services or exercise of constitutional rights. The City of Newburgh municipal identification program should not be used to require individuals to produce government-issued identification to access services and benefits where such identification is not now required, such as registering to vote or casting a ballot.

§ 60-2 Disclaimer.

The City of Newburgh is providing the City of Newburgh Municipal Identification Card for identification and access to services provided by the City of Newburgh. The City of Newburgh does not act as a guarantor or warrantor of either of the information provided by the applicant for a City of Newburgh Municipal Identification Card or of/against acts, criminal or otherwise, committed by the individual(s) while possessing or using a City of Newburgh Municipal Identification Card. The City of Newburgh does not waive any of its protections afforded under Federal, State or local laws, processing and/or issuing the City of Newburgh Municipal Identification Card.

§ 60-3 City of Newburgh Municipal Identification Card Program.

- A. The City of Newburgh hereby establishes a City of Newburgh municipal identification card program. The City of Newburgh municipal identification card shall be issued to individuals who can prove their identity and residency in accordance with the terms of this chapter. The City Clerk shall be designated to administer the City of Newburgh Municipal Identification Card Program.

This barrier leaves thousands of individuals, including, but not limited to, immigrants, homeless persons, transgender persons, senior citizens, young people, and the formerly incarcerated, without access to critical services. It is the intent of the City Council to continue the City of Newburgh’s status as a fair and welcoming center for all residents without regard to a person’s race, national origin, religion, sex, sexual orientation, gender identity, disability, immigration, housing, or financial status.
- B. Residents’ lack of access to acceptable forms of identification also raises public safety concerns for the City of Newburgh. Residents without access to bank accounts often carry large amounts of money on their person or store it in their home making them targets for crime. In addition, residents who cannot produce proof of identity are often reluctant to report crimes to the police that they suffer or witness. Studies show that immigrant populations in particular are victimized by crime at rates similar to or greater than the general population but immigrant populations report crime at lower rates than the general

population. The under-reporting of crime poses a serious public safety problem and erodes the ability of law enforcement to function effectively in the City of Newburgh.

- C. A City of Newburgh identification card would help reduce the impact of the barriers to services outlined above, improve public safety, and foster pride and participation in the community. A City of Newburgh identification card would encourage crime reporting and witness cooperation and support a safer community. A City of Newburgh identification card also could assist more City residents to open bank accounts, access public facilities, receive resident discounts when available from local businesses, events, and arts institutions. A City of Newburgh identification card would benefit children and youth who become lost and normally possess no identification or emergency contact information and elderly citizens who no longer drive and may not possess a valid driver's license. Therefore, it is in the best interests of the City of Newburgh and its residents to issue its own municipal identification card.
- D. By authorizing and creating a municipal identification card program, the City Council does not intend to expand identification requirements for access to basic services or exercise of constitutional rights. The City of Newburgh municipal identification program should not be used to require individuals to produce government-issued identification to access services and benefits where such identification is not now required, such as registering to vote or casting a ballot.

LEY LOCAL NO.: 2 - 2019

DE

8 de abril de 2019

UNA LEY LOCAL PROMULGANDO EL CAPÍTULO 60 AL CÓDIGO DE ORDENANZAS
DE LA CIUDAD DE NEWBURGH TITULADO
“PROGRAMA DE TARJETA DE IDENTIFICACIÓN MUNICIPAL”

QUE SEA DECRETADO, por el Ayuntamiento de la Ciudad de Newburgh, Nueva York que el Capítulo 60 “Programa de Tarjeta de Identificación Municipal” sea y se decrete de la siguiente manera:

SECCIÓN 1 - TÍTULO

Esta Ley Local deberá ser denominada como “Una Ley Local que Decreta el Capítulo 60 titulado ‘Programa de Tarjeta de Identificación Municipal’ al Código de Ordenanzas de la Ciudad de Newburgh”.

SECCIÓN 2 - ENMIENDA

El Código de Ordenanzas de la Ciudad de Newburgh se enmendara para decretar el Nuevo Capítulo 60 titulado “Programa de Tarjeta de Identificación Municipal” para que se lea de la siguiente manera:

§ 60-1 Conclusiones Legislativas, intención and propósito.

- A. El Ayuntamiento de la Ciudad de Newburgh considera que muchos de los residentes de la Ciudad de Newburgh a menudo no tienen acceso a diversas formas de identificación y por lo tanto tienen dificultades para obtener servicios, tales como cuentas bancarias, atención médica y acceso a los edificios públicos y de gobierno. Esta barrera deja a miles de personas, incluyendo, pero no limitado a, inmigrantes, personas sin hogar, personas transgénero, ancianos, jóvenes y los que hayan sido anteriormente encarcelados, sin acceso a los servicios críticos. Es la intención del Ayuntamiento de continuar el estatus de la Ciudad de Newburgh como un centro justo y acogedor para todos los residentes sin tener en cuenta la raza de una persona, origen nacional, religión, sexo, orientación sexual, identidad de género, discapacidad, inmigración, vivienda, o estado financiero.
- B. La falta de acceso de los residentes a formas aceptables de identificación también plantea problemas de seguridad pública para la Ciudad de Newburgh. Los residentes sin acceso a cuentas bancarias a menudo llevan grandes cantidades de dinero en su persona o la almacenan en su casa haciéndolos blanco de la delincuencia. Además, los residentes que no

pueden presentar una prueba de identidad a menudo están poco dispuestos a denunciar a la policía los delitos que sufren o atestiguan. Los estudios demuestran que las poblaciones de inmigrantes en particular son victimizadas por delitos a tasas similares o mayores a la población general, pero las poblaciones inmigrantes reportan delitos a tasas más bajas que la población general. El bajo reportaje del delito plantea un serio problema de seguridad pública y deteriora la capacidad de las fuerzas policiales para funcionar efectivamente en la Ciudad de Newburgh.

- C. Una tarjeta de identificación de la ciudad de Newburgh ayudaría a reducir el impacto de las barreras a los servicios descritos anteriormente, mejorara la seguridad pública, y fomentar el orgullo y la participación en la comunidad. Una tarjeta de identificación de la Ciudad de Newburgh estimularía la denuncia de delitos y la cooperación de testigos y apoyo a una comunidad más segura. Una tarjeta de identificación de la Ciudad de Newburgh también podría ayudar a más residentes de la Ciudad para abrir cuentas bancarias, acceso a instalaciones públicas, recibir descuentos para personas que residan en la Ciudad cuando estén disponibles en empresas locales, eventos e instituciones artísticas. Una tarjeta de identificación de la Ciudad de Newburgh beneficiaría a niños y jóvenes que se pierden y normalmente no poseen información de identificación o de contacto de emergencia y ciudadanos mayores que ya no conducen y pueden no poseer una licencia de conducir válida. Por lo tanto, es en el mejor interés de la Ciudad de Newburgh y sus residentes que se emita su propia tarjeta de identificación municipal.
- D. Al autorizar y crear un programa de tarjeta de identificación municipal, el Ayuntamiento no tiene la intención de ampliar los requisitos de identificación para el acceso a los servicios básicos o para ejercer los derechos constitucionales. El programa de identificación municipal de la Ciudad de Newburgh no debe utilizarse para exigir a las personas que produzcan una identificación emitida por el gobierno para acceder a servicios y beneficios cuando tal identificación no se requiera ahora, como registrarse para votar o emitir un voto.

§ 60-2 Descargo de Responsabilidad.

La Ciudad de Newburgh está proporcionando la Tarjeta de Identificación Municipal de la Ciudad de Newburgh para la identificación y el acceso a los servicios prestados por la Ciudad de Newburgh. La Ciudad de Newburgh no actuara como garante o garantía de la información proporcionada por el solicitante de una Tarjeta de Identificación Municipal de la Ciudad de Newburgh o de/contra actos, penales o de otro tipo, cometidos por el individuo(s) mientras que poseen o utilizan una Tarjeta de Identificación Municipal de la Ciudad de Newburgh . Re: **Washington Lake Gatehouse Rehabilitation
Proposal for Supplemental Construction Inspection/Support Services**

Dear Mr. Wade:

Weston & Sampson is pleased to submit this proposal to provide supplemental construction phase inspection and support services for the Rehabilitation of the Washington Lake Gatehouse. We understand that the City will be providing day to day construction oversight and management but that from time to time, due to the demands of this and other ongoing projects on City staff, the City may require supplemental construction observation/inspection staff for this project. In addition, there may be technical issues that come up that require additional input and coordination with the design engineer as the work is performed. This work is expected to be performed on an "On-Call" basis and, as such, a specific level of effort is not known. Therefore, we propose to perform the supplemental inspection and the "On-Call" technical coordination work on an hourly rate basis plus expenses as indicated on the rate schedule presented herein. Hourly rate billing for on-site inspection/observation services will be for the time on site only and shall not include travel time to and from the site. Mileage to and from the site is billable.

Proposed Hourly Rate Schedule

Invoices will include a summary of hours by employee name/grade and a brief description of the work performed by each.

Schedule of Rates

On-Call Contract Billing Grades	Hourly Billing Rates
Engineer of Record	\$215.00
Team Leader	\$165.00
Senior Design Engineer	\$150.00
Project Engineer	\$135.00
Senior Inspector	\$95.00
Junior Inspector	\$75.00
CAD Technician	\$95.00
ADMIN	\$80.00

MISCELLANEOUS EXPENSES

- General photocopying/reproduction/printing – no charge
- Production/photocopying of construction documents – cost only
- Printing – outside services – cost only
- Mileage reimbursement – Federal Reimbursement Rate

- All other outside expenses – cost plus 10%

For budgetary purposes, we have prepared a preliminary level of effort estimate assuming that our Senior Design Engineer for this project will make the equivalent of one full-day site visit a week for a twelve-week construction period. Therefore, we recommend allocating \$15,000 for this task. The actual staff levels utilized and the level of effort may differ from that assumed for costing purposes. Weston & Sampson will notify the City if we believe that additional funds will be necessary based on the progress of the work and the level of services being requested. All other terms and condition of the original contract remain in effect.

Authorization

To accept this proposal please sign and return one copy of this proposal to us.

We look forward to continuing to assist the City with this project. If you have any questions, please contact me at 845-454-3344.

Sincerely,
WESTON & SAMPSON, PE, LS, LA, PC

Subject: Sanitation User fees.

Hi Joe,

The last user fee increases to sanitation fund were done in 2012. Since then there have been substantial increases to the fund's tipping fees, tonnage fees and operational costs. At the same time fund has been rolling over a deficit from year to year which crossed the half a million mark at the beginning of 2017. Due to limited operational funds the funds has deferred capital improvements and much needed maintenance.

I met with Vicky, George and Mimi and I am proposing the following increases to the stop and dwelling fees:

Fee Type
Basic Stop Fee

Current Amount	Proposed
2.75	4.26

Dwelling Fee

16.5

25.58

These increases will allow the sanitation fund to be self-sustaining, clear the deficit and establish a reserve which is likely to positively impact our rating by our creditor's (Moody's).

For a single family home the current fee per quarter moves from \$115.5 to \$179.03, and increase of \$63.53 per quarter. These rates are still approximately \$20 per month less than the surrounding garbage collectors who charge our neighbors approximately \$80/mo or 240/q for collection once per week. Our sanitation fund picks up 2x per week.

I could've recommended higher, but I kept it within reasonable range.

Best.

General Instructions

What's New

The IRS has created a page on IRS.gov for information about the Form 8038 series and its instructions, at www.irs.gov/form8038. Information about any future developments affecting the Form 8038 series (such as legislation enacted after we release it) will be posted on that page.

Purpose of Form

Form 8038-GC is used by the issuers of tax-exempt governmental obligations to provide the IRS with the information required by section 149(e) and to monitor the requirements of sections 141 through 150.

Who Must File

Issuers of tax-exempt governmental obligations with issue prices of less than \$100,000 must file Form 8038-GC.

Issuers of a tax-exempt governmental obligation with an issue price of \$100,000 or more must file Form 8038-G, Information Return for Tax-Exempt Governmental Obligations.

Filing a separate return for a single issue.

Issuers have the option to file a separate Form 8038-GC for any tax-exempt governmental obligation with an issue price of less than \$100,000.

An issuer of a tax-exempt bond used to finance construction expenditures must file a separate Form 8038-GC for each issue to give notice to the IRS that an election was made to

pay a penalty in lieu of arbitrage rebate (see the line 11 instructions).

Filing a consolidated return for multiple issues.

For all tax-exempt governmental obligations with issue prices of less than \$100,000 that are not reported on a separate Form 8038-GC, an issuer must file a consolidated information return including all such issues issued within the calendar year.

Thus, an issuer may file a separate Form 8038-GC for each of a number of small issues and report the remainder of small issues issued during the calendar year on one consolidated Form 8038-GC. However, if the issue is a construction issue, a separate Form 8038-GC must be filed to give the IRS notice of the election to pay a penalty in lieu of arbitrage rebate.

When To File

To file a separate return for a single issue, file Form 8038-GC on or before the 15th day of the second calendar month after the close of the calendar quarter in which the issue is issued.

To file a consolidated return for multiple issues, file Form 8038-GC on or before February 15th of the calendar year following the year in which the issue is issued.

Late filing. An issuer may be granted an extension of time to file Form 8038-GC under section 3 of Rev. Proc. 2002-48, 2002-37 I.R.B. 531, if it is determined that the failure to file on time is not due to willful neglect. Type or print at the top of the form, "Request for Relief under section 3 of Rev. Proc. 2002-48." Attach to the Form 8038-GC a letter briefly stating why the form was not submitted to the IRS on time. Also indicate whether the obligation in question is under examination by the IRS. Do not submit copies of any bond documents, leases, or installment sale documents See *Where To File next*.

Where To File

File Form 8038-GC, and any attachments, with the Department of the Treasury, Internal Revenue Service Center, Ogden, UT 84201.

Private delivery services. You can use certain private delivery services designated by the IRS to meet the "timely mailing as timely filing/paying" rule for tax returns and payments. These private delivery services include only the following:

- DHL Express (DHL): DHL Same Day Service.
- Federal Express (FedEx): FedEx Priority Overnight, FedEx Standard Overnight, FedEx 2Day, FedEx International Priority, and FedEx International First.
- United Parcel Service (UPS): UPS Next Day Air, UPS Next Day Air Saver, UPS 2nd Day Air, UPS 2nd Day Air A.M., UPS Worldwide Express Plus, and UPS Worldwide Express.

The private delivery service can tell you how to get written proof of the mailing date.

Other Forms That May Be Required

For rebating arbitrage (or paying a penalty in lieu of arbitrage rebate) to the Federal Government, use Form 8038-T, Arbitrage Rebate, Yield Reduction and Penalty in Lieu of Arbitrage Rebate. For private activity bonds, use Form 8038, Information Return for Tax-Exempt Private Activity Bond Issues.

For a tax-exempt governmental obligation with an issue price of \$100,000 or more, use Form 8038-G.

Rounding to Whole Dollars

You may show the money items on this return as whole-dollar amounts. To do so, drop any amount less than 50 cents and increase any amount from 50 to 99 cents to the next higher dollar

Definitions

Obligations. This refers to a single tax-exempt governmental obligation if Form 8038-GC is used for separate reporting or to

multiple tax-exempt governmental obligations if the form is used for consolidated reporting.

Tax-exempt obligation. This is any obligation including a bond, installment purchase agreement, or financial lease, on which the interest is excluded from income under section 103.

Tax-exempt governmental obligation. A tax exempt obligation that is not a private activity bond (see below) is a tax-exempt governmental obligation. This includes a bond issued by a qualified volunteer fire department under section 150(e).

Private activity bond. This includes an obligation issued as part of an issue in which:

- More than 10% of the proceeds are to be used for any private activity business use, and
- More than 10% of the payment of principal or interest of the issue is either (a) secured by an interest in property to be used for a private business use (or payments for such property) or (b) to be derived from payments for property (or borrowed money) used for a private business use.

It also includes a bond, the proceeds of which (a) are to be used to make or finance loans (other than loans described in section 141(c)(2)) to persons other than governmental units and (b) exceeds the lesser of 5% of the proceeds or \$5 million.

Issue. Generally, obligations are treated as part of the same issue only if they are issued by the same issuer, on the same date, and as part of a single transaction, or a series of related transactions. However, obligations issued during the same calendar year (a) under a loan agreement under which amounts are to be advanced periodically (a "draw-down loan") or (b) with a term not exceeding 270 days, may be treated as part of the same issue if the obligations are equally and ratably secured under a single indenture or loan agreement and are issued under a common financing arrangement (for example, under the same official statement periodically updated to reflect changing factual circumstances). Also, for obligations issued under a draw-down loan that meets the requirements of the preceding sentence, obligations issued during different calendar years may be treated as part of the same issue if all of the amounts to be advanced under the draw-down loan are reasonably expected to be advanced within 3 years of the date of issue of the first obligation. Likewise, obligations (other than private activity bonds) issued under a single agreement that is in the form of a lease or installment sale may be treated as part of the same issue if all of the property covered by that agreement is reasonably expected to be delivered within 3 years of the date of issue of the first obligation.

Arbitrage rebate. Generally, interest on a state or local bond is not tax-exempt unless the issuer of the bond rebates to the United States arbitrage profits earned from investing proceeds of the bond in higher yielding nonpurpose investments. See section 148(f).

Construction issue. This is an issue of tax-exempt bonds that meets both of the following conditions:

1. At least 75% of the available construction proceeds of the issue are to be used for construction expenditures with respect to property to be owned by a governmental unit or a 501(c)(3) organization, and

2. All of the bonds that are part of the issue are qualified 501(c)(3) bonds, bonds that are not private activity bonds, or private activity bonds issued to finance property to be owned by a governmental unit or a 501(c)(3) organization.

In lieu of rebating any arbitrage that may be owed to the United States, the issuer of a construction issue may make an irrevocable election to pay a penalty. The penalty is equal to 1-1/2% of the amount of construction proceeds that do not meet certain spending requirements. See section 148(f)(4)(C) and the Instructions for Form 8038-T.

Specific Instructions

In general, a Form 8038-GC must be completed on the basis of available information and reasonable expectations as of the date of issue. However, forms that are filed on a consolidated basis may be completed on the basis of information readily available to the issuer at the close of the calendar year to which the form relates, supplemented by estimates made in good faith.

Part I—Reporting Authority

Amended return. An issuer may file an amended return to change or add to the information reported on a previously filed return for the same date of issue. If you are filing to correct errors or change a previously filed return, check the "Amended Return" box in the heading of the form.

The amended return must provide all the information reported on the original return, in addition to the new corrected information. Attach an explanation of the reason for the amended return and write across the top "Amended Return Explanation."

Line 1. The issuer's name is the name of the entity issuing the obligations, not the name of the entity receiving the benefit of the financing. In the case of a lease or installment sale, the issuer is the lessee or purchaser.

Line 2. An issuer that does not have an employer identification number (EIN) should apply for one on Form SS-4, Application for Employer Identification Number. You can get this form on the IRS website at IRS.gov or by calling 1-800-TAX-FORM (1-800-829-3676). You may receive an EIN by telephone by following the instructions for Form SS-4.

Lines 3 and 4. Enter the issuer's address or the address of the designated contact person listed on line 6. If the issuer wishes to use its own address and the issuer receives its mail in care of a third party authorized representative (such as an accountant or attorney), enter on the street address line "C/O" followed by the third party's name and street address or P.O. box. Include the suite, room, or other unit number after the street address. If the post office does not deliver mail to the street address and the issuer has a P.O. box, show the box number instead of the

street address. If a change in address occurs after the return is filed, use Form 8822, Change of Address, to notify the IRS of the new address.

Note. The address entered on lines 3 and 4 is the address the IRS will use for all written communications regarding the processing of this return, including any notices. By authorizing a person other than an authorized officer or other employee of the issuer to communicate with the IRS and whom the IRS may contact about this return, the issuer authorizes the IRS to communicate directly with the individual listed on line 6, whose address is entered on lines 3 and 4 and consents to disclose the issuer's return information to that individual, as necessary, to process this return.

Line 5. This line is for IRS use only. Do not make any entries in this box.

Part II—Description of Obligations

Check the appropriate box designating this as a return on a single issue basis or a consolidated return basis.

Line 8a. The issue price of obligations is generally determined under Regulations section 1.148-1(b). Thus, when issued for cash, the issue price is the price at which a substantial amount of the obligations are sold to the public. To determine the issue price of an obligation issued for property, see sections 1273 and 1274 and the related regulations.

Line 8b. For a single issue, enter the date of issue (for example, 03/15/2010 for a single issue issued on March 15, 2010), generally the date on which the issuer physically exchanges the bonds that are part of the issue for the underwriter's (or other purchaser's) funds; for a lease or installment sale, enter the date interest starts to accrue. For issues reported on a consolidated basis, enter the first day of the calendar year during which the obligations were issued (for example, for calendar year 2010, enter 01/01/2010).

Lines 9a through 9h. Complete this section if property other than cash is exchanged for the obligation, for example, acquiring a police car, a fire truck, or telephone equipment through a series of monthly payments. (This type of obligation is sometimes referred to as a "municipal lease.") Also complete this section if real property is directly acquired in exchange for an obligation to make periodic payments of interest and principal.

Do not complete lines 9a through 9d if the proceeds of an obligation are received in the form of cash even if the term "lease" is used in the title of the issue. For lines 9a through 9d, enter the amount on the appropriate line that represents a lease or installment purchase. For line 9d, enter the type of item that is leased. For lines 9e through 9h, enter the amount on the appropriate line that represents a bank loan. For line 9h, enter the type of bank loan.

Lines 9i and 9j. For line 9i, enter the amount of the proceeds that will be used to pay principal, interest, or call premium on any other issue of bonds, including proceeds that will be used to fund an escrow account for this purpose. Several lines may apply to a particular obligation. For example, report on lines 9i and 9j obligations used to refund prior issues which represent loans from the proceeds of another tax-exempt obligation.

Lines 9k. Enter on line 9k the amount on line 8a that does not represent an obligation described on lines 9a through 9j

Line 10. Check this box if the issuer has designated any issue as a "small issuer exception" under section 265(b)(3)(B)(i)(III).

Line 11. Check this box if the issue is a construction issue and an irrevocable election to pay a penalty in lieu of arbitrage rebate has been made on or before the date the bonds were issued. The penalty is payable with a Form 8038-T for each 6-month period after the date the bonds are issued. Do not make any payment of penalty in lieu of rebate with Form 8038-GC. See Rev. Proc. 92-22, 1992-1 C.B. 736, for rules regarding the "election document."

Line 12. Enter the name of the vendor or bank who is a party to the installment purchase agreement, loan, or financial lease. If there are multiple vendors or banks, the issuer should attach a schedule.

Line 13. Enter the employer identification number of the vendor or bank who is a party to the installment purchase agreement, loan, or financial lease. If there are multiple vendors or banks, the issuer should attach a schedule.

Signature and Consent

An authorized representative of the issuer must sign Form 8038-GC and any applicable certification. Also print the name and title of the person signing Form 8038-GC. The authorized representative of the issuer signing this form must have the authority to consent to the disclosure of the issuer's return information, as necessary to process this return, to the person(s) that has been designated in this form.

Note. If the issuer authorizes in line 6 the IRS to communicate with a person other than an officer or other employee of the issuer, (such authorization shall include contact both in writing regardless of the address entered in lines 3 and 4, and by telephone) by signing this form, the issuer's authorized representative consents to the disclosure of the issuer's return information, as necessary to process this return, to such person.

Paid Preparer

If an authorized representative of the issuer filled in its return, the paid preparer's space should remain blank. Anyone who prepares the return but does not charge the organization should not sign the return. Certain others who prepare the return should not sign. For example, a regular, full-time employee of the issuer, such as a clerk, secretary, etc., should not sign.

Generally, anyone who is paid to prepare a return must sign it and fill in the other blanks in the Paid Preparer Use Only area of the return. A paid preparer cannot use a social security number in the *Paid Preparer Use Only* box. The paid preparer must use a preparer tax identification number (PTIN). If the paid preparer is self-employed, the preparer should enter his or her address in the box.

- The paid preparer must:
- Sign the return in the space provided for the preparer's signature, and
 - Give a copy of the return to the issuer.

WHEREAS, this Council has reviewed the Complete Streets Policy and finds that adopting the Complete Streets Policy is in the best interests of the City of Newburgh and its further development;

NOW, THEREFORE, BE IT RESOLVED, that the Council of the City of Newburgh, New York hereby adopts the City of Newburgh Complete Streets Policy.

CITY OF NEWBURGH COMPLETE STREETS POLICY

1.0 VISION & PURPOSE

The City of Newburgh will develop and maintain a safe, accessible and equitable transportation network that provides alternative transportation options for all users, coordinates adjacent land uses and promotes a more livable and walkable community for people of all ages and abilities. The transportation network will improve public health and safety, while encouraging economic activity, regional tourism, community character, livability for all residents, and equity in order to enhance the quality of life for residents and visitors. The City of Newburgh will consider the needs of diverse transportation users and modes, including but not limited to: walking, biking, driving, wheeling/rolling, public transit, car sharing/carpooling, taxis, delivery and emergency response vehicles. Where possible, there will be four modes of transportation, two of which must be walking and bicycling.

2.0 PRINCIPLES

Complete Streets core values support long-term safety, health, mobility, economic viability, livability, sustainability, environmental protections, equity, and quality of life through thoughtful street-level improvements to the built environment that make the safe and active choice the easy choice for all users.

Complete Street designed roadways offer better transportation options, reduce traffic, improve public health and overall air quality, support an aging population, advance economic development, promote equal opportunities, strengthen environmental resilience, and keep people safer while driving, biking, rolling, and walking.

2.1 Complete Streets serve diverse users.

It is the intent of this policy to promote a safe, accessible and equitable transportation network that balances the needs of all users, including: pedestrians, bicyclists, public transit users, motorists, emergency and municipal vehicles, and freight carriers. This policy promotes and enhances public health and safety, while encouraging economic activity, community character, livability, and equity for people of all ages, abilities and socioeconomic backgrounds, including children, families, aging populations and individuals with disabilities. Particular emphasis should be given to historically disinvested neighborhoods or vulnerable populations.

2.2 A connected, integrated transportation network is a critical component of Complete Streets.

A cohesive transportation network unifies the individual efforts of various entities by ensuring gaps are filled and crucial connections are made. This policy encourages the expansion of integrated public transportation opportunities including regional transportation systems, bicycle and pedestrian facilities, public and private property, and green space throughout the City of Newburgh and surrounding region. These services and facility improvements will increase personal mobility and travel choices, conserve energy resources, preserve air quality, and foster economic growth.

2.3 Complete Streets principles apply to all roadways and all projects phases.

This policy serves to integrate the consideration of bicycle, pedestrian, and public transportation facility planning into regional and local transportation planning programs. These considerations shall apply to the planning, design and construction phases

of all street, sidewalk, trail, and pathway projects, regardless of funding sources, whether public or private, including but not limited to new, retrofit or reconstruction, maintenance and ongoing projects.

The successful implementation of such projects requires ongoing collaboration between the Engineering Department, Department of Planning and Development, Department of Public Works, and other departments as warranted, and/or the various boards, councils, commissions, or committees as well as with appropriate local and regional agencies.

2.4 Best-practice design criteria and context sensitive approaches are essential to Complete Streets.

The best available Complete Streets design standards, policies, principles, and guidelines will be utilized to inform decision making and implemented to the maximum extent determined feasible by the Engineering Department, Department of Planning and Development, Department of Public Works, and other departments as warranted, and/or the various boards, councils, commissions, or committees. City staff will consider various contexts, public input, and the needs of users when implementing and adopt a balanced approach that follows appropriate design standards should be considered. This approach should aim to provide a comparable level of safety for all users and complement the projects physical setting while preserving scenic, aesthetic, historic, and environmental resources.

3.0 JURISDICTION

The design of new, rehabilitated or reconstructed facilities should anticipate likely demand for bicycling, walking, transit and motorist use and should not prevent future improvements. This policy shall apply to all transportation-related elements of projects involving City of Newburgh property, including City roads, parks, and buildings, as well as public and private projects over which the City of Newburgh has permitting authority.

The City shall foster partnerships with the State of New York, Orange County, other transportation agencies, neighboring counties and municipalities, school districts and other property owners to develop facilities that ensure the principles and practices of Complete Streets are embedded within their planning, design, construction, and maintenance activities.

4.0 IMPLEMENTATION

The City of Newburgh views Complete Streets as integral to everyday transportation decision-making practices and processes.

Next steps include:

- a. Coordination: The City of Newburgh will promote interdepartmental coordination to ensure the consistent application of this policy and encourage the most responsible and efficient use of resources for activities within the public right-of-way.
- b. Plans and Policies: The Engineering Department, Department of Planning and Development, Department of Public Works, other departments as warranted, and/or the various boards, councils, commissions, or committees will incorporate Complete Streets principles into proposed and existing procedures, programs, plans, regulations, and other processes/documents, as appropriate. 5.0 PERFORMANCE MEASURES

The City of Newburgh will define performance measures to track the progress of the implementation of this policy. Such measures will be incorporated into relevant plans, manuals, policies, processes, and programs. These measures will be reported and made publicly available each year. These measures include, but are not limited to:

- a. Total improvements in safety for all users

- ~~j. Percentage of adults and youth who report engaging in physical activity in the past 30 days~~

6.0 EXCEPTIONS

All exceptions to this policy must be transparent and approved by the Engineering Department, Department of Planning and Development, Department of Public Works and other relevant departments as warranted. Written findings and supporting data must be provided and will be made publicly available prior to the exceptions being granted. Exceptions to the Complete Streets policy may be considered when:

- a. A project involves only ordinary maintenance that do not change the roadways operations, such as, mowing, sweeping, spot pavement repair, grinding and microsurfacing;

- b. An affected roadway prohibits, by law, use by specified users, in which case a greater effort shall be made to accommodate those specified users elsewhere, including on roadways that cross or otherwise intersect with the affected roadway;
- c. The cost or impacts of accommodation is excessively disproportionate to the need or probable current and/or future use;
- d. The existing and planned population, employment densities, traffic volumes, or level of transit service around a particular roadway is so low that future expected users of the roadway demonstrates an absence of current and future need;
- e. There is a reasonable and equivalent project near the corridor under consideration that is already programmed to provide accommodations promoted by this policy.

The Importance of Complete Streets

The streets of our cities and towns play an important role in the livability of our communities.

Everyone, regardless of age, ability, income, race, or ethnicity, should have safe and convenient access to community destinations and public places—whether walking, wheeling, driving, bicycling, or taking public transportation. Yet, too many of our streets are designed only for cars, and how quickly they can move up and down streets. They are unsafe for people on foot or bike. Changes are needed to improve the efficiency and capacity of our streets to move people in the same amount of space without having to rely on their cars. Many cities and towns now have plans and policies to ensure safety and convenience on streets throughout their communities. These plans and policies are not just for drivers, but for all users, including pedestrians, bicyclists, and transit riders.

What Are Complete Streets???

Complete Streets are streets for everyone and provide an opportunity to engage in inclusive, community-wide health promotion.

Complete Streets go beyond just the street. By planning, designing, operating, and maintaining Complete Streets, communities of all sizes—from small rural towns to large cities—can provide all users, regardless of transportation mode, with convenient and comfortable access to roads. Complete Streets enable those walking, wheeling, bicycling, driving automobiles, and riding public transportation to share the road safely and allow communities to achieve greater economic, environmental, and public health benefits. If the underlying principles of universal design are adhered to and effectively executed, an inclusive and accessible environment for pedestrians and transit users will be achieved.

Common Complete Streets Elements

Sidewalks and crosswalks; traffic-calming devices; bike lanes and mixed-use paths; driving lanes for cars and buses; street lights; tree-lined streets; benches; on-street parking; bus lanes and paved shoulders.

Two-thirds of Americans want more transportation options, so they have the freedom to get where they need to go.

Source: Future of Transportation National Survey

One Size Doesn't Fit All Communities

Complete Streets are meant to be context sensitive—a complete street in a city will differ from one in a rural community. There is no single, standard Complete Streets design because such streets must be designed to meet the particular needs of each individual community.

---- Benefits of Complete Streets ----

- Complete Streets can bolster economic growth and stability by providing accessible and efficient connections between destinations.
- By designing for pedestrian travel, Complete Streets can improve safety by reducing crashes between vehicles and pedestrians or cyclists.
- Complete Streets encourage walking and bicycling and improve air quality, which are all important for our health (reduce obesity, asthma, and illness).
- Complete Streets can help ease transportation woes and increase the overall capacity of the transportation network.
- Complete Streets are equitable and help to provide access to daily activities (e.g., employment, school) among those who don't have a car.

Safety.

Designing the street with pedestrians in mind—improved lighting, sidewalks, raised medians, better bus stop placement, and installation of traffic calming measures—has been shown to improve pedestrian, bicyclist, and motorist safety. Moreover, when more residents use active transportation there are more people in the public realm. Therefore, increased active transportation creates a safer setting for children as they travel.

Economic Vitality.

Communities that undergo Complete Streets improvements can bolster local business and spur economic development. Complete Streets encourage private investment and businesses often look at the economic health of a community when deciding where to locate because of insurance costs. Making it easier for residents and visitors to walk, bike, or take transit to their destinations helps them to spend money locally. Instead of paying for the cost of owning a car, individuals can pay for housing, restaurants, and entertainment.

Job Growth.

Road improvement projects that include bike and pedestrian facilities create more jobs per dollar spent, compared to those that are only designed for vehicles. Moreover, cycling adds jobs to the economy through increased tourism, bicycle manufacturing, sales and repair, bike tours, and other activities.

What Is a Complete Streets Policy?

A Complete Streets policy formalizes a community's desire to have streets that are safe for users of all ages and abilities. These policies direct decision-makers and stakeholders to consistently incorporate Complete Streets principles into both routine maintenance projects and new projects and to plan, design, and build roadways with all users in mind – including pedestrians, bicyclists, public transportation riders, and motorists. Complete Streets policies come in many shapes and sizes. City councils have passed resolutions directing their transportation agencies to consider the needs of all users. Planning departments have worked with community members to include Complete Streets goals in master or comprehensive plans. Transportation agencies have written internal memorandums outlining policy changes and implementation steps, and policy makers have passed Complete Streets ordinances. Some policies are developed very quickly and some involve many steps beyond the initial adoption of a resolution or vision statement.

THE BASICS

A Complete Street:

- Is a street designed to serve all users and modes
- Is part of a connected and integrated transportation network
- Applies to all roadways, projects, and phases when appropriate
- Looks at context sensitive approaches and best practice design criteria

Each complete street is unique, but elements may include:

- sidewalks
- bike lanes (or wide paved shoulders)
- bus lanes
- accessible transit stops
- frequent crossing opportunities
- median islands
- accessible pedestrian signals
- bump outs (curb extensions)

THE BENEFITS

PUBLIC HEALTH

Walkability has a direct and specific relation to the health of residents. Health experts agree that **inactivity** is a leading cause of **obesity** in adults throughout the nation.

People with safe places to walk
have nearly a **2x greater** chance of
meeting recommended daily activity
levels than those who do not.

COMPLETE STREETS POLICY

Key Implementation Steps for Complete Streets Initiatives

Adopt a Complete Streets Policy.

Adopting a policy formally establishes a jurisdiction's commitment to Complete Streets. The strongest Complete Streets policies call for the key implementation steps below.

Restructure or revise related procedures, plans, regulations, and other processes.

These processes should make accommodating all users on every project a routine part of transportation planning and operations. This could include incorporating Complete Streets checklists or other tools into decision-making processes.

Develop new design policies and guides.

Communities may also elect to revise existing design guidance to reflect the current state of best practices in transportation design, or they may adopt national or state-level recognized design guidance.

Offer workshops and other training opportunities.

These trainings should educate transportation staff, community leaders, and the general public so that everyone understands the importance of the Complete Streets vision. Trainings could focus on Complete Streets design and implementation, community engagement, and/or equity.

Create a committee to oversee implementation.

The committee should include both external and internal stakeholders as well as representatives from advocacy groups, underinvested communities, and vulnerable populations such as people of color, older adults, children, low-income communities, non-native English speakers, those who do not own or cannot access a car, and those living with disabilities.

Create a community engagement plan.

The plan should incorporate equity by targeting advocacy organizations and underrepresented communities. The best community engagement plans use innovative outreach strategies that don't require people to alter their daily routines to participate. This report highlights initiatives that excel in community engagement, even if they do not have a formal engagement plan.

Implement Complete Streets projects.

After taking other key implementation steps, jurisdictions can incorporate a Complete Streets approach into all transportation projects as routine practice. In doing so, they can work toward creating a comprehensive transportation network that is safe, reliable, comfortable, convenient, affordable, and accessible for all people who use the street.

COMPLETE STREETS POLICY

Formalizes a community's intent to plan, design, and maintain streets so they are safe for all users.

Directs transportation planners and engineers to **consistently** design and construct the right-of-way to safely accommodate all users.

Terms and Conditions Sale

23-24 Williamsburg Drive, City of Newburgh

(SBL: 1-2-12)

STANDARD TERMS:

1. City of Newburgh acquired title to this property in accordance with Article 11 of the Real Property Tax Law of the State of New York, and all known rights of redemption under said provisions of law have been extinguished by the tax sale proceedings and/or as a result of forfeiture.
2. For purposes of these Terms and Conditions, parcel shall be defined as a section, block and lot number.
3. All real property, including any buildings thereon, is sold "AS IS" and without any representation or warranty whatsoever as to the condition or title, and subject to: (a) any state of facts an accurate survey or personal inspection of the premises would disclose; (b) applicable zoning/land use/building regulations; (c) water and sewer assessments are the responsibility of the purchaser, whether they are received or not; (d) easements, covenants, conditions and rights-of-way of record existing at the time of the levy of the tax, the non-payment of which resulted in the tax sale in which City of Newburgh acquired title; and (e) for purposes of taxation, the purchaser shall be deemed to be the owner prior to the next applicable taxable status date after the date of sale.
4. The properties are sold subject to unpaid school taxes for the tax year of **2018-2019**, and also subject to all school taxes levied subsequent to the date of the City Council resolution authorizing the sale. The purchaser shall reimburse the City for any school taxes paid by the City for the tax year **2018-2019**, and subsequent levies up to the date of the closing. Upon the closing, the properties shall become subject to taxation. Water and sewer charges and sanitation fees will be paid by the City to the date of closing.
5. **WARNING: FAILURE TO COMPLY WITH THE TERMS OF THIS PARAGRAPH MAY RESULT IN YOUR LOSS OF THE PROPERTY AFTER PURCHASE.** The deed will contain provisions stating that the purchaser is required to rehabilitate any building on the property and bring it into compliance with all State, County and Local standards for occupancy within (18) months of the date of the deed. Within such eighteen (18) month time period the purchaser must either: obtain a Certificate of Occupancy for all buildings on the property; make all buildings granted a Certificate of Occupancy before the date of purchase fit for the use stated in such Certificate of Occupancy; or demolish such buildings. The deed shall require the purchaser to schedule an inspection by City officials at or before the end of the eighteen (18) month period. If the purchaser has not complied with the deed provisions regarding rehabilitation of the property and obtained a Certificate of Occupancy or Certificate of Compliance by that time, then the title to the property shall revert to the City of Newburgh. The deed shall also provide that the property shall not be conveyed to any other person before a Certificate of Occupancy or Certificate of Compliance is issued. A written request made to the City Manager for an extension of the eighteen (18) month rehabilitation period shall be accompanied by a non-refundable fee of \$250.00 per parcel for which a request is submitted. The City Manager may, in his sole discretion and for good cause shown, grant one extension of time to rehabilitate of up to, but not to exceed, three (3) months. Any additional request thereafter shall be made in writing and placed before the City Council for their consideration.
6. The City makes no representation as to whether the property is vacant and/or unoccupied. Evictions, if necessary, are solely the responsibility of the purchaser after closing and recording of the deed. The parcel is being sold subject to the City's Vacant Property Ordinance (Chapter 121) and all provisions of law applicable thereto. Within 30 days of closing, the purchaser must register the property and pay any applicable fees or submit an acceptable rehabilitation plan to the Building Department.
7. All purchasers are advised to personally inspect the premises and to examine title to the premises prior to the date upon which the sale is scheduled to take place. Upon delivery of the quitclaim deed by the City of Newburgh to the successful purchaser, any and all claims with respect to title to the premises are merged in the deed and do not survive.

8. No personal property is included in the sale of any of the parcels owned by City of Newburgh, unless the former owner or occupant has abandoned same. The disposition of any personal property located on any parcel sold shall be the sole responsibility of the purchaser following the closing of sale.
9. The City makes no representation, express or implied, as to the condition of any property, warranty of title, or as to the suitability of any for any particular use or occupancy. Property may contain paint or other similar surface coating material containing lead. Purchaser shall be responsible for the correction of such conditions when required by applicable law. Property also may contain other environmental hazards. Purchaser shall be responsible for ascertaining and investigating such conditions prior to bidding. Purchaser shall be responsible for investigating and ascertaining from the City Building Inspector's records the legal permitted use of any property prior to closing. Purchaser acknowledges receipt of the pamphlet entitled "Protecting Your Family from Lead in Your Home." Purchaser also acknowledges that he/she has had the opportunity to conduct a risk assessment or inspection of the premises for the presence of lead-based paint, lead-based paint hazards or mold.
10. The entire purchase price and all closing costs/fees must be paid by money order or guaranteed funds to the City of Newburgh Comptroller's Office by the date listed in the approved City Council Resolution, notwithstanding any extensions of time granted pursuant to terms contained herein ("Closing Deadline"). Such closing costs/fees may include, but are not limited to: recording fees, tax adjustments as of the day of closing, fuel oil adjustments, and applicable condominium charges (e.g. monthly maintenance charges, assessment charges, transfer buy-in fees, and/or closing package ordering fees). *The City of Newburgh does not accept credit card payments for the purchase price and closing costs/fees. The City is not required to send notice of acceptance or any other notice to a purchaser.* At closing, purchaser, as grantee, may take title as a natural person or as an entity wherein purchaser is an officer or managing member of said entity. If purchaser takes title as an entity, purchaser must provide an affidavit listing all of the members or shareholders of said entity, their addresses, their phone numbers, and their percentage ownership stake in the entity. Purchaser must have at least a fifty-one (51%) ownership stake in said entity in order for said entity to take title.
11. The City Manager may, in his sole discretion and for good cause shown, grant one extension of time to close title of up to, but not to exceed, sixty (60) additional days from the Closing Deadline. No request shall be entertained unless in writing, stating the reasons therefor, and unless accompanied by a fee of \$250.00 per parcel for which a request is submitted. The fee shall be in addition to all other fees and deposits and shall not be credited against the purchase price and shall not be returnable. Any additional request made thereafter shall be made in writing and placed before the City Council for its consideration.
12. In the event that a sale is cancelled by court order, judgment, the Comptroller or the Newburgh City Council, the purchaser shall be entitled only to a refund of the purchase money paid. Purchaser agrees that he shall not be entitled to special or consequential damages, attorney's fees, reimbursement for any expenses incurred as a result of ownership, improvements of property, or for taxes paid during period of ownership, and this agreement by the purchaser is a material condition of the sale.
13. Sale shall be final, absolute and without recourse once title is conveyed on the actual day of closing. In no event, shall City of Newburgh be or become liable for any defects in title for any cause whatsoever, and no claim, demand or suit of any nature shall exist in favor of the purchaser, his heirs, successors or assigns, against City of Newburgh arising from this sale.
14. Conveyance shall be by quitclaim deed only, containing a description of the property as it appeared on the tax roll for the year upon which the City acquired title or as corrected up to date of deed. The deed will be recorded by the City upon payment in full of the purchase price, tax reimbursements, buyer's premium (if applicable), and closing fees/costs. Possession of property is forbidden until the deed is recorded conveying title to the purchaser. **Title vests upon conveyance of deed.**
15. Upon closing, the City shall deliver a quitclaim deed conveying all of its right, title and interest in the subject property, which deed shall be drawn by the City Corporation Counsel. The City shall not convey its interest in any street, water, sewer or drainage easement, or any other interest the City may have in the property. The City shall only convey that interest obtained by the City pursuant to the judgment rendered in an *in rem* tax foreclosure action filed in the Orange County Clerk's Office.
16. The description of the property shall be from the City of Newburgh Tax Map reference or a survey description certified to the City of Newburgh. Any survey description shall be provided to the City

Corporation Counsel by the purchaser at least thirty (30) days in advance of closing title and approved by the City's Engineer.

17. By acknowledging and executing these Terms & Conditions, the purchaser certifies that he/she is not representing the former owner(s) of the property against whom City of Newburgh foreclosed and has no intent to defraud City of Newburgh of the unpaid taxes, assessment, penalties and charges which have been levied against the property. The purchaser agrees that neither he/she nor his/her assigns shall convey the property to the former owner(s) against whom City of Newburgh foreclosed within 24 months subsequent to the Closing Deadline date. If such conveyance occurs, purchaser understands that he/she may be found to have committed fraud, and/or intent to defraud, and will be liable for any deficiency between the purchase price at auction and such sums as may be owed to City of Newburgh as related to the foreclosure on the property and consents to immediate judgment by City of Newburgh for said amounts.
18. In the event that Seller engaged the services of a New York State Licensed Real Estate Broker in connection with this sale, Seller shall pay said Broker any commission earned pursuant to a separate agreement between Seller and Broker.
19. The property is sold subject to an owner-occupancy restriction. The purchaser has agreed to purchase the property subject to the five (5) year owner occupancy restriction shall, within 18 months of the delivery of the deed, establish his domicile and principal residence at said premises and maintain his domicile and principal residence at said premises for a period of at least five (5) years thereafter, provided that within said five (5) year period, the purchaser may convey said premises to another who shall also maintain their domicile and principal residence at said premises for said period. This shall be set forth as a restrictive covenant in the deed, subject upon its breach, to a right of re-entry in favor of the City of Newburgh. This shall be in addition to all other provisions, covenants and conditions set forth in the Terms of Sale.
20. Within ten (10) business days of approval of sale by the City of Newburgh, the purchaser shall tender a non-refundable downpayment in the amount of **\$5,000.00** payable to "City of Newburgh" by money order or guaranteed funds to the City of Newburgh Comptroller's Office. At closing, the downpayment amount shall be credited against the purchase price.

specific provisions set forth in an agreement between the agent, and the buyer and seller. An agent acting as a dual agent must explain carefully to both the buyer and seller that the agent is acting for the other party as well. The agent should also explain the possible effects of dual representation, including that by consenting to the dual agency relationship the buyer and seller are giving up their right to undivided loyalty. A buyer or seller should carefully consider the possible consequences of a dual agency relationship before agreeing to such representation.

Dual Agent with Designated Sales Agents
If the buyer and the seller provide their informed consent in writing, the principals or the real estate broker who represents both parties as a dual agent may designate a sales agent to represent the buyer and another sales agent to represent the seller to

negotiate the purchase and sale of real estate. A sales agent works under the supervision of the real estate broker. With the informed consent of the buyer and the seller in writing, the designated sales agent for the buyer will function as the buyer's agent representing the interests of and advocating on behalf of the buyer and the designated sales agent for the seller will function as the seller's agent representing the interests of and advocating on behalf of the seller in the negotiations between the buyer and seller. A designated sales agent cannot provide the full range of fiduciary duties to the buyer or seller. The designated sales agent must explain that like the dual agent under whose supervision they function, they cannot provide undivided loyalty. A buyer or seller should carefully consider the possible consequences of a dual agency relationship with designated sales agents before agreeing to such representation.

Proof of Financing: Chase account.

Comments: The purchasers currently live in Queens but want to move to Newburgh. They wish to be closer to family members who live in the Hudson Valley. The Melgars have recently sold their house in New York City. They will be purchasing this house with cash; no financing is required.

They plan to reside at 23-24 Williamsburg Drive—once it has been renovated. The Melgars plan to live in one unit and rent out the other unit.

The property is in fair condition. It needs work, but not as extensively as many other City-owned properties. Mr. Melgar's father has construction experience. His father feels he can do much of the work himself. Of course, for the plumbing and electric work he will hire local, licensed plumbers and electricians.

March 1, 2019

Dear Members of New York's Traffic Safety Community:

The Governor's Traffic Safety Committee (GTSC) is again pleased to announce this year's grant opportunities. As the new Acting Commissioner of the Department of Motor Vehicles, I encourage you to develop innovative programs in your communities to help us dramatically reduce the number of fatalities and injuries on our roadways. I'd also like to take this opportunity to introduce myself. Some of you may know me from my days as a State Assemblyman or as the City of Buffalo Comptroller. I look forward to working with you and your colleagues as we strive to enhance the safety of motorists on our roadways and provide quality customer service to our shared constituency.

Traffic safety initiatives undertaken at the local level and funded by GTSC grants have supported our efforts to reduce all types of crashes including those related to speed, impairment, motorcycles, occupant protection, bicyclists, pedestrians, and commercial motor vehicles. The implementation of programs that educate the public on the dangers of drowsy, impaired, distracted, and aggressive driving and the enforcement of these traffic safety laws continue to make New York a national leader in highway safety.

Our consistent success in New York State can be largely attributed to the innovative and data driven programs that our grantees implement each year and from the partnerships we have formed among local, state and federal partners. We at the GTSC do not take these relationships for granted and are thankful to all our partners who work tirelessly each day to drive fatality, crash and injury rates down.

While it is still too early to release final motor vehicle fatality and serious injury data for 2018 in New York State, I am pleased to report that the preliminary data are showing a reduction from 2017. This comes at a time when 21 states reported an increase in traffic fatalities in 2017. This is a testament to the hard work being done every day by our grantees in New York State. However, as encouraging as these statistics are, I am still heartbroken when I read of one injury or fatality on our roadways that could have been prevented.

Your sustained efforts and dedication to highway safety are to be commended and recognized for the valuable contribution made toward making New York a safe state in which to live, work and travel. Together, we will maintain our strong commitment to making our state's roadways safer for all.

STATE OF NEW YORK GOVERNOR'S TRAFFIC SAFETY COMMITTEE 2020 GRANT PROGRAM DESCRIPTIONS AND APPLICATION INFORMATION

March 2019

New for 2020 – Please note that every employer in New York State is now required to adopt a sexual harassment prevention policy and provide annual training to its employees. The Governor's Traffic Safety Committee (GTSC) is required to have all grant applicants certify that they are complying with this law. For more information, please visit <https://www.ny.gov/combating-sexual-harassment-workplace/employers>

I. Structured Programs - Child Passenger Safety and Police Traffic Services:

Child Passenger Safety (CPS) - These grants will continue to support the educational activities of child passenger safety programs through the four different initiatives or schedules: fitting stations, training and education programs, child passenger safety check events and car seat distribution programs for low income families.

Please note: In Federal Fiscal Year 2020 there will be funding available for the purchase of a **limited number** of child safety seats for use with Schedule A – Permanent Fitting Stations and Schedule C – Car Seat Check Events. Schedules A and C will require hands-on education pertaining to the proper use and installation of a car seat. In the event it is determined a car seat needs to be replaced, pre-established guidelines need to be followed and a misuse form completed and given to the parent/

caregiver. Funds will also be available for the purchase of a limited number of child safety seats for use with Schedule D – Child Safety Seat Distribution Programs. Schedule D will require the verification of low income status as well as in classroom instruction about child restraint systems and hands-on education pertaining to the proper use and installation of car seats.

Police Traffic Services (PTS) - The Federal Fiscal Year 2020 Police Traffic Services (PTS) grant program will provide funding to law enforcement agencies to conduct traffic enforcement. In addition to having a current mandatory seat belt use policy in place for police officers of the department, participation in the national Click It or Ticket seat belt enforcement mobilization is required. This program will also fund agencies to conduct traffic enforcement details based on the crash data of their local jurisdiction, with the goal of impacting motorist behavior and

Governor's Traffic Safety Committee

improving traffic safety within their communities.

The incentive funding for these structured programs is limited. GTSC may not be able to fund all of your initiatives. Applicants may request up to the maximum grant amount of \$40,000 for CPS and up to \$46,000 for PTS. There is no minimum request amount.

II. General Highway Safety Grants - The highway safety grant application for local, state and not-for-profit agencies is available to address a particular highway safety problem in their jurisdiction. This proposal requires applicants to submit a narrative outline of the problem with supporting data, details of the proposed activities with milestones and an evaluation plan.

Proposals must address one of the program areas included in the state's Highway Safety Strategic Plan, which can be found online at www.SafeNY.ny.gov/hsdata.htm. Program areas considered for the general Highway Safety Grant funding include: occupant protection; traffic enforcement; motorcycle safety; traffic records; community programs; programs that impact our younger drivers or older drivers; pedestrian safety; roadway safety and impaired driving.

In 2020, our impaired driving program will focus on statewide projects that support training, enforcement, and technology and state agencies' initiatives to support the efforts of the County STOP-DWI programs. We anticipate that available federal funding will once again be limited this year so applications need to be detailed and supported by data.

Highway Safety Strategic Plan - Every year, the New York State Governor's Traffic Safety Committee prepares the Highway Safety Strategic Plan (HSSP). This plan is the road map for traffic safety professionals in the state and is based on issues and strategies identified by the GTSC member agencies, other state

and local agencies, law enforcement agencies and not-for-profit organizations. The HSSP can be found online at www.SafeNY.ny.gov/hsdata.htm.

We invite you to contact the GTSC if you have suggestions for the HSSP.

Problem Identification - Since successful programs are data-driven, we encourage you to use the crash and ticket data reports that are available for each county through an online database developed by the Institute for Traffic Safety Management and Research (ITSMR) with funding from the GTSC. The database, called the Traffic Safety Statistical Repository (TSSR), contains crash data from 2009 forward, including preliminary crash data for the current year, and ticket data for 2009-2017.

To access the TSSR, please visit www.itsmr.org/TSSR. Several help tools are available on the site, including a User Guide, FAQ, Glossary of Terms and TSSR Directory. Please contact your Highway Safety Program Representative at the GTSC if you have questions.

Application Procedure - The due date for all applications is May 1, 2019. Not-for-profit agencies must register with and be pre-qualified in the New York State Grants Gateway before submitting a GTSC grant proposal. Proposals received from not-for-profit applicants that have not registered and are not pre-qualified in the Grants Gateway on the proposal due date of 11:59 PM on May 1, 2019 cannot be evaluated. Such proposals will be disqualified from further consideration. If you need assistance with Grants Gateway enrollment or enrollment in the GTSC's eGrants, contact the GTSC.

General instructions for preparing grant applications are included in the eGrants system. If your agency does not have a Project Director currently

Governor's Traffic Safety Committee

Additional information on eligibility requirements can be found on <http://SafeNY.ny.gov/egrants/rules.htm>.

Applications must be submitted using the GTSC eGrants system. The due date for General Highway Safety, Child Passenger Safety and Police Traffic Services grant applications is May 1, 2019. Applications submitted after May 1, 2019 will not be considered. Applicants must submit their proposals by changing the status of their completed 'In Process' proposal to 'Submit' on or before May 1, 2019.

Description:

Guide for Writing a General Highway Safety Grant Proposal Narrative

The GTSC uses strategic planning to help determine the state's priority highway safety problems and to develop program strategies for addressing these problems. The results of this process are reported annually in the State's Highway Safety Strategic Plan (HSSP). Local and state agencies and not-for-profit organizations can submit applications to receive funding for traffic safety projects directed at solving problems identified in the HSSP. The HSSP is prepared by the GTSC staff, based on input from the traffic safety community. The published HSSP is available on our website at www.safeny.ny.gov.

The General Highway Safety grant program for local, state and not-for-profit agencies is to be used by any applicant to address any highway safety issue in the HSSP. The applicant must prepare a grant application narrative that states the problem to be addressed by the grant project and provides supporting data. The grant narrative must address all of the elements outlined in this guide. The budget should be justified and reasonable and only include allowable costs.

General Highway Safety grant applications must clearly identify the highway safety problem(s) to be addressed and the solution(s) to be implemented. If your grant application addresses multiple problems, you must include a project description for each problem to be addressed. Applicants should prioritize and limit the number of problems you address in your grant application. Resources are limited; be specific in your focus.

The grant application must have a narrative that addresses the following components:

I. Problem Identification

II. Proposed Solution

III. Goal (with objectives)

IV. Operational Plan (Work Plan)

V. Evaluation Plan

Use this guide when writing your grant to develop an acceptable application. Applications will be reviewed based on completeness, potential impact, reasonableness of the budget request and the past performance of the applicant. All proposals must address a problem described in New York's Highway Safety Strategic Plan. The Highway Safety Strategic Plan is found on the GTSC website, SafeNY.ny.gov, and crash and ticket data is found on the Traffic Safety Statistical Repository at: <https://www.itsmr.org/TSSR/>.

I. Problem Identification

In narrative form, describe the problem(s) that you have identified in your community. The problem(s) you describe should be identified through an analysis and assessment of data and information related to highway safety in your community. The data used in identifying the problem(s) must be included to support your problem identification statement. Crash and ticket data are found in the publicly-accessible, searchable, Internet-based archive called the Traffic Safety Statistical Repository (TSSR) at: <https://www.itsmr.org/TSSR/>

Guide for Writing a General Highway Safety Grant Proposal Narrative

II. Proposed Solution

Describe the solution to your highway safety problem. Explain what you intend to do and how it will impact your problem.

Provide specific and measurable action statements that indicate what you would like to accomplish by the end of your project period.

Provide a statement for each problem that you will be addressing in the project.

III. Goal

Based on the problem(s) that you have identified and documented, state the goal and objectives of your project. Performance measures for monitoring and tracking progress toward your goal and each objective must be identified.

Goal: The goal of your project is the result you hope to achieve over time. In highway safety programs, the ultimate goal is to reduce crashes, fatalities and injuries. The goal should be measurable; it should also be ambitious, but realistic. In stating the goal, include where you are starting from (baseline), the target you hope to reach, and a timeframe for achieving your goal. (Examples: Reduce the number of pedestrians injured in crashes from 214 this year to 185 in three years. Reduce the number of fatal and personal injury crashes that are alcohol-related from 142 this year to 125 in three years.)

Objectives: The objectives are the "action" steps you will take to achieve your goal and are related to the activities undertaken in your project. The objectives should also be specific, measurable, action-oriented, realistic, related to your problem and time bound. (Examples: Conduct a traffic safety education outreach for senior citizens by September 30. Increase the number of tickets issued for speeding violations from 16,890 last year to 20,000 in this year. Increase the seat belt use rate from 85% last year to 95% next year).

Describe the strategies you will use to accomplish your program's objectives. For each strategy, describe the specific activities or tasks that will be undertaken. Identify measures that will be used to document the activities that are implemented; this information must be collected throughout the project. (Examples: number of pedestrian safety presentations to senior citizen groups, number of brochures distributed, number of seat belt road checks conducted.) To the extent possible, measures for assessing the effectiveness of your activities should also be identified. (Examples: change in awareness/knowledge of pedestrian safety, change in seat belt use rate linked to project activity.)

Performance Measures: A performance measure is a quantitative indicator that can be monitored over time and is directly related to a goal or objective. Identify the measures you will use to track progress toward the achievement of your goals and objectives. (Examples: number of pedestrians injured in crashes, seat belt use rate, number of speeding tickets issued). For each selected measure, indicate the source or how you will collect the data. (Examples: Department of Motor Vehicles, observational surveys, police agencies tickets issued.)

IV. Operational Plan (Work Plan)

Provide a detailed description of how your project will be organized, including such things as staffing, location, schedules and frequencies. What are the specific activities that you will be performing, how will you do them, when, how often and to whom will they be directed? Provide a description of major activities or events (by month or quarter).

Your operational plan should, in a few paragraphs:

1. Describe the activities that you will conduct to address each problem

Guide for Writing a General Highway Safety Grant Proposal Narrative

2. Address the solutions for each problem

3. Include the names, titles, and duties of those who will carry out the project

Milestones: Establish milestones for your project. Provide a chronological list of the major events, activities or tasks that will be performed and designate a start and completion date for each task.

Tip:

1. Your Operation Plan will help you define the scope of your project, organize your resources, provide direction to and motivate project participants.

2. It will encourage long range planning throughout the project period.

V. Evaluation

To determine if the project will be doing what it is intended to do, describe how you will assess your accomplishments, its achievements or shortcomings. The evaluation should focus on documenting your activities and linking these activities to the achievement of your objectives. Did you conduct the activities you planned? If you did, were the activities effective?

You will also want to determine whether there has been progress toward the ultimate goal of your project. Because of the time lag in receiving up-to-date crash data, it will not be possible to link your project activities with any change in your measure. Rather, you should review the current status of your measure to determine whether there has been a change (compared to the established baseline) and if the change is in the right direction.

Conducting the Evaluation:

Obtain or collect updated information/data for each of the performance measures related to your project activities, objectives, and goal. Establish a baseline for each measure.

Assess the implementation of your project by comparing the activities that were conducted with the activities that were planned. Include quantitative terms in describing your activities. (Examples: number of presentations, number of participants, number of police officers, number of brochures distributed.)

Evaluate the effectiveness of your activities by comparing the updated measure with the baseline measure related to each objective. Determine if each objective was "met", "unmet", or "exceeded". Look for linkages between your activities and your objectives.

Finally, assess whether there has been progress toward your goal by comparing the current status of the measure with the established baseline.

I agree to the terms and conditions stated above.

BUY AMERICA ACT

The grantee will comply with the Buy America requirement (23 U.S.C. 313) when purchasing items using Federal funds. Buy America requires a grantee, to purchase only steel, iron and manufactured products produced in the United States with Federal funds, unless the Secretary of Transportation determines that such domestically produced items would be inconsistent with the public interest, that such materials are not reasonably available and of a satisfactory quality, or that inclusion of domestic materials will increase the cost of the overall project contract by more than 25 percent. In order to use Federal funds to purchase foreign produced items, the State must submit a waiver request that provides an adequate basis and justification for approval by the Secretary of Transportation.

PROHIBITION ON USING GRANT FUNDS TO CHECK FOR HELMET USAGE

Traffic Safety Board Approval: All grant applications from local agencies MUST be approved by the applicant's County Traffic Safety Board. Contact your County Traffic Safety Board as to the process for having your application approved. The GTSC will work to obtain County Traffic Safety Board approvals. This does not alleviate your responsibility to contact your County Traffic Safety Board prior to grant submission. SERVICE DISABLED VETERAN-OWNED BUSINESS ENTERPRISES (SDVOB) PROGRAM AT THE DEPARTMENT OF STATE (DOS)

Overview

Article 17-B of the Executive Law, enacted on May 12, 2014, recognizes the veterans' service to and sacrifice for our nation, declares that it is New York State's public policy to promote and encourage the continuing economic development of service-disabled veteran-owned businesses, and allows eligible Veteran business owners to become certified as a New York State Service-Disabled Veteran-Owned Business (SDVOB), in order to increase their participation in New York State's contracting opportunities.

New York State has established a statewide SDVOB goal of **6%**, to improve contracting opportunities for SDVOB certified vendors.

Did you know???

Utilizing SDVOB vendors in your contracts will support NYS' efforts to improve the businesses owned by those who served our nation, create more private sector jobs, and maximize economic activity, to the mutual benefit of the communities you serve and your SDVOB partners.

DOS supports the statewide requirement to provide procurement opportunities for SDVOB.

The **Division of Affirmative Action Programs** administers the Department's **SDVOB Program**.

How does it apply to you?

**STATE OF NEW YORK
MASTER CONTRACT FOR GRANTS**

This State of New York Master Contract for Grants (Master Contract) is hereby made by and between the State of New York acting by and through the applicable State Agency (State) and the public or private entity (Contractor) identified on the face page hereof (Face Page).

WITNESSETH:

WHEREAS, the State has the authority to regulate and provide funding for the establishment and operation of program services, design or the execution and performance of construction projects, as applicable and desires to contract with skilled parties possessing the necessary resources to provide such services or work, as applicable; and

WHEREAS, the Contractor is ready, willing and able to provide such program services or the execution and performance of construction projects and possesses or can make available all necessary qualified personnel, licenses, facilities and expertise to perform or have performed the services or work, as applicable, required pursuant to the terms of the Master Contract;

NOW THEREFORE, in consideration of the promises, responsibilities, and covenants herein, the State and the Contractor agree as follows:

STANDARD TERMS AND CONDITIONS

I. GENERAL PROVISIONS

A. Executory Clause: In accordance with Section 41 of the State Finance Law, the State shall have no liability under the Master Contract to the Contractor, or to anyone else, beyond funds appropriated and available for the Master Contract.

B. Required Approvals: In accordance with Section 112 of the State Finance Law (or, if the Master Contract is with the State University of New York (SUNY) or City University of New York (CUNY), Section 355 or Section 6218 of the Education Law), if the Master Contract exceeds \$50,000 (or \$85,000 for contracts let by the Office of General Services, or the minimum thresholds agreed to by the Office of the State Comptroller (OSC) for certain SUNY and CUNY contracts), or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount including, but not limited to, changes in amount, consideration, scope or contract term identified on the Face Page (Contract Term), it shall not be valid, effective or binding upon the State until it has been approved by, and filed with, the New York Attorney General Contract Approval Unit (AG) and OSC. If, by the Master Contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds \$10,000, it shall not be valid, effective or binding upon the State until it has been approved by, and filed with, the AG and OSC.

Budget Changes: An amendment that would result in a transfer of funds among program activities or budget cost categories that does not affect the amount, consideration, scope or other terms of such contract may be subject to the approval of the AG and OSC where the amount of such modification is, as a portion of the total value of the contract, equal to or greater than ten percent for contracts of less than five million dollars, or five percent for contracts of more than

five million dollars; and, in addition, such amendment may be subject to prior approval by the applicable State Agency as detailed in Attachment D (Payment and Reporting Schedule).

C. Order of Precedence:

In the event of a conflict among (i) the terms of the Master Contract (including any and all attachments and amendments) or (ii) between the terms of the Master Contract and the original request for proposal, the program application or other attachment that was completed and executed by the Contractor in connection with the Master Contract, the order of precedence is as follows:

1. Standard Terms and Conditions

8. Other attachments, including, but not limited to, the request for proposal or program application

D. Funding: Funding for the term of the Master Contract shall not exceed the amount specified as “Contract Funding Amount” on the Face Page or as subsequently revised to reflect an approved renewal or cost amendment. Notwithstanding the foregoing, such prior written consent of an assignment of a contract, let pursuant to Article XI of the State Finance Law, may be waived at the discretion of the State Agency and with the concurrence of OSC, where the original contract was subject to OSC's approval, where the assignment is due to a reorganization, merger, or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that the merged contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless the Master Contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

S. Reciprocity and Sanctions Provisions: The Contractor is hereby notified that if its principal place of business is located in a country, nation, province, state, or political subdivision that penalizes New York State vendors, and if the goods or services it offers shall be substantially produced or performed outside New York State, the Omnibus Procurement Act 1994 and 2000 amendments (Chapter 684 and Chapter 383, respectively) require that it be denied contracts which it would otherwise obtain.³

T. Reporting Fraud and Abuse: Contractor acknowledges that it has reviewed information on how to prevent, detect, and report fraud, waste and abuse of public funds, including information about the Federal False Claims Act, the New York State False Claims Act, and whistleblower protections.

F. Outstanding Amounts Owed to the State: Prior period overpayments (including, but not limited to, contract advances in excess of actual expenditures) and/or audit recoveries associated with the Contractor may be recouped against future payments made under this Master Contract to Contractor. The recoupment generally begins with the first payment made to the Contractor following identification of the overpayment and/or audit recovery amount. For the purposes of this Agreement, the terms "State" and "Department" are interchangeable, unless the context requires otherwise. In addition, the terms "Agreement" and "Contract" are interchangeable, unless the context requires otherwise.

A. Project Timetable

B. Budget Modifications

Prior DOS written approval, which requires a detailed breakdown and justification, is required for all requests for budget modifications, regardless of the amount of the modification. Additional approvals will be required when modifications exceed thresholds described below.

Any proposed modification to a contract that will result in a transfer of funds among program activities or budget cost categories, but does not affect the amount, consideration, scope or other terms of such contracts must be submitted to DOS for submission to the Office of State Comptroller for approval when:

1. The amount of the modification is equal to or greater than ten percent of the total value of the contract for contracts of less than five million dollars; or
2. The amount of the modification is equal to or greater than five percent of the total value of the contract for contracts of more than five million dollars.

C. License to Use and Reproduce Documents, Intellectual Property and Other Works:

By acceptance of this Agreement, Contractor transfers to the Department a perpetual, transferable nonexclusive license to use, reproduce in any medium, and distribute, for any purpose, any intellectual property or other work purchased, developed or prepared for or in connection with the Project using funding provided pursuant to this Contract, including but not limited to reports, maps, designs, plans, analysis, and documents regardless of the medium in which they are originally produced. Contractor warrants to the Department that it has sufficient title or interest in such works to license pursuant to this Agreement, and further agrees and warrants that it shall not enter into any subcontract or other agreement purporting to limit such title or interest in such works in any manner that may compromise Contractor's ability to provide the aforesaid license to the Department. Such warranties shall survive the termination of this agreement. Contractor agrees to provide the original of each such work, or a copy thereof which is acceptable to the Department, to the Department before payments shall be made under this Agreement.

D. Property

The ownership of all property or intellectual property described herein and purchased, developed or prepared under the terms of this Contract shall reside with the Contractor with a reversionary interest in such property or intellectual property held by the Department, unless otherwise authorized or directed in

writing by the Department. Except as otherwise provided in Section II.C.4 of the Standard Terms and Conditions, Contractor shall retain ownership of such property or intellectual property after the term of this Contract so long as such property or intellectual property is used for purposes similar to those contemplated by this Contract. Otherwise, the Contractor shall return such property or intellectual property to the Department at the Contractor's cost and expense, and Contractor's ownership interests, rights and title in such property or intellectual property shall revert to the Department. E. Termination

The Department may terminate the Agreement in accordance with the terms and conditions set forth in the Master Grant Contract section of this Agreement. In addition to other reserved rights it has to terminate this Agreement, the Department may terminate or suspend the Agreement under the following circumstances:

1. The Contractor shall complete the project as set forth in this Agreement, and failure to render satisfactory progress or to complete the project to the satisfaction of the State may be deemed an abandonment of the project and may cause the suspension or termination of any obligation of the State. In the event the Contractor should be deemed to have abandoned the project for any reason or cause other than a national emergency or an Act of God, all monies paid to the Contractor by the State and not expended in accordance with this Agreement shall be repaid to the State upon demand. If such monies are not repaid within one year after such demand, the State Comptroller of the State of New York may cause to be withheld from the Contractor any State assistance to which the Contractor would otherwise be entitled in an amount equal to the monies demanded.
2. In the event that the Department has provided written notice to the Contractor directing that the Contractor correct any failure to comply with this Agreement, the Department reserves the right to direct that the Contractor suspend all work during a period of time to be determined by the Department. If the Contractor does not correct such failures during the period provided for in the notice, this Agreement shall be deemed to be terminated after expiration of such time period. During any such suspension, the Contractor agrees not to incur any new obligations after receipt of the notice without approval by the Department.
3. If the Department determines the Contractor has breached a term of the Agreement and if the Department determines the defect can be remedied, it may, in its sole discretion, issue a written notice providing the Contractor with a minimum of 30 days to correct the defect and the notice may include a prospective termination date. If the Contractor fails to correct the defect or fails to make a good faith effort to do so as determined by the Department to the Department's satisfaction, the Department may terminate the Agreement for cause.
4. The Department shall also have the right to postpone or suspend the Agreement or deem it abandoned without this action being a breach of the Agreement. The Department shall provide written notice to the Contractor indicating the Agreement has been postponed, suspended or abandoned. During any postponement, suspension or abandonment the Contractor agrees not to do any work under the Agreement without prior written approval of the Department.
5. In the event the Agreement is postponed, suspended, abandoned or terminated, the Department shall make a settlement with the Contractor upon an equitable basis in good faith and under the general

compensation principles and rates established in the Agreement by the Department. This settlement shall fix the value of the work which was performed by the Contractor to the Department's satisfaction prior to the postponement, suspension, abandonment or termination of the Agreement.

6. Any funds paid to the Contractor by the Department which are not expended under the terms of the Agreement shall be repaid to the Department.

Contractor agrees that any such suspension shall remain in place until the condition giving rise to the suspension is corrected by the subcontractor. The terms of this clause shall be incorporated in any and all subcontracts entered into in furtherance of this Contract.
2. The Contractor's use of subcontractors shall not diminish the Contractor's obligations to complete the Work in accordance with the Contract. The Contractor shall control and coordinate the Work of its subcontractors.
3. The Contractor shall be responsible for informing its subcontractors of all the terms, conditions and requirements of the Contract Documents including, but not limited to the terms of the Master Grant Contract, any and all Appendices, and any changes made by amendments thereto, and ensuring that any and all subcontracts entered into in furtherance of this Contract conform to and do not conflict with such terms.
4. Contractor shall file each and every subcontract entered into in furtherance of this Contract with the Department of State no later than fifteen (15) calendar days following the signing of the subcontract, unless otherwise authorized or directed by the Department of State.
5. In the event the Department invokes this right of prior approval and a request for approval

is submitted by Contractor and denied by the Department, Contractor agrees that it shall not enter into the proposed subcontract and that no costs associated with such subcontract shall be allowable under this Contract.

M. Minority and Women Owned Business Participation

Article 15-A of the New York State Executive Law, as amended, authorized the creation of a Division of Minority and Women's Business Development to promote employment and business opportunities on state contracts for minorities and women. This law supersedes any other provision in state law authorizing or requiring an equal employment opportunity program or a program for securing participation by minority and women-owned business enterprises. Under this statute, State agencies are charged with establishing business participation goals for minorities and women. The Department of State administers a Minority and Women-owned Business Enterprises (MWBE) Program as mandated by Article 15-A.

1. General Provisions

- a. The Department of State is required to implement the provisions of New York State Executive Law Article 15-A and Parts 140-145 of Title 5 of the New York Codes, Rules and Regulations (“NYCRR”) for all State contracts, as defined therein, with a value (1) in excess of \$25,000 for labor, services, equipment, materials, or any combination of the foregoing or (2) in excess of \$100,000 for real property renovations and construction.
- b. The Contractor to the subject contract (the “Contractor” and the “Contract,” respectively) agrees, in addition to any other nondiscrimination provision of the Contract and at no additional cost to the New York State Department of State (the “Agency”), to fully comply and cooperate with the Agency in the implementation of New York State Executive Law Article 15-A and the regulations promulgated thereunder. These requirements include equal employment opportunities for minority group members and women (“EEO”) and contracting opportunities for New York State-certified minority and women-owned business enterprises (“MWBEs”). The Contractor’s demonstration of “good faith efforts” pursuant to 5 NYCRR §142.8 shall be a part of these requirements. These provisions shall be deemed supplementary to, and not in lieu of, the nondiscrimination provisions required by New York State Executive Law Article 15 (the “Human Rights Law”) and other applicable federal, state, and local laws. Contractor agrees that the terms “MWBE,” “MBE” and “WBE” as used herein, shall mean those MBE or WBE firms certified as such by the State pursuant to NY Executive Law Article 15-A and listed in the directory of New York State Certified MWBEs found at the following internet address: <https://ny.newnycontracts.com/FrontEnd/VendorSearchPublic.asp>.
- c. Failure to comply with all of the requirements herein may result in a finding of non-responsiveness, non-responsibility and/or a breach of contract, leading to the assessment of liquidated damages pursuant to Section M(7) of this Attachment and such other remedies as are available to the Agency pursuant to the Contract and applicable law.

2. Contract Goals

- a. The Department’s New York State-certified Minority and Women-owned Business Enterprises (“MWBEs”) utilization goal is 30%. For purposes of this Contract, the specific overall MWBE goal and the breakdown between the Minority-owned Business Enterprise (“MBE”) and the Women-owned Business Enterprise (“WBE”) utilization goals, are set forth in the Attachment B “Budget”, based on the current availability of MBEs and WBEs.
- b. For purposes of providing meaningful participation by MWBEs on the Contract and achieving the MWBE Contract Goals established in Section 2(a) hereof, the Contractor should reference the directory of New York State Certified MWBEs found at the following internet address: <https://ny.newnycontracts.com/FrontEnd/VendorSearchPublic.asp>.

Additionally, the Contractor is encouraged to contact the Division of Minority and Women’s Business Development at (212) 803-2414 to discuss additional methods of maximizing participation by MWBEs on the Contract.

- c. The Contractor understands that only sums paid to MWBEs for the performance of a commercially useful function, as that term is defined in 5 NYCRR § 140.1, may be applied towards the achievement of the applicable MWBE participation goal. The portion of a contract

with an MWBE serving as a broker that shall be deemed to represent the commercially useful function performed by the MWBE shall be 25 percent of the total value of the broker's contract.

FOR CONSTRUCTION CONTRACTS – The portion of a contract with an MWBE serving as a supplier that shall be deemed to represent the commercially useful function performed by the MWBE shall be 60 percent of the total value of the supplier's contract. The portion of a contract with an MWBE serving as a broker that shall be deemed to represent the commercially useful function performed by the MWBE shall be the monetary value for fees, or the markup percentage, charged by the MWBE.

d. The Contractor must document "good faith efforts," pursuant to 5 NYCRR §142.8, to provide meaningful participation by MWBEs as subcontractors and suppliers in the performance of the Contract. Such documentation shall include, but not necessarily be limited to:

- 1) Evidence of outreach to MWBEs;

a. The provisions of Article 15-A §312 of the Executive Law and the rules and regulations promulgated thereunder pertaining to equal employment opportunities for minority group members and women shall apply to the Contract.

b. In performing the Contract, the Contractor shall:

- 1) Ensure that each contractor and subcontractor performing work on the Contract shall undertake or continue existing EEO programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status. For these purposes, EEO shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation.

7. Liquidated Damages - MWBE Participation

- a. Where the Agency determines that the Contractor is not in compliance with the requirements of the Contract and the Contractor refuses to comply with such requirements, or if Contractor is found to have willfully and intentionally failed to comply with the MWBE participation goals, the Contractor shall be obligated to pay to the Agency liquidated damages.

N. Service-Disabled Veteran-Owned Businesses Participation

Article 17-B of the Executive Law, enacted in 2014, authorized the creation of the Division of Service-Disabled Veterans' Business Development to promote participation of Service-Disabled Veteran-Owned Businesses (SDVOBs) in New York State contracting. The Service-Disabled Veteran-Owned Business Act recognizes the veterans' service to and sacrifice for our nation, declares that it is New York State's public policy to promote and encourage the continuing economic development of service-disabled veteran-owned businesses, and allows eligible Veteran business owners to become certified as a New York State Service-Disabled Veteran-Owned Business (SDVOB), in order to increase their participation in New York State's contracting opportunities. To this effect, the Department of State (DOS) has implemented a Veteran-Owned Businesses (SDVOB) Program, as mandated by Article 17-B.

To comply with the SDVOB Program goals of 6%, the Department of State strongly encourages grantees to make every effort, to the maximum extent possible, to engage certified SDVOBs in the purchasing of commodities, services and technology in the performance of their contracts with the Department. If SDVOB utilization is obtained, a quarterly SDVOB utilization report should be

submitted to the Department with information of the utilization percentage achieved during that quarter. Contractor Reporting Forms are found at: <https://ogs.ny.gov/Veterans/>.

The Division of Service-Disabled Veterans' Business Development (DSDVBD) is housed within the New York State Office of General Services (OGS), and maintains a directory of the NYS Certified SDVOBs. For assistance with engaging SDVOB vendors in your contracts, please contact the Division of Service-Disabled Veterans' Business Development at the following email address: VeteransDevelopment@ogs.ny.gov, or the DOS Division of Affirmative Action Programs – SDVOB Program at Maria.Herman@dos.ny.gov or Api.Ohouo@dos.ny.gov. Deliverable Format -- All digital map and attribute table files must be provided in ESRI Shapefile or Geodatabase file format including all associated metadata on Recordable CD or DVD, external hard drive, via email attachment (preferably in a WinZIP file) or downloadable from an ftp site on the Internet. Alternatively, the digital products may be provided as ArcInfo/GIS coverages or CAD files on the same media types upon approval of the Department. All other digital formats require prior approval of the Department. Coordination with the Department prior to submission of digital media is required to ensure compatibility of the delivered materials.

If by prior agreement with the Department the map product does not conform to National Map Accuracy Standards, then a statement of actual map accuracy should be included in the Documentation above. Furthermore, hydrographic surveys and maps should conform to recommended accuracy standard proposed in the joint USGS, NOS, Coastal Mapping Handbook, 1978, Melvin Ellis editor, U.S. Government Printing Office, Appendix 6.
 - e. Datums and Coordinate Systems-- All map products should be referenced to the North American Horizontal Datum of 1983 (NAD83) and the National Geodetic Vertical Datum of 1988 (NGVD88). Unless otherwise specified in the RFP, UTM Zone 18 shall be used for data at scales smaller than 1:10,000 and State Plan shall be used for data at 1:10,000 scale and larger.
2. Additional Digital Cartographic File Requirements -- The following cartographic construction requirements must be adhered to by the Contractor:
- a. Edge-matching -- All map sheets must be both visually and coordinate edge-matched with adjacent map sheets. No edge-match tolerance will be allowed. Attributes for splittable features must also be identical.
 - b. Common Boundaries -- All features that share a common boundary, regardless of map layer, must have exactly the same coordinate position of that feature in all common layers.
 - c. Point Duplication -- No duplication of points that occur within a data string is permitted.

- d. Connectivity -- Where graphic elements visually meet, they must also digitally meet. All confluences of line and polygon data must be exact; "overshoots", "undershoots", "slivers", or "offshoots" are NOT permitted.
 - e. Line Quality -- A high quality cartographic appearance must be achieved. Transitions from straight lines to curvilinear elements must be smooth, with angular inflections at the point of intersection. The digital representation must not contain extraneous data at a non-visible level. There should be no jags, hooks, or zero length segments. Any lines that are straight, or should be straight, should be digitized using only two points that represent the beginning and ending points of the line.
 - f. Polygon Closure -- For area features being digitized, the last coordinate pair must be exactly (mathematically) equal to the first coordinate pair. No line or polygon must cross itself except to join at an actual confluence. All digitized features across map boundaries must be edited to effect smooth and continuous lines.
 - g. Graphic Precision -- Positional coordinates for all digital graphic elements should not be reported to a level of precision greater than one thousandth (.001) of a foot.
 - h. Digitizer Accuracy -- The required RMS error for digitizer accuracy must be 0.003 or better for digital map registration.
3. Digital-Ready Map Product Requirements -- The following requirements for large scale, non-digital map products must be followed to facilitate the future conversion of the maps to digital map products. All large format, non-digital map products must be provided on stable base material at a scale. The map products must include an index map to all map sheets and thorough descriptions of all the cartographic elements portrayed on the maps.
- a. Base Map Media -- All maps must be created on mylar or other stable base material.
 - b. Map Scale -- All maps of a similar series should be created using the same base scale. Unless otherwise stated by the Department, all maps should be compiled at 1:24,000. If other map scales are approved by the Department, where possible they will conform to standard map scales such as 1:9600; 1:50,000; 1:75,000; or 1:100,000.
 - c. Map Registration -- The maps must provide a minimum of four (4) corner and four (4) interior ticks tied to USGS/NYSDOT quadrangle Lat/Long or NYTM coordinates. The maps must be geometrically correct and should register when overlaid on the appropriate USGS/NYSDOT quadrangle control ticks.
 - d. Map Title and Legend -- The maps must provide a title and legend block describing the information contained on the maps, and including the Documentation and Datums information requested in the General Map Product Requirements above and the map scale.
 - e. Cartographic Quality -- The quality of all map line work and symbolization must conform to items 1 - 6 in the map criteria set forth in the Additional Digital Cartographic File Requirements section outlined above.

4. Contract Database Standards

- a. Delivery Media -- All database and tabular files must be provided on digital media as specified above in Deliverable Format.
- b. Software Format -- Database and tabular files can be provided in Oracle, Microsoft Excel or Microsoft Access format. Other formats that are convertible to one of the aforementioned formats may be used with prior approval of the Department.
- c. Geographic Attributes -- Database and tabular files that contain elements with a geographic reference must provide a corresponding data field and a geographic coordinate pair for each feature location.

J. Notice of Public Proceedings

The Contractor agrees to provide the Department with prompt and timely written notice at least two weeks in advance of all public proceedings, including, but not limited to public meetings or hearings, relating to the Project.

K. Environmental Review

1. Contractor agrees to provide the Department, in a timely manner, with all documentation, including but not limited to, permit applications, environmental assessments, designs, plans, studies, environmental impact statements, findings, and determinations, relating to the Project.
2. Contractor acknowledges that compliance with the State Environmental Quality Review Act is a material term and condition of this Agreement. In no event shall any payments be made under this Agreement until Contractor has provided the Department with appropriate documentation that Contractor has met any requirements imposed on Contractor by the State Environmental Quality Review Act.

ATTACHMENT C - WORK PLAN

Newburgh Landing Pier Final Design

1. Project Description

The City of Newburgh (Contractor) will prepare construction documents for the Newburgh Landing Pier, including demolition of the existing pier and construction of a new pier with two extensions to accommodate large cruise ships and provide for transient mooring on the Hudson River. The project will advance the City's Local Waterfront Revitalization Program, lead to improved economic development and create a regional asset as Newburgh is the only deepwater port between New York City and Albany.

The project area is located on the Hudson River along Front Street between Fourth Street and Third Street at Unico Park. The final pier design will be based on the City's preferred conceptual design (developed under a previous LWRP contract C006953) which consists of a fixed pier with two extensions: a 20'x90' floating pier barge and a fixed mooring for larger cruise ships as well as six transient mooring slips. Requirements, specifications, and design will also include the new pier, gangways, spud barge floating pier, transient floating piers, mooring and fendering systems, lighting throughout, electrical service and utility pedestals, water connection, seating, shade tensile structures, and water borings as necessary.

Match is provided by a combination of in-kind services from City Staff and cash match to fund contractual services.

2. Project Attribution and Number of Copies

The Contractor must ensure that all materials printed, constructed, and/or produced acknowledge the contributions of the Department to the project. The materials must include the Department of State logo and the following acknowledgment:

- Electronic data for all Geographic Information System-based mapping products must be submitted in either ArcGIS format, or similar product acceptable to the Department, and comply with the requirements for Contract GIS Products.
- Electronic data for all designs, drawings, and plans must be submitted in the original software that they were created (such as CAD format or other similar product acceptable to the Department), as well as in JPG format.

- Photographs and images must be submitted in JPG format with a minimum resolution of 300 dpi and must be dated and captioned with the location and a brief description of the activity being documented.

The contributions of the Department must also be acknowledged in community press releases and other notices issued for the project, including web site postings and other forms of digital distribution. Project press releases and other notices shall be submitted to the Department for review and approval prior to release, to ensure appropriate attribution.

ROSSANA ROSADO
SECRETARY OF STATE

December 13, 2017

Honorable Judith Kennedy
Mayor
City of Newburgh

Newburgh, NY 12550

Dear Mayor Kennedy:

In 2011, Governor Cuomo launched the Regional Economic Development Councils and the Consolidated Funding Application (CFA) to provide each region with the tools to create and implement their own roadmap for economic prosperity and job creation. This community-based model uses local assets to drive local economic growth and has resulted in unprecedented partnerships and collaboration that are building a reinvigorated economy.

After six successful rounds, the 2017 CFA made over \$800 million in economic development resources available from over thirty programs across twelve state agencies. The Agency's programs provide resources for projects focused on community development, job creation, tourism, waterfront revitalization, energy and environmental improvements, sustainability, and low-cost financing. The New York State Department of State (NYS DOS) is proud to have contributed over \$19.7 million to this year's Consolidated Funding Application.

On behalf of Governor Cuomo, I am pleased to inform you that funding has been awarded through the NYS DOS Local Waterfront Revitalization Program under Title 11 of the Environmental Protection Fund to undertake the following project(s):

- CFA #76248 - \$280,000
Newburgh Landing Pier Final Design

In the near future, your office will be contacted by the NYS DOS Office of Planning, Development & Community Infrastructure regarding next steps in developing a contract work program, MWBE goals, and other terms and conditions. I am pleased that the State of New York is able to assist your efforts in improving your waterfront. Congratulations and we look forward to working with you on this special initiative.

If you have any questions, please send an email message with the subject line "Inquiry for CFA# (indicate your application number)" to opd@dos.ny.gov. If you applied for funding from other programs or other State agencies, you will receive information from those programs/agencies separately.

Sincerely,

A handwritten signature in blue ink that appears to read "R. Rosado".

MUNICIPAY AGREEMENT

Convenience/Service Fee Special Terms and Conditions. The following terms and conditions shall serve as an agreement between MuniPAY LLC ("MP") and the Government Entity ("GE") listed on page 1 of the MP Merchant Agreement. These terms and conditions shall be in addition to but not serve as any replacement to any existing terms of the MP Merchant Agreement.

- 1. PCI-DSS Security.** MP is a certified Level 2 PCI DSS service provider. GE agrees not to store any sensitive credit card data.
- 2. Optional Cardholder Convenience/Service Fee Program.** GE understands that MP has authorized GE to accept credit cards. In order to waive processing fees for GE, MP is required to charge a Convenience/Service Fee to the cardholder at the time of transaction. GE agrees to meet all the requirements established by the Card Associations in order to allow a Convenience/Service Fee to be charged. NPS may deny/decline transactions that do not qualify for a Convenience/Service Fee per the rules and regulations of the Card Associations. MP agrees to offer cardholders competitive Convenience/Service Fees based upon the annual processing activity generated from each GE. MP reserves the right to modify the amount of this Convenience/Service Fee depending upon the costs which MP incurs to process such transactions, industry trends and/or card association rules. In the event of a change, MP shall provide Municipality with 30 days notice of such change.
- 3. Disclosure & Opt Out of Convenience/Service Fee.** GE understands that a cardholder has a right to opt out of a Convenience/Service Fee transaction at the time of sale. GE agrees to disclose to the cardholder(s) the amount of the calculated Convenience/Service Fee at the time of transaction (MuniPAY will automatically calculate fee) and give the option for the cardholder to cancel the payment and accept another form of payment (cash, checks etc.).
- 4. Transaction Receipt(s) - Mail/Telephone/Internet Transactions**
 - 4a. Face to Face Transactions:** GE understands cardholders will be required to sign separately for the MP Convenience/Service Fee and the transaction amount(s) due to GE. GE agrees to maintain a copy of transaction receipts for a minimum of 18 months per the Card Association regulations. GE further agrees to provide MP a timely copy of such receipt(s) in the event it is requested.
 - 4b. Phone Transactions:** GE understands that each transaction which is processed over the telephone shall require GE to disclose the Third Party Convenience/Service fee being assessed for the completion of the transaction prior to charging the cardholders credit card. The Cardholder has the right to opt out of the transaction, per the Card Association rules regarding Convenience/Service Fees. GE agrees to print a receipt for phone order transactions and to write in Phone Order on the signature line for both the MP Convenience/Service Fee and GE transaction(s).
 - 4c. Internet Transactions:** MuniPAY's secure e-commerce interface shall disclose to the Cardholder any Third Party Convenience/Service Fees being assessed prior to charging the Cardholders credit card. Such disclosure shall give the cardholder the right to "Opt-out" of the transaction per card association rules. MP shall automatically initiate an email receipt to the Cardholder for each completed transaction.
- 5. Internet Sale Items/Default Pricing.** GE understands that by using the MuniPAY e-commerce processing solution, it has authorized MP to post any set default pricing and payment items as indicated by the GE. GE agrees that it is the responsibility of the GE to notify the MuniPAY Support Center of any changes to default pricing and/or payment items displayed.
- 6. Card Holder Disputes/Convenience/Service Fee Indemnification.** GE agrees that any disputes between GE and a Cardholder relating to a transaction funded directly to the GE shall be settled between GE and the Cardholder directly. MP shall assist GE in settling these disputes. GE understands that such disputes can result in a cardholder issued "chargeback" to GE based on Card Association rules and regulations. Chargeback(s) can be avoided by settling disputes with the Cardholder directly or issuing a refunded transaction. MP will provide details of such "chargeback(s)" including Cardholder name and transaction details. Such chargeback disputes may require GE to provide a copy of the signed credit card receipt. GE will hold no liability nor be debited any chargeback for a Convenience/Service Fee amount.

By signing below, I have read and understand the terms and conditions above and understand that these terms shall be in addition to my MP Merchant Application/Agreement, including but not limited to the terms and conditions of such MP merchant agreement.

MERCHANT PROCESSING AGREEMENT

This document, "Merchant Processing Agreement" (the "Agreement"), accompanies the document "Merchant Application" ("Merchant Application") and includes the Terms and Conditions set forth below (the "Terms and Conditions") together with the terms and conditions of the Merchant Application. The bank ("Bank") identified in this Agreement is a member of Visa Inc. ("Visa") and Mastercard International, Inc. ("Mastercard"), and is Deutsche Bank AG, New York branch. EVO Merchant Services, LLC d/b/a EVO ("EVO") is a registered independent sales organization of Visa and a member service provider of Mastercard. This Agreement is between EVO, Bank, and the merchant (or "you") identified in the Merchant Application ("Merchant"). Merchant and EVO agree that the rights and obligations contained in this Agreement do not apply to Bank with respect to Discover and American Express transactions. To the extent Merchant accepts Discover cards, the provisions in this Agreement with respect to Discover apply if Merchant does not have a separate agreement with Discover. In such case, Merchant will also be enabled to accept JCB, Diners Club International ("Diners Club"), and UnionPay International ("UnionPay") cards under the Discover network and such transactions will be processed at the same fee rate as Merchant's Discover transactions are processed.

RECITALS

Merchant desires to accept credit cards ("Cards") validly issued by members of Visa, Mastercard, Discover, and American Express. Bank and EVO desire to provide credit card processing services to Merchant. Therefore, Merchant, EVO and Bank agree as follows:

TERMS AND CONDITIONS

1. Honoring Cards.

A. Without Discrimination. You will honor, without discrimination, any Card properly tendered by a Cardholder. "Cardholder" (sometimes referred to as "Card Member" in some Payment Card Network materials) means a person possessing a Card and purporting to be the person in whose name the Card is issued. You may establish a minimum amount of \$10 per transaction as a condition for honoring Cards. You will not establish a maximum transaction amount as a condition for honoring Cards, and you will not establish a minimum or maximum amount for debit card transactions.

B. Cardholder Identification. You will identify the Cardholder and check the expiration date and signature on each Card. You will not honor any Card if: (i) the Card has expired, (ii) the signature on the sales draft does not correspond with the signature on the Card, or (iii) the account number embossed on the Card does not match the account number on the Card's magnetic strip (as printed in electronic form) or the account number is listed on a current Electronic Warning Bulletin file. You may not require a Cardholder to provide personal information, such as a home or business telephone number, a home or business address, or a driver's license number as a condition for honoring a Card unless permitted under the Laws and Rules (defined in Section 14, below).

C. Card Recovery. You will use your best efforts to retain any Card: (i) if you are advised by EVO or Bank (or a designee) or the issuer of the Card or the designated voice authorization center to retain it; (ii) if you have reasonable grounds to believe the Card is counterfeit, fraudulent or stolen, or not authorized by the Cardholder; or (iii) other circumstances as documented by EVO or as appear in applicable payment network rules that exist in the public domain.

D. Surcharge/Swipe Fee. You will not add any amount to the posted price of goods or services you offer as a condition of paying with a Card, except as permitted by the Rules. This paragraph does not prohibit you from offering a discount from the standard price to induce a person to pay by cash, check or similar means rather than by using a Card.

E. Return Policy. You will properly disclose to the Cardholder, at the time of the Card transaction and in accordance with the Rules, any limitation you have on accepting returned merchandise.

F. No Claim Against Cardholder. You will not have any claim against or right to receive payment from a Cardholder unless EVO and Bank refuses to accept the Sales Draft (as defined in Section 3) or revokes a prior acceptance of the Sales Draft after receipt or a chargeback or otherwise. You will not accept any payments from a Cardholder relating to previous charges for merchandise or services included in a Sales Draft, and if you receive any such payments you promptly will remit them to EVO and Bank.

G. Disputes With Cardholders. All disputes between you and any Cardholder relating to any Card transaction will be settled between you and the Cardholder. Neither EVO nor Bank bear any responsibility for such transactions.

H. Limited Acceptance. You will elect to accept (full acceptance) or not accept (limited acceptance) certain credit and/or debit Cards for payment. You will accept all valid Cards unless you provide 30 days prior written notice to EVO and Bank requesting limited acceptance and specifying which Card types you elect to accept. Limited acceptance is not applicable to non US issued cards.

2. Authorization.

A. Required on All Transactions. You will obtain a prior authorization for the total amount of a transaction via electronic terminal or device before completing any transaction, and you will not process any transaction that has not been authorized. You will follow any instructions received during the authorization process. Upon receipt of authorization you may consummate only the transaction authorized and must note on the Sales Draft the authorization number. Where authorization is obtained, you will be deemed to warrant the true identity of the customer as the Cardholder.

B. Effect. Authorizations are not a guarantee of acceptance or payment of the Sales Draft. Authorizations do not waive any provisions of this Agreement or otherwise validate a fraudulent transaction or a transaction involving the use of an expired Card.

C. Unreadable Magnetic Stripes. When you present Card transactions for authorization electronically, and if your terminal is unable to read the magnetic stripe on the card, you will obtain an imprint of the card and the Cardholder's signature on the imprinted draft before presenting the Sales Draft to EVO and Bank for processing. Failure to do so may result in the assessment of a transaction surcharge on non-qualifying transactions.

3. Presentment of Sales Drafts.

A. Forms. You will use a Sales Draft ("Sales Draft") or other form approved by EVO and Bank to document each Card transaction. Each Sales Draft will be legibly imprinted with: (i) Merchant's name, location and account number; (ii) the information embossed on the Card presented by the Cardholder (either electronically or manually); (iii) the date of the transaction; (iv) a brief description of the goods or services involved; (v) the transaction authorization number; (vi) the total amount of the sale including any applicable taxes, or credit transaction; and (vii) adjacent to the signature line, a notation that all sales are final, if applicable.

B. Signatures. Each Sales Draft must be signed by the Cardholder unless the Card transaction is a valid mail/telephone order Card transaction which fully complies with the requirements set forth in this Agreement. You may not require the Cardholder to sign the Sales Draft before you enter the final transaction amount in the Sales Draft.

C. Reproduction of Information. If the following information is not legibly imprinted on the Sales Draft, you will legibly inscribe on the Sales Draft before submitting it to EVO and Bank: (i) the Cardholder's name; (ii) account number (iii) expiration date of the Card and (iv) the Merchant's name and place of business. Additionally, for Mastercard transactions you will legibly inscribe the name of the bank issuing the Card as it appears on the face of the Card.

D. Delivery and Retention of Sales Drafts. You will deliver a complete copy of the Sales Draft or credit voucher to the Cardholder at the time of the transaction. You will retain the "merchant copy" of the Sales Draft or credit memorandum for at least 3 years following the date of completion of the Card transaction (or such longer period as the Rules require).

E. Electronic Transmission. In using electronic authorization and/or data capture services, you will enter the data related to a sales or credit transaction into a computer terminal or magnetic stripe reading terminal no later than the close of business on the date the transaction is completed (unless otherwise permitted by the Rules). Failure to do so may result in the assessment of a transaction surcharge on non-qualifying transactions and, at EVO's sole discretion, the deposit of the funds received for such sales or credit transaction into the Reserve Account. If you provide your own electronic terminal or similar device, such terminal must meet EVO and Bank's requirements for processing transactions. Information regarding a sales or credit transaction transmitted with a computer or magnetic stripe reading terminal will be transmitted by you to EVO and Bank or their agent in the form EVO and Bank from time to time specify or as required under the Rules. If EVO or Bank requests a copy of a Sales Draft, credit voucher or other transaction evidence, you will provide it within 24 hours following the request.

4. Deposit of Sales Drafts and Funds Due Merchant.

A. Deposit of Funds. i. Deposits. You agree that this Agreement is a contract of financial accommodation within the meaning of the Bankruptcy Code, 11 U.S.C. § 365 as amended from time to time. Subject to this Section, Bank will deposit to the Designated Account (defined in section 6 below) funds evidenced by Sales Drafts (whether evidenced in writing or by electronic means) complying with the terms of this Agreement and the Rules and will provide you provisional credit for such funds (less recoupment of any credit(s), adjustments, fines, chargebacks, or fees). You shall not be entitled to credit for any indebtedness that arises out of a transaction not processed in accordance with the terms of this Agreement or the rules and regulations of the Card Payment Networks. You acknowledge that your obligation to EVO and Bank for all amounts owed under this Agreement arises out of the same transaction as EVO and Bank's obligation to deposit funds to the Designated Account. ii. Provisional Credit. Notwithstanding the previous sentences, under no circumstance will EVO or Bank be responsible for processing credits or adjustments related to Sales Drafts not originally processed by EVO and Bank. All Sales Drafts and deposits are subject to audit and final checking by EVO and Bank and may be adjusted for inaccuracies. You acknowledge that all credits provided to you are provisional and subject to chargebacks, recoupment, adjustments, fines and fees: (i) in accordance with the Rules; (ii) for any of your obligations to EVO and Bank; and (iii) in any other situation constituting suspected fraud or a breach of this Agreement, whether or not a transaction is charged back by the Card issuer. EVO and Bank may elect, but are not required, to grant conditional credit for individual or groups of any funds evidenced by Sales Drafts. Final credit for those conditional funds will be granted within EVO and Bank's sole discretion. iii. Processing Limits. EVO and Bank may impose a cap on the volume and ticket amount of Sales Drafts that they will process for you, as indicated to you by EVO or Bank. This limit may be changed by EVO or Bank upon written notice to you.

B. Chargebacks. You are fully liable for all transactions returned for whatever reason, otherwise known as "chargebacks". You will pay on demand the amount of all chargebacks. Authorization is granted to offset from incoming transactions and to debit the Designated Account and the Reserve Account (defined in Section 7, below) the amount of all chargebacks. You will fully cooperate in complying with the Rules regarding chargebacks.

C. Excessive Activity. Your presentation to EVO and Bank of Excessive Activity will be a breach of this Agreement and cause for immediate termination of this agreement. "Excessive Activity" means, during any monthly period: (i) the dollar amount of chargebacks and/or retrieval requests in excess of 1% of the average monthly dollar amount of your Card transactions; (ii) sales activity that exceeds by 10% of the dollar volume indicated on the Application; or (iii) the dollar amount of returns equals 20% of the average monthly dollar amount of your Card transactions. You authorize, upon the occurrence of Excessive Activity, EVO and Bank to take any action they deem necessary including but not limited to, suspension of processing privileges and establishment or increase in the amount allocated to the Reserve Account and a reduction in the amount of provisional credit remitted to you in accordance with this Agreement.

D. Credit. i. Credit Memoranda. You will issue a credit memorandum in any approved form, instead of making a cash advance, a disbursement or a refund on any Card transaction. EVO or Bank will debit the Designated Account for the total face amount of each credit memorandum submitted to EVO and Bank. You will not submit a credit memorandum relating to any Sales Draft not originally submitted to EVO and Bank, nor will you submit a credit memorandum that exceeds the amount of the original Sales Draft. You will within the time period specified by the Rules, provide a credit memorandum or credit statement for every return of goods or forgiveness of debt for services which were the subject of a Card transaction. ii. Revocation of Credit. EVO or Bank may refuse to accept any Sales Draft, and EVO and Bank may revoke prior acceptance of a Sales Draft in the following circumstances: (a) the transaction giving rise to the Sales Draft was not made in compliance with this Agreement, the Laws or the Rules; (b) the Cardholder disputes his liability to EVO and Bank for any reason, including but not limited to a contention that the Cardholder did not receive the goods or services, that the goods or services provided were not as ordered, or those chargeback rights enumerated in the Rules; or (c) the transaction giving rise to the Sales Draft was not directly between you and the Cardholder. You will pay EVO and Bank any amount previously credited to you for a Sales Draft not accepted by EVO and Bank or where accepted, is revoked by EVO and Bank.

E. Reprocessing. Notwithstanding any authorization or request from a Cardholder, you will not re-enter or reprocess any transaction which has been charged back.

F. Miscellaneous. You will not present for processing or credit, directly or indirectly, any transaction not originated as a result of a Card transaction directly between you and a Cardholder or any transaction you know or should know to be fraudulent or not authorized by the Cardholder. You will not sell or disclose to third parties Card account information other than in the course of performing your obligations under this Agreement.

5. Other Types of Transactions.

A. Debit Card Processing Services. You may elect to accept debit cards, and said election should be made by you on the accompanying Merchant Application. If you elect to accept debit cards, the following terms and conditions apply to you. Debit Sponsor shall act as your sponsor with respect to the participation of point-of-sale terminals owned, controlled, and/or operated by you (the "Covered Terminals") in each of the following debit card networks ("Networks"): Accel, AFFN, Alaska Option, Interlink, Maestro, NYCE, Pulse, Shazam, Star, CU24, and Tyme, which Networks may be changed from time-to-time by Debit Sponsor or EVO without notice. You may also have access to other debit networks that do not require a sponsor. EVO will provide you with the ability to access the Networks at the Covered Terminals for the purpose of authorizing debit card transactions from cards issued by the members of the respective Networks, and EVO will provide connection to such Networks, terminal applications, settlement, and reporting activities (collectively, the "Services"). You will comply with all federal, state, and local laws, rules, regulations and ordinances ("Applicable Laws") and with all by-laws, regulations, rules, and operating guidelines of the Networks ("Network Rules"). You will execute and deliver any application, participation, or membership agreement or other document necessary to enable Debit Sponsor to act as sponsor for you in each Network, and you shall obtain all consents, approvals, authorizations, or orders of any governmental agency or body required for the execution, delivery, and performance of this Agreement. You agree to utilize the debit card services in accordance with this Agreement, its exhibits or attachments, and EVO's instructions and specifications, and to provide EVO with the necessary data in the proper format to enable EVO to properly furnish the Services. Copies of the relevant agreements or operating regulations shall be made available to you upon request. You will provide prompt written notice to EVO in the event that you are subject to any of the following: i. Conviction for a felony offense or any other crime involving moral turpitude; ii. Restraining order, decree, injunction, or judgment in any proceeding or lawsuit alleging fraud or deceptive practice on your part; iii. Bankruptcy filing or petition; iv. Federal or state tax lien; v. Any material adverse change in your assets, operations, or condition, financial or otherwise; vi. The threat or filing of any litigation against you, the outcome of which reasonably could have a material adverse effect on your continuing operations; vii. Administrative or enforcement proceeding commenced by any state or federal regulatory agency, including any banking or securities agency or entity operating an EBT Network, that reasonably could have a material adverse effect on your continuing operations; or viii. Any disciplinary action taken by any Network against you or any of your principals. EVO may terminate or suspend in its discretion Debit Sponsor's sponsorship of you in any Network or modify the provision of Services to you: i. Immediately upon notice to you of the occurrence of any of the conditions set forth in items (i), (ii), (iii), (iv), or (viii) in the immediately preceding paragraph or Debit Sponsor's authority to participate in such Network or act as your sponsor in such Network is terminated by such Network; ii. Thirty (30) days after written notice by EVO to you of the occurrence of any of the conditions set forth in items (iv), (vi), or (vii) in the immediately preceding paragraph or if Debit Sponsor terminated its membership or participation in such Network; iii. Immediately upon notice to you in

the event any financial statement, representation, warranty, statement or certificate furnished is materially false or misleading; or iv. Immediately upon notice to you of the occurrence of any other circumstance with respect to this Section that may reasonably be expected to have an adverse effect on EVO. The parties hereto acknowledge and agree that EVO shall pay Debit Sponsor any and all fees related to Debit Sponsor's sponsorship of you in the Network; provided, however, that in the event EVO fails to pay such amounts, Debit Sponsor shall be entitled to recover all such amounts directly from you and you agree to pay all such amounts. You shall not in any way indicate that Debit Sponsor endorses your activities, products, or services. Debit Sponsor and you are and shall remain independent contractors of one another, and neither they, nor their respective individual employees, shall have or hold themselves out as having any power to bind the other to any third party. Nothing contained in this section shall be construed to create or constitute a partnership, joint venture, employer-employee, or agency relationship between Debit Sponsor and you. You shall indemnify and hold harmless EVO and its affiliates (including parents and subsidiaries), and their respective officers, directors, employees, successors and assigns, from and against any and all direct or contingent losses, costs, claims, demands, and causes of action (including, without limitation, the cost of investigating the claim, the cost of litigation, and reasonable attorney's fees including those of in-house counsel, whether or not legal proceedings are instituted) paid or incurred by or on behalf of EVO as a result of your violation of any of the terms of this Section, Network Rules, or Applicable Laws, or otherwise arising from or related to Debit Sponsor's sponsorship of you in any Network. In the event that Debit Sponsor's sponsorship of you in any Network is terminated prior to the termination of this Agreement, EVO may assign Debit Sponsor's rights and obligations hereunder to a third party. All provisions in this section necessary to enforce the rights and obligations of the parties contained in this section shall survive the termination of Debit Sponsor's debit sponsorship of you under this Agreement.

B. Mail/Telephone Order. EVO and Bank caution against mail orders or telephone orders or any transaction in which the Cardholder and Card are not present ("mail/telephone orders") due to the high incidence of customer disputes. You will obtain the expiration date of the Card for a mail/telephone order and submit the expiration date when obtaining authorization of the Card transaction. For mail/telephone order transactions, you will type or print legibly on the signature line the following as applicable: telephone order or "TO" or mail order or "MO". You must promptly notify EVO and Bank if your retail/mail order/telephone order mix changes from the percentages represented to EVO and Bank in the Merchant Application. EVO and Bank may cease accepting mail/telephone order transactions, or limit their acceptance of such transactions, or increase their fees if this mix changes. Bank will release funds to Merchant five (5) business days after the transaction date for mail/telephone orders. Merchant agrees to use and retain proof of a traceable delivery system as means of shipment of product to the customer. Merchant agrees that transactions will not be processed until products are shipped to the Cardholder. Merchant agrees to pay a charge of \$0.05 per AVS transaction, if applicable. This agreement may be immediately terminated by Bank if Merchant fails to comply with any of the terms of the agreement.

C. Recurring Transactions. For recurring transactions, you must obtain a written request from the Cardholder for the goods and services to be charged to the Cardholders account, the frequency of the recurring charge, and the duration of time during which such charges may be made. You will not complete any recurring transaction after receiving: (i) a cancellation notice from the Cardholder, (ii) notice from EVO or Bank, or (iii) a response that the Card is not to be honored. You must print legibly on the Sales Draft the words "Recurring Transaction".

D. Multiple Sales Drafts. You will include a description and total amount of goods and services purchased in a single transaction on a single Sales Draft or transaction record, unless (i) partial payment is entered on the Sales Draft or transaction record and the balance of the transaction amount is paid in cash or by check at the time of transaction, or (ii) a Sales Draft represents an advance deposit in a Card transaction completed in accordance with this Agreement and the Rules.

E. Partial Completion. i. Prior Consent. You will not accept for payment by Card any amount representing a deposit or partial payment for goods or services to be delivered in the future without the prior written consent of EVO or Bank. Such consent will be subject to Bank's final approval. The acceptance of a Card for payment or partial payment of goods or services to be delivered in the future without prior consent will be deemed a breach of this Agreement and cause for immediate termination, in addition to any other remedies available under the Laws or Rules. ii. Acceptance. If you have obtained prior written consent, then you will complete such Card transactions in accordance with the terms set forth in this Agreement, the Rules, and the Laws. Cardholders must execute one Sales Draft when making a deposit with a Card and a second Sales Draft when paying the balance. You will note upon the Sales Draft the words "deposit" or "balance" as appropriate. You will not deposit the Sales Draft labeled "balance" until the goods have been delivered to Cardholder or you have fully performed the services.

F. Future Delivery. You will not present any Sales Draft or other memorandum to Bank for processing "whether by electronic means" which relates to the sale of goods or services for future delivery without EVO or Bank's, prior written authorization. Such consent will be subject to Bank's final approval. If EVO or Bank have given such consent, you represent and warrant to EVO and Bank that you will not rely on any proceeds or credit resulting from such transactions to purchase or furnish goods or services. You will maintain sufficient working capital to provide for the delivery of goods or services at the agreed upon future date, independent of any credit or proceeds resulting from sales drafts or other memoranda taken in connection with future delivery transactions.

G. Electronic Commerce Transactions. You may process electronic commerce ("EC") transactions only if you have so indicated on the Application, and only if you have obtained EVO's consent. If you submit EC transactions without our consent, we may immediately terminate this Agreement. If you have indicated on the Application that you will be submitting EC transactions, you acknowledge that you have reviewed the Payment Card Industry Data Security Standards (PCI DSS), Visa's Cardholder Information Security Program (CISP), Mastercard's Site Data Protection Program (SDP), and American Express' Merchant Data Security Requirements (MDSR) and to the extent that they apply to you, you agree to comply with, and ensure such transactions comply with, the terms of each. You understand that transactions processed via EC are high risk and subject to a higher incidence of chargebacks. You are liable for all chargebacks and losses related to EC transactions, whether or not: i) EC transactions have been encrypted; and ii) you have obtained consent to engage in such transactions. Encryption is not a guarantee of payment and will not waive any provision of this Agreement or otherwise validate a fraudulent transaction. All communication costs related to EC transactions are your responsibility. You understand that EVO will not manage the EC telecommunications link and that it is your responsibility to manage that link. All EC transactions will be settled by Bank into a depository institution of the United States in U.S. currency. i. Requirements. For goods to be shipped on EC transactions, you may obtain authorization up to 7 calendar days prior to the shipment date. You need not obtain a second authorization if the Sales Draft amount is within 15% of the authorized amount, provided that the additional amount represents shipping costs. Further, your web site must contain all of the following information: i) complete description of the goods or services offered, ii) returned merchandise and refund policy, iii) customer service contact, including electronic mail address and/or telephone number, iv) transaction currency (such as U.S. or Canadian dollars), v) export or legal restrictions, if known, and vi) delivery policy. If you store cardholder account numbers, expiration dates, and other personal cardholder data in the database, you must follow PCI DSS, CISP, SDP, and MDSR guidelines on securing such data. ii. If you accept EC transactions, you must: install and maintain a working network firewall to protect data accessible via the Internet; keep security patches up-to-date; encrypt stored data and data sent over open networks; use and update anti-virus software; restrict access to data by business "need-to-know"; assign a unique ID to each person with computer access to data; not use vendor-supplied defaults for system passwords and other security parameters; track access to data by unique ID; regularly test security systems and processes; maintain a policy that addresses information security for employees and contractors; and restrict physical access to Cardholder information. When outsourcing administration of information assets, networks, or data you must retain legal control of proprietary information and use limited "need-to-know" access to such assets, networks or data. Further, you must reference the protection of cardholder information and compliance with the PCI DSS, CISP, SDP, and MDSR Rules in contracts with other service providers. You understand that failure to comply with this Section may result in fines and you agree to indemnify and reimburse EVO and Bank immediately for any fine imposed due to your breach of this Section.

H. JCB, Diners Club and UnionPay Transactions. Upon your request, EVO will provide authorization and/or data capture service for JCB, Diners Club and UnionPay transactions. By signing this Agreement, Merchant agrees to abide by the terms and conditions of Diners Club, JCB and UnionPay. Merchant understands that the Diners Club Agreement will be sent to the business entity indicated on this application. By accepting the Diners Club Card for goods and/or services, Merchant agrees to be bound by the terms and conditions of the Diners Club Agreement. EVO and Bank are not responsible for funding such transactions. Initial setup fees may apply.

I. Cash Advances, Script, Money Service Businesses and Manual Cash Disbursements. Merchant will not deposit any transaction for purposes of obtaining or providing a cash advance. You will not accept a Card to purchase travelers checks, script, Foreign Currency, Visa Travel/Money Cards, or other prepaid cards redeemable for cash or cash equivalent. You agree that any such deposit or transaction shall be grounds for immediate termination. Money Service Businesses that charge a service fee or commission must include such fee or commission in the transaction amount and not collect it separately. Financial institutions performing manual cash disbursement services are subject to all membership requirements, core rules, and operating regulations applicable to manual cash disbursement services, including, but not limited to the Visa prohibition against accepting Visa Electron or Travel/Money Cards for manual cash disbursements.

6. Designated Account.

A. Establishment and Authority. Merchant will establish and maintain an account at an ACH receiving depository institution approved by Bank and EVO ("Designated Account"). Merchant will maintain sufficient funds in the Designated Account to satisfy all obligations, including fees, contemplated by this Agreement. Merchant irrevocably authorizes Bank and EVO to debit the Designated Account for chargebacks, recoupments, adjustments, fines, fees and any other penalties or amounts owed under this Agreement, and irrevocably authorizes Bank and EVO to debit the Designated Account for any amount owed to Bank and EVO under this Agreement other than the amounts directly attributable to the settlement of transactions. You also authorize EVO and Bank to debit the Merchant Account for any fees due such vendor or agent under this Agreement. This authority will remain in effect for at least 2 years after termination of this Agreement whether or not you have notified EVO and Bank of a change to the Designated Account. Merchant must obtain prior written consent from Bank or EVO to change the Designated Account. If Merchant does not get that consent, EVO or Bank may immediately terminate the Agreement and may take other action necessary, as determined by them within their sole discretion.

B. Deposit. Bank will deposit all Sales Drafts to the Designated Account subject to the other provisions of this Agreement. The funds represented by Sales Drafts will be deposited 3 business days following EVO's receipt of the Sales Draft, except for mail order/telephone order and electronic commerce transactions, which will be deposited 5 business days following receipt of the Sales Draft. "Business Day" means Monday through Friday, excluding holidays observed by the Federal Reserve Bank of New York. Merchant authorizes Bank and EVO to initiate reversal or adjustment entries and initiate or suspend such entries as may be necessary to grant Merchant provisional credit for any entry. You authorize and appoint Bank and EVO to act as your agent to collect Card transaction amounts from the Card issuing bank. As the collecting agent, Bank and EVO in their sole discretion, may grant you provisional credit for transaction amounts in the process of collection, subject to receipt of final payment by Bank and subject to all chargebacks.

C. Asserted Errors. You must promptly examine all statements relating to the Designated Account, and immediately notify EVO and Bank in writing of any errors. Your written notice must include: (i) Merchant name and account number. (ii) the dollar amount of the asserted error, (iii) a description of the asserted error, and (iv) an explanation of why you believe an error exists and the cause of it, if known. That written notice must be received by EVO and Bank within 30 calendar days after you received the periodic statement containing the asserted error. Your failure to notify EVO and Bank of any error within 30 days constitutes a waiver of any claim relating to that error. You may not make any claim against EVO or Bank for any loss or expense relating to any asserted error for 60 calendar days immediately following our receipt of your written notice. During that 60 day period, EVO and Bank will be entitled to investigate the asserted error.

D. Indemnity. You will indemnify and hold EVO and Bank harmless for any action they take against the Designated Account, the Reserve Account, or any other account pursuant to this Agreement.

E. ACH Authorization. You authorize EVO and Bank to initiate ACH debit/credit entries to the Designated Account and the Reserve Account, all in accordance with this Agreement and the ACH Debit/Credit Authorization set forth in the attached Merchant Application. The ACH Authorization will remain in effect beyond termination of this Agreement. In the event you change the Designated Account, you hereby authorize EVO and Bank to initiate ACH debit/credit entries to the new Designated Account.

7. Security Interests, Reserve Account, Recoupment and Set-Off.

A. Security Interests. i. Security Agreement. This Agreement is a security agreement under the Uniform Commercial Code. You grant to EVO and Bank a security interest in and lien upon: (i) all funds at any time in the Designated Account, regardless of the source of such funds; (ii) all funds at any time in the Reserve Account, regardless of the source of such funds; (iii) present and future Sales Drafts; and (iv) any and all amounts which may be due to you under this Agreement including, without limitation, all rights to receive any payments or credits under this Agreement (collectively, the "Secured Assets"). You agree to provide other collateral or security to EVO and Bank to secure your obligations under this Agreement upon EVO or Bank's request. These security interests and liens will secure all of your obligations under this Agreement and any other agreements now existing or later entered into between you and EVO or Bank. This security interest may be exercised by EVO or Bank without notice or demand of any kind by making an immediate withdrawal or freezing the secured assets, if. Perfection. Upon request of EVO or Bank, you will execute one or more financing statements or other documents to evidence this security interest. You represent and warrant that no other person or entity has a security interest in the Secured Assets. Further, with respect to such security interests and liens, EVO and Bank will have all rights afforded under the Uniform Commercial Code, any other applicable law and in equity. You will obtain from EVO and Bank written consent prior to granting a security interest of any kind in the Secured Assets to a third party. You agree that this is a contract of recoupment and EVO and Bank are not required to file a motion for relief from the automatic stay in any bankruptcy proceeding in order for EVO or Bank to realize on any of its collateral (including any Reserve Account). Nevertheless you agree not to contest or object to any motion for relief from the automatic stay filed by EVO or Bank. You authorize EVO or Bank and appoint EVO or Bank your attorney in fact to sign your name to any financing statement used for the perfection of any security interest or lien granted hereunder.

B. Reserve Account. i. Establishment. A non-interest bearing deposit account ("Reserve Account") has been established and is maintained at Bank or one of its affiliates with sums sufficient to satisfy your current and future merchant obligations as determined by EVO and Bank. You authorize EVO and Bank to debit the Designated Account or any other account you have at Bank or any other financial institution to establish or maintain funds in the Reserve Account. Bank or EVO may deposit into the Reserve Account funds it would otherwise be obligated to pay you, for the purpose of establishing, maintaining or increasing the Reserve Account in accordance with this Section, if it determines such action is reasonably necessary to protect its interests. ii. Authorizations. EVO and Bank may, without notice to you, apply deposits in the Reserve Account against any outstanding amounts you owe under this Agreement or any other agreement between you and EVO or Bank. Also, EVO and Bank may exercise their rights under this Agreement against the Reserve Account to collect any amounts due to EVO or Bank including, without limitation, rights of set-off and recoupment. In the event you submit a merchant application to EVO through the use of Insta-App, and EVO does not receive a completed written merchant application within 2 business days, you authorize EVO or Bank to hold all of your funds in the Reserve Account until the completed written merchant application and other required documentation is received by EVO. iii. Funds. Funds in the Reserve Account will remain in the Reserve Account for 270 calendar days following the later of termination of this Agreement or the last activity in your account, provided, however, that you will remain liable to EVO and Bank for all liabilities occurring beyond such 270 day period. After the expiration of the 270 day period EVO will provide you with written notification via nationally recognized delivery service advising you that the 270 day period has expired, requesting that you provide EVO with an address where the funds you have remaining in the Reserve Account should be delivered, and stating that in the event you fail to respond to this notification within 30 days, EVO will begin deducting a flat fee of \$95 each month from the funds you have remaining in the Reserve Account. In the event you fail to respond to the notification, the \$95 fee will then be deducted each month from the funds you have remaining in the Reserve Account. This fee will offset the administrative, clerical, legal, and risk management costs incurred by EVO to monitor the funds you have remaining in the Reserve Account beyond the 270 day period, and includes all monthly minimums and any other contractual fees that would ordinarily be assessed against your account pursuant to the terms of this Agreement. You agree that prior to the expiration of the 270 days, you will not use any funds you have in the Reserve Account for any purpose, including but not limited to paying chargebacks, fees, fines, or other amounts you owe to EVO and/or Bank under this Agreement. EVO and Bank (and not Merchant) shall have control of the Reserve Account. iv. Assurance. In the event of a bankruptcy proceeding and the determination by the court that this Agreement is assumable under Bankruptcy Code § 365, as amended from time to time, you must maintain funds in the Reserve Account in an amount satisfactory to EVO and Bank.

C. Recoupment and Set Off. EVO and Bank have the right of recoupment and set-off. This means that they may offset or recoup any outstanding/uncollected amounts owed by you from: (i) any amounts they would otherwise be obligated to deposit into the Designated Account; (ii) any other amounts Bank or EVO may owe you under this Agreement or any other agreement; and (iii) any funds in the Designated Account or the Reserve Account. You acknowledge that in the event of a bankruptcy proceeding, in order for you to provide adequate protection under Bankruptcy Code § 362 to EVO and Bank, you must create or maintain the Reserve Account as required by EVO and Bank, and EVO and Bank must have the right to offset against the Reserve Account for any and all obligations which you may owe to EVO and Bank, without regard to whether the obligations relate to Sales Drafts initiated or created before or after the filing of the bankruptcy petition.

D. Remedies Cumulative. The rights and remedies conferred upon EVO and Bank in this Agreement, at law or in equity, are not intended to be exclusive of each other. Rather, each and every right of EVO and Bank under this Agreement, at law or in equity, will be cumulative and concurrent and in addition to every other right.

A. Fees and Taxes. You will pay EVO fees for services, forms and equipment in accordance with the rates set forth on the Application. In addition, you will pay EVO a fee for research it performs at your request in an amount equal to \$200 per hour, or \$5 per statement. Such fees will be calculated and debited from the Designated Account once each business day or month for the previous business day's or month's activity or will be netted out from the funds due you attributable to Sales Drafts presented to EVO and Bank. EVO and Bank reserve the right to adjust the fees set forth on the Application and in this Section, in accordance with Section 16.H, below. If you do not have an active account at the time of the request, payment by certified check or money order must be received prior to the release of the requested document copies or research results. You are also obligated to pay all taxes, and other charges imposed by any governmental authority on the services provided under this Agreement. With respect to Visa, Mastercard, Discover, and American Express products, you may elect to accept credit cards or debit/prepaid cards or both. You shall be charged on the Merchant Application being completed contemporaneously herewith. You agree to pay and your account(s) will be collected pursuant to Section 6.A of this Agreement for any additional fees incurred as a result of your subsequent acceptance of transactions with any Visa, Mastercard, Discover, or American Express product that you have elected not to accept.

B. Other Amounts Owed EVO and Bank. You will immediately pay EVO and Bank any amount incurred by EVO and Bank attributable to this Agreement including but not limited to chargebacks, fines and penalties imposed by Visa, Mastercard, Discover, or American Express (including but not limited to fines and penalties related to PCI DSS), non-sufficient fund fees, and ACH debits that overdraw the Designated Account or Reserve Account, or are otherwise dishonored. You authorize EVO and Bank to debit via ACH the Designated Account for any amount you owe EVO or Bank under this Agreement or under any other contract, note, guaranty, instrument or dealing of any kind now existing or later entered into between you and EVO or Bank, whether your obligation is direct, indirect, primary, secondary, fixed, contingent, joint or several. In the event EVO or Bank demand sums due or such ACH does not fully reimburse EVO and Bank for the amount owed, you will immediately pay EVO and Bank such amount.

9. Application, Indemnification, Limitation of Liability.

You will provide updated information to EVO within a reasonable time upon request. You are liable to EVO and Bank (as applicable) for all losses and expenses incurred by EVO and/or Bank arising out of your failure to report changes to EVO. Bank and/or EVO may immediately terminate this Agreement upon notification by you of a change to the information in the Merchant Application.

B. Indemnification. You will hold harmless and indemnify EVO and Bank, their employees and agents (i) against all claims by third parties arising out of this Agreement that are based on your acts or omissions or events for which you are responsible, and (ii) for all attorneys' fees and other costs and expenses paid or incurred by EVO or Bank in the enforcement of the Agreement, including but not limited to those resulting from any breach by you of this Agreement and those related to any bankruptcy proceeding.

C. Limitation of Liability. Any liability of EVO or Bank under this Agreement, whether to you party, whatever the basis of the liability, shall not exceed in the aggregate the difference between (i) the amount of fees paid by you to EVO and Bank during the month in which the transaction out of which the liability arose occurred, and (ii) assessments, chargebacks, and offsets against such fees which arose during such month. In the event more than one month is involved, the aggregate amount of EVO and Bank's liability shall not exceed the lowest amount determined in accord with the foregoing calculation for anyone month involved. Neither EVO, Bank nor their agents, officers, directors, or employees shall be jointly liable to you under this Agreement or liable for indirect, special, or consequential damages. Neither EVO nor Bank will be responsible or liable for any damages you incur that arise from a terminal that has been downloaded by a third party.

D. Performance. EVO and Bank will perform all services in accordance with this Agreement. EVO and Bank make no warranty, express or implied, regarding the services, and nothing contained in the Agreement will constitute such a warranty. EVO and Bank disclaim all implied warranties, including those of merchantability and fitness for a particular purpose. No party will be liable to the others for any failure or delay in its performance of this Agreement if such failure or delay arises out of causes beyond the control and without the, fault or negligence of such party. Neither EVO nor Bank shall be liable for the acts or omissions of any third party.

E. Representations By Salespersons. All salespersons are independent contractors, and are not agents, employees, joint venturers, or partners of EVO or Bank. Any and all representations and/or statements made by a salesperson are made by them in their capacity as an independent contractor, and cannot be imputed to EVO or Bank. EVO and Bank have absolutely no liability or responsibility for any representations and/or statements made to you by any sales representative.

10. Representations and Warranties.

You represent and warrant to EVO and Bank at the time of execution and during the term of this Agreement the following:

A. Information. You are a corporation, limited liability company, partnership or sole proprietorship validly existing and organized in the United States. All information contained on the Merchant Application or any other document submitted to EVO or Bank is true and complete and properly reflects the business, financial condition, and principal partners, owners, or officers of Merchant. You are not engaged or affiliated with any businesses, products or methods of selling other than those set forth on the Merchant Application, unless you obtain the prior written consent of EVO and Bank.

B. Entity Power. Merchant and the person signing this Agreement have the power to execute and perform this Agreement. This Agreement and your performance hereunder will not violate any law, or conflict with any other agreement to which you are subject.

C. No Litigation or Termination. There is no action, suit or proceeding pending or to your knowledge threatened which if

decided adversely would impair your ability to carry on your business substantially as now conducted or which would adversely affect your financial condition or operations. You have never entered into an agreement with a third party to perform credit or debit card processing which has been terminated by that third party.

D. Transactions. All transactions are bona fide. No transaction involves the use of a Card for any purpose other than the purchase of goods or services from you nor does it involve a Cardholder obtaining cash from you unless allowed by the Rules and agreed in writing with EVO and Bank. EVO may choose to cancel Merchant's Supply/Replacement Program at any time without notice. This program is non-transferable without written consent. Maintenance is not available for any wireless terminals.

E. Rule Compliance. You will comply with the Laws and Rules. Without limiting the generality of the foregoing, each sales transaction submitted hereunder and the handling, retention, and storage of information related thereto, will comply with the rules and regulations of Visa, Mastercard, Discover, American Express, and any other Payment Card Network related to cardholder and transaction information security, including, without limitation Payment Card Industry Data Security Standards (PCI DSS), Visa's Cardholder Information Security Program (CISP), Mastercard's Site Data Protection Program (SDP), American Express' Merchant Data Security Requirements (MDSR), and Payment Application Best Practices.

B. Financial Information. i. Authorizations. You authorize EVO or Bank to make any business or personal credit inquiries they consider necessary to review the acceptance and continuation of this Agreement. You also authorize any person or credit reporting agency to compile information to answer, those credit inquiries and to furnish that information to EVO and Bank. ii. Documents. You will provide EVO or Bank business financial statements and other financial information as requested from time to time. If requested, you will furnish within 120 calendar days after the end of each fiscal year to EVO and Bank a financial statement of profit and loss for the fiscal year and a balance sheet as of the end of the fiscal year.

12. Third Parties.

A. Services. You may be using special services or software provided by a third party to assist you in processing transactions, including authorizations and settlements, or accounting functions. You are responsible for ensuring compliance with the requirements of any third party in using their products. This includes making sure you have and comply with any software updates. EVO and Bank have no responsibility for any transaction until that point in time EVO or Bank receive data about the transaction.

B. Use of Terminals Provided by Others. You will notify EVO and Bank immediately if you decide to use electronic authorization or data capture terminals or software provided by any entity other than EVO and Bank or its authorized designee ("Third Party Terminals") to process transactions. If you elect to use Third Party Terminals or payment software provided by others you agree (i) the third party providing the terminals will be your agent in the delivery of Card transactions to EVO and Bank; and (ii) to assume full responsibility and liability for any failure of that third party to comply with the Rules and this Agreement. Neither EVO nor Bank will be responsible for any losses or additional fees incurred by you as result of any error by a third party agent, or a malfunction of your credit card terminal, including but not limited to Third Party Terminals.

13. Term and Termination.

A. Term. This Agreement shall become effective (the "Effective Date") only upon acceptance by EVO and Bank, or upon the submission of a transaction by you to EVO, whichever event shall occur first. The Agreement will remain in effect until terminated in the manner set forth below.

B. Termination. This Agreement may be terminated by Merchant on sixty (60) days prior written notice to EVO. This Agreement may be terminated by Merchant immediately upon written notice to EVO within sixty (60) days from the Effective Date. This Agreement may be terminated by EVO or Bank at any time with or without notice and with or without cause. Visa may limit or terminate this Agreement at any time.

C. Action upon Termination. i. Terminated Merchant File. You acknowledge that Bank is required to report your business name and the name of Merchant's principals to Visa, Mastercard, Discover, and American Express when Merchant is terminated due to the reasons listed in the Rules. ii. Designated Account. All your obligations regarding accepted Sales Drafts will survive termination. You must maintain in the Designated Account and the Reserve Account enough funds to cover all chargebacks, deposit charges, refunds and fees incurred by you for a reasonable time, but in any event not less than the time specified in this agreement. You authorize EVO and Bank to charge those accounts, or any other Merchant account maintained under this Agreement, for all such amounts. If the amount in the Designated Account or Reserve Account is not adequate, you will pay EVO and Bank the amount you owe it upon demand, together with all costs and expenses incurred to collect that amount, including reasonable attorneys' fees. iii. Equipment. Within 14 business days of the date of termination, you must return all equipment owned by EVO and immediately pay EVO, any amounts you owe them for equipment costs. iv. Improper Termination and Breach. If you terminate this Agreement in any manner other than as set forth in Sections 13.B or 16.H, or if EVO or Bank terminates this Agreement based upon your failure to comply with any of the Terms and Conditions contained herein, you will immediately pay to EVO, as liquidated damages, a closure fee in an amount equal to \$395, or the closure fee set forth on the attached schedule of General Fees, whichever is less. You agree that this closure fee is not a penalty, but rather is reasonable in light of the financial harm caused by your improper termination of this Agreement.

14. Compliance With Laws And Rules.

You agree to comply with all rules and operating regulations issued from time to time by Mastercard, Visa, Discover, and American Express ("Rules"), and any policies and procedures provided by EVO or Bank. You further agree to comply with all applicable state, federal and local laws, rules and regulations ("Laws"), as amended from time to time. You will assist EVO and Bank in complying with all Laws and Rules now or hereafter applicable to any Card transaction or this Agreement. You will execute and deliver to EVO and Bank all instruments it may from time to time reasonably deem necessary. Without limiting the generality of the foregoing, you agree to comply with and be bound by the rules and regulations of Visa, Mastercard, Discover, American Express, and any other Payment Card Network related to cardholder and transaction information security, including without limitation, Payment Card Industry Data Security Standards (PCI DSS), Visa's Cardholder Information Security Program, Mastercard's Site Data Protection Program, and American Express' Merchant Data Security Requirements. You agree to cooperate at your sole expense with any request for an audit or investigation by EVO, Bank, a Payment Card Network in connection with cardholder and transaction information security. You may also be assessed a monthly or annual PCI fee, which will appear as a separate item on your monthly statement. This fee is assessed by EVO in connection with EVO's efforts to comply with the PCI DSS and does not ensure your compliance with the PCI DSS or any law, rule or regulation related to cardholder data security. The payment of such fee shall not relieve you of your responsibility to comply with all rules and regulations related to cardholder data security, including without limitation the PCI DSS. Without limiting the generality of the foregoing, you agree to use information obtained from a cardholder in connection with a card transaction solely for the purpose of processing a transaction with that cardholder or attempting to re-present a chargeback with respect to such transaction. You will indemnify and hold EVO and Bank harmless from any fines and penalties issued by Visa, Mastercard, Discover, American Express, or any Payment Card Network and any other fees and costs arising out of or relating to the processing of transactions by EVO and Bank at your location(s) and will reimburse EVO and Bank for any losses incurred by EVO with respect to any such fines, penalties, fees and costs. You also agree that you will comply with all applicable laws, rules and regulations related to the truncation or masking of cardholder numbers and expiration dates on transaction receipts from transactions processed at your location(s), including without limitation the Fair and Accurate Credit Transactions Act and applicable state laws ("Truncation Laws"). As between you, on the one hand, and EVO and Bank, on the other hand, you shall be solely responsible for complying with all Truncation Laws to the extent allowed by law and will indemnify and hold EVO and Bank harmless from any claim, loss or damage resulting from a violation of Truncation Laws as a result of transactions processed at your location(s).

A. Prohibited Transactions. You will not accept or deposit any fraudulent or illegal transaction and you may not, under any circumstances, present for deposit directly or indirectly, a transaction which originated with any other merchant or any other source. You will not accept a Card to collect a dishonored check, for the purchase of script, or to refinance an existing debt that has been deemed uncollectible. You will not, under any circumstances, deposit telemarketing transactions unless you obtain Bank and EVO's prior written consent. Such consent will be subject to Bank's final approval. If you process any such transactions, you may be immediately terminated and EVO or Bank may hold funds and/or increase the amount allocated to the Reserve Account and/or deduct from the amount of provisional credit that would otherwise be allocated to you. Further, you may be subject to Visa, Mastercard or Discover reporting requirements.

B. Merchant Prohibitions. You will not require the completion of any postal instrument on which the card account number, card expiry date, cardholder signature, or any other card account data is in plain view when mailed. You will not add sales or use tax to transactions unless permitted by applicable law. If added, it must be included in the transaction amount and not collected separately.

15. Use of Trademarks and Confidentiality.

A. Use of Trademarks. Your use of Visa, Mastercard, Discover, and American Express trademarks must fully comply with the Rules. Your use of Visa, Mastercard, Discover, American Express, or other cards' promotional materials will not indicate directly or indirectly that Visa, Mastercard, Discover, American Express, or others endorse any goods or services other than their own and you may not refer to Visa, Mastercard, Discover, American Express, or others in stating eligibility for your products or services.

This Agreement may be signed in one or more counterparts, all of which, taken together, will constitute one agreement.

B. Exclusivity. During the period of time that this Agreement is in effect, the department using the services will not enter into an agreement with any other entity that provides credit card or debit card processing services similar to those provided by EVO and Bank as contemplated by this Agreement without EVO and Bank's prior written consent.

C. Construction. The headings used in this Agreement are inserted for convenience only and will not affect the interpretation of any provision. The language used will be deemed to be the language chosen by the parties to express their mutual intent, and no rule of strict construction will be applied against any party. Any alteration or strikeover in the text of this pre-printed Agreement will have no binding effect, and will not be deemed to amend this Agreement. This Agreement may be executed by facsimile, and facsimile copies of signatures to this Agreement shall be deemed to be originals and may be relied on to the same extent as the originals. In the event of any conflict or inconsistency between the provisions of this Agreement, on one hand, and any federal, state or local statute or regulation, on the other hand, the provisions of such federal, state or local statute or regulation shall take precedence to the extent of any such conflict or inconsistency.

D. Assignability. This Agreement may be assigned by EVO or Bank but may not be assigned by Merchant directly or by operation of law, without the prior written consent of EVO and Bank. Any such assignment in breach of this provision shall be null and void, ab initio. If Merchant nevertheless assigns this Agreement without the consent of EVO and Bank, the Agreement shall be binding upon the assignee. Bank will be immediately informed in writing of any such assignment.

You will include EVO and Bank on the list and matrix of creditors as filed with the Bankruptcy Court whether or not a claim may exist at the time of filing. Failure to comply with either of these requirements will be cause for immediate termination or any other action available to EVO and Bank under applicable Rules or Law.

G. Choice of Law/Attorney's Fees/Venue/Jury Trial Waiver. Should it be necessary for EVO or Bank to defend or enforce any of its rights under this Agreement in any collection or legal action, you agree to reimburse EVO and/or Bank, or any agent acting on their behalf, as applicable, for all costs and expenses including reasonable attorney's fees, as a result of such collection or legal action. Without limiting the generality of the foregoing, you agree to reimburse EVO and/or Bank, or any agent acting on their behalf, as applicable, for all costs and expenses, including reasonable attorney's fees, incurred by EVO, Bank or their agent in any action arising out of, relating to, or in connection with this Agreement, without regard to whether there has been an adjudication on the merits in any such action. You waive trial by jury with respect to any litigation arising out of, relating to, or in connection with this Agreement. (whether in contract, tort or otherwise) arising out of, relating to, or in connection with (i) this Agreement, (ii) the relationships which result from this Agreement, or (iii) the validity, scope, interpretation or enforceability of the choice of law and venue provisions of this Agreement, shall be governed by the laws of the State of New York, notwithstanding any conflicts of laws rules (other than NY General Obligations Law Section 5-1401), and shall be resolved, on an individual basis without resort to any form of class action and not consolidated with the claims of any other parties. EVO, Bank, you, and Guarantor agree that all actions arising out of, relating to, or in connection with (a) this Agreement, (b) the relationships which result from this Agreement, or (c) the validity, scope, interpretation or enforceability of the choice of law and venue provisions of this Agreement shall only be brought in either the courts of the State of New York sitting in Suffolk County or in the United States District Court for the Eastern District of New York, and hereby irrevocably and unconditionally submit to the personal jurisdiction of those courts in any such action.

H. Amendments. EVO will notify you on your monthly statement of any amendments to this Agreement, including any new or increased fees (collectively an "Amendment"). Except for any fee increases imposed by Visa, Mastercard, Discover, American Express or any other credit or debit network, you may cancel the Agreement without charge if you object to any Amendment in writing within 30 days after notice thereof from EVO. If you do not object during this 30-day period, you will be deemed to assent to the Amendment.

I. Severability and Waiver. If any provision of this Agreement is illegal, the invalidity of that provision will not affect any of the remaining provisions and this Agreement will be construed as if the illegal provision is not contained in the Agreement. Neither the failure nor delay by EVO or Bank to exercise, or partial exercise of, any right under this Agreement will operate as a waiver or estoppel of such right, nor shall it amend this Agreement. All waivers must be signed by the waiving party.

J. Independent Contractors. EVO, Bank and Merchant will be deemed independent contractors and will not be considered agent, joint venture or partner of the other, except as provided in 6.C and 7.A(ii).

17. E-statements.

A. Merchant Account Statement and IRS Form 1099K. Upon opening a merchant processing account you will automatically have access to your monthly merchant account statement electronically (an "E-statement") by viewing it on line. Your annual IRS Form 1099K ("Form 1099K") will be provided in the same manner as your monthly statement. This Agreement governs the electronic availability of your E-statement and Form 1099K. You agree to abide by the terms and conditions stated herein, and to access E-statements, Form 1099Ks, as well as all notices and initial and future disclosures regarding your E-statement and Form 1099K online. You acknowledge that by the fifth business day of each month, your E-statement will be available online. You will be notified via e-mail of the website where you can access your E-statement and Form 1099K. Your E-statement and Form 1099K will be accessible only through a secure Log In screen which requires the use of a unique User ID and Password. You understand that you will not receive a monthly merchant account statement or annual Form 1099K by U.S. postal mail, and that making your E-statement and Form 1099K available online constitutes EVO's compliance with delivery of your monthly merchant account statement and annual Form 1099K. You can print the E-statement and Form 1099K or save the file to your computer's hard drive or other disk in order to retain a copy of the E-statement and/or Form 1099K. Your E-statement can be accessed through the E-statement link for six consecutive months from the date the E-statement is first made available. Your Form 1099K can be accessed through the website for 3 years from the date that it is first made available. You further agree to receive all initial and periodic account disclosure information in an electronic format. All such disclosures shall be provided in a clear, conspicuous manner that you can print and/or save using the hardware and software specified below. You are also entitled to obtain a paper copy of all disclosures, E-statements and Form 1099Ks upon written request, however such a request does not constitute a withdrawal of consent to receive monthly E-statements and electronic disclosures and Form 1099Ks. You will be charged a fee of \$2.95 per month for EVO providing paper copies of disclosures and E-statements. Paper copies of 1099Ks will be provided upon request without charge. On condition that you have elected to obtain paper copies of all disclosures, E-statements and Form 1099Ks, you may withdraw your consent to receive such documentation electronically, or change your email address, upon 30 days written notice to EVO. Please note that a withdrawal of consent does not apply to a disclosure, E-statement or electronic Form 1099K that was furnished before the date on which the withdrawal of consent becomes effective. PC Requirements: Viewing your E-statement or Form 1099K on line requires a personal computer with Adobe Acrobat and internet access through a standard web browser. The product version levels must be supported by the respective vendors (i.e., Adobe, Apple, Mozilla, and Microsoft). EVO is not obligated to ensure that your E-statements or Form 1099Ks are accessible through outdated vendor products. In the event you are unable to access any of the information that has been made available by EVO in electronic format, it is your obligation to notify EVO in writing immediately.

B. Reporting Of Errors. You must promptly view all E-statements, and immediately notify EVO in writing of any errors. Your written notice must include: (i) Merchant name and account number; (ii) the dollar amount of the asserted error; (iii) a description of the asserted error; and (iv) an explanation of why you believe an error exists and the cause of it, if known. That written notice must be received by EVO within 30 calendar days after the E-statement containing the asserted error is first made available. Your failure to notify EVO of any error within 30 days constitutes a waiver of any claim relating to that error. You may not make any claim against EVO for any loss or expense relating to any asserted error for 60 calendar days immediately following EVO's receipt of your written notice. During that 60 day period, EVO will be entitled to investigate the asserted error and we will notify you of the results of our investigation.

C. Miscellaneous. EVO shall not be responsible for: (i) consequential or incidental damages caused by services performed by EVO, its agents, or your Internet Service Provider ("ISP"); (ii) damages arising from unauthorized access to E-statement services; or (iii) any costs associated with updating, modifying or terminating your software or hardware. EVO may change, suspend, or terminate all or any aspect of this service upon written notice to you.

18. Electronic Signatures.

Under the Electronic Signatures in Global and National Commerce Act ("E-Sign"), this Agreement and all electronically executed documents related hereto are legally binding in the same manner as are hard copy documents executed by hand signature when: (a) your electronic signature is associated with the Agreement and related documents, (b) you consent and intend to be bound by the Agreement and related documents, and (c) the Agreement is delivered in an electronic record capable of retention by the recipient at the time of receipt (i.e., print or otherwise store the electronic record). This Agreement and all related electronic documents shall be governed by the provisions of E-Sign. By pressing Submit, you agree: (i) that the Agreement and related documents shall be effective by electronic means, (ii) to be bound by the terms and conditions of this Agreement and related documents, (iii) that you have the ability to print or otherwise store the Agreement and related documents, and (iv) to authorize EVO or Bank to conduct an investigation of your credit history with various credit reporting and credit bureau agencies for the sole purpose of determining the approval of the applicant for merchant status or equipment leasing. RE: Orange County, New York's Pay-to-Play Law.

Thank you for your interest in contracting with Orange County, NY.

Please know that Orange County has enacted Local Law No. 13 of 2013, as amended, and known as "Pay-to-Play", which prohibits the making of certain contracts with entities or persons which have made campaign contributions on or after January 1, 2014 above a certain level to County Legislators, the County Executive, the Sheriff, the District Attorney, or the County Clerk, if that contract must be approved or voted on by such individual.

Exemptions from the Pay-to-Play law:

2. Contracts with a political subdivision of the state of New York, school districts or state or federal governments.
3. Contracts which are issued as:

 - k. Emergency Contracts.
4. Any campaign donation made prior to January 1, 2014.

For those contracts Pay-to-Play applies to, prior to awarding a contract, the law requires the County to run various names associated with your "Professional Business Entity" (as defined in Section 2(d) of the law), through a campaign donor database to confirm that campaign contributions from the Professional Business Entity were not in excess of those permitted by Pay-to-Play. To accomplish this, you will need to supply particular information to the County relative to your Professional Business Entity.

Please return FORM A with your quote/bid/proposal/qualifications/application/etc.. This is the form which discloses information about your Professional Business Entity. Please know that if a disqualifying campaign contribution was made, that can be cured by requesting, and receiving, a return of the excess contribution within thirty (30) days of the date of the request.

If you are awarded a contract, please sign and return with your signed contract, **FORM B** – a Campaign Contribution Statement.

Should you desire a copy of the Pay-to-Play Local Law, please call the Department of General Services at (845) 291-2792 or visit <http://orangecountygov.com/content/124/1332/1392/default.aspx>.

IRAN DIVESTMENT ACT CERTIFICATION

The Iran Divestment Act of 2012 ("Act"), Chapter 1 of the 2012 Laws of New York, added State Finance Law (SFL), §165-a and General Municipal Law §103-g, effective April 12, 2012. Under the Act, the Commissioner of the New York State Office of General Services ("OGS") developed a list ("Prohibited Entities List") of "persons" who are engaged in "investment activities in Iran" (both are defined terms in the law). In accordance with SFL § 165-a(3), the Prohibited Entities List may be found on the OGS website at <http://www.ogs.ny.gov/about/regs/docs/ListofEntities.pdf>.

Pursuant to General Municipal Law §103-g, by signing below, Offeror certifies as true under the penalties of perjury that:

By submission of this proposal each Offeror and each person signing on behalf of any Offeror certifies, and in the case of a joint proposal each party thereto certifies as to its own organization, under penalty of perjury, that to the best of its knowledge and belief that each Offeror is not on the list created pursuant to paragraph (b) of subdivision 3 of section 165-a of the State Finance Law.

A proposal shall not be considered for award nor shall any award be made where the certification has not been made, provided, however, that if in any case the Offeror cannot make the certification, the Offeror shall so state and shall furnish with the proposal a signed statement which sets forth in detail the reasons therefor. The County may award a contract to an Offeror who cannot make the required certification on a case-by-case basis if:

- 1) The investment activities in Iran were made before April 12, 2012, the investment activities in Iran have not been expanded or renewed after April 12, 2012, and the person has adopted, publicized, and is implementing a formal plan to cease the investment activities in Iran and to refrain from engaging in any new investments in Iran; or
- 2) The County makes a determination that the goods and services are necessary for the County to perform its functions and that, absent such an exemption, the political subdivision would be unable to obtain the goods or services for which the contract is offered. Such determination shall be made in writing and shall be a public document.

During the term of the Contract, should the County receive information that a person is in violation of the above-referenced certifications, the County will offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment which is in violation of the Act within 90 days after the determination of such violation, then the County shall take such action as may be appropriate including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the contractor in default.

The County reserves the right to reject any bid, proposal, contract or request for assignment for an entity that appears on the Prohibited Entities List prior to the award or execution of a contract or any renewal thereof, as applicable, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities List after contract award.

THIS AGREEMENT is entered into as of this ____ day of _____, 20__ (this "Agreement"), by and between the **COUNTY OF ORANGE**, a municipal corporation, hereinafter referred to as the "COUNTY," a County of the State of New York, with principal offices at 255-275 Main Street, Goshen, New York 10924 and _____, a _____ with principal offices at _____, hereinafter referred to as "VENDOR."

ARTICLE 1. SCOPE OF WORK

VENDOR agrees to perform the SERVICES and/or supply the goods identified in Schedule A, (collectively the "SERVICES") which is attached to, and is part of this Agreement. VENDOR agrees to perform the SERVICES in accordance with the terms and conditions of this Agreement. It is specifically agreed that the COUNTY will not compensate VENDOR for any SERVICES provided outside those specifically identified in Schedule A, without prior authorization, evidenced only by a written Change Order or Addendum to this Agreement executed by the County Executive of the COUNTY after consultation with the COUNTY Department head responsible for the oversight of this Agreement (hereinafter "Department Head").

ARTICLE 2. TERM OF AGREEMENT

VENDOR agrees to perform the SERVICES beginning _____ and ending _____.

ARTICLE 3. COMPENSATION

For satisfactory performance of the SERVICES or, as such SERVICES may be modified by mutual written agreement, the COUNTY agrees to compensate VENDOR in accordance with the fees and expenses as stated in Schedule B, which is attached to and is part of this Agreement. VENDOR shall submit to the COUNTY a monthly itemized invoice for SERVICES rendered during the prior month, or as otherwise set forth in Schedule B, and prepared in such form and supported by such documents as the COUNTY may reasonably require. The COUNTY will pay the proper

amounts due VENDOR within sixty (60) days after receipt by the COUNTY of an invoice, and if the invoice is objectionable, will notify VENDOR, in writing, of the COUNTY's reasons for objecting to all or any portion of the invoice submitted by VENDOR.

A not to exceed cost of \$_____ has been established for the scope of SERVICES rendered by VENDOR. Costs in excess of such not-to-exceed cost, if any, may not be incurred without prior written authorization of the County Executive of the COUNTY, evidenced only by a written Change Order or Addendum to this Agreement, after consultation with the Department Head. It is specifically agreed to by VENDOR that the COUNTY will not be responsible for any additional cost or costs in excess of the above-noted not-to-exceed cost if the COUNTY's authorization by the County Executive is not given in writing prior to the performance of the SERVICES giving rise to such excess or additional costs.

ARTICLE 4. EXECUTORY CLAUSE

The COUNTY shall have no liability under this Agreement to VENDOR or to anyone else beyond funds appropriated and available for this Agreement.

ARTICLE 5. PROCUREMENT OF AGREEMENT

VENDOR represents and warrants that no person or selling agency has been employed or retained by VENDOR to solicit or secure this Agreement upon an agreement or upon an understanding for a commission, percentage, a brokerage fee, contingent

fee or any other compensation. VENDOR further represents and warrants that no payment, gift or thing of value has been made, given or promised to obtain this or any other agreement between the parties. VENDOR makes such representations and warranties to induce the COUNTY to enter into this Agreement and the COUNTY relies upon such representations and warranties in the execution hereof.

For a breach or violation of such representations or warranties, the COUNTY shall have the right to annul this Agreement without liability, entitling the COUNTY to recover all monies paid hereunder and VENDOR shall not make claim or be entitled to recover, any sum or sums otherwise due under this Agreement. This remedy, if effected, shall not constitute the sole remedy afforded the COUNTY for such falsity or breach, nor shall it constitute a waiver of the COUNTY's right to claim damages or otherwise refuse payment or to take any other action provided for by law or pursuant to this Agreement.

ARTICLE 6. CONFLICT OF INTEREST

VENDOR represents and warrants that neither it nor any of its directors, officers, members, partners or employees, have any interest nor shall they acquire any interest, directly or indirectly which would or may conflict in any manner or degree with the performance or rendering of the SERVICES herein provided. VENDOR further represents and warrants that in the performance of this Agreement, no person having such interest or possible interest shall be employed by it and that no elected official or other officer or employee of the COUNTY, nor any person whose salary is payable, in whole or in part, by the COUNTY, or any corporation, partnership or association in which such official, officer or employee is directly or indirectly interested shall have any such interest, direct or indirect, in this Agreement or in the proceeds thereof, unless such person (1) if required by the Orange County Ethics Law as amended from time to time, to submit a Disclosure form to the Orange County Board of Ethics, amends such Disclosure Form to include their interest in this Agreement, or (2) if not required to complete and submit such a disclosure form, said person must either voluntarily complete and submit said Disclosure form disclosing their interest in this Agreement or seek a formal opinion from the Orange County Ethics Board as to whether or not a conflict of interest exists.

For a breach or violation of such representations or warranties, the COUNTY shall have the right to annul this Agreement without liability, entitling the

COUNTY to recover all monies paid hereunder and VENDOR shall not make claim for, or be entitled to recover, any sum or sums otherwise due under this Agreement. This remedy, if elected, shall not constitute the sole remedy afforded the COUNTY for such falsity or breach, nor shall it constitute a waiver of the COUNTY's right to claim damages or otherwise refuse payment to or to take any other action provided for by law in equity or, pursuant to this Agreement.

ARTICLE 7. FAIR PRACTICES

VENDOR and each person signing on behalf of the VENDOR represents, warrants and certifies under penalty of perjury, that to the best of their knowledge and belief:

A. The prices in this Agreement have been arrived at independently by VENDOR without collusion, consultation, communication, or agreement with any other bidder, proposer or with any competitor as to any matter relating to such prices which has the effect of, or has as its purpose, restricting competition;

B. Unless otherwise required by law, the prices which have been quoted in this Agreement and on the proposal or quote submitted by VENDOR have not been knowingly disclosed by VENDOR prior to the communication of such quote to the COUNTY or the proposal opening directly or indirectly, to any other bidder, proposer or to any competitor; and

C. No attempt has been made or will be made by VENDOR to induce any other person, partnership, corporation or entity to submit or not to submit a proposal or quote for the purpose of restricting competition.

The fact that VENDOR (i) has published price lists, rates, or tariffs covering items being procured (ii) has informed prospective customers of proposed or pending publication of new or revised price lists for such items, or (iii) has provided the same items to the other customers at the same prices being bid or quote, does not constitute, without more, a disclosure within the meaning of this Article 7.

ARTICLE 8. INDEPENDENT CONTRACTOR

In performing the SERVICES and incurring expenses under this Agreement, VENDOR shall operate as,

and have the status of, an independent contractor and shall not act as agent, or be an agent, of the COUNTY. As an independent contractor, VENDOR shall be solely responsible for determining the means and methods of performing the SERVICES and shall have complete charge and responsibility for VENDOR's personnel engaged in the performance of the same.

In accordance with such status as independent contractor, VENDOR covenants and agrees that neither it nor its employees or agents will hold themselves out as, nor claim to be officers or employees of the COUNTY, or of any department, agency or unit thereof by reason hereof, and that they will not, by reason hereof, make any claim, demand or application to or for any right or privilege applicable to an officer or employee of the COUNTY including, but not limited to, Worker's Compensation coverage, health coverage, Unemployment Insurance Benefits, Social Security coverage or employee retirement membership or credit.

ARTICLE 9. ASSIGNMENT AND SUB-CONTRACTING

VENDOR shall not assign any of its rights, interest or obligations under this Agreement, or subcontract any of the SERVICES to be performed by it under this Agreement, without the prior express written consent of the County Executive of the COUNTY. Any such subcontract, assignment, transfer, conveyance, or other disposition without such prior consent shall be void and any SERVICES provided thereunder will not be compensated. Any subcontract or assignment properly consented to by the COUNTY shall be subject to all of the terms and conditions of this Agreement.

Failure of VENDOR to obtain any required consent to any assignment, shall be grounds for termination for cause, at the option of the COUNTY and if so terminated, the COUNTY shall thereupon be relieved and discharged from any further liability and obligation to VENDOR, its assignees or transferees, and all monies that may become due under this Agreement shall be forfeited to the COUNTY except so much thereof as may be necessary to pay VENDOR's employees for past service.

The provisions of this clause shall not hinder, prevent, or affect any assignment by VENDOR for the benefit of its creditors made pursuant to the laws of the State of New York.

This Agreement may be assigned by the COUNTY to any corporation, agency, municipality or

instrumentality having authority to accept such assignment.

ARTICLE 10. BOOKS AND RECORDS

VENDOR agrees to maintain separate and accurate books, records, documents and other evidence and accounting procedures and practices which sufficiently and properly reflect all direct and indirect costs of any nature expended in the performance of this Agreement.

ARTICLE 11. RETENTION OF RECORDS

VENDOR agrees to retain all books, records and other documents relevant to this Agreement for six (6) years after the final payment or termination of this Agreement, whichever later occurs. COUNTY, or any State and/or Federal auditors, and any other persons duly authorized by the COUNTY, shall have full access and the right to examine any of said materials during said period.

ARTICLE 12. AUDIT BY THE COUNTY AND OTHERS

All invoices presented for payment to be made hereunder, and the books, records and accounts upon which said invoices are based are subject to audit by the COUNTY. VENDOR shall submit any and all documentation and justification in support of expenditures or fees under this Agreement as may be required by the COUNTY so that it may evaluate the reasonableness of the charges, and VENDOR shall make its records available to the COUNTY upon request. All books, forms, records, reports, cancelled checks and any and all similar material may be subject to periodic inspection, review and audit by the COUNTY, the State of New York, the federal government, and/or other persons duly authorized by the COUNTY. Such audits may include examination and review of the source and application of all funds whether from the COUNTY and State, the federal government, private sources or otherwise. VENDOR shall not be entitled to any interim or final payment under this Agreement if any audit requirements and/or requests have not been satisfactorily met.

ARTICLE 13. INSURANCE

For all of the SERVICES set forth herein and as hereinafter amended, VENDOR shall maintain or

cause to be maintained, in full force and effect during the term of this Agreement, at its expense, a Worker's Compensation insurance, liability insurance covering personal injury and property damage, and other insurance with stated minimum coverages, all as listed below. Such policies are to be in the broadest form available on usual commercial terms and shall be written by insurers of recognized financial standing satisfactory to the COUNTY who have been fully informed as to the nature of the SERVICES to be performed. Except for Worker's Compensation and professional liability, the COUNTY shall be an additional insured on all such policies with the understanding that any obligations imposed upon the insured (including, without limitation, the liability to pay premiums) shall be the sole obligation of VENDOR and not those of the COUNTY. Notwithstanding anything to the contrary in this Agreement, VENDOR irrevocably waives all claims against the COUNTY for all losses, damages, claims or expenses resulting from risks commercially insurable under this insurance described in this Article 13. The provisions of insurance by VENDOR shall not in any way limit VENDOR's liability under this Agreement.

<u>Type of Coverage</u>	<u>Limit of Coverage</u>

Disability	Statutory
Employer's Liability	\$500,000 ea. accident \$500,000 disease ea. employee \$500,000 disease policy limit

Professional Liability (If commercially available for your profession)	\$1,000,000 aggregate \$1,000,000 each claim

VENDOR will provide COUNTY with certificates of insurance evidencing VENDOR's compliance with these requirements prior to execution of this Agreement by COUNTY.

Each policy of insurance shall contain clauses to the effect that (i) such insurance shall be primary without right of contribution of any other insurance carried by or on behalf of the COUNTY with respect to its interests, (ii) it shall not be cancelled, including, without limitation, for non-payment of premium, or materially amended, without fifteen (15) days prior written notice to the COUNTY, directed to the COUNTY's Risk Management Division and the Department Head and the COUNTY shall have the option to pay any necessary premiums to keep such insurance in effect and charge the cost back to VENDOR.

To the extent it is commercially available, each policy of insurance shall be provided on an "occurrence" basis. If any insurance is not so commercially available on an "occurrence" basis, it shall be provided on a "claims made" basis, and all such "claims made" policies shall provide that:

A. Policy retroactive dates coincide with or precede VENDOR's start of the performance of this Agreement (including subsequent policies purchased as renewals or replacements);

B. If the insurance is terminated for any reason and/or for at least three (3) years following final acceptance of the SERVICES, VENDOR will maintain an extended reporting provision and/or similar insurance for the period of performance plus three (3) years from the date of such termination or final acceptance.

C. Immediate notice shall be given to the COUNTY through the Department Head and the COUNTY's Risk Management Division of circumstances or incidents that might give rise to future claims with respect to the SERVICES performed under this Agreement.

ARTICLE 14. INDEMNIFICATION

If this Agreement is terminated in whole or in part for other than the convenience of the COUNTY, any SERVICES procured by the COUNTY to complete the SERVICES herein will be charged to VENDOR and/or set off against any sums due VENDOR.

Notwithstanding any other provision of this Agreement, VENDOR shall not be relieved of liability to the COUNTY for damages sustained by the COUNTY by virtue of VENDOR's breach of this Agreement or failure to perform in accordance with applicable standards, and the COUNTY may withhold payments to VENDOR for the purposes of set-off until such time as the exact amount of damages due to the COUNTY from VENDOR is determined.

The rights and remedies of the COUNTY provided herein shall not be exclusive and are in addition to any other rights and remedies provided by law or this Agreement.

ARTICLE 17. GENERAL RELEASE

The acceptance by VENDOR or its assignees of the final payment under this Agreement, whether by judgment of any court of competent jurisdiction or

Intervention Narrative

Federal Government Fitness Guidelines for children and adolescents recommends that children require 60 or more minutes of physical activity every day. The most successful programs whose aim is to achieve this goal are those that meet the interests of their community, are fun, and offer variety.

This method goes hand in hand with the Department of Physical Education, West Point, NY. As former instructor, it was not only our goal to help cadets reach a fitness level that would make them successful in the Armed Services, but also to expose them to other “lifetime” sports/activities in an effort to promote physical fitness as a lifetime endeavor.

While operating on a very small budget, our goal in the City of Newburgh Recreation Department is to provide sports/activities that will reach the largest number of people. As we stand today, the Newburgh Steelers and Goldbacks provide football, Newburgh Cal Ripken and the Newburgh Nuclears provide baseball, and the Pumas, Chavos, and Armory provide soccer. With those areas firmly taken care of, we have decided to focus our efforts on basketball.

The program that we will implement is “The City Newburgh Basketball Program. With our initial Healthy Orange grant, in 2015, we implemented a citywide basketball league in Newburgh. However, we realized that in order to reach our SMART goal of 60 minutes of physical activity 2 days per week, the league would have to evolve into a much more comprehensive program, which we did with our Healthy Orange Interventions Grant in 2017. This program encompassed not only basketball game play, but also individual skills assessment and development, which motivated participants to stay more engaged and assisted in increasing our SMART goal for 2017 to **90% of all participation will maintain a minimum of 60 minutes of physical activity at least 3 days per week from June through December 2017**. We would like to continue with this momentum into 2019 and reach out to communities throughout Orange County to participate in our program.

The biggest detractor that we found to participant engagement was skill level. The better players achieved our goals, while lesser skilled players may or may not have. As a result, we have added a preseason clinic and a post-season summer camp. The preseason clinic will allow us to get a baseline assessment of participants and assist in making the teams more even competitively for the summer league. The week-long summer basketball camp, will immediately follow the summer league and give participants an opportunity to work on skills that they and their coaches identified as needing improvement and get them ready for the fall basketball league.

The program will be open to boys and girls throughout Orange County. The grade divisions will be K-2nd, 3rd-4th, 5th-6th, 7th-8th, Junior Varsity, and Varsity. Each division will have six to eight teams with twelve players per team for a total of 430 to 575 participants. Each team will have one practice per week, as well as one game per week. Practices will be geared towards individual and team improvement.

Our goals are to teach children the fundamentals of basketball, have them successfully apply what they learned in a live game setting, and provide our players with 60 minutes of physical activity three days per week. Additionally, we hope that we will stimulate players to seek out five more days of physical activity on their own using having the practice skills and drills that we teach them at home and track their progress.

Monitoring and Evaluation

1. Since our objective is to have our participants achieve 60 minutes of physical activity for a minimum of 3 days per week, our first measuring tool will be our weekly sessions that we have with the participants. We will ensure that our practices are 75 to 90 minutes in duration in order to account for participants arriving late. We will also ensure that practice plans encourage maximum time on task and limits that time that participants stand in lines or watch demonstrations. Finally, there will be mandatory levels of participation in our games, so that players are not sitting for an entire session.
2. Secondly, we will have strict accountability of participants through the use of attendance sheets. Our attendance sheets will also account for each participant's arrival and departure in order to get an accurate evaluation.
3. Next, we will provide each participant will take-home drills and logbooks to track completion. This will allow participants to make up for missed sessions. It can also give participants additional days of physical activity as they work towards one day achieving an entire week. Since our program is focused on basketball, coaches will be sure to carefully select drills that will not only enhance the player's skill development, but also be able to be done outside of the gym setting. Although it is easy for participants to falsify completion of drills in their logbook, we feel that coaches will be able to verify the validity of a participant's logbook through their progress in drills and the program as a whole.

Subject to subdivisions E and F below, reimbursement shall be made upon approval by UCS of a Claim for Payment submitted to UCS by MUNICIPALITY as described in subdivision D below, in a format approved by UCS and the Office of the State Comptroller.

D. No later than thirty (30) days after the end of every quarter during which this Agreement is in effect, MUNICIPALITY shall submit a Claim for Payment to UCS, showing the actual expenses incurred by MUNICIPALITY during the immediately preceding quarter and the amount of reimbursement claimed. Such Claim for Payment shall include the certification referred to in Section V above and a certification that MUNICIPALITY is in compliance with the Maintenance and Operations standards set forth in 22 NYCRR Parts 34.1 and 34.2. Upon receipt and approval of the Claim for Payment, UCS shall certify said Claim for Payment to the State Comptroller for payment of the amount of reimbursement approved by UCS for payment to MUNICIPALITY. Nothing contained herein shall increase the maximum amount payable to MUNICIPALITY as set forth in Section VI above and in the Appendix B applicable to the Period.

E. Notwithstanding any other provision of this Agreement, MUNICIPALITY shall not be reimbursed for the costs of any services performed pursuant to this Agreement under the following circumstances:

(1) UCS has performed an inspection of the COURT FACILITIES pursuant to Section IV above, and MUNICIPALITY has failed to correct a violation within twenty-four (24) hours after receiving written notice thereof or within such other amount of time as was mutually agreed upon, in writing, by the parties; or,

(2) The need for the services performed pursuant to this Agreement is due to MUNICIPALITY's failure to follow the Maintenance and Operation Standards for Court Facilities set forth in 22 NYCRR Parts 34.1 and 34.2, as determined by UCS; or,

(3) The services performed pursuant to this Agreement will be undertaken in lieu of replacement of a building system that, in accordance with MUNICIPALITY's normal and usual policies, procedures and practice, should be replaced; or

(4) Except as provided in subdivision F of this section, the services performed were not approved for reimbursement pursuant to subdivision A or B of this Section during the New York State fiscal year for which the Claim for Payment is submitted; or

(5) Pursuant to the New York State laws, rules and regulations to which MUNICIPALITY is subject, and to MUNICIPALITY's own normal and usual policies, procedures and practices, the services to be performed pursuant to this Agreement are being or could be bonded;

F. Notwithstanding that such cost was not approved in advance by UCS pursuant to subdivision A or B of this section, MUNICIPALITY may be reimbursed for the cost of services performed pursuant to Section III (C) of this Agreement up to the amount of \$15,000 during each Period of this Agreement.

MUNICIPALITY shall submit a request for reimbursement of the cost of such services on a standard Claim for Payment to UCS showing an itemized account of the services performed and the costs thereof. Upon receipt and approval of the Claim for Payment UCS shall certify said Claim for Payment to the State Comptroller for payment thereof to MUNICIPALITY.

VIII. AUDITING OF BOOKS

Financial records of MUNICIPALITY pertaining to this Agreement shall be retained by MUNICIPALITY for a minimum of six (6) years after the expiration of this Agreement.

B. The UCS shall be entitled to recover any amounts paid to MUNICIPALITY, which are subsequently disallowed pursuant to a final audit.

New York State Unified Court System
Appendix A
Standard Clauses for all Contracts

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, "the contract" or "this contract") agree to be bound by the following clauses which are hereby made a part of the contract (the word "Contractor" herein refers to any party other than the State, whether a contractor, licensor, licensee, lessor, lessee, or any other party):

1. **EXECUTORY CLAUSE.** In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.
2. **NON-ASSIGNMENT CLAUSE.** In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State's previous written consent and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller's approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with the State. The contractor may, however, assign its right to receive payments without the State's prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.
3. **COMPTROLLER'S APPROVAL.** In accordance with Section 112 of the State Finance Law, if this contract exceeds \$50,000.00, or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds \$10,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. However, such pre-approval shall not be required for any contract established as a centralized contract through the Office of General Services or for a purchase order or other transaction issued under such centralized contract.
4. **WORKER'S COMPENSATION BENEFITS.** In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.
5. **NON-DISCRIMINATION REQUIREMENTS.** To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, sex (including gender identity or expression), national origin, sexual orientation, military status, age, disability, predisposing genetic characteristics, marital status or domestic violence victim status. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration, or repair of any public building or public work, or for the manufacture, sale, or distribution of materials, equipment, or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors, shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract, as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, national origin, age, sex, or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of \$50.00 per person per day for any violation of Section 220-e or Section 239, as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.
6. **WAGE AND HOURS PROVISIONS.** If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements,

including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-a of Section 220 of the Labor Law shall be a condition precedent to payment by the State of any State approved sums due and owing for work done upon the project.

7. **NON-COLLUSIVE BIDDING REQUIREMENT.** In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.
8. **INTERNATIONAL BOYCOTT PROHIBITION.** In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds \$5,000.00, the Contractor agrees, as material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition or appeal (2 NYCRR 105.4).
9. **SET OFF RIGHTS.** The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies, or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Comptroller.
10. **RECORDS.** The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, "the Records"). The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the State's right to discovery in any pending or future litigation.
11. **IDENTIFYING INFORMATION AND PRIVACY NOTIFICATION.**

(a) IDENTIFICATION NUMBER(S).

Every invoice or New York State Claim for Payment submitted to a New York State agency by a payee, for payment for the sale of goods or services or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property must include the payee's identification number. The number is any or all of the following: (i) the payee's Federal employer identification number, (ii) the payee's Federal social security number, and/or (iii) the payee's Vendor Identification Number assigned by the Statewide Financial System. Failure to include such number or numbers may delay payment. Where the payee does not have such number or numbers, the payee, on its invoice or Claim for Payment, must give the reason or reasons why the payee does not have such number or numbers.

(b) PRIVACY NOTIFICATION.

(1) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to the State is mandatory. The principal purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law.

(2) The personal information is requested by the purchasing unit of the agency contracting to purchase the goods or services or lease the real or personal property covered by this contract or lease. The information is maintained in the Statewide Financial System by the Vendor Management Unit within the Bureau of State Expenditures, Office of the State Comptroller, 110 State Street, Albany, New York 12236.

12. **CONFLICTING TERMS.** In the event of a conflict between the terms of the contract (including any and all attachments thereto and amendments thereof) and the terms of this Appendix A, the terms of this Appendix A shall control.
13. **GOVERNING LAW.** This contract shall be governed by the laws of the State of New York except where the Federal supremacy clause requires otherwise.
14. **LATE PAYMENT.** Timeliness of payment and any interest to be paid to Contractor for late payment shall be governed by Article XI-A of the State Finance Law to the extent required by law.
15. **NO ARBITRATION.** Disputes involving this contract, including the breach or alleged breach thereof, may not be submitted to binding arbitration (except where statutorily authorized) but must, instead, be heard in a court of competent jurisdiction of the State of New York.
16. **SERVICE OF PROCESS.** In addition to the methods of service allowed by the State Civil Practice Law & Rules ("CPLR"), Contractor hereby consents to service of process upon it by registered or certified mail, return receipt requested. Service hereunder shall be complete upon Contractor's actual receipt of process or upon the State's receipt of the return thereof by the United States Postal Service as refused or undeliverable. Contractor must promptly notify the State, in writing, of each and every change of address to which service of process can be made. Service by the State to the last known address shall be sufficient. Contractor will have thirty (30) calendar days after service hereunder is complete in which to respond.
17. **PROHIBITION ON PURCHASE OF TROPICAL HARDWOODS.** The Contractor certifies and warrants that all wood products to be used under this contract award will be in accordance with, but not limited to, the specifications and provisions of Section 165 of the State Finance Law, (Use of Tropical Hardwoods) which prohibits purchase and use of tropical hardwoods, unless specifically exempted, by the State or any governmental agency or political subdivision or public benefit corporation. Qualification for an exemption under this law will be the responsibility of the contractor to establish to meet with the approval of the State.
- In addition, when any portion of this contract involving the use of woods, whether supply or installation, is to be performed by any subcontractor, the prime Contractor will indicate and certify in the submitted bid proposal that the subcontractor has been informed and is in compliance with specifications and provisions regarding use of tropical hardwoods as detailed in §165 State Finance Law. Any such use must meet with the approval of the State; otherwise, the bid may not be considered responsive. Under bidder certifications, proof of qualification for exemption will be the responsibility of the Contractor to meet with the approval of the State.
18. **PROCUREMENT LOBBYING.** To the extent this agreement is a "procurement contract" as defined by State Finance Law Sections 139-j and 139-k, by signing this agreement the contractor certifies and affirms that all disclosures made in accordance with State Finance Law Sections 139-j and 139-k are complete, true and accurate. In the event such certification is found to be intentionally false or intentionally incomplete, the State may terminate the agreement by providing written notification to the Contractor in accordance with the terms of the agreement.
