RE: Emergency Procurement Authorization - 82 Clinton Street Building Collapse & Demolition

Mr. Donat,

During the morning of Friday, October 25, 2019, the City was contacted by the owner of 80 Clinton Street who had observed an overnight collapse of the east wall of the two story brick garage structure which adjoins his lot to the west. I was alerted to this condition at approximately 9:54am the same day, and I arrived on the site at approximately 10:00am to assess site conditions. While on site, I observed numerous structural deficiencies in the subject garage located at the rear of 82 Clinton Street. The west facing wall of the two story brick garage structure was intact, but was deflected inwards towards the interior of the garage. I accessed the east facing wall through the yard of the neighboring property located at 80 Clinton Street. I observed that the east wall had partially collapsed into the rear yard of 80 Clinton Street. Bricks, soil/ash, and automotive related debris was scattered throughout the neighboring lawn area. I observed step-cracking in the portions of the brick wall that remained intact above the collapsed area. The previous owners had installed structural steel on the interior of the building to support a failed wooden roof structure. This previously installed structural steel is supported by steel columns located along the interior of the east and west facing walls. The base plate of the steel column located at the midpoint of the building along the east wall was observed to be completely unsupported and "floating" over the concrete slab as observed from the exterior of the building through the collapse in the east facing wall. The removal of the supporting footing and slab from below this column has transferred a large tributary area of the roof loads to the remains of the unstable brick wall over the area of the collapse on the east side of the building. A significant bulge also exists in the area of the brick wall that remains intact along the east side of the building which indicates that soil pressure below the slab area is pushing this wall outwards leading to further settlement of the concrete slab on the interior of the garage which may lead to further destabilization

of the other remaining steel columns actively supporting the roof structure. Limited observation of the interior of the building through the garage doors revealed numerous hazardous substances including propane tanks, petroleum products, typical automotive related fluids and chemicals, and other unknown materials buried below piles of debris and trash located on the interior of the garage. The presence of oxyacetylene tanks could not be ruled out by the City due to the inability to conduct a thorough interior investigation. The Fire Department was contacted to advise the neighbors and to delineate the collapse zone within the neighboring yards with caution tape. The City's Fire Department contacted New York Fire and Department of Homeland Security to seek advice on the removal of hazardous substances from within the interior of the garage area. Crews from State Fire & DHS flew a drone over the roof of the property to gather additional information. The City has also contacted Quality Environmental Solutions (QUEST) to commence the process of developing a work plan for the safe removal and proper disposal of the hazardous materials and to draft a request to the New York State Department of Labor for a variance to demolish the building with asbestos in-place. The neighboring property owner at 84 Clinton Street has also been advised of the situation and has been ordered to vacate the structure ahead of the planned demolition of 82 Clinton Street. The City is currently awaiting the receipt of both the NYSDOL variance and contractor quotes for the emergency demolition of this structure.

It is my recommendation that due to the potential danger to life, health, safety and property, the City Manager immediately issue an emergency declaration to authorize the funds and execute the contracts necessary to immediately demolish the structure, and to properly secure and dispose of any hazardous materials, including contaminated soils, associated with the demolition.

Sincerely,

Jason C. Morris, PE

SUBJECT: 82 Clinton Street, City of Newburgh
ORDER TO DEMOLISH

Following a review of the building file and a field inspection of the rear garage at 82 Clinton Street on October 28, 2019; below are my findings and conclusions:

The building is a two-story garage of ordinary construction including brick walls on a brick and stone foundation that has been used primarily for storage by the residents at 82 Clinton up until the date that the property was acquired by the City of Newburgh as the result of failing to pay property taxes. Prior to that, it was known to be used in several capacities including an unlicensed motor vehicle repair shop. As you are aware, the building suffered a partial collapse sometime on or before October 25, 2019. Presently, it is evident that the remaining exterior walls are deflecting or shifting in a manner that could result in a complete collapse of the building.

The building in its present condition poses an immediate threat to public safety and subsequently has been condemned. I hereby order you as the owner to obtain all required permits and New York State Department of Labor variances and move forward with the emergency demolition of the rear garage at 82 Clinton Street without delay.

THIS AGREEMENT, made this 13th day of November, 2019 between GORICK CONSTRUCTION CO., INC., having its office at 27 TRACK DRIVE, BINGHAMTON, NY 13904, hereinafter referred to as the "CONTRACTOR" and the City of Newburgh, a MUNICIPAL CORPORATION of the STATE OF NEW YORK, having its office at 83 Broadway., Newburgh, New York, hereinafter referred to as the "City."

W I T N E S S E T H

WHEREAS, the City, its employees or agents have been authorized by an order of the City filed in the office of the City of Engineers on November 13, 2019 to go in and upon the premises owned by The City of Newburgh located at 82 Clinton St Newburgh, NY 12550 in the City of Newburgh, New York, and to remove the debris and to fill in the abandoned foundation located upon said premises, and

WHEREAS, the Contractor is engaged in the business of demolishing buildings; and

WHEREAS, the City desires to engage the Contractor herein to demolish said buildings and/or fill in abandoned foundation and

WHEREAS, the parties hereto desire to enter into an agreement with respect thereto.

NOW, THEREFORE, in consideration of the promises and other good valuable consideration, it is agreed between the parties, as follows:

1. The Contractor agrees to perform work in the outlined QuE ST bid documents supplied for bidding guidelines. All possible Hazardous materials will be packaged and removed to an offsite premises owned by the City in the City of Newburgh, New York, and to remove all the non-hazardous materials and debris from the razing of the buildings and structures, as is more particularly described in the specifications for building demolition.

2. The Contractor agrees, after he has demolished and taken down said buildings and

structures and removed all the materials and debris and/or fill in foundation there from, to grade the premises and to leave the same in a "broom clean" condition.

3. The Contractor agrees to provide all the labor, materials and equipment necessary to accomplish the foregoing and to contact all utility companies necessary and provide for the discontinuance of service to the said buildings and structures, in accordance with the requirements of all authorities having jurisdiction thereof.

4. The Contractor agrees that he will maintain and provide adequate protection of the area and will not create any hazardous condition during the course of the demolition and taking down of the buildings and structures and removing of the materials from the premises.

5. The Contractor agrees to commence the work hereunder immediately upon the execution of this agreement and complete all the work including the grading and removing of all the materials, on or before DECEMBER 31, 2019.

6A. At all times during the progress of the work, the Contractor shall, at his own cost and expense carry insurance in a solvent insurance company authorized to do business in the State of New York, which will indemnify and insure him and the owner and the City of Newburgh against all liability for injury and death to persons and damage to property which may be occasioned directly or indirectly as a result of the performance of this contract by the Contractor, his agent servants, employees and sub-contractors, with a minimum of \$300,000.00 for personal injury and death and \$50,000.00 for damage to property. The City of Newburgh shall be named as an insured party on the insurance policy. Contractor shall provide a copy of the insurance certificate prior to the start of construction.

6B. Contractor is bound and agrees herewith to be bound to pay contractor's

employees in accordance with New York State Dept. of Labor wage scales, now currently in force or as may be amended until project completion and acceptance by the City.

6C. At all times during the performance of the work the Contractor shall carry and maintain Workmen's Compensation Insurance for all employees, laborers and other persons engaged in the performance of each stage of the work in accordance with, and pursuant to, the provisions and requirements of the Workmen's Compensation Law of the State of New York.

7. That the consideration for the performance of the work herein specified by the Contractor is the sum of \$114,000 to be paid by the City upon completion of the work after inspection and approval of the City Engineer

8. The Contractor acknowledges that GORICK CONSTRUCTION CO., INC. is an independent contractor and not an employee or agent of the City.

9. This agreement shall be binding upon the respective heirs, assigns and successors of the parties hereto.

IN WITNESS WHEREOF, the parties hereto have hereunto set their hands and seals the day and year first above written.

I just spoke with Rudy on the tank that was found.

I understand to that the City will have the tank cleaned and ready for recycling.

We will excavate, remove and dispose of the tank for a lump sum price of \$985.

This price doesn't include any off site soil disposal in the event we find contaminated soil beneath the tank.

Let me know if this works for you or you have any questions or concerns.

Thanks

Re.: 82 Clinton Street, Newburgh, NY 12550 (Garage Building)
Request for Proposal – Variance Develop/Submission, Specification/Bidding, Asbestos Abatement Monitoring & Management Services, Soil Sampling and Waste Disposal Classification.

Dear Mr. Morris,

Quality Environmental Solutions & Technologies, Inc. (QuES&T) is pleased to submit the attached proposal to: 1) Prepare and submit a Site-Specific Variance to NYSDOL ESU; 2) Prepare a Specification with Bid Documents outlining the scope of work and Conduct Onsite Walkthrough w/Prospective Bidders to secure pricing for the project; 3) provide Asbestos Abatement Monitoring & Management Services during controlled demolition abatement and, 4) provide soil/ash sampling to determine soil contamination and disposal classification.

QuES&T is a NYS Certified Minority Business Enterprise committed to remaining a leader in the environmental training and technical consulting industry. **QuES&T's** extensive Nuclear Power Industry experience makes us uniquely qualified to provide technical support in state-of-the-art techniques for engineering and contamination control. Additionally, this experience enables us to integrate the essential concepts of "critical path" schedules and minimizing personnel exposures while maintaining a high level of attention to the specific details of each project. **QuES&T** personnel satisfy numerous ANSI and NUREG experience requirements of the Nuclear Regulatory Commission. Our staff has served in various capacities in the Health Physics and Nuclear Engineering disciplines in operational power reactors, nuclear powered vessels, radio-pharmaceuticals and government prototypes.

We are confident you recognize that selection of a qualified technical consultant for professional services, such as pre-construction inspection, project design, project management and air monitoring, represents a step as critical as selecting a reputable environmental remediation contractor. **QuES&T** feels strongly that the success of any remediation project is defined primarily in the planning and design phase. A technically sound project design combined with proper oversight provides the most cost-effective solution and ensures the gains recognized are not at the expense of future liability to the City of Newburgh.

In this regard, **QuES&T** has successfully completed remediation projects, for our client companies, in support of Nuclear and Fossil commercial power plant maintenance outages, facility renovation and demolition, cGMP facility upgrades, recovery from contamination following catastrophic events (e.g. steam line explosions, fires), school building renovations, Corporate asbestos management programs, facility Operations & Maintenance (O&M) programs, UST removals, sub-surface investigations, contaminated soil remediation, LBP stabilization and commercial/residential asbestos & lead abatements.

Technical consulting services are available in the area of regulatory compliance audits, OSHA safety, air monitoring, respiratory protection, laboratory services, building hazard assessments (EPA, HUD, commercial), LBP Risk Assessments, management plans, NYS/NESHAP pre-demolition inspections and full scope project management; including development of remediation response actions and management of all required project and personnel records. Our staff of experienced environmental professionals can prepare all required specifications and procedures to ensure your programs comply with federal, state and municipal regulatory requirements.

QuES&T offers a wide range of OSHA and environmental safety training. Our full range of asbestos safety certification training ensures that our client's employees receive the appropriate training to maximize their safety and minimize your liability. **QuES&T** offers accredited initial and refresher training programs for Operations & Maintenance (O&M), Asbestos Abatement Workers and Supervisors, Project Monitors, Asbestos Project Sampling Technicians (RH-II), Asbestos Project Designers, Asbestos Inspectors (RH-III) and Management Planners. Our accredited training facility (EPA, NYS) contains the most modern equipment to support the hands-on portion of each training program. On-site training services are available for groups of at least twenty-five students and can be tailored to meet the specific needs of the City of Newburgh.

QuES&T provides a full range of services in the area of Respiratory Protection. Our technical staff has extensive experience in the development of regulatory compliance programs for NUREG 0041 and OSHA 1910.134 Respiratory Protection Programs. Quantitative or qualitative respirator fit services can be provided at **QuES&T's** facility or yours.

For additional information concerning this submittal, please contact us at (845) 298-6031. We look forward to working with the City of Newburgh in the environmental consulting and remediation services area.

RE: Emergency Procurement Authorization - 82 Clinton Street Building Collapse & Demolition

Mr. Donat,

During the morning of Friday, October 25, 2019, the City was contacted by the owner of 80 Clinton Street who had observed an overnight collapse of the east wall of the two story brick garage structure which adjoins his lot to the west. I was alerted to this condition at approximately 9:54am the same day, and I arrived on the site at approximately 10:00am to assess site conditions. While on site, I observed numerous structural deficiencies in the subject garage located at the rear of 82 Clinton Street. The west facing wall of the two story brick garage structure was intact, but was deflected inwards towards the interior of the garage. I accessed the east facing wall through the yard of the neighboring property located at 80 Clinton Street. I observed that the east wall had partially collapsed into the rear yard of 80 Clinton Street. Bricks, soil/ash, and automotive related debris was scattered throughout the neighboring lawn area. I observed step-cracking in the portions of the brick wall that remained intact above the collapsed area. The previous owners had installed structural steel on the interior of the building to support a failed wooden roof structure. This previously installed structural steel is supported by steel columns located along the interior of the east and west facing walls. The base plate of the steel column located at the midpoint of the building along the east wall was observed to be completely unsupported and "floating" over the concrete slab as observed from the exterior of the building through the collapse in the east facing wall. The removal of the supporting footing and slab from below this column has transferred a large tributary area of the roof loads to the remains of the unstable brick wall over the area of the collapse on the east side of the building. A significant bulge also exists in the area of the brick wall that remains intact along the east side of the building which indicates that soil pressure below the slab area is pushing this wall outwards leading to further settlement of the concrete slab on the interior of the garage which may lead to further destabilization

of the other remaining steel columns actively supporting the roof structure. Limited observation of the interior of the building through the garage doors revealed numerous hazardous substances including propane tanks, petroleum products, typical automotive related fluids and chemicals, and other unknown materials buried below piles of debris and trash located on the interior of the garage. The presence of oxyacetylene tanks could not be ruled out by the City due to the inability to conduct a thorough interior investigation. The Fire Department was contacted to advise the neighbors and to delineate the collapse zone within the neighboring yards with caution tape. The City's Fire Department contacted New York Fire and Department of Homeland Security to seek advice on the removal of hazardous substances from within the interior of the garage area. Crews from State Fire & DHS flew a drone over the roof of the property to gather additional information. The City has also contacted Quality Environmental Solutions (QUEST) to commence the process of developing a work plan for the safe removal and proper disposal of the hazardous materials and to draft a request to the New York State Department of Labor for a variance to demolish the building with asbestos in-place. The neighboring property owner at 84 Clinton Street has also been advised of the situation and has been ordered to vacate the structure ahead of the planned demolition of 82 Clinton Street. The City is currently awaiting the receipt of both the NYSDOL variance and contractor quotes for the emergency demolition of this structure.

It is my recommendation that due to the potential danger to life, health, safety and property, the City Manager immediately issue an emergency declaration to authorize the funds and execute the contracts necessary to immediately demolish the structure, and to properly secure and dispose of any hazardous materials, including contaminated soils, associated with the demolition.

Sincerely,

Jason C. Morris, PE
City Engineer

DATE: October 28, 2019

SUBJECT: 82 Clinton Street, City of Newburgh
ORDER TO DEMOLISH

Following a review of the building file and a field inspection of the rear garage at 82 Clinton Street on October 28, 2019; below are my findings and conclusions:

The building is a two-story garage of ordinary construction including brick walls on a brick and stone foundation that has been used primarily for storage by the residents at 82 Clinton up until the date that the property was acquired by the City of Newburgh as the result of failing to pay property taxes. Prior to that, it was known to be used in several capacities including an unlicensed motor vehicle repair shop. As you are aware, the building suffered a partial collapse sometime on or before October 25, 2019. Presently, it is evident that the remaining exterior walls are deflecting or shifting in a manner that could result in a complete collapse of the building.

The building in its present condition poses an immediate threat to public safety and subsequently has been condemned. I hereby order you as the owner to obtain all required permits and New York State Department of Labor variances and move forward with the emergency demolition of the rear garage at 82 Clinton Street without delay.

RESOLUTION NO.: _____ - 2019

OF

DECEMBER 9, 2019

**A RESOLUTION AUTHORIZING THE CITY MANAGER TO EXECUTE A CONTRACT
WITH M.J. ENGINEERING AND LAND SURVEYING, P.C. FOR PROFESSIONAL
ENGINEERING SERVICES FOR DETERMINING THE LEGAL LOAD ADEQUACY
FOR THE MILL STREET BRIDGE SCOUR REPAIR PROJECT
(BIN#2223610) AND (BIN #2223670) AT A COST OF \$20,000.00**

WHEREAS, a Project for the Mill Street Bridge Scour Repair (BIN#2223610) in the City of Newburgh, Orange County, PIN S4124 (the "Project") is eligible for funding under Section 14-k of the New York State Transportation Law Multi-Modal Program; and

WHEREAS, on August 8, 2008, the City of Newburgh entered into a Master Agreement with the New York State Department of Transportation ("NYSDOT") to fund pavement and sidewalk replacement in the amount of \$200,000.00 in connection with the Project; and

WHEREAS, by Resolution No. 218-2017 of August 14, 2017, the City Council authorized the City Manager to execute Supplemental Agreement No. 1 to the Master Agreement with the NYSDOT in the amount of \$200,000.00 in connection the Project; and

WHEREAS, by Resolution No. 239-2018 of September 10, 2018, the City Council authorized the City Manager to a contract with M.J. Engineering and Land Surveying, P.C. for professional engineering services for the evaluation and design of the existing sidewalks at a cost of \$35,200.00 in connection with the Project (BIN#2223610) and (BIN #2223670); and

WHEREAS, M.J. Engineering and Land Surveying, P.C. has submitted a proposal to perform a load rating analysis for the Mill Street Bridge in connection with the Project; and

WHEREAS, funding shall be reimbursed through the NYSDOT Multi-Modal No. 3 program in the amount of \$20,000.00 and derived from CG.5120.0400.3507.2018 - Pavement & Sidewalk_Mill St. Bridge Multi-Modal; and

WHEREAS, this Council has determined that authorizing the City Manager to execute a contract with M.J. Engineering and Land Surveying, P.C. is in the best interests of the City of Newburgh;

NOW, THEREFORE, BE IT RESOLVED, by the City Council of the City of Newburgh, New York that the City Manager be and he hereby is authorized to execute a contract with M.J. Engineering and Land Surveying, P.C. for professional engineering services for determining the legal load adequacy for the Mill Street Bridge Scour Repair Project (BIN#2223610) and (BIN #2223670) in the City of Newburgh, Orange County, PIN S4124 at a cost of \$20,000.00.

RE: Legal Load Adequacy Determination
Load Testing of Mill Street Bridges
Proposal for Services

Mr. Morris:

M. J. Engineering and Land Surveying, P. C. (MJ) is pleased to provide the City of Newburgh (the City) this proposal for Determining the Legal Load Adequacy for Mill Street over CSX (BIN 2223670) and Quassaick Creek (BIN2223610) via Proof Load Testing.

PROJECT UNDERSTANDING

Based upon our involvement in the project to date, MJ has the following project understanding:

1. This task is intended to determine if both Mill Street structures are capable of carrying full legal loads. If results identify otherwise, MJ will provide a recommended Load Posting for each of the structures.
2. The City requires documentation of Load Capacity prior to opening the bridge to vehicular traffic.
3. MJ will coordinate the Proof Load Testing procedure utilizing City DPW provided dump trucks with certified axle weights for the load testing. The limits of these tests are based upon available structural information and existing structure condition.
4. MJ will produce a Legal Load Adequacy/Testing Report for the City.

Based upon the above project understanding, MJ offers the following Scope of Services:

SCOPE OF SERVICES – BRIDGE LOAD RATING

Task 1: Review of current inspection and load rating information

This task will involve a NYSDOT BIN folder review of current inspection reports, As-built plans and previous load rating efforts. Also review any repair work or modifications to the structures from their As-built condition. MJ will conduct a one-day field review (walking and binocular level) of the structure to confirm the existing conditions.

Task 2: Design of Load Test

MJ proposes to conduct load tests on both structures to determine the Legal Load Adequacy of the bridges. These load tests will be conducted in conformance with the Federal Highway Administration's Transportation Research Board's Manual for Bridge Load Rating Through Load Testing. Both bridges (BIN 2223670 - single span prestressed box beam structure and BIN 2223610 - 6 span masonry arch structure) will be load tested using a proof load testing methodology.

The structure is loaded with known loads and the structural members are monitored for deflection. If the deflection is at or below a predicted value, larger loads can be applied. This is repeated until full legal loads plus an appropriate safety factor are applied.

Task 3: Conduct the Load Test

MJ will provide a survey crew to instrument the bridges and to measure structure deflection as the tests are conducted. The survey crew will be on site for 2 days. The first will be to establish vertical control and mount targets. The second day will be to measure deflections during the load tests.

On load test day, the bridge tests will be conducted separately. Mill Street over CSX (BIN 2223670) will be tested first. This is because, in general, pre-stressed box beams would tend to lose capacity before a large masonry arch would. Should a box beam not respond appropriately to any applied load below full legal load, the dumps trucks loading the arch bridge would only be able drive on to the bridge from one direction and then back off. The box beams will be loaded with trucks of certified axle weights and the survey crew will measure any deflection. At each loading, the deflections will be compared to the expected response. That result will determine if the process can proceed. Once it is determined that the box beams can withstand full legal load plus a safety factor, the testing will move to the arch structure.

The arch structure will be loaded with trucks with certified axle weights. Because of the continuous nature of the arches the load test will require multiple trucks on the bridge at the same time. Once the bridge is loaded, deflection measurements are taken by the survey crew, and if they are acceptable, the bridge is reloaded with heavier trucks. This continues over several cycles until the safety factor loading is achieved.

Task 4: Review Load Test Results and Calculate Final Legal Load Adequacy

Upon completion of the Load Test, MJ will review the field measurements and determine if they align with the anticipated deflection. The Legal Load Adequacy will then be determined. Once the Legal Load Adequacy is determined, a posting recommendation will be developed if necessary. MJ will deliver a Load Testing Report that will detail the entire Load Testing process. The product of the report will be the stamped Legal Load Adequacy. This report will be submitted to the City and the NYSDOT Region 8 Office for insertion into the BIN folder and Bridge Inventory System.

TECHNICAL ASSUMPTIONS

The following technical assumptions apply to this scope of work:

1. Bridge conditions will not differ significantly from that detailed in the latest inspection report. If current conditions are noted in the field that potentially affect load transfer or carrying ability of the superstructure, MJ will be required to perform a “hands on” inspection prior to conducting the load test.
2. The “hands on” inspection is not included in this scope of work.
3. Should the BIN folder review reveal a previously calculated Level 1 Load Rating for either bridge, the Legal Load Adequacy calculation/testing methodology may change. This is currently not reflected in the scope of work.
4. It is assumed that footings, piers, abutments, bearings, pedestals, etc. are in satisfactory condition to transmit superstructure loads.
5. The load testing and instrumentation will be conducted from Mill Street. There will be no conflict with CSX railroad.
6. The City will provide dump trucks with certified axle weights in such a quantity that load tests can be performed on a continuous basis.
7. Work Zone traffic control (bridge closure two days) will be performed by the City.
8. Load test will be conducted in dry weather.

SCHEDULE

The following schedule is being proposed:

December 3-4, 2019	Review current inspection reports and load rating information
December 5, 2019	Field visit to confirm condition
January 2020	Develop load test for both bridges
March 2020	Perform load test
April 2020	Analyze load test results and calculate final load rating. Submit to City and NYSDOT.

FEE

MJ proposes a lump sum fee of \$20,000 to accomplish the work identified in this proposal.

RE: Emergency Procurement Authorization - 82 Clinton Street Building Collapse & Demolition

Mr. Donat,

During the morning of Friday, October 25, 2019, the City was contacted by the owner of 80 Clinton Street who had observed an overnight collapse of the east wall of the two story brick garage structure which adjoins his lot to the west. I was alerted to this condition at approximately 9:54am the same day, and I arrived on the site at approximately 10:00am to assess site conditions. While on site, I observed numerous structural deficiencies in the subject garage located at the rear of 82 Clinton Street. The west facing wall of the two story brick garage structure was intact, but was deflected inwards towards the interior of the garage. I accessed the east facing wall through the yard of the neighboring property located at 80 Clinton Street. I observed that the east wall had partially collapsed into the rear yard of 80 Clinton Street. Bricks, soil/ash, and automotive related debris was scattered throughout the neighboring lawn area. I observed step-cracking in the portions of the brick wall that remained intact above the collapsed area. The previous owners had installed structural steel on the interior of the building to support a failed wooden roof structure. This previously installed structural steel is supported by steel columns located along the interior of the east and west facing walls. The base plate of the steel column located at the midpoint of the building along the east wall was observed to be completely unsupported and "floating" over the concrete slab as observed from the exterior of the building through the collapse in the east facing wall. The removal of the supporting footing and slab from below this column has transferred a large tributary area of the roof loads to the remains of the unstable brick wall over the area of the collapse on the east side of the building. A significant bulge also exists in the area of the brick wall that remains intact along the east side of the building which indicates that soil pressure below the slab area is pushing this wall outwards leading to further settlement of the concrete slab on the interior of the garage which may lead to further destabilization

of the other remaining steel columns actively supporting the roof structure. Limited observation of the interior of the building through the garage doors revealed numerous hazardous substances including propane tanks, petroleum products, typical automotive related fluids and chemicals, and other unknown materials buried below piles of debris and trash located on the interior of the garage. The presence of oxyacetylene tanks could not be ruled out by the City due to the inability to conduct a thorough interior investigation. The Fire Department was contacted to advise the neighbors and to delineate the collapse zone within the neighboring yards with caution tape. The City's Fire Department contacted New York Fire and Department of Homeland Security to seek advice on the removal of hazardous substances from within the interior of the garage area. Crews from State Fire & DHS flew a drone over the roof of the property to gather additional information. The City has also contacted Quality Environmental Solutions (QUEST) to commence the process of developing a work plan for the safe removal and proper disposal of the hazardous materials and to draft a request to the New York State Department of Labor for a variance to demolish the building with asbestos in-place. The neighboring property owner at 84 Clinton Street has also been advised of the situation and has been ordered to vacate the structure ahead of the planned demolition of 82 Clinton Street. The City is currently awaiting the receipt of both the NYSDOL variance and contractor quotes for the emergency demolition of this structure.

It is my recommendation that due to the potential danger to life, health, safety and property, the City Manager immediately issue an emergency declaration to authorize the funds and execute the contracts necessary to immediately demolish the structure, and to properly secure and dispose of any hazardous materials, including contaminated soils, associated with the demolition.

Sincerely,

Jason C. Morris, PE
City Engineer

SUBJECT: 82 Clinton Street, City of Newburgh
ORDER TO DEMOLISH

Following a review of the building file and a field inspection of the rear garage at 82 Clinton Street on October 28, 2019; below are my findings and conclusions:

The building is a two-story garage of ordinary construction including brick walls on a brick and stone foundation that has been used primarily for storage by the residents at 82 Clinton up until the date that the property was acquired by the City of Newburgh as the result of failing to pay property taxes. Prior to that, it was known to be used in several capacities including an unlicensed motor vehicle repair shop. As you are aware, the building suffered a partial collapse sometime on or before October 25, 2019. Presently, it is evident that the remaining exterior walls are deflecting or shifting in a manner that could result in a complete collapse of the building.

The building in its present condition poses an immediate threat to public safety and subsequently has been condemned. I hereby order you as the owner to obtain all required permits and New York State Department of Labor variances and move forward with the emergency demolition of the rear garage at 82 Clinton Street without delay.

Edmund Starowicz, public works risk management specialist, estarowicz@neami.com; 888-737-6269, ext. 2:

PERMA's first claims modeling project was initiated to determine how to allocate risk management resou
right solutions, in the right place, at the right time. Within the first year, we identified police losses as the
tailored loss control initiatives, and by year two, identified public works as the secondary target. PERMA's
works specialists provide targeted interventions in the highest risk areas, such as EMS and fire assists, lov
mental stress and trauma, traffic control, training-related injuries, and motor vehicle accidents.

Lew and Ed are available to consult with members anytime and provide loss control and risk management
guidance, and services in their respective specialties to PERMA members.

NEW YORK COMPENSATION DISCLOSURE

Insurance producers licensed by the State of New York are authorized by their license to confer with insurance purchasers about the benefits, terms and conditions of insurance contracts; to offer advice concerning the substantive benefits of particular insurance contracts; to sell insurance; and to obtain insurance for purchasers. Our role as an insurance producer in any ordinary transaction typically involves one or more of these activities.

We will receive compensation in the form of commission or fees for assistance with the placement, servicing, claims handling, or renewal of your insurance coverages. Commission compensation will be based on the insurance contract you purchase and may vary depending on a number of factors including the insurance contract(s) and the insurer(s) the purchaser selects. In addition to compensation we will receive, other parties such as excess and surplus lines brokers, wholesale brokers, reinsurance intermediaries, underwriting managers and similar parties, some of which may be owned in whole or in part by Brown & Brown, Inc., may also receive compensation (derived from your premium payments) for their role in providing insurance products or services to you pursuant to their separate contracts with insurance or reinsurance carriers. Additionally, it is possible we, or our corporate parents or affiliates, may receive contingent payments or allowances from insurers based on factors that are not client-specific, such as the performance and/or size of an overall book of business produced with an insurer. That compensation is partially derived from your premium dollars, after being combined (or "pooled") with the premium dollars of other insureds that have purchased similar types of coverage. We generally do not know if a contingent payment will be made by a particular insurer, or the amount of any such contingent payment, until the underwriting year is closed. We may also receive invitations to programs sponsored and paid for by insurance carriers to inform brokers regarding their products and services, including possible participation in company-sponsored events such as trips, seminars, and advisory council meetings, based upon the total volume of business placed with the carrier you select. We may, on occasion, receive loans or credit from insurance companies. Additionally, in the ordinary course of our business, we may receive and retain interest on premiums you pay from the date we receive them until the date premiums are remitted to the insurance company or intermediary. If we assist with placement and other details of arranging for the financing of your insurance premium, we may also receive a fee from the premium finance company.

You may obtain information about compensation expected to be received by us based in whole or part on the sale of insurance to you, and (if applicable) compensation expected to be received based in whole or part on any alternative quotes presented to you by us, by requesting such information from us.

Questions and Information Requests. Should you have any questions, or require additional information, please contact this office at 1-800-247-5521 or, if you prefer, submit your question or request online at <http://www.bbinsurance.com/customerinquiry/>.

PERMA TERMS & CONDITIONS

PERMA Two-Year Policy conditions:

- If the Member seeks to terminate the agreement prior to 1/1/22 a short-rate penalty will apply to the total contribution \$2,520,723.
- A payroll audit will be performed, however, this is only to verify that the exposure estimates are accurate for coding and excess insurance purposes. A change in contribution will not be processed.
- The contribution for Year Two of the contract will depend on the resulting loss experience from 1/1/20 – 11/30/20. For purposes of this calculation, Loss Ratio is defined as incurred losses divided by earned contribution as of 11/30/20.
- In addition to the Year Two contribution indicated above, the member is responsible for the applicable NYS Workers Compensation Board (WCB) Assessments. PERMA is required to collect this on behalf of the WCB and pass through the monies to the WCB when invoiced. The WCB additionally may audit the related payrolls quarterly and adjust the billing as needed.

PERMA miscellaneous conditions:

- The City's safety committee must have all major departments represented, including the Fire Department, and meet at least quarterly. PERMA would like to send representation to several of the meetings to give updates, discuss new initiatives and generally assist in having well run meetings.
- The City shall name and appoint a formal safety coordinator within the first 90 days of joining PERMA. PERMA would like the safety coordinator to complete the initial and advanced safety coordinator training.
- For any workers compensation injuries (other than "notification only" reports), the City must utilize the PERMA incident review form, or another comparable form, and perform root cause analysis reviews regularly, preferable at safety meetings. Copies of the completed forms should be provided to PERMA upon request.
- PERMA's Member Services Department will schedule a meeting with the City six months into the coverage year and yearly afterwards. The purpose of this meeting is to review information that they have on file for the City, which includes a recap of claims and history of the City's experience modification factor, as well as the City's engagement in the PERMA program. This meeting is a way for the City to be face-to-face with a PERMA representative whose role is to maintain the City's satisfaction with the services provided. It is an opportunity for the City to discuss their needs and have an advocate assist in addressing any concerns or questions.
- The City will agree to engage PERMA at or above their member average utilization rate of 23%. Sample types of available programs and activities are included.

Disclaimer

The insurance proposal is prepared based on data furnished by you for our review. It is not to be construed as an exact or complete analysis of the policies or is legal evidence of insurance. It is only a brief outline of your insurance coverage and is for information purposes only. In the event of a difference, the provisions of the policy will prevail. Please read your policy carefully for a thorough understanding of all terms, conditions and exclusions.

You will receive a separate invoice for the estimated New York State assessment shortly. The process for collecting the assessment is explained below, and is required by changes in law. Please take a moment to review the assessment process below.

The law and accompanying rules established by the Workers' Compensation Board require that this assessment be calculated based on your payroll, and remitted to the State on a quarterly basis along with a quarterly payroll report. They have also reserved the right to make adjustments to the assessment rate during the fiscal year. Accordingly, the Comp Alliance will collect the estimated amount based on current payroll and the assessment rate in effect at the time of renewal.

As a member of the Comp Alliance, you are responsible for submitting quarterly payroll reports to the Comp Alliance so that they may accurately report this information to the Workers' Compensation Board when assessment payments are remitted. The regulations require that the payroll reported to the Comp Alliance for each quarter must be consistent with payroll reported to state or federal government agencies for other purposes. The Comp Alliance will notify you of any changes in the assessment rate. **The amount of your estimated assessment may change based on your quarterly payroll or a change in rates by the Workers' Compensation Board.**

AT PRIVATE SALE TO JOSE PALOMINO FOR THE AMOUNT OF \$5,000.00**

WHEREAS, the City of Newburgh has acquired title to several parcels of real property by foreclosure *In Rem* pursuant of Article 11 Title 3 of the Real Property Tax Law of the State of New York; and

WHEREAS, pursuant to Section 1166 of the Real Property Tax Law the City may sell properties acquired by foreclosure *In Rem* at private sale; and

WHEREAS, the City of Newburgh desires to sell 36 Hasbrouck Street, being more accurately described as Section 38, Block 3, Lot 46, on the official tax map of the City of Newburgh; and

WHEREAS, the prospective buyer has offered to purchase this property at private sale; and

WHEREAS, this Council has determined that it would be in the best interests of the City of Newburgh to sell said property to the prospective buyer for the sum as outlined below, and upon the same terms and conditions annexed hereto and made a part hereof;

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Newburgh, New York, that the sale of the property be and hereby is confirmed and the City Manager is authorized and directed to execute and deliver a quitclaim deed to said purchaser upon receipt of the indicated purchase price in money order, good certified or bank check, made payable to **THE CITY OF NEWBURGH**, such sums are to be paid on or before March 13, 2020, being approximately ninety (90) days from the date of this resolution; and

<u>Property address</u>	<u>Section, Block, Lot</u>	<u>Purchaser</u>	<u>Purchase Price</u>
36 Hasbrouck Street	38 - 3 - 46	Jose Palomino	\$5,000.00

BE IT FURTHER RESOLVED, by the Council of the City of Newburgh, New York, that the parcels are not required for public use.

Terms and Conditions Sale

36 Hasbrouck Street, City of Newburgh

(SBL: 38-3-46)

STANDARD TERMS:

1. City of Newburgh acquired title to this property in accordance with Article 11 of the Real Property Tax Law of the State of New York, and all known rights of redemption under said provisions of law have been extinguished by the tax sale proceedings and/or as a result of forfeiture.
2. For purposes of these Terms and Conditions, parcel shall be defined as a section, block and lot number.
3. All real property, including any buildings thereon, is sold "AS IS" and without any representation or warranty whatsoever as to the condition or title, and subject to: (a) any state of facts an accurate survey or personal inspection of the premises would disclose; (b) applicable zoning/land use/building regulations; (c) water and sewer assessments are the responsibility of the purchaser, whether they are received or not; (d) easements, covenants, conditions and rights-of-way of record existing at the time of the levy of the tax, the non-payment of which resulted in the tax sale in which City of Newburgh acquired title; and (e) for purposes of taxation, the purchaser shall be deemed to be the owner prior to the next applicable taxable status date after the date of sale.
4. The properties are sold subject to unpaid school taxes for the tax year of **2019-2020**, and also subject to all school taxes levied subsequent to the date of the City Council resolution authorizing the sale. The purchaser shall reimburse the City for any school taxes paid by the City for the tax year **2019-2020**, and subsequent levies up to the date of the closing. Upon the closing, the properties shall become subject to taxation. Water and sewer charges and sanitation fees will be paid by the City to the date of closing.
5. **WARNING: FAILURE TO COMPLY WITH THE TERMS OF THIS PARAGRAPH MAY RESULT IN YOUR LOSS OF THE PROPERTY AFTER PURCHASE.** The deed will contain provisions stating that the purchaser is required to rehabilitate any building on the property and bring it into compliance with all State, County and Local standards for occupancy within (18) months of the date of the deed. Within such eighteen (18) month time period the purchaser must either: obtain a Certificate of Occupancy for all buildings on the property; make all buildings granted a Certificate of Occupancy before the date of purchase fit for the use stated in such Certificate of Occupancy; or demolish such buildings. The deed shall require the purchaser to schedule an inspection by City officials at or before the end of the eighteen (18) month period. If the purchaser has not complied with the deed provisions regarding rehabilitation of the property and obtained a Certificate of Occupancy or Certificate of Compliance by that time, then the title to the property shall revert to the City of Newburgh. The deed shall also provide that the property shall not be conveyed to any other person before a Certificate of Occupancy or Certificate of Compliance is issued. A written request made to the City Manager for an extension of the eighteen (18) month rehabilitation period shall be accompanied by a non-refundable fee of \$250.00 per parcel for which a request is submitted. The City Manager may, in his sole discretion and for good cause shown, grant one extension of time to rehabilitate of up to, but not to exceed, three (3) months. Any additional request thereafter shall be made in writing and placed before the City Council for their consideration.
6. The City makes no representation as to whether the property is vacant and/or unoccupied. Evictions, if necessary, are solely the responsibility of the purchaser after closing and recording of the deed. The parcel is being sold subject to the City's Vacant Property Ordinance (Chapter 121) and all provisions of law applicable thereto. Within 30 days of closing, the purchaser must register the property and pay any applicable fees or submit an acceptable rehabilitation plan to the Building Department.
7. All purchasers are advised to personally inspect the premises and to examine title to the premises prior to the date upon which the sale is scheduled to take place. Upon delivery of the quitclaim deed by the City of Newburgh to the successful purchaser, any and all claims with respect to title to the premises are merged in the deed and do not survive.

8. No personal property is included in the sale of any of the parcels owned by City of Newburgh, unless the former owner or occupant has abandoned same. The disposition of any personal property located on any parcel sold shall be the sole responsibility of the purchaser following the closing of sale.
9. The City makes no representation, express or implied, as to the condition of any property, warranty of title, or as to the suitability of any for any particular use or occupancy. Property may contain paint or other similar surface coating material containing lead. Purchaser shall be responsible for the correction of such conditions when required by applicable law. Property also may contain other environmental hazards. Purchaser shall be responsible for ascertaining and investigating such conditions prior to bidding. Purchaser shall be responsible for investigating and ascertaining from the City Building Inspector's records the legal permitted use of any property prior to closing. Purchaser acknowledges receipt of the pamphlet entitled "Protecting Your Family from Lead in Your Home." Purchaser also acknowledges that he/she has had the opportunity to conduct a risk assessment or inspection of the premises for the presence of lead-based paint, lead-based paint hazards or mold.
10. The entire purchase price and all closing costs/fees must be paid **by Purchaser** by money order or guaranteed funds to the City of Newburgh Comptroller's Office by the date listed in the approved City Council Resolution, notwithstanding any extensions of time granted pursuant to terms contained herein ("Closing Deadline"). Such closing costs/fees may include, but are not limited to: recording fees, tax adjustments as of the day of closing, fuel oil adjustments, and applicable condominium charges (e.g. monthly maintenance charges, assessment charges, transfer buy-in fees, and/or closing package ordering fees). *The City of Newburgh does not accept credit card payments for the purchase price and closing costs/fees. The City is not required to send notice of acceptance or any other notice to a purchaser.*
11. Provided that the sale is not subject to an owner-occupancy restriction as set forth in paragraph 20, the purchaser, as grantee, may take title as a natural person or as an entity wherein purchaser is an officer or managing member of said entity. If purchaser takes title as an entity, purchaser must provide an affidavit listing all of the members or shareholders of said entity, their addresses, their phone numbers, and their percentage ownership stake in the entity. Purchaser must have at least a fifty-one (51%) ownership stake in said entity in order for said entity to take title.
12. The City Manager may, in his sole discretion and for good cause shown, grant one extension of time to close title of up to, but not to exceed, sixty (60) additional days from the Closing Deadline. No request shall be entertained unless in writing, stating the reasons therefor, and unless accompanied by a fee of \$250.00 per parcel for which a request is submitted. The fee shall be in addition to all other fees and deposits and shall not be credited against the purchase price and shall not be returnable. Any additional request made thereafter shall be made in writing and placed before the City Council for its consideration.
13. In the event that a sale is cancelled by court order, judgment, the Comptroller or the Newburgh City Council, the purchaser shall be entitled only to a refund of the purchase money paid. Purchaser agrees that he shall not be entitled to special or consequential damages, attorney's fees, reimbursement for any expenses incurred as a result of ownership, improvements of property, or for taxes paid during period of ownership, and this agreement by the purchaser is a material condition of the sale.
14. Sale shall be final, absolute and without recourse once title is conveyed on the actual day of closing. In no event, shall City of Newburgh be or become liable for any defects in title for any cause whatsoever, and no claim, demand or suit of any nature shall exist in favor of the purchaser, his heirs, successors or assigns, against City of Newburgh arising from this sale.
15. Conveyance shall be by quitclaim deed only, containing a description of the property as it appeared on the tax roll for the year upon which the City acquired title or as corrected up to date of deed. The deed will be recorded by the City upon payment in full of the purchase price, tax reimbursements, buyer's premium (if applicable), and closing fees/costs. Possession of property is forbidden until the deed is recorded conveying title to the purchaser. **Title vests upon conveyance of deed.**
16. Upon closing, the City shall deliver a quitclaim deed conveying all of its right, title and interest in the subject property, which deed shall be drawn by the City Corporation Counsel. The City shall not convey its interest in any street, water, sewer or drainage easement, or any other interest the City may have in the property. The City shall only convey that interest obtained by the City pursuant to the judgment rendered in an *in rem* tax foreclosure action filed in the Orange County Clerk's Office.

17. The description of the property shall be from the City of Newburgh Tax Map reference or a survey description certified to the City of Newburgh. Any survey description shall be provided to the City Corporation Counsel by the purchaser at least thirty (30) days in advance of closing title and approved by the City's Engineer.
18. By acknowledging and executing these Terms & Conditions, the purchaser certifies that he/she is not representing the former owner(s) of the property against whom City of Newburgh foreclosed and has no intent to defraud City of Newburgh of the unpaid taxes, assessment, penalties and charges which have been levied against the property. The purchaser agrees that neither he/she nor his/her assigns shall convey the property to the former owner(s) against whom City of Newburgh foreclosed within 24 months subsequent to the Closing Deadline date. If such conveyance occurs, purchaser understands that he/she may be found to have committed fraud, and/or intent to defraud, and will be liable for any deficiency between the purchase price at auction and such sums as may be owed to City of Newburgh as related to the foreclosure on the property and consents to immediate judgment by City of Newburgh for said amounts.
19. In the event that Seller engaged the services of a New York State Licensed Real Estate Broker in connection with this sale, Seller shall pay said Broker any commission earned pursuant to a separate agreement between Seller and Broker.
20. Within ten (10) business days of approval of sale by the City of Newburgh, the purchaser shall tender a non-refundable downpayment in the amount of **(\$1,000.00)** payable to "City of Newburgh" by money order or guaranteed funds to the City of Newburgh Comptroller's Office. At closing, the downpayment amount shall be credited against the purchase price.

ACKNOWLEDGED AND AGREED

Mayor Torrance Harvey & Members of Council,

I am writing to you requesting your support and affirmation of my request to purchase 36 Hasbrouck Street in the City of Newburgh. As you might know, I am a lifelong City resident and a firefighter in the Newburgh Fire Department. Currently, I am assigned to the Office of Fire Prevention working closely with the Building Department and Code Enforcement.

I am highly familiar with the challenges and difficulties of renovating older City buildings. I have made several visits to the property to determine the scope of work. Although it is a challenging renovation, I am confident that I have the resources and ability to successfully complete the project. In my estimation, the repairs will include: structural repairs to ensure stability; possible realignment of the rooms for a more up-to-date layout; all new mechanicals, electrical and plumbing systems; all new interior finishes and fixtures and exterior renovations including siding and windows. I believe with a lot of do-it-yourself labor and the assistance of my friends and family I can complete the renovation for around \$60,000.

I am extremely committed to the revitalization of Newburgh and even more excited about this project because I have promised that this home will be a residence for another City employee who has struggled with housing affordability most of her adult life. Her presence on the block and in the neighborhood will have the same effect and benefits of an owner-occupied home and will continue to bring stabilization and revitalization to Hasbrouck Street.

I look forward to your support and am extremely excited to move forward with this project at 36 Hasbrouck Street.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jose A. Palomino', with a stylized flourish at the end.

both the buyer and seller that the agent is acting for the other party as well. The agent should also explain the possible effects of dual representation, including that by consenting to the dual agency relationship the buyer and seller are giving up their right to undivided loyalty. A buyer or seller should carefully consider the possible consequences of a dual agency relationship before agreeing to such representation. A seller or buyer may provide advance informed consent to dual agency by indicating the same on this form.

Dual Agent with Designated Sales Agents

If the buyer and seller provide their informed consent in writing, the principals and the real estate broker who represents both parties as a dual agent may designate a sales agent to represent the buyer and another sales agent to represent the seller to negotiate the purchase and sale of real estate. A sales agent works under the supervision

of the real estate broker. With the informed consent of the buyer and the seller in writing, the designated sales agent for the buyer will function as the buyer's agent representing the interests of and advocating on behalf of the buyer and the designated sales agent for the seller will function as the seller's agent representing the interests of and advocating on behalf of the seller in the negotiations between the buyer and seller. A designated sales agent cannot provide the full range of fiduciary duties to the buyer or seller. The designated sales agent must explain that like the dual agent under whose supervision they function, they cannot provide undivided loyalty. A buyer or seller should carefully consider the possible consequences of a dual agency relationship with designated sales agents before agreeing to such representation. A seller or buyer may provide advance informed consent to dual agency with designated sales agents by indicating the same on this form.

Comments: This property has been abandoned for several years, and is in poor condition. All plumbing and heating systems have been removed. The interior of the building has been trashed.

The purchaser is a firefighter for the City of Newburgh. He lives in the City of Newburgh. He plans to renovate this house and rent it to a City employee who has had life-long difficulties finding suitable affordable housing in the City of Newburgh. Not only will Mr. Palomino be helping this employee, he will also be bringing additional stability to neighborhood. The city employee plans to occupy the building on a long-term basis, thereby creating the equivalent owner-occupant living arrangement.

Terms and Conditions Sale

126 Carson Avenue, City of Newburgh (SBL: 45-10-16)

130 Carson Avenue, City of Newburgh (SBL: 45-10-18)

134 Carson Avenue, City of Newburgh (SBL: 45-10-20)

140 Carson Avenue, City of Newburgh (SBL: 45-10-23)

STANDARD TERMS:

1. City of Newburgh acquired title to this property in accordance with Article 11 of the Real Property Tax Law of the State of New York, and all known rights of redemption under said provisions of law have been extinguished by the tax sale proceedings and/or as a result of forfeiture.
2. For purposes of these Terms and Conditions, parcel shall be defined as a section, block and lot number.
3. All real property, including any buildings thereon, is sold "AS IS" and without any representation or warranty whatsoever as to the condition or title, and subject to: (a) any state of facts an accurate survey or personal inspection of the premises would disclose; (b) applicable zoning/land use/building regulations; (c) water and sewer assessments are the responsibility of the purchaser, whether they are received or not; (d) easements, covenants, conditions and rights-of-way of record existing at the time of the levy of the tax, the non-payment of which resulted in the tax sale in which City of Newburgh acquired title; and (e) for purposes of taxation, the purchaser shall be deemed to be the owner prior to the next applicable taxable status date after the date of sale.
4. The properties are sold subject to unpaid school taxes for the tax year of **2019-2020**, and also subject to all school taxes levied subsequent to the date of the City Council resolution authorizing the sale. The purchaser shall reimburse the City for any school taxes paid by the City for the tax year **2019-2020**, and subsequent levies up to the date of the closing. Upon the closing, the properties shall become subject to taxation. Water and sewer charges and sanitation fees will be paid by the City to the date of closing.
5. **WARNING: FAILURE TO COMPLY WITH THE TERMS OF THIS PARAGRAPH MAY RESULT IN YOUR LOSS OF THE PROPERTY AFTER PURCHASE.** The deed will contain provisions stating that the purchaser is required to rehabilitate any building on the property and bring it into compliance with all State, County and Local standards for occupancy within twenty-four (24) months of the date of the deed. Within such twenty-four (24) month time period the purchaser must either: obtain a Certificate of Occupancy for all buildings on the property; make all buildings granted a Certificate of Occupancy before the date of purchase fit for the use stated in such Certificate of Occupancy; or demolish such buildings. The deed shall require the purchaser to schedule an inspection by City officials at or before the end of the twenty-four (24) month period. If the purchaser has not complied with the deed provisions regarding rehabilitation of the property and obtained a Certificate of Occupancy or Certificate of Compliance by that time, then the title to the property shall revert to the City of Newburgh. The deed shall also provide that the property shall not be conveyed to any other person before a Certificate of Occupancy or Certificate of Compliance is issued. A written request made to the City Manager for an extension of the twenty-four (24) month rehabilitation period shall be accompanied by a non-refundable fee of \$250.00 per parcel for which a request is submitted. The City Manager may, in his sole discretion and for good cause shown, grant one extension of time to rehabilitate of up to, but not to exceed, three (3) months. Any additional request thereafter shall be made in writing and placed before the City Council for their consideration.
6. The City makes no representation as to whether the property is vacant and/or unoccupied. Evictions, if necessary, are solely the responsibility of the purchaser after closing and recording of the deed. The parcel is being sold subject to the City's Vacant Property Ordinance (Chapter 121) and all provisions of law applicable thereto. Within 30 days of closing, the purchaser must register the property and pay any applicable fees or submit an acceptable rehabilitation plan to the Building Department.
7. All purchasers are advised to personally inspect the premises and to examine title to the premises prior to the date upon which the sale is scheduled to take place. Upon delivery of the quitclaim deed by the City of Newburgh to the successful purchaser, any and all claims with respect to title to the premises are merged in the deed and do not survive.

8. No personal property is included in the sale of any of the parcels owned by City of Newburgh, unless the former owner or occupant has abandoned same. The disposition of any personal property located on any parcel sold shall be the sole responsibility of the purchaser following the closing of sale.
9. The City makes no representation, express or implied, as to the condition of any property, warranty of title, or as to the suitability of any for any particular use or occupancy. Property may contain paint or other similar surface coating material containing lead. Purchaser shall be responsible for the correction of such conditions when required by applicable law. Property also may contain other environmental hazards. Purchaser shall be responsible for ascertaining and investigating such conditions prior to bidding. Purchaser shall be responsible for investigating and ascertaining from the City Building Inspector's records the legal permitted use of any property prior to closing. Purchaser acknowledges receivership of the pamphlet entitled "Protecting Your Family from Lead in Your Home." Purchaser also acknowledges that he/she has had the opportunity to conduct a risk assessment or inspection of the premises for the presence of lead-based paint, lead-based paint hazards or mold.
10. The entire purchase price and all closing costs/fees must be paid **by Purchaser** by money order or guaranteed funds to the City of Newburgh Comptroller's Office by the date listed in the approved City Council Resolution, notwithstanding any extensions of time granted pursuant to terms contained herein ("Closing Deadline"). Such closing costs/fees may include, but are not limited to: recording fees, tax adjustments as of the day of closing, fuel oil adjustments, and applicable condominium charges (e.g. monthly maintenance charges, assessment charges, transfer buy-in fees, and/or closing package ordering fees). *The City of Newburgh does not accept credit card payments for the purchase price and closing costs/fees.* **The City is not required to send notice of acceptance or any other notice to a purchaser.** At closing, purchaser, as grantee, may take title as a natural person or as an entity wherein purchaser is an officer or managing member of said entity. If purchaser takes title as an entity, purchaser must provide an affidavit listing all of the members or shareholders of said entity, their addresses, their phone numbers, and their percentage ownership stake in the entity. Purchaser must have at least a fifty-one (51%) ownership stake in said entity in order for said entity to take title.
11. The City Manager may, in his sole discretion and for good cause shown, grant one extension of time to close title of up to, but not to exceed, sixty (60) additional days from the Closing Deadline. No request shall be entertained unless in writing, stating the reasons therefor, and unless accompanied by a fee of \$250.00 per parcel for which a request is submitted. The fee shall be in addition to all other fees and deposits and shall not be credited against the purchase price and shall not be returnable. Any additional request made thereafter shall be made in writing and placed before the City Council for its consideration.
12. In the event that a sale is cancelled by court order, judgment, the Comptroller or the Newburgh City Council, the purchaser shall be entitled only to a refund of the purchase money paid. Purchaser agrees that he shall not be entitled to special or consequential damages, attorney's fees, reimbursement for any expenses incurred as a result of ownership, improvements of property, or for taxes paid during period of ownership, and this agreement by the purchaser is a material condition of the sale.
13. Sale shall be final, absolute and without recourse once title is conveyed on the actual day of closing. In no event, shall City of Newburgh be or become liable for any defects in title for any cause whatsoever, and no claim, demand or suit of any nature shall exist in favor of the purchaser, his heirs, successors or assigns, against City of Newburgh arising from this sale.
14. Conveyance shall be by quitclaim deed only, containing a description of the property as it appeared on the tax roll for the year upon which the City acquired title or as corrected up to date of deed. The deed will be recorded by the City upon payment in full of the purchase price, tax reimbursements, buyer's premium (if applicable), and closing fees/costs. Possession of property is forbidden until the deed is recorded conveying title to the purchaser. **Title vests upon conveyance of deed.**
15. Upon closing, the City shall deliver a quitclaim deed conveying all of its right, title and interest in the subject property, which deed shall be drawn by the City Corporation Counsel. The City shall not convey its interest in any street, water, sewer or drainage easement, or any other interest the City may have in the property. The City shall only convey that interest obtained by the City pursuant to the judgment rendered in an *in rem* tax foreclosure action filed in the Orange County Clerk's Office.
16. The description of the property shall be from the City of Newburgh Tax Map reference or a survey description certified to the City of Newburgh. Any survey description shall be provided to the City Corporation Counsel by the purchaser at least thirty (30) days in advance of closing title and approved by the City's Engineer.
17. By acknowledging and executing these Terms & Conditions, the purchaser certifies that he/she is not representing the former owner(s) of the property against whom City of Newburgh foreclosed and has no

intent to defraud City of Newburgh of the unpaid taxes, assessment, penalties and charges which have been levied against the property. The purchaser agrees that neither he/she nor his/her assigns shall convey the property to the former owner(s) against whom City of Newburgh foreclosed within 24 months subsequent to the Closing Deadline date. If such conveyance occurs, purchaser understands that he/she may be found to have committed fraud, and/or intent to defraud, and will be liable for any deficiency between the purchase price at auction and such sums as may be owed to City of Newburgh as related to the foreclosure on the property and consents to immediate judgment by City of Newburgh for said amounts.

18. In the event that Seller engaged the services of a New York State Licensed Real Estate Broker in connection with this sale, Seller shall pay said Broker any commission earned pursuant to a separate agreement between Seller and Broker.
19. Notice is given that all four (4) properties are located within either the East End Historic District or the Colonial Terraces Architectural Design District as designated in the City of Newburgh's current zoning map. This parcel is sold subject to all provision of law applicable thereto. It is the sole responsibility of the purchaser to redevelop such parcel so designated in accordance any additional laws, rules or regulations applicable to those districts.

Comments: The purchaser owns several other properties in the City of Newburgh. He bought four properties from the City of Newburgh—274 First Street, 420 First Street, 182 and 184 Renwick Street—and successfully renovated each of them in a timely manner. (See the “Before and After” photo attachments.)

Mr. McCartney grew up in the City of Newburgh and currently resides in the Town of Newburgh. He and his wife Indora has proven to be responsible and caring landlords. Mr. McCartney will be doing much of the work himself, thereby saving significantly on his repair costs. The plumbing and electrical work will be done by licensed City of Newburgh plumbers and electricians.

These properties have been long neglected and have posed problems for the City of Newburgh to secure and maintain. These four properties have also become problematic for the neighbors, generating numerous complaints to the City over the years. (The City of Newburgh has owned two of these parcels for over 6 years.) They continue to deteriorate more with each passing year. They have been challenging for most contractors because of the interconnected construction of these buildings.

But the McCartneys feel confident in their ability to restore these structures and therefore bring more stability to the surrounding neighborhood. .

RESTRICTIVE COVENANTS AND RIGHT OF RE-ENTRY FROM A DEED
ISSUED TO DUPAR REALTY TO THE PREMISES KNOWN AS
15 SEQUESTERED ROAD (SECTION 7, BLOCK 1, LOT 14)**

WHEREAS, on January 5, 2018, the City of Newburgh conveyed property located at 15 Sequestered Road, being more accurately described on the official Tax Map of the City of Newburgh as Section 7, Block 1, Lot 14, to Dupar Realty; and

WHEREAS, an officer of Dupar Realty has requested a release of the restrictive covenants contained in said deed; and

WHEREAS, this Council believes it is in the best interest of the City of Newburgh to grant such request;

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Newburgh, New York that the City Manager be and he is hereby authorized to execute the release, annexed hereto and made a part of this resolution, of restrictive covenants numbered 1, 2, 3, 4, and 5 of the aforementioned deed.

**RELEASE OF COVENANTS AND
RIGHT OF RE-ENTRY**

KNOWN ALL PERSONS BY THESE PRESENTS, that the City of Newburgh, a municipal corporation organized and existing under the Laws of the State of New York, and having its principal office at City Hall, 83 Broadway, Newburgh, New York 12550, in consideration of TEN (\$10.00) DOLLARS lawful money of the United States and other good and valuable consideration, receipt of which is hereby acknowledged, does hereby release and forever quitclaim the premises described as 15 Sequestered Road, Section 7, Block 1, Lot 14 on the Official Tax Map of the City of Newburgh, from those restrictive covenants numbered 1, 2, 3, 4, and 5 in a deed dated January 5, 2018, from THE CITY OF NEWBURGH to DUPAR REALTY, recorded in the Orange County Clerk's Office on January 22, 2018, in Liber 14352 of Deeds at Page 265 and does further release said premises from the right of re-entry reserved in favor of the City of Newburgh as set forth in said deed.

SUBJECT: 15 Sequestered Road, Release of Restrictive Covenants

With regard to the request related to the release of the restrictive covenants for 15 Sequestered Road owned by Dupar Realty, I conducted an inspection of the property on 11/8/2019 and reviewed the building file in the office. Below are my findings:

There are no open code violations on file in the building record.

I observed no violations either on the property or in the building during my most current inspection of the property.

There are no open permits.

A Rental Registry inspection is not required at this time, as the property is unoccupied and actively being marketed for sale. The new owner will have to ensure compliance with the Rental Registry if the property is not owner occupied.

There is a valid Certificate of Occupancy on file from 1/27/1969 for a Single Family Dwelling.

Thank you.

MEETING DATE: November 21, 2019

SUBJECT: 254 Liberty Street, Request for Extension

Following a review of the building file, a site inspection and speaking to David Kohl, progress on the project at 254 Liberty Street has continued over the last several months.

This is a difficult renovation of a building that was near collapse but has been stabilized and the renovation/rebuild has started. The owner has affirmed that he expects all work on the building to be completed within six months. I believe his request for a six-month extension is reasonable and supported by my office.

TO: Michele Kelson, Corporation Counsel

FROM: William F. Horton, Assistant Fire Chief/Building Inspector

MEETING DATE: November 26, 2019

SUBJECT: 382 Liberty Street, Request for Extension

Following a review of the building file, and speaking to David Kohl, progress on the project has been continuing at a reasonable pace. The owner is working towards completion of the renovation and his request for an extension is reasonable and supported by my office. I would recommend a six-month extension to allow for the owner to complete the renovation.

Thank you.

RESOLUTION NO.: _____ - 2019

OF

DECEMBER 9, 2019

**A RESOLUTION AUTHORIZING APPROVAL OF VARIOUS INSURANCE
POLICIES FOR THE PERIOD OF
JANUARY 1, 2020 TO DECEMBER 31, 2020**

WHEREAS, the City of Newburgh has solicited proposals for insurance coverage for the fiscal year 2020; and

Premium Financing

Arthur J. Gallagher is pleased to offer Premium Financing for our clients.

What is Premium Financing?

Premium financing is a short-term loan that provides premium payment flexibility. By financing, you have the option to spread out your premium payments instead of paying in full at the time of policy purchase or renewal.

Why Premium Financing May be Good for Your Business?

- May improve **capital and cash flow management** by spreading out premium payments over the policy period.
- Allows for **consolidation of** multiple policies into one premium finance agreement with a single monthly or quarterly payment.
- Provides automated **ACH options and flexible payment** terms.

Proposal Disclosures

The following disclosures are hereby made a part of this proposal. Please review these disclosures prior to signing the Client Authorization to Bind or e-mail confirmation.

Proposal Disclaimer

IMPORTANT: The proposal and/or any executive summaries outline certain terms and conditions of the insurance proposed by the insurers, based on the information provided by your company. The insurance policies themselves must be read to fully understand the terms, coverages, exclusions, limitations and/or conditions of the actual policy contract of insurance. Policy forms will be made available upon request. We make no warranties with respect to policy limits or coverage considerations of the carrier.

Compensation Disclosure

1. Gallagher Companies are primarily compensated from the usual and customary commissions, fees or, where permitted, a combination of both, for brokerage and servicing of insurance policies, annuity contracts, guarantee contracts and surety bonds (collectively "insurance coverages") handled for a client's account, which may vary based on market conditions and the insurance product placed for the client.
2. In placing, renewing, consulting on or servicing your insurance coverages, Gallagher companies may participate in contingent and supplemental commission arrangements with intermediaries and insurance companies that provide for additional compensation if certain underwriting, profitability, volume or retention goals are achieved. Such goals are typically based on the total amount of certain insurance coverages placed by Gallagher with the insurance company, not on an individual policy basis. As a result, Gallagher may be considered to have an incentive to place your insurance coverages with a particular insurance company. If you do not wish to have your commercial insurance placement included in consideration for additional compensation, contact your producer or service team for an Opt-out form.
3. Gallagher Companies may receive investment income on fiduciary funds temporarily held by them, or from obtaining or generating premium finance quotes, unless prohibited by law.
4. Gallagher Companies may also access or have an ownership interest in other facilities, including wholesalers, reinsurance intermediaries, captive managers, underwriting managers and others that act as intermediaries for both Gallagher and other brokers in the insurance marketplace some of which may earn and retain customary brokerage commission and fees for their work.

If you have specific questions about any compensation received by Gallagher and its affiliates in relation to your insurance placements, please contact your Gallagher representative for more details.

In the event you wish to register a formal complaint regarding compensation Gallagher receives from insurers or third-parties, please contact Gallagher via e-mail at Compensation_Complaints@ajg.com or by regular mail at:

TRIA/TRIPRA Disclaimer

If this proposal contains options to purchase TRIA/TRIPRA coverage, the proposed TRIA/TRIPRA program may not cover all terrorism losses. While the amendments to TRIA eliminated the distinction between foreign and domestic acts of terrorism, a number of lines of coverage excluded under the amendments passed in 2005 remain excluded including commercial automobile, burglary and theft insurance; surety insurance, farm owners multiple perils and professional liability (although directors and officers liability is specifically included). If such excluded coverages are required, we recommend that you consider purchasing a separate terrorism policy. Please note that a separate terrorism policy for these excluded coverages may be necessary to satisfy loan covenants or other contractual obligations. TRIPRA includes a \$100 billion cap on insurers' aggregate liability.

The TRIPRA program increases the amount needed in total losses by \$20 million each calendar year before the TRIPRA program responds from the 2015 trigger of \$100 million to \$200 million by the year 2020.

TRIPRA is set to expire on December 31, 2020. There is no certainty of extension, thus the coverage provided by your insurers may or may not extend beyond December 31, 2020. In the event you have loan covenants or other contractual obligations requiring that TRIA/TRIPRA be maintained throughout the duration of your policy period, we recommend that a separate "Stand Alone" terrorism policy be purchased to satisfy those obligations.

Property Estimator Disclaimer

These property values were obtained using a desktop Property Estimator software operated by non-appraisal professionals. These property values represent general estimates which are not to be considered a certified appraisal. These property values include generalities and assumptions that may produce inaccurate values for specific structures.

RESOLUTION NO.: _____ - 2019

OF

DECEMBER 9, 2019

**A RESOLUTION AUTHORIZING THE CITY MANAGER TO ENTER INTO
A PUBLIC SAFETY EMERGENCY RADIO COMMUNICATIONS SYSTEM
INTEROPERABILITY AGREEMENT WITH THE COUNTY OF ORANGE**

WHEREAS, Orange County, New York (“County”), through its Department of Emergency Services, is upgrading the current analog public safety emergency radio communications system to a countywide Project 25 interoperable digital trunked radio communications system (“Upgraded P25 System”) to improve communications capabilities within the County by providing radio interoperability during countywide public safety incidents and during cross-jurisdictional incidents among the public safety agencies of the cities, towns, villages, and fire districts in the County and the emergency medical providers in the County (each a “Responder Agency” and collectively “Responder Agencies”); and

WHEREAS, in order to implement and deploy the Upgraded P25 System to promote interoperability among the Responder Agencies, the County will purchase and pay the full cost of certain subscriber equipment, consisting of portable radios, mobile radios, and control stations, for Responder Agencies; and

WHEREAS, the County negotiated and entered into a contract to purchase the Upgraded P25 System equipment and the City of Newburgh, as a Responder Agency, must enter into an agreement with the County establishing the terms and conditions under which it will accept the subscriber equipment for use on the Upgraded P25 System ; and

WHEREAS, this Council has reviewed the attached Interoperability Agreement and determined that entering into such agreement with the County is in the best interests of the City of Newburgh;

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Newburgh, New York that the City Manager be and hereby is authorized to execute the attached Interoperability Agreement between the County of Orange and the City of Newburgh for the implementation and operation of a public safety emergency radio communications system; and to execute all necessary documents to receive and comply with the terms of such Interoperability Agreement and to carry out the program administered thereby.

PUBLIC SAFETY EMERGENCY RADIO COMMUNICATIONS SYSTEM INTEROPERABILITY AGREEMENT

THIS PUBLIC SAFETY EMERGENCY RADIO COMMUNICATIONS SYSTEM INTEROPERABILITY AGREEMENT ("Agreement") is effective as of September 1, 2019 ("Effective Date"), by and between the **COUNTY OF ORANGE**, by and through its Department of Emergency Services ("DES"), a municipal corporation of the State of New York with offices at 22 Wells Farm Road, Goshen, New York 10924 ("County") and **CITY OF NEWBURGH**, a municipal corporation of the State of New York with its principal offices located at 83 Broadway, Newburgh, New York 12550 ("Municipality"). The County and Municipality may each be referred to in this Agreement as a "Party" and collectively, as the "Parties."

RECITALS

WHEREAS, the County, through DES, currently operates a conventional analog public safety emergency radio communications system for its public safety communications within Orange County, New York ("Current Analog Communications System");

WHEREAS, the Current Analog Communications System's capabilities are limited by the inability of all public safety personnel within Orange County, New York to communicate directly with each other when necessary thereby causing gaps in communication during public safety incidents resulting in increased risk to life, safety, and property;

WHEREAS, to address these limitations, the County, through DES, is in the process of upgrading the Current Analog Communications System to a countywide Project 25 interoperable digital trunked radio communications system ("Upgraded P25 System") to improve communication capabilities within Orange County, New York by providing radio interoperability during countywide public safety incidents and during cross-jurisdictional incidents among the various public safety agencies of the cities, towns, villages, and fire districts in Orange County, New York and the emergency medical providers in Orange County, New York (each a "Responder Agency" and collectively, the "Responder Agencies");

WHEREAS, it would benefit the people of both the County and Municipality to implement and deploy the Upgraded P25 System;

WHEREAS, in order to properly implement and deploy the Upgraded P25 System to promote interoperability amongst the various Responder Agencies, the County deems it is necessary and proper to purchase and pay the full cost of certain of the Upgraded P25 System's subscriber equipment for Responder Agencies; and

WHEREAS, subscriber equipment includes: (i) portable radios that are small, lightweight, handheld wireless communication units that contain both a transmitter and a receiver, a self-contained microphone and speaker, a detachable rechargeable battery, and an antenna (each a "Portable" and collectively, "Portables"); (ii) mobile radios that are mounted in a fixed location inside a vehicle (police cruiser, fire truck, ambulance) and like Portables contain both a transmitter and receiver, but unlike Portables connect to the vehicle's power supply and have an external speaker and an external antenna (each a "Mobile" and collectively "Mobiles"); and (iii) control stations that are desktop base station radios mounted in a fixed location (police, fire station or emergency medical service station) containing both a transmitter and a receiver, a self-contained microphone and speaker, and a magnetic mount antenna powered by an external electric power source (110 volt alternating current) (each a "Control Station" and collectively "Control Stations" and together with the Portables and Mobiles, collectively the "P25 Subscriber Equipment");

WHEREAS, the County negotiated and entered into a contract with Motorola Solutions, Inc. ("Motorola") to purchase P25 Subscriber Equipment for use on the Upgraded P25 System ("Motorola Contract"); and

WHEREAS, Municipality, as a Responder Agency, is entering into this Agreement to set forth the terms and conditions under which it is accepting P25 Subscriber Equipment for use on the Upgraded P25 System and undertaking certain obligations and commitments with respect to that P25 Subscriber Equipment.

NOW THEREFORE, the Parties, in consideration of the covenants, agreements, terms, and conditions contained in this Agreement, do agree as follows:

1. RECITALS INCORPORATED. The Recitals set forth above are true and correct and are incorporated into this Agreement as if set forth at length in this Section 1.

2. EQUIPMENT.

a. Provision of Equipment to Municipality. Subject to the terms and conditions of this Agreement, to properly implement and deploy the Upgraded P25 System to promote interoperability amongst the various Responder Agencies (including Municipality), the County will, free of charge or cost to Municipality, within ninety (90) calendar days of the Effective Date, make available to Municipality, in the following manner, that certain P25 Subscriber Equipment listed on Schedule 2(a) ("Equipment"), which schedule is attached to and made a part of this Agreement:

i. Portables. Those Portables and accessories listed on Schedule 2(a) will be made available for pickup by Municipality at the County's DES' offices located at 22 Wells Farm Road, Goshen, New York. Municipality must coordinate pickup of the Portables listed on Schedule 2(a) via email to: radiogroup@orangecountygov.com. Municipality, upon taking possession of the Portables listed on Schedule 2(a), accepts full ownership of those Portables as its own property subject to the terms and conditions set forth in this Agreement.

ii. Mobiles. Those Mobiles listed on Schedule 2(a) will be picked-up by Motorola's authorized installer at the County's DES' offices located at 22 Wells Farm Road, Goshen, New York and such installer will install those Mobiles in Municipality's vehicles. Municipality must coordinate installation of the Mobiles listed on Schedule 2(a) via email to: radiogroup@orangecountygov.com. Municipality accepts full ownership of the Mobiles listed on Schedule 2(a) as its own property subject to the terms and conditions set forth in this Agreement at the time of installation of the Mobiles in Municipality's vehicles by Motorola's authorized installer.

iii. Control Stations.

1. Standalone Control Stations. Those Control Stations listed on Schedule 2(a) that do not require installation by Motorola's authorized installer (standalone control stations requiring no interfaces with other dispatching equipment) will be made available for pickup by Municipality at the County's DES' offices located at 22 Wells Farm Road, Goshen, New York at such time that Municipality picks up its Portables in the manner provided for in Section 2(a)(i) of this Agreement. Municipality, upon taking possession of the Control Stations listed on Schedule 2(a), accepts full ownership of those Control Stations as its own property subject to the terms and conditions set forth in this Agreement.

2. Interfaced Control Stations. Those Control Stations listed on Schedule 2(a) that require installation by Motorola's authorized installer (control stations requiring interfaces with other dispatching equipment) will be picked-up by Motorola's authorized installer at the County's DES' offices located at 22 Wells Farm Road, Goshen, New York and such installer will install those Control Stations in Municipality's dispatching station(s). Municipality must coordinate installation of the Control Stations listed on Schedule 2(a) that require installation by Motorola's authorized installer via email to: radiogroup@orangecountygov.com. Municipality accepts full ownership of the Control Stations listed on Schedule 2(a) that require installation by Motorola's authorized installer as its own property subject to the terms and conditions set forth in this Agreement at the time of installation of the Control Stations in Municipality's dispatch station(s) by Motorola's authorized installer.
- b. Equipment Warranty. The Equipment is covered under *Motorola's Essential Service Warranty*, the cost of which has been prepaid by the County on behalf of Municipality ("Warranty"). The terms and conditions of the Warranty are set forth in Schedule 2(b), which schedule is attached to and made a part of this Agreement. The Warranty period for each of the various types of Equipment is as follows:
 - i. Portables. Those Portables listed on Schedule 2(a) are covered under the Warranty for a period of sixty (60) months calculated from the date of the County's acceptance of the Upgraded P25 System ("Portables Warranty Period").
 - ii. Mobiles and Control Stations. Those Mobiles and Control Stations listed on Schedule 2(a) are covered under the Warranty for a period of twenty-four (24) months calculated from the date of the County's acceptance of the Upgraded P25 System ("Mobiles Warranty Period").
- c. Value of Equipment; Reimbursement for Early Termination. Municipality acknowledges and agrees that the aggregate value of the Equipment together with the Warranty is Five Hundred Ten Thousand Five Hundred Sixty-One Dollars and No Cents (\$510,561.00). In the event that Municipality terminates this Agreement without cause before the end of the fifteen (15) year term of this Agreement, in accordance with Section 6(b) of this Agreement, or in the event that the County terminates this Agreement before the end of the fifteen (15) year term of this Agreement for cause in accordance with Section 6(a) of this Agreement, Municipality shall immediately reimburse the County the entire cost of the Equipment less depreciation. In the event Municipality fails to make such reimbursement, the County may pursue any and all remedies available to it in law or in equity to recover the entire cost of the Equipment less depreciation.
- d. Maintenance and Replacement of Equipment. Following expiration of the applicable Equipment warranty period (Portables Warranty Period or Mobiles Warranty Period), Municipality shall maintain and replace, at its sole cost and expense, the Equipment and from time to time acquire, at its sole cost and expense, such additional P25 Subscriber Equipment as Municipality may deem necessary.
- e. Municipality's Option to Purchase Additional P25 Subscriber Equipment Directly from Motorola at the County's Pricing. The types and quantities of the Equipment allotted to Municipality on Schedule 2(a) is based on Municipality's self-reporting of its subscriber radio equipment needs at the time the County planned the Upgraded P25 System. By execution of this Agreement, Municipality acknowledges that either (a) the Equipment allotted is sufficient for its public safety agencies' operations to achieve the purposes of the countywide Upgraded P25 System; or alternatively, (b) if the quantities or type of the Equipment is no longer sufficient, Municipality may purchase additional P25 Subscriber Equipment for use on the Upgraded P25 System at its sole cost and expense. The County included a provision in the Motorola Contract whereby political subdivisions and fire companies such as Municipality may make additional purchases of

P25 Subscriber Equipment by issuing a purchase order directly to Motorola, provided that Municipality accepts sole responsibility for any payment due Motorola for such purchases by Municipality.

f. Operation of Equipment. Municipality agrees as follows:

- i. Compliance with this Agreement and Laws. The acceptance of the Equipment and all activity of Municipality relating to the Equipment must be in full compliance with the terms and conditions of this Agreement and all applicable federal, state, and local laws, rules and regulations.
- ii. ICS and NIMS Compliance. Municipality's public safety agencies' personnel are fully trained and knowledgeable in the federal Incident Command System (ICS) and National Incident Management System (NIMS) protocols and utilize these management tools for their exercises and emergency responses; and
- iii. Compliance with the County's Plans and Protocols. Municipality will utilize the Upgraded P25 System in accordance with all applicable County plans and protocols, as may be amended from time to time during the term of this Agreement, including, but not limited to the: (A) Automatic Vehicle Locator (AVL) Project Protocol Guidelines; (B) Orange County Fire Mutual Aid Plan; and (C) Orange County Emergency Medical Services Multiple Casualty Incident (MCI) Plan.

g. Transfer of Equipment. Municipality shall, during the term of this Agreement, alone, and only for its own municipal public safety purposes, be permitted to possess and use the Equipment as provided. Municipality shall not, during the term of this Agreement, transfer ownership of the Equipment without the prior written consent of the County.

3. TRAINING. The County will host training sessions in the use of P25 Subscriber Equipment on the Upgraded P25 System for the Responder Agencies.

4. FINANCIAL RECORDS AND AUDITS. Municipality shall maintain records of all its financial transactions, including all expenses and disbursements, which relate to this Agreement. Such records must be kept in accordance with Generally Accepted Accounting Practices (GAAP) and the applicable New York State Records Retention and Disposition Schedule applicable to Municipality, and each transaction must be documented. Such records must be made available to the County for inspection or audit upon the County's request.

5. TERM. The term of this Agreement commences on the Effective Date and continues in full force and effect for a period of fifteen (15) years thereafter, unless it is terminated earlier in accordance with Section 6 of this Agreement.

6. TERMINATION.

a. For Cause.

- i. Default. Either Party's failure to cure a breach of any covenant of such Party in this Agreement within thirty (30) calendar days of written notice from the non-breaching Party will constitute a breach of this Agreement; provided, however, such thirty (30) calendar day cure period will be extended upon the breaching Party's request if deemed by the non-breaching Party to be reasonably necessary to permit the breaching Party to complete the cure, and further provided that the breaching Party shall commence any cure within the thirty (30) calendar day period and thereafter continuously and diligently pursue and complete such cure.

- ii. Remedies. In the event of a default or a breach of this Agreement and after the the time allowed the beaching Party to cure such default, the non-breaching Party may, in addition to all other rights or remedies available to the non-breaching Party under this Agreement, at law, or in equity, terminate this Agreement by giving written notice to the breaching Party, stating the date upon which such termination will be effective.
 - b. Without Cause. In addition to the Parties' right to terminate this Agreement for cause in accordance with Section 6(a) of this Agreement, either Party may terminate this Agreement, without cause, on sixty (60) calendar days' prior written notice to the other Party.
 - c. Effect of Termination. If County terminates this Agreement pursuant to Section 6(a) above for failure of Municipality to comply with any covenant of Municipality in this Agreement or if Municipality terminates this Agreement without cause pursuant to Section 6(b) above, Municipality shall immediately reimburse the County for the entire cost of the Equipment less depreciation in accordance with Section 2(c) of this Agreement. In the event Municipality fails to make such reimbursement, the County may pursue any and all remedies available to it in law or in equity to recover the entire cost of the Equipment less depreciation.
7. INSURANCE. Municipality shall, at its sole cost and expense, procure and maintain, in full force and effect during the term of this Agreement, insurance covering personal injury and property damage, including property damage or destruction of the Equipment. Such policies are to be in the broadest form available on usual commercial terms and must be written by insurers of recognized financial standing satisfactory to the County who have been fully informed as to the nature of this Agreement.
8. INJURY, PROPERTY DAMAGE. Municipality shall be responsible for all damages and/or injury to life or property due to, or resulting from, the activities or omissions of Municipality in connection with the Equipment and its performance of this Agreement. Municipality represents and warrants that it possesses the ability to perform this Agreement.
9. INDEMNIFICATION AND HOLD HARMLESS. To the fullest extent permitted by law, Municipality agrees to protect, indemnify and hold harmless the County and its officials, employees, and agents from and against all claims, actions, damages, liabilities, losses, judgments, penalties, causes of action, suits, costs, or expenses (including reasonable attorneys' fees) (collectively, "Claim"), imposed upon, or incurred by, or asserted against the County and will defend the County and its officials, employees, and agents, at Municipality's sole cost and expense, and at no cost to the County, in any Claim, including appeals, for personal injury to, or death of, any person or loss or damage to property arising out of, or resulting from, the activities or omissions of Municipality or its public safety personnel. These indemnification provisions are for the protection of the County and its respective officials, employees and agents only and do not establish, of itself, any liability to third parties. The provisions of this Section 9 will survive the expiration or the earlier termination of this Agreement and are not limited by any enumeration in this Agreement of required insurance coverage.
10. SEXUAL HARASSMENT CERTIFICATION. Pursuant to the New York State Finance Law §139-l, by execution of this Agreement, Municipality and the individual signing this Agreement on behalf of Municipality certifies, under penalty of perjury, that Municipality has and has implemented a written policy addressing sexual harassment prevention in the workplace and provides annual sexual harassment prevention training to all of its employees. Such policy shall, at a minimum, meet the requirements of Section 201-g of the New York State Labor Law. A model policy and training has been created by the New York State Department of Labor and can be found on its website at:

<https://www.ny.gov/programs/combating-sexual-harassment-workplace>

The County's policy against sexual harassment and other unlawful discrimination and harassment in the workplace can be found on the County's website at:

11. GENERAL PROVISIONS.

a. Notices. Other than communications related to the pickup or initial installation of Equipment as contemplated in Section 2(a) of this Agreement, which are required to be given via email to: radiogroup@orangecountygov.com, all notices, requests, demands, and other communications required or desired to be given under or related to this Agreement must be in writing and given by (i) established express delivery service which maintains delivery records, (ii) hand delivery, or (iii) certified or registered mail, postage prepaid, return receipt requested. Notices are effective upon receipt, or upon attempted delivery if delivery is refused or if delivery is impossible. The notices must be sent to the Parties at the following addresses:

i. As to the County: County of Orange, Department of Emergency Services, 22 Wells Farm Road, Goshen, New York 10924, Attn: Commissioner; and

ii. As to Municipality: City of Newburgh, 83 Broadway, Newburgh, New York 12550 Attention: Mayor.

The County and Municipality may from time to time designate any other address for this purpose by giving written notice to the other Party given in accordance with this Section 11(a).

b. Executory Clause. The County shall have no liability under this Agreement to Municipality or anyone else beyond funds appropriated and available for this Agreement.

c. Independent Contractor. Municipality is an independent contractor, and covenants and agrees that it will neither hold itself out as, nor claim to be an employee, servant or agent of the County, and that it will not make claim, demand, or application to or for any right or privilege applicable to an officer or employee of the County including, but not limited to, workers' compensation coverage, unemployment insurance benefits, social security coverage, or retirement membership or credit.

d. No Third-Party Beneficiaries. This Agreement does not, and is not intended to confer, any rights or remedies upon any person other than the Parties.

e. No Assignment. Municipality shall not assign, sublet, or transfer or otherwise dispose of its interest in this Agreement without the prior written consent of County.

f. Headings for Convenience and Reference Only. Headings of sections and subsections of this Agreement are inserted for convenience and reference purposes only and do not affect in any way the meaning or interpretation of this Agreement.

g. Force Majeure. A Party will not be liable for any failure of or delay in the performance of this Agreement for the period that such failure or delay is due to causes beyond its reasonable control, including but not

limited to acts of God, war, strikes or labor disputes, embargoes, government orders, or any other force majeure event.

- h. No Waiver. No provision of this Agreement will be deemed to have been waived by either Party unless the waiver is in writing and signed by the Party against whom enforcement is attempted.
- i. Modifications. No changes, amendments, or modifications of any of the terms or conditions of this Agreement will be valid unless reduced to writing and signed by the Parties.
- j. Governing Law. The laws of the State of New York, regardless of conflict of law principles will govern this Agreement.
- k. No Arbitration; Venue. Any and all disputes involving this Agreement, including the breach or alleged breach of this Agreement, may not be submitted to arbitration without the prior written consent of the County Executive of the County, but must instead only be heard in the Supreme Court of the State of New York with venue in Orange County, or if appropriate, in federal court in the Southern District of New York, White Plains Division.
- l. Entire Agreement. This Agreement constitutes the entire agreement between the Parties relating to the subject matter of this Agreement and supersedes all prior communications, negotiations, arrangements, and agreements, whether oral or written, between the Parties with respect to the subject matter of this Agreement.
- m. Signatures. A manually signed copy of this Agreement delivered by facsimile, email, or other means of electronic transmission will be deemed to have the same legal force and effect as delivery of an original signed copy of this Agreement.

IN WITNESS WHEREOF, the Parties have executed this Agreement effective as the Effective Date.

SCHEDULE 2(a)

EQUIPMENT

1. Identification of Municipality Equipment. The Equipment comprises of those Portables, Mobiles, and Control Stations identified by model and serial number on the four (4) pages attached to and made a part of this Schedule 2(a) (each an "Equipment Schedule" and collectively, the "Equipment Schedules"). The Equipment Schedules may be amended from time to time. Such amendments will be evidenced by the applicable "Traveler" document in the form set forth in Exhibit 1 to this Schedule 2(a) (each a "Replacement Equipment Traveler"). Each Replacement Equipment Traveler will be executed by the person accepting the Equipment on behalf of the Municipality, which will be an employee of a Municipality for Portables or the installer for Mobiles and Control Stations). Upon execution, each Replacement Equipment Traveler is deemed incorporated into and made a part of this Schedule 2(a).
2. Types of Equipment. The identification of the types of Equipment listed on each Equipment Schedule is identified as follows:
 - a. Portables are identified as Equipment with model numbers in 1000 series; and
 - b. Mobiles and Control Stations are identified as Equipment with model numbers in the 500 series.

SCHEDULE 2(b)

MOTOROLA ESSENTIAL SERVICE WARRANTY

1. **Description of Warranty and Obligations.** The Motorola Essential Service Warranty ("Essential Service") is a prepaid service that includes coverage for internal and external components of Equipment damaged due to a manufacturer's defect. Essential Service reduces unexpected expenses relating to the repair of the Equipment. Essential Service is comprised of: (a) technical support; and (b) Equipment repair with two-way shipping.

- 1.1 **Remote Technical Support Coverage.** Motorola or one of its subcontractors will respond to calls within two (2) hours during the support days. Support hours are 7am to 7pm U.S. central time x 5 business days per week, excluding US holidays, and weekends. In addition, Municipality may contact the Motorola Call Management Center (800-927-2744) and a Motorola representative will log a technical request on Motorola's Case Management System 24x7 on Municipality's behalf.

- 1.2 **Technical Problem Isolation, Analysis and Resolution.** A Motorola representative will: (a) Assess the nature of the problem; (b) Assist and perform problem determination; and (c) Work to achieve problem resolution.

- 1.3 **Repair.** Essential Service provides Municipality with repair services that employs the same test equipment and original Motorola components used in the manufacture of the Equipment. With Essential Service, the Equipment is repaired to ensure full compliance with its specifications, as published by Motorola at the time of delivery of the original Equipment via:

- 1.3.1 Repairs, adjustments and restorations, if appropriate, of any Equipment that malfunctions while being used within the operational and environmental parameters specified by Motorola.

- 1.3.2 Equipment updates, if applicable, as may be released, from time to time, by Motorola in accordance with an Engineering Change Notice.

2. **Motorola Responsibilities.**

- 2.1 **Repair.**

- 2.1.1 **Portables – Motorola Repair Center Service.** Motorola will provide repair or replacement of Portables, at its option, with a five (5) business day in-house turnaround time, provided the Portable is delivered to the repair center by 9:00 a.m. (local repair center time). Repair may include the replacement of parts, or boards with new parts or boards or, at Motorola's option, with functionally equivalent, reconditioned parts, boards, or with a replacement device. All replaced parts, boards or Portables will become the property of Motorola. Turnaround time represents the time a product spends in the repair process; it does not include time in transit, including customs clearance. Business days do not include US holidays or weekends.

- 2.1.2 **Mobiles and Control Stations.**

- 2.1.2.1 **Mobile and Control Stations – Motorola Repair Center Service.** Motorola will provide repair or replacement of Mobiles and Control Stations, at its option, with a five (5) business day in-house turnaround time, provided the Mobile and/or Control Station device is delivered to the repair center by 9:00 a.m. (local repair center time). Repair may include the replacement of parts, or boards with new parts or boards or, at Motorola's option, with functionally equivalent, reconditioned parts, boards, or with a replacement device. All replaced parts, boards or Mobile and/or Control Station devices will become the property of Motorola. Turnaround time represents the time a product spends in the repair

process; it does not include time in transit, including customs clearance. Business days do not include US holidays or weekends.

2.1.2.2 Removal and Reinstallation of Mobiles and Control Stations to Facilitate Motorola Repair Center Service.

2.1.2.2.1 At No Cost to Municipality Subject to Exclusions. Essential Service does not include onsite repair service. Essential Service also does not cover the cost of uninstalling Mobiles and Control Stations from vehicles and dispatch stations or the reinstallation of such Equipment following Essential Service. Subject to the exclusions set forth in Section 4 of this Schedule 2(b) (entitled "*Limitations and Restrictions*"), to further facilitate interoperability by lessening downtime of Mobiles and Control Stations and expediting Warranty repairs of Mobiles and Control Stations, the County, at no cost to Municipality, will pay Motorola's authorized installer at the hourly rate set forth in the County's Motorola Contract to uninstall those Mobiles and Control Stations installed in Municipality's vehicles and/or dispatch stations and to reinstall such Mobiles and Control Stations following Essential Service onsite at Municipality's facility(ies) located in Orange County, New York.

2.1.2.2.2 Additional Costs to Municipality Due To Exclusions. If Municipality contacts Motorola's authorized installer for onsite service pursuant to Section 2.1.2.2.1 above, and Motorola's authorized installer determines that Essential Service is excluded as set forth in Section 4 of this Schedule 2(b) including, but not limited to, misuse of Equipment pursuant to Sections 4.1.5 and 4.1.7 or damage of Equipment pursuant to Sections 4.1.3, 4.1.4, 4.4.12 or 4.1.13, the Municipality shall be solely responsible for all costs and charges of Motorola's authorized installer for such onsite service in accordance with Motorola's standard Time and Materials (T&M) rates.

2.2 Shipping. Motorola will provide two-way shipping when Motorola On-Line (MOL), or MyView Portal is used to initiate a repair. A shipping label will be generated via MOL, MyView Portal, or by contacting the Motorola System Support Center ("Motorola SSC") to initiate the return process.

3 Municipality Responsibilities.

3.1 Serial Numbers. Essential Service requires the identification of Equipment by serial number(s). All Municipality's Equipment is identified by serial number on Schedule 2(a) to the Agreement. Municipality must provide Motorola a complete list, preferably in electronic format, or by completing a Service Order Form (SOF), of all hardware serial numbers to be covered under Essential Service.

3.2 Initiating Repair. When initiating a repair, Municipality must contact Motorola to obtain a Return Material Authorization (RMA) number for each faulty Equipment device. Municipality must label each package correctly with a shipping label generated via MOL, MyView Portal, or the Motorola SSC, and include a completed Return Material Authorization (RMA) for each Equipment device submitted.

3.3 Removing Municipality Data. Municipality is solely responsible for removing from the Equipment any data, or other information that Municipality wishes to destroy or retain prior to sending the Equipment for repair.

4 Limitations and Restrictions

4.1 Exclusions. Municipality will incur additional charges (which charges will not be covered by the County) at the prevailing rates for any of the following activities, which are not covered under the Essential Service:

- 4.1.2 Replacement of consumable parts or accessories, as defined by product, including but not limited to batteries, cables, carrying cases;
- 4.1.3 Repair of problems caused by natural or manmade disasters, including but not limited to fire, theft and floods that would cause internal or external component damage or destruction;
- 4.1.4 Repair of problems caused by third parties' software, accessories or peripherals not approved in writing by Motorola for use with the Equipment;
- 4.1.5 Repair of problems caused by using the Equipment outside of the product's operational and environmental specifications, including improper handling, carelessness or reckless use, or repaired by a third party;
- 4.1.6 Repair of problems caused by unauthorized alterations or attempted repair;
- 4.1.7 Non-remedial work, including but not limited to administration and operator procedures, reprogramming, and operator or user training;
- 4.1.8 Problem determination and/or work performed to repair or resolve issues with non-covered products; for example, any hardware or software products not specifically listed on Schedule 2(a) to the Agreement;
- 4.1.9 Performance of any file backup or restoration;
- 4.1.10 Completion and test of incomplete application programming or system integration if not performed by Motorola and specifically listed as covered under an agreement between the County and Motorola;
- 4.1.11 Software release updates;
- 4.1.12 Accidental damage, chemical or liquid damage, or other damage caused outside of normal Equipment operating specifications; and
- 4.1.13 Cosmetic imperfections that do not affect the functionality of the Equipment.
- 4.2 **Software Support Excluded.** Software support for unauthorized modifications or other misuse of Equipment software is not covered.
- 4.3 **Additional Essential Service Exclusions.** Motorola is not obligated to provide support for any Equipment:
 - 4.3.2 That has been repaired, tampered with, altered or modified (including the unauthorized installation of any software), except by Motorola authorized service personnel;
 - 4.3.3 That has been subjected to unusual physical or electrical stress, abuse, or forces or exposure beyond normal use within the specified operational and environmental parameters set forth in the applicable product specification; or
 - 4.3.4 If Municipality fails to comply with the obligations contained in applicable product purchase agreement(s) and/or the applicable software license agreement and/or Motorola terms and conditions of service.

- 4.4 Additional Costs to Municipality for Exclusions.** Where Equipment is submitted for a repair that is outside the scope of Service, such repair may be quoted by Motorola for additional cost to Municipality (and no cost to the County) in accordance with Motorola's standard Time and Materials (T&M) rates and terms and conditions. Motorola will notify Municipality of any incremental charges related to the exclusions set forth in this Section 4 prior to completing the repair and said repair will be subject to acceptance of the quotation by Municipality

RESOLUTION NO.: 215 - 2016

OF

AUGUST 8, 2016

A RESOLUTION AUTHORIZING THE CITY MANAGER TO EXECUTE A
PARTNERSHIP AGREEMENT WITH THE NEWBURGH ENLARGED CITY SCHOOL
DISTRICT IN CONNECTION WITH THE APPLICATION TO
THE NEW YORK STATE EDUCATION DEPARTMENT
FOR A FAMILY AND COMMUNITY ENGAGEMENT PROGRAM GRANT

WHEREAS, The New York State Education Department is now accepting applications for Family and Community Engagement Program Grants and will award maximum individual grants of \$150,000.00 for school districts, community-based organizations, and other groups to improve family engagement efforts in local communities; and

WHEREAS, the purpose of the Family and Community Engagement Program is to increase the academic achievement and college and career readiness of boys and young men of color and to develop and sustain effective relationships with families toward the goal of success for all students through parent advocacy, incorporating the use of mentors to improve student achievement, or creating outreach material in home languages so families can learn how to enhance school success for their children, beginning at the earliest ages, through high school and beyond; and

WHEREAS, the Newburgh Enlarged City School District is eligible to apply for Family And Community Engagement Program Grants and partnership agreements with local governments and community-based organizations are mandatory as part of the application; and

WHEREAS, the City Council of the City of Newburgh finds that entering into a partnership agreement with the Newburgh Enlarged City School District for the purpose of applying for a new York State Education Department Family and Community Engagement Program Grant is in the best interests of the City of Newburgh and its youth;

NOW, THEREFORE BE IT RESOLVED, by the City Council of the City of Newburgh that the City Manager be and he is hereby authorized to execute a partnership agreement with the Newburgh Enlarged City School District for the purpose of applying for and accepting a New York State Education Department Family and Community Engagement Program Grant in an amount not to exceed \$150,000.00 with a 15% match of applicant funds, private funds or in-kind services; and to execute all such further contracts and documentation and take such further actions as may be appropriate and necessary to accept such grant and administer the programs funded thereby;

I, Katrina Cotton, Deputy City Clerk of the City of Newburgh
hereby certify that I have compared the foregoing with the
original resolution adopted by the Council of the City of
Newburgh at a regular meeting held AUG. 8, 2016
and that it is a true and correct copy of such original.

Witness my hand and seal of the City of
Newburgh this 9th day of AUG. 20 16

RESOLUTION NO.: _____ - 2019

OF

DECEMBER 9, 2019

**A RESOLUTION AUTHORIZING THE CITY MANAGER TO ACCEPT
AN ART WORKS GRANT FROM THE NATIONAL ENDOWMENT OF THE ARTS
IN THE AMOUNT OF \$10,000.00 WITH A \$10,000.00 MATCH
TO CONDUCT A NEWBURGH ARTS AND CULTURAL SURVEY**

WHEREAS, by Resolution No. 21-2019 of January 28, 2019, the City Council of the City of Newburgh authorized the Interim City Manager, on behalf of the Newburgh Arts and Cultural Commission, to apply for an Art Works grant in the amount of \$35,000.00 from the National Endowment of the Arts to conduct an arts and cultural survey; and

WHEREAS, the City, on behalf of the NACC, was awarded a grant in the amount of \$10,000.00, which will be used to conduct the first comprehensive study that inventories and assesses the diverse arts and culture ecology in Newburgh, NY and will be guided by a group of representative advisors and stakeholders who will gather data and create an inventory of the broad range of arts-and-cultural activities and destinations in the City of Newburgh by conducting focus groups and engaging residents from all neighborhoods and communities and the resultant survey will establish a baseline, and in-depth understanding of the City's cultural assets, how people engage with them, and how they can encourage economic, social, and cultural growth in Newburgh in order to enable informed and coordinated decisions by City government, investors, businesses, organizations, and residents for future investment and growth strategies for the City's cultural infrastructure; and

WHEREAS, the grant in the amount of \$10,000.00 requires a match in the amount of \$10,000.00, which shall be derived from donations; and

WHEREAS, this Council has determined that accepting said grant and the donations made in support of the match is in the best interests of the City of Newburgh and its further development;

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Newburgh, New York that the City Manager be and he is hereby authorized to accept an Art Works grant in the amount of \$10,000.00 from the National Endowment of the Arts to conduct an arts and cultural survey; and to execute all such further contracts and documentation and take such further actions as may be appropriate and necessary to apply for such grant; and

BE IT FURTHER RESOLVED, by the Council of the City of Newburgh, New York that the City Manager is authorized to accept said donations for the grant match with the appreciation and thanks of the City of Newburgh.

Unless you are informed otherwise, you must match the NEA funds dollar for dollar.

- All costs included in this budget, whether paid for with NEA funds or your cost share, must be directly allocable to the project activity, allowable, and adequately documented per the [General Terms & Conditions for NEA Awards](#). Actual, allowable expenditures must be reported on all payment requests and financial reports.
- Only include costs expected to be incurred within the period of performance, which can begin no earlier than the earliest allowable start date noted in the guidelines for this NEA funding opportunity. Costs such as salaries, wages, fringe benefits, and administrative overhead may need to be pro-rated to reflect this period.
- Provide a detailed breakdown of any large line items.
- For equipment, clearly note items to be rented or leased versus those to be purchased. For purchases, you must provide specific written justification for items with a unit value of \$5,000 or more, and a useful life of more than one year.
- Do not include unallowable costs such as receptions/parties, alcoholic beverages, cash prizes, construction, visa fees paid to the U.S. Government, unspecified foreign travel, or miscellaneous. Unallowable costs cannot be supported with NEA funds OR with matching funds. Learn more about unallowable costs in the [How to Manage Your NEA Award Handbook](#).
- This budget cannot include overlapping project costs with any other Federal award, or include matching funds originating from a Federal source.

If you are revising your initial application, consider streamlining your project budget to help ease your administrative burden associated with managing a Federal award. See the Project Description block on the next page for more information. Form begins on page 2.

IMPORTANT: All changes are subject to NEA approval.

RESOLUTION NO.: _____ - 2019

OF

DECEMBER 9, 2019

**A RESOLUTION AUTHORIZING THE CITY MANAGER
TO EXECUTE AN AGREEMENT WITH THE COUNTY OF ORANGE
TO PROVIDE FOR REIMBURSEMENT OF FUNDS TO
THE CITY OF NEWBURGH WITH RESPECT TO CERTAIN
URBAN RENEWAL PROJECTS FOR THE PERIOD
OF JANUARY 1, 2020 TO DECEMBER 31, 2020 IN THE AMOUNT OF \$25,000.00**

WHEREAS, the Orange County Department of Public Works (hereinafter "County") has provided the City of Newburgh (hereinafter "City") with an agreement, a copy of which is attached hereto and made a part hereof, to provide for the funding of certain urban renewal projects within the City for the year 2020; and

WHEREAS, the County shall provide the City a total annual sum not to exceed Twenty Five Thousand (\$25,000.00) Dollars for the completion of certain urban renewal projects; and

WHEREAS, such funds shall be used exclusively for the acquisition, rehabilitation, improvements and otherwise implementing and completion of urban renewal projects within the City's limits; and

WHEREAS, this Council has reviewed the attached agreement and has determined that entering into such agreement would be in the best interests of the City of Newburgh and its further development;

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Newburgh, New York that the City Manager be and he is hereby authorized to execute the attached agreement with the County of Orange to provide for a total annual sum not to exceed Twenty Five Thousand (\$25,000.00) Dollars in order to obtain the available funding for certain urban renewal projects.

**INTER-MUNICIPAL AGREEMENT -
FUNDING FOR URBAN RENEWAL PROJECT**

THIS AGREEMENT is entered into on _____, 2019, by and between the **County of Orange** (the “County”), a municipal corporation of the State of New York, with its principal offices located at 255-275 Main Street, Goshen, New York 10924, and the **City of Newburgh** (the “City”), a municipal corporation of the State of New York, with its principal offices located at 83 Broadway, Newburgh, New York 12550 (collectively, the “Parties”).

WHEREAS, the Parties agree that entering into this Inter-Municipal Agreement (the “Agreement”) will be in the best interest of both the County and the City; and

WHEREAS, entering into this Agreement is voluntary and will not be construed so as to interfere with or diminish the power or authority of the County or the City.

NOW, THEREFORE, in consideration of good and valuable consideration, the receipt, existence and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. The County shall provide to the City twenty-five thousand dollars (\$25,000.00) for expenditures to be made by, or on behalf of, the City for an urban renewal project.
2. The urban renewal project to be funded by this Agreement, whole or in part, shall consist of renovations to the municipal building located at 123 Grand Street, Newburgh, New York. It is anticipated that the work will include, but will not necessarily be limited to renovations to both the subject municipal building and surrounding area.

3. Within 150 days of the City's receipt of the twenty-five thousand dollars (\$25,000), the City shall provide to the County receipts, invoices, bills and/or other documentation evidencing the expenditure of the twenty-five thousand dollars (\$25,000) on renovations to the municipal building located at 123 Grand Street, Newburgh, New York. The County may request additional documentation in support of the expenditure(s) made by the City, and all such requests shall be reasonable in both time and scope.

4. The City shall reimburse the County any portion of the twenty-five thousand dollars (\$25,000) if the documentation required by paragraph 3 herein is not received by the County within 150 days of the City's receipt of the twenty-five thousand dollars (\$25,000).

5. The City shall reimburse to the County any portion of the twenty-five thousand dollars (\$25,000) that is not expended on renovations to the municipal building located at 123 Grand Street, Newburgh, New York, within 150 days of the City's receipt of the twenty-five thousand dollars (\$25,000).

6. The County shall have no obligation to the City beyond the payment of funds in accordance with the terms and conditions of this Agreement.

7. This Agreement constitutes the complete and final expression of the terms of the Agreement between the Parties, and supersedes any prior agreement or understanding relating to the subject matter of this Agreement. Any prior agreement or understanding, whether expressed verbally or in writing, shall be deemed to be null and void and of no further effect.

8. No modification or amendment to this Agreement shall be effective unless it is in writing and signed by the duly authorized representatives of the Parties. Unless otherwise specifically provided for therein, the provisions of this Agreement shall apply with all force and

effect to the terms and conditions contained in any such modification or amendment of this Agreement.

9. This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York.

10. To the fullest extent permitted by law, the City shall defend, indemnify and hold harmless the County, County officials, employees and agents against all claims, losses, damages, liabilities, costs or expenses (including, without limitation, reasonable attorney fees and costs of litigation and/or settlement), arising out of any negligent, reckless, intentional or otherwise wrongful act or omission of the City that relates to the subject-matter of this Agreement.

11. The City shall provide proof of Workers' Compensation and Disability Coverage's as required by the New York State Worker's Compensation Board and such proof shall be attached to this Agreement.

12. All provisions of Federal, State and local laws, rules, regulations and ordinances governing non-discriminatory practices; warranties against collusion; solicitation or procurement; warranties against conflicts of interest; ethics laws; confidentiality; fair practices and any other legally imposed safeguard, shall apply to this Agreement, and all acts performed by the City relating to this Agreement.

13. This Agreement shall be binding upon, and inure to the benefit of, the Parties, and to their respective successors and/or assigns.

14. Neither party to this Agreement shall assign, transfer or otherwise dispose of any of its rights or obligations under this Agreement without the prior written approval of the other party. Any assignment without the prior written approval of the other party to this Agreement shall be void.

15. The City shall maintain separate and accurate books, records, documents and other evidence and accounting procedures and practices that sufficiently and properly reflect all direct and indirect costs of any nature expended in the performance of this Agreement, or the funds provided to the City pursuant to this Agreement.

16. The City shall retain all books, records and other documents relevant to this Agreement, or the funds provided the City pursuant to this Agreement, for six (6) years after the termination of this Agreement. The County, or any State and/or Federal auditors, and any other person or entity duly authorized by the County, shall have full access and the right to examine any of said materials during said period.

17. Any notice or communication required by this Agreement shall be sent via first class mail to:

For the County:

Erik Denega, P.E., P.M.P.
Commissioner, Department of Public Works
2455-2459 Route 17M, P.O. Box 509
Goshen, New York 10924

For the City:

Joseph P. Donat
City Manager, City of Newburgh
83 Broadway
Newburgh, New York 1550

18. The Parties have the right to designate additional or different recipients and/or addresses.

19. The County shall have no liability under this Agreement to the City, or to any other person or entity, beyond funds appropriated and made available for this Agreement.

20. This Agreement is for the sole benefit of the Parties, and is not for the benefit of any other person or entity. No other person or entity shall have standing to require satisfaction of

the terms and conditions of this Agreement, or be deemed to be a beneficiary of the terms and conditions of this Agreement.

21. Any legal suit, action or proceeding arising out of, or relating to, this Agreement shall be commenced in the Supreme Court, Orange County, and the parties irrevocably submit to jurisdiction and venue of such court in any such suit, action or proceeding.

22. The parties agree that the terms and conditions of this Agreement are the result of negotiations between the Parties, and that this Agreement shall not be construed in favor of or against any party by reason of the extent to this Agreement was prepared by, or on behalf of, any party.

23. This Agreement does not create a partnership or agency relationship between the Parties.

24. This Agreement may be executed in any number of counterparts, each of which shall be considered an original for all purposes, and all such counterparts shall together constitute one (1) and the same instrument.

25. The failure of either of the Parties to enforce at any time any provision of this Agreement shall not constitute a waiver of any such provision, or a waiver of a remedy that may be available for a breach. No condition of this Agreement shall be considered waived by the parties unless such waiver is explicitly given in writing.

26. Each signatory to this Agreement represents and warrants that he/she is fully authorized to execute this Agreement on behalf of the County and/or the City.

(Remainder of Page Intentionally Left Blank – Signature Page Follows)

IN WITNESS WHEREOF, the County of Orange and the City of Newburgh have entered into this Agreement as of the date above written.
