(New) CARES Act Funding

- In April, 2020, the City of Newburgh received a special allocation of Community Development Block Grant (CDBG) funds in the amount of \$513,511.00 to “prevent, prepare for, and respond to the Coronavirus (COVID-19).”
- The allocation was authorized by the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), Public Law 116-136, which was signed by President Trump on March 27, 2020, to respond to the growing effects of this historic public health crisis.
- **In September, 2020, the City of Newburgh received an additional allocation of CDBG funds in the amount of \$370,023.00 to “prevent, prepare for, and respond to the Coronavirus (COVID-19).” This funding is referred to as “CDBG-CV3.”**

(New) City of Newburgh FY2019 Substantial Amendment

- Pursuant to “24 CFR § 91.505 - Amendments to the consolidated plan,” amendments may be made to a jurisdiction’s Annual Action Plan (AAP). The jurisdiction’s Citizen Participation Plan (CPP) determines the criteria for a substantial amendment to the AAP.
- The City of Newburgh’s CPP requires a substantial amendment when there is:
 - A “change of more than 25% of the total grant award funding the activity.”
 - A “change the purpose, scope, location, and beneficiaries from one eligible activity to another by more than 25% of the total funds previously authorized.”

(New) City of Newburgh FY2019 Substantial Amendment

- As the CARES Act special allocation to the City of Newburgh is greater than both the “change of more than 25 % of the total grant award funding the activity” and a “change [to] the purpose, scope, location, and beneficiaries from one eligible activity to another by more than 25% of the total funds previously authorized,” the substantial amendment process must be activated in order for the City of Newburgh to accept the funding.
- The substantial amendment process includes:
 - Update to a previously authorized AAP
 - Public Hearing
 - Public Comment Period
 - Submission of updated AAP to the U.S Department of Housing and Urban Development (HUD)

(New) City of Newburgh FY2019 Substantial Amendment

- To expedite and streamline use of the special allocation of CDBG funding, CDBG-CV3, the additional allocation will be added to the City of Newburgh FY2019 AAP.
- Activities added to the FY2019 AAP under the CDBG-CV Funding:

Dear Mayors and City Manager Donat:

The current sales tax agreement between the Cities and County expires at the end of February, 2021. Attached please find a copy of the sales tax extension agreement between the Cities extending the same for two years. 2020 census data is not yet finalized. Accordingly, the numbers herein continue to reflect 2010 census data.

The agreement continues the present sharing arrangement and reflects that if sales tax levels increase or decrease, local governments will share accordingly. I enclose a copy of the existing (signed) agreement as well. Should your finance personnel have any questions on this, please feel free to have them contact me. Likewise, should your Corporation Counsel have any questions they may contact the County Attorney at 845 291 3150.

Please take any necessary steps to authorize you or an appropriate signatory to sign this on behalf of your respective municipality and send two originals of the same to me. I will forward the fully executed agreement to the State Comptroller and County Department of Taxation and Finance.

Thank you.

Sincerely,

AGREEMENT

THIS AGREEMENT made this day of _____, 2021 BETWEEN

COUNTY OF ORANGE

AND

THE CITY OF NEWBURGH

AND

CITY OF MIDDLETOWN

AND

CITY OF PORT JERVIS

All being municipal corporations of the State of New York;

WITNESSETH:

WHEREAS, the COUNTY OF ORANGE has imposed a Sales and Compensating Use Tax, pursuant to the laws of the State of New York, and

WHEREAS, Article 29, of the Tax Law of the State of New York authorizes municipalities to impose certain taxes on retail sales and other similar transactions and compensating use taxes as therein specified, to be administered by the New York State Tax Commissioner, and further provides certain priorities and preemptive rights for each of the parties, and

WHEREAS, there was in existence an Agreement dated January 10, 2008, by and between the County of Orange, hereinafter referred to as the COUNTY, and the CITY OF NEWBURGH, and the CITY OF MIDDLETOWN, and the CITY OF PORT JERVIS, hereinafter referred to as the CITIES; said Agreement by its terms expired February 28, 2011, and

WHEREAS, the COUNTY and CITIES subsequently reached and extended various agreements relating to the extension and/or modification of the Agreement; and

WHEREAS, the latest version of such Agreement is slated to expire February 28, 2021; and

WHEREAS, the parties hereto acknowledge, that for due and sufficient consideration acknowledged by them, they wish to enter into and execute this Agreement and be bound by the terms hereof; and

WHEREAS, by resolutions duly adopted by the governing bodies of the COUNTY and each of the three CITIES these municipalities have agreed upon a plan for the COUNTY to distribute a portion of the COUNTY's revenues from its Sales and Compensating Use Taxes to the CITIES and to the Towns and to the Villages in Orange County for the period March 1, 2021 to February 28, 2023, and

WHEREAS, the Charters, laws and resolutions adopted by the governing bodies of each of the three CITIES and by the Orange County Legislature authorizes the Chief Elected Official or the City Manager of each of the party-municipalities hereto to execute this Agreement on behalf of each of them;

NOW THEREFORE, in consideration of the mutual covenants herein contained, the parties hereto mutually covenant and agree as follows:

1. The County shall continue to impose the taxes described in **Section 1210(a)** of the

tax law of the State of New York at a rate of three percent (3%) or, at its option, at a greater rate (3 ¾%) as may be authorized by the State Legislature and County subject to the terms herein below during the terms of this Agreement.

2. The term of this Agreement shall be from March 1, 2021 until February 28, 2023.

3. The implementation of the distribution formula contained herein and the distributions of the respective portions of the County Sales and Compensating Use Taxes to all the local municipalities by the COUNTY are contingent upon the CITY OF NEWBURGH, the CITY OF MIDDLETOWN, and the CITY OF PORT JERVIS, all hereby agreeing to and actually forbearing from preempting the County Sales and Compensating Use Taxes during the period of this Agreement. By entering into this Agreement each of the CITIES agrees to refrain from imposing any Sales and Compensating Use Taxes authorized by Section 1210 of the New York State Tax Law, or elsewhere except that the CITIES can impose Sales Taxes described in Section 1105 (b) and related compensating use taxes in Section 1110 of the Tax Law, as authorized by Section 1210 (b) of such law, which a city has a prior right to impose pursuant to Section 1224 (b)(1) of such law.

4. The CITY OF NEWBURGH has, by Charter, law and/or by resolution duly adopted by the Common Council of the City of Newburgh, authorized its City Manager to, execute this Agreement and has also agreed not to preempt the County Sales and Compensating Use Tax during the period of this Agreement. The CITY OF MIDDLETOWN has, by Charter, law and/or by resolution, duly adopted by the Common Council of the City of Middletown, authorized its Mayor to execute this Agreement and has also agreed not to preempt the County Sales and Compensating Use Tax during the period of this Agreement. The CITY OF PORT JERVIS has,

by Charter, law and/or by resolution, duly adopted by the Common Council of the City of Port Jervis, authorized its Mayor to execute this Agreement and has also agreed not to preempt the County Sales and Compensating Use Tax during the period of this Agreement. Provided that each CITY can preempt the COUNTY's Sales and Compensating Use Tax by imposing the sales taxes described in Section 1105(b) and related compensating use taxes in Section 1110 as authorized by Section 1210(b) of the Tax Law.

5. The distributions made by the COUNTY hereunder are to be based upon the monies generated by the present 3 $\frac{3}{4}$ % (three and three quarters percent) Orange County Sales and Compensating Use Taxes less the expenses of the Commissioner of Taxation and Finance for administration and collection and amounts withheld for refunds. The expenses of the Commissioner of Taxation and Finance and amounts withheld for refunds shall be deducted from the gross receipts prior to the payment to the County by the State Comptroller pursuant to Tax Law Section 1261 or other applicable law, and the remainder shall be the COUNTY's "net collections," as such term is defined in Tax Law Section 1262(f).

6. For the term of this contract, the COUNTY's net collections shall be retained by the COUNTY or allocated and disposed of as follows:

- A. The COUNTY shall retain seventy-three and six hundred sixteen thousandths percent (73.616%) of the COUNTY's net collections for COUNTY purposes.
- B. The COUNTY shall allocate and distribute twenty-six and three hundred eighty-four thousandths percent (26.384%) of net collections from the three and three quarters percent (3 $\frac{3}{4}$ %) tax shall be distributed to the CITIES, Towns and Villages as follows:

1. Thirty-two and five hundred twenty-five thousandths percent (32.525%) thereof to the CITIES.

2. Sixty-seven and four hundred seventy-five thousandths percent (67.475%) thereof to the Towns.

C. For the term of this agreement, the amount to be distributed to the three CITIES (32.525% of 26.384% of the sales tax revenues as generated by the three and three quarters percent (3 ¾%) tax described herein) shall be divided among them according to the following percentages:

NEWBURGH	43.883
MIDDLETOWN	43.696
PORT JERVIS	13.421

D. The monies allocated to the Towns located within the County of Orange shall be divided among them based upon their respective populations, determined in accordance with the latest decennial federal census or special population census taken pursuant to Section Twenty of the General Municipal Law completed and published prior to the end of the quarter for which the allocation is made, which special census must include the entire area of the County. Provided where a Village elects a direct cash payment provided in Section 1262(c) of the Tax Law, the amount to be paid to such village shall be determined by the ratio that the population of such village or portion thereof within the town in which such village is located bears to the total population of the entire town, determined in accordance with the latest decennial federal census or special population census taken pursuant to Section Twenty of the General Municipal Law completed and published prior to the end quarter for which the allocation is made, which special census must include the entire area of the County, except that, if the Village of Highland Falls elects a direct cash payment as provided in the second to last unnumbered paragraph of Section 1262 (c), the amount to be paid it shall be determined by the

ration that the full valuation of real property in the Village bears to the full valuation of the entire Town of Highlands.

7. The amounts to be allocated to the CITIES, Towns and Villages shall be calculated quarterly during the term of the Agreement based upon the amount of sales tax revenue generated by the three and three quarters percent ($3\frac{3}{4}\%$) tax as described herein during the previous quarter.

8. The distribution to the municipalities will be made on or about the 30th day of January, April, July and October of each year covered by this Agreement. The first such payment shall be made on or about April 30, 2016.

9. It is the present intention of the parties hereto that they renegotiate a continuation of this Agreement in the future. The parties therefor agree to commence negotiations for a new Agreement on or about November 1, 2021. In the event a renegotiated Agreement or such other agreement is not reached on or before June 1, 2022, then any of the CITIES that are parties to this Agreement shall notify the COUNTY pursuant to Section 1223 of the Tax Law of the State of its intention to adopt legislation imposing a City Sales Tax as permitted by law, such tax to become effective as of March 1, 2023. The purpose of this clause is to enable the CITIES to collect a continuous stream of revenue from the Sales Tax at the end of the term of this Agreement with minimal interruption.

10. The parties recognize that the New York State Legislature has enacted legislation which currently authorizes the COUNTY an additional $\frac{3}{4}\%$ rate Sales Tax rate above the COUNTY's three (3%) percent and the COUNTY imposes such "Additional Tax" for a current total COUNTY rate of $3\frac{3}{4}\%$. Notwithstanding anything to the contrary provided elsewhere in

this AGREEMENT, if the current 3 ¾% sales and compensating use tax (the “rate”) is ever changed, then the reduced or increased rate shall be immediately substituted for the 3 ¾% rate presently in effect (or any rate then presently in effect) and the sharing formula set forth in Paragraph 6 of this AGREEMENT shall be adjusted to reflect the new rate. For example, if the County Sales and Compensating Use Tax were reduced from the present 3 ¾% to 3% then the CITIES, and Towns, would receive 26.384% of net collections from the 3% rate and if the County Sales and Compensating Use Tax were increased from the present 3 ¾% to 4%, then the CITIES and Towns would receive 26.384% of net collections from the 4% rate minus any administrative or other costs as described herein instead of receiving 26.384% of the 3 ¾% as is presently the case. Villages may receive their shares as otherwise provided for herein and in applicable State Law. Net collection from such additional tax that are not required to be paid to the CITIES, and Towns and Villages as described herein shall be retained by the COUNTY for County purposes.

11. PARAGRAPH 11 LEFT INTENTIONALLY BLANK.

12. In the event New York State assumes responsibility for funding or paying out of State funds the COUNTY’s Medicaid expenses, or in the event there is any other action taken by the State of New York whereby the State assumes a responsibility and an expense of the COUNTY and in exchange therefore the State retains a portion of the COUNTY’s net collections that are the subject of this Agreement, the rights of the parties will be affected pursuant to the terms of this paragraph. If the COUNTY’s expense for the program taken over by the State equals or exceeds the amount of COUNTY’s net collections retained by the State, then the COUNTY shall continue to distribute to the other municipalities twenty-six and three hundred eighty four thousandths percent (26.384%) of the sales tax revenue generated by the three percent (3%) tax

even though the COUNTY may no longer be receiving seventy-three and six hundred sixteen thousandths percent (73.616%) of the original amount of such revenues. If the COUNTY's expense for the program taken over by the State is less than the amount of COUNTY's net collections retained by the State, then the net loss suffered by the COUNTY shall be shared by the COUNTY, the CITIES, the Towns and the Villages in the same proportion as that by which the revenues are retained and distributed.

13. In the event, that a City, Town, or Village incurs a monetary debt or obligation to the County, and said debt or obligation remains outstanding for one year after it has become due and owing to the County, following good faith discussions with the County to satisfy the debt or obligation, then the County is authorized to deduct an amount equal to the outstanding amount of such debt or obligation, including statutory interest and penalties, if applicable, from that municipality's share of COUNTY net collections due that municipality as provided in this Agreement. Such deductions shall be from the payment scheduled to be made next following the one year anniversary of the date the debt or obligation accrued, and from each successive share otherwise due to the municipality until the debt or obligation has been paid in full. A municipality may request of the County that the payments be paid in installments for a period not to exceed three years, which request shall not be unreasonably denied.

14. The parties wish to express their intent to continue the terms of the prior AGREEMENT (the one in existence at the time this AGREEMENT is entered into) and in the event interpretation of this AGREEMENT is necessary, the prior agreement referenced in the fourth "WHEREAS" clause above shall be used to interpret the intentions of the Parties to the extent necessary. The changes to this AGREEMENT in comparison to the prior agreement are intended to recognize the COUNTY's current Sales and Compensating Use tax rate (County rate,

not including the State rate or the rate imposed as a result of being in the Metropolitan Commuter Transportation District) as currently being 3 ¾%, not the referenced 3% in some prior agreement and are also intended to develop a contingency in the event the County sales tax rate ever changes (either by increase or decrease) from the present rate of 3 ¾% to ensure that the parties respective percentage shares of the Rate, whatever they may be, and whatever such rate actually is, are continued as the same percentages of the new rate, except as otherwise provided in this Agreement.

15. The PARTIES further agree to submit this Agreement for any necessary approvals of the State or any officer, agency, or department thereof and if it is not approved the PARTIES shall expeditiously renegotiate this AGREEMENT and leave any present AGREEMENT which is valid in force and effect for a period of one year pending such renegotiation.

This agreement may be signed in counterparts.

IN WITNESS WHEREOF, the parties have hereunto set their hands and seals on the day and year first above written.

WHEREAS, there was in existence an Agreement dated January 10, 2008, by and between the County of Orange, hereinafter referred to as the COUNTY, and the CITY OF NEWBURGH, the CITY OF MIDDLETOWN, and the CITY OF PORT JERVIS, hereinafter referred to as the CITIES: said Agreement by its terms expired February 28, 2011, and

WHEREAS, there is presently in existence an Agreement dated December, 2010 by and between the COUNTY, and the CITIES which, by its terms is set to expire February 29, 2016; and

WHEREAS, the parties hereto acknowledge that for due and sufficient consideration acknowledged by them they wish to enter into and execute this Agreement and to be bound by the terms hereof; and

WHEREAS, the Charters, laws and resolutions adopted by the governing bodies of each of the three CITIES and by the Orange County Legislature authorize the Chief Elected Official or the City Manager of each of the party-municipalities hereto to execute this Agreement on behalf of each of them;

NOW, THEREFORE, in consideration of the mutual covenants herein contained, the parties hereto mutually covenant and agree as follows:

1. The County shall continue to impose the taxes described in Section 1210(a) of the Tax Law of the State of New York at a rate of three percent (3%) or, at its option, at a greater rate (presently 3 ¼%) as may be authorized by the State Legislature and County subject to the terms hereinbelow during the term of this Agreement.

2. The term of this Agreement shall be from March 1, 2016 until February 28, 2021.

3. The implementation of the distribution formula contained herein and the distributions of the respective portions of the County Sales and Compensating Use Taxes to all the local municipalities by the COUNTY are contingent upon the CITY OF NEWBURGH, the CITY OF MIDDLETOWN, and the CITY OF PORT JERVIS, all hereby agreeing to and actually forbearing from preempting the County Sales and Compensating Use Taxes during the period of this Agreement. By entering into this Agreement each of the CITIES agrees to refrain from imposing any Sales and Compensating Use Taxes authorized by Section 1210 of the New York State Tax Law or elsewhere, except that the CITIES can impose sales taxes described in Section 1105 (b) and related compensating use taxes in Section 1110 of the Tax Law, as authorized by Section 1210 (b) of such law, which a city has a prior right to impose pursuant to Section 1224

(b)(1) of such law.

4. The CITY OF NEWBURGH has, by Charter, law and/or by resolution, duly adopted by the Common Council of the City of Newburgh, authorized its City Manager to execute this Agreement and has also agreed not to preempt the County Sales and Compensating Use Tax during the period of this Agreement. The CITY OF MIDDLETOWN has, by Charter, law and/or resolution, duly adopted by the Common Council of the City of Middletown, authorized its Mayor to execute this Agreement and has also agreed not to preempt the County Sales and Compensating Use Taxes during the period of this Agreement. The CITY OF PORT JERVIS has, by Charter, law and/or resolution, duly adopted by the City Council of the City of Port Jervis, authorized its Mayor to execute this Agreement and has also agreed not to preempt the County Sales and Compensating Use Taxes during the period of this Agreement. Provided that each CITY can preempt the COUNTY's Sales and Compensating Use Taxes by imposing the sales taxes described in Section 1105(b) and related compensating use taxes in Section 1110 as authorized by Section 1210(b) of the Tax Law

5. The distributions made by the COUNTY hereunder are to be based upon the monies generated by the present 3 3/4% (three and three quarters percent) Orange County Sales and Compensating Use Taxes less the expenses of the Commissioner of Taxation and Finance for administration and collection and amounts withheld for refunds. The expenses of the Commissioner of Taxation and Finance and amounts withheld for refunds shall be deducted from the gross receipts prior to the payment to the County by the State Comptroller pursuant to Tax Law section 1261 or other applicable law, and the remainder shall be the COUNTY's "net collections," as such term is defined in Tax Law Section 1262(f).

6. For the term of this contract, the COUNTY's net collections shall be retained by the COUNTY or allocated and disposed of as follows:

A. The COUNTY shall retain seventy-three and six hundred sixteen thousandths per cent (73.616%) of the COUNTY's net collections for county purposes.

B The COUNTY shall allocate and distribute twenty-six and three hundred eighty four thousandths percent (26.384%) of net collections from the three and three quarters percent (3 3/4%) tax shall be distributed to the CITIES, Towns and Villages as -follows:

B.

1. Thirty-two and five hundred twenty five thousandths percent (32.525%) thereof to the CITIES.

2. Sixty-seven and four hundred seventy—five thousandths percent (67.475%) thereof to the Towns .

C. For the term of this agreement, the amount to be distributed to the three CITIES (32.525% of 26.384% of the sales tax revenues as generated by the three and three quarters percent (3 3/4%) tax described herein) shall be divided among them according to the following percentages:

Newburgh 43.883

Middletown 42.696

Port Jervis 13.421

D. The monies allocated to the Towns located within the County of Orange shall be divided among them based upon their respective populations, determined in accordance with the latest decennial federal census or special population census taken pursuant to Section Twenty of the General Municipal Law completed and published prior to the end of the quarter for which the allocation is made, which the allocation is made, which special census must include the entire area of the

County. Provided where a Village elects a direct cash payment provided in Section 1262(c) of the Tax Law, the amount to be paid to such village shall be determined by the ratio that the population of such village or portion thereof within the town in which such village is located bears to the total population of the entire town, determined in accordance with the latest decennial federal census or special population census taken pursuant to Section Twenty of the General Municipal Law completed and published prior to the end quarter for which the allocation is made, which special census must include the entire area of the County, except that, if the Village of Highland Falls elects a direct cash payment as provided in the second to last unnumbered paragraph of Section 1262 (c), the amount to be paid it shall be determined by the ratio that the full valuation of real property in the Village bears to the full valuation of the entire Town of Highlands.

7. The amounts to be allocated to the CITIES, Towns and Villages shall be calculated quarterly during the term of the Agreement based upon the amount of sales tax revenue generated by the three and three quarters percent (3 3/4%) tax as described herein during the previous quarter.

8. The distribution to the municipalities will be made on or about the 30th day of January, April, July and October of each year covered by this Agreement. The first such payment shall be made on or about April 30, 2016.

9. It is the present intention of the parties hereto that they renegotiate a continuation of this Agreement in the future. The parties therefore agree to commence negotiations for a new Agreement on or about March 1, 2019. In the event a renegotiated Agreement or such other agreement is not reached on or before February 28, 2020, then any of the CITIES that are parties to this Agreement shall notify the County pursuant to Section 1223 of the Tax Law of the State of its intention to adopt legislation imposing a City Sales Tax as permitted by law, such tax to become effective as of March 1, 2021. The purpose of this clause is to enable the CITIES to collect a continuous stream of revenue from the Sales Tax at the end of the term of this Agreement with minimal interruption.

10. The parties recognize that the New York State Legislature has enacted legislation which currently authorizes the COUNTY an additional $\frac{1}{4}\%$ rate Sales Tax rate above the the COUNTY's three (3%) percent and the COUNTY imposes such "Additional Tax" for a current total COUNTY rate of $3\frac{1}{4}\%$. Notwithstanding anything to the contrary provided elsewhere in this AGREEMENT, if the current $3\frac{1}{4}\%$ sales and compensating use tax (the "rate") is ever changed, then the reduced or increased rate shall be immediately substituted for the $3\frac{1}{4}\%$ rate presently in effect (or any rate then presently in effect) and the sharing formula set forth in Paragraph 6 of this AGREEMENT shall be adjusted to reflect the new rate. For example, if the county sales and compensating use tax were reduced from the present $3\frac{1}{4}\%$ to 3%, then the CITIES; and Towns, would receive 26.384% of net collections from the 3% rate and if the county sales and compensating use tax were increased from the present $3\frac{1}{4}\%$ to 4%, then the CITIES and Towns would receive 26.384% of net collections from the 4% rate minus any administrative or other costs as described herein instead of receiving 26.384% of the $3\frac{1}{4}\%$ as is presently the case. Villages may receive their shares as otherwise provided for herein and in applicable State Law. Net collections from such additional tax that are not required to be paid to the CITIES; and Towns and Villages as described herein shall be retained by the COUNTY for county purposes.

11. PARAGRAPH 11 LEFT INTENTIONALLY BLANK.

12. In the event New York State assumes responsibility for funding or paying out of State funds the COUNTY'S Medicaid expenses, or in the event there is any other action taken by the State of New York whereby the State assumes a responsibility and an expense of the COUNTY and in exchange therefore the State retains a portion of the COUNTY's net collections that are the subject of this Agreement, the rights of the parties will be affected pursuant to the terms of this paragraph. If the COUNTY's expense for the program taken over by the State equals or exceeds the amount of COUNTY's net collections retained by the State, then the COUNTY shall continue to distribute to the other municipalities twenty-six and three hundred eighty four thousandths percent (26.384%) of the sales tax revenue generated by the three percent (3%) tax even though the COUNTY may no longer be receiving seventy-three and six hundred sixteen thousandths percent (73.616%) of the original amount of such revenues. If the COUNTY's

expense for the program taken over by the State is less than the amount of COUNTY's net collections retained by the State, then the net loss suffered by the COUNTY shall be shared by the COUNTY, the CITIES, the Towns and the Villages in the same proportion as that by which the revenues are retained and distributed.

13. In the event that a City, Town or Village incurs a monetary debt or obligation to the County, and said debt or obligation remains outstanding for one year after it has become due and owing to the County, following good faith discussions with the County to satisfy the debt or obligation, then the County is authorized to deduct an amount equal to the outstanding amount of such debt or obligation, including statutory interest and penalties, if applicable, from that municipality's share of COUNTY net collections due that municipality as provided in this Agreement. Such deductions shall be from the payment scheduled to be made next following the one year anniversary of the date the debt or obligation accrued, and from each successive share otherwise due to the municipality until the debt or obligation has been paid in full. A municipality may request of the County that the payments be paid in installments for a period not to exceed three years, which request shall not be unreasonably denied.

14. The parties wish to express their intent to continue the terms of the prior AGREEMENT (the one in existence at the time this AGREEMENT is entered into) and in the event interpretation of this AGREEMENT is necessary, the prior agreement referenced in the fourth "WHEREAS" clause above shall be used to interpret the intentions of the Parties to the extent necessary. The changes to this AGREEMENT in comparison to the prior agreement are intended to recognize the COUNTY's current sales and compensating use tax rate (County rate, not including the State rate or the rate imposed as a result of being in the Metropolitan Commuter Transportation District) as currently being 3 ¾%, not the referenced 3% in the prior agreement and are also intended to develop a contingency in the event the County sales tax rate ever changes (either by increase or decrease) from the present rate of 3 ¾% to ensure that the parties respective percentage shares of the Rate, whatever they may be, and whatever such rate actually is, are continued as the same percentages of the new rate, except as otherwise provided in this Agreement.

15. The PARTIES further agree to submit this Agreement for any necessary approvals of the

State or any officer, agency, or department thereof and if it is not approved the PARTIES shall expeditiously renegotiate this AGREEMENT and leave any present AGREEMENT which is valid in force and effect for a period of one year pending such renegotiation.

This agreement may be signed in counterparts.

IN WITNESS WHEREOF, the parties have hereunto set their hands and seals on the day and year first above written.
