Re: Former Dutch Reformed Church
Request for Proposal – Limited Pre-Renovation Environmental Testing Services

Dear Mr. Morris,

Thank you for the opportunity to discuss the needs of the City of Newburgh in the environmental consulting and remediation services area. **Quality Environmental Solutions & Technologies, Inc. (QuES&T)** is pleased to submit the attached proposal to provide Limited Pre-Renovation Environmental Testing Services at the Former Dutch Reformed Church, located at 134 Grand Street, Newburgh, NY 12550.

QuES&T is a NYS Certified Minority Business Enterprise committed to remaining a leader in the environmental training and technical consulting industry. **QuES&T's** extensive Nuclear Power Industry experience makes us uniquely qualified to provide technical support in state-of-the-art techniques for engineering and contamination control. Additionally, this experience enables us to integrate the essential concepts of "critical path" schedules and minimizing personnel exposures while maintaining a high level of attention to the specific details of each project. **QuES&T** personnel satisfy numerous ANSI and NUREG experience requirements of the Nuclear Regulatory Commission. Our staff has served in various capacities in the Health Physics and Nuclear Engineering disciplines in operational power reactors, nuclear powered vessels, radio-pharmaceuticals and government prototypes.

We are confident you recognize that selection of a qualified technical consultant for professional services, such as pre-construction inspection, project design, project management and air monitoring, represents a step as critical as selecting a reputable environmental remediation contractor. **QuES&T** feels strongly that the success of any remediation project is defined primarily in the planning and design phase. A technically sound project design combined with proper oversight provides the most cost-effective solution and ensures the gains recognized are not at the expense of future liability to the City of Newburgh.

In this regard, **QuES&T** has successfully completed remediation projects, for our client companies, in support of Nuclear and Fossil commercial power plant maintenance outages, facility renovation and demolition, cGMP facility upgrades, recovery from contamination following catastrophic events (e.g. steam line explosions, fires), school building renovations, Corporate asbestos management programs, facility Operations & Maintenance (O&M) programs, UST removals, sub-surface investigations, contaminated soil remediation, LBP stabilization and commercial/residential asbestos & lead abatements.

Technical consulting services are available in the area of regulatory compliance audits, OSHA safety, air monitoring, respiratory protection, laboratory services, building hazard assessments (EPA, HUD, commercial), LBP Risk Assessments, management plans, NYS/NESHAP pre-demolition inspections and full scope project management; including development of remediation response actions and management of all required project and personnel records. Our staff of experienced environmental professionals can prepare all required specifications and procedures to ensure your programs comply with federal, state and municipal regulatory requirements.

QuES&T offers a wide range of OSHA and environmental safety training. Our full range of asbestos safety certification training ensures that our client's employees receive the appropriate training to maximize their safety and minimize your liability. **QuES&T** offers accredited initial and refresher training programs for Operations & Maintenance (O&M), Asbestos Abatement Workers and Supervisors, Project Monitors, Asbestos Project Sampling Technicians (RH-II), Asbestos Project Designers, Asbestos Inspectors (RH-III) and Management Planners. Our accredited training facility (EPA, NYS) contains the most modern equipment to support the hands-on portion of each training program. On-site training services are available for groups of at least twenty-five students and can be tailored to meet the specific needs of the City of Newburgh.

QuES&T provides a full range of services in the area of Respiratory Protection. Our technical staff has extensive experience in the development of regulatory compliance programs for NUREG 0041 and OSHA 1910.134 Respiratory Protection Programs. Quantitative or qualitative respirator fit services can be provided at **QuES&T**'s facility or yours.

For additional information concerning this submittal, please contact us at (845) 298-6031. We look forward to working with the City of Newburgh in the environmental consulting and remediation services area.

6 officer or officers shall have made a determination denying such refund,
7 such determination shall be reviewable by a proceeding under article
8 seventy-eight of the civil practice law and rules, provided, however,
9 that such proceeding is instituted within thirty days after the giving
10 of the notice of such denial, that a final determination of tax due was
11 not previously made, and that an undertaking is filed with the proper
12 fiscal officer or officers in such amount and with such sureties as a
13 justice of the supreme court shall approve to the effect that if such
14 proceeding be dismissed or the tax confirmed, the petitioner will pay
15 all costs and charges which may accrue in the prosecution of such
16 proceeding.

17 (8) Except in the case of a wilfully false or fraudulent return with
18 intent to evade the tax, no assessment of additional tax shall be made
19 after the expiration of more than three years from the date of the
20 filing of a return, provided, however, that where no return has been
21 filed as provided by law the tax may be assessed at any time.

5 Newburgh, in the county of Orange, is hereby authorized and empowered to
6 adopt and amend local laws imposing in such city a tax, in addition to
7 any other tax authorized and imposed pursuant to this article such as
8 the legislature has or would have the power and authority to impose upon
9 persons occupying hotel or motel rooms in such city. For the purposes of
10 this section, the term "hotel" or "motel" shall mean and include any
11 facility consisting of rentable units and providing lodging on an over-
12 night basis and shall include those facilities designated and commonly
13 known as "bed and breakfast" and "tourist" facilities. The rates of such
14 tax shall not exceed five percent of the per diem rental rate for each
15 room, provided however, that such tax shall not be applicable to a
16 permanent resident of a hotel or motel. For the purposes of this section

23 (3) Such local laws may provide that any tax imposed shall be paid by
24 the person liable therefor to the owner of the hotel or motel room occu-

2 tax; and that such owner or person entitled to be paid the rent or
3 charge shall have the same right in respect to collecting the tax from
4 the person occupying the hotel or motel room, or in respect to nonpay-
5 ment of the tax by the person occupying the hotel or motel room, as if
6 the tax were a part of the rent or charge and payable at the same time
7 as the rent or charge; provided, however, that the chief fiscal officer
8 of the city, specified in such local law, shall be joined as a party in
9 any action or proceeding brought to collect the tax by the owner or by
10 the person entitled to be paid the rent or charge.

11 (4) Such local laws may provide for the filing of returns and the
12 payment of the tax on a monthly basis or on the basis of any longer or
13 shorter period of time.

14 (5) This section shall not authorize the imposition of such tax upon
15 any transaction, by or with any of the following in accordance with

19 state or the Dominion of Canada), improvement district or other poli-

23 c. Any corporation or association, or trust, or community chest, fund
24 or foundation organized and operated exclusively for religious, charita-
25 ble or educational purposes, or for the prevention of cruelty to chil-
26 dren or animals, and no part of the net earnings of which inures to the
27 benefit of any private shareholder or individual and no substantial part
28 of the activities of which is carrying on propaganda, or otherwise
29 attempting to influence legislation; provided, however, that nothing in
30 this paragraph shall include an organization operated for the primary
31 purpose of carrying on a trade or business for profit, whether or not
32 all of its profits are payable to one or more organizations described in
33 this paragraph.

34 (6) Any final determination of the amount of any tax payable hereunder
35 shall be reviewable for error, illegality or unconstitutionality or any
36 other reason whatsoever by a proceeding under article seventy-eight of
37 the civil practice law and rules if application therefor is made to the
38 supreme court within thirty days after the giving of the notice of such
39 final determination, provided, however, that any such proceeding under
40 article seventy-eight of the civil practice law and rules shall not be
41 instituted unless:

42 a. The amount of any tax sought to be reviewed, with such interest and
43 penalties thereon as may be provided for by local law shall be first
44 deposited and there is filed an undertaking, issued by a surety company
45 authorized to transact business in this state and approved by the super-
46 intendent of financial services of this state as to solvency and respon-
47 sibility, in such amount as a justice of the supreme court shall approve
48 to the effect that if such proceeding be dismissed or the tax confirmed
49 the petitioner will pay all costs and charges which may accrue in the
50 prosecution of such proceeding; or

51 b. At the option of the petitioner such undertaking may be in a sum
52 sufficient to cover the taxes, interests and penalties stated in such
53 determination plus the costs and charges which may accrue against it in
54 the prosecution of the proceeding, in which event the petitioner shall
55 not be required to pay such taxes, interest or penalties as a condition
56 precedent to the application.

1 (7) Where any tax imposed hereunder shall have been erroneously, ille-
2 gally or unconstitutionally collected and application for the refund
3 thereof duly made to the proper fiscal officer or officers, and such
4 officer or officers shall have made a determination denying such refund,
5 such determination shall be reviewable by a proceeding under article
6 seventy-eight of the civil practice law and rules, provided, however,
7 that such proceeding is instituted within thirty days after the giving
8 of the notice of such denial, that a final determination of tax due was
9 not previously made, and that an undertaking is filed with the proper
10 fiscal officer or officers in such amount and with such sureties as a
11 justice of the supreme court shall approve to the effect that if such
12 proceeding be dismissed or the tax confirmed, the petitioner will pay
13 all costs and charges which may accrue in the prosecution of such
14 proceeding.

15 (8) Except in the case of a wilfully false or fraudulent return with
16 intent to evade the tax, no assessment of additional tax shall be made
17 after the expiration of more than three years from the date of the
18 filing of a return, provided, however, that where no return has been
19 filed as provided by law the tax may be assessed at any time.

20 (9) All revenues resulting from the imposition of the tax under the

26 section and the application of such provision to other persons or

28 § 2. This act shall take effect immediately and shall expire and be
29 deemed repealed 3 years after such date.
