CERTIFICATION OF COMPLIANCE IRAN DIVESTMENT ACT

As a result of the Iran Divestment Act of 2012 (the "Act"), Chapter 1 of the 2012 Laws of New York, a new provision has been added to the State Finance Law (SFL), § 165-a, and New York General Municipal Law § 103-g, both effective April 12, 2012. Under the Act, the Commissioner of the Office of General Services (OGS) will be developing a list (Prohibited Entities List) of "persons" who are engaged in "investment activities in Iran" (both are defined terms in the law). Pursuant to SFL § 165-a(3)(b), the initial list is expected to be issued no later than 120 days after the Act's effective date, at which time it will be posted on the OGS website.

By submitting a bid in response to this solicitation or by assuming the responsibility of a Contract awarded hereunder, each Bidder/Contractor, any person signing on behalf of the Bidder/Contractor and any assignee or subcontractor and, in the case of a joint bid, each party thereto, certifies, under penalty of perjury, that once the Prohibited Entities List is posted on the OGS website, that to the best of its knowledge and belief, that each Bidder/Contractor and any subcontractor or assignee is not identified on the Prohibited Entities List created pursuant to SFL § 165-a(3)(b).

Additionally, Bidder/Contractor is advised that once the Prohibited Entities List is posted on the OGS website, any Contractor seeking to renew or extend a Contract or assume the responsibility of a Contract awarded in response to this solicitation, must certify at the time the Contract is renewed, extended or assigned that it is not included on the Prohibited Entities List.

During the term of the Contract, should the City receive information that a Bidder/Contractor is in violation of the above-referenced certification, the City will offer the person or entity an opportunity to respond. If the person or entity fails to demonstrate that it has ceased its engagement in the investment which is in violation of the Act within 90 days after the determination of such violation, then the City shall take such action as may be appropriate including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Bidder/Contractor in default.

The City reserves the right to reject any bid or request for assignment for a Bidder/Contractor that appears on the Prohibited Entities List prior to the award of a contract, and to pursue a responsibility review with respect to any Bidder/Contractor that is awarded a contract and subsequently appears on the Prohibited Entities List.

I Raffaele Ruggiero, being duly sworn, deposes and says that he / she is the
President of Gianfia Corp and neither the

Bidder / Contractor nor any proposed subcontractor is identified on the Prohibited Entities List.

GRANT SUMMARY

NYS WATER INFRASTRUCTURE IMPROVEMENT (WIIA) & NYS INTERMUNICIPAL WATER INFRASTRUCTURE GRANT (IMG) PROGRAMS

OVERVIEW

The New York State Environmental Facilities Corporation (EFC) is offering \$425 million in grants for clean and drinking water projects during the 2023-2024 state fiscal year to selected municipalities with infrastructure projects that protect public health and/or improve water quality. EFC and the NYS Department of Health (DOH) will evaluate all applications for projects received by the due date (**5:00 p.m. on Friday July 28, 2023**) based on factors including protection of public health and water quality; median household income; governmental and community support; environmental justice considerations; and the readiness of the project to proceed.

NOTE FOR APPLICANTS INTERESTED IN SRF FINANCING: in order to be listed on the Annual List in the Intended Use Plan and to be eligible for financing in FFY 2024, the applicant must have submitted a listing form, acceptable Engineering Report, and smart growth form by June 16, 2023.

PROGRAM CHANGES:

The following changes have been made for this round of WIIA/IMG grant funding:

- Eligibility criteria for construction dates have been updated.
- Construction start date has been clarified to allow the pre-purchase of equipment prior to the issuance of a Notice to Proceed.
- Eligibility criteria include consideration of a project's impact on a disadvantaged community (DAC) as defined pursuant to the Climate Leadership and Community Protection Act in addition to impact on a Potential Environmental Justice Area.

AVAILABLE FUNDING

WIIA Clean Water Projects

An applicant with an eligible clean water project may receive a WIIA grant award as described below:

- A project, including all phases of the project, may be awarded the lesser of \$25 million or 25% of net eligible project costs (total eligible project costs less any third-party grants awarded in respect of the project).
- Any grants administered through EFC will not be used to calculate net eligible project costs.

Municipalities may apply for this grant on more than one project, but each municipality is limited to receiving no more than a \$5 million allocation per year. If a municipality is awarded grant funds totaling more than \$5 million for a project or projects, the grant(s) will be allocated over multiple years in increments not to exceed \$5 million per year.

If a municipality applies for more than one project during the current round, EFC will prioritize the awards based on the score of the project(s) until all of the projects have received 25% of eligible project costs or the \$5 million cap has been reached. If the award(s) exceed \$5 million, the remaining applications will not be eligible for additional grant in the current round.

WIIA Drinking Water Projects

An applicant with an eligible drinking water project may receive a WIIA grant award as described below:

- A project addressing an emerging contaminant (EC) above the current State determined Maximum Contaminant Level (MCL) would be awarded 60% of net eligible project costs with no cap.
- A project that does not address EC above the State MCL, including phases of the project, would be awarded the lesser of \$5 million or 60% of net eligible project costs. Municipalities may apply for this grant on more than one project, but each municipality is limited to receiving no more than \$5 million per year.

Excluding EC projects, municipalities are limited to \$5 million of combined Drinking Water State Revolving Fund (DWSRF) Base grant, DWSRF Bipartisan Infrastructure Law (BIL) General Supplemental grant, and WIIA grants annually.

IMG Clean Water and Drinking Water Projects

Cooperating municipalities with an eligible project may receive an IMG grant award as described below:

- The lesser of \$30 million or 40% of net eligible project costs.

Municipalities may apply for this grant on more than one project, but each municipality is limited to receiving no more than a \$10 million allocation per year. If a municipality is awarded grant funds totaling more than \$10 million for a project or projects, the grant(s) will be allocated over multiple years in increments not to exceed \$10 million per year.

ARTICLE 6. CONFLICT OF INTEREST

VENDOR represents and warrants that neither it nor any of its directors, officers, members, partners or employees, have any interest nor shall they acquire any interest, directly or indirectly which would or may conflict in any manner or degree with the performance or rendering of the SERVICES herein provided. VENDOR further represents and warrants that in the performance of this Agreement, no person having such interest or possible interest shall be employed by it and that no elected official or other officer or employee of the CITY, nor any person whose salary is payable, in whole or in part, by the CITY, or any corporation, partnership or association in which such official, officer or employee is directly or indirectly interested shall have any such interest, direct or indirect, in this Agreement or in the proceeds thereof, unless such person submits a letter disclosing such an interest, or the appearance or potential of same, to the City Manager and a copy to the Corporation Counsel of the CITY in advance of the negotiation and execution of this Agreement.

For failure to submit such letter of disclosure, or for a breach or violation of such representations or warranties, the CITY shall have the right to annul this Agreement

without liability, entitling the CITY to recover all monies paid hereunder and VENDOR shall not make claim for, or be entitled to recover, any sum or sums otherwise due under this Agreement. This remedy, if elected, shall not constitute the sole remedy afforded the CITY for such falsity or breach, nor shall it constitute a waiver of the CITY'S right to claim damages or otherwise refuse payment or to take any other action provided for by law, in equity or pursuant to this Agreement.

ARTICLE 7. FAIR PRACTICES

VENDOR and each person signing on behalf of the VENDOR represents, warrants and certifies under penalty of perjury, that to the best of their knowledge and belief:

A. The prices in this Agreement have been arrived at independently by VENDOR without collusion, consultation, communication, or agreement with any other bidder, proposer or with any competitor as to any matter relating to such prices which has the effect of, or has as its purpose, restricting competition;

B. Unless otherwise required by law, the prices which have been quoted in this Agreement and on the proposal or quote submitted by VENDOR have not been knowingly disclosed by VENDOR prior to the communication of such quote to the CITY or the proposal opening directly or indirectly, to any other bidder, proposer or to any competitor; and

C. No attempt has been made or will be made by VENDOR to induce any other person, partnership, corporation or entity to submit or not to submit a proposal or quote for the purpose of restricting competition.

The fact that VENDOR (i) has published price lists, rates, or tariffs covering items being procured, (ii) has informed prospective customers of proposed or pending publication of new or revised price lists for such items, or (iii) has provided the same items to the other customers at the same prices being bid or quoted does not

constitute, without more, a disclosure within the meaning of this Article.

ARTICLE 8. INDEPENDENT CONTRACTOR

In performing the SERVICES and/or supplying goods and incurring expenses under this Agreement, VENDOR shall operate as, and have the status of, an independent contractor and shall not act as agent, or be an agent, of the CITY. As an independent contractor, VENDOR shall be solely responsible for determining the means and methods of performing the SERVICES and/or supplying of the goods and shall have complete charge and responsibility for VENDOR'S personnel engaged in the performance of the same.

In accordance with such status as independent contractor, VENDOR covenants and agrees that neither it nor its employees or agents will hold themselves out as, nor claim to be officers or employees of the CITY, or of any department, agency or unit thereof by reason hereof, and that they will not, by reason hereof, make any claim, demand or application to or for any right or privilege applicable to an officer or employee of the CITY including, but not limited to, Worker's Compensation coverage, health coverage, Unemployment Insurance Benefits, Social Security coverage or employee retirement membership or credit.

ARTICLE 9. ASSIGNMENT AND SUBCONTRACTING

VENDOR shall not assign any of its rights, interest or obligations under this Agreement, or subcontract any of the SERVICES to be performed by it under this Agreement, without the prior express written consent of the City Manager of the CITY. Any such subcontract, assignment, transfer, conveyance, or other disposition without such prior consent shall be void and any SERVICES provided thereunder will not be compensated. Any subcontract or assignment properly consented to by the CITY shall be subject to all of the terms and conditions of this Agreement.

Failure of VENDOR to obtain any required consent to any assignment, shall be grounds for termination for cause, at the option of the CITY and if so terminated, the CITY shall thereupon be relieved and discharged from any further liability and obligation to VENDOR, its assignees or transferees, and all monies that may become due under this Agreement shall be forfeited to the CITY except so much thereof as may be necessary to pay VENDOR'S employees for past service.

The provisions of this clause shall not hinder, prevent, or affect any assignment by VENDOR for the benefit of its creditors made pursuant to the laws of the State of New York.

This agreement may be assigned by the CITY to any corporation, agency, municipality or instrumentality having authority to accept such assignment.

ARTICLE 10. BOOKS AND RECORDS

VENDOR agrees to maintain accurate books, records, documents and other evidence and accounting procedures and practices which sufficiently and properly reflect all direct and indirect costs of any nature expended in the performance of this Agreement.

ARTICLE 11. RETENTION OF RECORDS

VENDOR agrees to retain all books, records and other documents relevant to this Agreement for six (6) years after the final payment or termination of this Agreement, whichever later occurs. CITY, or any State and/or Federal auditors, and any other persons duly authorized by the CITY, shall have full access and the right to examine any of said materials during said period.

ARTICLE 12. AUDIT BY THE CITY AND OTHERS

All Claimant Certification forms or invoices presented for payment to be made hereunder, and the books, records and

accounts upon which said Claimant's Certification forms or invoices are based are subject to audit by the CITY. VENDOR shall submit any and all documentation and justification in support of expenditures or fees under this Agreement as may be required by the CITY so that it may evaluate the reasonableness of the charges, and VENDOR shall make its records available to the CITY upon request. All books, Claimant's Certification forms, records, reports, cancelled checks and any and all similar material may be subject to periodic inspection, review and audit by the CITY, the State of New York, the federal government, and/or other persons duly authorized by the CITY. Such audits may include examination and review of the source and application of all funds whether from the CITY, State, the federal government, private sources or otherwise. VENDOR shall not be entitled to any interim or final payment under this Agreement if any audit requirements and/or requests have not been satisfactorily met.

ARTICLE 13. INSURANCE

For all of the SERVICES set forth herein and as hereinafter amended, and to the extent practicable and if required by law, VENDOR shall maintain or cause to be maintained, in full force and effect during the term of this Agreement, at its expense, Workers' Compensation insurance, liability insurance covering personal injury and property damage, and other insurance with stated minimum coverages, all as listed below. Such policies are to be in the broadest form available on usual commercial terms and shall be written by insurers of recognized financial standing satisfactory to the CITY who have been fully informed as to the nature of the SERVICES to be performed. Except for Workers' Compensation and professional liability, the CITY shall be an additional insured on all such policies with the understanding that any obligations imposed upon the insured (including, without limitation, the liability to pay premiums) shall be the sole obligation of VENDOR and not those of the CITY. Notwithstanding anything to the contrary in

this Agreement, VENDOR irrevocably waives all claims against the CITY for all losses, damages, claims or expenses resulting from risks commercially insurable under this insurance described in this Article 13. The provisions of insurance by VENDOR shall not in any way limit VENDOR'S liability under this Agreement.

<u>Type of Coverage</u>	<u>Limit of Coverage</u>

Employer's liability or similar insurance	\$1,000,000 each occurrence
Automobile liability	\$1,000,000 aggregate

If available, VENDOR shall attach to this Agreement applicable certificates of insurance evidencing VENDOR'S compliance with these requirements.

ARTICLE 14. INDEMNIFICATION

VENDOR agrees to defend, indemnify and hold harmless the CITY, including its officials, employees and agents, against all claims, losses, damages, liabilities, costs or expenses (including, without limitation, reasonable attorney fees and costs of litigation and/or settlement), whether incurred as a result of a claim by a third party

or any other person or entity, arising out of the SERVICES performed and/or goods supplied pursuant to this Agreement which the CITY or its officials, employees or agents, may suffer by reason of any negligence, fault, act or omission of VENDOR, its employees, representatives, subcontractors, assignees, or agents.

In the event that any claim is made or any action is brought against the CITY arising out of the negligence, fault, act, or omission of an employee, representative, subcontractor, assignee, or agent of VENDOR either within or without the scope of his respective employment, representation, subcontract, assignment or agency, or arising out of VENDOR'S negligence, fault, act or omission, then the CITY shall have the right to withhold further payments hereunder for the purpose of set-off of sufficient sums to cover the said claim or action. The rights and remedies of the CITY provided for in this clause shall not be exclusive and are in addition to any other rights and remedies provided by law or this Agreement.

ARTICLE 15. PROTECTION OF CITY PROPERTY

VENDOR assumes the risk of and shall be responsible for, any loss or damage to CITY property, including property and equipment leased by the CITY, used in the performance of this Agreement and caused, either directly or indirectly by the acts, conduct, omissions or lack of good faith of VENDOR, its officers, directors, members, partners, employees, representatives or assignees, or any person, firm, company, agent or others engaged by VENDOR as an expert consultant specialist or subcontractor hereunder.

In the event that any such CITY property is lost or damaged, except for normal wear and tear, then the CITY shall have the right to withhold further payments hereunder for the purposes of set-off in sufficient sums to cover such loss or damage.

VENDOR agrees to defend, indemnify and hold the CITY harmless from any and all

liability or claim for loss, cost, damage or expense (including, without limitation, reasonable attorney fees and costs of litigation and/or settlement) due to any such loss or damage to any such CITY property described in this Article.

The rights and remedies of the CITY provided herein shall not be exclusive and are in addition to any other rights and remedies provided by law or by this Agreement.

ARTICLE 16. CONFIDENTIAL INFORMATION

In the course of providing the SERVICES and/or goods hereunder, VENDOR may acquire knowledge or come into possession of confidential, sensitive or proprietary information belonging to CITY. VENDOR agrees that it will keep and maintain such information securely and confidentially, and not disclose such information to any third parties, including the media, nor use such information in any manner publically or privately, without receiving the prior approval, in writing, of the CITY authorizing such use. VENDOR'S obligations under this clause to maintain the confidentiality of such information and to refrain from using such information in any manner without the prior written approval of the CITY shall survive the termination or expiration of this Agreement.

ARTICLE 17. TERMINATION

The CITY may, by written notice to VENDOR effective upon mailing, terminate this Agreement in whole or in part at any time (i) for CITY'S convenience, (ii) upon the failure of VENDOR to comply with any of the terms or conditions of this agreement, or (iii) upon the VENDOR becoming insolvent or bankrupt.

Upon termination of this Agreement, the VENDOR shall comply with any and all CITY closeout procedures, including, but not limited to:

A. Accounting for and refunding to the CITY within thirty (30) days, any unexpended funds which have been paid to VENDOR pursuant to this Agreement; and

B. Furnishing within thirty (30) days an inventory to the CITY of all equipment, appurtenances and property purchased by VENDOR through or provided under this Agreement, and carrying out any CITY directive concerning the disposition thereof.

In the event the CITY terminates this Agreement in whole or in part, as provided in this Article, the CITY may procure, upon such terms and in such manner as deemed appropriate, SERVICES similar to those so terminated, and the VENDOR shall continue the performance of this Agreement to the extent not terminated hereby. If this Agreement is terminated in whole or in part for other than the convenience of the CITY, any SERVICES or goods procured by the CITY to complete the SERVICES herein will be charged to VENDOR and/or set-off against any sums due VENDOR.

Notwithstanding any other provision of this Agreement, VENDOR shall not be relieved of liability to the CITY for damages sustained by the CITY by virtue of VENDOR'S breach of the Agreement or failure to perform in accordance with applicable standards, and the CITY may withhold payments to VENDOR for the purposes of set-off until such time as the exact amount of damages due to the CITY from VENDOR is determined.

The rights and remedies of the CITY provided herein shall not be exclusive and are in addition to any other rights and remedies provided by law or this Agreement.

ARTICLE 18. GENERAL RELEASE

The acceptance by VENDOR or its assignees of the final payment under this Agreement, whether by Claimant's Certification form, judgment of any court of competent jurisdiction, or administrative means shall constitute and operate as a general release to the CITY from any and all claims of

VENDOR arising out of the performance of this Agreement.

ARTICLE 19. SET-OFF RIGHTS

The CITY shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but are not limited to, the CITY'S right to withhold for the purposes of set-off any monies otherwise due VENDOR (i) under this Agreement, (ii) under any other agreement or contract with the CITY, including any agreement or contract for a term commencing prior to or after the term of this Agreement, (iii) from the CITY by operation of law, the CITY also has the right to withhold any monies otherwise due under this Agreement for the purposes of set-off as to any amounts due and owing to the CITY for any reason whatsoever including, without limitation, tax delinquencies, fee delinquencies or monetary penalties or interest relative thereto.

ARTICLE 20. NO ARBITRATION

Any and all disputes involving this Agreement, including the breach or alleged breach thereof, may not be submitted to arbitration unless specifically agreed thereto in writing by the City Manager of the CITY, but must instead only be heard in the Supreme Court of the State of New York, with venue in Orange County or if appropriate, in the Federal District Court with venue in the Southern District of New York, White Plains division.

ARTICLE 21. GOVERNING LAW

This Agreement shall be governed by the laws of the State of New York. VENDOR shall render all SERVICES under this Agreement in accordance with applicable provisions of all federal, state and local laws, rules and regulations as are in effect at the time such SERVICES are rendered.

ARTICLE 22. CURRENT OR FORMER CITY EMPLOYEES

VENDOR represents and warrants that it shall not retain the SERVICES of any CITY

employee or former CITY employee in connection with this Agreement or any other agreement that said VENDOR has or may have with the CITY without the express written permission of the CITY. This limitation period covers the preceding three (3) years or longer if the CITY employee or former CITY employee has or may have an actual or perceived conflict of interests due to their position with the CITY.

For a breach or violation of such representations or warranties, the CITY shall have the right to annul this Agreement without liability, entitling the CITY to recover all monies paid hereunder and VENDOR shall not make claim for or be entitled to recover, any sum or sums otherwise due under this Agreement. This remedy, if effected, shall not constitute the sole remedy afforded the CITY for such falsity or breach, nor shall it constitute a waiver of the CITY'S right to claim damages or otherwise refuse payment or to take any other action provided for by law or pursuant to this Agreement.

ARTICLE 23. ENTIRE AGREEMENT

The rights and obligations of the parties and their respective agents, successors and assignees shall be subject to and governed by

this Agreement, including Schedules A and B, which supersede any other understandings or writings between or among the parties.

Changes in the scope of SERVICES in this Agreement shall not be binding, and no payment shall be due in connection therewith, unless prior to the performance of any such SERVICES, the City Manager of the CITY, after consultation with the Department Head and Corporation Counsel, executes an Addendum or Change Order to this Agreement, which Addendum or Change Order shall specifically set forth the scope of such extra or additional SERVICES and the amount of compensation and the extension of the time for performance, if any, for any such SERVICES. Unless otherwise specifically provided for therein, the provisions of this Agreement shall apply with full force and effect to the terms and conditions contained in such Addendum or Change Order.

IN WITNESS THEREOF, the parties hereto have executed this Agreement as of the date set forth above.

A not-to-exceed cost of **\$3,750.00** has been established for the scope of SERVICES rendered by VENDOR. Costs in excess of such not-to-exceed cost, if any, may not be incurred without prior written authorization

of the City Manager of the CITY, evidenced only by an Addendum to this Agreement, after consultation with the Department Head. It is specifically agreed to by VENDOR that the CITY will not be responsible for any additional cost or costs in excess of the above noted not-to-exceed cost if the CITY'S authorization by the City Manager is not given in writing prior to the performance of the SERVICES giving rise to such excess or additional costs.

Any bills or invoices sent by VENDOR to the CITY more than six (6) months after services which are the subject of such billing have been rendered shall not be paid by the CITY and the CITY shall have no liability therefor.

ARTICLE 4. EXECUTORY CLAUSE

The CITY shall have no liability under this Agreement to VENDOR or to anyone else beyond funds appropriated and available for this Agreement.

ARTICLE 5. PROCUREMENT OF AGREEMENT

VENDOR represents and warrants that no person or selling agency has been employed or retained by VENDOR to solicit or secure this Agreement upon an agreement or upon an understanding for a commission, percentage, a brokerage fee, contingent fee or any other compensation. VENDOR further represents and warrants that no payment, gift or thing of value has been made, given or promised to obtain this or any other agreement between the parties. VENDOR makes such representations and warranties to induce the CITY to enter into this Agreement and the CITY relies upon such representations and warranties in the execution hereof.

For a breach or violation of such representations or warranties, the CITY shall have the right to annul this Agreement without liability, entitling the CITY to recover all monies paid hereunder and VENDOR shall not make claim or be entitled to recover, any sum or sums otherwise due under this Agreement. This

remedy, if effected, shall not constitute the sole remedy afforded the CITY for such falsity or breach, nor shall it constitute a waiver of the CITY'S right to claim damages or otherwise refuse payment or to take any other action provided for by law or pursuant to this Agreement.

ARTICLE 6. CONFLICT OF INTEREST

VENDOR represents and warrants that neither it nor any of its directors, officers, members, partners or employees, have any interest nor shall they acquire any interest, directly or indirectly which would or may conflict in any manner or degree with the performance or rendering of the SERVICES herein provided. VENDOR further represents and warrants that in the performance of this Agreement, no person having such interest or possible interest shall be employed by it and that no elected official or other officer or employee of the CITY, nor any person whose salary is payable, in whole or in part, by the CITY, or any corporation, partnership or association in which such official, officer or employee is directly or indirectly interested shall have any such interest, direct or indirect, in this Agreement or in the proceeds thereof, unless such person submits a letter disclosing such an interest, or the appearance or potential of same, to the City Manager and a copy to the Corporation Counsel of the CITY in advance of the negotiation and execution of this Agreement.

For failure to submit such letter of disclosure, or for a breach or violation of such representations or warranties, the CITY shall have the right to annul this Agreement without liability, entitling the CITY to recover all monies paid hereunder and VENDOR shall not make claim for, or be entitled to recover, any sum or sums otherwise due under this Agreement. This remedy, if elected, shall not constitute the sole remedy afforded the CITY for such falsity or breach, nor shall it constitute a waiver of the CITY'S right to claim damages or otherwise refuse payment to or to take any other action provided for by law, in equity or pursuant to this Agreement.

ARTICLE 7. FAIR PRACTICES

VENDOR and each person signing on behalf of the VENDOR represents, warrants and certifies under penalty of perjury, that to the best of their knowledge and belief:

A. The prices in this Agreement have been arrived at independently by VENDOR without collusion, consultation, communication, or agreement with any other bidder, proposer or with any competitor as to any matter relating to such prices which has the effect of, or has as its purpose, restricting competition;

B. Unless otherwise required by law, the prices which have been quoted in this Agreement and on the proposal or quote submitted by VENDOR have not been knowingly disclosed by VENDOR prior to the communication of such quote to the CITY or the proposal opening directly or indirectly, to any other bidder, proposer or to any competitor; and

C. No attempt has been made or will be made by VENDOR to induce any other person, partnership, corporation or entity to submit or not to submit a proposal or quote for the purpose of restricting competition.

The fact that VENDOR (i) has published price lists, rates, or tariffs covering items being procured, (ii) has informed prospective customers of proposed or pending publication of new or revised price lists for such items, or (iii) has provided the same items to the other customers at the same prices being bid or quoted does not constitute, without more, a disclosure within the meaning of this Article.

ARTICLE 8. INDEPENDENT CONTRACTOR

In performing the SERVICES and incurring expenses under this Agreement, VENDOR shall operate as, and have the status of, an independent contractor and shall not act as agent, or be an agent, of the CITY. As an independent contractor, VENDOR shall be solely responsible for determining the means

and methods of performing the SERVICES and shall have complete charge and responsibility for VENDOR'S personnel engaged in the performance of the same.

In accordance with such status as independent contractor, VENDOR covenants and agrees that neither it nor its employees or agents will hold themselves out as, nor claim to be officers or employees of the CITY, or of any department, agency or unit thereof by reason hereof, and that they will not, by reason hereof, make any claim, demand or application to or for any right or privilege applicable to an officer or employee of the CITY including, but not limited to, Worker's Compensation coverage, health coverage, Unemployment Insurance Benefits, Social Security coverage or employee retirement membership or credit.

ARTICLE 9. ASSIGNMENT AND SUBCONTRACTING

VENDOR shall not assign any of its rights, interest or obligations under this Agreement, or subcontract any of the SERVICES to be performed by it under this Agreement, without the prior express written consent of the City Manager of the CITY. Any such subcontract, assignment, transfer, conveyance, or other disposition without such prior consent shall be void and any SERVICES provided thereunder will not be compensated. Any subcontract or assignment properly consented to by the CITY shall be subject to all of the terms and conditions of this Agreement.

Failure of VENDOR to obtain any required consent to any assignment, shall be grounds for termination for cause, at the option of the CITY and if so terminated, the CITY shall thereupon be relieved and discharged from any further liability and obligation to VENDOR, its assignees or transferees, and all monies that may become due under this Agreement shall be forfeited to the CITY except so much thereof as may be necessary to pay VENDOR'S employees for past service.

The provisions of this clause shall not hinder, prevent, or affect any assignment by VENDOR for the benefit of its creditors made pursuant to the laws of the State of New York.

This agreement may be assigned by the CITY to any corporation, agency, municipality or instrumentality having authority to accept such assignment.

ARTICLE 10. BOOKS AND RECORDS

VENDOR agrees to maintain separate and accurate books, records, documents and other evidence and accounting procedures and practices which sufficiently and properly reflect all direct and indirect costs of any nature expended in the performance of this Agreement.

ARTICLE 11. RETENTION OF RECORDS

VENDOR agrees to retain all books, records and other documents relevant to this Agreement for six (6) years after the final payment or termination of this Agreement, whichever later occurs. CITY, or any State and/or Federal auditors, and any other persons duly authorized by the CITY, shall have full access and the right to examine any of said materials during said period.

ARTICLE 12. AUDIT BY THE CITY AND OTHERS

All Claimant Certification forms or invoices presented for payment to be made hereunder, and the books, records and accounts upon which said Claimant's Certification forms or invoices are based are subject to audit by the CITY. VENDOR shall submit any and all documentation and justification in support of expenditures or fees under this Agreement as may be required by the CITY so that it may evaluate the reasonableness of the charges, and VENDOR shall make its records available to the CITY upon request. All books, Claimant's Certification forms, records, reports, cancelled checks and any and all similar material may be subject to periodic

inspection, review and audit by the CITY, the State of New York, the federal government, and/or other persons duly authorized by the CITY. Such audits may include examination and review of the source and application of all funds whether from the CITY, State, the federal government, private sources or otherwise. VENDOR shall not be entitled to any interim or final payment under this Agreement if any audit requirements and/or requests have not been satisfactorily met.

ARTICLE 13. INSURANCE

For all of the SERVICES set forth herein and as hereinafter amended, VENDOR shall maintain or cause to be maintained, in full force and effect during the term of this Agreement, at its expense, insurance as may be required by law. Such policies are to be in the broadest form available on usual commercial terms and shall be written by insurers of recognized financial standing satisfactory to the CITY who have been fully informed as to the nature of the SERVICES to be performed. Where applicable, the CITY shall be an additional insured on all such policies with the understanding that any obligations imposed upon the insured (including, without limitation, the liability to pay premiums) shall be the sole obligation of VENDOR and not those of the CITY. Notwithstanding anything to the contrary in this Agreement, VENDOR irrevocably waives all claims against the CITY for all losses, damages, claims or expenses resulting from risks commercially insurable under this insurance described in this Article 13. The provisions of insurance by VENDOR shall not in any way limit VENDOR'S liability under this Agreement.

When applicable, VENDOR shall attach to this Agreement certificates of insurance evidencing VENDOR'S compliance with the following requirements:

Each policy of insurance shall contain clauses to the effect that (i) such insurance shall be primary without right of contribution of any other insurance carried by or on behalf of the CITY with respect to its interests, (ii) it shall

not be cancelled, including, without limitation, for non-payment of premium, or materially amended, without fifteen (15) days prior written notice to the CITY, directed to the City Manager, the Corporation Counsel and to the Department Head and the CITY shall have the option to pay any necessary premiums to keep such insurance in effect and charge the cost back to VENDOR.

To the extent it is commercially available, each policy of insurance shall be provided on an "occurrence" basis. If any insurance is not so commercially available on an "occurrence" basis, it shall be provided on a "claims made" basis, and all such "claims made" policies shall provide that:

A. Policy retroactive dates coincide with or precede VENDOR'S start of the performance of this Agreement (including subsequent policies purchased as renewals or replacements);

B. VENDOR will maintain similar insurance for at least six (6) years following final acceptance of the SERVICES;

C. If the insurance is terminated for any reason, VENDOR agrees to purchase an unlimited extended reporting provision to report claims arising from the SERVICES performed or goods provided for the CITY; and

D. Immediate notice shall be given to the CITY through the City Manager of circumstances or incidents that might give rise to future claims with respect to the SERVICES performed under this Agreement.

ARTICLE 14. INDEMNIFICATION

VENDOR agrees to defend, indemnify and hold harmless the CITY, including its officials, employees and agents, against all claims, losses, damages, liabilities, costs or expenses (including, without limitation, reasonable attorney fees and costs of litigation and/or settlement), whether incurred as a result of a claim by a third party or any other person or entity, arising out of

the SERVICES performed pursuant to this Agreement which the CITY or its officials, employees or agents, may suffer by reason of any negligence, fault, act or omission of VENDOR, its employees, representatives, subcontractors, assignees, or agents.

In the event that any claim is made or any action is brought against the CITY arising out of the negligence, fault, act, or omission of an employee, representative, subcontractor, assignee, or agent of VENDOR either within or without the scope of his respective employment, representation, subcontract, assignment or agency, or arising out of VENDOR'S negligence, fault, act or omission, then the CITY shall have the right to withhold further payments hereunder for the purpose of set-off of sufficient sums to cover the said claim or action. The rights and remedies of the CITY provided for in this clause shall not be exclusive and are in addition to any other rights and remedies provided by law or this Agreement.

ARTICLE 15. PROTECTION OF CITY PROPERTY

VENDOR assumes the risk of and shall be responsible for, any loss or damage to CITY property, including property and equipment leased by the CITY, used in the performance of this Agreement and caused, either directly or indirectly by the acts, conduct, omissions or lack of good faith of VENDOR, its officers, directors, members, partners, employees, representatives or assignees, or any person, firm, company, agent or others engaged by VENDOR as an expert consultant specialist or subcontractor hereunder.

In the event that any such CITY property is lost or damaged, except for normal wear and tear, then the CITY shall have the right to withhold further payments hereunder for the purposes of set-off in sufficient sums to cover such loss or damage.

VENDOR agrees to defend, indemnify and hold the CITY harmless from any and all liability or claim for loss, cost, damage or expense (including, without limitation,

reasonable attorney fees and costs of litigation and/or settlement) due to any such loss or damage to any such CITY property described in this Article.

The rights and remedies of the CITY provided herein shall not be exclusive and are in addition to any other rights and remedies provided by law or by this Agreement.

ARTICLE 16. CONFIDENTIAL INFORMATION

In the course of providing the SERVICES hereunder, VENDOR may acquire knowledge or come into possession of confidential, sensitive or proprietary information belonging to CITY. VENDOR agrees that it will keep and maintain such information securely and confidentially, and not disclose such information to any third parties, including the media, nor use such information in any manner publically or privately, without receiving the prior approval, in writing, of the CITY authorizing such use. VENDOR'S obligations under this clause to maintain the confidentiality of such information and to refrain from using such information in any manner without the prior written approval of the CITY shall survive the termination or expiration of this Agreement.

ARTICLE 17. TERMINATION

The CITY may, by written notice to VENDOR effective upon mailing, terminate this Agreement in whole or in part at any time (i) for CITY'S convenience, (ii) upon the failure of VENDOR to comply with any of the terms or conditions of this agreement, or (iii) upon the VENDOR becoming insolvent or bankrupt.

Upon termination of this Agreement, the VENDOR shall comply with any and all CITY closeout procedures, including, but not limited to:

A. Accounting for and refunding to the CITY within thirty (30) days, any

unexpended funds which have been paid to VENDOR pursuant to this Agreement; and

B. Furnishing within thirty (30) days an inventory to the CITY of all equipment, appurtenances and property purchased by VENDOR through or provided under this Agreement, and carrying out any CITY directive concerning the disposition thereof.

In the event the CITY terminates this Agreement in whole or in part, as provided in this Article, the CITY may procure, upon such terms and in such manner as deemed appropriate, SERVICES similar to those so terminated, and the VENDOR shall continue the performance of this Agreement to the extent not terminated hereby. If this Agreement is terminated in whole or in part for other than the convenience of the CITY, any SERVICES or goods procured by the CITY to complete the SERVICES herein will be charged to VENDOR and/or set-off against any sums due VENDOR.

Notwithstanding any other provision of this Agreement, VENDOR shall not be relieved of liability to the CITY for damages sustained by the CITY by virtue of VENDOR'S breach of the Agreement or failure to perform in accordance with applicable standards, and the CITY may withhold payments to VENDOR for the purposes of set-off until such time as the exact amount of damages due to the CITY from VENDOR is determined.

The rights and remedies of the CITY provided herein shall not be exclusive and are in addition to any other rights and remedies provided by law or this Agreement.

ARTICLE 18. GENERAL RELEASE

The acceptance by VENDOR or its assignees of the final payment under this Agreement, whether by Claimant's Certification form, judgment of any court of competent jurisdiction, or administrative means shall constitute and operate as a general release to the CITY from any and all claims of VENDOR arising out of the performance of this Agreement.

ARTICLE 19. SET-OFF RIGHTS

The CITY shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but are not limited to, the CITY'S right to withhold for the purposes of set-off any monies otherwise due VENDOR (i) under this Agreement, (ii) under any other agreement or contract with the CITY, including any agreement or contract for a term commencing prior to or after the term of this Agreement, (iii) from the CITY by operation of law, the CITY also has the right to withhold any monies otherwise due under this Agreement for the purposes of set-off as to any amounts due and owing to the CITY for any reason whatsoever including, without limitation, tax delinquencies, fee delinquencies or monetary penalties or interest relative thereto.

ARTICLE 20. DISPUTE RESOLUTION

All disputes shall be heard in the Supreme Court of the State of New York, with venue in Orange County or if appropriate, in the Federal District Court with venue in the Southern District of New York, White Plains division.

ARTICLE 21. GOVERNING LAW

This Agreement shall be governed by the laws of the State of New York. VENDOR shall render all SERVICES under this Agreement in accordance with applicable provisions of all federal, state and local laws, rules and regulations as are in effect at the time such SERVICES are rendered.

ARTICLE 22. CURRENT OR FORMER CITY EMPLOYEES

VENDOR represents and warrants that it shall not retain the SERVICES of any CITY employee or former CITY employee in connection with this Agreement or any other agreement that said VENDOR has or may have with the CITY without the express written permission of the CITY. This limitation period covers the preceding three (3) years or longer if the CITY employee or former CITY employee has or may have an

actual or perceived conflict of interests due to their position with the CITY.

For a breach or violation of such representations or warranties, the CITY shall have the right to annul this Agreement without liability, entitling the CITY to recover all monies paid hereunder and VENDOR shall not make claim for or be entitled to recover, any sum or sums otherwise due under this Agreement. This remedy, if effected, shall not constitute the sole remedy afforded the CITY for such falsity or breach, nor shall it constitute a waiver of the CITY'S right to claim damages or otherwise refuse payment or to take any other action provided for by law or pursuant to this Agreement.

ARTICLE 23. ENTIRE AGREEMENT

The rights and obligations of the parties and their respective agents, successors and assignees shall be subject to and governed by this Agreement, including Schedules A and B, which supersede any other understandings or writings between or among the parties.

ARTICLE 24. MODIFICATION

No changes, amendments or modifications of any of the terms and/or conditions of this Agreement shall be valid unless reduced to writing and signed by the party to be bound. Changes in the scope of SERVICES in this Agreement shall not be binding, and no payment shall be due in connection therewith, unless prior to the performance of any such SERVICES, the City Manager of the CITY, after consultation with the Department Head and Corporation Counsel, executes an Addendum to this Agreement, which Addendum shall specifically set forth the scope of such extra or additional SERVICES and the amount of compensation and the extension of the time for performance, if any, for any such SERVICES. Unless otherwise specifically provided for therein, the provisions of this Agreement shall apply with full force and effect to the terms and conditions contained in such Addendum.

IN WITNESS THEREOF, the parties hereto have executed this Agreement as of the date set forth above.

OVERVIEW

Description

Art-Biz is a series of free classes for youth focusing on providing exposure to career paths and career opportunities in arts and culture. Spanning a variety of artistic media, including visual art, performance, and hand-crafts, as well as other forms of cultural production such as writing, gardening, and culinary arts, Art-Biz will be taught by Newburgh artists, makers, and other creative professionals. The goal of Art-Biz is to engage youth and their families in activities that can lead to viable creative career paths and to provide paid opportunities for our artistic community in line with the City of Newburgh, NY Code S14-1 (B) (6) To create expanded educational opportunities to all persons, and to young persons in particular, to offer learning about the arts, and to expand the use of the arts and artists in providing education to all persons and (7) To inspire youth to become aware of and involved with the arts and the role of art in their lives and in the life of the City of Newburgh; and to provide youth with opportunities to learn about and participate in the arts and arts-related projects, thereby enriching their own experience and enhancing their ability to contribute to the enrichment of their community.

Principle Organizer

This program is being organized and offered by the Newburgh Arts & Cultural Commission (NACC) in furtherance of our Mission statement to advise and make recommendations to the City government and its agencies on issues related to the development of art and culture and to insure public funding for the arts and arts education; to promote arts and culture as an integral part of community life; to foster a creative environment reflective of the multicultural nature of the City of Newburgh and to guarantee equal access to the arts; to enhance access to, appreciation of and participation in the arts for all persons, including youth in particular; to provide more educational opportunities for all persons to learn about the arts, and to increase the role played by the arts in education in all its forms.

Timeline

Goals for Newburgh Community

Art-Biz is designed to serve the community in a two-fold capacity:

First: To provide art and cultural classes to Newburgh youth in order to engage their creativity, develop tactile skills and expose them to working artists and makers and the art and culture as a viable and fulfilling career path.

Second:

To develop an environment that enables arts and cultural groups to flourish with adequate work, performance, and exhibition space and economic opportunities for artists of all disciplines; to encourage artists to become more involved in community and public-based institutions and projects; and to engage artists representing a wide range of the arts, including but not limited to visual arts (painting, drawing, and design); handcrafted arts (pottery, sewing, weaving); auditory arts (songwriting, instrument making, singing, and spoken word); performance and movement arts (dance, yoga, martial arts); written arts (poetry, short story writing); culinary arts (cooking, foraging, and gardening); and more.

PROJECT DETAILS

Public arts and cultural classes for youth will be held at the Common Grounds Farmers Market at Safe Harbors Green for 8 consecutive Saturdays during the Summer/Fall of 2023. Classes will be tailored to youth ages 14-18 depending on the skill level required for the specific class.

A project manager will be selected in the month of May/June. The Project Manager will be employed from June through October to oversee the project, coordinate with artist-instructors and oversee each class.

Class curriculum will be developed by individual artists. We will invite proposals from local artists and hold a selection process to determine viable classes. VENDOR represents and warrants that neither it nor any of its directors, officers, members, partners or employees, have any interest nor shall they acquire any interest, directly or indirectly which would or may conflict in any manner or degree with the performance or rendering of the SERVICES herein provided. VENDOR further represents and warrants that in the performance of this Agreement, no person having such interest or possible interest shall be employed by it and that no elected official or other officer or employee of the CITY, nor any person whose salary is payable, in whole or in part, by the CITY, or any corporation, partnership or association in which such official, officer or employee is directly or indirectly interested shall have any such interest, direct or indirect, in this Agreement or in the proceeds thereof, unless such person submits a letter disclosing such an interest, or the appearance or potential of same, to the City Manager and a copy to the Corporation Counsel of the CITY in advance of the negotiation and execution of this Agreement.

For failure to submit such letter of disclosure, or for a breach or violation of such representations or warranties, the CITY shall have the right to annul this Agreement without liability, entitling the CITY to recover all monies paid hereunder and VENDOR shall not make claim for, or be entitled to recover, any sum or sums otherwise due under this Agreement. This remedy, if elected, shall not constitute the sole remedy afforded the CITY for such falsity or breach, nor shall it constitute a waiver of the CITY'S right to claim damages or otherwise refuse payment to or to take any other action provided for by law, in equity or pursuant to this Agreement.

ARTICLE 7. FAIR PRACTICES

VENDOR and each person signing on behalf of the VENDOR represents, warrants and certifies under penalty of perjury, that to the best of their knowledge and belief:

A. The prices in this Agreement have been arrived at independently by VENDOR without collusion, consultation, communication, or agreement with any other bidder, proposer or with any competitor as to any matter relating to such prices which has the effect of, or has as its purpose, restricting competition;

B. Unless otherwise required by law, the prices which have been quoted in this Agreement and on the proposal or quote submitted by VENDOR have not been knowingly disclosed by VENDOR prior to the communication of such quote to the CITY or the proposal opening directly or indirectly, to any other bidder, proposer or to any competitor; and

C. No attempt has been made or will be made by VENDOR to induce any other person, partnership, corporation or entity to submit or not to submit a proposal or quote for the purpose of restricting competition.

The fact that VENDOR (i) has published price lists, rates, or tariffs covering items being procured, (ii) has informed prospective customers of proposed or pending publication of new or revised price lists for such items, or (iii) has provided the same items to the other customers at the same prices being bid or quoted does not constitute, without more, a disclosure within the meaning of this Article.

ARTICLE 8. INDEPENDENT CONTRACTOR

In performing the SERVICES and incurring expenses under this Agreement, VENDOR shall operate as, and have the status of, an independent contractor and shall not act as agent, or be an agent, of the CITY. As an independent contractor, VENDOR shall be solely responsible for determining the means

and methods of performing the SERVICES and shall have complete charge and responsibility for VENDOR'S personnel engaged in the performance of the same.

In accordance with such status as independent contractor, VENDOR covenants and agrees that neither it nor its employees or agents will hold themselves out as, nor claim to be officers or employees of the CITY, or of any department, agency or unit thereof by reason hereof, and that they will not, by reason hereof, make any claim, demand or application to or for any right or privilege applicable to an officer or employee of the CITY including, but not limited to, Worker's Compensation coverage, health coverage, Unemployment Insurance Benefits, Social Security coverage or employee retirement membership or credit.

ARTICLE 9. ASSIGNMENT AND SUBCONTRACTING

VENDOR shall not assign any of its rights, interest or obligations under this Agreement, or subcontract any of the SERVICES to be performed by it under this Agreement, without the prior express written consent of the City Manager of the CITY. Any such subcontract, assignment, transfer, conveyance, or other disposition without such prior consent shall be void and any SERVICES provided thereunder will not be compensated. Any subcontract or assignment properly consented to by the CITY shall be subject to all of the terms and conditions of this Agreement.

Failure of VENDOR to obtain any required consent to any assignment, shall be grounds for termination for cause, at the option of the CITY and if so terminated, the CITY shall thereupon be relieved and discharged from any further liability and obligation to VENDOR, its assignees or transferees, and all monies that may become due under this Agreement shall be forfeited to the CITY except so much thereof as may be necessary to pay VENDOR'S employees for past service.

The provisions of this clause shall not hinder, prevent, or affect any assignment by VENDOR for the benefit of its creditors made pursuant to the laws of the State of New York.

This agreement may be assigned by the CITY to any corporation, agency, municipality or instrumentality having authority to accept such assignment.

ARTICLE 10. BOOKS AND RECORDS

VENDOR agrees to maintain separate and accurate books, records, documents and other evidence and accounting procedures and practices which sufficiently and properly reflect all direct and indirect costs of any nature expended in the performance of this Agreement.

ARTICLE 11. RETENTION OF RECORDS

VENDOR agrees to retain all books, records and other documents relevant to this Agreement for six (6) years after the final payment or termination of this Agreement, whichever later occurs. CITY, or any State and/or Federal auditors, and any other persons duly authorized by the CITY, shall have full access and the right to examine any of said materials during said period.

ARTICLE 12. AUDIT BY THE CITY AND OTHERS

All Claimant Certification forms or invoices presented for payment to be made hereunder, and the books, records and accounts upon which said Claimant's Certification forms or invoices are based are subject to audit by the CITY. VENDOR shall submit any and all documentation and justification in support of expenditures or fees under this Agreement as may be required by the CITY so that it may evaluate the reasonableness of the charges, and VENDOR shall make its records available to the CITY upon request. All books, Claimant's Certification forms, records, reports, cancelled checks and any and all similar material may be subject to periodic

inspection, review and audit by the CITY, the State of New York, the federal government, and/or other persons duly authorized by the CITY. Such audits may include examination and review of the source and application of all funds whether from the CITY, State, the federal government, private sources or otherwise. VENDOR shall not be entitled to any interim or final payment under this Agreement if any audit requirements and/or requests have not been satisfactorily met.

ARTICLE 13. INSURANCE

For all of the SERVICES set forth herein and as hereinafter amended, VENDOR shall maintain or cause to be maintained, in full force and effect during the term of this Agreement, at its expense, insurance as may be required by law. Such policies are to be in the broadest form available on usual commercial terms and shall be written by insurers of recognized financial standing satisfactory to the CITY who have been fully informed as to the nature of the SERVICES to be performed. Where applicable, the CITY shall be an additional insured on all such policies with the understanding that any obligations imposed upon the insured (including, without limitation, the liability to pay premiums) shall be the sole obligation of VENDOR and not those of the CITY. Notwithstanding anything to the contrary in this Agreement, VENDOR irrevocably waives all claims against the CITY for all losses, damages, claims or expenses resulting from risks commercially insurable under this insurance described in this Article 13. The provisions of insurance by VENDOR shall not in any way limit VENDOR'S liability under this Agreement.

When applicable, VENDOR shall attach to this Agreement certificates of insurance evidencing VENDOR'S compliance with the following requirements:

Each policy of insurance shall contain clauses to the effect that (i) such insurance shall be primary without right of contribution of any other insurance carried by or on behalf of the CITY with respect to its interests, (ii) it shall

not be cancelled, including, without limitation, for non-payment of premium, or materially amended, without fifteen (15) days prior written notice to the CITY, directed to the City Manager, the Corporation Counsel and to the Department Head and the CITY shall have the option to pay any necessary premiums to keep such insurance in effect and charge the cost back to VENDOR.

To the extent it is commercially available, each policy of insurance shall be provided on an "occurrence" basis. If any insurance is not so commercially available on an "occurrence" basis, it shall be provided on a "claims made" basis, and all such "claims made" policies shall provide that:

A. Policy retroactive dates coincide with or precede VENDOR'S start of the performance of this Agreement (including subsequent policies purchased as renewals or replacements);

B. VENDOR will maintain similar insurance for at least six (6) years following final acceptance of the SERVICES;

C. If the insurance is terminated for any reason, VENDOR agrees to purchase an unlimited extended reporting provision to report claims arising from the SERVICES performed or goods provided for the CITY; and

D. Immediate notice shall be given to the CITY through the City Manager of circumstances or incidents that might give rise to future claims with respect to the SERVICES performed under this Agreement.

ARTICLE 14. INDEMNIFICATION

VENDOR agrees to defend, indemnify and hold harmless the CITY, including its officials, employees and agents, against all claims, losses, damages, liabilities, costs or expenses (including, without limitation, reasonable attorney fees and costs of litigation and/or settlement), whether incurred as a result of a claim by a third party or any other person or entity, arising out of

the SERVICES performed pursuant to this Agreement which the CITY or its officials, employees or agents, may suffer by reason of any negligence, fault, act or omission of VENDOR, its employees, representatives, subcontractors, assignees, or agents.

In the event that any claim is made or any action is brought against the CITY arising out of the negligence, fault, act, or omission of an employee, representative, subcontractor, assignee, or agent of VENDOR either within or without the scope of his respective employment, representation, subcontract, assignment or agency, or arising out of VENDOR'S negligence, fault, act or omission, then the CITY shall have the right to withhold further payments hereunder for the purpose of set-off of sufficient sums to cover the said claim or action. The rights and remedies of the CITY provided for in this clause shall not be exclusive and are in addition to any other rights and remedies provided by law or this Agreement.

ARTICLE 15. PROTECTION OF CITY PROPERTY

VENDOR assumes the risk of and shall be responsible for, any loss or damage to CITY property, including property and equipment leased by the CITY, used in the performance of this Agreement and caused, either directly or indirectly by the acts, conduct, omissions or lack of good faith of VENDOR, its officers, directors, members, partners, employees, representatives or assignees, or any person, firm, company, agent or others engaged by VENDOR as an expert consultant specialist or subcontractor hereunder.

In the event that any such CITY property is lost or damaged, except for normal wear and tear, then the CITY shall have the right to withhold further payments hereunder for the purposes of set-off in sufficient sums to cover such loss or damage.

VENDOR agrees to defend, indemnify and hold the CITY harmless from any and all liability or claim for loss, cost, damage or expense (including, without limitation,

reasonable attorney fees and costs of litigation and/or settlement) due to any such loss or damage to any such CITY property described in this Article.

The rights and remedies of the CITY provided herein shall not be exclusive and are in addition to any other rights and remedies provided by law or by this Agreement.

ARTICLE 16. CONFIDENTIAL INFORMATION

In the course of providing the SERVICES hereunder, VENDOR may acquire knowledge or come into possession of confidential, sensitive or proprietary information belonging to CITY. VENDOR agrees that it will keep and maintain such information securely and confidentially, and not disclose such information to any third parties, including the media, nor use such information in any manner publically or privately, without receiving the prior approval, in writing, of the CITY authorizing such use. VENDOR'S obligations under this clause to maintain the confidentiality of such information and to refrain from using such information in any manner without the prior written approval of the CITY shall survive the termination or expiration of this Agreement.

ARTICLE 17. TERMINATION

The CITY may, by written notice to VENDOR effective upon mailing, terminate this Agreement in whole or in part at any time (i) for CITY'S convenience, (ii) upon the failure of VENDOR to comply with any of the terms or conditions of this agreement, or (iii) upon the VENDOR becoming insolvent or bankrupt.

Upon termination of this Agreement, the VENDOR shall comply with any and all CITY closeout procedures, including, but not limited to:

A. Accounting for and refunding to the CITY within thirty (30) days, any

unexpended funds which have been paid to VENDOR pursuant to this Agreement; and

B. Furnishing within thirty (30) days an inventory to the CITY of all equipment, appurtenances and property purchased by VENDOR through or provided under this Agreement, and carrying out any CITY directive concerning the disposition thereof.

In the event the CITY terminates this Agreement in whole or in part, as provided in this Article, the CITY may procure, upon such terms and in such manner as deemed appropriate, SERVICES similar to those so terminated, and the VENDOR shall continue the performance of this Agreement to the extent not terminated hereby. If this Agreement is terminated in whole or in part for other than the convenience of the CITY, any SERVICES or goods procured by the CITY to complete the SERVICES herein will be charged to VENDOR and/or set-off against any sums due VENDOR.

Notwithstanding any other provision of this Agreement, VENDOR shall not be relieved of liability to the CITY for damages sustained by the CITY by virtue of VENDOR'S breach of the Agreement or failure to perform in accordance with applicable standards, and the CITY may withhold payments to VENDOR for the purposes of set-off until such time as the exact amount of damages due to the CITY from VENDOR is determined.

The rights and remedies of the CITY provided herein shall not be exclusive and are in addition to any other rights and remedies provided by law or this Agreement.

ARTICLE 18. GENERAL RELEASE

The acceptance by VENDOR or its assignees of the final payment under this Agreement, whether by Claimant's Certification form, judgment of any court of competent jurisdiction, or administrative means shall constitute and operate as a general release to the CITY from any and all claims of VENDOR arising out of the performance of this Agreement.

ARTICLE 19. SET-OFF RIGHTS

The CITY shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but are not limited to, the CITY'S right to withhold for the purposes of set-off any monies otherwise due VENDOR (i) under this Agreement, (ii) under any other agreement or contract with the CITY, including any agreement or contract for a term commencing prior to or after the term of this Agreement, (iii) from the CITY by operation of law, the CITY also has the right to withhold any monies otherwise due under this Agreement for the purposes of set-off as to any amounts due and owing to the CITY for any reason whatsoever including, without limitation, tax delinquencies, fee delinquencies or monetary penalties or interest relative thereto.

ARTICLE 20. DISPUTE RESOLUTION

All disputes shall be heard in the Supreme Court of the State of New York, with venue in Orange County or if appropriate, in the Federal District Court with venue in the Southern District of New York, White Plains division.

ARTICLE 21. GOVERNING LAW

This Agreement shall be governed by the laws of the State of New York. VENDOR shall render all SERVICES under this Agreement in accordance with applicable provisions of all federal, state and local laws, rules and regulations as are in effect at the time such SERVICES are rendered.

ARTICLE 22. CURRENT OR FORMER CITY EMPLOYEES

VENDOR represents and warrants that it shall not retain the SERVICES of any CITY employee or former CITY employee in connection with this Agreement or any other agreement that said VENDOR has or may have with the CITY without the express written permission of the CITY. This limitation period covers the preceding three (3) years or longer if the CITY employee or former CITY employee has or may have an

actual or perceived conflict of interests due to their position with the CITY.

For a breach or violation of such representations or warranties, the CITY shall have the right to annul this Agreement without liability, entitling the CITY to recover all monies paid hereunder and VENDOR shall not make claim for or be entitled to recover, any sum or sums otherwise due under this Agreement. This remedy, if effected, shall not constitute the sole remedy afforded the CITY for such falsity or breach, nor shall it constitute a waiver of the CITY'S right to claim damages or otherwise refuse payment or to take any other action provided for by law or pursuant to this Agreement.

ARTICLE 23. ENTIRE AGREEMENT

The rights and obligations of the parties and their respective agents, successors and assignees shall be subject to and governed by this Agreement, including Schedules A and B, which supersede any other understandings or writings between or among the parties.

OF

JULY 10, 2023

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF NEWBURGH
URGING GOVERNOR HOCHUL TO SIGN A7208/ S6893
DECOMMISSIONING NUCLEAR PLANT DISCHARGES INTO THE HUDSON RIVER**

WHEREAS, Holtech International, the company decommissioning the Indian Point nuclear power plant, announced its intention to release water from onsite radioactive fuel waste pools into the Hudson River; and

WHEREAS, to date there has been no specific reporting of the radionuclide contents of this water which is heavily contaminated from the storage of the nuclear fuel waste; and

WHEREAS, pre-release filtration to remove these isotopes has been presented as a solution to reduce the content of these carcinogenic contaminants to a level “as low as reasonably achievable;” and

WHEREAS, the National Academy of Science has indicated that there is no verifiable safe level of these isotopes when they are ingested or inhaled and such pre-release treatment would not remove tritium, also carcinogenic, from the water; and

WHEREAS, tritium has a half-life of only 12.3 years, and therefore the contaminated water can be reasonably stored in enclosed tanks on site without interfering with the decommissioning of the waste pools, affording time to study alternative waste solutions or uses for the tritium; and

WHEREAS, any contaminants in the Hudson River present the risk of entering the food chain and endangers a source of recreational and economic activities; and

WHEREAS, the City of Newburgh, New York is part of the most densely populated and economically important regions in the country and the proposed discharge of radioactive water presents a huge threat to the economic vitality of the City of Newburgh and the surrounding communities and industries reliant on a clean and healthy Hudson River; and

WHEREAS, the perception of a polluted Hudson has the potential to devastate home values in the area, and deter both locals and visitors from partaking in the growing tourism and recreation scene of the Hudson Valley; and

WHEREAS, the New York State Legislature passed A7208/S-6893 which prohibits the dumping of radioactive waste from decommissioning nuclear plants into the Hudson River;

NOW THEREFORE BE IT RESOLVED, that the City of Newburgh opposes the plan to release over a million gallons of contaminated water from the Indian Point Nuclear Power Plant site into the Hudson River; and

BE IT FURTHER RESOLVED, that the City of Newburgh urges Governor Hochul to sign A7208/S6893 with due haste before Holtech International acts on its plan to dump more than one million gallons of toxic radioactive waste from the decommissioning Indian Point nuclear plant into the Hudson River during the summer of 2023; and

BE IT FURTHER RESOLVED, that the City Clerk, no later than 30 days after passage of this Resolution, shall transmit copies of this resolution to the following individuals and agencies:

2023-2024 Regular Sessions

IN SENATE

May 15, 2023

Introduced by Sen. HARCKHAM -- read twice and ordered printed, and when printed to be committed to the Committee on Environmental Conservation

AN ACT to amend the environmental conservation law, in relation to decommissioning nuclear power plant discharges into the Hudson River

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The environmental conservation law is amended by adding a
2 new article 30 to read as follows:

ARTICLE 30

DECOMMISSIONING NUCLEAR POWER PLANT DISCHARGES INTO THE HUDSON RIVER

Section 30-0101. Legislative findings.

30-0103. Unlawful discharges.

§ 30-101. Legislative findings.

3
4
5
6
7
8 1. The legislature finds that while the energy and economic output
9 generated by nuclear power plants are beneficial to the state and its
10 residents, discharges into waters of the state of radiological agents
11 from nuclear power plants have various adverse and substantial economic
12 impacts on the state and its residents.

13 2. The legislature further finds that communities with interests in
14 the Hudson River are concerned with the economic impacts on local real
15 estate values and economic development with respect to the discharge of
16 waste from nuclear power plants into waters of the state during plant
17 decommissioning, which effect is no longer balanced by countervailing
18 economic benefits of the plant to those communities that the plant
19 provided during operation.

20 3. The legislature further finds that other methods of managing waste
21 from decommissioning nuclear power plants are available and would not
22 result in the same economic impacts.

23 4. The legislature therefore finds and declares that it is the duty of
24 the state to act to preserve the economic vitality of affected communi-
25 ties.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.

LBD11357-03-3

1 § 30-0103. Unlawful discharges.

2 To the extent not subject to preemption by federal law, and notwith-
3 standing any other state or local law, rule, or regulation to the
4 contrary, it shall be unlawful to discharge any radiological substance
5 into the Hudson River in connection with the decommissioning of a nucle-
6 ar power plant.

7 § 2. Article 71 of the environmental conservation law is amended by
8 adding a new title 28 to read as follows:

9 TITLE 28

10 ENFORCEMENT OF ARTICLE 30

11 Section 71-2801. Applicability of title.

12 71-2803. Penalties.

13 71-2805. Attorney general enforcement.

14 § 71-2801. Applicability of title.

15 In addition to the provisions of sections 71-0101 and 71-0301 of this
16 article, the provisions of this title shall be applicable to the
17 enforcement of article 30 of this chapter and to this title.

18 § 71-2803. Penalties.

19 Any person who violates section 30-0103 of this chapter shall be
20 liable for a civil penalty not to exceed thirty-seven thousand five
21 hundred dollars for the first day of the violation, not to exceed seven-
22 ty-five thousand dollars for the second day of the violation, and not to
23 exceed one hundred fifty thousand dollars per violation thereafter. For
24 purposes of this section, each day in which a violation occurs shall be
25 considered a separate violation.

26 § 71-2805. Attorney general enforcement.

27 The penalties provided by section 71-2803 of this title shall be
28 recoverable in an action brought by the attorney general.

29 § 3. Severability. The provisions of this act shall be severable and
30 if any portion thereof or the applicability thereof to any person or
31 circumstances shall be held invalid, the remainder of this act and the
32 application thereof shall not be affected thereby.

33 § 4. This act shall take effect immediately.

ARTICLE 6. CONFLICT OF INTEREST

VENDOR represents and warrants that neither it nor any of its directors, officers, members, partners or employees, have any interest nor shall they acquire any interest, directly or indirectly which would or may conflict in any manner or degree with the performance or rendering of the SERVICES herein provided. VENDOR further represents and warrants that in the performance of this Agreement, no person having such interest or possible interest shall be employed by it and that no elected official or other officer or employee of the CITY, nor any person whose salary is payable, in whole or in part, by the CITY, or any corporation, partnership or association in which such official, officer or employee is directly or indirectly interested shall have any such interest, direct or indirect, in this Agreement or in the proceeds thereof, unless such person submits a letter disclosing such an interest, or the appearance or potential of same, to the City Manager and a copy to the Corporation Counsel of the CITY in advance of the negotiation and execution of this Agreement.

For failure to submit such letter of disclosure, or for a breach or violation of such representations or warranties, the CITY shall have the right to annul this Agreement without liability, entitling the CITY to recover all monies paid hereunder and VENDOR shall not make claim for, or be entitled to recover, any sum or sums otherwise due under this Agreement. This remedy, if elected, shall not constitute the sole remedy afforded the CITY for such falsity or breach, nor shall it constitute a waiver of the CITY'S right to claim damages or otherwise refuse payment to or to take any other action provided for by law, in equity or pursuant to this Agreement.

ARTICLE 7. FAIR PRACTICES

VENDOR and each person signing on behalf of the VENDOR represents, warrants and certifies under penalty of perjury, that to the best of their knowledge and belief:

A. The prices in this Agreement have been arrived at independently by VENDOR without collusion, consultation, communication, or agreement with any other bidder, proposer or with any competitor as to any matter relating to such prices which has the effect of, or has as its purpose, restricting competition;

B. Unless otherwise required by law, the prices which have been quoted in this Agreement and on the proposal or quote submitted by VENDOR have not been knowingly disclosed by VENDOR prior to the communication of such quote to the CITY or the proposal opening directly or indirectly, to any other bidder, proposer or to any competitor; and

C. No attempt has been made or will be made by VENDOR to induce any other person, partnership, corporation or entity to submit or not to submit a proposal or quote for the purpose of restricting competition.

The fact that VENDOR (i) has published price lists, rates, or tariffs covering items being procured, (ii) has informed prospective customers of proposed or pending publication of new or revised price lists for such items, or (iii) has provided the same items to the other customers at the same prices being bid or quoted does not constitute, without more, a disclosure within the meaning of this Article.

ARTICLE 8. INDEPENDENT CONTRACTOR

In performing the SERVICES and incurring expenses under this Agreement, VENDOR shall operate as, and have the status of, an independent contractor and shall not act as agent, or be an agent, of the CITY. As an independent contractor, VENDOR shall be solely responsible for determining the means

and methods of performing the SERVICES and shall have complete charge and responsibility for VENDOR'S personnel engaged in the performance of the same.

In accordance with such status as independent contractor, VENDOR covenants and agrees that neither it nor its employees or agents will hold themselves out as, nor claim to be officers or employees of the CITY, or of any department, agency or unit thereof by reason hereof, and that they will not, by reason hereof, make any claim, demand or application to or for any right or privilege applicable to an officer or employee of the CITY including, but not limited to, Worker's Compensation coverage, health coverage, Unemployment Insurance Benefits, Social Security coverage or employee retirement membership or credit.

ARTICLE 9. ASSIGNMENT AND SUBCONTRACTING

VENDOR shall not assign any of its rights, interest or obligations under this Agreement, or subcontract any of the SERVICES to be performed by it under this Agreement, without the prior express written consent of the City Manager of the CITY. Any such subcontract, assignment, transfer, conveyance, or other disposition without such prior consent shall be void and any SERVICES provided thereunder will not be compensated. Any subcontract or assignment properly consented to by the CITY shall be subject to all of the terms and conditions of this Agreement.

Failure of VENDOR to obtain any required consent to any assignment, shall be grounds for termination for cause, at the option of the CITY and if so terminated, the CITY shall thereupon be relieved and discharged from any further liability and obligation to VENDOR, its assignees or transferees, and all monies that may become due under this Agreement shall be forfeited to the CITY except so much thereof as may be necessary to pay VENDOR'S employees for past service.

The provisions of this clause shall not hinder, prevent, or affect any assignment by VENDOR for the benefit of its creditors made pursuant to the laws of the State of New York.

This agreement may be assigned by the CITY to any corporation, agency, municipality or instrumentality having authority to accept such assignment.

ARTICLE 10. BOOKS AND RECORDS

VENDOR agrees to maintain separate and accurate books, records, documents and other evidence and accounting procedures and practices which sufficiently and properly reflect all direct and indirect costs of any nature expended in the performance of this Agreement.

ARTICLE 11. RETENTION OF RECORDS

VENDOR agrees to retain all books, records and other documents relevant to this Agreement for six (6) years after the final payment or termination of this Agreement, whichever later occurs. CITY, or any State and/or Federal auditors, and any other persons duly authorized by the CITY, shall have full access and the right to examine any of said materials during said period.

ARTICLE 12. AUDIT BY THE CITY AND OTHERS

All Claimant Certification forms or invoices presented for payment to be made hereunder, and the books, records and accounts upon which said Claimant's Certification forms or invoices are based are subject to audit by the CITY. VENDOR shall submit any and all documentation and justification in support of expenditures or fees under this Agreement as may be required by the CITY so that it may evaluate the reasonableness of the charges, and VENDOR shall make its records available to the CITY upon request. All books, Claimant's Certification forms, records, reports, cancelled checks and any and all similar material may be subject to periodic

inspection, review and audit by the CITY, the State of New York, the federal government, and/or other persons duly authorized by the CITY. Such audits may include examination and review of the source and application of all funds whether from the CITY, State, the federal government, private sources or otherwise. VENDOR shall not be entitled to any interim or final payment under this Agreement if any audit requirements and/or requests have not been satisfactorily met.

ARTICLE 13. INSURANCE

For all of the SERVICES set forth herein and as hereinafter amended, VENDOR shall maintain or cause to be maintained, in full force and effect during the term of this Agreement, at its expense, insurance as may be required by law. Such policies are to be in the broadest form available on usual commercial terms and shall be written by insurers of recognized financial standing satisfactory to the CITY who have been fully informed as to the nature of the SERVICES to be performed. Where applicable, the CITY shall be an additional insured on all such policies with the understanding that any obligations imposed upon the insured (including, without limitation, the liability to pay premiums) shall be the sole obligation of VENDOR and not those of the CITY. Notwithstanding anything to the contrary in this Agreement, VENDOR irrevocably waives all claims against the CITY for all losses, damages, claims or expenses resulting from risks commercially insurable under this insurance described in this Article 13. The provisions of insurance by VENDOR shall not in any way limit VENDOR'S liability under this Agreement.

When applicable, VENDOR shall attach to this Agreement certificates of insurance evidencing VENDOR'S compliance with the following requirements:

Each policy of insurance shall contain clauses to the effect that (i) such insurance shall be primary without right of contribution of any other insurance carried by or on behalf of the CITY with respect to its interests, (ii) it shall

not be cancelled, including, without limitation, for non-payment of premium, or materially amended, without fifteen (15) days prior written notice to the CITY, directed to the City Manager, the Corporation Counsel and to the Department Head and the CITY shall have the option to pay any necessary premiums to keep such insurance in effect and charge the cost back to VENDOR.

To the extent it is commercially available, each policy of insurance shall be provided on an "occurrence" basis. If any insurance is not so commercially available on an "occurrence" basis, it shall be provided on a "claims made" basis, and all such "claims made" policies shall provide that:

A. Policy retroactive dates coincide with or precede VENDOR'S start of the performance of this Agreement (including subsequent policies purchased as renewals or replacements);

B. VENDOR will maintain similar insurance for at least six (6) years following final acceptance of the SERVICES;

C. If the insurance is terminated for any reason, VENDOR agrees to purchase an unlimited extended reporting provision to report claims arising from the SERVICES performed or goods provided for the CITY; and

D. Immediate notice shall be given to the CITY through the City Manager of circumstances or incidents that might give rise to future claims with respect to the SERVICES performed under this Agreement.

ARTICLE 14. INDEMNIFICATION

VENDOR agrees to defend, indemnify and hold harmless the CITY, including its officials, employees and agents, against all claims, losses, damages, liabilities, costs or expenses (including, without limitation, reasonable attorney fees and costs of litigation and/or settlement), whether incurred as a result of a claim by a third party or any other person or entity, arising out of

the SERVICES performed pursuant to this Agreement which the CITY or its officials, employees or agents, may suffer by reason of any negligence, fault, act or omission of VENDOR, its employees, representatives, subcontractors, assignees, or agents.

In the event that any claim is made or any action is brought against the CITY arising out of the negligence, fault, act, or omission of an employee, representative, subcontractor, assignee, or agent of VENDOR either within or without the scope of his respective employment, representation, subcontract, assignment or agency, or arising out of VENDOR'S negligence, fault, act or omission, then the CITY shall have the right to withhold further payments hereunder for the purpose of set-off of sufficient sums to cover the said claim or action. The rights and remedies of the CITY provided for in this clause shall not be exclusive and are in addition to any other rights and remedies provided by law or this Agreement.

ARTICLE 15. PROTECTION OF CITY PROPERTY

VENDOR assumes the risk of and shall be responsible for, any loss or damage to CITY property, including property and equipment leased by the CITY, used in the performance of this Agreement and caused, either directly or indirectly by the acts, conduct, omissions or lack of good faith of VENDOR, its officers, directors, members, partners, employees, representatives or assignees, or any person, firm, company, agent or others engaged by VENDOR as an expert consultant specialist or subcontractor hereunder.

In the event that any such CITY property is lost or damaged, except for normal wear and tear, then the CITY shall have the right to withhold further payments hereunder for the purposes of set-off in sufficient sums to cover such loss or damage.

VENDOR agrees to defend, indemnify and hold the CITY harmless from any and all liability or claim for loss, cost, damage or expense (including, without limitation,

reasonable attorney fees and costs of litigation and/or settlement) due to any such loss or damage to any such CITY property described in this Article.

The rights and remedies of the CITY provided herein shall not be exclusive and are in addition to any other rights and remedies provided by law or by this Agreement.

ARTICLE 16. CONFIDENTIAL INFORMATION

In the course of providing the SERVICES hereunder, VENDOR may acquire knowledge or come into possession of confidential, sensitive or proprietary information belonging to CITY. VENDOR agrees that it will keep and maintain such information securely and confidentially, and not disclose such information to any third parties, including the media, nor use such information in any manner publically or privately, without receiving the prior approval, in writing, of the CITY authorizing such use. VENDOR'S obligations under this clause to maintain the confidentiality of such information and to refrain from using such information in any manner without the prior written approval of the CITY shall survive the termination or expiration of this Agreement.

ARTICLE 17. TERMINATION

The CITY may, by written notice to VENDOR effective upon mailing, terminate this Agreement in whole or in part at any time (i) for CITY'S convenience, (ii) upon the failure of VENDOR to comply with any of the terms or conditions of this agreement, or (iii) upon the VENDOR becoming insolvent or bankrupt.

Upon termination of this Agreement, the VENDOR shall comply with any and all CITY closeout procedures, including, but not limited to:

A. Accounting for and refunding to the CITY within thirty (30) days, any

unexpended funds which have been paid to VENDOR pursuant to this Agreement; and

B. Furnishing within thirty (30) days an inventory to the CITY of all equipment, appurtenances and property purchased by VENDOR through or provided under this Agreement, and carrying out any CITY directive concerning the disposition thereof.

In the event the CITY terminates this Agreement in whole or in part, as provided in this Article, the CITY may procure, upon such terms and in such manner as deemed appropriate, SERVICES similar to those so terminated, and the VENDOR shall continue the performance of this Agreement to the extent not terminated hereby. If this Agreement is terminated in whole or in part for other than the convenience of the CITY, any SERVICES or goods procured by the CITY to complete the SERVICES herein will be charged to VENDOR and/or set-off against any sums due VENDOR.

Notwithstanding any other provision of this Agreement, VENDOR shall not be relieved of liability to the CITY for damages sustained by the CITY by virtue of VENDOR'S breach of the Agreement or failure to perform in accordance with applicable standards, and the CITY may withhold payments to VENDOR for the purposes of set-off until such time as the exact amount of damages due to the CITY from VENDOR is determined.

The rights and remedies of the CITY provided herein shall not be exclusive and are in addition to any other rights and remedies provided by law or this Agreement.

ARTICLE 18. GENERAL RELEASE

The acceptance by VENDOR or its assignees of the final payment under this Agreement, whether by Claimant's Certification form, judgment of any court of competent jurisdiction, or administrative means shall constitute and operate as a general release to the CITY from any and all claims of VENDOR arising out of the performance of this Agreement.

ARTICLE 19. SET-OFF RIGHTS

The CITY shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but are not limited to, the CITY'S right to withhold for the purposes of set-off any monies otherwise due VENDOR (i) under this Agreement, (ii) under any other agreement or contract with the CITY, including any agreement or contract for a term commencing prior to or after the term of this Agreement, (iii) from the CITY by operation of law, the CITY also has the right to withhold any monies otherwise due under this Agreement for the purposes of set-off as to any amounts due and owing to the CITY for any reason whatsoever including, without limitation, tax delinquencies, fee delinquencies or monetary penalties or interest relative thereto.

ARTICLE 20. DISPUTE RESOLUTION

All disputes shall be heard in the Supreme Court of the State of New York, with venue in Orange County or if appropriate, in the Federal District Court with venue in the Southern District of New York, White Plains division.

ARTICLE 21. GOVERNING LAW

This Agreement shall be governed by the laws of the State of New York. VENDOR shall render all SERVICES under this Agreement in accordance with applicable provisions of all federal, state and local laws, rules and regulations as are in effect at the time such SERVICES are rendered.

ARTICLE 22. CURRENT OR FORMER CITY EMPLOYEES

VENDOR represents and warrants that it shall not retain the SERVICES of any CITY employee or former CITY employee in connection with this Agreement or any other agreement that said VENDOR has or may have with the CITY without the express written permission of the CITY. This limitation period covers the preceding three (3) years or longer if the CITY employee or former CITY employee has or may have an

actual or perceived conflict of interests due to their position with the CITY.

For a breach or violation of such representations or warranties, the CITY shall have the right to annul this Agreement without liability, entitling the CITY to recover all monies paid hereunder and VENDOR shall not make claim for or be entitled to recover, any sum or sums otherwise due under this Agreement. This remedy, if effected, shall not constitute the sole remedy afforded the CITY for such falsity or breach, nor shall it constitute a waiver of the CITY'S right to claim damages or otherwise refuse payment or to take any other action provided for by law or pursuant to this Agreement.

ARTICLE 23. ENTIRE AGREEMENT

From: Mayor of the City of Newburgh

Subject: Late Jeh V. Johnson - Street Naming Ceremony Proposal

I am writing to bring attention to the late Jeh V. Johnson, a path breaking Black Architect who made significant contributions to the architecture profession and our community. Mr. Johnson, who was born on July 8, 1931 and reunited with the ancestors in 2021, was named a fellow of the American Institute of Architects in 1977, the profession's highest honor.

Mr. Johnson was a graduate of Columbia University, where he earned his A.B. degree in 1953 and his MA degree in architecture in 1958. After being drafted into the Counter Intelligence Corp of the US Army in 1953 and serving until 1954, he was hired by Paul R. Williams as a designer in 1956.

In 1962, Mr. Johnson cofounded the Gindele and Johnson company and focused on designing single and multi-family housing and community centers, churches and schools. During the 1960s, he designed the Lake Street apartment complex here in the city of Newburgh. He also designed a coupling other buildings here as well.

In addition to his professional work as an architect, Mr. Johnson accepted a faculty position in architecture and design at Vassar College in Poughkeepsie, NY. He served as faculty for 37 years and was appointed by President Lyndon Johnson to serve on the National Commission on Urban Problems in 1967.

It is important to recognize Mr. Johnson's contributions to the architecture profession and our community. As Mayor of the City of Newburgh, I believe that it is our responsibility to honor and celebrate the achievements of trailblazers like Mr. Johnson. Therefore, I recommend that the city council consider renaming Lake Drive the Jeh V. Johnson street or way after him to ensure that his legacy is remembered for generations to come.

It would also befitting if we give his wife & the former secretary of homeland security a key to our city as well.

Thank you for your attention to this matter.
