General Terms and Conditions

1. Agreement to Sell and Purchase Energy. This is an agreement between ENGIE Power & Gas LLC ("ENGIE") and the undersigned customer ("Customer") under which Customer shall initiate natural gas service and begin enrollment with ENGIE (the "Agreement"). Subject to the terms and conditions of this Agreement, ENGIE agrees to sell and facilitate delivery, and Customer agrees to purchase and accept the quantity of natural gas, as estimated by ENGIE, necessary to meet Customer's requirements based upon consumption data obtained by ENGIE or the delivery schedule of the Local Distribution Utility (the "LDU"). The amount of natural gas delivered under this Agreement is subject to change based upon data reflecting Customer's consumption obtained by ENGIE or the LDU's delivery schedule. The LDU will continue to deliver the natural gas supplied by ENGIE.

2. Term. This Agreement shall commence as of the date Customer's notice regarding the change of Customer's provider to ENGIE is deemed effective by the LDU, and shall continue for 7 months subject to start based on the utility's established 10/2024 read schedule or the next available read thereafter, (the "Initial Term"). Upon completion of the Initial Term, this Agreement will automatically renew on a month-to-month basis at a variable

monthly rate, unless ENGIE sends Customer written notice of proposed changes to such terms in advance of the renewal date (the "Renewal Term"). Any such written notice will be sent at least 45 days and no more than 90 days prior to the renewal date, apprising customer of any proposed changes in the terms and conditions of this Agreement and of the Customer's right to renew, terminate or renegotiate this Agreement. While receiving service on a month-to-month basis, Customer or ENGIE may cancel or terminate this Agreement so long 30 days' advance written notice of termination is provided to the other party.

Contract rates and service start will be in line with the utility account's associated switching rules and meter read cycles.

3. Pricing, Billing, and Termination. Unless otherwise agreed to in writing, the price for all natural gas sold under this Agreement as specified above, shall be a fixed price per therm/CCF as agreed to above, plus all applicable taxes. Price includes line loss.

ENGIE will invoice Customer monthly for natural gas delivered under this Agreement, as measured by the LDU, and Customer will pay each invoice in

full within 20 days of the invoice date or be subject to a late payment charge of 1.5% per month. Customer may receive a single bill for both commodity and delivery costs from either ENGIE or the LDU, or each of the LDU and ENGIE may invoice Customer separately. Customer payments remitted in response to a consolidated bill shall be pro-rated (when so required) in accordance with procedures adopted by the New York State Department of Public Service (the "DPS"). ENGIE may assign and sell Customer accounts receivable to LDU. Failure to make full payment of ENGIE charges due on any consolidated bill prepared by the LDU for ENGIE will be grounds for disconnection of utility services and commodity service in accordance with NYPSC rules and regulations on the termination of service to non-residential customers, 16 NYCRR Section 13.3. A \$30 fee will be charged for all returned payments.

Usage Allowance: There will be no change in price if usage in any month exceeds the level of usage by any amount in the same month identified as the Base Load on Schedule B ("Base Load") or if the usage in any month falls by any amount below the Base Load

Early Termination: If there is a material adverse change in the business or financial condition of Customer (as determined by ENGIE at its discretion), or if Customer fails to pay each invoice in full within 20 days of the invoice date, or if Customer fails to meet its obligations under this Agreement or pay or post any required security deposit, then, in addition to any other remedies that it may have, ENGIE may terminate this Agreement upon 15 days' written notice to Customer. If Customer terminates this Agreement prior to the end of the Initial or Renewal Term or if ENGIE terminates this Agreement due to Customer's breach, the Customer shall pay ENGIE, in addition to any other applicable charges, a cancellation fee equivalent to the multiplication of the (i) difference between the fixed price set forth in this Agreement and the calculation by ENGIE of the fixed price at the date of termination; and (ii) the difference between the Customer's annual usage for the 12 month period from the date of termination and the level of usage during the current Term or Renewal Term under this Agreement.

4. Assignment. Customer may not assign its interests in and delegate its obligations under this Agreement without the express written consent of ENGIE. ENGIE may sell, transfer, pledge, or assign the accounts receivable, revenues, or proceeds hereof, in connection with any financing agreement, purchase of accounts receivables program or billing services agreement, and may assign this Agreement to another energy supplier, energy services company or other entity as authorized by the DPS.

5. Information Release Authorization. CUSTOMER AUTHORIZES ENGIE TO OBTAIN AND REVIEW INFORMATION REGARDING CUSTOMER'S CREDIT HISTORY FROM CREDIT REPORTING AGENCIES AND THE FOLLOWING INFORMATION FROM THE LDU: CONSUMPTION HISTORY; BILLING DETERMINANTS; ACCOUNT NUMBER; CREDIT INFORMATION; PUBLIC ASSISTANCE STATUS; EXISTENCE OF MEDICAL EMERGENCIES, STATUS AS TO WHETHER CUSTOMER HAS A MEDICAL EMERGENCY, IS HUMAN NEEDS, ELDERLY, BLIND OR DISABLED AND DATA APPLICABLE TO COLD WEATHER PERIODS UNDER PSL § 32 (3); AND INFORMATION PERTAINING TO PSL § 33, TAX STATUS AND ELIGIBILITY FOR ECONOMIC DEVELOPMENT OR OTHER INCENTIVES. THIS INFORMATION MAY BE USED BY ENGIE TO DETERMINE WHETHER IT WILL COMMENCE AND/OR CONTINUE TO PROVIDE ENERGY SUPPLY SERVICE TO CUSTOMER AND WILL NOT BE DISCLOSED TO A THIRD PARTY UNLESS REQUIRED BY LAW. CUSTOMER'S EXECUTION OF THIS AGREEMENT SHALL CONSTITUTE AUTHORIZATION FOR THE RELEASE OF THIS INFORMATION TO ENGIE. THIS AUTHORIZATION WILL REMAIN IN EFFECT DURING THE INITIAL TERM AND ANY RENEWAL TERM. CUSTOMER MAY RESCIND THIS AUTHORIZATION AT ANY TIME BY PROVIDING WRITTEN NOTICE THEREOF TO ENGIE OR BY CALLING ENGIE AT 1-866-539-6450. ENGIE RESERVES THE RIGHT TO CANCEL THIS AGREEMENT IN THE EVENT CUSTOMER RESCINDS THE AUTHORIZATION.

6. Consumer Protections. The services provided by ENGIE to Customer are governed by the terms and conditions of this Agreement. ENGIE will provide at least 15 days' notice prior to the cancellation of service to Customer. Customer may obtain additional information by contacting ENGIE at 1-855-327-6937 or the DPS at 1-888-697-7728 or by writing to the DPS at: New York State Department of Public Service, Office of Consumer Services, Three Empire State Plaza, Albany, New York 12223, or through its website at www.dps.ny.gov.

7 Cancellation. Customer acknowledges that in the event of a cancellation or termination of this Agreement, it may take up to 10 weeks for Customer to return to LDU commodity supply service, and Customer is liable for all ENGIE

charges until Customer's switch to the LDC or another supplier is effective. A final bill will be rendered within forty-five (45) days after the final scheduled meter reading or if access is unavailable, an estimate of consumption will be used in the final bill, which will be trued up subsequent to the final meter reading.

8. Agency. Customer hereby designates ENGIE as agent to: (a) arrange and administer contracts and service agreements between Customer and ENGIE and between the interstate pipeline transporters of Customer natural gas supplies; (b) nominate and schedule with the interstate pipeline the transportation of Customer's natural gas supplies to the Delivery Points, and with the LDU for the transportation of the Customer's natural gas supplies from the Delivery Points to the Customer's end-use premises, (c) and aggregate Customer's natural gas supplies with such supplies of other customers served by ENGIE to maintain qualification for LDU transportation service and resolve imbalances that may arise during the term of this Agreement. ENGIE as agent for the Customer will schedule the delivery of adequate supplies of natural gas that meet the Customer's city gate requirements as established by the LDU and in response to information provided by the LDU. The Delivery Points for the natural gas transported by interstate pipelines will be the city gate stations of the LDU. ENGIE agrees to arrange for the transportation of the natural gas supplied under this Agreement from the Delivery Points to the Customer's end-use premises. These services are provided on an arm's length basis and market-based compensation is included in the price noted above.

9. Title. Customer and ENGIE agree that title to, control of, and risk of loss of natural gas supplied under this Agreement will transfer from ENGIE to the Customer at the delivery point(s). Customer and ENGIE agree that transactions under this Agreement are originated and consummated outside the jurisdictional limits of the municipality, city, county or other taxing authority where Customer's service address is located. ENGIE will indemnify and hold harmless Customer from all taxes, royalties, fees or other charges incurred before title passes with respect to the natural gas provided hereunder.

10. Warranty. This Agreement, including applicable attachments, as written constitutes the entire Agreement between Customer and ENGIE. ENGIE makes no representations or warranties other than those expressly set forth in this Agreement, and ENGIE expressly disclaims all other warranties, express or implied, including merchantability and fitness for a particular use.

11. Force Majeure. ENGIE will make commercially reasonable efforts to provide natural gas hereunder but ENGIE does not guarantee a continuous supply of natural gas to Customer. Certain causes and events out of the control of ENGIE ("Force Majeure Events") may result in interruptions in service. ENGIE will not be liable for any such interruptions caused by a Force Majeure Event, and ENGIE is not and shall not be liable for damages caused by Force Majeure Events. Force Majeure Events shall include acts of God, fire, flood, storm, terrorism, war, civil disturbance, acts of any governmental authority, accidents, strikes, labor disputes or problems, required maintenance work, curtailment by Customer's LDU or ENGIE transportation capacity, or Customer's LDU appropriation of natural gas, etc., changes in laws, rules, or regulations of any governmental authority or any other cause beyond ENGIE's control. Should the parties have cause to claim for majeure, the claiming party will notify the other party, in writing, of the causes of such events, the anticipated duration of non-performance and the remedies being taken to eliminate the cause. Financial obligations relation to payment for or delivery of natural gas under this Agreement cannot be cause for claiming force majeure and obligations cannot be excused as a result of a force majeure event.

FOR BREACH OF ANY PROVISION FOR WHICH A REMEDY OR MEASURE OF DAMAGES IS PROVIDED, LIABILITY IS LIMITED AS SET FORTH IN SUCH PROVISION, AND ALL OTHER DAMAGES OR REMEDIES ARE WAIVED. IF NO REMEDY OR MEASURE OF DAMAGES IS PROVIDED, THE LIABILITY OF THE DEFAULTING PARTY IS LIMITED TO DIRECT ACTUAL DAMAGES ONLY AND ALL OTHER DAMAGES AND REMEDIES ARE WAIVED. IN NO EVENT SHALL EITHER PARTY BE LIABLE FOR CONSEQUENTIAL, INCIDENTAL, PUNITIVE, SPECIAL, EXEMPLARY OR INDIRECT DAMAGES IN TORT, CONTRACT UNDER ANY INDEMNITY PROVISION OR OTHERWISE.

(SBL: 29-2-4)

STANDARD TERMS:

1. City of Newburgh acquired title to this property in accordance with Article 11 of the Real Property Tax Law of the State of New York, and all known rights of redemption under said provisions of law have been extinguished by the tax sale proceedings and/or as a result of forfeiture.
2. For purposes of these Terms and Conditions, the parcel shall be defined by its section, block and lot number on the City of Newburgh Tax Map.
3. All real property, including any buildings thereon, is sold "AS IS" and without any representation or warranty whatsoever as to the condition or title, and subject to: (a) any state of facts an accurate survey or personal inspection of the premises would disclose; (b) applicable zoning/land use/building regulations; (c) water and sewer assessments are the responsibility of the purchaser, whether they are received or not; (d) easements, covenants, conditions and rights-of-way of record existing at the time of the levy of the tax, the non-payment of which resulted in the tax sale in which City of Newburgh acquired title; and (e) for purposes of taxation, the purchaser shall be deemed to be the owner prior to the next applicable taxable status date after the date of sale.
4. The properties are sold subject to unpaid school taxes for the tax year of **2023-2024**, and also subject to all school taxes levied subsequent to the date of the City Council resolution authorizing the sale. The purchaser shall reimburse the City for any school taxes paid by the City for the tax year **2023-2024**, and subsequent levies up to the date of the closing. Upon the closing, the properties shall become subject to taxation. Water and sewer charges and sanitation fees will be paid by the City to the date of closing.
5. **WARNING: FAILURE TO COMPLY WITH THE TERMS OF THIS PARAGRAPH MAY RESULT IN YOUR LOSS OF THE PROPERTY AFTER PURCHASE.** The deed will contain provisions stating that the purchaser is required to rehabilitate any building on the property and bring it into compliance with all State, County and Local standards for occupancy within (18) months of the date of the deed. The deed shall require the purchaser to schedule an inspection by City officials at or before the end of the eighteen (18) month period. If the purchaser has not complied with the deed provisions regarding rehabilitation of the property and obtained a Certificate of Occupancy or Certificate of Compliance by that time, then the title to the property shall revert to the City of Newburgh. The deed shall also provide that the property shall not be conveyed to any other person before a Certificate of Occupancy or Certificate of Compliance is issued. A written request made to the City Manager for an extension of the eighteen (18) month rehabilitation period shall be accompanied by a non-refundable fee of \$250.00 per parcel for which a request is submitted. The City Manager may, in his sole discretion and for good cause shown, grant one extension of time to rehabilitate of up to, but not to exceed, three (3) months. Within 30 days of closing, the purchaser must register the property and pay any applicable fees or submit an acceptable rehabilitation plan to the Building Department.

7. All purchasers are advised to personally inspect the premises and to examine title to the premises prior to the date upon which the sale is scheduled to take place. Upon delivery of the quitclaim deed by the City of Newburgh to the successful purchaser, any and all claims with respect to title to the premises are merged in the deed and do not survive.
8. No personal property is included in the sale of any of the parcels owned by City of Newburgh, unless the former owner or occupant has abandoned same. The disposition of any personal property located on any parcel sold shall be the sole responsibility of the purchaser following the closing of sale.
9. The City makes no representation, express or implied, as to the condition of any property, warranty of title, or as to the suitability of any for any particular use or occupancy. Property may contain paint or other similar surface coating material containing lead. Purchaser shall be responsible for the correction of such conditions when required by applicable law. Property also may contain other environmental hazards. Purchaser shall be responsible for ascertaining and investigating such conditions prior to bidding. Purchaser shall be responsible for investigating and ascertaining from the City Building Inspector's records the legal permitted use of any property prior to closing. Purchaser acknowledges receivership of the pamphlet entitled "Protecting Your Family from Lead in Your Home." Purchaser also acknowledges that he/she has had the opportunity to conduct a risk assessment or inspection of the premises for the presence of lead-based paint, lead-based paint hazards or mold.
10. The entire purchase price and all closing costs/fees must be paid by money order or guaranteed funds to the City of Newburgh Comptroller's Office by the date listed in the approved City Council Resolution, notwithstanding any extensions of time granted pursuant to terms contained herein ("Closing Deadline"). Such closing costs/fees may include, but are not limited to: recording fees, tax adjustments as of the day of closing, fuel oil adjustments, and applicable condominium charges (e.g. monthly maintenance charges, assessment charges, transfer buy-in fees, and/or closing package ordering fees). *The City of Newburgh does not accept credit card payments for the purchase price and closing costs/fees.* **The City is not required to send notice of acceptance or any other notice to a purchaser.**
11. The purchaser, as grantee, may take title as a natural person or as an entity wherein purchaser is an officer or managing member of said entity. If purchaser takes title as an entity, purchaser must provide an affidavit listing all of the members or shareholders of said entity, their addresses, their phone numbers, and their percentage ownership stake in the entity. Purchaser must have at least a fifty-one (51%) ownership stake in said entity in order for said entity to take title.
12. The City Manager may, in his sole discretion and for good cause shown, grant one extension of time to close title of up to, but not to exceed, sixty (60) additional days from the Closing Deadline. No request shall be entertained unless in writing, stating the reasons therefor, and unless accompanied by a fee of \$250.00 per parcel for which a request is submitted. The fee shall be in addition to all other fees and deposits and shall not be credited against the purchase price and shall not be returnable. Any additional request made thereafter shall be made in writing and placed before the City Council for its consideration.
13. In the event that a sale is cancelled by court order, judgment, the Comptroller or the Newburgh City Council, the purchaser shall be entitled only to a refund of the purchase money paid. Purchaser agrees that he shall not be entitled to special or consequential damages, attorney's fees, reimbursement for any expenses incurred as a result of ownership, improvements of property, or for taxes paid during period of ownership, and this agreement by the purchaser is a material condition of the sale.
14. Sale shall be final, absolute and without recourse once title is conveyed on the actual day of closing. In no event, shall City of Newburgh be or become liable for any defects in title for any cause whatsoever, and no claim, demand or suit of any nature shall exist in favor of the purchaser, his heirs, successors or assigns, against City of Newburgh arising from this sale.
15. Conveyance shall be by quitclaim deed only, containing a description of the property as it appeared on the tax roll for the year upon which the City acquired title or as corrected up to date of deed. The deed will be recorded by the City upon payment in full of the purchase price, tax reimbursements, buyer's premium (if applicable), and closing fees/costs. Possession of property is forbidden until the deed is recorded conveying title to the purchaser. **Title vests upon conveyance of deed.**

16. Upon closing, the City shall deliver a quitclaim deed conveying all of its right, title and interest in the subject property, which deed shall be drawn by the City Corporation Counsel. The City shall not convey its interest in any street, water, sewer or drainage easement, or any other interest the City may have in the property. The City shall only convey that interest obtained by the City pursuant to the judgment rendered in an *in rem* tax foreclosure action filed in the Orange County Clerk's Office.
17. The description of the property shall be from the City of Newburgh Tax Map reference or a survey description certified to the City of Newburgh. Any survey description shall be provided to the City Corporation Counsel by the purchaser at least thirty (30) days in advance of closing title and approved by the City's Engineer.
18. By acknowledging and executing these Terms & Conditions, the purchaser certifies that he/she is not representing the former owner(s) of the property against whom City of Newburgh foreclosed and has no intent to defraud City of Newburgh of the unpaid taxes, assessment, penalties and charges which have been levied against the property. The purchaser agrees that neither he/she nor his/her assigns shall convey the property to the former owner(s) against whom City of Newburgh foreclosed within 36 months subsequent to the Closing Deadline date. If such conveyance occurs, purchaser understands that he/she may be found to have committed fraud, and/or intent to defraud, and will be liable for any deficiency between the purchase price and such sums as may be owed to City of Newburgh as related to the foreclosure on the property and consents to immediate judgment by City of Newburgh for said amounts.
19. Within ten (10) business days of approval of sale by the City of Newburgh, the purchaser shall tender a non-refundable downpayment in the amount of **\$12,000.00** payable to "City of Newburgh" by money order or guaranteed funds to the "City of Newburgh". At closing, the downpayment amount shall be credited against the purchase price.

STANDARD TERMS:

1. City of Newburgh acquired title to this property in accordance with Article 11 of the Real Property Tax Law of the State of New York, and all known rights of redemption under said provisions of law have been extinguished by the tax sale proceedings and/or as a result of forfeiture.
2. For purposes of these Terms and Conditions, the parcel shall be defined by its section, block and lot number on the City of Newburgh Tax Map.
3. All real property, including any buildings thereon, is sold "AS IS" and without any representation or warranty whatsoever as to the condition or title, and subject to: (a) any state of facts an accurate survey or personal inspection of the premises would disclose; (b) applicable zoning/land use/building regulations; (c) water and sewer assessments are the responsibility of the purchaser, whether they are received or not; (d) easements, covenants, conditions and rights-of-way of record existing at the time of the levy of the tax, the non-payment of which resulted in the tax sale in which City of Newburgh acquired title; and (e) for purposes of taxation, the purchaser shall be deemed to be the owner prior to the next applicable taxable status date after the date of sale.
4. The properties are sold subject to unpaid school taxes for the tax year of **2023-2024**, and also subject to all school taxes levied subsequent to the date of the City Council resolution authorizing the sale. The purchaser shall reimburse the City for any school taxes paid by the City for the tax year **2023-2024**, and subsequent levies up to the date of the closing. Upon the closing, the properties shall become subject to taxation. Water and sewer charges and sanitation fees will be paid by the City to the date of closing.
5. **WARNING: FAILURE TO COMPLY WITH THE TERMS OF THIS PARAGRAPH MAY RESULT IN YOUR LOSS OF THE PROPERTY AFTER PURCHASE.** The deed will contain provisions stating that the purchaser is required to rehabilitate any building on the property and bring it into compliance with all State, County and Local standards for occupancy within (18) months of the date of the deed. The deed shall require the purchaser to schedule an inspection by City officials at or before the end of the eighteen (18) month period. If the purchaser has not complied with the deed provisions regarding rehabilitation of the property and obtained a Certificate of Occupancy or Certificate of Compliance by that time, then the title to the property shall revert to the City of Newburgh. The deed shall also provide that the property shall not be conveyed to any other person before a Certificate of Occupancy or Certificate of Compliance is issued. A written request made to the City Manager for an extension of the eighteen (18) month rehabilitation period shall be accompanied by a non-refundable fee of \$250.00 per parcel for which a request is submitted. The City Manager may, in his sole discretion and for good cause shown, grant one extension of time to rehabilitate of up to, but not to exceed, three (3) months. Any additional request thereafter shall be made in writing and placed before the City Council for its consideration.

Upon delivery of the quitclaim deed by the City of Newburgh to the successful purchaser, any and all claims with respect to title to the premises are merged in the deed and do not survive.
8. No personal property is included in the sale of any of the parcels owned by City of Newburgh, unless the former owner or occupant has abandoned same. The disposition of any personal property located on any parcel sold shall be the sole responsibility of the purchaser following the closing of sale.

Such closing costs/fees may include, but are not limited to: recording fees, tax adjustments as of the day of closing, fuel oil adjustments, and applicable condominium charges (e.g. monthly maintenance charges, assessment charges, transfer buy-in fees, and/or closing package ordering fees). *The City of Newburgh does not accept credit card payments for the purchase price and closing costs/fees.* **The City is not required to send notice of acceptance or any other notice to a purchaser.**

If purchaser takes title as an entity, purchaser must provide an affidavit listing all of the members or shareholders of said entity, their addresses, their phone numbers, and their percentage ownership stake in the entity. Purchaser must have at least a fifty-one (51%) ownership stake in said entity in order for said entity to take title.
12. The City Manager may, in his sole discretion and for good cause shown, grant one extension of time to close title of up to, but not to exceed, sixty (60) additional days from the Closing Deadline. No request shall be entertained unless in writing, stating the reasons therefor, and unless accompanied by a fee of \$250.00 per parcel for which a request is submitted. The fee shall be in addition to all other fees and deposits and shall not be credited against the purchase price and shall not be returnable. Any additional request made thereafter shall be made in writing and placed before the City Council for its consideration.
13. In the event that a sale is cancelled by court order, judgment, the Comptroller or the Newburgh City Council, the purchaser shall be entitled only to a refund of the purchase money paid. Purchaser agrees that he shall not be entitled to special or consequential damages, attorney's fees, reimbursement for any expenses incurred as a result of ownership, improvements of property, or for taxes paid during period of ownership, and this agreement by the purchaser is a material condition of the sale.
14. Sale shall be final, absolute and without recourse once title is conveyed on the actual day of closing. In no event, shall City of Newburgh be or become liable for any defects in title for any cause whatsoever, and no claim, demand or suit of any nature shall exist in favor of the purchaser, his heirs, successors or assigns, against City of Newburgh arising from this sale.
15. Conveyance shall be by quitclaim deed only, containing a description of the property as it appeared on the tax roll for the year upon which the City acquired title or as corrected up to date of deed. The deed will be recorded by the City upon payment in full of the purchase price, tax reimbursements, buyer's premium (if applicable), and closing fees/costs. Possession of property is forbidden until the deed is recorded conveying title to the purchaser. **Title vests upon conveyance of deed.**

16. Upon closing, the City shall deliver a quitclaim deed conveying all of its right, title and interest in the subject property, which deed shall be drawn by the City Corporation Counsel. The City shall not convey its interest in any street, water, sewer or drainage easement, or any other interest the City may have in the property. The City shall only convey that interest obtained by the City pursuant to the judgment rendered in an *in rem* tax foreclosure action filed in the Orange County Clerk's Office.
17. The description of the property shall be from the City of Newburgh Tax Map reference or a survey description certified to the City of Newburgh. Any survey description shall be provided to the City Corporation Counsel by the purchaser at least thirty (30) days in advance of closing title and approved by the City's Engineer.
18. By acknowledging and executing these Terms & Conditions, the purchaser certifies that he/she is not representing the former owner(s) of the property against whom City of Newburgh foreclosed and has no intent to defraud City of Newburgh of the unpaid taxes, assessment, penalties and charges which have been levied against the property. The purchaser agrees that neither he/she nor his/her assigns shall convey the property to the former owner(s) against whom City of Newburgh foreclosed within 36 months subsequent to the Closing Deadline date. If such conveyance occurs, purchaser understands that he/she may be found to have committed fraud, and/or intent to defraud, and will be liable for any deficiency between the purchase price and such sums as may be owed to City of Newburgh as related to the foreclosure on the property and consents to immediate judgment by City of Newburgh for said amounts.

3. All personnel operating within the City's system shall be fully trained and maintain all applicable certifications for providing emergency medical services and pre-hospital care.

E. Dispatch / Response / Radio Communications

1. Comply with response priorities determined by the Orange County Emergency Communications Center based on the dispatch codes approved by the Orange County EMS Medical Director.
2. Response Time Requirements applicable to the dedicated units:
 - a. For each response presumptively determined to be Priority 1 (Echo) or 2 (Delta) a unit will be on scene within 8 minutes and 59 seconds at 90% reliability for all assignments, in the City of Newburgh Fire Department Service Area. At no time shall the response time exceed 15 minutes for the remaining 10% of the calls.
 - b. For each response presumptively determined to be Priority 3 (Charlie) a unit will be on scene within 10 minutes 59 seconds at 90% reliability for all assignments, in the City of Newburgh Fire Department Service Area.
 - c. For each response presumptively determined to be Priority 4 (Alpha/Omega) a unit will be on scene within 14 minutes 59 seconds, at 90% reliability for all assignments, in the City of Newburgh Fire Department Service Area.

3. Response Time Methodology:

- a. Time Intervals: System response times are measured from the time the call is received by the Contractor until the first arriving transport capable unit or Paramedic first response unit is on scene.
- b. Emergency response times shall be measured from the time the Contractor is notified by CAD that its services are required at a particular location until unit arrival at the incident location by the contractor's first arriving transport capable unit or Paramedic first response unit. All data points must meet National EMS Information System (NEMSIS) standards. The time stamp that will be used is the time that the vehicle is assigned the marker referred to as "assigned" in the CAD system.
- c. Arrival at the incident location means the moment the first transport capable unit or paramedic first response unit is parked to allow the crew to exit to approach the patient. In situations where the transport capable unit or paramedic first response unit has responded to a location other than the scene (e.g., staging areas for hazardous materials or violent crimes in progress) arrival at scene shall be the time the transport capable unit or paramedic first response unit arrives at the designated staging location.
- d. In instances when the transport capable unit or paramedic first response unit fail to report "at scene," the time of the next communication with the ambulance shall be used as the "at scene" time. However, Contractor may appeal such instances when it can document the actual arrival time through another means (e.g., GPS data or MDT records).
- e. Ability to downgrade responses: Contractor may utilize a first-responding paramedic on scene with the patient to downgrade a response from Priority 1 or 2 to incur the BLS (Priority 4) performance requirement provided the patient does not require ALS services. For events in which the Fire Department co-responded and a Paramedic first response unit is the first-arriving Ambulance vehicle, the paramedic will assume primary patient care responsibilities. Under no circumstances shall a paramedic release care to the BLS first responding Fire Company. A fire company will not be unduly held on scene waiting for a transport unit. All instances are to be reviewed by the Contractor's Medical Director and will be made available to the Newburgh Fire Department Medical Director upon request.
- f. Contractor will also report the time "at patient" defined as the time when the EMS vendor begins assessing the patient or for multi-patient incidents, the initiation of patient triage.
- g. Contractor may cancel a call prior to arrival only in accordance with approved medical protocols and based on information received from first response units on scene or the OCECC. If an assignment is cancelled prior to arrival on the scene, Contractor's compliance will be calculated based on the elapsed time from receipt of call to the time the call was cancelled.
- h. Contractor shall not be held accountable for emergency response time compliance for any assignment outside the limits of the City of Newburgh Fire Department response area.

-
- i. Each incident will be counted as a single response regardless of the number of units that are utilized. The response time of the first arriving unit will be used to compute the response time for the incident.
 - j. Response Time Exceptions and Exception Requests: Contractor shall maintain the ability for backup capacity, to rapidly put into service reserve ambulance units during periods of high demands or temporary system overload. Any additional units outside of the 2 dedicated ambulances are not subject to the response time criteria.
 4. Responsible for the cost and maintenance of all Computer Aided Dispatch (CAD) and radio equipment
 5. Requests for emergency medical care shall be made directly to the agency using a nationally recognized EMDS.
 6. The Contractor's CAD system will be used to record dispatch information for all ambulance activities. The contractor's CAD time system shall include the date, hour, minutes, and seconds. All radio and telephone communications, including pre-arrival instructions and time track, shall be recorded electronically, and kept for a minimum of 180 days. The contractor's dispatch system shall connect to the OCECC CAD for recording response data. The Contractor shall be capable of providing the following to the OCECC:
 - a. Electronic data of every response.
 - b. Color-coded prioritization of deployment planning, display of calls received for responses pending, responses in progress, and status of ambulance resources available for service.

 - d. Immediate recall on any current or previous response for inquiry by date, incident number, or location.
 - e. Security features preventing unauthorized access or retrospective adjustment and full audit trail documentation; and
 - f. The Contractor will be responsible for working with the OCECC to maintain continuous communication with dispatched assets.

F. Administration / Billing / Data / Reporting

1. Contractor will provide detailed and periodic reporting as follows:
 - a. Operational and Clinical Reporting Requirements: On or before the 10th day of each month, Contractor shall provide reports detailing its performance during the preceding month as it relates to clinical and operational performance as specified herein. The contractor will rely on CAD data in generating its response time reports. Reports will include citywide, and individual zone/priority data for response time analysis.
 - b. At a minimum, the following will be provided by the contractor in operational monthly reports:
 - i. Total responses (per incident, not number of units that responded)
 - ii. Total patients transported
 - iii. Total cancelled calls
 - iv. Total patient refusals
 - v. Distribution of responses by time of day and day of week

-
- vi. Response time summary for all responses, by priority, for all four zones

 - e. Contractor will be responsible for training all personnel in the use of the E-PCR system.
 - f. Contractor shall ensure that the E-PCR system is compatible with regional and state reporting requirements and upload PCRs to the Greater Newburgh Regional Health Information Organization.
2. Records and access: Upon City request, Contractor will provide the City with access to records and documentation pertinent to the operational oversight which could include but may not be limited to the following:

RE: License for Access, Staging and Storage Agreement (the "Agreement")
Cornerstone Family Healthcare (Cornerstone) and the City of Newburgh (City)
151 Liberty Street
Our File No.: 13330-60799

Dear Jeremy,

As per our discussion last week, please allow this letter to serve as Cornerstone's official request to renew and extend the term of the above referenced Agreement. The term of the Agreement was up on December 14, 2023. However, Cornerstone's contractor still needs use of the license area for access, staging and storage. Unfortunately, the work has been slowed down due to unforeseen delays. Attached is a detailed construction update from Dave Jolly of Cornerstone. The project is 90% complete and Cornerstone anticipates requesting certificates of occupancy in May of 2024. Mr. Jolly has also prepared a detailed timeline for completion, which is also attached.

Given the above, Cornerstone would like to extend the Agreement until June 14, 2024. That should provide the contractor more than enough time to finish the work. Cornerstone is excited about finally being able to open its facility on Broadway. Once opened, Cornerstone's facility will be able to provide medical and health services to the residents of the area.

If the City prefers that Cornerstone (and/or its contractor) personally explains the reason for the additional time, we would be happy to meet with City officials. Cornerstone appreciates all the assistance provided by the City to date and its looks forward to working with the City in the future.

Very truly yours,

JOHN W. FURST

Attn: John Furst, Esq.

Newburgh, NY 12550

Dear Mr. Furst,

I am writing to provide you with an update on the construction progress at 100 Broadway, Newburgh NY 12550, and to request your assistance in communication with the City of Newburgh in an effort to grant Cornerstone an extension on the license agreement provided at the onset of project.

As of today, March 20, 2024, the construction project at 100 Broadway is approximately 90% complete. While we had initially aimed for completion by January 2024, unforeseen delays have impacted our timeline. However, I am pleased to report that all major construction work has been finished.

The remaining tasks primarily involve finishing work, including final testing/certifications, fixture installation, flooring finishing, door panel window installation, final elevator certification, as well as dental and medical equipment installation. A project timeline has been enclosed, outlining current and future work time frames.

Several factors have contributed to these delays, with the most significant being challenges related to accessing specific supplies and equipment. These issues, in turn, have caused delays in labor, compounding the overall project timeline.

Despite these challenges, we remain optimistic about the project's completion. We anticipate wrapping up all remaining tasks before the end of April, which would allow us to proceed with requesting a certificate of occupancy in May 2024.

In light of these circumstances, we kindly request an extension of the license agreement granted to Cornerstone for the use of City property for an additional six months, as outlined in the agreement provided in 2023. Given the unforeseen delays and our commitment to completing the project efficiently and in compliance with all regulations, we believe this extension is warranted.

Thank you for your understanding and cooperation in this matter. If you require any further information or clarification, please do not hesitate to contact me.

Respectfully

As required by written contract.

Information required to complete this Schedule, if not shown above, will be shown in the Declarations.

A. Section II – Who Is An Insured is amended to include as an additional insured the architects, engineers or surveyors shown in the Schedule, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by:

1. Your acts or omissions; or
2. The acts or omissions of those acting on your behalf;

in the performance of your ongoing operations performed by you or on your behalf.

Such architects, engineers or surveyors, while not engaged by you, are contractually required to be added as an additional insured to your policy.

However, the insurance afforded to such additional insured:

SCHEDULE A – SCOPE OF WORK

A total of six (6) bike racks shall be constructed and delivered.

Design Consultation, Reviews, and Design Adjustments: The firm will communicate with the project team to elicit the ideas of team members and exhibit flexibility and problem-solving skills. The design artist's role is to ensure design integrity is maintained throughout the fabrication and installation process. The firm's role is to ensure the structural integrity, durability, and craftsmanship of the completed bike racks.

Compliance with ADA and Bicycle Parking Guidelines: The firm is to ensure that designs keep with the best practices for bicycle rack design and functionality as defined in the Association of Pedestrian & Bicycle Professional (APBP) Bicycle Parking Guidelines including ADA regulations and that the designs comply with the City of Newburgh's city code regulations and bike rack standards for safety and operability including but not limited to the following:

- Must be capable of securing at least two standard bicycles - each of which is two feet wide by six feet long - upright by their frames using standard bike locks, including a U-lock.
- Fit in a maximum footprint of 60" long X 12" wide.
- Provide a minimum of two points of contact (to the ground) – at least 6" apart - for each bike, e.g., touch each bike on two wheels or one wheel and the frame for stability. The points of contact should be at least 32" above ground.
- Rack tubes should be no larger than 2" to accommodate the use of smaller U-locks.
- Be boltable to the cement ground by a surface flange mount in a way that will prevent the racks from being removed from the location. (City of Newburgh Department of Public Works will bolt the racks to the ground. Selected designer artists may work with the fabricator to incorporate bolt holes into their designs.)
- Include no sharp edges or other potential safety hazards. Rack must not create a trip hazard for pedestrians.
- A bicycle should not have to be lifted off the ground in order to be secured to the rack. Racks that would be easy to climb are not encouraged. It is important to consider the 'friendliness' of the rack to the bike (i.e., holding the bike upright, hazard free, etc.).
- Use of the bike rack should be intuitive and not require written instructions.
- Designed so that bicycle is parallel to the street.
- The City of Newburgh will install all racks per the shop drawing specifications.
- In addition, all bicycle rack designs must adhere to city code regulations, e.g. Newburgh Zoning 300-154 requiring bike racks to be installed in "street tree and utility zone aka "streetscape zone" immediately adjacent to the curb line, regarding sidewalk obstruction, including placing any property, material, or other items upon any public sidewalk that require at least five (5) feet of contiguous sidewalk width that is kept clear for pedestrian passage at all times.

It is preferred that the selected firm has knowledge and experience following established guidelines. Finished designs, including method of anchoring racks to a concrete foundation for installation, are subject to review, comment, and approval by the City of Newburgh Engineering Department.

Shop Drawings: In collaboration with design artist and stakeholder group, the firm shall create shop drawings for each of the bike rack designs using the artistic designs attached to this RFP as a basis of design, not to exceed a total of six (6) shop drawings, including anchoring systems for installation. Shop drawings shall be drawn accurately to scale and provide all critical dimensions necessary for review and approval. The firm shall design an anchoring system for each bike rack design. The anchoring system should be as discreet as possible and minimize disruption to the surrounding environment. Shop drawings are to be submitted to the City of Newburgh Engineering Department for review and approval prior to fabrication.

Fabrication: The firm shall fabricate six (6) bike racks and, in consultation with of the City of Newburgh Engineering Department, shall select construction materials that have a high degree of durability, are most appropriate and cost-effective for the design, and result in a highly crafted completed bike rack. The firm will be responsible for providing recommended modifications to the artist's design as needed for durability or constructability.

Delivery: The selected firm shall be responsible for delivering all six bike racks in completed condition to the City of Newburgh's Department of Public Works located at 88 Pierces Road Newburgh, NY 12550 between the hours of 8:00am – 1:00pm Monday through Friday. All six bike racks shall be delivered on the same day.

Installation: The firm is not responsible for the installation of any bike racks.

Materials: The firm will select materials for approval by the City of Newburgh's Engineering Department. Materials may include but are not limited to iron, steel, aluminum, etc. or a combination of materials. The material selected must be easily maintainable and appropriate for an outdoor setting with an appropriate coating to resist rust and oxidation. Must be constructed of durable materials able to withstand permanent exposure to elements and wear from bicycles and locks, and a material that will not cause damage to the bikes. Finish needs to hold up under regular use; racks must be sturdy and removable. Acceptable finishes include paint, powdercoat, electroplating, etc.

Re: RFP #10.23 – Professional Services for the Bespoke Bike Rack Project
Attn: Robert Van Vlack

Dear Mr. Van Vlack,

We are pleased to offer our proposal for the RFP #10.23 – Professional Services for the Bespoke Bike Rack Project. The project (6 new sturdy bike racks specially designed and built for the City of Newburgh) is a great way to celebrate the richly diverse, creative, and environmentally conscious citizens who live and work in Newburgh.

- FABHAUS is a proud Newburgh based company.
- We have supplied several municipalities and organizations with our specialty fabrication and design services for publicly viewed and lovingly used deliverables.
- The four examples included in our proposal response show off the craft and degree of scale we are capable of. We think this project compares to the ones we highlighted even though the budget is comparatively smaller.
- While these examples show outstanding finished products, we also carefully followed established guidelines and kept to our promised goals and budgets, resulting in successful collaboration from award to delivery.

FABHAUS' 13,000 sq ft facility, located on the Liberty St. corridor of Newburgh NY, houses an extensive array of tools and talent that makes us well qualified to execute the project outlined in this proposal in a timely and cost-effective manner. Our team is excited to have an opportunity such as this arise in our own community! Please do reach out with any questions you may have after reading our proposal response.

Best regards,

The following are four projects, labeled A - D, that have been constructed over the last 6 years:

A. “Garden of Reflections”, Art Basel Miami FL

Phillip K Smith III, Garden of Reflections, 2022. 17 Columnar sculptures clad in folded, mirror-polished stainless steel.

Commissioned by: American Express / RESY for Art Basel 2022 - Global Dining Access Miami

“Garden of Reflections, 2022, is an installation composed of 17 columnar sculptures that collage the light, atmosphere, and movement of the space across their highly reflective and folded mirror polished steel surfaces. Organically collected in three different groups across the space, the artwork reacts to the immediate surroundings, colors, and realities of the day. As the light of the space changes, so the artwork changes. As people move within the space, the artwork reacts accordingly. This reflective experience reconfigures and compresses directionality and space, amplifying one’s perception of their surroundings. The result is an installation that is equally powerful and quiet, completely immersive, and changing at all times, no matter day or night.”

FABHAUS was hired by artist Phillip K. Smith III and Neon Fabrications to fabricate ‘Garden of Reflections’ for Miami Art Basel in 2022. We were responsible for the cutting and assembly of each sculpture’s interior plywood support structure, application of mirrored stainless steel cladding, as well as shipping and on site installation. Our team designed and fabricated custom shipping crates for each sculpture by type in order to protect the integrity of the skeletons as well as their cladding. FABHAUS was also responsible for building three large, circular stacked-plywood mounting bases with stainless steel rims, on each of which 5-7 sculptures were displayed. These sculptures were shipped to Miami, FL, where our team built the three main bases in situ, secured all sculptures to their bases, filled the large basin bases with rocks, and peeled the protective coating from all mirrored stainless cladding. The installation was commissioned for an Art Basel x RESY x American Express Global Dining Access event, and de-installed by FABHAUS after the duration. All sculptures were disassembled and repackaged in their custom crates for safe shipment to the studio of the artist Phillip K. Smith III in Palm Springs, CA.

B. “Wayfindings” Public Safety Training Campus/Boys & Girls Club, Chicago, IL

Bob Faust, Wayfindings, 2023. 6061 Aluminum, steel framing, digitally imaged porcelain enamel panels. 42' x 10' x 6" (main artwork) mounted on cast concrete retaining wall, 6061 Aluminum with automotive paint on bollards along walkway (16 pc.x 17.5" x 17.5" x .25"). City of Chicago Public Art Collection – 2023 – Mayor Lori E. Lightfoot

“Wayfindings is a series of artworks shaped by their place and informed by the people they serve. Located on the campus of the city’s new Joint Public Safety Training Campus and newest Boys & Girls Club, the project is a way to highlight the multiple purposes of the buildings and the intention of the campus as a new neighborhood icon and a visual representation of bridge building — between youth, first responders and the community. Key to the work is the process that got us there. Through an extensive community outreach plan, 16 young people, several first responders and numerous anonymous community members contributed over 600 photos, and text-based responses to the prompt “What makes you feel, home, safe, proud, joyous or free?” These submissions were then compiled and used to develop “place-made” patterns and signage that creates a shared space of positivity throughout the campus. The project is comprised of three parts: portal sculptures, bollard panels and a wallwork.”

FABHAUS was hired by Neon Fabrications and artist Bob Faust to fabricate and install the 16 bollard panels and main wayfindings wallwork at the newest Boys & Girls Club in Chicago, IL. Our team milled 5' x 10' x ¼" Aluminum panels to which we mounted porcelain enameled panels (enameled by Winsor Fireform and shipped to FABHAUS). The main structural framing by which the artwork is mounted to the wall was welded, tapped, and finished in house as well. FABHAUS was heavily involved in the research and development of bolting and adhesion techniques for this project, as it lives permanently outdoors and must withstand a large variety of weather conditions. All panels were packed in custom crates designed by FABHAUS and transported for installation in Chicago. The 16 bollard signs were also milled from ¼" Aluminum sheets and finished with weather resistant automotive paint according to color specifications from the client. Three of our team members were on site assisting Chicago Fine Art Solutions throughout installation of the large wallwork.

C. “Approach” Newark Liberty Airport; Terminal A, Newark NJ

Karyn Olivier, Approach, 2022 Powder-coated aluminum and stainless steel. Each sculpture: 52' 2" h x 20' 4" w x 20' 4" d. Commissioned by the Port Authority of New York & New Jersey and Munich Airport NJ, in partnership with Public Art Fund

“To create Approach, Karyn Olivier embarked on an extensive photographic survey of Newark and the surrounding region. She captured the extraordinary tapestry of New Jersey’s iconic skylines, robust infrastructure, and natural beauty. Slices of land and sky are suspended in two helix-like structures: one that depicts daytime and the other night. Each ring is double-sided, and presents two distinct views: when looking up, a bird’s eye view; and when looking down from above, a skyward view. This inversion echoes the temporary disorientation that travel often causes as we transit multiple time zones to arrive in different places with new perceptions. As passengers approach the sculptures, the rings begin to align concentrically, revealing a rich topographical mosaic. The artwork may even appear to move, compressing or expanding as our view shifts. The result is a dynamic study of both landscape and time, two elements that define our unique experience of place.”

FABHAUS was contracted by Urban Art Projects (UAP) to fabricate and assemble the main circular components of Karyn Olivier’s ‘Approach’. We milled ¾" thick waterjet cut and welded Aluminum through the incorporation of registration points by which we were able to bring all components to final size and add final joinery with a clean, milled edge. Each of the 52' tall suspended sculptures are comprised of rings that were broken up into 1, 4, 6, or 8 components which were connected by lap joints. FABHAUS was integral to the design development and ultimate feasibility of this project. Through re-consideration of process, we were able to massively reduce the necessary amount of materials, material waste, and overall weight. The aluminum components described above were then clad with powder coated aluminum sheets (also milled in house), and embedded with imagery by Direct Embed. Our team was responsible for developing a three part, fail-safe adhesion process in order to attach the powder coated panels to the upper and lower faces of each of the ¾" thick Aluminum frames. Upon completion, all components were serialized and packaged in custom crates by size and type, designed and built by FABHAUS.

D. “Three Half Lozenges”, The Newark Museum of Art, Newark NJ

Phillip K. Smith III, Three Half Lozenges, 2017-2021. The Newark Museum of Art Permanent Collection. Existing historic windows, alupoly, acrylic, LED lighting, electronic components, unique color choreography. 46' x 33' 6" (each window: 10' x 33' 6")
Commissioned by The Newark Museum of Art.

“Three Half Lozenges is a collaboration with the existing three historic double-height windows that define the 1920's facade of the Newark Museum of Art. Using the division and layout of the window panes as a canvas for light, this shifting light installation links directly to the artist's on-going series of lozenge-shaped Lightworks. Located within the context of Downtown Newark, the installation will be uniquely color choreographed by Smith as a precisely paced, full spectrum work experienced from the streets and buildings surrounding Washington Park. Shifting from linear to rectangular to lozenge within gradating and full fields of color, the three half lozenge-shaped windows will operate as a monumental light-based triptych at the scale of architecture. During the day, the facade will remain as its true, historic self, but at sunset, the windows will slowly emerge as full color reconfiguring one's experience of the Museum, Washington Park, and the City itself.”

FABHAUS was hired by Phillip K. Smith III and Neon Fab Studios to complete all fabrication and installation of Three Half Lozenges, acquired by and to become part of the permanent collection of The Newark Museum of Art. Through months of research, development, and prototyping, our team created a system based on clever milling techniques, bending, and mechanical connectors to fabricate 87 individual lightboxes. These lightboxes were then shipped to The Newark Museum of Art and installed by FABHAUS in a narrow gap between the original facade of the museum and it's interior gallery walls. The lightboxes are installed throughout three stories of the Museum's front entrance, and perform various color choreography each night from dusk to dawn.

The Grantee will maintain accurate books and records concerning the Project for six (6) years from the date the Project is completed and will make those books and records available to DASNY, its agents, officers and employees during Grantee's business hours upon reasonable request. In the event of earlier termination of this Agreement, such documentation shall be made available to DASNY, its agents, officers and employees for six (6) years following the date of such early termination.

4. Conditions Precedent to Disbursement of the Grant

- ii. The Grantee must deposit all Grant proceeds paid on invoice pursuant to this paragraph 5(b) into the Segregated Account established pursuant to Paragraph 4(d). All Eligible Expenses incurred in connection with the Project to be financed with Grant funds that are to be paid on invoice must be paid out of this account. The account shall not be used for any other purpose.
- iii. The Grantee must provide proof of disbursement of Grant funds to the respective contractor and/or vendor in a form acceptable to DASNY, within sixty (60) days of the date that Grant funds are disbursed to the Grantee to pay for such costs. DASNY will not make any additional disbursements from Grant funds until such time as proof of payment is provided.
- iv. Utilizing the Grant funds paid to the Grantee pursuant to this section for any purpose other than paying the contractors and/or vendors identified in the requisition documentation in the amounts set forth in the requisition shall constitute a default under this Agreement and shall, at a minimum, result in the denial of payment on invoice for subsequent requisitions.
- v. DASNY may deny payment on invoice at its sole and absolute discretion, thereby restricting the method of payment pursuant to this contract to reimbursement subject to the terms of Section 5(a).

c) Real Property Acquisition:

- i. Prior to closing on the sale of the subject real property, DASNY shall be provided with an executed Escrow Instruction Letter, signed by DASNY and an escrow agent approved by DASNY, a title report, the draft deed and any other documents requested by DASNY to justify and support the costs to be paid at the closing from Grant funds.

Prior to implementing an Electronic Payment Program, DASNY shall provide the Grantee written notice one hundred twenty days prior to the effective date of such Electronic Payment Program ("Electronic Payment Effective Date"). Commencing on or after the Electronic Payment Effective Date, all payments due hereunder by the Grantee shall only be rendered electronically, unless payment by paper check is expressly authorized by DASNY. Commencing on or after the Electronic Payment Effective Date the Grantee further acknowledges and agrees that DASNY may withhold any request for payment hereunder, if the Grantee has not complied with DASNY's Policies and Procedures relating to its Electronic Payment Program in effect at such time, unless payment by paper check is expressly authorized by DASNY.
- e) In no event will DASNY make any payment which would cause DASNY's aggregate disbursements to exceed the Grant amount.
- f) The Grant, or a portion thereof, may be subject to recapture by DASNY as provided in Section 9(c) hereof.

6. Non-Discrimination and Affirmative Action

The Grantee shall make its best effort to comply with DASNY's Non-Discrimination and Affirmative Action policies set forth in Exhibit F to this Agreement.

7. No Liability of DASNY or the State

DASNY shall not in any event whatsoever be liable for any injury or damage, cost or expense of any nature whatsoever that occurs as a result of or in any way in connection with the Project and the Grantee hereby agrees to indemnify, defend, and hold harmless DASNY, the State and their respective agents, officers, employees and directors (collectively, the "Indemnitees") from and against any and all such liability and any other liability for injury or damage, cost or expense resulting from the payment of the Grant by DASNY to the Grantee or use of the Project in any manner, including in a manner which, if the bonds are issued on a tax-exempt basis, (i) results in the interest on the bonds issued by DASNY the proceeds of which were used to fund the Grant (the "Bonds") to be includable in gross income for federal income tax purposes or (ii) gives rise to an allegation against DASNY by a governmental agency or authority, which DASNY defends that the interest on the Bonds is includable in gross income for federal income tax purposes, other than that caused by the gross negligence or the willful misconduct of the Indemnitees.

8. Warranties and Covenants

The Grantee warrants and covenants that:

- a) The Grant shall be used solely for Eligible Expenses in accordance with the Terms and Conditions of this Agreement.
- b) No materials, if any, purchased with the Grant will be used for any purpose other than the eligible Project costs as identified in Exhibit A.
- c) The Grantee agrees to utilize all funds disbursed in accordance with this Agreement in accordance with the terms of the SAM Program.
- d) The Grantee is solely responsible for all Project costs in excess of the Grant. The Grantee will incur and pay Project costs and submit requisitions for reimbursement in connection with such costs.
- e) The Grantee has sufficient, secured funding for all Project costs in excess of the Grant, and will complete the Project as described in the Preliminary Application or Project Information Sheet and in this Agreement.
- f) The Grantee agrees to use its best efforts to utilize the Project for substantially the same purpose set forth in this Agreement until such time as the Grantee determines that the Project is no longer reasonably necessary or useful in furthering the public purpose for which the grant was made.
- g) There has been no material adverse change in the financial condition of the Grantee since the date of submission of the Preliminary Application or Project Information Sheet to DASNY.
- h) No part of the Grant will be applied to any expenses paid or payable from any other external funding source, including State or Federal grants, or grants from any other public or private source.
- i) The Grantee owns, leases, or otherwise has control over the site where the Project will be located. If the Project includes vehicle purchase(s), removable equipment, or furnishings including but not limited to, computer hardware and software, air conditioning units, lab equipment, office furniture and telephone systems, the Grantee has or will develop, implement, and maintain an inventory system for tracking such items, as well as has or will develop, implement, and maintain a usage policy.
- j) In the event the Grantee will utilize the Grant funds to acquire real property, the Grantee must retain title ownership to the real property. If at any time during the term of this Agreement the real property is repurchased by the Seller or otherwise conveyed to any entity other than the Grantee, the Grantee will notify DASNY within 10 business days from the date the contract of sale is executed OR within 10 business days from the date the Grantee initiates or is notified of the intent to transfer ownership of the real property, whichever is earlier. In that event, Grantee hereby agrees to repay to DASNY all Grant funds disbursed pursuant to this Agreement.
- k) The Project to be funded by the Grant will be located in the State of New York. If the Grant will fund all or a portion of the purchase of any type of vehicle, such vehicle will be registered in the State of New York and a copy of the New York State Vehicle Registration documents will be provided to DASNY's Accounts Payable Department at the time of requisition.

- l) Grantee is in compliance with, and shall continue to comply in all material respects, with all applicable laws, rules, regulations and orders affecting the Grantee and the Project including but not limited to maintaining the Grantee's document vault on the New York State Grants Reform Gateway (<https://grantsmanagement.ny.gov/>).

In addition, said contractor/vendors shall possess and maintain all professional licenses and/or certifications required to perform the tasks undertaken in connection with the Project.
- o) Neither the Grantee nor any of the members of its Board of Directors or other governing body or its employees have given or will give anything of value to anyone to procure the Grant or to influence any official act or the judgment of any person in the performance of any of the terms of this Agreement.
- p) The Grant shall not be used in any manner for any of the following purposes:
 - i. political activities of any kind or nature, including, but not limited to, furthering the election or defeat of any candidate for public, political or party office, or for providing a forum for such candidate activity to promote the passage, defeat, or repeal of any proposed or enacted legislation;
 - ii. religious worship, instruction or proselytizing as part of, or in connection with, the performance of this Agreement;

For purposes of this paragraph, "ownership" means ownership, directly or indirectly, of more than five percent (5%) of the assets, stock, bonds or other dividend or interest-bearing securities; and "control" means serving as a member of the board of directors or other governing body, or as an officer in any of the above; and

- iv. payment to any member of Grantee's Board of Directors or other governing body of any fee, salary or stipend for employment or services, except as may be expressly provided for in this Agreement.
- q) The relationship of the Grantee (including, for purposes of this paragraph, its officers, employees, agents and representatives) to DASNY arising out of this Agreement shall be that of an independent contractor. The Grantee covenants and agrees that it will conduct itself in a manner consistent with such status, that it will neither hold itself out as, nor claim to be, an officer, employee, agent or representative of DASNY or the State by reason hereof, and that it will not by reason thereof, make any claim, demand or application for any right or privilege applicable to an officer, employee, agent or representative of DASNY or the State, including without limitation, worker's compensation coverage, unemployment insurance benefits, social security coverage or retirement membership or credit.
- r) The information contained in the Preliminary Application or Project Information Sheet submitted by the Grantee in connection with the Project and the Grant, as such may have been amended or supplemented and any supplemental documentation requested by the State or DASNY in connection with the Grant, is incorporated herein by reference in its entirety. In the event of an inconsistency between the descriptions, conditions, and terms of this Agreement and those contained in the Preliminary Application or Project Information Sheet, the provisions of this Agreement shall govern. The Grantee hereby acknowledges that DASNY has relied on the statements and representations made by the Grantee in the Preliminary Application or Project Information Sheet and any supplemental information in making the Grant. The Grantee hereby represents and warrants that it has made no material misstatement or omission of fact in the Preliminary Application or Project Information Sheet, supplemental information, or otherwise in connection with the Grant and that the information contained in the Preliminary Application or Project Information Sheet and supplemental information continues on the date hereof to be materially correct and complete.
- s) The Grantee hereby represents and warrants that it has made no material misstatement or omission of fact in the Grantee Questionnaire ("GQ"), attached hereto as Exhibit C, or the Grantee's document vault in the New York State's Grants Reform Gateway completed by the Grantee in connection with the Project and the Grant, and that the responses in the GQ and the document vault continue on the date hereof to be materially correct and complete. The Grantee hereby acknowledges that DASNY has relied on the statements and representations made by the Grantee in the GQ in making the Grant, and that the Grantee will be required to reaffirm the information therein each time a requisition for grant funds is presented to DASNY.
- t) The Grantee is duly organized, validly existing and in good standing under the laws of the State of New York, or is duly organized and validly existing under the laws of another jurisdiction and is authorized to do business and is in good standing in the State of New York and shall maintain its corporate existence in good standing in each such jurisdiction for the term of this Agreement, and has full power and authority to execute and deliver the Agreement and to perform its obligations thereunder;
- u) The Grantee agrees to provide such documentation to DASNY as may be requested by DASNY in its sole and absolute discretion to support a requisition for payment, to

determine compliance by the Grantee with the terms of this Agreement or otherwise reasonably requested by DASNY in connection with the Grant, and further acknowledges that if documentation requested in connection with a requisition for payment does not, in the sole and absolute discretion of DASNY, provide adequate support for the costs requested, that such requisition request shall be denied and payment shall not be made to the Grantee.

- v) The Agreement was duly authorized, executed and delivered by the Grantee and is binding on and enforceable against the Grantee in accordance with its terms.

9. Default and Remedies

- a) Each of the following shall constitute a default by the Grantee under this Agreement:

ORDINANCE NO.: 4 - 2024

OF

APRIL 8, 2024

AN ORDINANCE AMENDING SECTION 288-33,
ENTITLED “RESIDENT PARKING” OF THE CODE OF ORDINANCES

BE IT ORDAINED, by the Council of the City of Newburgh, New York, that Section 288-33 entitled “Resident Parking” be and is hereby amended as follows:

SECTION 1. Section 288-33. Parking near Newburgh Free Academy ~~Resident parking.~~

~~A. Parking near Newburgh Free Academy.~~

~~(1)~~ Legislative findings. The City Council of the City of Newburgh, New York, hereby finds that an automobile parking problem exists in the City streets and school parking lots in the area surrounding Newburgh Free Academy. This problem is created by the large number of automobiles parked by students in the parking lot on Gidney Avenue and on these streets and the congregation of students around the parked cars, thereby causing traffic congestion, lack of street parking space for local residents, noise caused by loud music coming from car radios, garbage and litter, and trespass on private property. It is further found that these are problems affecting the health, safety and welfare of the people of this City. This section is intended to remedy these problems by creating an orderly and equitable parking plan for the affected streets and parking lots and to enforce parking regulations on certain school district properties upon request of the school district or other schools as may be in the best interests of the City of Newburgh.

~~B. (2)~~ Unless otherwise provided in this section, no person shall park a vehicle between 9:00 a.m. and 12:00 noon of any day, except Saturdays, Sundays and school holidays, upon any of the streets or parts of streets described in Schedule XXIV (§ 288-82), ~~attached to and made a part of this chapter.~~

~~C. (3)~~ Exceptions; parking permits for residents. Parking shall be permitted on the streets mentioned in Schedule XXIV (§ 288-82) hereof by residents of the named streets, except for the parts of the streets designated in Subsection D ~~E~~, which parking areas are reserved for certain students of Newburgh Free Academy. A parking permit, as provided by this section, must always be displayed on the dashboard of a vehicle parked on these streets during the designated times. These permits will be issued by the City Clerk upon such reasonable proof as the City Clerk ~~she~~ may require as to the residence and the number of cars owned or used by the applicants. Mid-Hudson Counseling Center shall be allowed a permit for each of its staff members and a

maximum of six additional permits. The Christ Lutheran Church of Newburgh shall be issued a reasonable number of permits for use of the staff and members of its congregation. One permit shall be issued for each vehicle owned or used by a resident of the designated street.

D. ~~(4)~~ Student parking areas. The parking lots, streets or parts of streets described in Schedule XXV (§ 288-83), ~~attached to and made a part of this chapter,~~ are reserved for students of Newburgh Free Academy having a parking permit visibly displayed inside the windshield. These permits shall be issued by the principal of Newburgh Free Academy to those students who, in his judgment, are most in need of a parking permit because of employment, for medical reasons or for other hardship. He may require an affidavit or other evidence from a student applicant for a parking permit as to the facts that the student claims entitle him to the permit.

B. ~~Parking near St. Luke's Cornwall Hospital.~~

~~(1) Legislative findings. The City Council of the City of Newburgh, New York, here by finds that an automobile parking problem exists on Dubois Street in the area of St. Luke's Cornwall Hospital. The problem is created by the large amount of growth and development along Dubois Street, which is causing traffic congestion and a lack of street parking space for local residents. It is further found that these are problems affecting the health, safety and welfare of the people in this City. This section is part of a larger plan intended to remedy these problems creating an orderly and equitable parking plan for Dubois Street as may be in the best interests of the City of Newburgh.~~

~~(2) No person shall park a vehicle at any time of any day upon the west side of Dubois Street between Carter Street and Third Street, except by residents of Dubois Street who display a proper permit on their vehicle(s). Such parking permits shall be displayed at all times a vehicle is parking on Dubois Street. The permits will be issued by the City Clerk upon such reasonable proof as she may require as to the residence and number of cars owned or used by the applicants. One permit shall be issued for each vehicle owned or used by a resident of Dubois Street.~~

E. ~~C.~~ Service or delivery vehicles. The parking prohibitions of this section shall not apply to service or delivery vehicles which are being used to provide services or to make deliveries to residents.

F. ~~D.~~ Other parking regulations. This section is not intended to supersede the alternate-side-of-the street ordinance now in effect or any other ordinances restricting parking on the streets designated herein.

G. ~~E.~~ Validity of permit; misuse unlawful; term. Whenever the conditions entitling a person to a parking permit under this section no longer exist, the person holding such a permit shall surrender it to the issuing authority or its authorized representative. It shall be unlawful for any person to represent that he is entitled to such a permit when he is not so entitled, to fail to surrender a permit to which he is no longer entitled or to park a vehicle displaying such a permit at any time when the holder of such permit is not entitled to hold it. No permit issued hereunder shall be

valid for more than one year but may be renewed upon expiration, provided that the conditions for issuance exist.

H. ~~F.~~ Revocation of permit. The City Clerk may revoke a resident permit, or the principal of Newburgh Free Academy may revoke a student permit, upon finding that the person to whom it was issued is no longer entitled to such permit or that such person was never entitled to such a permit.

SECTION 2. Severability.

The provisions of this Ordinance are separable and if any provision, clause, sentence, section, subsection, word or part thereof is held to be illegal, invalid, or unconstitutional, or inapplicable to any person or circumstance, such illegality, invalidity, or unconstitutionality, or inapplicability shall not affect or impair any of the remaining provisions, clauses, sentences, subsections, words or parts of this Ordinance or their application to other persons or circumstances. It is hereby declared to be the legislative intent that this Ordinance would have been adopted is such illegal, invalid, or unconstitutional provision, clause, sentence, subsection, word or part had not been included therein, and if such person or circumstance to which the Ordinance or part here of is held inapplicable had been specifically exempt therefrom.

SECTION 3. Codification.

It is the intention of the City Council of the City of Newburgh and it is hereby enacted that the provisions of this Ordinance shall be included in the Code of Ordinances of the City of Newburgh; that the sections and subsections of this Ordinance may be re-numbered and/or re-lettered by the codifier to accomplish such intention; that the term "Ordinance" shall be changed to "Chapter", "Section", or other appropriate word as required for codification; and that any such rearranging of the numbering and/or lettering and editing shall not affect the validity of this Ordinance or the provisions of the Code of Ordinances affected thereby.
