Review: What do we mean when we talk about Community Development?

“Community development can be understood as a planned effort to build assets that increase the capacity of residents to improve their quality of life.”

- Green, G. and Haines, A. (2008). Asset Building and Community Development. Thousand Oaks: Sage Publications, Inc.

City of Newburgh Community Development Goals - Refresher

- Economic Development without Displacement.
- Enhance outreach and communications with the community.
- Support a climate that values diversity, rewards independence, nourishes creativity, and brings all of us together.

Successful community building requires reestablishing trust, which takes time, patience, outreach and communication.

“CDBG” - Brief Primer

- Community Development Block Grant (CDBG) - Administered by the U.S. Department of Housing and Urban Development (HUD)
- Allocated to local and state governments on a formula basis.
- The City of Newburgh is under the Orange County Consortium (Orange County, City of Newburgh, City of Middletown).
- The City of Newburgh is required to prepare and submit a **Consolidated Plan** that establishes goals for the use of CDBG funds. The new City of Newburgh Consolidated Plan: **FY2025 - 2029**
- Projects **MUST** be consistent with national priorities for CDBG:
 - Activities that benefit low- and moderate-income people;
 - The prevention or elimination of slums or blight; or
 - Community development activities to address an urgent threat to health or safety.

City of Newburgh CDBG FY2025 - 2029 Consolidated Plan

The Consolidated Plan, or the “Con Plan” or “Five-Year Plan,” is designed to help states and local jurisdictions assess their affordable housing and community development needs and market conditions, and to make data-driven, place-based investment decisions.

**A RESOLUTION AUTHORIZING THE CITY MANAGER
TO EXECUTE AN AGREEMENT WITH AUCTIONS INTERNATIONAL, INC.
TO PROVIDE LIQUIDATION SERVICES TO THE CITY OF NEWBURGH**

WHEREAS, the City of Newburgh from time to time has surplus vehicles, machinery and other equipment which is no longer needed for City purposes; and

WHEREAS, such property may have some inherent commercial value to private parties; but cannot be used by the City departments or agencies; and the City has no efficient means of storing, preserving, using or otherwise deriving value from such property; and

WHEREAS, by Resolution No. 242-2016 of September 12, 2016, Resolution No. 278-2018 of September 24, 2018, Resolution No. 251-2020 of October 13, 2020, and Resolution No. 227-2022 of September 12, 2022, the City Council of the City of Newburgh authorized agreements with Auctions International, Inc., an experienced and proven online government surplus sales service provider which sells items to anyone on the public site only charges for the items sold and buyer's premium with no charge to the municipality; and

WHEREAS, the terms of the prior agreements with Auctions International, Inc. were for 2 years and the City of Newburgh finds that entering into a new agreement would continue to generate revenue for the City of Newburgh from property which would otherwise go to waste, and thus would be in the best interests of the City of Newburgh;

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Newburgh, New York that the City Manager of the City of Newburgh be and he is hereby authorized to enter into an agreement with Auctions International, Inc. to provide liquidation services to the City of Newburgh, with such other terms and conditions as may be required by Corporation Counsel, same as being in the best interest of the City of Newburgh.

ONLINE AUCTION CONTRACT - AGREEMENT FOR SALE OF GOVERNMENT ASSETS BY ONLINE AUCTION

This Agreement made on 10 / 14 / 20 24, between City of Newburgh, hereafter called "Seller", and Auctions International, Inc., 11167 Big Tree Road, East Aurora, NY 14052, hereafter called "Auctioneer":

The Auctioneer hereby agrees to use professional skills, knowledge, and experience to the best advantage of both parties in preparing for and conducting the sale. All auction items will be sold "as is, where is", subject to the Seller's terms.

The Seller agrees to provide titles, keys in all other proof of ownership to customers who present a paid invoice from Auctions International, and release the purchased items once the Auctioneer has received full payment for the goods listed and described in detail on provided condition reports, and / or provided by the electronic means to the Auctioneer.

GOVERNMENT VEHICLES, MACHINERY, EQUIPMENT AND ALL OTHER SURPLUS ASSETS

The Seller agrees to provide merchantable title (with no liens or encumbrances) for motor vehicles, and agrees to write-in the purchase information on the back of any titles issued to purchasers (as required by law). The Seller furthermore agrees not to sell listed merchandise before the term of the online auction is complete, under any circumstances.

The auction is to be held online at www.AuctionsInternational.com, beginning and closing on mutually agreed-upon dates and times. The terms and prices of this contract shall remain in effect for two years after the agreement is executed based on the means of the Seller. Notwithstanding the foregoing, the Seller may terminate this contract at any time for convenience.

It is agreed that all listed merchandise be sold to the highest bidder, "as is, where is", with no warranty, expressed, implied or otherwise, and with the government Seller retaining the right to reject any bids that are insufficient. The Seller agrees to specify a minimum acceptable price on each rejected bid, which will be posted on the past prices page of the Auctioneer's website.

Purchasers will be required to pay a 4% buyer's premium for vehicles and equipment sold within two (2) years of the manufacture date, a 5% buyer's premium for vehicles and equipment within three (3) years of the manufacture date, or a 10% buyer's premium for any vehicles/older equipment to be added to the successful high bid prices, which will constitute the Auctioneer's compensation for these services. There is no commission charged to the Seller.

The Seller agrees to provide photographs and description of the auction merchandise to conduct the auction. In the event that the Seller cannot provide this information, the Auctioneer's staff will travel to the Seller's facilities to obtain photos and condition reports of the Seller's items for the following fee: \$30 for each motorized vehicle/equipment item, and \$5 for each general merchandise auction lot. Listing fees are deducted from the net sale proceeds, before final payment is made to the Seller.

The Auctioneer will mail a check to the Seller for all proceeds collected within 15 business days after the Seller approves the bids for the sale items, and all monies are collected, along with an accounting summary. In the event of a bidder's refusal or failure to pay for their invoiced items, the Auctioneer will offer the unsold merchandise to the backup bidder, and the reneging bidder will be banned from future auctions. If the backup bidder does not take the merchandise for the backup bid price, then the merchandise will revert back to the possession of the Seller, after a reasonable time has been allowed for the backup bidder to get their payment to the Auctioneer. At the request of the Seller any unsold merchandise can be re-listed in the future online auction at no cost to the Seller.

INDEPENDENT STATUS. That during the existence of this agreement, the Auctioneer shall remain an individual, independent contractor, retaining its separate identity and shall in no way be considered a division, department or agent of the Seller's agency or organization.

WAIVER. No waiver of any breach of any condition of the agreement shall be binding unless in writing and signed by the party waiving said breach. No such waiver shall in any way affect any other term or condition of this agreement or constitute a cause or excuse for a repetition of such or any other breach unless the waiver shall include the same.

ENTIRE AGREEMENT. This Agreement constitutes the entire agreement among the parties with respect to the subject matter of this Agreement, and supersedes any and all prior understandings and agreements, whether written or oral, and all prior dealings of the parties with respect to the subject matter of this Agreement.

WHEREAS, the terms of the prior agreements with Auctions International, Inc. were for 2 years and the City of Newburgh finds that entering into a new agreement would continue to generate revenue for the City of Newburgh from property which would otherwise go to waste, and thus would be in the best interests of the City of Newburgh;

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Newburgh, New York that the City Manager of the City of Newburgh be and he is hereby authorized to enter into an agreement with Auctions International, Inc. to provide liquidation services to the City of Newburgh, with such other terms and conditions as may be required by Corporation Counsel, same as being in the best interest of the City of Newburgh.

I, Katrina Cotten, Deputy City Clerk of the City of Newburgh hereby certify that I have compared the foregoing with the original resolution adopted by the Council of the City of Newburgh at a regular meeting held 9/12/22 and that it is a true and correct copy of such original.

ONLINE AUCTION CONTRACT - AGREEMENT FOR SALE OF GOVERNMENT ASSETS BY ONLINE AUCTION

This Agreement made on 10 / 14 / 20 22, between City of Newburgh, hereafter called "Seller", and Auctions International, Inc., 11167 Big Tree Road, East Aurora, NY 14052, hereafter called "Auctioneer":

The Auctioneer hereby agrees to use professional skills, knowledge, and experience to the best advantage of both parties in preparing for and conducting the sale. All auction items will be sold "As-Is, Where-Is", subject to the Seller's terms.

The Seller agrees to provide Titles, Keys and all other Proof of Ownership to customers who present a paid invoice from Auctions International, and release the purchased items once the Auctioneer has received full payment for the goods listed and described in detail on provided condition reports, and/or provided by electronic means to Auctioneer.

GOVERNMENT VEHICLES, MACHINERY, EQUIPMENT AND ALL OTHER SURPLUS ASSETS

The Seller agrees to provide merchantable title (with no liens or encumbrances) for motor vehicles, and agrees to write-in the purchase information on the back of any titles issued to purchasers (as required by law). The Seller furthermore agrees not to sell listed merchandise before the term of the online auction is complete, under any circumstances.

The Auction is to be held online at www.AuctionsInternational.com, beginning and closing on mutually agreed dates and times. The terms and prices of this contract shall remain in effect for two (2) years after the agreement is executed, based on the needs of the Seller. Notwithstanding the foregoing, the Seller may terminate this contract at any time for convenience.

It is agreed that all listed merchandise be sold to the highest bidder, "as-is", "where-is", with no warranty expressed, implied or otherwise, and with the Government Seller retaining the right to reject any bids that are insufficient. Seller agrees to specify a minimum acceptable price on each rejected bid, which will be posted on the 'Past Prices' page of the Auctioneer's website.

Purchaser's will be required to pay a 4% buyer's premium for vehicles and equipment sold within two (2) years of the manufacture date, a 5% buyer's premium for vehicles and equipment within three (3) years of the manufacture date, or a 10% buyer's premium for all older equipment to be added to the successful high bid prices, which will constitute the Auctioneer's compensation for these services. There is NO commission charged to the seller.

The Auctioneer will conduct auction(s) at no-cost to the Seller, provided the Seller takes photos and descriptions of the merchandise, and provides this information to the Auctioneer's staff. The Auctioneer reserves the right to combine low-value merchandise into larger online auction lots as necessary, based on past experience with such items.

If requested by the Seller, the Auctioneer's staff will travel to the Seller's facilities to obtain photos and condition reports of the Seller's items, for the following listing fees: Thirty dollar (\$30) fee for each motorized vehicle/equipment, and Five dollar (\$5) fee for each auction lot that is not a motor vehicle. These listing fees will be deducted from the sale proceeds, before final payment is made to Seller.

The Auctioneer will mail a check to the Seller for all proceeds collected within fifteen (15) business days after the Seller approves the bids for the sale items and all monies are collected, along with an accounting summary. In the event of a bidder's refusal or failure to pay for their invoiced items, the Auctioneer will offer the unsold merchandise to the backup bidder, and the reneging bidder will be banned from future auctions. If the backup bidder does not take the merchandise for the backup bid price, then the merchandise will revert back to possession of the seller, after a reasonable time has been allowed for the backup bidder to get their payment to the Auctioneer. At the request of the Seller, any unsold merchandise can be re-listed in a future online auction. At no cost to the seller.

INDEPENDENT STATUS. That during the existence of this agreement, the Auctioneer shall remain an individual, independent contractor, retaining its separate identity and shall in no way be considered a division, department or agent of the Seller's agency or organization.

WAIVER. No waiver of any breach of any condition of the agreement shall be binding unless in writing and signed by the party waiving said breach. No such waiver shall in any way affect any other term or condition of this agreement or constitute a cause or excuse for a repetition of such or any other breach unless the waiver shall include the same.

ENTIRE AGREEMENT. This Agreement constitutes the entire agreement among the parties with respect to the subject matter of this Agreement, and supersedes any and all prior understandings and agreements, whether written or oral, and all prior dealings of the parties with respect to the subject matter of this Agreement.

Downtown Revitalization Initiative and NY Forward

NY's downtowns are the heart and soul of our regions.

Utilizing the Department of State's plan-then-act strategy, the synergy between the DRI and NY Forward connects the renaissance of magnet cities with the revitalization of smaller downtowns – creating greater opportunities for New York residents, businesses and visitors.

New York's downtowns are both a reflection of our past and a catalyst for future growth and revitalization. They are centers for commerce, culture, diversity, entrepreneurship, ideas and entertainment.

Governor Hochul has made downtown revitalization a central component of the State's economic development policy. The DRI and NY Forward will accelerate and expand New York's downtown revitalization.

To date, DRI has awarded a total of \$800 million to 81 communities in the first seven rounds. This catalytic effect will continue well after DRI communities complete all their projects. The program is now entering its eighth round with an additional \$100 million available in funding.

To extend that momentum to smaller communities,

Governor Hochul launched a complimentary program in 2022. NY Forward is now entering its third round with \$100 million available in funding. The overarching goals of the two programs are to revitalize downtowns and reinvigorate local and regional economies by creating a critical mass of vibrant downtown destinations in each region. NY Forward diverges in several aspects to reach and serve the unique needs and characteristics of the State's smaller and rural communities. To date, NY Forward has awarded a total of \$200 million to 43 communities.

The following overview of each individual program will help communities decide how to best pursue their revitalization goals in partnership with the State.

DRI

NY Forward

Downtown Revitalization Initiative and NY Forward

DRI

The Department of State (DOS) administers the Governor's Downtown Revitalization Initiative (DRI) in close coordination with Homes and Community Renewal (HCR), Empire State Development (ESD), New York State Energy Research & Development Authority (NYSERDA) and several other supportive agency partners. The DRI was launched in 2016 to accelerate and expand the revitalization of downtowns in all ten regions of the State so that they serve as centers of activity and catalysts for increased local investments. The DRI transforms downtown neighborhoods into vibrant centers that offer a high quality of life and become magnets for redevelopment, business growth, job creation and economic and housing diversity.

The DRI represents an unprecedented and innovative "plan-then-act" strategy that couples strategic planning with immediate implementation. DRI plans do not just sit on a shelf- they serve as the blueprint and catalyst for immediate and ongoing action.

The DRI annually provides a \$10 million award to one community in each of the State's ten Regional Economic Development Council (REDC) regions, with the exception of the New York City REDC region, which will receive one \$20 million award. Applicants must demonstrate their readiness and capacity to identify and implement a slate of synergistic

DRI Process

NY Forward Process

projects that collectively achieve a community-based vision for the downtown. Applicants must also be certified as a Pro-Housing Community prior to the awards.

The REDCs review applications and nominate winners to DOS for final review and approval.

Winning communities are assigned a consulting team by DOS to guide the community through the process of developing a Strategic Investment Plan that includes multiple complementary projects. The plan and projects are driven by both a Local Planning Committee and extensive community outreach and engagement. Once the Plan is approved, DOS and an expansive team of agency partners implement the projects expeditiously. The DRI has achieved remarkable results in its first six rounds, igniting a renaissance in downtown revitalization and showing no signs of slowing down.

NY Forward

NY Forward supports a more equitable downtown recovery for New York's smaller and rural communities, with a focus on hamlets and villages.

These downtowns often have a distinct feel from larger, metropolitan urban centers with unique, easy-to-recognize characteristics. Potential NY Forward communities are those former railroad, canal, coal and mill towns that lost the industry around which their town grew – we often think of these as crossroads or bedroom towns, small business districts along corridors that connect major employment centers and magnet cities in their region. These communities provide neighborhood scale, local goods and services with iconic boutiques and mom and pop shops that enrich the unique character of that community. With bones built for a vibrant downtown, these communities, through NY Forward, will attract more

businesses, residents and visitors. A healthy regional economy relies on a critical mass of vibrant downtowns of various sizes, character, history, needs and challenges. NY Forward completes that picture.

Like the DRI, applicants must submit a vision for the downtown and a slate of developable projects to achieve that vision. Applicants must also be certified as a Pro-Housing Community prior to the awards. REDCs review the applications and nominate winners. This process reflects the same “plan-then-act” methodology deployed through the DRI.

NY Forward awards will be smaller, but more numerous, than the DRI. Rather than one \$10 million award per region with the DRI, NY Forward allows two \$4.5 million awards. No NY Forward awards will be made to New York City; instead, New York City will be awarded one \$20 million award from DRI.

Although grant awards are smaller, NY Forward was not designed to fund one large, expensive project. Rather, NY Forward applicants should develop a full suite of synergistic projects, like the DRI, that may include one or two substantial anchor projects supplemented by a variety of smaller supportive projects.

NY Forward funds will be used to provide technical assistance directly to communities throughout each phase of the program, from pre-application to implementation, as necessary. By submitting an Intent to Apply form, communities will have access to targeted capacity-building and consultants who can provide guidance on application development.

This one-on-one technical assistance will have ripple effects beyond NY Forward, strengthening their ability to pursue and implement other funding opportunities.

The charts on the next page compare and contrast the many elements of the DRI and NY Forward to help communities understand the programs and make an informed decision about which to apply for. □

A LOCAL LAW AMENDING CHAPTER 93 ENTITLED “REPURCHASE OF IN REM PROPERTIES” OF THE CODE OF ORDINANCES OF THE CITY OF NEWBURGH

BE IT ENACTED by the City Council of the City of Newburgh as follows:

SECTION 1 - TITLE

This Local Law shall be referred to as “A Local Law Amending Chapter 93 entitled ‘Repurchase of In Rem Properties’ of the Code of Ordinances of the City of Newburgh”.

SECTION 2 – PURPOSE AND INTENT

Chapter 55 of the 2024 Session Laws of New York (A. 8805-C), signed into law on April 20, 2024, amended the Real Property Tax Law (“RPTL”) related to the prosecution and administration of delinquent tax liens.

This local law amends Chapter 93 entitled ‘Repurchase of In Rem Properties’ of the Code of Ordinances of the City of Newburgh to incorporate the RPTL amendments and to provide notice provisions for former owners or lienors seeking to repurchase an *in rem* property,

SECTION 3 – AMENDMENT

Chapter 93 of the Code of Ordinances of the City of Newburgh is hereby amended as follows:

§ 93-1 Findings and legislative intent.

The Council of the City of Newburgh finds that the City annually acquires title to several properties by foreclosure for unpaid taxes or other charges, pursuant to Article 11, Title 3, of the Real Property Tax Law of the State of New York. Immediately after acquiring title, the City usually receives several requests to repurchase these properties by former owners or other interested parties to pay the taxes or charges owed. The Council generally grants these requests, but, although § 1166 of the Real Property Tax Law permits the City to sell such properties at private sale, a special resolution is required to approve each sale. It is the intent of this chapter to specifically supersede Real Property Tax Law § 1166, Subdivision 1, in part, so as to permit the private sale of real property acquired by in rem foreclosure to former owners thereof without the necessity of Council approval.
