Newburgh Tot Lot: NEPA, SEQRA, and Construction Cost Estimating Services

Dear Ms. Church,

Greenman-Pedersen, Inc. (GPI) is pleased to submit the following proposal to the City of Newburgh (herein after referred to as the Client) to provide and extension of professional site/civil engineering and landscape architectural services for the above referenced project.

SCOPE OF WORK

Task 1 – Opinion of Probable Construction Costs

Under this task, GPI will prepare an Opinion of Probable Construction Costs (OPCC) for the project. This will include a breakdown of the various project elements with quantities, unit measurements, unit pricing, and totals for each specific project component (i.e. – concrete curbing, asphalt pavement, fencing, seat walls, etc.). The OPCC will include the total anticipated installation costs for each for each project component inclusive of material costs and contractors labor, overhead, and profit. We will also coordinate with the various product manufacturers to obtain current pricing (including delivery to the site) for specialty items such as the Riley's Rescue Playground, Aquatic Sprayground, and the shade sail structures, and we will include the anticipated installation costs for each.

Task 2 – SEQRA Environmental Review Support Services

It is anticipated that this project will fall under the Unlisted Action category for SEQRA purposes. A Short EAF level of review is envisioned as the only review required. Assuming there are no found environmental conditions, the process would be completed by drafting a resolution for the City Council to issue a Negative Declaration for the project, completing the SEQRA process.

Task 3 – NEPA Environmental Review Support Services

GPI will assist the City with the compilation of the Environmental Review Record (ERR) for the project. The ERR will support the Request of funds through NEPA compliance, under 24 CFR PART 50 or 24 CFR PART 58 Environmental Review. Note that it may be possible to present this action as an in-kind reuse of an existing facility. If this is successful it is believed that the project may be able to fall under the criteria for Categorical Exclusion subject to §58.5 (CEST) Determination for Activities Listed at 24 CFR §58.35(a).

GPI will complete a draft of the Statutory Worksheet and Statutory Checklist. It is believed that through this process the proposed project activities will be found not to require compliance with any authority under §58.5 (such as mitigation measures, additional studies, conditions, or further consultation).

Services will also include documenting compliance with the requirements of §58.6 (Compliance Checklist) related to Flood Disaster Protection; restriction on HUD assistance for a project located in Coastal Barrier Resource Areas, and determination if the projects fall within a Runway Clear Zone or Clear Zone associated with the Stewart International airport.

Submission will be coordinated with the Client and HUD through the HUD HEROS online system. The project will not likely convert to "exempt status" and therefore there will be a need to publish a Notice of Intent to Request Release of Funds (NOI/RROF).

RE00 – Reimbursable Expenses

This scope of services includes only the cost for the preparation of the work as outlined above and does not include our direct expenses, such as mileage, overnight mailings, and photocopying and map reproductions. These direct costs will be billed under this task as incurred.

PROFESSIONAL SERVICES FEE SUMMARY

Re: Consolidated Iron and Metal Site – 2025 Annual Sampling/Reporting
EPA Site Number: NY0002455756
NYSDEC Site Number: 336055

Dear Mr. Morris,

LaBella Associates, DPC (LaBella) appreciates this opportunity to continue providing groundwater sampling and reporting support for the former Consolidated Iron and Metal Site in the City of Newburgh, Orange County, New York. The work will closely match field services provided during the past several years. It is our understanding that your next Periodic Review Report (PRR) will be due on June 15, 2025.

Phase 0100 - 2025 Groundwater Sampling

LaBella will conduct one round of groundwater sampling from the presently-required eight existing on-site groundwater monitoring wells. This sampling event will be planned to occur in late March/early April 2025 to provide data in time for a PRR submittal by the due date of June 15, 2025.

Wells will be purged using low-flow sampling methods. Water quality parameters will be recorded while purging to assure stabilized flow through well screens into dedicated sample tubing. Purge water will be decanted to the ground based on permission received previously from NYSDEC.

Collected samples will be placed on ice and submitted to an ELAP certified laboratory for standard turnaround with Class A data deliverables under standard chain-of-custody procedures. The samples will be submitted for analysis of CP-51 VOCs, CP-51 SVOCs and Lead using appropriate NYS CLP-ASP methods. Well MW-2 will also be analyzed for Arsenic. As elevated sample turbidity is proven to influence total (unfiltered) metals results, LaBella will also collect a filtered aliquot for dissolved metals analysis at any well location exhibiting field turbidity readings in excess of 50 NTUs.

At the request of NYSDEC, the 2024 analytical program was expanded to include site-wide sampling for emerging contaminants: 1,4-Dioxane and per- and poly-fluoroalkyl compounds (PFAS). LaBella has confirmed with NYSDEC that the 2024 results were sufficient to indicate that these emerging contaminants are not presently a concern for this site and are not required to be included in 2025 sampling efforts.

Quality Assurance (QA) samples will also be collected and submitted for analysis. QA sampling will consist of a field duplicate submitted for analysis of each suite of parameters, an MS/MSD sample set, a trip blank for VOCs only, and a temperature blank (for the shipment integrity).

Phase 0200- 2025 Periodic Review Report (PRR)

LaBella will perform a visual assessment and evaluation of the site's existing Engineering and Institutional Controls while on site for the Task 0100 sampling. Primary features observable on site include condition of the soil cover system and integrity of the perimeter fence. LaBella will discuss with the City any noted concerns prior to finalization of the PRR.

The PRR will be prepared in general accordance with the applicable NYSDEC guidance, including Certification by a PE that the EC/IC requirements are being met. The groundwater sampling report and visual inspection and site photolog will be included in the PRR along with recommendations, if any. A draft of the PRR will be submitted to the City for review and comment before the final document is finalized for submission. LaBella would be pleased to submit the report once approved by the City, unless the City would prefer to submit the finalized PRR.

SCHEDULE:

As noted above, LaBella would plan to conduct the Task 0100 sampling event in late March/early April 2025 to meet the required reporting schedule.

COSTS

LaBella can complete the scope requested as specified in this proposal for the lump sum price of **\$7,050**

Task	Labor, Field Materials and Travel	Lab Estimate	Total
Task 100 - Routine Sampling	\$2,600	\$2,500	\$5,100
Task 200 - 2025 PRR	\$1,950	N/A	\$1,950
Totals	\$4,550	\$2,500	\$7,050

ASSUMPTIONS AND LIMITATIONS

No additional Site-Specific Work Plan or Quality Assurance Project Plan is required for submission to NYSDEC or the USEPA. The current approved SMP is sufficient to meet the project Data Quality Objectives. Site access must be readily provided. Based on the SMP, Class B deliverable data packages, independent third-party data validation, and Data Usability Summary Reports (DUSRs) are not required for the project. Since no intrusive work is required nor anticipated for the project no site-specific HASP prepared in accordance with OSHA 1910 is required for this task. LaBella will prepare an internal safe work plan with task hazard analyses for our use for the site inspection and groundwater sampling events. All field work will be conducted at non-Prevailing Wage rates. No sales taxes are applicable to this work. The PRR will be completed in general accordance with NYSDEC

guidance and submitted to NYSDEC. Our scope includes one iteration of comments and revisions, only. Lab fees assume and include LaBella's contract management fee.

AGREEMENT

As the City of Newburgh has executed LaBella's standard agreement, your signature below or issuance of a City of Newburgh Purchase Order will be sufficient authorization if you wish to proceed with the work described in this proposal. We would request an assigned purchase order number for accounting/invoicing purposes. Please feel free to call me at any time at 845 486-1520 or on my cell at 518-928-5823 with any questions or concerns – thank you!

Terms and Conditions of Sale

190 Fullerton Avenue, City of Newburgh (SBL: 17-1-16)

STANDARD TERMS:

1. City of Newburgh acquired title to this property in accordance with Article 11 of the Real Property Tax Law of the State of New York, and all known rights of redemption under said provisions of law have been extinguished by the tax sale proceedings and/or as a result of forfeiture.
2. For purposes of these Terms and Conditions, parcel shall be defined as a section, block and lot number on the City of Newburgh Tax Map.
3. All real property, including any buildings thereon, is sold "AS IS" and without any representation or warranty whatsoever as to the condition or title, and subject to: (a) any state of facts an accurate survey or personal inspection of the premises would disclose; (b) applicable zoning/land use/building regulations; (c) water and sewer assessments are the responsibility of the purchaser, whether they are received or not; (d) easements, covenants, conditions and rights-of-way of record existing at the time of the levy of the tax, the non-payment of which resulted in the tax sale in which City of Newburgh acquired title; and (e) for purposes of taxation, the purchaser shall be deemed to be the owner prior to the next applicable taxable status date after the date of sale.
4. The properties are sold subject to unpaid City/County taxes for the year **2025**, school taxes for the tax year **2024-2025**, and also subject to all school taxes levied subsequent to the date of the City Council resolution authorizing the sale. The purchaser shall reimburse the City for any City/County taxes for the year **2025**, school taxes paid by the City for the tax year **2024-2025**, and subsequent levies up to the date of the closing. Upon closing of title, the properties shall become subject to taxation. Water and sewer charges and sanitation fees will be paid by the City to the date of closing.
5. **WARNING: FAILURE TO COMPLY WITH THE TERMS OF THIS PARAGRAPH MAY RESULT IN YOUR LOSS OF THE PROPERTY AFTER PURCHASE.** The deed will contain provisions stating that the purchaser is required to rehabilitate any building on the property and bring it into compliance with all State, County and Local standards for occupancy within (18) months of the date of the deed. Within such eighteen (18) month time period the purchaser must either: (i) obtain a Certificate of Occupancy for all buildings on the property; (ii) make all buildings granted a Certificate of Occupancy before the date of purchase fit for the use stated in such Certificate of Occupancy; or (iii) demolish any buildings deemed structurally unsound by a New York State-licensed engineer and by the Building Inspector. The deed shall require the purchaser to schedule an inspection by City officials at or before the end of the eighteen (18) month period. If the purchaser has not complied with the deed provisions regarding rehabilitation of the property and obtained a Certificate of Occupancy or Certificate of Compliance by that time, then the title to the property shall revert to the City of Newburgh. The deed shall also provide that the property shall not be conveyed to any other person before a Certificate of Occupancy or Certificate of Compliance is issued. A written request made to the City Manager for an extension of the eighteen (18) month rehabilitation period shall be accompanied by a non-refundable fee of \$250.00 per parcel for which a request is submitted. The City Manager may, in his sole discretion and for good cause shown, grant one extension of time to rehabilitate of up to, but not to exceed, three (3) months. Any additional request thereafter shall be made in writing and placed before the City Council for its consideration.
6. The City makes no representation as to whether the property is vacant and/or unoccupied. Evictions, if necessary, are solely the responsibility of the purchaser after closing and recording of the deed. The parcel is being sold subject to the City's Vacant Property Ordinance (Chapter 121) and all provisions of law applicable thereto. Within 30 days of closing, the purchaser must register the property and pay any applicable fees or submit an acceptable rehabilitation plan to the Building Department.

7. All purchasers are advised to personally inspect the premises and to examine title to the premises prior to the date upon which the sale is scheduled to take place. Upon delivery of the quitclaim deed by the City of Newburgh to the successful purchaser, any and all claims with respect to title to the premises are merged in the deed and do not survive.
8. No personal property is included in the sale of any of the parcels owned by City of Newburgh, unless the former owner or occupant has abandoned same. The disposition of any personal property located on any parcel sold shall be the sole responsibility of the purchaser following the closing of sale.
9. The City makes no representation, express or implied, as to the condition of any property, warranty of title, or as to the suitability of any for any particular use or occupancy. Property may contain paint or other similar surface coating material containing lead. Purchaser shall be responsible for the correction of such conditions when required by applicable law. The property also may contain other environmental hazards. Purchaser shall be responsible for ascertaining and investigating such conditions prior to bidding. Purchaser shall be responsible for investigating and ascertaining from the City Building Inspector's records the legal permitted use of any property prior to closing. Purchaser acknowledges receivership of the pamphlet entitled "Protecting Your Family from Lead in Your Home." Purchaser also acknowledges that he/she has had the opportunity to conduct a risk assessment or inspection of the premises for the presence of lead-based paint, lead-based paint hazards or mold.
10. The entire purchase price and all closing costs/fees must be paid by money order or guaranteed funds to the City of Newburgh by the date listed in the approved City Council Resolution, notwithstanding any extensions of time granted pursuant to terms contained herein ("Closing Deadline"). Such closing costs/fees may include, but are not limited to: recording fees, tax adjustments as of the day of closing, fuel oil adjustments, and applicable condominium charges (e.g. monthly maintenance charges, assessment charges, transfer buy-in fees, and/or closing package ordering fees). *The City of Newburgh does not accept cash or credit card payments for the purchase price and closing costs/fees.* **The City is not required to send notice of acceptance or any other notice to a purchaser.**
11. The City Manager may, in his sole discretion and for good cause shown, grant one extension of time to close title of up to, but not to exceed, sixty (60) additional days from the Closing Deadline. No request shall be entertained unless in writing, stating the reasons therefor, and unless accompanied by a fee of \$250.00 per parcel for which a request is submitted. The fee shall be in addition to all other fees and deposits and shall not be credited against the purchase price and shall not be returnable. Any additional request made thereafter shall be made in writing and placed before the City Council for its consideration.
12. In the event that a sale is cancelled by court order, judgment, the Comptroller or the Newburgh City Council, the purchaser shall be entitled only to a refund of the purchase money paid. Purchaser agrees that they shall not be entitled to special or consequential damages, attorneys fees, reimbursement for any expenses incurred as a result of ownership, improvements of property, or for taxes paid during period of ownership, and this agreement by the purchaser is a material condition of the sale.
13. Sale shall be final, absolute and without recourse once title is conveyed on the actual day of closing. In no event, shall City of Newburgh be or become liable for any defects in title for any cause whatsoever, and no claim, demand or suit of any nature shall exist in favor of the purchaser, his heirs, successors or assigns, against City of Newburgh arising from this sale.
14. Conveyance shall be by quitclaim deed only, containing a description of the property as it appeared on the tax roll for the year upon which the City acquired title or as corrected up to date of deed. The deed will be recorded by the City upon payment in full of the purchase price, tax reimbursements, buyer's premium (if applicable), and closing fees/costs. Possession of property is forbidden until the deed is recorded conveying title to the purchaser. **Title vests upon conveyance of deed.**
15. Upon closing, the City shall deliver a quitclaim deed conveying all of its right, title and interest in the subject property, which deed shall be drawn by the City Corporation Counsel. The City shall not convey its interest in any street, water, sewer or drainage easement, or any other interest the City may have in the property. The City shall only convey that interest obtained by the City pursuant to the judgment rendered in an *in rem* tax foreclosure action filed in the Orange County Clerk's Office.
16. The description of the property shall be from the City of Newburgh Tax Map reference or a survey description certified to the City of Newburgh. Any survey description shall be provided to the City

Corporation Counsel by the purchaser at least thirty (30) days in advance of closing title and approved by the City Engineer.

17. By acknowledging and executing these Terms & Conditions, the purchaser certifies that he/she is not representing the former owner(s) of the property against whom City of Newburgh foreclosed and has no intent to defraud City of Newburgh of the unpaid taxes, assessment, penalties and charges which have been levied against the property. The purchaser agrees that neither he/she nor his/her assigns shall convey the property to the former owner(s) against whom City of Newburgh foreclosed within 24 months subsequent to the Closing Deadline date. If such conveyance occurs, purchaser understands that he/she may be found to have committed fraud, and/or intent to defraud, and will be liable for any deficiency between the purchase price and such sums as may be owed to City of Newburgh as related to the foreclosure on the property and consents to immediate judgment by City of Newburgh for said amounts. This provision shall survive closing.
18. The property is sold subject to an owner-occupancy restriction. Purchaser has agreed to purchase the property subject to a five (5) year owner occupancy restriction. Purchaser shall, within 18 months of the delivery of the deed, establish domicile and principal residence at said premises and maintain domicile and principal residence at said premises for a period of at least five (5) years thereafter, provided that within said five (5) year period, the purchaser may convey said premises to another who shall also maintain their domicile and principal residence at said premises for said period. This shall be set forth as a restrictive covenant in the deed, subject upon its breach, to a right of re-entry in favor of the City of Newburgh. This shall be in addition to all other provisions, covenants and conditions set forth in the Terms and Conditions of Sale.
19. Within ten (10) business days of approval of sale by the City of Newburgh, the purchaser shall tender a non-refundable downpayment in the amount of **\$6,650.00** payable to "City of Newburgh" by money order or guaranteed funds to the "City of Newburgh". At closing, the downpayment amount shall be credited against the purchase price.
20. In the event that Seller engaged the services of a New York State Licensed Real Estate Broker in connection with this sale, Seller shall pay said Broker any commission earned pursuant to a separate agreement between Seller and Broker.

1. Please provide any qualifications / training that you, or those that may be helping, have to complete the project.

We will be relying on the expertise of the licensed City Of Newburgh plumber and electrician we are going to hire to complete the small repairs needed. We also have multiple friends that have completed revovation property projects that can provide us infomation. We are not currently home owners but we do maintain our current place with the upmost level of care and cleanliness. We utilize friends, family and local proffessionals currrently if a problem arises.

2. Please explain your plan to engage qualified individuals, including City of Newburgh licensed electricians and plumbers, to complete the project.

There are multiple small repairs needed to be completed within the property we have reched out to Dave from Shapiro plumbing and Sam Yonnone of Yonnone Services and they have priced out the job for us and are ready to start repairs as soon as home is closed on.

3. Please provide an estimated timeline for completion of the project.

Our contractors are ready to start as soon as we close on the property and the time line to complete should be no later than Oct 2025.

We like the property because it is right next to the school that one of our daughters attends and the other will soon attend, we also feel it is a nice area. The house is close to everything and just a short drive to the police station where I work. The house is just the right size for our family and compared to other City of Newburgh properties is in pretty good condition and is something that we can completely handle fixing up and bringing it back to its glory.

Terms and Conditions of Sale

166 West Parmenter Street, City of Newburgh

(SBL: 38-2-59.1)

STANDARD TERMS:

1. City of Newburgh acquired title to this property in accordance with Article 11 of the Real Property Tax Law of the State of New York, and all known rights of redemption under said provisions of law have been extinguished by the tax sale proceedings and/or as a result of forfeiture.
2. For purposes of these Terms and Conditions, parcel shall be defined as a section, block and lot number on the City of Newburgh Tax Map.
3. All real property, including any buildings thereon, is sold "AS IS" and without any representation or warranty whatsoever as to the condition or title, and subject to: (a) any state of facts an accurate survey or personal inspection of the premises would disclose; (b) applicable zoning/land use/building regulations; (c) water and sewer assessments are the responsibility of the purchaser, whether they are received or not; (d) easements, covenants, conditions and rights-of-way of record existing at the time of the levy of the tax, the non-payment of which resulted in the tax sale in which City of Newburgh acquired title; and (e) for purposes of taxation, the purchaser shall be deemed to be the owner prior to the next applicable taxable status date after the date of sale.
4. The properties are sold subject to unpaid City/County taxes for the year **2025**, school taxes for the tax year **2024-2025**, and also subject to all school taxes levied subsequent to the date of the City Council resolution authorizing the sale. The purchaser shall reimburse the City for any City/County taxes for the year **2025**, school taxes paid by the City for the tax year **2024-2025**, and subsequent levies up to the date of the closing. Upon closing of title, the properties shall become subject to taxation. Water and sewer charges and sanitation fees will be paid by the City to the date of closing.
5. **WARNING: FAILURE TO COMPLY WITH THE TERMS OF THIS PARAGRAPH MAY RESULT IN YOUR LOSS OF THE PROPERTY AFTER PURCHASE.** The deed will contain provisions stating that the purchaser is required to rehabilitate any building on the property and bring it into compliance with all State, County and Local standards for occupancy within (18) months of the date of the deed. Within such eighteen (18) month time period the purchaser must either: (i) obtain a Certificate of Occupancy for all buildings on the property; (ii) make all buildings granted a Certificate of Occupancy before the date of purchase fit for the use stated in such Certificate of Occupancy; or (iii) demolish any buildings deemed structurally unsound by a New York State-licensed engineer and by the Building Inspector. The deed shall require the purchaser to schedule an inspection by City officials at or before the end of the eighteen (18) month period. If the purchaser has not complied with the deed provisions regarding rehabilitation of the property and obtained a Certificate of Occupancy or Certificate of Compliance by that time, then the title to the property shall revert to the City of Newburgh. The deed shall also provide that the property shall not be conveyed to any other person before a Certificate of Occupancy or Certificate of Compliance is issued. A written request made to the City Manager for an extension of the eighteen (18) month rehabilitation period shall be accompanied by a non-refundable fee of \$250.00 per parcel for which a request is submitted. The City Manager may, in his sole discretion and for good cause shown, grant one extension of time to rehabilitate of up to, but not to exceed, three (3) months. Any additional request thereafter shall be made in writing and placed before the City Council for its consideration.
6. The City makes no representation as to whether the property is vacant and/or unoccupied. Evictions, if necessary, are solely the responsibility of the purchaser after closing and recording of the deed. The parcel is being sold subject to the City's Vacant Property Ordinance (Chapter 121) and all provisions of law applicable thereto. Within 30 days of closing, the purchaser must register the property and pay any applicable fees or submit an acceptable rehabilitation plan to the Building Department.

7. All purchasers are advised to personally inspect the premises and to examine title to the premises prior to the date upon which the sale is scheduled to take place. Upon delivery of the quitclaim deed by the City of Newburgh to the successful purchaser, any and all claims with respect to title to the premises are merged in the deed and do not survive.
8. No personal property is included in the sale of any of the parcels owned by City of Newburgh, unless the former owner or occupant has abandoned same. The disposition of any personal property located on any parcel sold shall be the sole responsibility of the purchaser following the closing of sale.
9. The City makes no representation, express or implied, as to the condition of any property, warranty of title, or as to the suitability of any for any particular use or occupancy. Property may contain paint or other similar surface coating material containing lead. Purchaser shall be responsible for the correction of such conditions when required by applicable law. The property also may contain other environmental hazards. Purchaser shall be responsible for ascertaining and investigating such conditions prior to bidding. Purchaser shall be responsible for investigating and ascertaining from the City Building Inspector's records the legal permitted use of any property prior to closing. Purchaser acknowledges receivership of the pamphlet entitled "Protecting Your Family from Lead in Your Home." Purchaser also acknowledges that he/she has had the opportunity to conduct a risk assessment or inspection of the premises for the presence of lead-based paint, lead-based paint hazards or mold.
10. The entire purchase price and all closing costs/fees must be paid by money order or guaranteed funds to the City of Newburgh by the date listed in the approved City Council Resolution, notwithstanding any extensions of time granted pursuant to terms contained herein ("Closing Deadline"). Such closing costs/fees may include, but are not limited to: recording fees, tax adjustments as of the day of closing, fuel oil adjustments, and applicable condominium charges (e.g. monthly maintenance charges, assessment charges, transfer buy-in fees, and/or closing package ordering fees). *The City of Newburgh does not accept cash or credit card payments for the purchase price and closing costs/fees.* **The City is not required to send notice of acceptance or any other notice to a purchaser.**
11. The City Manager may, in his sole discretion and for good cause shown, grant one extension of time to close title of up to, but not to exceed, sixty (60) additional days from the Closing Deadline. No request shall be entertained unless in writing, stating the reasons therefor, and unless accompanied by a fee of \$250.00 per parcel for which a request is submitted. The fee shall be in addition to all other fees and deposits and shall not be credited against the purchase price and shall not be returnable. Any additional request made thereafter shall be made in writing and placed before the City Council for its consideration.
12. In the event that a sale is cancelled by court order, judgment, the Comptroller or the Newburgh City Council, the purchaser shall be entitled only to a refund of the purchase money paid. Purchaser agrees that they shall not be entitled to special or consequential damages, attorneys fees, reimbursement for any expenses incurred as a result of ownership, improvements of property, or for taxes paid during period of ownership, and this agreement by the purchaser is a material condition of the sale.
13. Sale shall be final, absolute and without recourse once title is conveyed on the actual day of closing. In no event, shall City of Newburgh be or become liable for any defects in title for any cause whatsoever, and no claim, demand or suit of any nature shall exist in favor of the purchaser, his heirs, successors or assigns, against City of Newburgh arising from this sale.
14. Conveyance shall be by quitclaim deed only, containing a description of the property as it appeared on the tax roll for the year upon which the City acquired title or as corrected up to date of deed. The deed will be recorded by the City upon payment in full of the purchase price, tax reimbursements, buyer's premium (if applicable), and closing fees/costs. Possession of property is forbidden until the deed is recorded conveying title to the purchaser. **Title vests upon conveyance of deed.**
15. Upon closing, the City shall deliver a quitclaim deed conveying all of its right, title and interest in the subject property, which deed shall be drawn by the City Corporation Counsel. The City shall not convey its interest in any street, water, sewer or drainage easement, or any other interest the City may have in the property. The City shall only convey that interest obtained by the City pursuant to the judgment rendered in an *in rem* tax foreclosure action filed in the Orange County Clerk's Office.

16. The description of the property shall be from the City of Newburgh Tax Map reference or a survey description certified to the City of Newburgh. Any survey description shall be provided to the City Corporation Counsel by the purchaser at least thirty (30) days in advance of closing title and approved by the City Engineer.
17. By acknowledging and executing these Terms & Conditions, the purchaser certifies that he/she is not representing the former owner(s) of the property against whom City of Newburgh foreclosed and has no intent to defraud City of Newburgh of the unpaid taxes, assessment, penalties and charges which have been levied against the property. The purchaser agrees that neither he/she nor his/her assigns shall convey the property to the former owner(s) against whom City of Newburgh foreclosed within 24 months subsequent to the Closing Deadline date. If such conveyance occurs, purchaser understands that he/she may be found to have committed fraud, and/or intent to defraud, and will be liable for any deficiency between the purchase price and such sums as may be owed to City of Newburgh as related to the foreclosure on the property and consents to immediate judgment by City of Newburgh for said amounts. This provision shall survive closing.
18. The property is sold subject to an owner-occupancy restriction. Purchaser has agreed to purchase the property subject to a five (5) year owner occupancy restriction. Purchaser shall, within 18 months of the delivery of the deed, establish domicile and principal residence at said premises and maintain domicile and principal residence at said premises for a period of at least five (5) years thereafter, provided that within said five (5) year period, the purchaser may convey said premises to another who shall also maintain their domicile and principal residence at said premises for said period. This shall be set forth as a restrictive covenant in the deed, subject upon its breach, to a right of re-entry in favor of the City of Newburgh. This shall be in addition to all other provisions, covenants and conditions set forth in the Terms and Conditions of Sale.
19. In the event that Seller engaged the services of a New York State Licensed Real Estate Broker in connection with this sale, Seller shall pay said Broker any commission earned pursuant to a separate agreement between Seller and Broker.

Marketing and Offer History – 166 W. Parmenter Street

- This property was first listed for sale on the Planning & Development Departmental page on the City of Newburgh's website beginning in mid-October 2024. It was listed for \$155,100, the current assessed value.
- The Department received one offer – the one from Nigel Blake - by the initial November 22, 2024, deadline. Upon internal review, it was determined that the applicant needed to submit some additional information.
- The property was re-listed in early December 2024 with a new submission deadline of January 17, 2025. The Department received no new applications by the second deadline.
- The original applicant, Nigel Blake, eventually supplied the information requested. The purchase offer from Nigel Blake for \$90,200 was the highest offer received. No Disposition Policy bonuses were applied because it was the only complete offer received during the two listing periods. The Department of Planning & Development is recommending this offer for Council approval.
