

City of Newburgh
A regular meeting of the City Council of the City of
Newburgh was held on Monday, May 11, 2026 at 7:00 PM
in the third floor Council Chambers at City Hall, 83
Broadway, Newburgh, NY.
May 11, 2026
7:00 PM

Mayor / Alcaldesa

1. Moment of Silence / Momento de Silencio

Mayor Harvey asked us to think about families who are affected by the current Hantavirus outbreak. As a government, we are being very diligent in the development of the virus, and hope it doesn't rise to the levels of the pandemic of 2020. Also, he asked us to think about our men and women who are currently serving in the US Military during the Middle East conflict.

2. Pledge of Allegiance / Juramento a la Alianza

City Clerk / Secretaria de la Ciudad

3. Roll Call / Lista de Asistencia

PRESENT: Mayor Torrance Harvey, presiding; Councilmember Giselle Martinez, Councilmember Robert McLymore, Councilmember Ramona Monteverde, Councilmember Omari Shakur, Councilmember Tamika Stewart, Councilmember Zorrilla-7

Communications / Comunicaciones

4. Approval of the minutes from the City Council meeting of April 27, 2026/
Aprobacion del Acta de la Reunion General del Consejo del 27 de abril de 2026

Councilmember Shakur moved and Councilmember Zorrilla seconded the motion. Ayes- Martinez, McLymore, Monteverde, Shakur, Stewart, Zorrilla, Harvey-7
Carried

5. City Manager Update / Gerente de la Ciudad Pone al Dia a la Audiencia de los Planes de Cada Departamento

Interim City Manager Jason Morris highlighted key points in city business.

Presentations / Presentaciones

6. Recognition of NFA Mock Trial Semi-Finalists

Reconocimiento de los semifinalistas del juicio simulado de la NFA

The city council presented the NFA Mock Trial Team reaching the semi-finals this year. The students, and their mentors, including City Court Judges Anika Mohammed and Joanne Matthews Forbes, were presented with Certificates of Recognition.

7. Public Hearing - Local Law establishing a Charter Review Commission

There will be a public hearing on Monday, May 11, 2026, to receive comments from the public concerning a Local Law of the City Council of the City of Newburgh establishing a Charter Review Commission

Se llevará a cabo una audiencia pública el lunes 11 de mayo de 2026 para recibir comentarios del público sobre una ley local del Consejo de la Ciudad de Newburgh para establecer una Comisión de Revisión de la Carta Orgánica

Mayor Harvey called a public hearing to receive comments from the public concerning a local law of the City Council of the City of Newburgh establishing a Charter Review Commission.

Yaniyah Pearson, a resident in Ward 1, commented. She congratulated the city council for holding this public hearing and for adhering to transparency. She stated that the current structure of governance no longer reflected the realities, needs, or democratic expectations of the people of the city. A complete charter review of the city is necessary to modernize provisions that have policy-shaping in the office of the city manager while limiting the authority of elected officials who are directly accountable to residents and voters. This is not a political issue, it's a matter of civic legitimacy and public trust. She implored council support of this state law. (See *Comments Attached*)

Jules Ridgeway, a resident in Ward 4, commented. She supported the formation of a charter review. She thanked those council members who have spoken in support of it, because it matters. The council has heard from many residents who have made the time to stand before this microphone, because they believe in this city. She mentioned names of voices who support charter review. They are asking for accountability, policing and investment in the community. We are going to hear people speak about public nuisance issues with real impact. We are going to hear from grieving families. Supports each one of these matters and concerns. They are not separate issues; they are all part of the same movement and the same moment that we find ourselves in. That's why this connective thread of the conversation on charter review matters.

Charles Robison, a city resident, commented. He supported the moving forward with a charter review commission. Newburgh is a city with a deep and complicated history. The city experienced prosperity and growth followed by decades of disruption, including urban renewal, disinvestment, population loss and violence that affected generations of residents. Today there is energy in the city again. It is important that any charter review commission that is formed be made up of informed, thoughtful and balanced residents. The decisions we make about governance matter, because they shape how power and accountability work. Periodic review of governing structures is healthy for any organization. The charter review process should not be viewed as a crisis, or a political exercise. It should be reviewed as responsible stewardship of the community, making the time to evaluate whether its governing systems still serve the people effectively.

Amanda, Ward 2, commented. She spoke in support of the passing of a charter review commission. She would like to see the opportunity to review and let the city feel incorporated in the laws that support them, so that we don't have permits sent through improperly. She hoped that we get a balanced and informed commission.

Wendy Smith, a city resident, commented. She supports charter review. Review is a process in every step of life. It gives information about how we can do better, which should be the goal. If we decide to assign positive or negative things to it, then that is a personal choice. In school, we have report cards, which are indications that review is healthy. Jobs have reviews. When we do a review, we may realize the job performance is good, but maybe the goals are no longer sufficient. The City of Newburgh hires a firm to review the budget every year, which is considered best practice. She asks that the same principles be applied to the way we govern.

Megan Galbraith, Ward 1, commented. She spoke in favor of a charter review. This is a positive opportunity. She read a recent article in *Bloomberg Philanthropies*. Galbraith said this is in line with what we all want for Newburgh about how cities innovate, and included that they are powerful opportunities that build trust. Galbraith stated that transformation journeys are powerful opportunities to build trust and show citizens that governments can listen, adapt and deliver. A charter commission is an opportunity for us to do this together, and she is hopeful that the council passes the law.

Mr. Santiago commented. He said he came to the City of Newburgh ten years ago, loved it, and decided to invest here. He supported review of the charter. The city's been through a lot, but it's rising again, and you can see new development. It needs a new vision and new leadership to say this is how we want to move the city forward. Yonkers had the same type of government structure. Newburgh is at a stage where people want to know who is accountable, and who has a vision. The government structure we have now does not provide that opportunity for anybody. He thanked the council for its service.

Jonathan Hamill, a resident in Ward, commented. He's lived here for two years. As the President of the Newburgh Historic Society, and a former member of the City of Newburgh's Arts and Cultural Commission, Hamill pointed out that the community typically moves faster than the government. He would love to be inspired by leadership in the city, and that is why he supports a full and comprehensive charter review. He doesn't want to get left in dust by neighboring cities. He loves Newburgh, and he put all his eggs into one basket, so he would like to see it through.

Gregory Nato, a Ward 1 resident, commented. He looks forward to what will come after a charter review. Too often we've become trapped in old political battles that prevent us from building a city we know is possible. Charter review allows us an opportunity to reset the conversation and focus on creating a government structure that works better for everyone. Basic neighborhood improvements should not take years. A modern charter can create more predictable communication, public accountability, and more transparency in decision-making. When government structures are unclear, responsibilities become blurred. When processes are clearly defined, the public can hold leadership accountable and build trust in local government again. The city has incredible potential and a strong sense of identity. We can't move into the future if we remain stuck relitigating the past.

Paul Ellis, a city resident, commented. He spoke in favor of charter review. Several recent situations outline unclear procedural gaps and unclear lines of communication under the current system of government that charter review may be able to help clarify. Charter review is not about assigning blame; it's about asking ourselves whether the systems we have in place are serving the city efficiently. As Newburgh grows, our government structure should evolve too. Clearer procedures create better communication, stronger accountability and more effective collaboration.

Zac, a resident in Ward 1, commented. He is the founder of Newburgh Tools, and he spoke in favor of the charter review process. He thanked the council for taking the first step in the process. His experience of leading a community organization that aims to empower residents, he strongly believes Newburgh needs a city government that is more willing to engage in an open and productive dialogue with its citizens. The charter review gives us a chance at that. Zac looked forward to seeing the process.

Shelby Aho, a resident in Ward 2, commented. She supported charter review, because it would strengthen the democratic process and encourage participation. Voter turnout in Newburgh is always low, and in her experience she believes voters don't believe that elected people can change anything for the better. A charter review could provide elected persons with the power to fulfill their campaign promises, while also providing constituents with the power to hold

them accountable if they don't hold those promises. Aho said they do not elect city managers, so they have no obligation to the people.

Dennis Grant, a resident in Ward 1, commented. He said tonight was a wonderful turnout. While he supports charter review, he is not for foolishness. Let's do an honest assessment, and not for others' agenda.

Andrew Creep, a resident in Ward 1, commented. He loves the city deeply. Although he's lived in a lot of different places as an actor, this is the first place where he feels he belongs. He is thrilled and privileged to be a part of it. The city is worth investing in. Great communities don't stand still, they make thoughtful changes to better serve the people that call the city home. He looked forward to a charter review to ensure that future generations inherit a community that is even stronger than the one we enjoy in Newburgh today.

Michael Lebron, a resident on Grand St., commented. He supports a local law establishing a charter review commission. He spoke about the displacement of African Americans under urban renewal, and under the city manager form of government. He said the findings showed that the rate of displacement was almost 50% higher than it was under a strong mayoral system of government. The research findings were said to be persuasive by scholars. (See *Comments Attached*)

Carson Carter, a resident on First Street, commented. The forming of a review commission is essential at this moment of eroding public trust at every level of government. We have the power to determine what an effective government could look like. Newburgh leads in the Hudson Valley in so many ways. We need to evaluate the government system now. We are the outlier in not having reviewed our form of government, which doesn't fit with the rest of who we are. This is the moment to do this. This council is directly elected, and it should be able to make those decisions directly for the people. He thanked the council for forming the commission.

Carla Johnson, a resident in Ward 1, commented. She said a lot of people from Ward 1 spoke this evening. While she appreciated the comments, she said the rest of the community didn't know about charter review. She felt that it was leading to takeover and manipulation. People who look like her don't even know about it. Johnson said not one person that got up to speak about charter review looked like her. What about all the awards the city received, and the progress that was made? She didn't believe charter review is necessary. Let's worry about the community and the homeless people that are sleeping on the streets. Let's stop playing games. The city has a population of 34K people; but are you going to let twenty-five to thirty people make a decision for the entire community?

Pastor Rosey, a city resident, commented. The sky is the limit, and this place is the land of potential. She supported the formation of a charter review

commission. Two visions equal a division. While she supports a charter review, she desires one that comes together without a pre-supposed agenda, and one that would be in the best interest of ALL the residents. Without a vision implemented, we're in trouble. We are a city of people, and if someone needs help, we need to help them in that situation. It's not about Whites, Hispanics or Socialists. We need to be kind and caring to all people.

Steve, a resident in Ward 4, commented. He said this is a great community, but it can always be better. Charter review is a good way to assess what we can do better in the future.

Gabrielle Hill, a city resident, commented. She agreed with Carla. She did an informal survey in her district, and discovered that three out of ten people vaguely knew what a charter was, and hardly anyone knew what she was talking about after that. Hill didn't blame the residents. We need to do a better job informing the community. This is a very important decision that will have lifetime affects on peoples' lives. We want to make sure we do our due diligence to make sure everyone in the city knows what's going on. This is not something that gets decided tonight; this is just an opportunity for people to make suggestions.

Jo Epstein, a resident Ward 3, commented. She supported all comments regarding the formation of a charter review commission.

Shade Burks, Ward,1 commented. She said she agreed with some of the stuff Carla said. She didn't see anybody from Lander Street down here. She came across an article that read that Mayor Audrey Carey, the first Black Female Mayor in New York State, had requested a charter review during her historic term as mayor. This is significant, and it can be a positive and necessary step to ensure it meets the evolving needs of our community. She is not concerned with the review itself; she is concerned with the process. Why are we rushing to form a commission now instead of placing it, as a question, before the voters in November? Representation matters. The current majority that was recently appointed to the IDA board does not include one single low-income resident. If we are serious about transparency, equity and public trust, then we must ask ourselves what guarantee there is that this commission would actually be representative of the people it was intended to serve. We should all agree that the process should be inclusive, community-driven and reflective of *all* residents, and not just a select few.

Eneen Williams, a resident in Ward 1, commented. She had lived in different wards throughout the city. She grew up in Mullins Apartment. She spoke in favor of a charter review commission, and stated that information is a way of keeping people from progressing. This commission is one of the solutions to that issue. People are kept down by not giving people the information needed to rise up. Laws move on and time moves on, but we need to do a review rapidly, and we

need to consider everyone. She said we should look at how the waterfront has been privatized under the current form of government. We used to have waterfront festivals, but the waterfront has been privatized with our tax money. We've been talking about urban renewal, but we've been talking too long and loud, and doing nothing about it. She asked what was so bad about a review? She's never heard so much fight against a review. If you don't review it, you can't change it, and we have to review it and make some necessary changes. Time is marching on and things are changing right before our eyes. We have to wake up and stop being afraid. She said she is tired of being afraid. We are fighting battles that our ancestors fought. We've also had a system that tied the hands of our governance. We need to review it, so we can see what we can do about empowering the candidates that we endorse, and vote into office, to do something on the residents' behalf.

Jerry Maldonado, a resident in Ward 1, commented. He supported a charter review process. He was here when the last charter review process was commissioned. It was done with intention, it was diverse and inclusive. The process itself, lets us debate the big ideas that we need to think about reforms. The last process resulted in a mixed-ward city that improved the governance of this city. Over the last twenty years, this city has gone through ten city managers. It means there is something fundamentally wrong with the system. It's not fair for the residents, city staff or the council, and it impedes transparency and accountability. For the sake of stability and inclusion, he highly recommended that we have a thoughtful process that is inclusive, in order to assess the options that will make our city stronger.

Jennifer Gardner, a city resident, commented. She appreciated the last couple of comments about charter review. The comments embody the spirit of inclusion, equity and hearing from the public. She supported a charter review, but she wanted to see a few things added to the resolution. She wanted to see a requirement for more than one public meeting with the commission, as it is a weak request to only be able to speak to the community one time. Education and engagement is a huge part, with a vision prepared. Also, a budget should be allocated for the exercise, for the amount of work that is going to be done by consultants and lawyers. There can be some confusion about the form of government versus the operations of government, and she is hearing peoples' frustrations about the day-to-day operations. The commission can sort out those differences by reviewing the charter.

There being no one else wishing to speak, the public hearing was closed.

Comments from the Council Regarding the Public Hearing

Councilmember Martinez commented that there were a lot of themes consistent with comments she heard tonight. She's lived in this city her entire life. Her first job was at the Boys and Girls Club, and then she ended up working for the New

York State Assembly; so, she's never left Ward 1. What she is hearing is that people want to be heard and feel represented. She did a lot of grassroots organizing. Most people didn't even know what was going on in the city, so it's not just a charter review issue. It's not peoples' fault. Politics is a privilege. Working families are busy trying to pay the bills, and they are worried about taking care of their families. It hurts that when we fight for marginalized groups it doesn't always come off that way. We're fighting for a more transparent Newburgh. She is unable to do the work she needs to do at her fullest potential, due to the current structure of government. We need a transparent process that is inclusive of everyone. She needs whoever the person is sitting in that seat to be accountable, and be able to respond to the council. Under the current government structure, that is not possible. She said she was here to fight for the people.

Councilmember McLymore commented. He mentioned that twenty-five people spoke this evening about the charter review. When we talk about inclusivity, he didn't see it because everyone had not been reached. If we are to include everybody, then we have to educate everybody on every street. He was invited to the meeting about the charter review, and he spoke with some of the people that commented this evening, but it ended there. If we are going to have a longstanding conversation, you may not like what he says, but we all have to come together to make sure we move the city forward. While he's not against the review, he's against the process. We are supposed to have a people-oriented environment, where people should be making the decisions. Twenty-five people didn't make the decisions for 34K. He wasn't sure what the problem was, but he was not afraid of anything or anybody. He didn't know why we couldn't let everybody vote on it in November. He believed they were making a decision that was not inclusive of everybody.

Councilmember Monteverde commented. She said a lot of powerful words were spoken tonight. She appreciated everybody for sharing their thoughts about charter review. We're at the beginning of the process, and we have to establish a commission to start the community engagement. Community engagement will play a big role in getting the information out to everyone. The charter hasn't been looked at since Audrey Carey was the mayor, and it failed. It's time to review the things that have not worked previously; look at the turnaround in city managers. It's hard to get anything done with the current structure of government. If she is not a loyalist to the city manager, then she is not getting her agenda pushed through. Monteverde said she still suffers from PTSD after asking for something for two years. When she asked the new interim city manager, he got it done right away. People need to come together at the table to strengthen our democracy, because we're at the point where this city has so much potential. Planting trees should be a simple process. We need a lot more that this city can offer, and we need to hear people's voices in this process. The project on the waterfront doesn't feel like it's inviting to the people of this city. We sold waterfront property years ago, and some of it is privately owned. As taxpayers, we foot the bill for a

long time. We should be able to access the riverfront, and have a say as to what we want to see developed down there. We need to invest in ourselves and in this community.

Councilmember Shakur commented. He said he wished that Curt Stewart and Timmy Hayes were still alive. His mother was Audrey Carey's campaign manager when Carey ran. Since 1917, this charter worked while it was a majority white city council. He is glad to see people come out and speak about it. Now that we have a majority Black and Hispanic city council, it's a problem all of a sudden. This city has an 80% Black and Hispanic majority, so we have the chance to change it, but he said he figured that he remained quiet on the issue it would get done. We already have things on the charter that need to be changed. We're going to make it work now, and he thanked people for coming out to speak about it.

Councilmember Stewart commented. She said it took courage for people to come and speak and provide feedback. It's frustrating that people are arguing over a review, because every organization reviews its policy. You have to review your policies in order to stay updated. It happens intentionally. If people say they don't know that the charter gives them their rights in the city, then that's a city council problem. You don't shut down the review; you do the review, so that it becomes the vehicle to educate the people about the charter that affects their lives. Stewart said not to let people talk over their heads. She explained the process. The council will have a commission, and then each council person gets to appoint two people to that commission to ensure diversity and inclusion on that committee. Once that commission is done, then they go out to educate the public. That is the mission of the commission. Each council member has to do their due diligence and get out onto the streets to educate the people. We don't do that from sitting back here; we do it in the streets. None of this happens without the voters saying yes or no to the change they want. She said she started doing workshops to do the very thing that people are talking about, and that is the fact of not knowing the information. There are a lot of Black and Brown communities that don't know what's going on. You have to know how the city impacts your lives. Charter review was a no-brainer for her. We had city residents that were cold due to insufficient heat and hot water. She had suggested that the former city manager declared a State of Emergency to get a temporary boiler installed to provide immediate relief for residents. The action relied on the city manager saying yes to it. He said no to the State of Emergency, and our residents lived without sufficient heat and hot water for the remainder of that winter. That is directly connected to the way this government is formed. Once you teach people how things impact them on the things that need to be changed, then you educate them so they can make informed decisions.

Councilmember Zorrilla commented. He said it takes courage to ask for change. Change is never comfortable for anyone. It is interesting to hear the theories that are circulating about it. Part of him has fear of taking the next step. This is not how democracy works, and that is OK. We've been talking about it for months,

and as new council members, they know it has to change due to experiencing the limitations of our current system. This charter review is going to be decided by the community, and it will be on the ballot, so it's not true that people won't have a say in it. There are narratives, but all wards in the city were represented in the comments. People voted them into office to make tough decisions. We barely have time to keep up with it, but we do because we're all dedicated to it and committed to a better city. It will be up to the council to educate the public, and the public will make the final decision. He didn't want to lead with fear, and uncertainty causes fear. Whatever we had before wasn't working. Having one person as our city manager, director of finance, and comptroller was not something we could accept as a city. Whatever we had, in his brief stint here, will not work going forward. This charter review was asked for by a majority on the council. They are making hard decisions, because they know what's right in their hearts. Reviewing what is not working is great in every aspect of our lives. He felt the charter review was the way to go.

Mayor Harvey commented. He thanked everyone for coming out and speaking about charter review. He said that every council person supported charter review. He liked what Councilmember Stewart said, but he also felt the question was more about the process. Are we going to allow the council to vote to form a commission without the people's vote? In this manner, when the commission comes together, they would review the charter and educate people. Then, whatever the changes are, it would go before a vote in November. When he goes into the community, he knows there are people in Ward 1 who asked him what the rush was all about. There is an amazing opportunity for them to do it right with every person's vote. They'll either vote to form the commission, or they will have a continued debate. Let's take the time from May to November to educate the people before we form the commission. There are families that have been here for decades, and they don't know what a charter review is. It's not about whether the council supports a charter review. This city has a history of public mistrust, and public trust, just like public safety, is the city's Number One Priority. He compelled everyone who spoke to think about fairness, equity, transparency and inclusiveness. If we don't do it right, and we form a commission before the people have a chance to vote, then people are going to question the process; so, let's get it right.

This section of the meeting was closed.

Comments from the public regarding agenda and general matters of City Business / Comentarios del público con respecto a la agenda y sobre asuntos generales de la Ciudad.

Beatrice Harris, a resident in Ward 1, commented. She is all for a charter review.

She's been studying it and would be more than happy to educate people about it. She is here though, because someone from outside of Newburgh came to record and tell a story. We run the risk of the story putting the City of Newburgh's reputation at risk. All we want is a better and safe city. Charter review is great, but safety is the priority. She is passionate about the United States Constitution, and is deeply concerned about the future of free speech. She said the city would be remembered for the raw exposure of the abuse of power by the police. While the government may have its laws and rules, it's the people and their passion that make the city. If we don't have a safe city, then what's the point of having a charter review?

Paul Ellis commented. The three things he brings up tonight are really about the function of city government, and answers the question of why we should review the charter, and come up with some recommendations. The commissioners never got the chance to review the applications or resumes. He was curious as to why it was going ahead. He asked what the role of the commission was if not to advise the council. He saw an RFP posted for an arts festival. While he is not opposed to it, there was never any discussion about an arts festival. We should be using the advisory commission to look at these things. They've been dealing with the installation of the bike racks for six years. He wasn't pointing fingers at any offices, but said these issues are indicative of processes and procedures that he, as the chairman, was confused about. He thanked the council for the appointment and said he is here to make this work.

Jo Epstein, a resident in Ward 3, commented. She rejected the mayor's use of the term "lip service" at a previous meeting. She said he pointed out that the rules and regulations are codified, and rule change is an arduous process. She said the burden remains on homeowners who have no recourse, including their inability to sell their properties while they wait it out. Hopefully, this will be resolved quickly.

Joshua Brown, a resident of the Heights Section of the city, commented. He said where we choose to invest in a community is crucial. Pipes and roads are crucial, but kids and childhoods are important too. While he is privileged in a way that many Newburgh families are not, most Newburgh families don't have the time and money to visit recreational places outside our city. Play is not optional, it's how kids develop and families bond, and how communities form. When we don't have decent playgrounds, we are denying families the basic kind of public space a city can offer. Newburgh playgrounds are not inclusive. Parks and playgrounds should be able to be enjoyed by all ages and abilities. He implored the council to vote on the New City Parks resolution as soon as it becomes available. The deadline for the NY Plays grant is June 15th. Brown also requested that we allocate CDBG funds if we are unable to locate the money for the match. With the way that State and Federal money is shifting, the opportunity may not come around again. He also requested that we allocate funding in the upcoming budget for a master plan for all of Newburgh's playgrounds. We need a long-term vision.

If we want good cities, we have to invest in good childhoods. If we want safer streets, then we have to give kids spaces that build communities. This is for them.

Ms. Garcia, a city resident, commented. She talked about the New City Parks resolution, and said it was important for the council to consider that children need playground spaces in the City of Newburgh. It is unacceptable that we don't have parks and playgrounds within walking distance for most residents. The non-profit organization New City Parks would help raise money to build parks and match local funding. The City of Newburgh has done an amazing job in other areas, but it's inadequate, especially since the pandemic, younger generations have been overstimulated by screen time. As a mother, she implored the council to put this on the top of their agenda, because the children are our future.

Gregory Nato, a city resident, commented. He's worked the bulk of his career in inclusive environments. In retail development, it's counterproductive to forbid a customer from coming into your store, so everything he speaks about comes from a place of inclusivity. We have the opportunity to embrace a successful and modern planning concept being adopted across the United States and around the world, called *The 15-Minute City*. The theory is that residents should be able to access the essentials of daily life within a short walk, bike ride or public transit trip from their homes. Housing, grocery stores, cafés, parks, childcare, healthcare, recreation, jobs and public gathering spaces all working together as one connected community. It's not a theory anymore, and cities like Portland, Seattle and Detroit have had measurable success in quality-of-life and economic activity. For Newburgh, this means every major planning project moving forward, should be evaluated through that lens. Mixed-use development must become a standard expectation, not an afterthought.

Azin Graci, a resident in Ward 1, commented. The daycare at SUNY Orange is walking distance from her home, but there is no playground for exploratory play for her baby. There are no swings at any of the playgrounds in Newburgh, and most of the play structures that do exist are intended for older kids. There are also safety issues with Tyrone Crabb and Audrey Carey, including broken playground parts, so her family does what many families do, and that is to drive to other playgrounds outside the city. It's a shame given that Newburgh has the potential for its own amazing and activated children's spaces. The City of Newburgh is where she wants her child to play. There are roughly 8000 children in the city, so she is requesting that the council prioritize all the beautiful playgrounds. In the meantime, she implored the council to support efforts to take advantage of the funding opportunity to build a ground-up playground at Delano-Hitch, through the NY Plays grant. Play spaces are integral to children's health and the well-being of our community.

Jerry Maldonado, a resident in Ward 1, commented. He is proud that the council has prioritized development without displacement. In reality, that's something

that many cities have not lived up to. If we are going to live in this vision of development, then we need long-term affordable housing and investment in youth and recreation, so that our families can stay here and thrive. He spoke in support of Res #80 and #81 regarding the Kearney development project. As a former member of the mayor's SEDAC, the advisory group spent over one year vetting applications to select the developer they thought would be socially responsible, build long-term affordable housing and one that would implement a Right-of-Return policy. Right of Return is a model policy in the country that would give first priority to housing for descendants of families displaced by urban renewal. We're in an urgent need of affordable housing, and we can't keep kicking it along. One of his wife's proud achievements when she was on city council was the completion of Tyrone Crabb Park. The space is filled with families and children. It could serve as a model for the type of investment we need in Delano-Hitch park. He hopes the council will vote yes on all those resolutions.

Rebecca Harrison, the director and founder of Little Friends Learning Loft, commented. She spoke about the NY Plays grant, and said that play is essential to children's health, happiness and who they become in the future. She implored the council to move forward with the resolution to pursue this grant. Harrison said we have potential in Newburgh.

Leonard Lee commented. He thanked Councilmembers McLymore and Shakur for listening to him. He supported the street naming of Rev. Dr. Ralph Harris. Lee said he'd been trying to get the building at 104 S. Lander Street, and thought he had it at one point; but, it never moved. The kids in that neighborhood come to his gym, so he would like to get the Heights space to provide more access for kids. Lee said he needed more support from the city.

Megan Galbraith, a resident in Ward 1, commented. She urged the council to get the NY Plays grant in on time by the deadline. We have a community that wants this, particularly the equity piece of it in what it means for all children in Newburgh to have an opportunity to play. As an activist, she is the leader of Newburgh Resist, a nationwide movement to fight authoritarianism, through protest and legislative action. Galbraith said Hochul has another version of the MELT Act. It could call attention from DHS toward New York State, that if the sanctuary-city type of legislation is passed, it would put us on the radar. We can't be naive to the threat we are facing under this administration, and we're living in a moment where people are not playing by the rules. We have to protect the community by taking action and canceling the contracts. Personal human dignity is at stake when it comes to surveillance. We can maintain safety in the city without using systems like Flock.

Bishop Woody commented. He mentioned that the 16th Annual Farmers Market would begin. It opens on June 23rd and will run until October 27th. The program accepts SNAP, WIC, and they offer Double-Up food coupons. Many activities are planned for the community event, including a Kids Day, and the offering of free

breast cancer screenings. On Saturday, May 23rd, a free breakfast is available for veterans. Woody said he supported agenda items #19 and #20. It's a good thing to see Mr. Moody and Reverend Harris honored in the community.

Robin Holland, a resident in Ward 3, commented. She thanked the council for their support of REACT program. Holland said it's important for young people to be involved in their community and let them know their voices matter. She has wanted to form a youth council for quite some time to help young people be more confident and involved in positive change. Youth ideas, struggles and futures matter. When it comes to older teens, Holland said that many young people need opportunities in productive ways, to stay occupied during the evening hours.

Rashad Roberts, a member of the REACT Youth Council, commented. He spoke about the need and importance for safe environments, which can affect the direction that youth lives go in. Lots of young people have talent, creativity, leadership ability, and potential. Not every young person has a place to go where they feel fully supported, encouraged or understood. Having positive environments helps young people build relationships, strong communication skills and healthier mindsets. When young people feel supported, they are more likely to make positive choices for themselves, and for their futures.

Tristan Robinson, a member of REACT, commented. He was puzzled about various things. One theme that remains constant is that we require a sense of togetherness. Young people relate to the streets more than programs set in place for them. Many children don't have access to the programs offered to them. Opportunities for young people don't mean anything to them if they don't have access to the programs. Newburgh is 3.81 square miles. No one is going to walk 2.38 hours to get around the city. Robinson proposed that when children under 13 years receive their working papers they shouldn't have to pay transit fees. Newburgh's poverty rate has been unwavering at 86%. It remains at an all-time high. What will children encounter on their walks across the city? We know that poverty creates crime. He wants us to come together as a community and stay strong for each other.

Carson Carter, a resident on First Street, commented. He doesn't have kids, but investing in children is one of the best things we can do as a society and city. The deadline is tight, and we should put all efforts into it. We should be tapping into state and federal moneys to invest in infrastructure for the city. He loved the idea of a park being built in Delano-Hitch park. Then Governor Franklin D. Roosevelt visited Newburgh in 1932 and dedicated the pool at the season's opening. Carter encouraged us to build on that remarkable legacy we have with the NY Plays grant.

Michael Lebron, a resident on Grand Street, commented. The Right of First Refusal is a tactic that has been used in rental to condo conversions for forty years, especially in New York City. He helped write the loft law that helped keep

artists in their homes, so he's lived through that history. He's been working on a series of essays where he argued a pathway to sever land titles for properties East to Colden Street and parts of Montgomery Street, which were part of urban renewal displacement. Those titles could be placed into a limited equity community trust that would distribute income to the displaced, their descendants and businesses for the purpose of creating one of the first operational acts of reparation pursuant to urban renewal. (See *Comments Attached*)

Dennis Grant, a resident in Ward 1, commented. May is Mental Health Awareness Month, and he encouraged anyone to dial 3-1-1 if they needed help. Sometimes we all need some outside assistance. Grant said hard times create strong men and women; weak men and women create hard times. What times are we creating in this city? He supported street naming for Mr. Moody. Let's not forget the signs after the ribbon-cutting though. The signs need to be maintained. At the last meeting, Coach Burks came before the council four months after losing his son. Grant said it felt cheesy for the city to post an expired statement that should've been posted several months ago. Grant said he didn't hear much talk about affordable housing for ownership, and encouraged us to begin talking about ownership. Don't let Newburgh be a Rent City.

Juwel Martin, an unhoused individual, commented. She said Mr. Venning was voted into his seat by the city council. The council is the one who put him in the seat that gave him that power. Meanwhile, she felt the council didn't give any power to the police and fire departments for them to be able to do their jobs. If you're going to talk about accountability, then she is all for it. New or old council members, you're all accountable now. The police and fire departments need money, equipment and everything else to do their jobs. If the council is going to represent us, then do your job and give these departments what they need. Martin said the East End Lofts management was supposed to have a lottery. She didn't believe a lottery should take four months. Martin said she's been homeless for seven years now.

James, a resident in Ward 1, commented. He said he's very lucky to live within a twenty-minute walk of Tyrone Crabb Park. We're embarrassed that children all over the city don't have access to an equivalent place that is so alive and so well-taken care of. Parks are a place of connection, because the kids are so open to each other. We want this for the city, and parks are a way for us to get there. We want people to travel to Newburgh for the life that we have here. We have an awesome pool now, and we could have an amazing park right next to the pool. He implored the council to get the money for the grant.

Pastor Rosey commented. As of April 2026, the data revealed that the city was heavily dominated by renters, with significantly low homeownership. She asked how 35% of homeowners would endure the pressure of paying the taxes. On Sunday, May 3rd, she drove down Broadway, and police car #106 was directly in front of her. A rebellious motorcyclist passed by, and the police car did

absolutely nothing. It was a disgrace for us to ignore it. She said the officer told her there was a policy for them not to do anything. Rosey said it's not just one cyclist, it's 20, 30 and 50 of these rebellious cyclists. Not one of us thinks we should reach out to the Governor about the issue? She is angered by the fact that she got pulled over while trying to find a parking spot. She wanted the city to rectify this disgraceful issue. We need to do something.

Eneen Williams commented. She watched the work session, and said she supported using money for parks. She had things to do when she grew up in the Mullins. They went swimming every day and they went roller-skating. She thanked the city for addressing the sidewalk in front of Artistic Taste. We should immediately remediate those things we can do. She looked forward to the progress, because she is here in the City of Newburgh.

Gabrielle Hill commented. She supported agenda items #13 and #14 for money for new traffic signals. She implored us to pay attention to the traffic signal at Johnston Street and Broadway, and said it's been out for several years. Traffic is a very important issue, but we want young people to be safe. Hill said she didn't condone anybody working in an environment they don't feel safe in, but she also taught her children that for every one complaint someone has about his or her sister, they have to give three compliments. You can't bash a person without talking about the good they have done, especially if they are not in the room to defend themselves. Our children are watching and listening to our behavior. Hill said she loved the parks in the city. They're important to our local neighborhoods. We also had swings back in the day. She said she couldn't speak about Tyrone Crabb Park without thinking about Mr. Robert Moody, who was the First Black Principal of Montgomery Street School. Moody had such an influence on her life. She supports anything we can do to have wonderful parks in the city. She was also glad to see Lotus appointed to the board in Res #107-2026. Lotus is an artist who does a lot of work in the city.

Comments from the Council regarding the agenda and general matters of City Business / Comentarios del Consejo con respecto a la agenda y sobre asuntos generales de la Ciudad

Councilmember Martinez commented. She supports the New City Parks resolution, and finding more spaces for our youth. She also supports mixed-used and mixed-income housing as a way to keep balance in our city. She spoke about her experience, as she discussed unity, and wanted to have a discussion about a pathway forward. The council has worked hard to reach a point where they can continue to work together regardless of their differences. We can't always pretend that everything is going to be rainbows and sunshine 24/7 though. People don't know what it's like to be at this table and share their frustrations. Personally, she's faced a lot of disrespect as a council person. She said that respect starts with the council, but it can't be a one-way street. It has to go both ways. She said she would do a better job at being real and sharing her experiences. It's disgusting that she's faced threats about the way she's voted on certain issues. People have turned narratives against her for the way she's voted. Martinez wanted people to know what's going on, for transparency. When she pushes certain things, it's because she feels it is in the best interest of the public.

Councilmember McLymore commented. He said he had a great conversation with Councilman Zorrilla about the New City Parks resolution. He supports the initiative in making our parks beautiful again. He knows we are in a time constraint and have to move on it fast. McLymore said he did some research, and would be sending his council colleagues the Hometown Heroes Military Banner Program to recognize those who have served in the United States Armed Forces. He wanted to move forward with it. He enjoyed hearing from the children and young adults who spoke up about their community. It reminded him of his childhood, and he was glad to see there are programs that help keep our children on the straight and narrow path.

Councilmember Monteverde commented. She thanked McLymore for bringing up the banners, and said she supported it. When we talk about development without displacement, she said the Kearney project is exactly that. It's low income and affordable housing, which we need in our community. This council is committed to it. At some point, they will look at market rate housing too. Delano-Hitch is our crown jewel in the city. They invested \$15M in the aquatic center, and now we need to invest in our playgrounds for children. She said she would vote in favor of the parks initiative.

Councilmember Shakur commented. He is putting together the anti-Flock resolution to remove all Flock cameras and equipment within thirty days. Roughly \$254K would be saved, which works out to roughly \$3K per camera for eighty-eight cameras. He wanted to be able to use the cost savings for jobs for youth and adult residents, increased access to public transport, particularly to job sites, housing and childcare subsidies for residents, prevention of housing displacement for long-term Newburgh residents, and job training and apprenticeships within the city department. For years, the residents of Census Tract 4 have been coming to city meetings asking for things since the days of Aurdey Carey, such as charter review. Shakur said when the council was a White majority, nobody spoke about it. Now that the council has a Black majority, it's a big thing now, so he's glad they are finally getting here.

Councilmember Stewart commented. She said they have tough decisions to make, and they will do that on this council. She supported the removal of Flock from the city. She also supported the New York Plays initiative. We should try to get the grant funding, especially if it's not a heavy lift for the city to get the grant funding. The organization working on the grant is well positioned to get it done, and she is in favor of it. Stewart said they are in the second quarter, and they have a lot of work to do. They can't do it unless they have a strategic plan and a vision for the city though. As a council, they can't be responsive or responsible to residents if they don't get together and come up with a strategic plan and vision. They are being tasked with giving direction. A strategic plan and vision needs to look at development, youth programs, transportation, housing, homeownership, what it means for how they are approaching PILOTS, arts and culture, and all of those things. If they don't have a plan, then the residents don't have direction. She urged everyone to pay attention to the school board election on May 19th. If you care about youth, children, and our scholars, then you are paying attention to the school board elections. A lot of people don't know about them, which means a lot of people don't vote in these elections. A lot of policies are created at the school board that affect our nieces, nephews, grandchildren, God-children, sons, and daughters.

Councilmember Zorrilla commented. He thanked everybody for staying past 10 PM to make our community better. They have to straddle the notion of thinking about the long-term and short-term. The decisions they put off for tomorrow affect the kids and the community now, so they have to find a balance. He said

they have a pretty strong team here, which is a great thing for democracy, because they don't all agree on everything. It allows them to push each other and push for something better than any one of them could come up with their own. They all have different focuses on different issues, but our kids are something they all stand by. We have beautiful parks that just need a little nudge. We also have beautiful people and programs, like Hook Elite Boxing and REACT. Seeing those kids come up and talk about the difference these programs have made in their lives, is awesome. For the kids who are not being reached, we could have an asset in the city, such as a beautiful park, where families could have a great place to play and wait for their pool sessions. This not only unlocks mental and physical health, but it builds community and brings people together. Let's take this once in a lifetime opportunity to invest in the infrastructure of our city that supports the youngest kids coming up, so they have great stories to tell about growing up here.

Mayor Harvey commented. This is democracy in action. They don't always agree on everything, but they can disagree without being disagreeable. He was honored to take a vote on the street-naming for Mr. Robert Moody. Harvey said he moved to the City of Newburgh as a teenager, and became a member of Baptist Temple Church. He got to know the 'Who's Who of Newburgh' through the church. Mr. Moody was a teacher, and then he became a principal. He was a big man, not only in the physical sense, but in integrity too. The same thing for Reverend Ralph Harris. Whenever you visited Ebenezer Baptist Church and heard the late Rev. Dr. Ralph Harris, it was like you were in a civil rights movie. Harvey supported the New City Parks resolution, and said they are here for the kids. You will never get him to vote against children, inclusivity or bringing the city together through access to our public green spaces.

Resolution authorizing Change Order No. 1 to the electrical contract with E-J Electric Installation Co. for the Wastewater Treatment Plant Administration Building Rehabilitation Project

Resolución que autoriza la Orden de Cambio Núm. 1 al contrato eléctrico con E-J Electric Installation Co. para el proyecto de rehabilitación del edificio administrativo de la planta de tratamiento de aguas residuales

Councilmember Shakure moved and Councilmember McLymore seconded the motion.

Ayes- Martinez, McLymore, Monteverde, Shakur, Stewart, Zorrilla, Harvey-7

Adopted

11. Resolution No. 97 - 2026 - Change Order No. 1 with DJ Heating & Air Conditioning, Inc.

Resolution authorizing Change Order No. 1 to the HVAC contract with DJ Heating & Air Conditioning, Inc. for the Wastewater Treatment Plant Administration Building Rehabilitation Project

Resolución que autoriza la Orden de Cambio Núm. 1 al contrato de HVAC con DJ Heating & Air Conditioning, Inc. para el proyecto de rehabilitación del edificio administrativo de la planta de tratamiento de aguas residuales

Councilmember McLymore moved and Councilmember Stewart seconded the motion.

**Ayes- Martinez, McLymore, Monteverde, Shakur, Stewart, Zorrilla, Harvey-7
Adopted**

12. Resolution No. 98 - 2026 - Change Order No. 1 with Verde Construction

Resolution authorizing Change Order No. 1 to the construction contract with Verde Electric Maintenance Corporation in the Broadway Pedestrian and Traffic Signals Improvements Project (PIN #8005.26 and PIN#8758.75)

Resolución que autoriza la Orden de Cambio Núm. 1 al contrato de construcción con Verde Electric Maintenance Corporation en el Proyecto del Mejoramiento de Señales Peatonales y de Tráfico de Broadway (PIN Núm. 8005.26 y PIN Núm. 8758.75)

Councilmember Shakur moved and Councilmember McLymore seconded the motion.

**Ayes- Martinez, McLymore, Monteverde, Shakur, Stewart, Zorrilla, Harvey-7
Adopted**

13. Resolution No. 99 - 2026 - PIN No. 8758.75 Supplemental Agreement No. 1 with NYSDOT

Resolution authorizing the City Manager to execute Master Federal-Aid Local Project Supplemental Agreement No. 1 with the New York State Department of Transportation authorizing the implementation, and funding in the first instance 100% of the Federal-Aid and State "Marchiselli" Program-Aid eligible costs, of a Transportation Federal-Aid Project, and appropriating funds therefore in the Traffic Signal Upgrades Project (PIN 8758.75)

Resolución que autoriza al Gerente de la Ciudad a ejecutar el Acuerdo Suplementario Maestro Núm. 1 de Proyecto Local con Asistencia

Federal con el Departamento de Transporte del Estado de Nueva York, que autoriza la implementación y el financiamiento inicial del 100% de los costos elegibles bajo la ayuda federal y el programa estatal "Marchiselli", correspondientes a un proyecto de transporte con asistencia federal, y que asigna los fondos para dicho fin en el Proyecto de Modernización de Señales de Tráfico (PIN 8758.75)

Councilmember Shakur moved and Councilmember Monteverde seconded the motion.

**Ayes- Martinez, McLymore, Monteverde, Shakur, Stewart, Zorrilla, Harvey-7
Adopted**

14. Resolution No. 100 - 2026 - PIN No. 8005.26 Supplemental Agreement No. 1 with NYSDOT

Resolution authorizing the City Manager to execute Master Federal-Aid Local Project Supplemental Agreement No. 1 with the New York State Department of Transportation authorizing the implementation, and funding in the first instance 100% of the Federal-Aid and State "Marchiselli" Program-Aid eligible costs, of a Transportation Federal-Aid Project, and appropriating funds therefore in the Traffic Signal Upgrades Project (PIN 8005.26)

Resolución que autoriza al Gerente de la Ciudad a ejecutar el Acuerdo Suplementario Maestro Núm. 1 de Proyecto Local con Asistencia Federal con el Departamento de Transporte del Estado de Nueva York, que autoriza la implementación y el financiamiento inicial del 100% de los costos elegibles bajo la asistencia federal y el programa estatal "Marchiselli", correspondientes a un proyecto de transporte con asistencia federal, y que asigna los fondos para dicho fin en el Proyecto de Modernización de Señales de Tráfico (PIN 8005.26)

Councilmember Shakur moved and Councilmember McLymore seconded the motion.

**Ayes- Martinez, McLymore, Monteverde, Shakur, Stewart, Zorrilla, Harvey-7
Adopted**

15. Resolution No. 101 - 2026 - Personnel book amendment to add the position of Temporary Part-Time Purchasing Agent

Resolution amending the 2026 Personnel Analysis Book to add one Temporary Part-Time Purchasing Agent in the Finance Department

Resolución que enmienda el Libro de Análisis de Personal 2026 para

agregar un puesto de Agente de Compras temporal de medio tiempo en el Departamento de Finanzas

Councilmember McLymore moved and Councilmember Zorrilla seconded the motion.

**Ayes- Martinez, McLymore, Monteverde, Shakur, Stewart, Zorrilla, Harvey-7
Adopted**

16. Resolution No. 102 - 2026 - NYS EFC SECURE Grant

Resolution authorizing the City Manager to apply for and accept if awarded a New York State Environmental Facilities Corporation Strengthening Essential Cybersecurity for Utilities and Resiliency Enhancement (SECURE) Assessment Program Grant in the amount of \$50,000.00 with no City match

Resolución que autoriza al Gerente de la Ciudad a solicitar y, en caso de ser otorgada, aceptar una subvención del Programa de Evaluación SECURE (Fortalecimiento de la Ciberseguridad Esencial para Servicios Públicos y Mejora de la Resiliencia) de la Corporación de Instalaciones Ambientales del Estado de Nueva York, por un monto de \$50,000.00, sin aportación municipal

Councilmember McLymore moved and Councilmember Monteverde seconded the motion.

**Ayes- Martinez, McLymore, Monteverde, Shakur, Stewart, Zorrilla, Harvey-7
Adopted**

17. Resolution No. 103 - 2026 - License Agreement - Newburgh Sanctuary, Inc. - Blueblocks Floating Gardens at Crystal Lake

Resolution authorizing the City Manager to execute a license agreement with Newburgh Sanctuary, Inc. to allow access to City-owned property known as Crystal Lake (Section 41, Block 2, Lot 11.2) for access related to the Blueblocks Floating Gardens Project

Resolución que autoriza al Gerente de la Ciudad a ejecutar un acuerdo de licencia con Newburgh Sanctuary, Inc. para permitir el acceso a la propiedad de la Ciudad conocida como Crystal Lake (Sección 41, Bloque 2, Lote 11.2) en relación con el Proyecto de Jardines Flotantes Blueblocks

Councilmember Monteverde moved and Councilmember McLymore seconded the motion.

Ayes- Martinez, McLymore, Monteverde, Shakur, Stewart, Zorrilla, Harvey-7

Adopted

18. Resolution No. 104 - 2026 - The Hudson Highlands Conservation Act

Resolution of the City Council of the City of Newburgh affirming its willingness and intent to join the Federal Highlands Conservation Act Region

Resolución del Consejo de la Ciudad de Newburgh que afirma su disposición e intención de unirse a la región de la Ley Federal de Conservación de Highlands

Councilmember McLymore moved and Councilmember Zorrilla seconded the motion.

Ayes- Martinez, McLymore, Monteverde, Stewart, Zorrilla, Harvey-6

No-Shakur-1

Adopted

19. Resolution No. 105 - 2026 - Street Naming Request - Dr. Ralph E. Harris

Resolution naming the intersection of First Street and Montgomery Street in honor of Dr. Ralph Harris

Resolución que designa la intersección de First Street y Montgomery Street en honor al Dr. Ralph Harris

Councilmember McLymore commented. He thanked Pastor McCrae and Ms. Adeline for trusting in him to get it done. He appreciated them sticking through it. He had the members of Ebenezer Baptist Church stand to accept this honor. He wanted everyone to know that when you stick together anything is possible. He also thanked Bishop Woody for being the push behind it.

Councilmember Shakur thanked everyone for the conversation, and he is glad they got it done.

Mayor Harvey said he was happy that the church stood united to accept this, as a body. It speaks volume to all of us.

Councilmember McLymore moved and Councilmember Stewart seconded the motion.

Ayes- Martinez, McLymore, Monteverde, Shakur, Stewart, Zorrilla, Harvey-7

Adopted

20. Resolution No. 106 - 2026 - Street Naming Request - Robert W. Moody

Resolution naming the intersection of Montgomery Street and South Street in honor of Robert W. Moody

Resolución que designa la intersección de Montgomery Street y South Street en honor a Robert W. Moody

Councilmember Shakur moved and Councilmember McLymore seconded the motion.

**Ayes- Martinez, McLymore, Monteverde, Shakur, Stewart, Zorrilla, Harvey-7
Adopted**

21. Resolution No. 107 - 2026 - Appointments - Newburgh Arts and Cultural Commission

A resolution appointing Lotuz to fill an unexpired term and appointing Megan Galante as an advisory member to the City of Newburgh Arts and Cultural Commission

Una resolución que nombra a Lotuz para cubrir un período no vencido y nombra a Megan Galante como miembro asesora de la Comisión de Artes y Cultura de la Ciudad de Newburgh

Councilmember Monteverde moved and Councilmember Stewart seconded the motion.

**Ayes- Martinez, McLymore, Monteverde, Shakur, Stewart, Zorrilla, Harvey-7
Adopted**

22. Resolution No. 108 - 2026 - Payment of Claim with Della Loving

A resolution authorizing the City Manager to execute a payment of claim with Della Loving in the amount of \$10,000.00

Resolución que autoriza al Gerente de la Ciudad a ejecutar el pago de una reclamación con Della Loving por un monto de \$10,000.00

Councilmember Stewart moved and Councilmember Shakur seconded the motion.

**Ayes- Martinez, McLymore, Monteverde, Shakur, Stewart, Zorrilla, Harvey-7
Adopted**

23. Resolution No. 109 - 2026 - Payment of Claim with Nicholas Palm

A resolution authorizing the City Manager to execute a payment of claim with Nicholas Palm in the amount of \$9,000.00

Resolución que autoriza al Gerente de la Ciudad a ejecutar el pago de una reclamación con Nicholas Palm por un monto de \$9,000.00

Councilmember Zorrilla moved and Councilmember Monteverde seconded the motion.

**Ayes- Martinez, McLymore, Monteverde, Shakur, Stewart, Zorrilla, Harvey-7
Adopted**

Old Business: / Asuntos Pendientes

24. Resolution No. 80 - 2026 - Amendment to Site Development Agreement with the Kearney Realty & Development Group, Inc.

Resolution authorizing the City Manager to execute a second amendment to a site development agreement with The Kearney Realty & Development Group, Inc. for the transfer and redevelopment of properties located at 137 Smith Street (Section 12, Block 4, Lot 4.1), 140 Montgomery Street (Section 12, Block 4, Lot 10) and 146 Montgomery Street (Section 12, Block 4, Lot 2.1)

Resolución que autoriza al Gerente de la Ciudad a ejecutar una segunda enmienda al acuerdo de desarrollo del sitio con The Kearney Realty & Development Group Inc. para la transferencia y remodelación de las propiedades ubicadas en 137 Smith Street (Sección 12, Bloque 4, Lote 4.1), 140 Montgomery Street (Sección 12, Bloque 4, Lote 10) y 146 Montgomery Street (Sección 12, Bloque 4, Lote 2.1)

Removal of Resolution #80-2026 From the Table

**Councilmember Shakur moved and Councilmember Zorrilla seconded the motion.
Ayes- Martinez, McLymore, Monteverde, Shakur, Stewart, Zorrilla, Harvey-7
Motion Carried**

Vote for Resolution #80-2026

Councilmember Martinez moved and Councilmember Monteverde seconded the motion.

**Ayes- Martinez, McLymore, Monteverde, Stewart, Zorrilla, Harvey-6
No-Shakur-1
Adopted**

25. Resolution No. 81 - 2026 - PILOT Agreement with the Kearney Realty & Development Group, Inc.

Resolution authorizing the City Manager to execute an agreement for the payment in lieu of taxes between the City of Newburgh, the Green

Housing Development Fund Company, Inc. and Newburgh Green Apartments Limited Partnership

Resolución que autoriza al Gerente de la Ciudad a ejecutar un acuerdo de pago en lugar de impuestos entre la Ciudad de Newburgh, The Green Housing Development Fund Company, Inc., y Newburgh Green Apartments Limited Partnership

Removal of Resolution #81-2026 From the Table

Councilmember Monteverde moved and Councilmember Zorrilla seconded the motion.

**Ayes- Martinez, McLymore, Monteverde, Shakur, Stewart, Zorrilla, Harvey-7
Motion Carried**

Vote for Resolution #81-2026

Councilmember Martinez moved and Councilmember Zorrilla seconded the motion.

**Ayes- Martinez, McLymore, Monteverde, Shakur, Stewart, Zorrilla, Harvey-7
Adopted**

The Interim City Manager concluded his report.

New Business: / Nuevos Negocios

Councilmember McLymore requested discussion about the Hometown Heroes Military Banner Program.

Councilmember Zorrilla requested a plea to apply for New York Plays grant.

Councilmember Stewart requested discussion about E-CERP for Warden Heights.

Councilmember Shakur requested discussion about the anti-Flock resolution. He asked if they could vote on it tonight.

Michelle Kelson stated that normal rules state that the item be considered at a work session before it can be voted on at a council meeting.

There was no other new business to discuss.

Final Comments from the City Council / Comentarios Finales del Ayuntamiento

Councilmember Zorrilla commented. He apologized to Councilman McLymore for misrepresenting what the organization New City Parks said. While the organization has helped with the match in the past, they didn't promise to help with the match this time; yet, they have helped nine communities across the Hudon Valley. You can look them up and see the work they've done. Zorrilla said

he took a tour of the water department. It was amazing to see the changes made, and to see the team engaged to ensure we have clean drinking water. The Sanctuary's Blueblocks is a great collaboration with the local organization to create opportunities for youth to learn more about Crystal Lake. He was excited about the Hudson Highlands Conservation Act, which opens up the opportunity for funding for future initiatives that were already in the works for years. He thanked everyone for demanding that the council does better, and helping them create a stronger vision for Newburgh.

Councilmember Stewart thanked everyone for coming out. She reminded everyone about the school board election on May 19th, and urged everyone to get out and vote. If anyone needed more information, she encouraged them to reach out to local residents who had information about the election and the school board candidates.

Councilmember Shakur thanked everyone for coming out. He will turn the Big 7-0 this year. He's been coming to city council meetings since he was twelve years old, so he knows what's going on. He's seen the transition that they've been working on. He welcomes charter review now, because they have some changes they've wanted to implement since Mayor Audrey Carey sat in office. Maybe we can get it done now.

Councilmember Monteverde thanked everyone for sticking it out this evening. We got a lot done tonight. Newburgh is on the rise, and we are accomplishing a lot, and we're passing excellent legislation. We're going to keep it up to move the city forward.

Councilmember McLymore commented. He announced that on May 30th, he's hosting a faith-based leader summit to bridge the gap between faith-based leaders and our public servants. The event will be held at 245 Liberty Street, and it should be very informative, and a great day for it. Also, on June 11th, the Anti-Violence Community Day will be held at 140 Broadway. It starts at 12 PM, and there will be free food and a bouncy house for the children. Let's have a wonderful day at the mid-Broadway event location. He said they also have to look into what the remediation of 104 South Lander Street entailed. He wanted to help Coach Lee get in that location.

Councilmember Martinez commented. She thanked Wayne for providing the tour of the water department. She encouraged people to refrain from buying bottled water, because Wayne and his team have worked very hard to ensure we have some of the best and highest standard of water. She encouraged people to vote at the school board election on May 19th. The City of Newburgh students have so much talent, and they need the support from our community. Martinez joked that we should order pizza for long meetings, because she was hungry.

Mayor Harvey commented. He loves how many people love this city. When he

saw how many people spoke so passionately at the microphone, that was the proof for him that people truly love this city. He encouraged everyone to continue loving on this city, and stated that we're going to keep loving each other.

This section of the meeting was closed.

Adjournment / Aplazamiento:

There being no further business to come before the council, the meeting adjourned at 10:42 PM.

Submitted,

KATRINA COTTEN

City Council Members:

I write in strong support of legislation enabling the City Council of the City of Newburgh to establish a Charter Review Commission for the purpose of conducting a full and comprehensive review of the City Charter.

The current structure of governance in Newburgh no longer reflects the realities, needs, or democratic expectations of the people of this city. A complete charter review is necessary to examine, revoke, revise, and modernize provisions that have concentrated administrative and policy-shaping authority in the office of the City Manager while limiting the authority of elected officials who are directly accountable to residents.

As someone who served on the Industrial Development Agency (IDA), I witnessed firsthand how unelected administrative authority can exert disproportionate influence over the direction of city-related decision making. Although the IDA operates as a separate legal entity, its relationship with city administration revealed a troubling imbalance of power. In practice, the City Manager often holds the decisive influence over policy implementation, priorities, and execution, while elected representatives are left with limited authority beyond advisory or symbolic roles.

This imbalance has weakened public trust and created a disconnect between the expressed will of residents, the positions of elected officials, and the actual outcomes of city governance.

It is common knowledge among residents that many of the most urgent concerns brought before the City Council are met with verbal agreement or public concern from council members, yet meaningful action frequently depends not on the elected body itself, but on the willingness of the unelected City Manager to act. This creates a system where elected officials possess only indirect power, often forced to negotiate authority through administrative channels rather than exercising clear legislative leadership derived from the will of the people.

A recent example illustrates this concern clearly. During public discussions regarding the installation of Flock surveillance camera systems, residents voiced significant concerns about privacy, surveillance, and civil liberties. Multiple City Council members publicly expressed objections or reservations regarding the use of Flock systems. Yet despite these objections and community opposition, the Flock cameras have reportedly remained operational since September 2025. This demonstrates the growing perception that public input and elected representation are increasingly disconnected from actual governing authority.

A Charter Review Commission would provide Newburgh residents with an opportunity to honestly assess whether the current governing structure serves democratic accountability, transparency, and responsive leadership. It would allow the city to examine questions including:

- Whether elected officials should possess greater administrative authority and oversight;
- Whether the balance of power between the City Council and City Manager remains appropriate;
- Whether existing governance structures adequately reflect community priorities;

- And whether reforms are needed to ensure that policymaking authority remains rooted in democratic representation.

This is not simply a political issue. It is a question of civic legitimacy and public trust.

Newburgh deserves a governance structure that is transparent, accountable, and responsive to the people who live here. Establishing a Charter Review Commission is a necessary and responsible step toward achieving that goal.

I respectfully urge support for this legislation.

Sincerely,

R.Yaniyah Pearson, City of Newburgh resident.

Michael Lebron – Grand Street, Newburgh.

I support a Local Law of the City Council of the City of Newburgh establishing a Charter Review Commission.

My reasons for doing so can be found on ^{my} ~~the~~ website Newburgh Is America, in the 7 to 8 part series ^{ESSAY} ~~called~~ "What They Call Good Government."

The first five parts were posted on February 24, March 6, March 16, March 17, and March 18, of this year. The final parts will be posted soon, likely by the end of the month.

I am submitting links to each of the completed articles into the written record.

Michael Lebron – Grand Street, Newburgh

ESSAYS

I am currently working on a series of articles at my website, Newburgh Is America, where I argue a pathway to sever land titles to properties east of Colden and parts of Montgomery that were part of urban renewal clearance and displacement, or contiguous to them.

Those titles could be placed into a limited-equity community trust that would, among other things, distribute income to the displaced people, their descendants, and their businesses — for the purpose of creating one of the first, if not the first, operational acts of reparations pursuant to urban renewal. The articles, to date and in order, are as follows:

We Know Who You Are Working For

ESSAYS

I am submitting the articles and their links into the written record.

LEVEL UP

Reparations is not the right to be put at the front of a rental line, AS KEARNEY ASSERTS. That is simply the right of first refusal. That is not first in the nation. That is not new. It is a tactic that has been used in rental to condo conversions for at least 40 years, ESPECIALLY IN NEW YORK.

I KNOW, BECAUSE AS A TENANT ORGANIZER FOR 10 YEARS, I LIVED THROUGH THAT HISTORY.

RECEIVED
MAY 11 REC'D
CITY CLERK

RE: Written Public Comment Regarding the Public Hearing on the Proposed Local Law
Establishing a Charter Review Commission

Dear City Clerk Cotton:

Please accept this written comment for the public record regarding the May 11, 2026 public hearing on the proposed local law establishing a Charter Review Commission. Due to an unanticipated family obligation, I am unable to attend the meeting in person.

My name is Sue Sullivan, and I am a resident of the City of Newburgh. I support the City Council moving forward with the proposed local law establishing a Charter Review Commission because I believe residents deserve a clear and transparent process to review how city government functions and to have a voice in that discussion.

The City Charter is the framework for how our local government operates. It defines roles, responsibilities, and how decisions are made. A Charter Review Commission would create a public process to examine the current charter, gather community input, and evaluate whether changes or updates should be considered.

Importantly, the Commission itself would not make final decisions regarding Charter changes. Any proposed changes to the Charter that require voter approval would ultimately go before Newburgh residents through a public referendum.

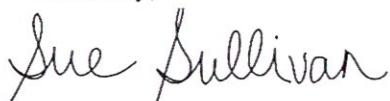

I believe this process creates an opportunity for greater transparency, public participation, and community discussion regarding how city government functions. I also believe the process should provide opportunities for residents from across the community to participate and be heard.

Supporting a Charter Review Commission is not about supporting a predetermined outcome. It is about supporting a fair and thoughtful public review process.

I respectfully ask the Council to move this process forward.

Thank you for your time and consideration.

Sincerely,

Sue Sullivan
City of Newburgh Resident

Subject: PUBLIC COMMENT ITEM – Support for Delano-Hitch Playground Grant

Dear Newburgh City Council,

I am writing to strongly support the City's application for the \$2.5 million grant to renovate the Delano-Hitch playground.

As a resident of Newburgh, I believe our families and children deserve a safe, modern, and accessible playground in our community. This grant represents a major opportunity to provide that investment without placing the full cost on local taxpayers. I urge the Council to prioritize this grant application and ensure it is submitted before the June 15 deadline.

I respectfully ask that you approve moving forward with the grant so our kids can have the playground they need and deserve.

Thank you for your time and for supporting our community's children.

Sincerely,

Ashley Brun

Hello,

My name is Helen Michelsen-Catania and I live at 12 Spring Street in the city of Newburgh. I understand that there is a city council meeting tonight that I cannot attend due to child care. I would like to submit my comment on the subject of Newburgh's playgrounds that are in need of the city's attention. Parents have been waiting a long time and working hard behind the scenes to see a real investment in play spaces for our children.

Please move the New York City Parks resolution at the May 26th meeting so that you can start raising the match funds before the June 15th deadline for the grant.

Thank you, sincerely a family with young children growing in the city of Newburgh.

CITY CLERK

Hello,

I'm Gabrielle Gray and I live in Town of Newburgh, and have a child attending school in the City of Newburgh. Newburgh's playgrounds need a boost! Parents have been waiting a long time for real investment in our children and play areas, and there is a great opportunity here. Please move the New City Parks resolution at the May 26th meeting so that you can start raising the matching funds before the June 15th deadline for the grant.

There are so many families who would love this and benefit from it (like the Aquatic Center!) and the ripples effects would be huge and positive. A lot of folks may not be able to attend the meeting since it starts right when bedtime is beginning for young children. But I can attest that the appetite for this type of project is there in the community of parents.

THANK YOU!
Gabrielle Gray

RESOLUTION NO.: 94 - 2026

OF

MAY 11, 2026

A RESOLUTION AUTHORIZING AN AGREEMENT BETWEEN
THE CITY OF NEWBURGH AND JOHNSON CONTROLS FIRE PROTECTION LP
FOR FIRE ALARM REPAIR SERVICES AT THE BROADWAY COURTHOUSE
IN THE AMOUNT OF \$5,158.16

WHEREAS, the City of Newburgh requires diagnostic services and repairs to the fire alarm system at the Broadway Courthouse; and

WHEREAS, the City of Newburgh has identified Johnson Controls Fire Protection LP as a company with the requisite skill and expertise to undertake evaluations and make necessary repairs to the fire alarm system at the Broadway Courthouse; and

WHEREAS, the cost of these services will be derived from A.1121.0448 and is partially reimbursable through a contract with the New York State Unified Court System; and

WHEREAS, this Council has determined that entering into an agreement with Johnson Controls Fire Protection LP is in the best interests of the City of Newburgh;

NOW, THEREFORE BE IT RESOLVED, by the Council of the City of Newburgh, New York that the City Manager be and he is hereby authorized to enter into an agreement with Johnson Controls Fire Protection LP to undertake evaluation and repairs to fire alarm system located at the Broadway Courthouse in the amount of \$5,158.16.

Ship To Information	Bill To Information
Newburgh City of New Courthouse , 300 Broadway , NEWBURGH, NY, 12550-5464 .	Newburgh City of Bureau Audit Control , 83 Broadway, NEWBURGH, NY, 12550-5617 .

Scope of Work

Johnson Controls Fire Protection will provide labor and technical services to troubleshoot the existing fire alarm control panel and identify issues related to the corrupted program on the Notifier fire alarm system.

JCI will perform all necessary programming to correct and restore the system to proper operating condition.

In addition, JCI will remove and replace the damaged fire alarm annunciator located in the main floor lobby and replace one heat detector currently displaying a trouble condition; the replacement heat detector will be provided by the customer.

Upon completion of repairs, JCI will conduct required system testing to verify proper operation of the affected devices and fire alarm functions. A copy of the fire alarm control panel program will be provided to the customer upon completion for site records and safekeeping, and all work will be performed in accordance with applicable codes, standards, and manufacturer requirements.

TERMS AND CONDITIONS

1. Term. The Initial Term of this Agreement shall commence on the date of this Agreement and continue as set forth herein. After the Initial Term, this Agreement shall automatically extend for successive terms equal to the same length as the Initial Term unless Customer or Company gives written notice to the other that it does not want to renew at least sixty (60) days prior to the end of the then-current term (each a ("Renewal Term"). The Initial Term and any Renewal Term may be referred to herein as the "Term."

2. Payment and Invoicing. Unless otherwise agreed by the parties in writing, fees for Services to be performed shall be paid annually in advance. Fees and other amounts due hereunder are due thirty (30) days from the date of invoice, which shall be paid by Customer via electronic delivery via EFT/ACH. Such payment is a condition precedent to Company's obligation to perform Services under the Agreement. Any invoice disputes must be identified in writing by Customer within 21 days of the invoice date. Payments of any disputed amounts are due and payable upon resolution.

Work performed on a time and material basis shall be at the then-prevailing Company rate for material, labor, and related items, in effect at the time supplied under this Agreement. Customer acknowledges and agrees that timely payments of the full amounts listed on invoices is an essential term of this Agreement and Customer's failure to make payment in full when due is a material breach of this Agreement. Customer further acknowledges that if there is any amount outstanding on an invoice, it is material to Company and will give Company, without prejudice to any other right or remedy, the right to, without notice: (i) suspend, discontinue or terminate performing any Services and/or withhold further deliveries of equipment and other materials, terminate or suspend any unpaid software licenses, and/or suspend Company's obligations under or terminate this Agreement; (ii) charge Customer interest on the amounts unpaid at a rate equal to the lesser of one and one half (1.5) percent per month or the maximum rate permitted under applicable law, until payment is made in full; and (iii) pay all of JCI's costs of collection, including (1) actual out of pocket expenses and (2) charge Customer a collection fee of twenty-five percent (25%) of the past due amount if collected through a collection agency or attorney and thirty-five percent (35%) if litigation is commenced to collect such past due amount. Company's election to continue providing future services does not, in any way diminish Company's right to terminate or suspend services or exercise any or all rights or remedies under this Agreement. Company shall not be liable for any damages, claims, expenses, or liabilities arising from or relating to suspension of Services for non-payment. In the event that there are exigent circumstances requiring services or the Company otherwise performs Services at the premises following suspension, those services shall be governed by the terms of this Agreement unless a separate contract is executed. If Customer disputes any late payment notice or Company's efforts to collect payment, Customer shall immediately notify Company in writing and explain the basis of the dispute. Customer agrees to pay all of Company's reasonable collection costs (including legal fees and expenses). In the event of Customer's default, the balance of any outstanding amounts will be immediately due and payable. Customer shall provide financial information requested by Company to verify Customer's ability to pay for goods or

services. If Customer fails to provide financial information or if Company, in its sole discretion determines that reasonable grounds exist to question Customer's ability or willingness to make payments when due (e.g., not making payments when due, late payments, or a reduction in Customer's credit score), Company may defer shipments, change payment terms, require cash in advance and/or require other security, without liability and without waiving any other remedies Company may have against Customer. Company shall provide Customer with advance written notice of changes to payment terms. Customer agrees to issue and send a purchase order to Company at least thirty (30) days prior to expiration of the Initial Term or any Renewal Term if necessary for payments to be processed, but failure to do so is not a pre-condition to Renewal Term payments being due to Company. No purchase order is required for any emergency work requested by Customer. Customer shall have no right to reject such invoices due to the lack of a purchase order.

3. Pricing. The pricing set forth in this Agreement is based on the number of devices and services to be performed as set forth in this Agreement. If the actual number of devices installed or services to be performed is greater than that set forth in this Agreement, the price will be increased accordingly. Company may increase prices upon notice to Customer to reflect increases in material and labor costs. Prices do not include taxes, fees, duties, tariffs, false alarm assessments, permits and levies or other charges imposed and/or enacted by a government, however designated or imposed (collectively, "Taxes"). All Taxes are the responsibility of Customer, unless Customer presents an exemption certificate acceptable to Company and the applicable taxing authorities. If Company is required to pay any such Taxes or other charges, Customer shall reimburse Company on demand. If any such exemption certificate is invalid, then Customer will immediately pay Company the amount of the Taxes, plus penalties and interest.

Prices may be adjusted by Company prior to shipment to take into account increases in the cost of raw materials, component parts, third party products or labor rates or taxes; Trade Restrictions (as defined below); government actions; or to cover any unforeseen or other extra cost elements. "Trade Restrictions" means any additional or new tariff/duty, quota, tariff-rate quota, or cost associated with the withdrawal of tariff/duty concessions pursuant to a trade agreement(s).

This Agreement is entered into with the understanding that the services to be provided by Company are not subject to any local, state, or federal prevailing wage statute. If it is later determined that local, state, or federal prevailing wage rates apply to the services to be provided by Company, Company reserves the right to issue a modification or change order to adjust the wage rates to the required prevailing wage rate. Customer agrees to pay for the applicable prevailing wage rates. Prices in any quotation or proposal from Company are subject to change upon notice sent to Customer at any time before the quotation or proposal has been accepted. If this Agreement is renewed, Company will provide Customer with notice of any adjustments in the contract price applicable to any Renewal Term. Unless Customer terminates the Agreement at least sixty (60) days prior to the start of such Renewal Term, the adjusted price shall be the price for the Renewal Term. If this Agreement extends beyond one year, Company may increase prices upon notice to Customer.

4. Code Compliance. Company does not undertake an obligation to inspect for compliance with laws or regulations unless specifically stated in this Agreement. Customer acknowledges that the Authority Having Jurisdiction (e.g. Fire Marshal) may establish additional requirements for compliance

with local codes. Any additional services or equipment required will be provided at an additional cost to Customer.

5. Limitation of Liability; Limitations of Remedy. Customer understands that Company offers several levels of protection services and that the level described has been chosen by Customer after considering and balancing various levels of protection afforded and their related costs. It is understood and agreed by Customer that Company is not an insurer and that insurance coverage shall be obtained by Customer and that amounts payable to Company here under are based upon the value of the services and the scope of liability set forth in this Agreement and are unrelated to the value of Customer's property and the property of others located on the premises. Customer agrees to look exclusively to Customer's insurer to recover for injuries or damage in the event of any loss or injury. Customer releases and waives all right of recovery against Company arising by way of subrogation. Company makes no guaranty or warranty, including any implied warranty of merchantability or fitness for a particular purpose that equipment or services supplied by Company will detect or avert occurrences or the consequences there from that the equipment or service was designed to detect or avert. It is impractical and extremely difficult to fix the actual damages, if any, which may proximately result from failure on the part of Company to perform any of its obligations under this Agreement. Accordingly, Customer agrees that Company shall be exempt from liability for any loss, damage or injury arising directly or indirectly from occurrences, or the consequences there from, which the equipment or service was designed to detect or avert. Should Company be found liable for any loss, damage or injury arising from a failure of the equipment or service in any respect, Company's liability shall be limited to an aggregate amount equal to the Agreement price (as increased by the price for any additional work) or, where the time and material payment term is selected, Customer's time and material payments to Company. Where this Agreement covers multiple sites, liability shall be limited to the amount of the payments allocable to the site where the incident occurred. Company's liability with respect to Monitoring Services is set forth in Section 18 of this Agreement. Such sum shall be complete and exclusive. IN NO EVENT SHALL COMPANY BE LIABLE, FOR ANY DAMAGE, LOSS, INJURY, OR ANY OTHER CLAIM ARISING FROM ANY SERVICING, ALTERATIONS, MODIFICATIONS, CHANGES, OR MOVEMENTS OF THE COVERED SYSTEM(S), AS HEREIN AFTER DEFINED, OR ANY OF ITS COMPONENT PARTS BY CUSTOMER OR ANY THIRD PARTY. To the maximum extent permitted by law, in no event shall Company and its affiliates and their respective personnel, suppliers and vendors be liable to Customer or any third party under any cause of action or theory of liability, even if advised of the possibility of such damages, for any (a) special, incidental, consequential, punitive or indirect damages of any kind; (b) loss of profits, revenues, data, customer opportunities, business, anticipated savings or goodwill; (c) business interruption; or (d) data loss or other losses arising from viruses, ransomware, cyber-attacks or failures or interruptions to network systems. The limitations of liability set forth in this Agreement shall inure to the benefit of all parents, subsidiaries and affiliates of Company, whether direct or indirect, Company's employees, agents, officers and directors.

6. Reciprocal Waiver of Claims (SAFETY Act). Certain of Company's systems and services have received Certification and/or Designation as Qualified Anti-Terrorism Technologies ("QATT") under the Support Antiterrorism by Fostering Effective Technologies Act of 2002, 6 U.S.C. §§441-444 (the "SAFETY

Act"). As required under 6 C.F.R. 25.5 (e), to the maximum extent permitted by law, Company and Customer hereby agree to waive their right to make any claims against the other for any losses, including business interruption losses, sustained by either party or the irrelative employees, resulting from an activity resulting from an "Act of Terrorism" as defined in 6 C.F.R. 25.2, when QATT have been deployed in defense against, response to, or recovery from such Act of Terrorism.

7. Indemnity. Customer agrees to indemnify, hold harmless and defend Company against any and all losses, damages, costs, including expert fees and costs, and expenses including reasonable defense costs, arising from any and all third party claims for personal injury, death, property damage or economic loss, arising in any way from any act or omission of Customer or Company relating in any way to this Agreement, including but not limited to the Services under this Agreement, whether such claims are based upon contract, warranty, tort (including but not limited to active or passive negligence), strict liability or otherwise. Company reserves the right to select counsel to represent it in any such action. Customer's responsibility with respect to indemnification and defense of Company with respect to Monitoring Services is set forth in Section 18 of this Agreement.

8. General Provisions. Customer has selected the service level desired after considering and balancing various levels of protection afforded and their related costs. All work to be performed by Company will be performed during normal working hours of normal working days (8:00 a.m. - 5:00 p.m., Monday through Friday, excluding Company holidays), as defined by Company, unless additional times are specifically described in this Agreement. All work performed unscheduled unless otherwise specified in this Agreement. Appointments scheduled for four-hour window. Additional charges may apply for special scheduling requests (e.g. working around equipment shutdowns, after hours work). Company will perform the services described in the Service Solution ("Services") for one or more system(s) or equipment as described in the Service Solution or the listed attachments ("Covered System(s)"). UNLESS OTHERWISE SPECIFIED IN THIS AGREEMENT, ANY INSPECTION (AND, IF SPECIFIED, TESTING) PROVIDED UNDER THIS AGREEMENT DOES NOT INCLUDE ANY MAINTENANCE, REPAIRS, ALTERATIONS, REPLACEMENT OF PARTS, OR ANY FIELD ADJUSTMENTS WHATSOEVER, NOR DOES IT INCLUDE THE CORRECTION OF ANY DEFICIENCIES IDENTIFIED BY COMPANY TO CUSTOMER. COMPANY SHALL NOT BE RESPONSIBLE FOR EQUIPMENT FAILURE OCCURRING WHILE COMPANY IS IN THE PROCESS OF FOLLOWING ITS INSPECTION TECHNIQUES, WHERE THE FAILUREAL SO RESULTS FROM THE AGE OR OBSOLESCENCE OF THE ITEM OR DUE TO NORMAL WEAR AND TEAR. THIS AGREEMENT DOES NOT COVER SYSTEMS, EQUIPMENT, COMPONENTS OR PARTS THAT ARE BELOW GRADE, BEHIND WALLS OR OTHER OBSTRUCTIONS OR EXTERIOR TO THE BUILDING, ELECTRICAL WIRING, AND PIPING.

9. Customer Responsibilities. Customer shall regularly test the System(s) in accordance with applicable law and manufacturers' and Company's recommendations. Customer shall promptly notify Company of any malfunction in the Covered System(s) which comes to Customer's attention. This Agreement assumes any existing system(s) are in operational and maintainable condition as of the Agreement date. If, upon inspection, Company determines that repairs are recommended, repair charges will be submitted for approval by

Customer's on-site representative prior to work. Should such repair work be declined, Company shall be relieved from any and all liability arising there from. Customer further agrees to:

- provide Company clear access to Covered System(s) to be serviced including, if applicable, lift trucks or other equipment needed to reach inaccessible equipment;
- supply suitable electrical service, heat, heat tracing adequate watersupply, and required system schematics and/or drawings;
- notify all required persons, including but not limited to authorities having jurisdiction, employees, and monitoring services, of scheduled testing and/or repair of systems;
- provide a safe work environment;
- in the event of an emergency or Covered System(s) failure, take reasonable precautions to protect against personal injury, death, and/or property damage and continue such measures until the Covered System(s) are operational; and
- comply with all laws, codes, and regulations pertaining to the equipment and/or Services provided under this Agreement. Customer represents and warrants that it has the right to authorize the Services to be performed as set forth in this Agreement.

JCI may terminate the Services immediately upon notice to the Customer if JCI, in its sole discretion determines that the Customer's premises are unsafe to be accessed by JCI'S employees or subcontractors. JCI may terminate the Services upon notice to the Customer, if Customer does not follow JCI'S recommendations for updates and upgrades to the equipment and systems.

Customer represents and warrants that it has the right to authorize the Services to be performed as set forth in this Agreement. Customer is solely responsible for the establishment, operation, maintenance, access, security and other aspects of its computer network ("Network") and shall supply Company secure Network access for providing its services. Products networked, connected to the internet, or otherwise connected to computers or other devices must be appropriately protected by Customer and/or end user against unauthorized access. Customer is responsible to take appropriate measures, including performing back-ups, to protect information, including without limit data, software, or files (collectively "Data") prior to receiving the service or products.

10. Repair Services. Where Customer expressly includes repair, replacement, and emergency response services in the Service Solution section of this Agreement, such Services apply only to the components or equipment of the Covered System(s). Customer agrees to promptly request repair services in the event the System becomes inoperable or otherwise requires repair. The Agreement price does not include repairs to the Covered System(s) recommended by Company as a result of an inspection, for which Company will submit independent pricing to Customer and as to which Company will not proceed until Customer authorizes such work and approves the pricing. Repair or replacement of non-maintainable parts of the Covered System(s) including, but not limited to, unit cabinets, insulating material, electrical wiring, structural supports, and all other non-moving parts, is not included under this Agreement.

11. System Equipment. The purchase of equipment or peripheral devices, (including but not limited to smoke detectors, passive infrared detectors, card readers, sprinkler system components, extinguishers and hoses) from Company shall be subject to the terms and conditions of this Agreement. If, in Company's sole judgment, any peripheral device or other system equipment, which is attached to the Covered System(s), whether provided by Company, Customer or a third party, interferes with the proper operation of the Covered System(s), Customer shall remove or replace such device or equipment promptly upon notice from Company. Failure of Customer to remove or replace the device shall constitute a

material breach of this Agreement. If Customer adds any third party device or equipment to the Covered System(s), Company shall not be responsible for any damage to or failure of the Covered System(s) caused in whole or in part by such device or equipment.

12. Reports. Where inspection and/or test services are selected, such inspection and/or test shall be completed on Company's then current report form, which shall be given to Customer, and, where applicable, Company may submit a copy thereof to the local authority having jurisdiction. The report and recommendations by Company are only advisory in nature and are intended to assist Customer in reducing the risk of loss to property by indicating obvious defects or impairments noted to the system and equipment inspected and/or tested. They are not intended to imply that no other defects or hazards exist or that all aspects of the Covered System(s), equipment, and components are under control at the time of inspection. Final responsibility for the condition and operation of the Covered System(s) and equipment and components lies with Customer.

13. Availability and Cost of Steel, Plastics & Other Commodities. Company shall not be responsible for failure to provide services, deliver products, or otherwise perform work required by this Agreement due to lack of available steel products or products made from plastics or other commodities. In the event Company is unable, after reasonable commercial efforts, to acquire and provide steel products, or products made from plastics or other commodities, if required to perform work required by this Agreement, Customer hereby agrees that Company may terminate the Agreement, or the relevant portion of the Agreement, upon notice to Customer and at no additional cost and without penalty. Customer agrees to pay Company in full for all work performed up to the time of any such termination.

14. Confined Space. If access to confined space by Company is required for the performance of Services, Services shall be scheduled and performed in accordance with Company's then-current hourly rate.

15. Hazardous Materials. Customer represents that, except to the extent that Company has been given written notice of the following hazards prior to the execution of this Agreement, to the best of Customer's knowledge there is no:

- Space in which work must be performed that, because of its construction, location, contents or work activity therein, accumulation of a hazardous gas, vapour, dust or fume or the creation of an oxygen-deficient atmosphere may occur,
- "permit confined space," as defined by OSHA for work Company performs in the United States;
- risk of infectious disease;
- need for air monitoring, respiratory protection, or other medical risk; or
- asbestos, asbestos-containing material, formaldehyde or other potentially toxic or otherwise hazardous material contained in or on the surface of the floors, walls, ceilings, insulation or other structural components of the area of any building where work is required to be performed under this Agreement.

All of the above are herein after referred to as "Hazardous Conditions." Company shall have the right to rely on the representations listed above. If Hazardous Conditions are encountered by Company during the course of Company's work, the discovery of such materials shall constitute an event beyond Company's control, and Company shall have no obligation to further perform in the area where the Hazardous Conditions exist until the area has been made safe by Customer as certified in writing by an independent testing agency, and

Customer shall pay disruption expenses and re-mobilization expenses as determined by Company. This Agreement does not provide for the cost of capture, containment or disposal of any hazardous waste materials, or hazardous materials, encountered in any of the Covered System(s) and/or during performance of the Services. Said materials shall at all times remain the responsibility and property of Customer. Company shall not be responsible for the testing, removal or disposal of such hazardous materials.

16. Covid-19 Vaccination. Company expressly disclaims any requirement, understanding or agreement, express or implied, included directly or incorporated by reference, in any Customer purchase order, solicitation, notice or otherwise, that any of Company's personnel be vaccinated against Covid-19 under any federal, state/provincial or local law, regulation or order applicable to government contracts or subcontracts, including, without limitation, Presidential Executive Order 14042 ("Ensuring Adequate COVID Safety Protocols for Federal Contractors") and Federal Acquisition Regulation (FAR) 52.223-99 ("Ensuring Adequate COVID Safety Protocols for Federal Contractors"). Any such requirement shall only apply to Company's personnel if and only to the extent contained in a written agreement physically signed by an authorized officer of Company.

17. Other Services.

A. Remote Service. If Customer selects Remote Service, Company shall provide support for the Customer's system by way of education, remote assistance and triage that does not require programming changes to the Customer's panel. In addition, Remote Service does not include service to address physical damage to the system or a device; troubleshoot wiring issues; programming changes and/or relocating, remounting, reconnecting, or adding a device to the system. Customer understands and agrees that, while Remote Service provides for communication regarding Customer's fire alarm system to Company via the Internet, Remote Service does not constitute monitoring of the system, and Customer understands that Remote Service does not provide for Company to contact the fire department or other authorities in the event of a fire alarm. Customer understands that if it wishes to receive monitoring of its fire alarm system and notification of the fire department or other authorities in the event of a fire alarm, it must select monitoring services as a separate Service under this Agreement. CUSTOMER FURTHER UNDERSTANDS AND AGREES THAT THE TERMS OF SECTION 18.F OF THIS AGREEMENT APPLY TO REMOTE SERVICE.

B. Connected Fire Sprinkler Services; Connected Fire Alarm Services. Connected Fire Sprinkler Services and Connected Fire Alarm Services each means a data-analytics and software platform that uses a cellular or network connection to gather equipment performance data about a Customer's Covered Equipment for Customer's sprinkler system or fire alarm system, as applicable, to assist JCI in advising Customer on such equipment's health, performance or potential malfunction. Connected Fire Sprinkler Services and Connected Fire Alarm Services are collectively, the Connected Equipment Services. If Customer has purchased Connected Fire Sprinkler Services and/or Connected Fire Alarm Services on any Covered Equipment, Customer agrees to allow Company to install diagnostic sensors and communication hardware ("Gateway Device") or Customer will supply a network connection suitable to enable communication with Customer's Covered Equipment in order for Company to deliver the connected services. For more information on whether your particular equipment includes Connected Fire Sprinkler

Services and/or Connected Fire Alarm Services, a subscription to such services and the cost, if any, of such subscription, please see your applicable order, quote, proposal or purchase documentation or talk to your JCI sales representative. For certain subscriptions, Customer will be able to access equipment information from a mobile or smart device using the service's mobile or web app. The Gateway Device will be used to access, store, and trend data for the purposes of providing Connected Fire Sprinkler Services. Company will not use Connected Fire Sprinkler Services or the Connected Fire Alarm Services to remotely operate or make changes to Customer's Equipment. If the connection is disconnected by Customer, and a technician needs to be dispatched to the Customer site, then the Customer will pay JCI at JCI's then-current standard applicable contract regular time and/or overtime rate for such services. Company makes no warranty or guarantee relating to the Connected Fire Sprinkler Services or Connected Fire Alarm Services. Customer acknowledges that, while Connected Fire Alarm Services or Connected Sprinkler Services generally improve equipment performance and services, these services do not prevent all potential malfunction, insure against all loss or guarantee a certain level of performance and that JCI shall not be responsible for any injury, loss, or damage caused by any act or omission of JCI related to or arising from the proactive health notifications of the equipment under Connected Equipment Services. Customer understands that if it wishes to receive monitoring of its fire alarm system or sprinkler system and notification of the fire department or other authorities in the event of an alarm, it must select monitoring services as a separate Service under this Agreement. CUSTOMER FURTHER UNDERSTANDS AND AGREES SECTION 19 (SOFTWARE AND DIGITAL SERVICES) APPLY TO CONNECTED FIRE ALARM SERVICES AND CONNECTED SPRINKLER SERVICES. In the event of a conflict between these terms and the Software Terms, the Software Terms will control.

C. Dashboards and Mobility Applications for Connected Fire Sprinkler Services and Connected Fire Alarm Services. If Customer has purchased Connected Fire Sprinkler Services and/or Connected Fire Alarm Services, Customer may utilize Company's Dashboard(s) and Mobility Application(s), as applicable, during the term of the Agreement, pursuant to the then applicable Terms of Use Agreement. Terms for the Dashboard are located at <https://www.johnsoncontrols.com/buildings/legal/digital/general/atos>.

18. Monitoring Services. If Customer has selected Monitoring Services, the following shall apply to such Services:

A. Alarm Monitoring Service. Customer agrees and acknowledges that Company's sole and only obligation under this Agreement shall be to provide alarm monitoring, notification, and/or Runner Services as set forth in this Agreement and to endeavor to notify the party(ies) identified by Customer on the Contact/Call List ("Contacts") and/or Local Emergency Dispatch Numbers for responding authorities. Upon receipt of an alarm signal, Company may, at our sole discretion, attempt to notify the Contacts to verify the signal is not false. If we fail to notify the Contacts or question the response we receive, we will attempt to notify the responding authority. In the event Company receives a supervisory signal or trouble signal, Company shall endeavor to promptly notify one of the Contacts. Company shall not be responsible for a Contact's or responding authority's refusal to acknowledge/respond to Company's notifications of receipt of an alarm signal, nor shall Company be required to make additional notifications because of such refusal. The Contacts are authorized to act on

Customer's behalf and, if so designated on the Contact/Call List, are authorized to cancel an alarm prior to the notification of authorities. Customer understands that local laws, ordinances or policies may restrict Company's ability to provide the alarm monitoring and notification services described in this Agreement and/or necessitate modified or additional services and related charges to Customer. Customer understands that Company may employ a number of industry-recognized measures to help reduce occurrences of false alarm signal activations. These measures may include, but are not limited to, implementation of industry-recognized default settings; implementation of "partial clear time bypass" procedures at our alarm monitoring center and other similar measures at our sole discretion from time to time. THESE MEASURES CAN RESULT IN NO ALARM SIGNAL BEING SENT FROM AN ALARM ZONE IN CUSTOMER'S PREMISES AFTER THE INITIAL ALARM ACTIVATION UNTIL THE ALARM SYSTEM IS MANUALLY RESET. Upon receiving notification from Company that a fire or gas detection (e.g. carbonmonoxide) signal has been received, the responding authority may forcibly enter the premises. Cellular radio unit test supervision, if provided under this Agreement, provides only the status of the cellular radio unit's current signaling ability at the time of the test communication based on certain programmed intervals and does not serve to detect the potential loss of radio service at the time of an actual emergency event. Company shall not be responsible to provide monitoring services under this Agreement unless and until the communication link between Customer's premises and Company's Monitoring Center has been tested. SUCH SERVICES ARE PROVIDED WITHOUT WARRANTY, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

B Limitation of Liability; Limitations of Remedy. Customer understands that Company offers several levels of Monitoring Services and that the level described has been chosen by Customer after considering and balancing various levels of protection afforded and their related costs. It is understood and agreed by Customer that Company is not an insurer and that insurance coverage shall be obtained by Customer and that amounts payable to Company hereunder are based upon the value of the Monitoring Services and the scope of liability set forth in this Agreement and are unrelated to the value of Customer's property and the property of others located on the premises. Customer agrees to look exclusively to Customer's insurer to recover for injuries or damage in the event of any loss or injury and that Customer releases and waives all right of recovery against Company arising by way of subrogation. Company makes no guaranty or warranty, including any implied warranty of merchantability or fitness for a particular purpose that equipment or Services supplied by Company will detect or avert occurrences or the consequences there from that the equipment or Service was designed to detect or avert. It is impractical and extremely difficult to fix the actual damages, if any, which may proximately result from failure on the part of Company to perform any of its monitoring obligations under this Agreement. Accordingly, Customer agrees that Company shall be exempt from liability for any loss, damage or injury arising directly or indirectly from occurrences, or the consequences therefrom, which the equipment or Service was designed to detect or avert. Should Company be found liable for any loss, damage or injury arising from a failure of the equipment or Service in any respect, Company's liability with respect to Monitoring Services shall be the lesser of the annual fee for

Monitoring Services allocable to the site where the incident occurred or two thousand five hundred (\$2,500) dollars, as agreed upon damages and not as a penalty, as Customer's sole remedy. Such sum shall be complete and exclusive. IN NO EVENT SHALL COMPANY BE LIABLE FOR ANY DAMAGE, LOSS, INJURY, OR ANY OTHER CLAIM ARISING FROM ANY SERVICING, ALTERATIONS, MODIFICATIONS, CHANGES, OR MOVEMENTS OF THE COVERED SYSTEM(S), AS HEREIN AFTER DEFINED, OR ANY OF ITS COMPONENT PARTS BY THE CUSTOMER OR ANY THIRD PARTY. In no event shall JCI and its affiliates and their respective personnel, suppliers and vendors be liable to Customer or any third party under any cause of action or theory of liability, even if advised of the possibility of such damages, for any (a) special, incidental, consequential, punitive or indirect damages of any kind, including but not limited to damages; (b) loss of profits, revenues, data, customer opportunities, business, anticipated savings or goodwill; (c) business interruption; or (d) data loss or other losses arising from viruses, ransomware, cyber-attacks or failures or interruptions to network systems CUSTOMER OR ANY THIRD PARTY. COMPANY SHALL NOT BE LIABLE FOR INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES OF ANY KIND, INCLUDING BUT NOT LIMITED TO DAMAGES ARISING FROM THE USE, LOSS OF THE USE, PERFORMANCE, OR FAILURE OF THE COVERED SYSTEM(S) TO PERFORM. The limitations of liability set forth in this Agreement shall inure to the benefit of all parents, subsidiaries and affiliates of Company, whether direct or indirect, and each of their employees, agents, officers and directors.

C. Indemnity, Insurance. Customer agrees to indemnify, hold harmless and defend Company against any and all losses, damages, costs, including expert fees and costs, and expenses including reasonable defense costs, arising from any and all third-party claims for personal injury, death, property damage or economic loss, arising in any way from any act or omission of Customer or Company relating in any way to the Monitoring Services provided under this Agreement, whether such claims are based upon contract, warranty, tort (including but not limited to active or passive negligence), strict liability or otherwise. Company reserves the right to select counsel to represent it in any such action. Customer shall name Company, its officers, employees, agents, subcontractors, suppliers, and representatives as additional insureds on Customer's general liability and auto liability policies.

D. No modification. Modification to Sections 18 B or C may only be made by a written amendment to this Agreement signed by both parties specifically referencing Section 18 B and/or C, and no such amendment shall be effective unless approved by the manager of Company's Central Monitoring Center.

E. Customer's Duties. In addition to Customer's duty to indemnify, defend, and hold Company harmless pursuant to this Section 18:

i. Customer agrees to furnish the names and telephone numbers of all persons authorized to enter or remain on Customer's premises and/or that should be notified in the event of an alarm (the Contact/Call List) and Local Emergency Dispatch Numbers and provide all changes, revision and modifications to the above to Company in writing in a timely manner. Customer must ensure that all such persons are authorized and able to respond to such notification.

ii. Customer shall carefully and properly test and set the system immediately prior to the securing of the premises and carefully test the system in a manner prescribed by Company during the term of this Agreement. Customer agrees that it is responsible

for any losses or damages due to malfunction, miscommunication or failure of Customer's system to accurately handle, process or communicate data. If any defect in operation of the System develops, or in the event of a power failure, interruption of telephone service, or other interruption at Customer's premises of signal or data transmission through any media, Customer shall notify Company immediately. If space/interior protection (i.e. ultrasonic, microwave, infrared, etc.) is part of the System, Customer shall walk test the system in the manner recommended by Company.

iii. When any device or protection is used, including, but not limited to, space protection, which may be affected by turbulence of air, occupied airspace change or other disturbance, forced air heaters, air conditioners, horns, bells, animals and any other sources of air turbulence or movement which may interfere with the effectiveness of the System during closed periods while the alarm system is on, Customer shall notify Company

iv. Customer shall promptly reset the System after any activation.

v. Customer shall notify Company regarding any remodeling or other changes to the protected premises that may affect operation of the system.

vi. Customer shall cooperate with Company in the installation, operation and/or maintenance of the system and agrees to follow all instructions and procedures which may be prescribed for the operation of the system, the rendering of services and the provision of security for the premises.

vii. Customer shall pay all charges made by any telephone or communications provider company or other utility for installation, leasing, and service charges of telephone lines connecting Customer's premises to Company. Customer acknowledges that alarm signals from Customer's premises to Company are transmitted over Customer's telephone or other transmission service and that in the event the telephone or other transmission service is out of order, disconnected, placed on "vacation," or otherwise interrupted, signals from Customer's alarm system will not be received by Company, during any such interruption in telephone or other transmission service and the interruption will not be known to Company. Customer agrees that in the event the equipment or system continuously transmits signals reasonably determined by Company to be false and/or excessive in number, Customer shall be subject to the additional costs and fees incurred by Company in the receiving and/or responding to the excessive signals and/or Company may at its sole discretion terminate this Agreement with respect to Monitoring services upon notice to Customer.

F. Communication Facilities.

i. Authorization. Customer authorizes Company, on Customer's behalf, to request services, orders or equipment from a telephone company, wireless carrier or other company providing communication facilities, signal transmission services or facilities under this Agreement (referred to as "Communication Company"). Should any third-party service, equipment or facility be required to perform the Monitoring Services set forth in this Agreement, and should the same be terminated or become otherwise unavailable or impracticable to provide, Company may terminate Monitoring Services upon notice to Customer.

ii. Digital Communicator. Customer understands that a digital communicator (DACT), if installed under this Agreement, uses traditional telephone lines for sending signals which eliminate the need for a dedicated telephone line and the costs associated with such dedicated lines.

iii. Derived Local Channel. The Communication Company's services provided to Customer in connection with the Services may include Derived Local Channel service. Such service may be provided under the Communication Company's service marks or service names. These services include providing lines, signal paths, scanning and transmission. Customer agrees that the Communication Company's liability is limited to the same extent Company's liability is limited pursuant to this Section 18.

iv. CUSTOMER UNDERSTANDS THAT COMPANY WILL NOT RECEIVE ALARM SIGNALS WHEN THE TELEPHONE LINE OR OTHER TRANSMISSION MODE IS NOT OPERATING OR HAS BEEN CUT, INTERFERED WITH OR IS OTHERWISE DAMAGED OR IF THE ALARM SYSTEM IS UNABLE TO ACQUIRE, TRANSMIT OR MAINTAIN AN ALARM SIGNAL OVER CUSTOMER'S TELEPHONE SERVICE FOR ANY REASON INCLUDING NETWORK OUTAGE OR OTHER NETWORK PROBLEMS SUCH AS CONGESTION OR DOWNTIME, ROUTING PROBLEMS, OR INSTABILITY OF SIGNAL QUALITY. CUSTOMER UNDERSTANDS THAT OTHER POTENTIAL CAUSES OF SUCH A FAILURE OVER CERTAIN TELEPHONE SERVICES (INCLUDING BUT NOT LIMITED TO SOME TYPES OF DSL, ADSL, VOIP, DIGITAL PHONE, INTERNET PROTOCOL BASED PHONE OR OTHER INTERNET INTERFACE-TYPE SERVICE OR RADIO SERVICE, INCLUDING CELLULAR OR PRIVATE RADIO, ETC. ("NON-TRADITIONAL TELEPHONE SERVICE")) INCLUDE BUT ARE NOT LIMITED TO: (1) LOSS OF NORMAL ELECTRIC POWER TO CUSTOMER'S PREMISES (THE BATTERY BACK-UP FOR THE ALARM PANEL DOES NOT POWER TELEPHONE SERVICE); AND (2) ELECTRONICS FAILURES SUCH AS A MODEM MALFUNCTION. CUSTOMER UNDERSTANDS THAT COMPANY WILL ONLY REVIEW THE INITIAL COMPATIBILITY OF CUSTOMER'S ALARM SYSTEM WITH NON-TRADITIONAL TELEPHONE SERVICE AT THE TIME OF INITIAL CONNECTION TO COMPANY'S MONITORING CENTER AND THAT CHANGES IN CUSTOMER'S TELEPHONE SERVICE'S DATA FORMAT AFTER THE INITIAL REVIEW OF COMPATIBILITY COULD MAKE CUSTOMER'S TELEPHONE SERVICE UNABLE TO TRANSMIT ALARM SIGNALS TO COMPANY'S MONITORING CENTERS. IF COMPANY DETERMINES IN ITS SOLE DISCRETION THAT IT IS COMPATIBLE, COMPANY WILL PERMIT CUSTOMER TO USE NONTRADITIONAL TELEPHONE SERVICE AS THE SOLE METHOD OF TRANSMITTING ALARM SIGNALS, ALTHOUGH CUSTOMER UNDERSTANDS THAT COMPANY RECOMMENDS THE USE OF AN ADDITIONAL BACK-UP METHOD OF COMMUNICATION TO CONNECT CUSTOMER'S ALARM SYSTEM TO THE MONITORING CENTER REGARDLESS OF THE TYPE OF TELEPHONE SERVICE USED. CUSTOMER ALSO UNDERSTANDS THAT IF COMPANY DETERMINES IN ITS SOLE DISCRETION THAT CUSTOMER'S NONTRADITIONAL TELEPHONE SERVICE IS OR LATER BECOMES NONCOMPATIBLE, OR IF CUSTOMER CHANGES TO ANOTHER NONTRADITIONAL TELEPHONE SERVICE THAT IS NOT COMPATIBLE, THEN COMPANY REQUIRES THAT CUSTOMER USE AN ALTERNATE METHOD OF COMMUNICATION ACCEPTABLE TO COMPANY AS THE PRIMARY METHOD TO CONNECT CUSTOMER'S ALARM SYSTEM TO THE MONITORING CENTER. CUSTOMER UNDERSTANDS THAT TRANSMISSION OF FIRE ALARM SIGNALS BY MEANS OTHER THAN A TRADITIONAL TELEPHONE LINE MAY NOT BE IN COMPLIANCE WITH FIRE ALARM STANDARDS OR

SOME LOCAL FIRE CODES, AND THAT IT IS CUSTOMER'S OBLIGATION TO COMPLY WITH SUCH STANDARDS AND CODES. CUSTOMER ALSO UNDERSTANDS THAT IF THE ALARM SYSTEM HAS A LINECUT FEATURE, IT MAY NOT BE ABLE TO DETECT IF A NONTRADITIONAL TELEPHONE SERVICE LINE IS CUT OR INTERRUPTED, AND THAT COMPANY MAY NOT BE ABLE TO PROVIDE CERTAIN AUXILIARY MONITORING SERVICES THROUGH A NON-TRADITIONAL TELEPHONE LINE OR SERVICE. CUSTOMER FURTHER UNDERSTANDS THAT THE ALARM PANEL MAY BE UNABLE TO SEIZE THE PHONE LINE TO TRANSMIT AN ALARM SIGNAL IF ANOTHER CONNECTION IS OFF THE HOOK DUE TO IMPROPER CONNECTION OR OTHERWISE.

G. Verification; Runner Service. Some jurisdictions may require alarm verification by telephone or on-site verification ("Runner Service") before dispatching emergency services. In the event that a requirement of alarm verification becomes effective after the date of this Agreement, such services may be available at an additional charge. Company shall not be held liable for any delay or failure of dispatch of emergency services arising from such verification. Where Runner Service is indicated, such services may be provided by a third party. COMPANY WILL NOT ARREST OR DETAIN ANY PERSON.

H. Personal Emergency Response Service. If Customer has selected Personal Emergency Response Services, Customer agrees that the very nature of Personal Emergency Response Services, irrespective of any delays, involves uncertainty, risk and possible serious injury, disability or death, for which Company should not under any circumstances be held responsible or liable; that the equipment furnished for Personal Emergency Response Services is not foolproof and may experience signal transmission failures or delays for any number of reasons, whether or not our fault or under Company's control; that the actual time required for medical emergency providers to arrive at the premises and/or to transport any person requiring medical attention is unpredictable and that many contributing factors, including but not limited to such things as telephone network operation, distance, weather, road and traffic conditions, alarm equipment function and human factors, both with responding authorities and with Company, may affect response

19. **Limited Warranty.** COMPANY WARRANTS THAT ITS WORKMANSHIP AND MATERIAL, EXCLUDING MONITORING SERVICES, FURNISHED UNDER THIS AGREEMENT WILL BE FREE FROM DEFECTS FOR A PERIOD OF NINETY (90) DAYS FROM THE DATE OF FURNISHING. No warranty is provided for third-party products and equipment installed or furnished by Company. Such products and equipment are provided with the third party manufacturer's warranty to the extent available, and Company will transfer the benefits, together with all limitations, of that manufacturer's warranty to Customer. EXCEPT AS EXPRESSLY SET FORTH HEREIN, COMPANY DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE WITH RESPECT TO THE SERVICES PERFORMED OR THE PRODUCTS, SYSTEMS OR EQUIPMENT, IF ANY, SUPPORTED HERE UNDER. Company makes no and specifically disclaims all representations or warranties that the services, products, software or third party product or software will be secure from cyber threats, hacking or other similar malicious activity, or will detect the presence of, or eliminate, treat, or mitigate the spread transmission, or

outbreak of any pathogen, disease, virus or other contagion, including but not limited to COVID 19.

20. **Software and Digital Services.** Use, implementation, and deployment of the software and hosted software products ("Software") offered under these terms shall be subject to, and governed by, Company's standard terms for such Software and Software related professional services in effect from time to time at <https://www.johnsoncontrols.com/techterms> (collectively, the "Software Terms"). Applicable Software Terms are incorporated herein by this reference. Other than the right to use the Software as set forth in the Software Terms, Company and its licensors reserve all right, title, and interest (including all intellectual property rights) in and to the Software and improvements to the Software. The Software that is licensed hereunder is licensed subject to the Software Terms and not sold. If there is a conflict between the other terms herein and the Software Terms, the Software Terms shall take precedence and govern with respect to rights and responsibilities relating to the Software, its implementation and deployment and any improvements there to. Notwithstanding any other provisions of this Agreement and unless otherwise agreed to by the parties in writing, the following terms apply to Software that is provided to Customer on a subscription basis (i.e., a time limited license or use right), (each a "Software Subscription"): Each Software Subscription provided hereunder will commence on the date the initial credentials for the Software are made available (the "Subscription Start Date") and will continue in effect until the expiration of the subscription term noted herein. At the expiration of the Software Subscription, such Software Subscription will automatically renew for consecutive one (1) year terms (each a "Renewal Subscription Term"), unless either party provides the other party with a notice of non-renewal at least ninety (90) days prior to the expiration of the then-current term. To the extent permitted by applicable law, Software Subscriptions purchases are non-cancelable and the sums paid nonrefundable. Fees for Software Subscriptions shall be paid annually in advance, invoiced on the Subscription Start Date and each subsequent anniversary thereof. Unless otherwise agreed by the parties in writing, the subscription fee for each Renewal Subscription Term will be priced at JCI's then-applicable list price for that Software offering. Any use of Software that exceeds the scope, metrics or volume set forth in this Agreement will be subject to additional fees based on the date such excess use began.

21. **Taxes, Fees, Fines, Licenses, and Permits.** Customer agrees to pay all sales tax, use tax, property tax, utility tax and other taxes required in connection with the equipment and Services listed, including telephone company line charges, if any. Customer shall comply with all laws and regulations relating to the equipment and its use and shall promptly pay when due all sales, use, property, excise and other taxes and all permit, license and registration fees now or here after imposed by any government body or agency upon the equipment or its use. Company may, without notice, obtain any required permit, license or registration for Customer at Customer's expense and charge a fee for this service. If Customer fails to maintain any required licenses or permits, Company shall not be responsible for performing the services and may terminate the services without notice to Customer.

22. **Outside Charges.** Customer understands and accepts that Company specifically disclaims any responsibility for charges associated with the notification or dispatching of anyone, including but not limited to fire department, police department, paramedics, doctors, or any other emergency personnel, and if

there are any charges incurred as a result of said notification or dispatch, said charges shall be the responsibility of Customer.

23. Insurance. Customer shall name Company, its officers, employees, agents, subcontractors, suppliers, and representatives as additional insureds on Customer's general liability and auto liability policies.

24. Waiver of Subrogation. Customer does hereby for itself and all other parties claiming under it release and discharge Company from and against all hazards covered by Customer's insurance, it being expressly agreed and understood that no insurance company or insurer will have any right of subrogation against Company.

25. Force Majeure, Exclusions. Company shall not be liable, nor in breach or default of its obligations under this Agreement, for delays, interruption, failure to render services, or any other failure by Company to perform an obligation under this Agreement, where such delay, interruption or failure is caused, in whole or in part, directly or indirectly, by a Force Majeure Event. A "Force Majeure Event" is a condition or event that is beyond the reasonable control of Company, whether foreseeable or unforeseeable, including, without limitation, acts of God, severe weather (including but not limited to hurricanes, tornados, severe snowstorms or severe rainstorms), wildfires, floods, earthquakes, seismic disturbances, or other natural disasters, acts or omissions of any governmental authority (including change of any applicable law or regulation), epidemics, pandemics, disease, viruses, quarantines, or other public health risks and/or responses there to, condemnation, strikes, lockouts, labor disputes, an increase of 5% or more in tariffs or other excise taxes for materials to be used on the project, fires, explosions or other casualties, thefts, vandalism, civil disturbances, insurrection, mob violence, riots, war or other armed conflict (or the serious threat of same), acts of terrorism, electrical power outages, interruptions or degradations in telecommunications, computer, network, or electronic communications systems, data breach, cyber-attacks, ransomware, unavailability or shortage of parts, materials, supplies, or transportation, or any other cause or casualty beyond the reasonable control of Company. If Company's performance of the work is delayed, impacted, or prevented by a Force Majeure Event or its continued effects, Company shall be excused from performance under the Agreement. Without limiting the generality of the foregoing, if Company is delayed in achieving one or more of the scheduled milestones set forth in the Agreement due to a Force Majeure Event, Company will be entitled to extend the relevant completion date by the amount of time that Company was delayed as a result of the Force Majeure Event, plus such additional time as may be reasonably necessary to overcome the effect of the delay. To the extent that the Force Majeure Event directly or indirectly increases Company's cost to perform the services, Customer is obligated to reimburse Company for such increased costs, including, without limitation, costs incurred by Company for additional labor, inventory storage, expedited shipping fees, trailer and equipment rental fees, subcontractor fees or other costs and expenses incurred by Company in connection with the Force Majeure Event.

26. Exclusions. This Agreement expressly excludes, without limitation, provision of fire watches; reloading of, upgrading, and maintaining computer software; making repairs or replacements necessitated by reason of negligence or misuse of components or equipment or changes to Customer's premises; vandalism; power failure; current fluctuation; failure due to non-JCI installation; lightning, electrical storm, or other severe weather; water; accident; fire; acts of God; testing

inspection and repair of duct detectors, beam detectors, and UV/IR equipment; provision of fire watches; clearing of ice blockage; draining of improperly pitched piping; batteries; recharging of chemical suppression systems; reloading of, upgrading, and maintaining computer software; corrosion (including but not limited to micro-bacterially induced corrosion ("MIC")); cartridges greater than 16 grams; gas valve installation; or any other cause external to the Covered System(s) and JCI shall not be required to provide Service while interruption of service due to such causes shall continue. This Agreement does not cover and specifically excludes system upgrades and the replacement of obsolete systems, equipment, components or parts. All such services may be provided by JCI at JCI's sole discretion at an additional charge. If Emergency Services are expressly included in the Service Solution, the Agreement price does not include travel expenses.

27. Delays. Company shall have no responsibility or liability to Customer or any other person for delays in the installation or repair of the System or the performance of our Services regardless of the reason, or for any resulting consequences.

28. Termination. If either party fails to perform any of its material obligations under this Agreement, the other party shall provide written notice thereof to the party alleged to be in default. Should the party alleged to be in default fail to respond in writing or take action to cure the alleged default within ten (10) days of receiving such written notice, the notifying party may terminate this Agreement by providing written notice of such termination. For termination prior to the end of the Term, Customer agrees to pay Company, in addition to any outstanding fees and charges for Service(s) rendered prior to termination, 50% of the charges for Services remaining to be paid for the unexpired term of the Agreement as liquidated damages but not as a penalty. Customer shall provide Company with reasonable access to the premises to remove any Company property and to un-program any controls, intrusion, fire, or life safety system, as applicable. Customer shall be liable for all fees, costs, and expenses that Company may incur in connection with the enforcement of this Agreement, including without limitation, reasonable attorney fees, collection agency fees, and court costs.

Upon notice to the customer, Company may terminate this Agreement immediately at its sole discretion upon the occurrence of any Event of Default as hereinafter defined. If Company's performance of its obligations becomes impracticable due to obsolescence or unavailability of systems, equipment, or products (including component parts and/or materials) or because the Company or its supplier(s) has discontinued the manufacture or the sale of the equipment and/or products or is no longer in the business of providing the Services, Company may terminate this Agreement, or the affected portions, at its sole discretion upon notice to Customer. Company may terminate this Agreement, or the affected portions, at its sole discretion upon notice to the Customer if Company's performance of its obligations are prohibited because of changes in applicable laws, regulations or codes. If Company receives an excessive number of false alarms, Company may terminate this Agreement and discontinue any Services, and seek to recover damages. If the equipment or system continuously sends signals that Company reasonably determines to be false or excessive, the Customer will be responsible for additional costs and fees incurred by Company in receiving and/or responding to these signals and/or Company may at its sole discretion terminate monitoring services under this Agreement upon notice to the Customer. Company may terminate this Agreement and discontinue any Service(s), if Company's central monitoring center ("CMC") or remote operations center or either of these centers is

substantially damaged by fire or catastrophe or if Company is unable to obtain any connections or privileges required to transmit signals between the Customer's premises, Company's CMC and/or the Municipal Fire or Police Department or other first responder. Company may terminate the Services immediately upon notice to the Customer if Company, in its sole discretion, determines the premises in which the Equipment or system is installed is unsafe, unsuitable, or so modified or altered as to render continuation of Service(s) impractical or impossible. Company may terminate the Services upon notice to the Customer, if Customer fails to follow Company's recommendations for the repair or replacement of parts of the system or Equipment not covered under the warranty or Service.

29. No Option to Solicit. Customer shall not, directly or indirectly, on its own behalf or on behalf of any other person, business, corporation or entity, solicit or employ any Company employee, or induce any Company employee to leave his or her employment with Company, for a period of two years after the termination of this Agreement.

30. Default. An Event of Default shall include include, but is not limited to: (a) any full or partial termination of this Agreement by Customer before the expiration of the then-current Term, (b) failure of Customer to pay any amount when due and payable, (c) abuse of the System or the Equipment, (d) dissolution, termination, discontinuance, insolvency or business failure of Customer. Upon the occurrence of an Event of Default, Company may pursue one or more of the following remedies, (i) discontinue furnishing Services, (ii) by written notice to Customer declare the balance of unpaid amounts due and to become due under this Agreement to be immediately due and payable, (iii) receive immediate possession of any equipment for which Customer has not paid, (iv) proceed at law or equity to enforce performance by Customer or recover damages for breach of this Agreement, and (v) recover all costs and expenses, including without limitation reasonable attorneys' fees, in connection with enforcing or attempting to enforce this Agreement.

31. One-Year Limitation on Actions; Choice of Law. For Customers located in the United States, the laws of Wisconsin shall govern the validity, enforceability, and interpretation of this Agreement, without regard to conflicts of law. For Customers located in Canada, This agreement shall be governed by and be construed in accordance with the laws of Ontario. The parties agree that any disputes arising under this Agreement shall be determined exclusively by the Ontario courts and that no action or legal proceedings of any nature shall be filed or commenced in any other court pertaining to any dispute arising out of or in relation to this Agreement. The parties also hereby waive any objection to the exclusive jurisdiction of the Ontario courts, including any objection based on forum non conveniens. No claim or cause of action, whether known or unknown, shall be brought against Company more than one year after the claim first arose. Except as provided for herein, Company's claims must also be brought within one year. Claims for unpaid contract amounts are not subject to the one-year limitation.

32. Assignment. Customer may not assign this Agreement without Company's prior written consent. Company may assign this Agreement without obtaining Customer's consent.

33. Entire Agreement. The parties intend this Agreement, together with any attachments or Riders (collectively the "Agreement") to be the final, complete and exclusive expression of their Agreement and the terms and conditions thereof. This Agreement supersedes all prior representations, understandings or agreements between the parties, written or oral, and shall constitute the sole terms and

conditions relating to the Services. Nowaiver, change, or modification of any terms or conditions of this Agreement shall be binding on Company unless made in writing and signed by an Authorized Representative of Company.

34. Headings. The headings in this Agreement are for convenience only.

35. Severability. If any provision of this Agreement is held by any court or other competent authority to be void or unenforceable in whole or in part, this Agreement will continue to be valid as to the other provisions and the remainder of the affected provision.

36. Electronic Media. Customer agrees that Company may scan, image or otherwise convert this Agreement into an electronic format of any nature. Customer agrees that a copy of this Agreement produced from such electronic format is legally equivalent to the original for any and all purposes, including litigation. Customer agrees that Company's receipt by fax of the Agreement signed by Customer legally binds Customer and such fax copy is legally equivalent to the original for any and all purposes, including litigation.

37. Legal Fees. Company shall be entitled to recover from Customer all reasonable legal fees incurred in connection with Company enforcing the terms and conditions of this Agreement.

38. Lien Legislation. Notwithstanding anything to the contrary contained herein, the terms of this Agreement shall be subject to the lien legislation applicable to the location where the work will be performed, and, in the event of conflict, the applicable lien legislation shall prevail.

39. Privacy. A. Company as Processor: Where Company factually acts as Processor of Personal Data on behalf of Customer (as such terms are defined in the DPA) the terms at www.johnsoncontrols.com/dpa shall apply. B. Company as Controller: Company will collect, process and transfer certain personal data of Customer and its personnel related to the business relationship between it and Customer (for example names, email addresses, telephone numbers) as controller and in accordance with Company's Privacy Notice at <https://www.johnsoncontrols.com/privacy>. Customer acknowledges Company's Privacy Notice and strictly to the extent consent is mandatorily required under applicable law, Customer consents to such collection, processing and transfer. To the extent consent to such collection, processing and transfer by Company is mandatorily required from Customer's personnel under applicable law, Customer warrants and represents that it has obtained such consent.

40. License Information (Security System Customers): AL Alabama Electronic Security Board of Licensure 7956 Vaughn Road, PMB 392, Montgomery, Alabama 36116 (334) 264-9388; AR Regulated by: Arkansas Board of Private Investigators and Private Security Agencies, #1 State Police Plaza Drive, Little Rock 72209 (501) 618-8600; CA Alarm company operators are licensed and regulated by the Bureau of Security and Investigative Services, Department of Consumer Affairs, Sacramento, CA, 95814. Upon completion of the installation of the alarm system, the alarm company shall thoroughly instruct the purchaser in the proper use of the alarm system. Failure by the licensee, without legal excuse, to substantially commence work within 20 days from the approximate date specified in the agreement when the work will begin is a violation of the Alarm Company Act: NY Licensed by the N.Y.S. Department of the State: TX Texas Commission on Private Security, 5805 N. Lamar Blvd., Austin, TX 78752-4422, 512-424-7710. License numbers available at www.johnsoncontrols.com or contact your local Johnson Controls office.

RESOLUTION NO.: 95 - 2026

OF

MAY 11, 2026

A RESOLUTION AUTHORIZING CHANGE ORDER NO. 2G TO
THE CONSTRUCTION CONTRACT WITH BARONE CONSTRUCTION GROUP, INC.
FOR THE WASTEWATER TREATMENT PLANT ADMINISTRATION BUILDING
REHABILITATION PROJECT

WHEREAS, by Resolution No. 263-2024 of December 9, 2024, the City Council of the City of Newburgh, New York awarded a bid to Barone Construction Group, Inc. in the amount of \$1,025,000.00 for the construction of the Wastewater Treatment Plant Administration Building Rehabilitation Project; and

WHEREAS, Barone Construction Group, Inc. has submitted Change Order No. 2G to provide a credit to the contract price in the amount of \$8,391.29 for unused contingency allowance and reduce the contract price to \$970,670.11; and

WHEREAS, the City Council has reviewed Change Order No. 2G and has determined that approving contract changes is in the best interest of the City of Newburgh;

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Newburgh, New York that the City Manager be and he hereby is authorized to execute Change Order No. 2G with Barone Construction Group, Inc. for the Wastewater Treatment Plant Administration Building Rehabilitation Project.

Date: April 23, 2026
Our Ref: 30251957
Subject: Wastewater Treatment Plant Admin Building Renovation
General Contract (1G): Change Order No. 2

Dear Mr. Morris,

Attached is Change Order No. 2 for the General Contract associated with the Wastewater Treatment Plant Administration Building Renovation Project. This change order represents the final balance adjustment for Contract 1G, resulting in a credit of \$8,391.39 for the unused contingency allowance.

A summary of the contingency allowance is provided below:

- Allowance Authorization No. GC-001: (\$9,081.60)
- Allowance Authorization No. GC-002: (\$11,419.93)
- Allowance Authorization No. GC-003: (\$35,639.86)
- Allowance Authorization No. GC-004: (\$3,242.61)
- Allowance Authorization No. GC-005: (\$6,502.81)
- Allowance Authorization No. GC-006: (\$721.80)

Total Allowance Used: (\$66,608.61)
Original Allowance: \$75,000.00
Remaining Allowance: \$8,391.39

The original contract amount was \$1,025,000.00. Change Order No. 1 reduced the contract by (\$45,938.50), resulting in a revised total of \$979,061.50. This Change Order No. 2 further reduces the contract by (\$8,391.39), bringing the final contract amount to \$970,670.11.

Please feel free to contact me if you have any questions or require additional information.

Sincerely,
Arcadis of New York, Inc.

RESOLUTION NO.: 97 - 2026

OF

MAY 11, 2026

A RESOLUTION AUTHORIZING CHANGE ORDER NO. 1 TO
THE HVAC CONTRACT WITH DJ HEATING & AIR CONDITIONING, INC.
FOR THE WASTEWATER TREATMENT PLANT ADMINISTRATION BUILDING
REHABILITATION PROJECT

WHEREAS, by Resolution No. 265-2024 of December 9, 2024, the City Council of the City of Newburgh, New York awarded a bid to DJ Heating & Air Conditioning, Inc. in the amount of \$458,000.00 for the HVAC construction of the Wastewater Treatment Plant Administration Building Rehabilitation Project; and

WHEREAS, DJ Heating & Air Conditioning, Inc. has submitted Change Order No. 1 to provide a credit to the contract price in the amount of \$17,910.52 for unused contingency allowance and reduce the contract price to \$440,089.48; and

WHEREAS, the City Council has reviewed Change Order No. 1 and has determined that approving contract changes is in the best interest of the City of Newburgh;

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Newburgh, New York that the City Manager be and he hereby is authorized to execute Change Order No. 1 with DJ Heating & Air Conditioning, Inc. for the Wastewater Treatment Plant Administration Building Rehabilitation Project.

Jason Morris, P.E.
Commissioner of Public Works and City Engineer

Our Ref: 30251957
Subject: Wastewater Treatment Plant Admin Building Renovation
HVAC Contract (3H): Change Order No. 1

Dear Mr. Morris,

Attached is Change Order No. 1 for the HVAC Contract associated with the Wastewater Treatment Plant Administration Building Renovation Project. This change order represents the final balance adjustment for Contract 3H, resulting in a credit of \$17,910.52.

This credit is comprised of the following:

1. \$1,817.72 for the revision to the duct insulation jacketing material
2. \$16,092.80 for the unused contingency allowance

A summary of the contingency allowance is provided below:

- Allowance Authorization No. HC-001: (\$709.92)
- Allowance Authorization No. HC-002: (\$4,412.03)
- Allowance Authorization No. HC-003: (\$3,785.25)

Total Allowance Used: (\$8,907.20)
Original Allowance: \$25,000.00
Remaining Allowance: \$16,092.80

The original contract amount was \$458,000.00. This Change Order No. 1 reduces the contract amount by \$17,910.52, bringing the final contract amount to \$440,089.48.

Please feel free to contact me if you have any questions or require additional information.

Sincerely,
Arcadis of New York, Inc.

PROPOSAL REQUEST

Owner: City of Newburgh
Project Name: WWTP Admin Building Renovation

Proposal Request No.: HC-005 Date: 1/19/2026

Contract Name and No.: Contract 3-H, HVAC Construction

Contractor: DJ Heating & Air Conditioning, Inc.

Other Contracts Involved in Proposed Change: _____

TO CONTRACTOR: Please submit a complete Change Proposal for the proposed modifications described below. If the associated Change Proposal is approved, a Change Order or allowance authorization will be issued to authorize adjustment to the scope of the Work. This Proposal Request is not a Change Order, Work Change Directive, Field Order, or an authorization to proceed with the proposed Work described below.

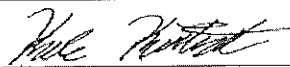

SCOPE OF PROPOSED WORK:

The Contract Documents require that all exterior ductwork be insulated and provided with stainless steel protective jacketing. The Contract Documents further require that all exterior DX piping insulation be wrapped with stainless steel protective jacketing.

It has been noted that 3M VentureClad jacketing was accepted and installed in lieu of the specified stainless steel jacketing for the exterior ductwork and DX piping insulation.

Accordingly, please submit a credit proposal reflecting the material cost difference between the installed 3M VentureClad jacketing and the specified stainless steel protective jacketing.

Proposal requested by: Kyle Kortright

RESOLUTION NO.: 98 - 2026

OF

MAY 11, 2026

A RESOLUTION AUTHORIZING CHANGE ORDER NO. 1 TO
THE CONSTRUCTION CONTRACT
WITH VERDE ELECTRIC MAINTENANCE CORPORATION IN
THE BROADWAY PEDESTRIAN AND TRAFFIC SIGNALS IMPROVEMENTS PROJECT
(PIN #8005.26 AND PIN#8758.75)

WHEREAS, by Resolution No. 231-2024 of November 12, 2024, the City Council of the City of Newburgh, New York awarded a bid to Verde Electric Maintenance Corporation in the amount of \$6,803,703.96 for the construction of the Broadway Pedestrian and Traffic Signals Improvements Project (PIN#8005.26 and PIN#8758.75); and

WHEREAS, Verde Electric Maintenance Corporation has submitted Change Order No. 1 to the construction contract adding \$988,968.04 for additional work related to stamped colored concrete, colored curb ramp ground mounted traffic signal cabinet bases, and utility conflicts; and

WHEREAS, funding for Change Order No. 1 will be derived from a federal aid local agreement with the New York State Department of Transportation (NYSDOT) providing an 80% grant and 20% local match from the City's allocation of NYSDOT CHIPS funds; the same being in the best interests of the City of Newburgh;

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Newburgh, New York that the City Manager be and he hereby is authorized to execute Change Order No. 1 with Verde Electric Maintenance Corporation increasing the total contract amount by \$988,968.04 from \$6,803,703.96 to \$7,792,671.30 in the Broadway Pedestrian and Traffic Signals Improvements Project (PIN#8005.26 and PIN#8758.75).

Attn. Mr. Chad M. Wade, R.L.A. Superintendent of Public Works
City of Newburgh Engineer, Sponsor

*Re: Project: PIN No. 8005.26 and 8758.75 Broadway Pedestrian and Traffic Signal Improvements
City of Newburgh, Orange County, New York
Change Order 001 w/Verde Construction*

Dear Mr. Wade

WSP recommends acceptance of Change Order 001 with Verde Construction for a net increase to the contract of \$988,968.04 for additional work including stamped colored concrete, colored curb ramps, ground mounted traffic signal cabinet bases and additional work related to utility conflicts. The additional project costs are being offset by project savings through the reduction in unit items, and from additional grant funds secured by the City from the Orange County Transportation Council. The additional costs associated with this change order will result in a revised contract amount of \$7,792,671.30.

Please find attached the following:

1. CONR 104 – Authorization of Extra Work
2. Appia Change Order 001 Details
3. CO 001 Analysis Sheet
4. Verde Agreed Price Packages

Very truly yours,

Attn. Mr. Chad M. Wade, R.L.A. Superintendent of Public Works
City of Newburgh Engineer, Sponsor

*Re: Project: PIN No. 8005.26 and 8758.75 Broadway Pedestrian and Traffic Signal Improvements
City of Newburgh, Orange County, New York
Change Order 001 w/Verde Construction*

Dear Mr. Wade

WSP recommends acceptance of Change Order 001 with Verde Construction for a net increase to the contract of \$988,968.04 for additional work including stamped colored concrete, colored curb ramps, ground mounted traffic signal cabinet bases and additional work related to utility conflicts. The additional project costs are being offset by project savings through the reduction in unit items, and from additional grant funds secured by the City from the Orange County Transportation Council. The additional costs associated with this change order will result in a revised contract amount of \$7,792,671.30.

Please find attached the following:

1. CONR 104 – Authorization of Extra Work
2. Appia Change Order 001 Details
3. CO 001 Analysis Sheet
4. Verde Agreed Price Packages

Very truly yours,
WSP USA Inc.

Arlisa McGrath, Resident Engineer

Change Order Details

PINS 8005.26 & 8758.75 BROADWAY PTS

Description CITY OF NEWBURGH PINS 8005.26 & 8758.75 BROADWAY PEDESTRIAN AND TRAFFIC SIGNAL IMPROVEMENTS

Prime Contractor Verde Electric

Change Order 1

Status Pending

Date Created 06/18/2025

Type Added work to contract

Summary New Items

Change Order Description

This Change Order is being created to add new item for test pits at proposed Traffic Signal Foundations due to existing underground utility conflicts unknown at time of design as well as a new item for Microcomputer Traffic Control Cabinet Bases due to a design change to install the Traffic Signal Cabinets on the ground in lieu of on the Traffic Signal Poles and a new item for changing curb ramps to include colored concrete at locations within the historical district of Newburgh.

Awarded Project Amount \$6,803,703.26

Authorized Project Amount \$6,803,703.26

Change Order Amount \$988,968.04

Revised Project Amount \$7,792,671.30

Increases/Decreases

Section: 1 - Share #1									
0080	207.22	SY	\$18.090	402.800	\$7,286.65	-402.800	-\$7,286.65	0.000	\$0.00
GEOTEXTILE DRAINAGE									

Reason: This decrease to the contract quantity is due to the elimination of this item from the contract.

Funding Details

0180	490.3	SY	\$75.370	258.400	\$19,475.61	-258.400	-\$19,475.61	0.000	\$0.00
MISCELLANEOUS COLD MILLING OF BITUMINOUS CONCRETE									

Reason: This decrease to the contract quantity is the result of the elimination of this work from the contract.

Funding Details

0290	608.0101	CY	\$1,055.090	524.400	\$553,289.20	-400.000	-\$422,036.00	124.400	\$131,253.20
CONCRETE SIDEWALKS AND DRIVEWAYS									

Reason: This decrease to the contract quantity is the result of this item being replaced with stamped colored concrete throughout the historical district as required by the City of Newburgh. The remaining quantity exceeds the anticipated amount required to complete work on the project and will be finalized in a future Change Order. Furthermore, this

Line Number	Item ID	Unit	Unit Price	Quantity	Current	Amount	Quantity	Change	Amount	Quantity	Revised	Amount
-------------	---------	------	------------	----------	---------	--------	----------	--------	--------	----------	---------	--------

decrease results in a Major Item underrun beyond the threshold for renegotiation, however the contractor has agreed to accept the original bid price for the remaining work, per the attached concurrence letter.

Funding Details												
	Share # 1			524.400		\$553,289.20	-400.000		-\$422,036.00	124.400		\$131,253.20

Test Pit Excavation (Changed Condition)

Reason: This NEW item is being added to the contract to facilitate payment to the contractor for the test pits required at proposed traffic signal poles per SS 680-3.10A. These test pits require deeper excavation and additional manpower to reach the full depth of the Type M Foundations, which are 12'-6" deep with a 4.0' diameter. This project has utilities at varying depths from 3.0' to 11.0' deep. The limited information from the utility owners was either inaccurate or incomplete at the time of design phase and could not be accurately reflected in the contract plans. All provisions of Standard Specification Section 206 shall apply, except that payment shall be made by this Agreed Price.

Contract Bid Amount: \$6,803,703.96			Contract Current Amount: \$6,803,703.96		
Estimated Increase Due to this Change: \$2,384,684.40					
<p>Description of Proposed Extra Work: New Agreed Price items for stamped colored concrete sidewalks and colored ADA Ramps; stamped colored concrete was not included in the original design as required in the historical district of downtown Newburgh. Test Pits - additional test pits were required for Traffic Signal Pole deep foundation installation due to unforeseen underground utility changed conditions. The traffic signal pole mounted microcomputer cabinet was changed to a ground mounted cabinet and will require the cabinet base. The new items added below will be offset by items of work that will be eliminated -</p> <p>950.04A - Stamped Colored Concrete 950.0401A - Colored Concrete for Type 1 Curb Ramp w/sealer and slip resistance 950.0402A - Colored Concrete for Type 9 Curb Ramp w/sealer and slip resistance 950.0403A - Colored Concrete for Type 11 Curb Ramp w/sealer and slip resistance 206.05A - Test Pit Excavation (Changed Conditions - underground utilities) 680.80324603A - Microcomputer Traffic Control Cabinet Base (Painted)</p> <p>See see page 3 for spreadsheet breakdown of items to be eliminated to offset new items added</p>

Terms and Conditions
Any purchase order sent by Buyer and not signed by an authorized representative of Seller will be invalid, regardless of commencement of delivery.

* This offer is expressly limited to and expressly made conditional on Buyer's acceptance of these terms and conditions and a copy of the Completed Job Application for Estimation of Credit available at www.cranesville.com/price/BuyerApplication.pdf shall apply to any contract terms and conditions contained in any purchase order or any other document sent by Seller. Seller will not accept terms of any purchase order, which the order is by its face terms and conditions of a separate and distinct agreement.

* All invoices are due net thirty (30) days from delivery of order; invoices remaining due beyond thirty (30) days shall bear an 18% per annum finance charge.

* Seller's delivery of goods to Buyer is subject to Buyer's acceptance of this offer in the absence of Buyer's written signature.

* Seller's warranty is limited to full refund of purchase price.

* This offer is not contingent upon Seller's ability to obtain or obtain other means beyond our control. Access to the project and to deliver of delivery to access must be such that normal delivery is not impeded. In the event of weather related delays or access issues under Seller's control, the Seller reserves the right to stop deliveries if necessary or appropriate and to reschedule deliveries. The Buyer assumes all liability for damages to adjacent structures or other property beyond the curb line and against the Seller against all liability loss and expenses incurred as a result of such delays including damages to Seller's equipment and loss of time.

* The products have been designed to obtain the indicated compressive strength in accordance with its registered testing methods and standards. Seller will not be liable for any delay or delay due to variables such as mixing time, placing methods, weather, handling after placement, addition of outside materials by Buyer or request of Buyer, such as water, and other variables beyond the control of the Seller. Seller hereby disclaims any liability and/or warranty, expressed or implied, should the Buyer or not use proper testing, placing and curing methods (ACI 308R). Upon delivery, it is the Buyer's responsibility to confirm the correct product or material has been delivered. There will be no credit or adjustment to billing for incorrect material incorporated into the work.

* Sales tax will be applied to Seller invoice(s) unless appropriate documentation is received before ordering product.

* Prices are based on All Inclusive (21%NY). A short load will be charged on orders less than 7 yds. (Contact Seller for a copy of the rates). A balance on a plus order is one load of ten yards or less.

* Heating or cooling of concrete is not included in product price.

* If work is used on any job, an environmentally approved location must be available for a truck to mix.

* Hours of operation Monday - Friday 7:00 AM - 1:30 PM, Saturday 8 AM - 12 PM. Contact Seller for delivery schedule of this hour.

* All products that are ordered and are not listed on this quote will be billed at the standard price.

* Delivery times and truck spacing or targets Seller offers for but does not guarantee due to the demands of the industry.

* Truck time will be charged after the stated 4 minutes per yard per truck of the rate as listed in the "Additional Products and Services" schedule. Truck time is calculated by truck, "All Job" until "Stop Job".

* All ordered prices are subject to price fluctuations due to demand and/or fuel cost increases.

* The above pricing is based on the project's total yardage and specified mixes. Seller and other method of producing components reserve the right to price based on changes in quantity and/or mix or abnormal factors. All quoted products are standard mix designs unless specifications have been provided prior to quotation.

* Waiver of Consequential Damages: For charges for goods and valuable acid dewater, and as a condition of purchase, Seller agrees to limit any and all damages including direct, indirect, or consequential damages, including result of such as property damage, lost profits, lost work caused or created by non-repairing or defective product provided by Seller.

* The "Expiration Date" values of terms and pricing listed. Standard pricing will apply thereafter.

Price not enforceable by Buyer if not signed within 16 days of receipt. Please sign offer and return before ordering.

950.04A - STAMPED/IMPRINTED COLORED CONCRETE SIDEWALK

950.0401A - COLORED CONCRETE FOR TYPE 1 CURB RAMP

950.0402A - COLORED CONCRETE FOR TYPE 9 CURB RAMP

950.0403A - COLORED CONCRETE FOR TYPE 11 CURB RAMP

DESCRIPTION

The work shall consist of furnishing and installing colored, imprinted, or colored and imprinted Portland cement concrete sidewalks as shown on the contract documents and as directed by the Engineer.

MATERIALS

The following sections of the standard specifications shall apply:

Sidewalks, Driveways, Bicycle Paths and Vegetation Control Strips 608-2

The following ASTM Specifications shall apply:

Standard Specification for Pigments for Integrally Colored Concrete C979

Integral Color Concrete Admixture

The color shall be as indicated in the City of Newburgh Standard Details and Notes, approved June 19, 2025, U28 Charcoal or Approved Equal. Unless otherwise approved, the pigment shall be from the same batch or lot for each color used.

All colored and/or colored imprinted concrete shall be sealed with Butterfield Clear-Guard Pro 350 Cure and Seal mixed with clear guard Slip-Resistant additive for increased slip resistance or approved equal.

Color admixtures for integrally colored concrete shall be:

- certified by the manufacturer as meeting the requirements of ASTM C979. The Contractor shall provide the manufacturer's certification verifying that the colored concrete admixture meets ASTM C979.
- added to the concrete mix per manufacturer's recommendations at a dosage rate to achieve the color specified in the contract documents; the manufacturer's recommended maximum dosage rate shall not be exceeded.
- packaged so that each dose is the proper dose for 1 cubic yard of concrete.

Imprinted Concrete

Use imprinting tools capable of imprinting the surface of the concrete with a uniform and aligned pattern and/or texture. Use a clear release agent as specified by the imprinting tool manufacturer. These materials shall be approved before their use. Formliners shall be composed of elastomeric urethane, polyvinyl chloride (PVC) or ABS material designed for their intended shape and number of reuses to achieve the desired pattern. Formliners shall not be worn, damaged, compromise the desired patterning effect, or cause damage to the concrete during form removal.

- 950.04A - STAMPED COLORED CONCRETE SIDEWALK
- 950.0401A - COLORED CONCRETE FOR TYPE 1 CURB RAMP
- 950.0402A - COLORED CONCRETE FOR TYPE 9 CURB RAMP
- 950.0403A - COLORED CONCRETE FOR TYPE 11 CURB RAMP

Colored Concrete

Colored Concrete shall receive a broom finish and receive the same sealer and non-slip additive as required by the City of Newburgh Specification and as recommended by the manufacturer at all pedestrian facility curb ramps

Color Matching Joint Material

When specified for any location, use a color-matched caulking compound designed for joint sealing.

CONSTRUCTION DETAILS

The following sections of the standard specifications shall apply:

Sidewalks, Driveways, Bicycle Paths and Vegetation Control Strips 608-3
with the following modifications:

City of Newburgh Standard Detail – Approved June 19, 2025, apply.

Contractor Qualifications:

Per §105-02, The Contractor shall have sufficient skill and experience to properly perform colored and imprinted concrete work.

Test Panels:

The Contractor shall construct job site test panel(s) as follows:

The test panel(s) shall:

- be at least 3 feet x 3 feet,
- be constructed at a selected location,
- include one job site test panel for review and approval for each individual pattern, color, or color and pattern specified in the contract documents and
- not be incorporated into the work and be removed when ordered.

Additional test panels may be requested as needed to receive approval. The Contractor must receive approval of the test panel(s) before preparing the final-colored concrete batch. The permanent work shall be produced using the same methods used in the approved test panel and consistent with the appearance of the approved test panel(s).

950.04A – STAMPED COLORED CONCRETE SIDEWALK

950.0401A – COLORED CONCRETE FOR TYPE 1 CURB RAMP

950.0402A – COLORED CONCRETE FOR TYPE 9 CURB RAMP

950.0403A - COLORED CONCRETE FOR TYPE 11 CURB RAMP

Test Panel Approval: The Contractor shall notify the Engineer:

- one week before producing the test panel(s), and
- when the test panel(s) is in place and ready for review.

After being notified, the Department will have one week to review the test panel and convey to the Contractor whether the test panel(s) has been approved.

Color Concrete Admixture

Add the integral color admixture at the manufacturer's recommended dosage rate. This rate is to remain constant for all batches of concrete produced. Before placing concrete, the Contractor shall protect adjacent surfaces and structures from spatters. Once a portion of the batch has been placed, no additional water shall be added to the remaining batch.

To integrally color the concrete, introduce the color additive into the mixer drum as the manufacturer recommends. The quantity of concrete being delivered shall be at least one-third the capacity of the mixer drum. Batch the concrete in full cubic yard increments.

Architectural Patterned and Textured Concrete: The Contractor shall:

- screed concrete to the finished grade and apply the release agent evenly over the entire imprinting tool. Using methods recommended by the manufacturer, apply pre-approved imprinting tools to the surface while the concrete is still plastic. The requirement for a lightly broomed surface is waived.
- unless otherwise specified, score or saw cut the surface to a minimum depth of $\frac{1}{4}$ the thickness of the slab at intervals that are consistent with the architectural pattern or as indicated in the contract documents. If the saw cut option is used, the Contractor shall be responsible for performing the saw cut operation at such time as to minimize the possibility of spalling and/or cracking.
- tool the edges, joints and scored areas in a manner consistent with the imprinting pattern.

Within 24 hours, remove release agent with pressure wash and apply the pre-approved sealer, and slip resistant additive recommended by the coloring manufacturer, at a rate consistent with the manufacturer's specifications.

950.04A – STAMPED COLORED CONCRETE SIDEWALK

950.0401A – COLORED CONCRETE FOR TYPE 1 CURB RAMP

950.0402A – COLORED CONCRETE FOR TYPE 9 CURB RAMP

950.0403A - COLORED CONCRETE FOR TYPE 11 CURB RAMP

Color Matching Joint Material

Install pre-molded resilient joint filler (§705-07) where the sidewalk line intersects a building, walk, permanent structure, or other designated location to within 1 inch of the top of the slab.

Caulk the top 1 inch of the joint with color-matched caulking compound Color Matching Joint Material SikaSil – 728 SL Charcoal Gray or Approved Equal.

METHOD OF MEASUREMENT

The work will be measured as the number of cubic yards, to the nearest 0.1 cubic yard of colored, imprinted, or colored and imprinted Portland cement concrete sidewalk installed.

Pedestrian facility ADA Ramps will be measured as the number of each completed of colored Portland cement installed.

BASIS OF PAYMENT

The unit bid price per cubic yard of colored, imprinted, or colored and imprinted Portland cement concrete sidewalk furnished and installed shall include the cost of all labor, equipment, and materials necessary to satisfactorily complete the work.

The unit bid price per each ADA Ramp colored, Portland cement concrete ADA Ramp furnished and installed shall include the cost of all labor, equipment, and materials necessary to satisfactorily complete the work.

The cost of construction and removal of the test panel(s) will be included in the price bid for the specified item(s).

Payment will be made under:

Letter of Concurrence

Dear Arlisa:

Verde Electric Maintenance Corp. accepts the agreed price for:

Item No.:	950.0401
Item Description:	Colored Concrete for Type 1 Curb Ramps with Pro350 Sealer and Slip Resistance
Quantity:	46ea
Unit Price:	\$9,200.46
Total Extension:	\$423,221.16
Item No.:	950.0402
Item Description:	Colored Concrete for Type 9 Curb Ramps with Pro350 Sealer and Slip Resistance
Quantity:	2ea
Unit Price:	\$10,633.72
Total Extension:	\$21,267.44
Item No.:	950.0403
Item Description:	Colored Concrete for Type 11 Curb Ramps with Pro350 Sealer and Slip Resistance
Quantity:	2ea
Unit Price:	\$9,757.19
Total Extension:	\$19,514.38

Please do not hesitate to contact me if you have any questions.

Very truly yours,
Verde Electric Maintenance Corp.

Robert Craig

Terms and Conditions	
Any purchase order sent by buyer and not signed by an authorized representative of seller will be invalid, regardless of commencement of delivery.	
<ul style="list-style-type: none"> This offer is expressly limited to and expressly made conditional on buyer's acceptance of these terms and conditions and a copy of the Consolidated Joint Application for Extension of Credit available at www.cranesville.com/creditapp. Some apply to any contract terms and conditions contained in any purchase order or any other document sent by buyer. Seller will not accept terms of any purchase order which incorporate by reference terms and conditions of a separate and different contract. All trucks are a driver only (30) days from delivery or 30 days from receipt of request for delivery beyond 30(30) days will incur an 11% per month convenience charge. Seller's delivery of goods to buyer occurs at buyer's acceptance of this offer in the absence of buyer's written signature. Seller's warranty is limited to materials of purchase price. This offer is not contingent upon delivery, date, quantity of time, cost of load and/or other costs beyond our control. Access to the project and individual delivery locations must be such that normal delivery routes (open, hauled, bridge or trailer hauler levels) can maintain under driver's power at all times. The seller reserves the right to stop deliveries if roadways or approaches are unsatisfactory to him/her. The buyer assumes all liability for damage to sidewalks, driveways or other property beyond the curb line and agrees to indemnify the seller against all liability loss and expenses incurred as a result of such delivery including damage to seller's equipment and loss of time. The products have been designed to attain the indicated compressive strength in accordance with accepted lifting methods and standards. Field tests may differ substantially due to variables such as working time, placing methods, weather, handling, other placement, addition of water in excess by buyer or its agent or buyer, such as water, and other variables beyond the control of the seller. The seller hereby disclaims any liability and/or warranty, expressed or implied, that the buyer will use proper lifting, placing and curing methods (ACI-ASTM) upon delivery. It is the buyer's responsibility to ensure the correct product or mix has been delivered. There will be no credit or adjustment to billing for incorrect material incorporated into the work. 	<ul style="list-style-type: none"> Sales tax will be applied to take trucks(s) when appropriate documentation is received before unloading product. Prices are based on All Inroads (71927). A load load will be charged on orders less than 7 yds (Contact seller for a copy of the rates). A tolerance on a pile or curb area load of 1/4 yard or less. Waiting or cooling of concrete is not included in order price. If color is used on any job, an environmentally approved location must be available for a truck to turn. Hours of operation Monday - Friday 7:00 AM-4:30 PM, Saturday 8 AM - 12 PM. Contact rates for deliveries outside of these hours. All products that are ordered and are not listed on this quote will be billed at the standard price. Delivery times and truck spacing are targets set by seller but does not guarantee due to the demands of the industry. Lock time will be charged after the agreed 4 minute per yard per truck, at the rate set forth in the "Additional Products and Services" schedule. Truck time is calculated by truck "All Job" until "Stop Four." All offered prices are subject to price increases due to increased cost of fuel and coal increases. The above pricing is based on the project's total yardage and specified order. Seller and other material producing companies reserve the right to re-price based on changes in quantity or delivery or extension factors. All quoted prices are standard mix unless otherwise specified and have been provided prior to quotation. Waiver of Consequential Damages: The above list of goods and materials could be used, and as a condition of purchase, waives against seller any and all damages arising directly, or as a consequence of, from any producting defective or conforming goods. Such waiver shall include damages arising as a direct or indirect result of such or property damage, its ongoing work caused or needed by non-conforming or defective product provided by seller. The "Expiration Date" includes all terms and pricing listed. Standard pricing will apply thereafter.

Price not enforceable by buyer if not signed within 15 days of receipt. Please sign offer and return before ordering.

Terms and Conditions	
Any purchase order sent by Buyer and not signed by an authorized representative of Seller will be invalid, regardless of commencement of delivery.	
<p>1 This offer is expressly limited to and expressly made conditional on buyer's acceptance of these terms and conditions and (a copy of the Consolidated Joint Application for Extension of Credit available at www.cranesville.com/pdf/offer_app.pdf). These subjects to any additional terms and conditions contained in any purchase order or any other document sent by buyer. Seller will not accept terms of any purchase order, which incorporate by reference terms and conditions of a separate and distinct agreement.</p> <p>2 All trucks are due (11:00 AM) days from delivery of order, unless otherwise designated beyond 60 days (15) days shall be for an 11% per annum finance charge.</p> <p>3 Seller's delivery of goods to buyer constitutes buyer's acceptance of this offer in the absence of buyer's written signature.</p> <p>4 Seller's warranty is limited to full refund of purchase price.</p> <p>5 This offer is not contingent upon state, city, authority of law, acts of God and/or other causes beyond our control. Access to the project and to desired delivery routes must be such that normal delivery routes, boom trucks, hi-cube or bucket loader trucks can maneuver in under their own power at all times. The Seller reserves the right to stop deliveries if roadways or approaches are unusable due to highway, the buyer assumes all liability for damage to sidewalks, driveways or other property beyond the curb line and agrees to indemnify the Seller against all liability, loss and expenses incurred as a result of such deliveries including damage to Seller's equipment and loss of time.</p> <p>6 The products hereinafter described to conform to standard industry construction practices in accordance with recognized testing methods and standards. All materials may differ substantially due to variations such as weather, time, planting methods, weather, handling after placement, addition of water, moisture by buyer or liquid of buyer, such as water, and other variables beyond the control of the Seller. The Seller hereby disclaims any liability and/or warranty, expressed or implied, should the buyer not use proper mixing, placing and curing methods (ACI-308). Upon delivery, it is the buyer's responsibility to confirm the correct product or mix has been delivered. There will be no credit or adjustment to billing for incorrect material incorporated into the work.</p>	<p>7 Sales tax will be applied to seller trucks (1) unless appropriate documentation is received before ordering product.</p> <p>8 Prices are based on full truckloads (71/2 CY). A short load will be charged on orders less than 7 yds (Contact sales for a copy of the bid #1). A tolerance on plus orders one load of 1/2 yards exists.</p> <p>9 Heating or cooling of concrete is not included in product price.</p> <p>10 If color is used on any job, an environmentally approved location must be available for a truck to dump.</p> <p>11 Hours of operation Monday - Friday 7:00 AM-4:30 PM, Saturday 8 AM - 12 PM. Contact sales for delivery schedule of these hours.</p> <p>12 All products that are ordered and are not listed on this quote will be billed at the standard price.</p> <p>13 Delivery times and truck spacing or a target delivery times for bid does not guarantee due to the demands of the industry.</p> <p>14 Truck time will be charged after the allotted 4 minutes per yard per truck at the rate as listed in the "ASSIGNED PRODUCTS AND SERVICES" schedule. Truck time is controlled by truck "Job" limit "Hog Out".</p> <p>15 Adjusted prices are subject to price increases (1) due to demand and/or fuel cost increases.</p> <p>16 The above pricing is based on the product's total yardage and specified mixes. Seller and other material producing companies retains the right to re-price based on changes in quantity, color, mix, or a different loader. All quoted products are standard mix design unless specifications have been provided prior to quotation.</p> <p>17 Waiver of consequential damages, for charges, for good and valuable consideration, and as a condition of purchase, waives against Seller any and all damages, arising directly, or as a consequence of, Seller's providing defective or non-conforming goods. Such waiver shall include damages arising as a direct or indirect result of such or property damage, to adjusting work covered or needed by non-conforming or defective product provided by Seller.</p> <p>18 The "Expiration Date" includes all terms and pricing listed. Standard pricing will apply thereafter.</p>

Price not enforceable by Buyer if not signed within 15 days of receipt. Please sign offer and return before ordering.

Terms and Conditions
Any purchase order sent by buyer and not signed by an authorized representative of Seller will be invalid, regardless of commencement of delivery.

* This offer is expressly limited to and expressly made conditional on buyer's acceptance of these terms and conditions and a copy of the Consolidated Joint Application for Extension of Credit available at <http://www.cranesville.com/tech/Est/Order/Order.pdf>. These apply to any payment terms and conditions contained in any purchase order or any other document sent by Seller. Seller will not accept items of any purchase order which incorporate by reference terms and conditions of a supplier and distributor's contract.

* All loads to be delivered (NO) days from delivery or (NO) inches remaining to be delivered (NO) days shall bear an 18% per centum charge.

* Seller's delivery of goods to buyer constitutes buyer's acceptance of this offer in the absence of buyer's written signature.

* Seller's warranty limit is a full refund of purchase price.

* This offer is not contingent upon delivery, date, authority of law, acts of God and/or other causes beyond our control. Access to the project and individual delivery to sites must be established around delivery of mixed, boom, bucket, bucket or bucket trailer trucks can maneuver under full own power at all times. The Seller reserves the right to stop deliveries if roadways or approaches are unsatisfactory to him/her. The buyer assumes all liability for damage to roads, work, driveways or other property beyond the curb line and agrees to hold Seller against all liability loss and expenses incurred as a result of such deliveries including damage to Seller's equipment and loss of time.

* The products have been designed to obtain the indicated compressive strength in accordance with recognized testing methods and standards. Test results may differ substantially due to a variety of such as working time, placing methods, weather, handling after placement, addition of outside materials by buyer or its agent or buyer, such as water, and other variables beyond the control of the Seller. The Seller hereby disclaims any liability and/or warranty, express and implied, should the buyer not use proper mixing, placing and curing methods (ACI-318M). Upon delivery, it is the buyer's responsibility to confirm the correct product or mix has been delivered. There will be no credit or adjustment in billing for incorrect material incorporated into the work.

* Sales tax will be applied to Seller invoice(s) unless appropriate documentation is received before ordering product.

* Prices are based on full truckloads (74 CY). A short load will be charged on orders less than 7 yds (Contact Seller for a copy of the rules). A tolerance on weight orders is one load of 10 yards or less.

* Heating or cooling of concrete is not included in product price.

* If color is used on any job, an environmentally approved location must be available for a truck to mix.

* Hours of operation: Monday - Friday 7:00 AM-4:30 PM, Saturday 8 AM - 12 PM. Contact sales for delivery outside of these hours.

* All products listed are ordered and as a not listed on this quote will be billed at the standard price.

* Delivery times and truck spacing are targeted Seller strives for but does not guarantee due to the demands of the industry.

* Truck time will be charged after the allotted 4 minutes per yard per truck of the rate set forth in the "Additional Products and Services" schedule. Truck time is calculated by truck "At Job" and "Stop Four."

* All offered prices are subject to price fluctuations due to cement and other cost increases.

* The above pricing is based on the project's total yardage and specified mixes. Seller and other noted producing companies reserve the right to re-price based on changes in quantity, conditions, or a change in location. All quoted products are standard mix designs unless specified otherwise. Seller has been provided a price to quotation.

* Waiver of Consequential Damages: For choice, for good and valuable consideration, and as a condition of purchase, buyer agrees to release Seller and all damages arising directly or as a consequence of, Seller providing defective or non-conforming goods. Such waiver shall include damages arising as a direct or indirect result of costs or property damage, to performing work covered or created by non-conforming or defective product provided by Seller.

* The "Effective Date" includes all items and pricing listed. Standard pricing will apply thereafter.

Price not enforceable by buyer if not signed within 15 days of receipt. Please sign offer and return before ordering.

Verde Electric
Attention: Richie Dileonardo
89 Edison Ave
Mt. Vernon, NY

Via email: rdileonardo@verdeelectric.com

Subject: 2025 Hydrovac PW Rates

Dear Richie,

We agree to provide a hydro-trencher with 2-man crew as directed by your company. The large Hydrovac units we currently own are a 5400 CFM and 6400 CFM units (largest non-stationary units on the market today). They both have the capability to work down to depths of 60 feet deep and remote excavations up to 600 feet away from the truck. Low volume water 4-9 GPM, high pressure up to 6000-PSI cold water and 4500-PSI hot water. A spinner tip is always used on the end of our water lance to prevent a direct stream of water from damaging a utility that may be encountered while using high-pressure water.

Hydro excavator with 2-man crew - \$450.00 per hour onsite (7AM-3PM, Mon - Fri)
Hydrovac travel/mobilization - \$300/hour
Dump fee-\$300.00 per load if our dump site is utilized

Assumptions made developing this proposal:

- Certified prevailing wage is included and will be paid to HEI employees onsite
- Soil is conducive to vacuum excavation.
- No contaminated soil.
- Customer will provide Shoring for safe excavation

Thank you for allowing me to provide a proposal to you for this project. If you have any questions, please feel free to call me at (845) 742-1710

Hydrovac Excavating Inc.

ITEM 680.80324603 - MICROCOMPUTER TRAFFIC CONTROL CABINET BASE

DESCRIPTION:

Under this item the Contractor shall furnish and install a microcomputer traffic signal cabinet base.

The microcomputer traffic signal cabinet base shall be a sheet aluminum base unit designed for use in mounting a NYS Model 330 Microcomputer Traffic Signal Cabinet to a concrete pad for base mounted traffic signal installations.

The base shall be designed to be bolted to a concrete pad using anchor bolts, with the Model 330 cabinet then bolted to the base. Field wiring, detector wiring, etc. are to be brought into and out of the cabinet through the round hole in the top of the base.

MATERIALS:

The base shall be constructed of 5052-H32 aluminum, with full weld seams and shall conform in all respects to the attached drawing.

The top plate of the base shall be constructed of 3/16 inch aluminum and shall have one (1) 8 inch hole cut into it, as shown on the attached drawing.

The base plate of the cabinet shall be constructed of approximately 3/16 inch aluminum and shall be constructed to form a flange with the sides so that the bottom of the base is completely open. Four (4) 1 1/4 inch anchor bolt holes shall be cut into the base plate as shown on the attached drawing.

The sides of the base shall be constructed of 3/16 inch aluminum. A door shall be constructed in the front of the base attaching a piece of 1/4 inch aluminum inside the base to form a 1 inch lip. The door shall be constructed of 3/16 inch aluminum and shall fit flush to the front of the base, against the lip. The door shall be secured at the top and bottom with 1/4 inch Allen screws.

A 1/2 - 13 NC hex nut to be used for grounding purposes shall be welded to the inside of the front of the base (see drawing).

The base shall be of untreated and unpainted aluminum.

CONSTRUCTION DETAILS:

The requirements of Section 680-3 of the Standard Specifications shall apply.

METHOD OF MEASUREMENT:

This work shall be measured as the number of microcomputer traffic signal cabinet bases installed.

BASIS OF PAYMENT:

The unit price for each microcomputer traffic signal cabinet base installed shall include the cost of all labor, materials and equipment necessary to complete the work. Attach detail from library copy.

RESOLUTION NO.: _____ 99 _____ - 2026

OF

MAY 11, 2026

A RESOLUTION AUTHORIZING THE CITY MANAGER TO EXECUTE
MASTER FEDERAL-AID LOCAL PROJECT SUPPLEMENTAL AGREEMENT NO. 1
WITH THE NEW YORK STATE DEPARTMENT OF TRANSPORTATION
AUTHORIZING THE IMPLEMENTATION, AND FUNDING IN THE FIRST
INSTANCE 100% OF THE FEDERAL-AID AND STATE "MARCHISELLI" PROGRAM-AID
ELIGIBLE COSTS, OF A TRANSPORTATION FEDERAL-AID PROJECT, AND
APPROPRIATING FUNDS THEREFORE
IN THE TRAFFIC SIGNAL UPGRADES PROJECT (PIN 8758.75)

WHEREAS, a Project for the City of Newburgh Traffic Signal Upgrades in the City of Newburgh, Orange County, PIN 8758.75 (the "Project") is eligible for funding under Title 23 U.S. Code, as amended, that calls for the apportionment of the costs such program to be borne at the ratio of 80% Federal funds and 20% non-federal funds; and

WHEREAS, the City of Newburgh desires to advance the Project by making a commitment of 100% of the non-federal share of the costs of Construction and Construction Inspection;

NOW, THEREFORE, the Newburgh City Council, duly convened does hereby

RESOLVE, that the Newburgh City Council hereby approves the above-subject project; and it is hereby further

RESOLVED, that the Newburgh City Council hereby authorizes the City of Newburgh to pay in the first instance 100% of the federal and non-federal share of the cost of Construction and Construction Inspection work for the Project or portions thereof; and it is further

RESOLVED, that the sum of \$2,621,000 (\$2,788,000 minus the previous \$167,000) is hereby appropriated from the City's allocation of NYSDOT CHIPS funds and made available to cover the cost of participation in the above phase of the Project; and it is further

RESOLVED, that in the event the full federal and non-federal share costs of the project exceeds the amount appropriated above, the Newburgh City Council shall convene as soon as possible to appropriate said excess amount immediately upon the notification by the City Manager thereof, and it is further

RESOLVED, that the City Manager of the City of Newburgh be and is hereby authorized to execute all necessary Agreements, certifications or reimbursement requests for Federal Aid and/or applicable Marchiselli Aid on behalf of the City of Newburgh with the New York State

27. Admissibility of Contract	7

STANDARD CLAUSES FOR NYS CONTRACTS

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, "the contract" or "this contract") agree to be bound by the following clauses which are hereby made a part of the contract (the word "Contractor" herein refers to any party other than the State, whether a contractor, licensor, licensee, lessor, lessee or any other party):

1. EXECUTORY CLAUSE. In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.

2. NON-ASSIGNMENT CLAUSE. In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State's previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller's approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

3. COMPTROLLER'S APPROVAL. In accordance with Section 112 of the State Finance Law, if this contract exceeds \$50,000 (or \$75,000 for State University of New York or City University of New York contracts for goods, services, construction and printing, and \$150,000 for State University Health Care Facilities) or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds \$25,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller's approval of contracts let by the Office of General Services, either for itself or its customer agencies by the Office of General Services Business Services Center, is required when such contracts exceed \$85,000. Comptroller's approval of contracts established as centralized contracts through the Office of General Services is required when such contracts exceed \$125,000, and when a purchase order or other procurement transaction issued under such centralized contract exceeds \$200,000.

4. WORKERS' COMPENSATION BENEFITS. In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

5. NON-DISCRIMINATION REQUIREMENTS. To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment, nor subject any individual to harassment, because of age, race, creed, color, national origin, citizenship or immigration status, sexual orientation, gender identity or expression, military status, sex, disability, predisposing genetic characteristics, familial status, marital status, or domestic violence victim status or because the individual has opposed any practices forbidden under the Human Rights Law or has filed a complaint, testified, or assisted in any proceeding under the Human Rights Law. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of \$50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

6. WAGE AND HOURS PROVISIONS. If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in

accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-a of Section 220 of the Labor Law shall be a condition precedent to payment by the State of any State approved sums due and owing for work done upon the project.

7. NON-COLLUSIVE BIDDING CERTIFICATION. In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

8. INTERNATIONAL BOYCOTT PROHIBITION. In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds \$5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2 NYCRR § 105.4).

9. SET-OFF RIGHTS. The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Comptroller.

10. RECORDS. The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, the "Records"). The Records

must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the State's right to discovery in any pending or future litigation.

11. IDENTIFYING INFORMATION AND PRIVACY NOTIFICATION. (a) Identification Number(s). Every invoice or New York State Claim for Payment submitted to a New York State agency by a payee, for payment for the sale of goods or services or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property must include the payee's identification number. The number is any or all of the following: (i) the payee's Federal employer identification number, (ii) the payee's Federal social security number, and/or (iii) the payee's Vendor Identification Number assigned by the Statewide Financial System. Failure to include such number or numbers may delay payment. Where the payee does not have such number or numbers, the payee, on its invoice or Claim for Payment, must give the reason or reasons why the payee does not have such number or numbers.

(b) Privacy Notification. (1) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to the State is mandatory. The principal purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law. (2) The personal information is requested by the purchasing unit of the agency contracting to purchase the goods or services or lease the real or personal property covered by this contract or lease. The information is maintained in the Statewide Financial System by the Vendor Management Unit within the Bureau of State Expenditures, Office of the State Comptroller, 110 State Street, Albany, New York 12236.

12. EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN.

In accordance with Section 312 of the Executive Law and 5 NYCRR Part 143, if this contract is: (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of \$25,000.00, whereby a contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the contracting agency; or (ii) a written agreement in excess of \$100,000.00 whereby a contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon; or (iii) a written agreement in excess of \$100,000.00 whereby the owner of a State assisted housing project is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon for such project, then the following shall apply and by signing this agreement the Contractor certifies and affirms that it is Contractor's equal employment opportunity policy that:

(a) The Contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force on State contracts and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. Affirmative action shall mean recruitment, employment, job assignment, promotion, upgradings, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation;

(b) at the request of the contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein; and

(c) the Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the State contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

Contractor will include the provisions of "(a), (b) and (c)" above, in every subcontract over \$25,000.00 for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the "Work") except where the Work is for the beneficial use of the Contractor. Section 312 does not

apply to: (i) work, goods or services unrelated to this contract; or (ii) employment outside New York State. The State shall consider compliance by a contractor or subcontractor with the requirements of any federal law concerning equal employment opportunity which effectuates the purpose of this clause. The contracting agency shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such federal law and if such duplication or conflict exists, the contracting agency shall waive the applicability of Section 312 to the extent of such duplication or conflict. Contractor will comply with all duly promulgated and lawful rules and regulations of the Department of Economic Development's Division of Minority and Women's Business Development pertaining hereto.

13. CONFLICTING TERMS. In the event of a conflict between the terms of the contract (including any and all attachments thereto and amendments thereof) and the terms of this Appendix A, the terms of this Appendix A shall control.

14. GOVERNING LAW. This contract shall be governed by the laws of the State of New York except where the Federal supremacy clause requires otherwise.

15. LATE PAYMENT. Timeliness of payment and any interest to be paid to Contractor for late payment shall be governed by Article 11-A of the State Finance Law to the extent required by law.

16. NO ARBITRATION. Disputes involving this contract, including the breach or alleged breach thereof, may not be submitted to binding arbitration (except where statutorily authorized), but must, instead, be heard in a court of competent jurisdiction of the State of New York.

17. SERVICE OF PROCESS. In addition to the methods of service allowed by the State Civil Practice Law & Rules ("CPLR"), Contractor hereby consents to service of process upon it by registered or certified mail, return receipt requested. Service hereunder shall be complete upon Contractor's actual receipt of process or upon the State's receipt of the return thereof by the United States Postal Service as refused or undeliverable. Contractor must promptly notify the State, in writing, of each and every change of address to which service of process can be made. Service by the State to the last known address shall be sufficient. Contractor will have thirty (30) calendar days after service hereunder is complete in which to respond.

18. PROHIBITION ON PURCHASE OF TROPICAL HARDWOODS. The Contractor certifies and warrants that all wood products to be used under this contract award will be in accordance with, but not limited to, the specifications and provisions of Section 165 of the State Finance Law, (Use of Tropical Hardwoods) which prohibits purchase and use of tropical hardwoods, unless specifically exempted, by the State or any governmental agency or political subdivision or public benefit corporation. Qualification for an exemption under this

law will be the responsibility of the contractor to establish to meet with the approval of the State.

In addition, when any portion of this contract involving the use of woods, whether supply or installation, is to be performed by any subcontractor, the prime Contractor will indicate and certify in the submitted bid proposal that the subcontractor has been informed and is in compliance with specifications and provisions regarding use of tropical hardwoods as detailed in § 165 State Finance Law. Any such use must meet with the approval of the State; otherwise, the bid may not be considered responsive. Under bidder certifications, proof of qualification for exemption will be the responsibility of the Contractor to meet with the approval of the State.

19. MACBRIDE FAIR EMPLOYMENT PRINCIPLES. In accordance with the MacBride Fair Employment Principles (Chapter 807 of the Laws of 1992), the Contractor hereby stipulates that the Contractor either (a) has no business operations in Northern Ireland, or (b) shall take lawful steps in good faith to conduct any business operations in Northern Ireland in accordance with the MacBride Fair Employment Principles (as described in Section 165 of the New York State Finance Law), and shall permit independent monitoring of compliance with such principles.

20. OMNIBUS PROCUREMENT ACT OF 1992. It is the policy of New York State to maximize opportunities for the participation of New York State business enterprises, including minority- and women-owned business enterprises as bidders, subcontractors and suppliers on its procurement contracts.

Information on the availability of New York State subcontractors and suppliers is available from:

NYS Department of Economic Development
Division for Small Business and Technology Development
625 Broadway
Albany, New York 12245
Telephone: 518-292-5100

A directory of certified minority- and women-owned business enterprises is available from:

NYS Department of Economic Development
Division of Minority and Women's Business Development
633 Third Avenue 33rd Floor
New York, NY 10017
646-846-7364
email: mwbebusinessdev@csd.ny.gov
<https://ny.newnycontracts.com/FrontEnd/searchcertifieddirectory.asp>

The Omnibus Procurement Act of 1992 (Chapter 844 of the Laws of 1992, codified in State Finance Law § 139-i and Public Authorities Law § 2879(3)(n)-(p)) requires that by signing this bid proposal or contract, as applicable, Contractors certify that whenever the total bid amount is greater than \$1 million:

(a) The Contractor has made reasonable efforts to encourage the participation of New York State Business Enterprises as suppliers and subcontractors, including certified minority- and women-owned business enterprises, on this project, and has retained the documentation of these efforts to be provided upon request to the State;

(b) The Contractor has complied with the Federal Equal Opportunity Act of 1972 (P.L. 92-261), as amended;

(c) The Contractor agrees to make reasonable efforts to provide notification to New York State residents of employment opportunities on this project through listing any such positions with the Job Service Division of the New York State Department of Labor, or providing such notification in such manner as is consistent with existing collective bargaining contracts or agreements. The Contractor agrees to document these efforts and to provide said documentation to the State upon request; and

(d) The Contractor acknowledges notice that the State may seek to obtain offset credits from foreign countries as a result of this contract and agrees to cooperate with the State in these efforts.

21. RECIPROCITY AND SANCTIONS PROVISIONS. Bidders are hereby notified that if their principal place of business is located in a country, nation, province, state or political subdivision that penalizes New York State vendors, and if the goods or services they offer will be substantially produced or performed outside New York State, the Omnibus Procurement Act 1994 and 2000 amendments (Chapter 684 and Chapter 383, respectively, codified in State Finance Law § 165(6) and Public Authorities Law § 2879(5)) require that they be denied contracts which they would otherwise obtain. NOTE: As of May 2023, the list of discriminatory jurisdictions subject to this provision includes the states of South Carolina, Alaska, West Virginia, Wyoming, Louisiana and Hawaii.

22. COMPLIANCE WITH BREACH NOTIFICATION AND DATA SECURITY LAWS. Contractor shall comply with the provisions of the New York State Information Security Breach and Notification Act (General Business Law §§ 899-aa and 899-bb and State Technology Law § 208).

23. COMPLIANCE WITH CONSULTANT DISCLOSURE LAW. If this is a contract for consulting services, defined for purposes of this requirement to include analysis, evaluation, research, training, data processing, computer programming, engineering, environmental, health, and mental health services, accounting, auditing, paralegal, legal or similar services, then, in accordance with Section 163 (4)(g) of the State Finance Law (as amended by Chapter 10 of the Laws of 2006), the Contractor shall timely, accurately and properly comply with the requirement to submit an annual employment report for the contract to the agency that awarded the contract, the Department of Civil Service and the State Comptroller.

24. PROCUREMENT LOBBYING. To the extent this agreement is a “procurement contract” as defined by State Finance Law §§ 139-j and 139-k, by signing this agreement the contractor certifies and affirms that all disclosures made in accordance with State Finance Law §§ 139-j and 139-k are complete, true and accurate. In the event such certification is found to be intentionally false or intentionally incomplete, the State may terminate the agreement by providing written notification to the Contractor in accordance with the terms of the agreement.

25. CERTIFICATION OF REGISTRATION TO COLLECT SALES AND COMPENSATING USE TAX BY CERTAIN STATE CONTRACTORS, AFFILIATES AND SUBCONTRACTORS.

To the extent this agreement is a contract as defined by Tax Law § 5-a, if the contractor fails to make the certification required by Tax Law § 5-a or if during the term of the contract, the Department of Taxation and Finance or the covered agency, as defined by Tax Law § 5-a, discovers that the certification, made under penalty of perjury, is false, then such failure to file or false certification shall be a material breach of this contract and this contract may be terminated, by providing written notification to the Contractor in accordance with the terms of the agreement, if the covered agency determines that such action is in the best interest of the State.

26. IRAN DIVESTMENT ACT. By entering into this Agreement, Contractor certifies in accordance with State Finance Law § 165-a that it is not on the “Entities Determined to be Non-Responsive Bidders/Offerers pursuant to the New York State Iran Divestment Act of 2012” (“Prohibited Entities List”) posted at: <https://ogs.ny.gov/iran-divestment-act-2012>

Contractor further certifies that it will not utilize on this Contract any subcontractor that is identified on the Prohibited Entities List. Contractor agrees that should it seek to renew or extend this Contract, it must provide the same certification at the time the Contract is renewed or extended. Contractor also agrees that any proposed Assignee of this Contract will be required to certify that it is not on the Prohibited Entities List before the contract assignment will be approved by the State.

During the term of the Contract, should the state agency receive information that a person (as defined in State Finance Law § 165-a) is in violation of the above-referenced certifications, the state agency will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then the state agency shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

The state agency reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.

27. ADMISSIBILITY OF REPRODUCTION OF CONTRACT. Notwithstanding the best evidence rule or any other legal principle or rule of evidence to the contrary, the Contractor acknowledges and agrees that it waives any and all objections to the admissibility into evidence at any court proceeding or to the use at any examination before trial of an electronic reproduction of this contract, in the form approved by the State Comptroller, if such approval was required, regardless of whether the original of said contract is in existence.

SAMPLE RESOLUTION BY MUNICIPALITY
(Locally Administered Project)
RESOLUTION NUMBER: _____

Authorizing the implementation, and funding in the first instance 100% of the federal-aid and State "Marchiselli" Program-aid eligible costs, of a transportation federal-aid project, and appropriating funds therefore.

WHEREAS, a Project for the City of Newburgh Traffic Signal Upgrades in the City of Newburgh, Orange County, PIN 8758.75 (the "Project") is eligible for funding under Title 23 U.S. Code, as amended, that calls for the apportionment of the costs such program to be borne at the ratio of 80% Federal funds and 20% non-federal funds; and

WHEREAS, the City of Newburgh desires to advance the Project by making a commitment of 100% of the non-federal share of the costs of Construction and Construction Inspection.

NOW, THEREFORE, the Newburgh City Council, duly convened does hereby

RESOLVE, that the Newburgh City Council hereby approves the above-subject project; and it is hereby further

RESOLVED, that the Newburgh City Council hereby authorizes the City of Newburgh to pay in the first instance 100% of the federal and non-federal share of the cost of Construction and Construction Inspection work for the Project or portions thereof; and it is further

RESOLVED, that the sum of **\$2,621,000 (\$2,788,000 minus the previous \$167,000)** is hereby appropriated from _____ [or, appropriated pursuant to _____] and made available to cover the cost of participation in the above phase of the Project; and it is further

RESOLVED, that in the event the full federal and non-federal share costs of the project exceeds the amount appropriated above, the Newburgh City Council shall convene as soon as possible to appropriate said excess amount immediately upon the notification by the City Manager thereof, and it is further

RESOLVED, that the City Manager of the City of Newburgh be and is hereby authorized to execute all necessary Agreements, certifications or reimbursement requests for Federal Aid and/or applicable Marchiselli Aid on behalf of the City of Newburgh with the New York State Department of Transportation in connection with the advancement or approval of the Project and providing for the administration of the Project and the municipality's first instance funding of project costs and permanent funding of the local share of federal-aid and state-aid eligible Project costs and all Project costs within appropriations therefore that are not so eligible, and it is further

RESOLVED, that in addition to the City Manager, the following municipal titles: Commissioner of Public Works, City Engineer, City Comptroller, _____ are also hereby authorized to execute any necessary Agreements or certifications on behalf of the Municipality/Sponsor, with NYSDOT in connection with the advancement or approval of the project identified in the State/Local Agreement;

RESOLVED, that a certified copy of this resolution be filed with the New York State Commissioner of Transportation by attaching it to any necessary Agreement in connection with the Project, and it is further

RESOLVED, this Resolution shall take effect immediately.

STATE OF NEW YORK)
) SS:
COUNTY OF ORANGE)

I, _____, Clerk of the City of Newburgh, New York, do hereby certify that I have compared the foregoing copy of this Resolution with the original on file in my office, and that the same is a true and correct transcript of said original Resolution and of the whole thereof, as duly adopted by said _____ at a meeting duly called and held at the _____ on _____ by the required and necessary vote of the members to approve the Resolution.

WITNESS My Hand and the Official Seal of the City of Newburgh, New York, this _____ day of _____, 2026.

Clerk, City of Newburgh

RESOLUTION NO.: 100 - 2026

OF

MAY 11, 2026

A RESOLUTION AUTHORIZING THE CITY MANAGER TO EXECUTE
MASTER FEDERAL-AID LOCAL PROJECT SUPPLEMENTAL AGREEMENT NO. 1
WITH THE NEW YORK STATE DEPARTMENT OF TRANSPORTATION
AUTHORIZING THE IMPLEMENTATION, AND FUNDING IN THE FIRST
INSTANCE 100% OF THE FEDERAL-AID AND STATE "MARCHISELLI" PROGRAM-AID
ELIGIBLE COSTS, OF A TRANSPORTATION FEDERAL-AID PROJECT, AND
APPROPRIATING FUNDS THEREFORE
IN THE TRAFFIC SIGNAL UPGRADES PROJECT (PIN 8005.26)

WHEREAS, a Project for the Broadway Pedestrian and Traffic Signal Improvements in the City of Newburgh, PIN 8005.26 (the "Project") is eligible for funding under Title 23 U.S. Code, as amended, that calls for the apportionment of the costs such program to be borne at the ratio of 80% Federal funds and 20% non-federal funds; and

WHEREAS, the City of Newburgh desires to advance the Project by making a commitment of 100% of the non-federal share of the costs of construction and construction inspection;

NOW, THEREFORE, the Newburgh City Council, duly convened does hereby

RESOLVE, that the Newburgh City Council hereby approves the above-subject project; and it is hereby further

RESOLVED, that the Newburgh City Council hereby authorizes the City of Newburgh to pay in the first instance 100% of the federal and non-federal share of the cost of construction and construction inspection work for the Project or portions thereof; and it is further

RESOLVED, that the sum of \$7,942,600 (\$8,792,600 minus the previous \$850,000) is hereby appropriated from City's allocation of NYSDOT CHIPS funds and made available to cover the cost of participation in the above phase of the Project; and it is further

RESOLVED, that in the event the full federal and non-federal share costs of the project exceeds the amount appropriated above, the Newburgh City Council shall convene as soon as possible to appropriate said excess amount immediately upon the notification by the City Manager thereof, and it is further

RESOLVED, that the City Manager of the City of Newburgh be and is hereby authorized to execute all necessary Agreements, certifications or reimbursement requests for Federal Aid and/or applicable Marchiselli Aid on behalf of the City of Newburgh with the New York State

Footnotes (FN): (See LPB's SharePoint for link to sample footnotes)

- Project Description Continued: The project objective is to upgrade sidewalks and curb ramps and replace existing traffic signals along Broadway between Robinson Avenue (Route 9W) and Grand Street to meet Americans with Disabilities Act Accessibility Guidelines (ADAAG). The project will replace six non-standard traffic signals at Broadway intersecting Robinson Avenue, Concord Street/Mill Street, William Street/Dubois Street, Johnston Street, Liberty Street and Grand Street. Sidewalks and curb ramps will be replaced at all curb corners on both sides of Broadway. Sidewalk curb extensions will be implemented to improve pedestrian access and safety throughout the corridor. In total, approximately 5,600 square yards of new sidewalk will be installed. Landscaping and utilities may be upgraded on an as needed basis.
- This Schedule A adds the construction and construction inspection phases and funds.
- xx.NPS represents 100% local overmatch for the construction phase.

STANDARD CLAUSES FOR NYS CONTRACTS

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, "the contract" or "this contract") agree to be bound by the following clauses which are hereby made a part of the contract (the word "Contractor" herein refers to any party other than the State, whether a contractor, licensor, licensee, lessor, lessee or any other party):

1. EXECUTORY CLAUSE. In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.

2. NON-ASSIGNMENT CLAUSE. In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State's previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller's approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

3. COMPTROLLER'S APPROVAL. In accordance with Section 112 of the State Finance Law, if this contract exceeds \$50,000 (or \$75,000 for State University of New York or City University of New York contracts for goods, services, construction and printing, and \$150,000 for State University Health Care Facilities) or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds \$25,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller's approval of contracts let by the Office of General Services, either for itself or its customer agencies by the Office of General Services Business Services Center, is required when such contracts exceed \$85,000. Comptroller's approval of contracts established as centralized contracts through the Office of General Services is required when such contracts exceed \$125,000, and when a purchase order or other procurement transaction issued under such centralized contract exceeds \$200,000.

4. WORKERS' COMPENSATION BENEFITS. In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

5. NON-DISCRIMINATION REQUIREMENTS. To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment, nor subject any individual to harassment, because of age, race, creed, color, national origin, citizenship or immigration status, sexual orientation, gender identity or expression, military status, sex, disability, predisposing genetic characteristics, familial status, marital status, or domestic violence victim status or because the individual has opposed any practices forbidden under the Human Rights Law or has filed a complaint, testified, or assisted in any proceeding under the Human Rights Law. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of \$50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

6. WAGE AND HOURS PROVISIONS. If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in

accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-a of Section 220 of the Labor Law shall be a condition precedent to payment by the State of any State approved sums due and owing for work done upon the project.

7. NON-COLLUSIVE BIDDING CERTIFICATION. In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

8. INTERNATIONAL BOYCOTT PROHIBITION. In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds \$5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2 NYCRR § 105.4).

9. SET-OFF RIGHTS. The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Comptroller.

10. RECORDS. The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, the "Records"). The Records

must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the State's right to discovery in any pending or future litigation.

11. IDENTIFYING INFORMATION AND PRIVACY NOTIFICATION. (a) Identification Number(s). Every invoice or New York State Claim for Payment submitted to a New York State agency by a payee, for payment for the sale of goods or services or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property must include the payee's identification number. The number is any or all of the following: (i) the payee's Federal employer identification number, (ii) the payee's Federal social security number, and/or (iii) the payee's Vendor Identification Number assigned by the Statewide Financial System. Failure to include such number or numbers may delay payment. Where the payee does not have such number or numbers, the payee, on its invoice or Claim for Payment, must give the reason or reasons why the payee does not have such number or numbers.

(b) Privacy Notification. (1) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to the State is mandatory. The principal purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law. (2) The personal information is requested by the purchasing unit of the agency contracting to purchase the goods or services or lease the real or personal property covered by this contract or lease. The information is maintained in the Statewide Financial System by the Vendor Management Unit within the Bureau of State Expenditures, Office of the State Comptroller, 110 State Street, Albany, New York 12236.

12. EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN. In accordance with Section 312 of the Executive Law and 5 NYCRR Part 143, if this contract is: (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of \$25,000.00, whereby a contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the contracting agency; or (ii) a written agreement in excess of \$100,000.00 whereby a contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon; or (iii) a written agreement in excess of \$100,000.00 whereby the owner of a State assisted housing project is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon for such project, then the following shall apply and by signing this agreement the Contractor certifies and affirms that it is Contractor's equal employment opportunity policy that:

(a) The Contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force on State contracts and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. Affirmative action shall mean recruitment, employment, job assignment, promotion, upgradings, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation;

(b) at the request of the contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein; and

(c) the Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the State contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

Contractor will include the provisions of "(a), (b) and (c)" above, in every subcontract over \$25,000.00 for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the "Work") except where the Work is for the beneficial use of the Contractor. Section 312 does not

apply to: (i) work, goods or services unrelated to this contract; or (ii) employment outside New York State. The State shall consider compliance by a contractor or subcontractor with the requirements of any federal law concerning equal employment opportunity which effectuates the purpose of this clause. The contracting agency shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such federal law and if such duplication or conflict exists, the contracting agency shall waive the applicability of Section 312 to the extent of such duplication or conflict. Contractor will comply with all duly promulgated and lawful rules and regulations of the Department of Economic Development's Division of Minority and Women's Business Development pertaining hereto.

13. CONFLICTING TERMS. In the event of a conflict between the terms of the contract (including any and all attachments thereto and amendments thereof) and the terms of this Appendix A, the terms of this Appendix A shall control.

14. GOVERNING LAW. This contract shall be governed by the laws of the State of New York except where the Federal supremacy clause requires otherwise.

15. LATE PAYMENT. Timeliness of payment and any interest to be paid to Contractor for late payment shall be governed by Article 11-A of the State Finance Law to the extent required by law.

16. NO ARBITRATION. Disputes involving this contract, including the breach or alleged breach thereof, may not be submitted to binding arbitration (except where statutorily authorized), but must, instead, be heard in a court of competent jurisdiction of the State of New York.

17. SERVICE OF PROCESS. In addition to the methods of service allowed by the State Civil Practice Law & Rules ("CPLR"), Contractor hereby consents to service of process upon it by registered or certified mail, return receipt requested. Service hereunder shall be complete upon Contractor's actual receipt of process or upon the State's receipt of the return thereof by the United States Postal Service as refused or undeliverable. Contractor must promptly notify the State, in writing, of each and every change of address to which service of process can be made. Service by the State to the last known address shall be sufficient. Contractor will have thirty (30) calendar days after service hereunder is complete in which to respond.

18. PROHIBITION ON PURCHASE OF TROPICAL HARDWOODS. The Contractor certifies and warrants that all wood products to be used under this contract award will be in accordance with, but not limited to, the specifications and provisions of Section 165 of the State Finance Law, (Use of Tropical Hardwoods) which prohibits purchase and use of tropical hardwoods, unless specifically exempted, by the State or any governmental agency or political subdivision or public benefit corporation. Qualification for an exemption under this

law will be the responsibility of the contractor to establish to meet with the approval of the State.

In addition, when any portion of this contract involving the use of woods, whether supply or installation, is to be performed by any subcontractor, the prime Contractor will indicate and certify in the submitted bid proposal that the subcontractor has been informed and is in compliance with specifications and provisions regarding use of tropical hardwoods as detailed in § 165 State Finance Law. Any such use must meet with the approval of the State; otherwise, the bid may not be considered responsive. Under bidder certifications, proof of qualification for exemption will be the responsibility of the Contractor to meet with the approval of the State.

19. MACBRIDE FAIR EMPLOYMENT PRINCIPLES (APPLICABLE ONLY IN NON-FEDERAL AID NEW YORK STATE CONTRACTS). In accordance with the MacBride Fair Employment Principles (Chapter 807 of the Laws of 1992), the Contractor hereby stipulates that the Contractor either (a) has no business operations in Northern Ireland, or (b) shall take lawful steps in good faith to conduct any business operations in Northern Ireland in accordance with the MacBride Fair Employment Principles (as described in Section 165 of the New York State Finance Law), and shall permit independent monitoring of compliance with such principles.

20. OMNIBUS PROCUREMENT ACT OF 1992 (APPLICABLE ONLY IN NON-FEDERAL AID NEW YORK STATE CONTRACTS). It is the policy of New York State to maximize opportunities for the participation of New York State business enterprises, including minority- and women-owned business enterprises as bidders, subcontractors and suppliers on its procurement contracts.

Information on the availability of New York State subcontractors and suppliers is available from:

NYS Department of Economic Development
Division for Small Business and Technology Development
625 Broadway
Albany, New York 12245
Telephone: 518-292-5100

A directory of certified minority- and women-owned business enterprises is available from:

NYS Department of Economic Development
Division of Minority and Women's Business Development
633 Third Avenue 33rd Floor
New York, NY 10017
646-846-7364
email: mwbebusinessdev@esd.ny.gov
<https://ny.newnycontracts.com/FrontEnd/searchcertifieddirectory.asp>

The Omnibus Procurement Act of 1992 (Chapter 844 of the Laws of 1992, codified in State Finance Law § 139-i and Public

Authorities Law § 2879(3)(n)-(p)) requires that by signing this bid proposal or contract, as applicable, Contractors certify that whenever the total bid amount is greater than \$1 million:

(a) The Contractor has made reasonable efforts to encourage the participation of New York State Business Enterprises as suppliers and subcontractors, including certified minority- and women-owned business enterprises, on this project, and has retained the documentation of these efforts to be provided upon request to the State;

(b) The Contractor has complied with the Federal Equal Opportunity Act of 1972 (P.L. 92-261), as amended;

(c) The Contractor agrees to make reasonable efforts to provide notification to New York State residents of employment opportunities on this project through listing any such positions with the Job Service Division of the New York State Department of Labor, or providing such notification in such manner as is consistent with existing collective bargaining contracts or agreements. The Contractor agrees to document these efforts and to provide said documentation to the State upon request; and

(d) The Contractor acknowledges notice that the State may seek to obtain offset credits from foreign countries as a result of this contract and agrees to cooperate with the State in these efforts.

21. RECIPROCITY AND SANCTIONS PROVISIONS. Bidders are hereby notified that if their principal place of business is located in a country, nation, province, state or political subdivision that penalizes New York State vendors, and if the goods or services they offer will be substantially produced or performed outside New York State, the Omnibus Procurement Act 1994 and 2000 amendments (Chapter 684 and Chapter 383, respectively, codified in State Finance Law § 165(6) and Public Authorities Law § 2879(5)) require that they be denied contracts which they would otherwise obtain. NOTE: As of May 2023, the list of discriminatory jurisdictions subject to this provision includes the states of South Carolina, Alaska, West Virginia, Wyoming, Louisiana and Hawaii.

22. COMPLIANCE WITH BREACH NOTIFICATION AND DATA SECURITY LAWS. Contractor shall comply with the provisions of the New York State Information Security Breach and Notification Act (General Business Law §§ 899-aa and 899-bb and State Technology Law § 208).

23. COMPLIANCE WITH CONSULTANT DISCLOSURE LAW. If this is a contract for consulting services, defined for purposes of this requirement to include analysis, evaluation, research, training, data processing, computer programming, engineering, environmental, health, and mental health services, accounting, auditing, paralegal, legal or similar services, then, in accordance with Section 163 (4)(g) of the State Finance Law (as amended by Chapter 10 of the Laws of 2006), the Contractor shall timely, accurately and properly comply with the requirement to submit an annual

employment report for the contract to the agency that awarded the contract, the Department of Civil Service and the State Comptroller.

24. PROCUREMENT LOBBYING. To the extent this agreement is a “procurement contract” as defined by State Finance Law §§ 139-j and 139-k, by signing this agreement the contractor certifies and affirms that all disclosures made in accordance with State Finance Law §§ 139-j and 139-k are complete, true and accurate. In the event such certification is found to be intentionally false or intentionally incomplete, the State may terminate the agreement by providing written notification to the Contractor in accordance with the terms of the agreement.

25. CERTIFICATION OF REGISTRATION TO COLLECT SALES AND COMPENSATING USE TAX BY CERTAIN STATE CONTRACTORS, AFFILIATES AND SUBCONTRACTORS.

To the extent this agreement is a contract as defined by Tax Law § 5-a, if the contractor fails to make the certification required by Tax Law § 5-a or if during the term of the contract, the Department of Taxation and Finance or the covered agency, as defined by Tax Law § 5-a, discovers that the certification, made under penalty of perjury, is false, then such failure to file or false certification shall be a material breach of this contract and this contract may be terminated, by providing written notification to the Contractor in accordance with the terms of the agreement, if the covered agency determines that such action is in the best interest of the State.

26. IRAN DIVESTMENT ACT. By entering into this Agreement, Contractor certifies in accordance with State Finance Law § 165-a that it is not on the “Entities Determined to be Non-Responsive Bidders/Offerers pursuant to the New York State Iran Divestment Act of 2012” (“Prohibited Entities List”) posted at: <https://ogs.ny.gov/iran-divestment-act-2012>

Contractor further certifies that it will not utilize on this Contract any subcontractor that is identified on the Prohibited Entities List. Contractor agrees that should it seek to renew or extend this Contract, it must provide the same certification at the time the Contract is renewed or extended. Contractor also agrees that any proposed Assignee of this Contract will be required to certify that it is not on the Prohibited Entities List before the contract assignment will be approved by the State.

During the term of the Contract, should the state agency receive information that a person (as defined in State Finance Law § 165-a) is in violation of the above-referenced certifications, the state agency will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then the state agency shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not limited to, imposing sanctions,

seeking compliance, recovering damages, or declaring the Contractor in default.

The state agency reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.

27. ADMISSIBILITY OF REPRODUCTION OF CONTRACT. Notwithstanding the best evidence rule or any other legal principle or rule of evidence to the contrary, the Contractor acknowledges and agrees that it waives any and all objections to the admissibility into evidence at any court proceeding or to the use at any examination before trial of an electronic reproduction of this contract, in the form approved by the State Comptroller, if such approval was required, regardless of whether the original of said contract is in existence.

SAMPLE RESOLUTION BY MUNICIPALITY
(Locally Administered Project)
RESOLUTION NUMBER: _____

Authorizing the implementation, and funding in the first instance 100% of the federal-aid and State "Marchiselli" Program-aid eligible costs, of a transportation federal-aid project, and appropriating funds therefore.

WHEREAS, a Project for the Broadway Pedestrian and Traffic Signal Improvements in the City of Newburgh, PIN 8005.26 (the "Project") is eligible for funding under Title 23 U.S. Code, as amended, that calls for the apportionment of the costs such program to be borne at the ratio of 80% Federal funds and 20% non-federal funds; and

WHEREAS, the City of Newburgh desires to advance the Project by making a commitment of 100% of the non-federal share of the costs of construction and construction inspection.

NOW, THEREFORE, the Newburgh City Council, duly convened does hereby

RESOLVE, that the Newburgh City Council hereby approves the above-subject project; and it is hereby further

RESOLVED, that the Newburgh City Council hereby authorizes the City of Newburgh to pay in the first instance 100% of the federal and non-federal share of the cost of construction and construction inspection work for the Project or portions thereof; and it is further

RESOLVED, that the sum of **\$7,942,600 (\$8,792,600 minus the previous \$850,000)** is hereby appropriated from _____ [or, appropriated pursuant to _____] and made available to cover the cost of participation in the above phase of the Project; and it is further

RESOLVED, that in the event the full federal and non-federal share costs of the project exceeds the amount appropriated above, the Newburgh City Council shall convene as soon as possible to appropriate said excess amount immediately upon the notification by the City Manager thereof, and it is further

RESOLVED, that the City Manager of the City of Newburgh be and is hereby authorized to execute all necessary Agreements, certifications or reimbursement requests for Federal Aid and/or applicable Marchiselli Aid on behalf of the City of Newburgh with the New York State Department of Transportation in connection with the advancement or approval of the Project and providing for the administration of the Project and the municipality's first instance funding of project costs and permanent funding of the local share of federal-aid and state-aid eligible Project costs and all Project costs within appropriations therefore that are not so eligible, and it is further

RESOLVED, that in addition to the City Manager, the following municipal titles: Mayor, City Engineer, City Comptroller, _____ are also hereby authorized to execute any necessary Agreements or certifications on behalf of the Municipality/Sponsor, with NYSDOT in connection with the advancement or approval of the project identified in the State/Local Agreement;

RESOLVED, that a certified copy of this resolution be filed with the New York State Commissioner of Transportation by attaching it to any necessary Agreement in connection with the Project, and it is further

RESOLVED, this Resolution shall take effect immediately.

STATE OF NEW YORK)
) SS:
COUNTY OF ORANGE)

I, _____, Clerk of the City of Newburgh, New York, do hereby certify that I have compared the foregoing copy of this Resolution with the original on file in my office, and that the same is a true and correct transcript of said original Resolution and of the whole thereof, as duly adopted by said _____ at a meeting duly called and held at the _____ on _____ by the required and necessary vote of the members to approve the Resolution.

WITNESS My Hand and the Official Seal of the City of Newburgh, New York, this _____ day of _____, 2026.

Clerk, City of Newburgh

RESOLUTION NO.: 101-2026

OF

MAY 11, 2026

A RESOLUTION AMENDING THE 2026 PERSONNEL ANALYSIS BOOK
TO ADD ONE TEMPORARY PART-TIME PURCHASING AGENT
IN THE FINANCE DEPARTMENT

WHEREAS, due to a retirement, the City Manager proposes to add one Purchasing Agent position in a temporary part-time capacity in the Finance Department; and

WHEREAS, the City Council has determined that adding one Purchasing Agent position in a temporary part-time capacity in the Finance Department will promote economy and efficiency within the Department; the same being in the best interests of the City of Newburgh;

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Newburgh, New York that the Personnel Analysis Book for the fiscal year 2026 be amended to add one Purchasing Agent position in a temporary part-time capacity in the Finance Department.

RESOLUTION NO.: 102 - 2026

OF

MAY 11, 2026

A RESOLUTION AUTHORIZING THE CITY MANAGER TO APPLY FOR
AND ACCEPT IF AWARDED A NEW YORK STATE
ENVIRONMENTAL FACILITIES CORPORATION
STRENGTHENING ESSENTIAL CYBERSECURITY FOR UTILITIES
AND RESILIENCY ENHANCEMENT (SECURE) ASSESSMENT PROGRAM GRANT
IN THE AMOUNT OF \$50,000.00 WITH NO CITY MATCH

WHEREAS, the New York State Environmental Facilities Corporation is soliciting applications for funding under its Strengthening Essential Cybersecurity for Utilities and Resiliency Enhancement (SECURE) Program for eligible applicants to support cybersecurity assessments that safeguard essential services and improve risk management practices to ensure operational continuity in water and wastewater systems in New York State; and

WHEREAS, the City of Newburgh is an eligible applicant and proposes to apply for grant funding in the amount of \$50,000.00 to conduct a cybersecurity assessment of its municipal water and wastewater systems to address new cybersecurity compliance requirements; and

WHEREAS, this Council has determined that applying for and accepting if awarded said grant is in the best interest of the City of Newburgh and its further development;

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Newburgh, New York that the City Manager be and he is hereby authorized to apply for and accept if awarded a New York State Environmental Facilities Corporation Strengthening Essential Cybersecurity for Utilities and Resiliency Enhancement (SECURE) Program grant in the amount of \$50,000.00 with no City match to conduct a cybersecurity assessment of its water and wastewater systems; and to execute all such further contracts and documentation and take such further actions as may be appropriate and necessary to accept such grant and administer the program funded thereby.

City of Newburgh

GRANT APPLICATION FORM

Grant Requestor:
 Please complete the following form and submit the form along with either a hard copy of the grant announcement or the grant announcement website address to the City of Newburgh Grants Administrator for processing. You will be notified when your grant request has been approved to be sent for City Council Resolution.

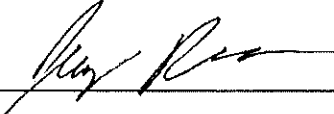

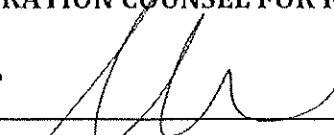

NOTE: All fields are required unless marked "OPTIONAL."

GRANT SUMMARY

Strengthening Essential Cybersecurity for Utilities and Resiliency Enhancement (SECURE) Program

OVERVIEW

The New York State Environmental Facilities Corporation (EFC) is offering \$2.5 million dollars to strengthen cybersecurity readiness and resilience and support operational continuity for eligible water and wastewater systems across New York State. The SECURE program will provide funding for projects that enhance cyber protections, modernize digital infrastructure and reduce vulnerabilities for critical drinking water and wastewater systems. This strategic initiative expands upon Governor Hochul's commitment to safeguard essential services, improve risk management practices, and support communities meeting evolving cybersecurity expectations. Funding is available for both cybersecurity assessments and implementation based on best practices and regulatory requirements. Based on the grant criteria for each program EFC will evaluate all project applications received by the due date of **May 15, 2026**. Information provided with the application will not be shared with third parties.

SECURE Assessment Grant

The SECURE Assessment grant will assist eligible clean water and drinking water systems to evaluate their cybersecurity posture, identify vulnerabilities, and prioritize risk mitigation needs. A municipality may apply for up to \$50,000 with a 0% match.

Objectives:

- Assess system risks and vulnerabilities in accordance with NIST Cybersecurity Framework (NIST CSF) 2.0 and the NIST Guide to Operational Technology (OT) Security
- Evaluate vulnerabilities of industrial control systems (ICS), operational technologies (OT) and supervisory control and data control and data acquisition (SCADA) systems and define mitigation priorities.
- Develop and/or validate OT Asset Inventory by identifying and documenting all in-scope OT assets.
- Determine any gaps in Confidentiality, Integrity, and Availability (CIA) protections.
- Conduct a training and workforce needs assessment to identify operator training gaps and required cybersecurity competencies.
- Develop new or review existing cybersecurity policies, procedures and roles, including inventory ownership and updating processes taken.
- Conduct readiness reviews for compliance with relevant DEC, DOH, and DPS regulations.

Eligible Activities:

- Third-party cybersecurity risk assessments and penetration testing
- Network architecture reviews and asset inventories
- Creation of system-specific cybersecurity implementation roadmaps

Expected Deliverables:

- A written cybersecurity risk assessment report aligned with NIST Cybersecurity Framework (NIST CSF) 2.0
- A list of prioritized vulnerabilities and remediation or mitigation strategies
- A report identifying needs and next steps to comply with relevant DEC, DOH, and DPS regulations

SECURE Implementation Grant

The SECURE Implementation Grant will fund deployment and enhancement of cybersecurity controls, technologies, and response capabilities identified during the assessment phase. The funded activities will be in response to a submitted cybersecurity assessment of the system. Completion of a prior assessment using a SECURE Assessment Grant is not required to apply; however a comparable assessment of the system's cybersecurity needs must have been completed prior to applying for a SECURE Implementation Grant. A municipality may apply for up to 20% of net eligible costs, up to \$100,000.

Objectives:

- Implement technical and administrative controls to protect system CIA.
- Strengthen resilience and incident response capabilities for IT, OT, ICS and SCADA systems.
- Establish and maintain ongoing cybersecurity governance, monitoring, and maintenance processes.

Eligible Activities:

- Procurement and installation of security equipment (firewalls, network segmentation devices, access control systems, etc.).
- Development and implementation of Incident Response Plans (IRPs) and Continuity of Operations Plans (COOPs).
- Deployment of monitoring, alerting, and backup/recovery solutions.

Subscription-based software products are **not eligible** under this program.

Expected Deliverables:

- Demonstrated progress toward compliance with DEC/DOH/DPS regulations.
- Functional Incident Response and Continuity Plan in accordance with NIST Cybersecurity Framework (NIST CSF) 2.0
- Documented evidence of implemented controls.
- Updated cybersecurity policies and standard operating procedures.

ELIGIBILITY REQUIREMENTS

SECURE grants will be awarded to municipalities, defined as a county, city, town, village, district corporation, county or town improvement district, school district, Indian nation or tribe recognized by the state or the United States with a reservation wholly or partly within the boundaries of New York State, any public benefit corporation or public authority established pursuant to the laws of New York or any agency of the State that is empowered to construct and operate a water quality infrastructure project.

APPLICATIONS

Applicants who would like to be considered for a SECURE Assessment or Implementation grant must submit a grant application to EFC no later than 5:00 p.m., on **May 15, 2026**. Information provided with the application will not be shared with third parties.

Applicants who would like to be considered for a SECURE Implementation grant must submit the additional documentation listed below as part of their application:

- Cybersecurity assessment of system addressing:
 - System risks and vulnerabilities in accordance with NIST Cybersecurity Framework (NIST CSF) 2.0.
 - Exposure of ICS/OT and SCADA systems and define mitigation priorities.
 - Gaps in CIA protection.
 - Compliance readiness report identifying needs and next steps to comply with relevant DEC, DOH, and DPS regulations.

Applications must be submitted using the online Application Form located on EFC's Portal at <https://portal.efc.ny.gov>. Applications that are submitted without all required information and documentation will be deemed incomplete and will not be processed.

RESOLUTION NO.: 103 - 2026

OF

MAY 11, 2026

A RESOLUTION AUTHORIZING THE CITY MANAGER TO EXECUTE
A LICENSE AGREEMENT WITH NEWBURGH SANCTUARY, INC.
TO ALLOW ACCESS TO CITY-OWNED PROPERTY KNOWN AS CRYSTAL LAKE
(SECTION 41, BLOCK 2, LOT 11.2) FOR ACCESS RELATED TO
THE BLUEBLOCKS FLOATING GARDENS PROJECT

WHEREAS, Newburgh Sanctuary, Inc. has requested access to City-owned property known as Crystal Lake, being more accurately described as Section 41, Block 2, Lot 11.2 on the official tax map of the City of Newburgh, for the purpose of installing three Blueblocks Floating Gardens (the "Project") under permit(s) duly authorized and issued by the New York State Department of Environmental Conservation in Crystal Lake in the City of Newburgh; and

WHEREAS, such access to the City-owned property requires the parties to execute a license agreement, a copy of which is attached hereto and made a part of hereof; and

WHEREAS, this Council has reviewed such license agreement and has determined that entering into the same would be in the best interests of the City of Newburgh;

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Newburgh, New York that the City Manager be and he is hereby authorized to enter into the attached license agreement with Newburgh Sanctuary, Inc. to allow access to City-owned property known as Crystal Lake for the purpose of installing three Blueblocks Floating Gardens in Crystal Lake in the City of Newburgh and to execute the permit application required by the New York State Department of Environmental Conservation.

LICENSE AND ACCESS AGREEMENT

This License and Access Agreement (“Agreement”) is entered into this ____ day of _____, 2026 (the “Execution Date”), by and between the City of Newburgh, New York (the “City” or the “Licensor”), a New York State municipal corporation, having an address of 83 Broadway, Newburgh, New York 12550 and Newburgh Sanctuary, Inc. (Licensee), a non-profit corporation duly organized and existing under the laws of the State of New York, having an address at 130 Third Street, Newburgh, New York 12550, and where Licensor and Licensee are collectively referred to herein as the “Parties”.

WHEREAS, the Licensee, including its volunteers, employees, contractors or agents, proposes to install three Blueblocks Floating Gardens (the “Project”) under permit(s) duly authorized and issued by the New York State Department of Environmental Conservation in Crystal Lake in the City of Newburgh; and

WHEREAS, for the purpose of installing and maintaining the Blueblocks Floating Gardens, Licensee requests access to City-owned property known as Crystal Lake, located at 60 Temple Avenue, Newburgh, New York (Section 41, Block 2, Lot 11.2) (hereafter “City Property”) subject to the conditions provided below, to allow the Licensee to manage the Project at the City Property.

NOW, THEREFORE, in consideration of the mutual covenants and agreements hereinafter set forth, and other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the Parties agree as follows:

1. Right of Access. For the term of this Agreement, Licensor grants to Licensee, in accordance with the conditions set forth herein, a license to enter upon, access, and otherwise use, the City Property for the purpose of installing and maintaining the Project (the “Right of Access”). Licensee's Right of Access applies to Licensee's employees, volunteers, and consultants as may be necessary to complete the Project. The Right of Access does not constitute a grant of any ownership, leasehold, easement, or other property interest whatsoever in any portion of the City Property.
2. Term. This Agreement shall commence on execution and expire and terminate on December 31, 2027, unless modified by the Parties as set forth in Section 11 of this Agreement.
3. Activities to be Performed on the City Property. In order to complete the Project, Licensee's activities will include, but will not be limited to, the assembly, launch/installation, maintenance, and removal of three six foot deep (approx.) by five foot in diameter (approx.) floating, native aquatic plant-filled garden docks (the “Project Activities”). The Project Activities shall be consistent with the Project Overview attached hereto as Exhibit “A”.
4. Conditions of Access.
 - 4.1. Minimum Disturbance. Reasonable wear and tear expected, Licensee shall carry out all Activities with all reasonable measures to avoid damage to the City Property. Licensee

shall carry out all Project Activities with all reasonable measures to avoid accident, damage or harm to persons or property.

4.2. Hours of Access. All access to the City Property by Licensee and its designated representatives to conduct Project Activities will occur between the hours of 8:00 a.m. and 6:00 p.m., unless otherwise authorized in advance by Licensor in writing.

4.3. Licensor Access. Licensor reserves the right to be present and to monitor Project-related activities, through employees or other agents, and otherwise access the City Property during the length of this Agreement. Licensor shall have the ability to issue a stop work order if any ongoing or proposed work presents a threat to the City Property.

4.4. Restoration. Upon completion of the Project, Licensee will restore the City Property as near as practicable to its condition immediately prior to the commencement of the Project.

4.5. Special Considerations Specific to License.

4.5.1. Licensee shall comply with the conditions of New York State Department of Environmental Conservation Lakes and Shorelines General Permit (GP-0-25-007). Draft NYSDEC Application for General Permit Coverage and DEC Authorization attached hereto as Exhibit "B".

4.5.2. Licensee shall only access the City Property from the existing site entrance at the intersection of Temple Avenue and Beach Street, and into the waterbody of Crystal Lake from the existing boat launch located at the northeast corner of the Lake.

5. Insurance and Bond.

5.1. Licensee shall not permit any employees, agents, volunteers, contractor or subcontractor to commence or perform work nor operate machinery under this Agreement until it has obtained all insurance required under this Section 5 and such insurance has been submitted to the Licensor.

5.2. Workers' Compensation and Disability Benefits Insurance – Licensee shall require all contractors and sub-contractors to take out and maintain during the life of this agreement such Workers' Compensation and Disability Benefits Insurance for its employees or members to be assigned to the work hereunder as may be required by New York State Law.

5.3. General Liability and Property Damage Insurance – Licensee shall require all contractors and subcontractors to take out and maintain during the life of this agreement such general liability and property damage insurance as shall protect it and the City which shall be named as additional insured on all such policies from claims for damages for personal injury including accidental death, as well as from claims for property damage, which may arise from operations under this agreement in an amount not less than \$1,000,000.00 for injuries including wrongful death to any one person and subject to the same limit for each

person, and property damage in an amount not less than \$100,000.00 on account of any one occurrence. Licensee shall furnish the above insurance to the Licensor and shall also name the Licensor as an additional named insured in said policies. Such insurance shall be maintained in force during the entire term of this Agreement.

- 5.4. Licensee may retain certain employees, agents, volunteers, contractors and consultants to perform the subject work. In the contract by which Licensee retains such agents, volunteers, contractors and consultants, Licensee and such agents, volunteers, contractors and consultants shall provide and maintain insurances as required by this Section and include the City of Newburgh as additional insured under insurance coverage concerning Licensee's performance of the work referenced herein.
6. Compliance with Laws. Licensee shall comply with federal, state and local laws applicable to any activity in which Licensee engages while Licensee is on the City Property.
7. Representations.
- 7.1. Licensor.
- 7.1.1. In consideration of the commitments and obligations made by the Parties in this Agreement, Licensor represents that it has received payment in the amount of one (1) dollar as of the Execution Date.
- 7.1.2. Licensor represents that it has the power and authority to grant the License and Right of Access described in this Agreement.
- 7.1.3. Licensor represents that it has the power and authority to sign New York State Department of Environmental Conservation Lakes and Shorelines General Permit (GP-0-25-007).
- 7.2. Licensee.
- 7.2.1. Licensee represents that it has the power and authority to enter into this Agreement.
- 7.2.2. Licensee represents that it has the power and authority to sign New York State Department of Environmental Conservation Lakes and Shorelines General Permit (GP-0-25-007).
8. Assignment. This Agreement may not be assigned or sub-licensed to any other person or entity.
9. Indemnity. Licensee agrees to indemnify and hold harmless the Licensor from any and all claims, damages, suits, actions, proceedings, losses and expenses (collectively, referred to as "claims") which may be incurred or awarded against the Licensor or its designated representative arising from the access granted to Licensee and its designated representatives. Said indemnification includes all costs of defense of any action brought against the Licensor or its designated representative. Licensee may agree to retain counsel of its choosing to handle

the defense of such action. Before any settlement may be agreed upon by Licensee, it will submit the proposed settlement to the Licensor for its concurrence. Licensor agrees to provide all litigation papers to the Licensee. Excepted from this indemnification are claims arising from any intentional tortious or grossly negligent act of the Licensor or its designated representative or any claim unrelated to the access granted to Licensee and its designated representatives. The indemnification obligations contained in this paragraph shall survive this Agreement.

10. Modification of Agreement. This Agreement may be supplemented, amended, or modified only by the mutual agreement of both Parties. No supplement, amendment, or modification of this Agreement shall be binding unless it is in writing and signed by the Parties.
11. Termination. Licensor may terminate this Agreement for cause at any time with 5 days' written notice to Licensee. If Licensor exercises its right to terminate, Licensor agrees that it will hold harmless Licensee for removal of, in a reasonable manner and time, persons or property that were present for purposes of the Project in accordance with this Agreement.
12. General Provisions.
 - 12.1. Waiver. No waiver by either party of any failure to comply with this Agreement shall be deemed a waiver of any other or subsequent failure to so comply.
 - 12.2. Severability. If any provision of this Agreement or its application to any person or circumstance shall, to any extent, be invalid or unenforceable, the remainder of this Agreement, or its application to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby, and each provision of this Agreement shall be valid and enforceable as permitted by law.
 - 12.3. Entire Agreement. This Agreement represents the full, complete and entire agreement between the Parties with respect to the subject matter hereof. There are no other understandings, oral or written, related to the subject matter of this Agreement.
 - 12.4. This Agreement may be executed with original signatures in counterparts, or by facsimile or PDF-scanned signatures in counterparts, which will be deemed legally binding as fully as an original signature.
 - 12.5. Governing Law. This Agreement and the rights and obligations hereunder shall be construed in accordance with, and be governed by, the laws of the State of New York.

BlueBlocks Initiative

Crystal Lake, Newburgh April 5th 2026

BlueBlocks Floating Gardens are a modular system designed for education, restoration, and to inspire stewardship in our shared waterways. Inspired by lily pads, they are built entirely of salvaged and reclaimed materials, and float on a bed of recycled corks. Designed as a kit, they are easily assembled, launched and stewarded by community members.

Product specifications

BLUE Blocks] initiative

PRODUCT NAME
BlueBlocks Garden

WEIGHT
approx 300 lbs dry / 500lbs wet

COLOR
Natural wood or concrete
Frame may be painted with non-toxic paint

FORMAT
Buoyant marshland

DIMENSION
APPROX 5FT DIA.,
FRAME DEPTH - 6-8"

- MATERIALS**
- Frame: wood sourced from salvaged materials Or cast in low-carbon biophilic concrete
 - Connectors for wood from: welded aluminum corner connectors
 - Fisherman's netting
 - 8,000 corks, salvaged source
 - Fasteners, stainless steel or gal. aluminum
 - BlueSteel 8 braid rope
 - Anchor: low-carbon biophilic concrete
 - Plants: Freshwater wetland varieties

KNOWN ISSUES

- Netting may fail over time and need repair.
- Plants may not survive, requiring maintenance and new additional plants to be added in the second season
- Ducks and water-birds will likely nest on the gardens, consume grasses, requiring maintenance
- Debris may collect within the gardens depending on water flow and wave action requiring maintenance.

PRODUCT TESTING

Product has been tested in SALT AND FRESH WATER, in bays, rivers, and ponds. with great success.

6. Danforth anchor
7. Waterway

plant palette

sweet water

The plant palette will be selected in partnership with the community team to ensure it reflects the goals identified for restoration, education, and habitat. Following are plants that have thrived in the past as recommendations for consideration.

Aquatic plants are the engineers of water bodies. Rooted or floating, emergent or submerged, they filter pollutants, stabilize sediments, and soften the force of waves and currents. Their stems and leaves create shelter for fish, invertebrates, and birds, turning open water into layered, living space. Through photosynthesis they oxygenate water and absorb excess nutrients, helping to prevent algal blooms and improve overall water quality. Beyond ecology, aquatic plants carry cultural and aesthetic value, marking seasonal change and offering visual cues of a water body's health. When they thrive, they signal balance; when they disappear, it often reveals deeper stress within the aquatic system.

Crystal Lake is a freshwater body, a part of the Quassaick Creek Watershed.

Asclepias incarnata
Swamp Milkweed, Pink Milkweed

The large, bright, terminal blossoms of this tall, perennial are made up of small, rose-purple flowers. Deep pink flowers clustered at the top of a tall, branching stem, bearing numerous narrow, lanceolate leaves. Opposite, narrow, lance-shaped leaves line the erect, open-branched stem. Elongated, tan-brown seed pods persist into winter.

The juice of this wetland milkweed is less milky than that of other species. The genus was named in honor of Aesculapius, Greek god of medicine, undoubtedly because some species have long been used to treat a variety of ailments. The Latin species name means "flesh-colored."

Lobelia Cardinalis

Late-summer stunner, growing well in moist, sandy soils in sun to partial shade. Its incredible red flowers attract more than just human eyes--it's also a great pollinator plant for bees, butterflies and hummingbirds

Cardinal Flower is a hummingbird favorite that adds a vibrant red hue to your garden. It produces lobeline which helps to naturally deter pests, but can also be mildly toxic to humans and pets. While parent plants have a limited lifespan, they generously self-seed and grow rapidly, ensuring a continual display of beauty.

plant palette

sweet water

Juncus effusus
common soft rush

Occurs only in wetlands. Various Native American peoples used common soft rush for tying, binding and weaving.

Considered a wetland plant, but can thrive in medium soils. Its leafless stems are bright to dark green and tubular, tapering from a base about 1/16" in diameter to an average height of 2'. Its flowers poke out of a slit near the slender tip. Common Rush actively grows during the spring and fall when soil temperatures are cool.

Carex comosa
Bottle Brush Sedge

Narrow green foliage growing up to 24" crowned with delicate flowers that are light to deep-blue (purple and violet are not uncommon) with yellow-whitish markings at the base of the sepals. Blue Flag Iris blossom from May to July, is perfect for naturalizing as well as wetland filters.

Blue flag can be cut and the rhizomes can be dug up, but physical control is difficult.

Acorus americanus
Sweet flag

Occurs only in wetlands. Its preferred habitat is mucky shorelines and shallows, often making its home in up to a foot of water.

Various Native American peoples used common soft rush for tying, binding and weaving. Sweet Flag is easily distinguished by the pleasant fragrance given off when the leaves are broken. Sweet flag is of ancient stock. It is likely that Native Americans played a significant role in the distribution of Sweet Flag, as it was used in ceremonies, medicines, and for trade. Disjunct populations have been noted to occur in areas that are often near old village sites and camping areas.

Application for General Permit Coverage and DEC Authorization

Applicant Information: DEC ID (if known): _____

Name of Applicant: Newburgh Sanctuary Applicant must be <input type="checkbox"/> property owner, <input checked="" type="checkbox"/> lessee or <input type="checkbox"/> operator (check which applies). Email Address: sanctuary.crystallake@gmail.com Phone: 917-309-4506 Mailing Address: 130 3rd Street City: Newburgh State: NY Zip: 12550			
Name of Property Owner (if different from applicant): City of Newburgh Email Address: Phone: City of Newburgh Mailing Address: 83 Broadway City: Newburgh State: NY Zip: 12550			
Application Contact or Contractor (if applicable): Email Address: sanctuary.crystallake@gmail.com Phone: 917-309-4506 Mailing Address: 130 3rd Street City: Newburgh State: NY Zip: 12550			
Project Location (where work will be done): Town (where property taxes paid): City of Newburgh County: Orange County Street Address: 61 Temple Ave City: Newburgh State: NY Zip: 12550			

Short Description (short description of work proposed):

Installation of three Blueblock Floating Gardens: The BlueBlocks Initiative is a community-led water restoration project using floating, native aquatic plant-filled garden docks to clean polluted water, prevent harmful algal blooms, and restore shoreline ecosystems. These layered floating gardens create habitat above and below the water while improving oxygen levels and water clarity over time, supporting long-term ecological health and resilience of local lakes. Each floating garden is 5X6 in diameter.

Proposed Start Date and Completion Date

Proposed start date: 5/10/26 Proposed completion date: 12/01/26

Tree Clearing Restrictions

If tree clearing is required for the proposed project, check the box below that applies to your project:

- I am able to comply with tree clearing restrictions in Condition 7 of this General Permit:
 Clearing prohibited between March 1 and November 30 in Nassau and Suffolk Counties;
 Clearing prohibited between April 1 and October 30 in rest of New York State.
- I am unable to comply with tree clearing restrictions in Condition 7 of this General Permit and I propose to clear trees between _____.

Shoreline Categorization (see permit condition 4 and application instructions):

- Hard bottom or inorganic material
- Muddy, organic bottom

✓ Type of Project and Project Approval Process

For project types requiring a Notice of Intent (NOI), if DEC does not contact you regarding any environmental concerns or missing information within 10 business days of DEC's receipt¹ of the Application Form and all required attachments, the project may proceed without further approval. Otherwise, the project may not proceed until concerns are resolved. This would include failure to provide all required application attachments.

For project types requiring a DEC Countersignature, the project may not proceed until a copy of the general permit that has been validated with a DEC countersignature, is received by the permittee.

In the table below, indicate which activity(ies) are being proposed and whether they will be located in freshwater wetlands or freshwater wetland adjacent area. Check all that apply.

Authorized Activities		
Activity 1: Shoreline erosion protection utilizing bioengineering approaches, including but not limited to regrading of the shoreline and replanting with conservation species such as live stakes of native woody vegetation and deep-rooted native herbaceous plants, installation of brush mats, and planting vegetation to provide shoreline habitat.	<input type="checkbox"/>	DEC Countersignature
Activity 2: Shoreline installation of new riprap structures of 150 linear feet or less where erosion is evident.	<input type="checkbox"/>	DEC Countersignature
Activity 3: Replacement or repair of existing functional riprap, bulkheads (including refacement and toe protection), and other bank stabilization structures substantially within the existing structural footprint.	<input type="checkbox"/>	DEC Countersignature
Activity 4: Shoreline installation of new stepped block walls of 150 linear feet or less above the Mean High Water elevation with toe protection (riprap) in front of the wall at or below Mean High Water elevation where erosion is evident.	<input type="checkbox"/>	DEC Countersignature
Activity 5: In-kind replacement or repair of existing boat or access ramps below the Mean High Water elevation. Precast concrete or work in the dry is required.	<input type="checkbox"/>	NOI
Activity 6: Installation of new, single lane boat/access ramps up to 20 feet wide, with a total work area width less than 30 linear feet, as measured along the shoreline, or modifications of existing boat or access ramps with no greater than a 50% increase in the area of the ramp. Precast concrete ramps or work in the dry is required.	<input type="checkbox"/>	DEC Countersignature
Activity 7: In-kind repair or replacement of existing functional boat houses, docks, platforms, or similar over-water structures within the same structural footprint. Non-water dependent structures, such as the residential conversion of boat houses, storage areas, etc., are not authorized.	<input checked="" type="checkbox"/>	NOI
Activity 8: Installation of a new residential dock where no dock already exists on the property, or modification of an existing dock, with a total surface area of 400 square feet or less, that does not require dredging for navigational access. Authorized docks must be constructed on open or floating supports and not exceed four feet in width, except that widths of up to six feet may be authorized where open grated deck material is used. Coverage for one open, frame-supported boat lift per dock is also authorized under this general permit.	<input type="checkbox"/>	NOI

Continued on next page

¹ Receipt of electronic files is the date received on any business day from midnight to 4:45 p.m., or the next business day if received any other time. For example, for a project application received by DEC at 4:30 p.m. on Thursday, May 1 work may commence after close of business on Thursday, May 15 if DEC does not contact the applicant regarding any environmental concerns or missing information.

Authorized Activities <i>continued</i>		
Activity 9: Demolition of existing structures and removal of structural fill below Mean High Water elevation and from freshwater wetlands and freshwater wetland adjacent areas.	<input type="checkbox"/>	NOI
Activity 10: Maintenance dredging of existing residential dockage or marina facilities to maintain water-dependent uses, occurring at least once every 10 years and not exceeding 2,500 square feet.	<input type="checkbox"/>	DEC Countersignature
Activity 11: New navigational dredging activities around existing docking facilities (residential or commercial) of 1,250 square feet or less to maintain water-dependent uses.	<input type="checkbox"/>	DEC Countersignature
Activity 12: Installation or maintenance of dry hydrants for fire protection.	<input type="checkbox"/>	NOI
Activity 13: Installation of new or replacement residential water intake lines or beach wells, infiltration galleries, and prefabricated sand filters designed to protect individual residential water intakes.	<input type="checkbox"/>	DEC Countersignature
Activity 14: Physical, non-mechanized removal of rooted, submerged or floating aquatic vegetation from around existing docking facilities to maintain open-water access and water-dependent uses, from a total area not to exceed 1,500 square feet.	<input type="checkbox"/>	NOI

✓ **Required Attachments** (check each box to indicate that the attachment is provided with this form):

All Projects

- Project Location Map (with location marked)
- Project Site Photographs
- Project Plans – Overhead view (plan view):
 - o Dimensions of existing and proposed structures (total length, width, and height)
 - o Location of existing and proposed structures, labeled accordingly
 - o Erosion, sedimentation, and turbidity controls
 - o Location of the Mean High Water Elevation
 - o A minimum of two benchmark measurements illustrating distances measured from the lakeward face of the existing and proposed structures to permanent objects on the property to indicate the extent of work
 - o When applicable, site location map for disposal of dredged material or aquatic vegetation
- Project Plans – Side view (Cross-section):
 - o Locations and dimensions of existing and proposed structures
 - o Labels indicating the type(s) of materials being used
 - o Mean High Water Elevation
 - o Embedment of structures (where applicable, erosion protection structures shall be embedded a minimum of one foot into substrate to prevent undercutting)

As Applicable (see instructions)

- State Environmental Quality Review Documentation (copy of Negative Declaration or Notice of Acceptance of Final Environmental Impact Statement, as applicable)
- State Historic Preservation Act Documentation, as applicable.
- Justification for waterward encroachment – for projects seeking authorization under Authorized Activity 3 that include waterward encroachment, explain why a replacement or repair within, or landward of, the existing structural footprint is not possible or feasible.
- Justification to Waive or Alter Tree Cutting Restrictions – for projects unable to meet tree cutting restrictions in Permit Condition 7.

Certification:

I hereby apply for authorization under General Permit GP-0-25-007. I have read General Permit GP-0-25-007 and will construct and operate this project in strict compliance with the approved plans and terms and conditions of this permit as well as the Environmental Conservation Law and applicable regulations. I understand that any false or inaccurate statements made in the application for this permit are punishable as a Class A misdemeanor. As a condition of this permit, I accept full legal responsibility for all damage, direct or indirect, of whatever nature, and by whomever suffered, arising out of the project described herein and agree to indemnify and save harmless the state from suits, actions, damages, and costs of every name and description resulting from this project. I hereby consent to Agency inspection of the project site and adjacent areas on the property. Agency staff may enter the property without notice between 7:00 am and 7:00 pm, Monday - Friday. Inspection may occur without the owner, applicant or agent present. If the property is posted with "keep out" signs or fenced with an unlocked gate, Agency staff may still enter the property. Agency staff may take measurements, analyze site physical characteristics, take soil and vegetation samples, sketch and photograph the site. I understand that failure to give this consent may result in denial of the permit(s) sought by this application.

RESOLUTION NO.: 104 - 2026

OF

MAY 11, 2026

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF NEWBURGH
AFFIRMING ITS WILLINGNESS AND INTENT
TO JOIN THE FEDERAL HIGHLANDS CONSERVATION ACT REGION

WHEREAS, the Highlands region, encompasses more than three million acres of Pennsylvania, New York, New Jersey, and Connecticut; and

WHEREAS, the Highlands region is an area of national significance, possessing substantial natural beauty, containing contiguous forest and productive farmland, numerous cultural and historic sites, plentiful recreation opportunities, and the protection and supply of important drinking water sources for over fifteen million people; and

WHEREAS, the U.S. Congress, in bipartisanship, passed the Highlands Conservation Act, Public Law 10-421 that was signed into law by the President of the United States on November 30, 2004, designating the Highlands as a significant national conservation priority region; and

WHEREAS, the Highlands Conservation Act authorizes the Secretary of the Interior and the Secretary of Agriculture to provide financial assistance to Highlands States to preserve and protect high priority conservation land in the Highlands region; and

WHEREAS, the United States Fish and Wildlife Service manages a voluntary grant program to assist Highlands States, local units of government, and private forest and farm landowners in the conservation of land and natural resources in the Highlands region in coordination with willing sellers; and

WHEREAS, land preservation efforts in the Highlands region should link the parks, historic sites, wetlands, wildlife habitats, streams, rivers, reservoirs, watershed, trails, scenic and natural lands and other protected areas unique to the region for the enjoyment of future generations; and

WHEREAS, the City of Newburgh, New York is eligible for inclusion in the federal Highlands Conservation Act region to become eligible for future grant funding; the same being in the best interests of the City of Newburgh;

NOW THEREFORE BE IT RESOLVED that the City Council of the City of Newburgh hereby affirms and supports the City of Newburgh, New York being officially included in the federal Highlands boundary, as maintained by the U.S. Fish and Wildlife Service for the Highlands Conservation Act grant program, thereby qualifying for financial and technical assistance provided by the U.S. Congress.

Land Conservation Funding Opportunity through the Highlands Conservation Act

Summary

The Highlands Conservation Act grant program provides funding to states and municipalities for the protection of water, habitat, agricultural resources, and park lands. Your town is not currently included in the area eligible for funding.

Background

The Highlands region spans 3.4 million acres across Connecticut, New York, New Jersey, and Pennsylvania. The Highlands Conservation Act was passed in 2004, founding the Highlands Conservation Act grant program to protect clean drinking water, healthy forests, thriving wildlife populations, productive agriculture, and abundant recreational opportunities. Since then, it has brought in over \$80 million in conservation funding to Highlands communities resulting in the permanent protection of over 16,000 acres. The grant program is administered by the U.S. Fish and Wildlife Service (USFWS).

Recent changes

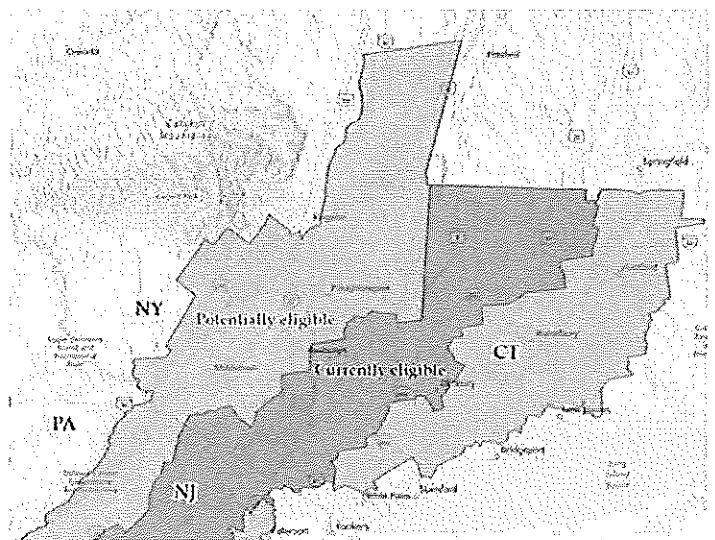

The Highlands Conservation Act was recently reauthorized with some significant changes:

Expanding who is eligible for funding

Before reauthorization, only state agencies like NY State Parks (OPRHP) and the Department of Environmental Conservation (DEC) were eligible for funding. Now, municipalities are also eligible recipients.

Expanding what areas are eligible

Prior to reauthorization, only areas in blue shown on the map were eligible for funding. Now, towns (including yours) in the pink area can be added to the eligible area.

Action needed to become eligible

If your town would like to be included in the area eligible for HCA funding, the Town Board can pass a resolution stating its willingness and intent to be added to the federal Highlands Region. A sample resolution is provided along with this information sheet. No other action will be required by the Town.

Frequently Asked Questions

What does my town need to do?

To be added to the area eligible for federal grant funding, the Town Board needs to state through a resolution its willingness and intent to join the federal HCA region. No other action will be required.

Does this commit my town to anything?

No. It will enable your town to be eligible for federal grant funding only. It does not commit the town to applying for funding, nor does it guarantee the awarding of funding.

Would this impact the town's tax assessment or equalization rate?

No. Being included in the Highlands Region allows for the potential use of federal Highlands funding in efforts to protect property with willing landowners in the community. The funding passes through to qualified state, county or municipal government entities that will purchase conservation land (through ownership, conservation easement, or both in combination)

Does this add regulations or oversight in my town?

No. If your town is added to the Highlands Region, there will be no additional regulations or oversight, just the potential to access federal grant funding.

What parcels in my town can be protected using these funds?

Generally, large parcels with high conservation resource value are considered the most competitive for funding. The USFWS has criteria based on the Highlands conservation objectives that aids in determining what parcels can be protected. These criteria and accompanying map are currently being updated and expanded based on the 2022 reauthorization language to include new geographies.

What happens next?

Once a town passes a resolution indicating willingness to be added to the HCA region, the resolution will be forwarded to the NYS Office of Parks, Recreation and Historic Preservation (OPRHP). The State will make a recommendation to the U.S. Fish and Wildlife Service. The Director of U.S. Fish and Wildlife is highly likely to approve the expansion.

Is there a deadline or a window of opportunity to state my town's willingness to be added?

There is currently no deadline to indicate your willingness to be added to the Highlands boundary. We anticipate U.S. Fish and Wildlife Service will review requests periodically and add municipalities to the HCA territory in batches.

How can these funds be used to protect a specific property in my town?

Grant rounds are typically released annually with a due date in November. Grants are submitted and administered through NY State Parks (OPRHP), and the grant requires a 50% match. HHLT and other conservation groups are available as a resource to any town that wants to know more about grant funds for land protection in your area.

Where can I find more information about the Highlands Conservation Act grant program?

More information can be found here: <https://www.fws.gov/program/highlands-conservation-act-grant>

Additional questions? Contact Ted Warren, Public Policy Manager, Hudson Highlands Land Trust

RESOLUTION NO.: 105 - 2026

OF

MAY 11, 2026

A RESOLUTION NAMING THE INTERSECTION OF FIRST STREET AND
MONTGOMERY STREET IN HONOR OF DR. RALPH HARRIS

WHEREAS, Dr. Ralph Harris was born in Shreveport, Louisiana, to the late Deacon Andrew Harris and Deaconess Mattie B. Harris, where he was nurtured in a faith-filled home under the guidance of his parents; and

WHEREAS, his natural gifts as a preacher and his charismatic, yet principled, persona earned him a broad following and a reputation for speaking truth to power with grace and in 1988, he accepted the call to lead Ebenezer Baptist Church in Newburgh, NY, embracing a ministry that extended far beyond the pulpit; and

WHEREAS, during his tenure as senior pastor, Dr. Harris actively engaged with the broader community by lending his voice to education, youth development, and interfaith and interorganizational collaboration, serving on the Newburgh City School District Advisory Council, and helping to shape youth opportunities through the Glenn E. Hines Memorial Boys/Girls Club, in addition to participating in a network of organizations that sought to uplift families and neighborhoods; and

WHEREAS, his leadership was characterized by a steady commitment to equity and opportunity by guiding, mentoring, and organizing across faith and civic lines to help bring people together to address critical local issues and his influence extended to statewide networks, as he contributed to the Empire State Missionary Baptist Convention and the National Baptist Convention USA, reinforcing the role of church leadership in public service; and

WHEREAS, Dr. Harris's legacy is preserved in the ongoing work of the programs and partnerships he helped establish and in the memories of those who witnessed his dedication to the people of Newburgh through his many contributions to the community, the City of Newburgh, and the State of New York at large, including his service as Member of Newburgh City School District Advisory Council; President of the Black Ministerial Fellowship; Member of the Glenn E. Hines Memorial Boys/Girls Club; Charter board member of "Project Life"; Member of the Empire State Missionary Baptist Convention; and Board Member of Central Hudson Baptist Association; and

WHEREAS, his life remains a testament to the power of faith-led civic engagement and fearless advocacy for the rights and dignity of all residents;

NOW, THEREFORE, BE IT RESOLVED, in recognition of the contributions of Dr. Ralph Harris to the City of Newburgh and Ebenezer Baptist Church, that the intersection of First Street and Montgomery Street be dedicated in his honor and that an unveiling of signage indicating this dedication be held, with appropriate ceremony, at a date to be coordinated by and among Ebenezer Baptist Church, the Harris family and the City of Newburgh; and that a copy of this resolution be forwarded to the family of Dr. Harris, with greatest respect, from the entire Newburgh City Council; and

BE IT FURTHER RESOLVED, that the City Manager be and he is hereby authorized to effectuate the necessary and appropriate signage in keeping herewith.

RESOLUTION NO.: _____ 106 _____ - 2026

OF

MAY 11, 2026

**A RESOLUTION NAMING THE INTERSECTION OF MONTGOMERY STREET
AND SOUTH STREET IN HONOR OF ROBERT W. MOODY**

WHEREAS, Robert W. Moody arrived in the City of Newburgh after graduating from Elizabeth City State College in North Carolina, was the first African-American teacher at the Grand Street School, and for the next 32 years was a pioneer in the field of education in the Newburgh Enlarged City School District; and

WHEREAS, Mr. Moody was the first African-American sixth grade teacher at the Montgomery Street School (now Horizons on the Hudson) where supervised the safety patrol, the Science Club, and Poetry Meets, eventually becoming Principal in 1968 and serving in that role until the mid-1980's; and

WHEREAS, from the mid-1980's until he retired in 1990, Mr. Moody was the first African-American Principal of the Vails Gate High Tech Magnet School where a plaque in the school foyer memorializes his work overseeing building renovations; and

WHEREAS, Mr. Moody's impact upon the African-American community of Newburgh through his countless contributions to the youths and families extended beyond the boundaries of the school building as an educator, mentor, role model, and sometimes a surrogate paternal figure and motivated and encouraged immeasurable lives as he shaped and guided the youths and families of this community and he unselfishly dedicated his time to encourage physical and emotional development through sports and promoted positive school/family/community relationships, which made him well respected; and

WHEREAS, he believed that every child deserved to receive a good education and sustenance and worked tirelessly with his staff and members of the community to ensure that every resource available was afforded to those who required support; and he did everything within his ability to achieve that goal; and

WHEREAS, Mr. Moody was the recipient of countless accolades, awards, and honors, including an appointment by Governor Nelson Rockefeller to the Board of Visitors of Highland State Training School for Boys in 1968 where his work continued after his retirement, and served on the board of many local organizations that worked for the improvement of Newburgh's youth; and

WHEREAS, Mr. Moody devoted his life and time to faith, family/friends, community and sports and was an active member of the community who played basketball for the CWA

(Community Workers' Association), under the supervision of another Newburgh "Hidden Figure", Mr. Glenn Hines, baseball and football with various leagues in the City of Newburgh and Town of New Windsor, NAACP, Masonic Lodge, and Vails Gate Fire Company;

NOW, THEREFORE, BE IT RESOLVED, in recognition of the contributions of Robert W. Moody to the City of Newburgh and the Newburgh Enlarged City School District, that the intersection of Montgomery Street and South Street be dedicated in his honor and that an unveiling of signage indicating this dedication be held, with appropriate ceremony, at a date to be coordinated by the Newburgh Reunion Committee, the Moody family, and the City of Newburgh; and that a copy of this resolution be forwarded to the family of Mr. Moody, with greatest respect, from the entire Newburgh City Council; and

BE IT FURTHER RESOLVED, that the City Manager be and he is hereby authorized to effectuate the necessary and appropriate signage in keeping herewith.

RESOLUTION NO.: 107 - 2026

OF

MAY 11, 2026

A RESOLUTION APPOINTING LOTUZ TO FILL AN UNEXPIRED TERM AND
APPOINTING MEGAN GALANTE AS AN ADVISORY MEMBER
TO THE CITY OF NEWBURGH ARTS AND CULTURAL COMMISSION

WHEREAS, the City of Newburgh has received three applications for one vacancy on the Arts and Cultural Commission; and

WHEREAS, the Council may appoint up to 5 Advisory Members of the Arts and Cultural Commission; and

WHEREAS, the City Council has determined to appoint LotuZ to fill the vacancy and Megan Galante as an Advisory Member to the Arts and Cultural Commission; the same being in the best interests of the City of Newburgh;

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Newburgh, New York that LotuZ is hereby appointed to The Arts and Cultural Commission for the remained of a term ending on July 9, 2028; and

BE IT FURTHER RESOLVED, by the Council of the City of Newburgh, New York that Megan Galante is hereby appointed to serve as an Advisory Member to the Arts and Cultural Commission.

RESOLUTION NO.: 108 - 2026

OF

MAY 11, 2026

A RESOLUTION AUTHORIZING THE CITY MANAGER TO EXECUTE A PAYMENT
OF CLAIM WITH DELLA LOVING IN THE AMOUNT OF \$10,000.00

WHEREAS, Della Loving brought a claim against the City of Newburgh; and

WHEREAS, the parties have reached an agreement for the payment of the claim in the amount of Ten Thousand and 00/100 Dollars (\$10,000.00) in exchange for a release to resolve all claims among them; and

WHEREAS, this Council has determined it to be in the best interests of the City of Newburgh to settle the matter for the amount agreed to by the parties;

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Newburgh, New York, that the City Manager is hereby authorized to settle the claim of Della Loving in the total amount of Ten Thousand and 00/100 Dollars (\$10,000.00) and that the City Manager or the Corporation Counsel or the City's retained outside counsel is hereby authorized to execute documents to effectuate the settlement.

RESOLUTION NO.: 109 - 2026

OF

MAY 11, 2026

A RESOLUTION AUTHORIZING THE CITY MANAGER TO EXECUTE A PAYMENT
OF CLAIM WITH NICHOLAS PALM IN THE AMOUNT OF \$9,000.00

WHEREAS, Nicholas Palm brought a claim against the City of Newburgh; and

WHEREAS, the parties have reached an agreement for the payment of the claim in the amount of Nine Thousand and 00/100 Dollars (\$9,000.00) in exchange for a release to resolve all claims among them; and

WHEREAS, this Council has determined it to be in the best interests of the City of Newburgh to settle the matter for the amount agreed to by the parties;

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Newburgh, New York, that the City Manager is hereby authorized to settle the claim of Nicholas Palm in the total amount of Nine Thousand and 00/100 Dollars (\$9,000.00) and that the City Manager or the Corporation Counsel or its retained outside counsel is hereby authorized to execute documents to effectuate the settlement.

RESOLUTION NO.: 80 - 2026

OF

APRIL 27, 2026

A RESOLUTION AUTHORIZING THE CITY MANAGER TO EXECUTE
A SECOND AMENDMENT TO A SITE DEVELOPMENT AGREEMENT WITH
THE KEARNEY REALTY & DEVELOPMENT GROUP INC. FOR THE TRANSFER
AND REDEVELOPMENT OF PROPERTIES LOCATED AT
137 SMITH STREET (SECTION 12, BLOCK 4, LOT 4.1),
140 MONTGOMERY STREET (SECTION 12, BLOCK 4, LOT 10), AND
146 MONTGOMERY STREET (SECTION 12, BLOCK 4, LOT 2.1)

WHEREAS, by Resolution No. 249-2022, the City of Newburgh authorized execution of a Site Development Agreement ("Agreement") with The Kearney Realty & Development Group Inc. for the transfer and redevelopment of properties located at 137 Smith Street (Section 12, Block 4, Lot 4.1), 140 Montgomery Street (Section 12, Block 4, Lot 10), and 146 Montgomery Street (Section 12, Block 4, Lot 2.1); and

WHEREAS, by Resolution 199-2025, the City of Newburgh authorized an amendment to the Agreement extending key performance dates; and

WHEREAS, after completing certain site investigation work and other work related to the redevelopment project, The Kearney Realty & Development Group Inc. has proposed certain changes to project representations as set forth in Schedule E of the Agreement; and

WHEREAS, the City Council of the City of Newburgh finds that approving an amendment to the Site Development Agreement that modifies Schedule E of the Agreement is in the best interests of the City of Newburgh;

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Newburgh, New York that the City Manager be and he is hereby authorized to enter into the attached Amendment (amending Schedule E) to the Site Development Agreement with The Kearney Realty & Development Group Inc. for the transfer and redevelopment of properties located at 137 Smith Street (Section 12, Block 4, Lot 4.1), 140 Montgomery Street (Section 12, Block 4, Lot 10), and 146 Montgomery Street (Section 12, Block 4, Lot 2.1).

SECOND AMENDMENT TO SITE DEVELOPMENT AGREEMENT

THIS SECOND AMENDMENT TO SITE DEVELOPMENT AGREEMENT (“Amendment”), made as of this _____ day of _____, 2026, by and between the City of Newburgh, a New York municipal corporation, with offices at 83 Broadway, City Hall, Newburgh, New York 12550 (“City”) and The Kearney Realty & Development Group Inc., a domestic business corporation having an address of 57 Route 6, Baldwin Place, New York 10505 (“Developer”).

WITNESSETH:

WHEREAS, pursuant to City Council Resolution 249-2022, on October 24, 2022, the City and Developer executed a Site Development Agreement (“Agreement”) for, among other things, the transfer and redevelopment of properties located at 137 Smith Street (Section 12, Block 4, Lot 4.1), 140 Montgomery Street (Section 12, Block 4, Lot 10), and 146 Montgomery Street (Section 12, Block 4, Lot 2.1) (the “Project”); and

WHEREAS, pursuant to City Council Resolution 199-2025, on September 21, 2025, the City and Developer executed an Amendment to the Agreement extending key performance dates in the Agreement; and

WHEREAS, Developer desires to continue developing the Project to its completion; and

WHEREAS, after completing certain site investigation work and other work related to the Project, the Developer has proposed changes to certain project representations as contained in Schedule E of the Agreement;

WHEREAS, Developer and the City now desire to further amend the Agreement as set forth herein;

NOW, THEREFORE, in consideration of the premises and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Schedule E as originally set forth in the Agreement shall be replaced in total with the “Amended Schedule E,” annexed hereto and made a part hereof.
2. All other terms and conditions set forth in the Agreement shall remain in full force and effect.

[Remainder of page intentionally left blank. Signature page follows.]

IN WITNESS WHEREOF, the City and the Developer have duly executed this Amendment as of the day and year first above written.

THE CITY OF NEWBURGH

THE KEARNEY REALTY &
DEVELOPMENT GROUP INC.

By: Jason Morris, Interim City Manager
Per Resolution No.: -----2026

By: Sean Kearney, Vice President

DRAFT

AMENDED SCHEDULE "E"
ADDITIONAL DEVELOPER REPRESENTATIONS

Project Name: The Green

Property: Covering three (3) parcels of real property all located in the City of Newburgh, County of Orange, State of New York, known as 137 Smith Street (Section 12, Block 4, Lot 4.1), 140 Montgomery Street (Section 12, Block 4, Lot 10), and 146 Montgomery Street (Section 12, Block 4, Lot 2.1), all as listed and described on the Official Tax Map of the City of Newburgh.

1. Developer is fully familiar with the City's zoning laws and requirements. Developer's plan does not contemplate requests for use variances or area variances, with the exception of an area variance for off-street parking.
2. Developer's plan shall include a central greenway and courtyard, community garden, rain garden, and community garden which comprise a minimum of approximately 2,000 square feet of space on the Premises.
3. Developer's plan shall include a permanent, on-site property manager to address residential and commercial tenant concerns.
4. Developer's plan shall include free wi-fi access for residential tenants.

5. ~~Developer's plan shall include two (2) retail spaces comprising approximately 2,488 square feet and 2,829 square feet, respectively, subject to changes requested or required by City land use boards in connection with Developer's pursuit of the Approvals and Permits.~~

Developer's plan shall include three (3) retail spaces comprising approximately 2,723 square feet, 893 square feet, and 797 square feet, respectively, subject to changes requested or required by City land use boards in connection with Developer's pursuit of the Approvals and Permits.

6. ~~Developer's plan shall include a third retail space comprising approximately 1,580 square feet. Developer shall be responsible for obtaining a Certificate of Occupancy for a proposed retail use and renting said retail space to a minority or woman-owned business, where the principal operator of said business is a resident of the City of Newburgh, and rent is fixed at no greater than \$10,400.00 annually (\$866.67 monthly) for a period of 3 years.~~

Developer's plan shall include a fourth retail space comprising approximately 1,199 square feet. Developer shall be responsible for obtaining a Certificate of Occupancy for a proposed retail use and renting said retail space to a minority or woman-owned business, where the principal operator of said business is a resident of the City of Newburgh, and rent is fixed at no greater than \$7,889.42 annually (\$657.45 monthly) for a period of 3 years. Thereafter, provided that said retail tenant is otherwise compliant in all respects with the lease in effect at the end of the third year, Developer shall offer subsequent renewal leases term(s) no less than one (1) year in length and rent increases (for the fourth and fifth years only) of no greater than four percent (4%) of the prior year's annual lease amount. .

- 6.7. ~~Developer's plan shall include approximately 101-122 residential units, serving households earning 40%, 60%, 80%, and approximately 110%100% of the then current Average~~

Median Income for Orange County. Developer shall, subject to the review and approval by New York State Homes and Community Renewal's Fair and Equitable Housing Office, develop and administer an application process that gives primary priority rental preference to prospective tenants who:

- a) Currently reside within three (3) square miles of the project area; and
- b) Can demonstrate that he/she/they had one or more ancestor(s) in a direct line of descendency (i.e. parent, grandparent, great grandparent, etc.) who owned property that was later acquired by the Newburgh Urban Renewal Agency or was the subject of an "Urban Renewal Land Disposition Agreement."

and gives secondary priority rental preference to prospective tenants who meet either of the above criteria.

7.8. Developer's final plan shall include a certification from Developer and Developer's Architect that its plan complies with both the New York State Energy Code and Leadership in Energy and Environmental Design ("LEED") minimum requirements.

8.9. Supplementing Section 2.01(d), should Developer fail to receive a Governmental Award, Developer shall have one additional opportunity to apply for such Governmental Award at the next available award cycle. Should said Governmental Award no longer be available, Developer fail to timely apply, or Developer not receive said Governmental award at the next available award cycle, the City may cancel this Agreement its sole discretion, and the Parties shall owe no further obligations to each other.

9.10. Developer shall comply with the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u ("Section 3"), as follows:

- a) Developer agrees to comply with federal regulations in 24 CFR part 75, which implements Section 3. Developer certifies that it is under no contractual or other impediment that would prevent it from complying with the Part 75 regulations.
- b) Developer agrees to notify potential contractors and subcontractors that are associated with Section 3 covered projects and activities about the requirements of Section 3, to include this Section 3 clause in every contract and subcontract subject to compliance with regulations in 24 CFR Part 75, and to ensure that any subcontractors also include this Section 3 clause in their subcontracts for work performed on the project.
- c) Developer will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR Part 75.
- d) Developer agrees to maintain hiring and contracting practices to the greatest extent feasible so that 25 percent of the total labor hours expended on the project are by Section 3 Workers, of which 5 percent are by Targeted Section 3 Workers as defined in 24 CFR part 75. As part of these practices, Developer agrees to provide priority consideration to eligible residents and businesses in accordance with 24 CFR Part 75, and eligible residents who reside within one (1) square mile of the Project

Premises. If Developer is not able to meet this benchmark goal, it must provide a narrative of efforts taken and supporting documentation explaining why it was unable to meet that goal, despite greatest extent feasible efforts taken.

- e) Developer shall offer opportunities to Section 3 Workers to attend social and networking events related to the Project, opportunities to attend project management meetings, and opportunities to meet and interact with Developer's senior management team throughout the course of the Project. Said efforts shall be documented in accordance with this paragraph (9).
- f) Developer agrees to comply with all monitoring, reporting, recordkeeping, and other procedures specified by the City. Developer is responsible for providing Section 3 performance metrics and supporting documentation for all its subrecipients, contractors, and subcontractors, as applicable. At a minimum, Developer shall complete and submit to City a "New York State Homes and Community Renewal Section 3 Sub Reporting Form & Greatest Extent Feasible Efforts Checklist" within the first six (6) months of the Project start and every six (6) months thereafter until Project completion. Developer shall also submit a final report at the completion of the Project.
- g) Noncompliance with HUD's regulations in 24 CFR Part 75 may result in sanctions, penalties, and/or termination of this contract for default.

11. The Developer will commit to incorporating an internship program for two (2) City of Newburgh residents during the construction phase of the Project. The internships will be paid and will provide experience in general contracting, real estate development, and real estate management.

RESOLUTION NO.: 199 - 2025

OF

SEPTEMBER 8, 2025

A RESOLUTION AUTHORIZING THE CITY MANAGER TO EXECUTE AN AMENDMENT TO A SITE DEVELOPMENT AGREEMENT WITH THE KEARNEY REALTY & DEVELOPMENT GROUP INC. FOR THE TRANSFER AND REDEVELOPMENT OF PROPERTIES LOCATED AT 137 SMITH STREET (SECTION 12, BLOCK 4, LOT 4.1), 140 MONTGOMERY STREET (SECTION 12, BLOCK 4, LOT 10), AND 146 MONTGOMERY STREET (SECTION 12, BLOCK 4, LOT 2.1)

WHEREAS, by Resolution No. 249-2022, the City of Newburgh authorized execution of a Site Development Agreement with The Kearney Realty & Development Group Inc. for the transfer and redevelopment of properties located at 137 Smith Street (Section 12, Block 4, Lot 4.1), 140 Montgomery Street (Section 12, Block 4, Lot 10), and 146 Montgomery Street (Section 12, Block 4, Lot 2.1); and

WHEREAS, The Kearney Realty & Development Group Inc. requested a six (6) month extension of time to close title in accordance with the Site Development Agreement, and the City Manager granted the request to extend the time to close title until April 24, 2025; and

WHEREAS, Sean Kearney, Vice President of The Kearney Realty & Development Group Inc., has requested an extension of time to meet certain key performance dates contained in the Site Development Agreement; and

WHEREAS, the City Council of the City of Newburgh finds that approving an amendment to the Site Development Agreement that modifies said key performance dates is in the best interests of the City of Newburgh;

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Newburgh, New York that the City Manager be and he is hereby authorized to enter into the attached Amendment to the Site Development Agreement with The Kearney Realty & Development Group Inc. for the transfer and redevelopment of properties located at 137 Smith Street (Section 12, Block 4, Lot 4.1), 140 Montgomery Street (Section 12, Block 4, Lot 10), and 146 Montgomery Street (Section 12, Block 4, Lot 2.1).

I, Katrina Cotten, City Clerk of the City of Newburgh hereby certify that I have compared the foregoing with the original resolution adopted by the Council of the City of Newburgh at a regular meeting held Sept. 8, 2025 and that it is a true and correct copy of such original. Witness my hand and seal of the City of Newburgh this 9th day of Sept. 20 25

RESOLUTION NO.: 249 - 2022

OF

OCTOBER 11, 2022

A RESOLUTION AUTHORIZING THE CITY MANAGER TO EXECUTE A SITE DEVELOPMENT AGREEMENT WITH THE KEARNEY REALTY & DEVELOPMENT GROUP INC. FOR THE TRANSFER AND REDEVELOPMENT OF PROPERTIES LOCATED AT 137 SMITH STREET (SECTION 12, BLOCK 4, LOT 4.1), 140 MONTGOMERY STREET (SECTION 12, BLOCK 4, LOT 10), AND 146 MONTGOMERY STREET (SECTION 12, BLOCK 4, LOT 2.1)

WHEREAS, the City of Newburgh wishes to redevelop City-owned properties located at 137 Smith Street (Section 12, Block 4, Lot 4.1), 140 Montgomery Street (Section 12, Block 4, Lot 10), and 146 Montgomery Street (Section 12, Block 4, Lot 2.1) (collectively the "Properties"); and

WHEREAS, the City of Newburgh issued Request for Proposals ("RFP") No. 6.21 to solicit for plans to redevelop the Properties; and

WHEREAS, the Mayor's Strategic Economic Development Advisory Committee ("SEDAC") reviewed all of the proposals submitted in connection with the RFP and recommended the proposal to redevelop the Properties set forth by The Kearney Realty & Development Group Inc. to the City Council; and

WHEREAS, the City Council caused a public hearing to be duly noticed and convened and completed a public hearing on September 12, 2022; and

WHEREAS, the parties have negotiated a site development agreement for the transfer and redevelopment of the Property, which is annexed hereto; and

WHEREAS, this Council finds that the Properties are not required for public use and that approving such site development agreement is necessary, appropriate and in the best interests of the City;

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Newburgh that the City Manager be and he is hereby authorized to execute on behalf of the City of Newburgh the site development agreement with The Kearney Realty & Development Group Inc. (by Kenneth Kearney, as president), in substantially the same form as annexed hereto with other provisions as Corporation Counsel may require, for the transfer and redevelopment of the properties located at 137 Smith Street, 140 Montgomery Street, and 146 Montgomery Street.

I, Lorene Vitak, City Clerk of the City of Newburgh, hereby certify that I have compared the foregoing with the original resolution adopted by the Council of the City of Newburgh at a regular meeting held 10-11-2022 and that it is a true and correct copy of such original.

City Clerk

RESOLUTION NO.: 81 - 2026

OF

APRIL 27, 2026

A RESOLUTION AUTHORIZING THE CITY MANAGER TO EXECUTE
AN AGREEMENT FOR THE PAYMENT IN LIEU OF TAXES BETWEEN
THE CITY OF NEWBURGH, THE GREEN HOUSING DEVELOPMENT FUND
COMPANY, INC., AND NEWBURGH GREEN APARTMENTS LIMITED PARTNERSHIP

WHEREAS, the City of Newburgh (the "City") encourages a sufficient supply of adequate, safe and sanitary dwelling accommodations properly planned for low and moderate-income individuals; and

WHEREAS, by Resolution No. 249-2022, the City Council selected The Kearney Realty & Development Group Inc. for the transfer and development of property located at City-owned properties located at 137 Smith Street (Section 12, Block 4, Lot 4.1), 140 Montgomery Street (Section 12, Block 4, Lot 10), and 146 Montgomery Street (Section 12, Block 4, Lot 2.1) (collectively the "Properties") in a manner that would provide affordable housing options to persons of low and moderate-income; and

WHEREAS, The Kearney Realty & Development Group Inc. intends to become a partner in a housing development fund corporation ("HDFC") known as The Green Housing Development Fund Company, Inc., a New York not-for-profit corporation organized under Article XI of the New York Private Housing Finance Law ("PHFL") and Section 402 of the New York State Not-for-Profit Corporation Law; and

WHEREAS, the HDFC will become the record owner of the Properties, which shall be used for the purpose of providing approximately 122 residential units for individuals and families of low to moderate income, an on-site superintendent unit, and approximately 5,612 square feet of commercial space (the "Project"); and

WHEREAS, the HDFC's plan for the continued use of the Properties constitutes a "housing project" as that term is defined in the PHFL; and

WHEREAS, the HDFC is a "housing development fund company" as the term is defined in Section 572 of the PHFL, and Section 577 of the PHFL authorizes the City Council to exempt the Properties from real property taxes; and

WHEREAS, The Kearney Realty & Development Group Inc., acting on behalf of The Green Housing Development Fund Company, Inc. and Newburgh Green Apartments Limited Partnership, seeks a PILOT agreement ("Agreement") whereby the HDFC will make annual payments in lieu of taxes to the City as set forth in the Agreement below, now presented to the City Council for approval; and

NOW THEREFORE, BE IT RESOLVED, that the members of the City Council hereby exempts the Properties from real property taxes to the extent authorized by Section 577 of the PHFL and approve the proposed PILOT Agreement by and among the City of Newburgh, the HDFC, and Newburgh Green Apartments Limited Partnership, which provides for annual payments as set forth in such agreement; and

BE IT FURTHER RESOLVED, that the City Manager is hereby authorized to execute and deliver the foregoing PILOT Agreement, in substantially the same form with other documents as Corporation Counsel may require, on behalf of the City.

AGREEMENT FOR PAYMENT IN LIEU OF TAXES (“PILOT”) BY AND AMONG THE CITY OF NEWBURGH, THE GREEN HOUSING DEVELOPMENT FUND COMPANY, INC. AND NEWBURGH GREEN APARTMENTS LIMITED PARTNERSHIP

THIS AGREEMENT FOR PAYMENT IN LIEU OF TAXES (the “PILOT Agreement” or “Agreement”), dated as of _____, 2026, by and among the **CITY OF NEWBURGH, NEW YORK**, a New York municipal corporation, having its principal office located at 83 Broadway, Newburgh, New York 12550 (the “City”) and **THE GREEN HOUSING DEVELOPMENT FUND COMPANY, INC.**, a New York not-for-profit corporation and entity organized pursuant to Article XI of the Private Housing Finance law, having its principal place of business at c/o RUPCO, Inc., 289 Fair Street, Kingston, New York 12401 (the “HDFC”), which HDFC will hold title to the Property (as hereinafter defined) for the benefit of **NEWBURGH GREEN APARTMENTS LIMITED PARTNERSHIP**, a New York Limited Partnership, having its principal office located at c/o The Kearney Realty & Development Group Inc., 57 Route 6, Suite 207, Baldwin Place, New York 10505 (the “Company”), (the City, the HDFC, and the Company are collectively referred to as the “Parties”).

WHEREAS, by the First Taxable Status Date as defined in Section 2, below, the HDFC will be the bare legal or record owner, and the Company will be the beneficial and equitable owner, of three (3) parcels of real property all located in the City of Newburgh, County of Orange, State of New York, known as 137 Smith Street (Section 12, Block 4, Lot 4.1), 140 Montgomery Street (Section 12, Block 4, Lot 10), and 146 Montgomery Street (Section 12, Block 4, Lot 2.1), all as listed and described on the Official Tax Map of the City of Newburgh (collectively hereafter referred to as the “Property”); and

WHEREAS, the HDFC is a corporation established pursuant to Section 402 of the Not-For-Profit Corporation Law and Article XI of the Private Housing Finance Law (“PHFL”); and

WHEREAS, by the First Taxable Status Date, as defined in Section 2 below, the HDFC will be the co-general partner of the Company; and

WHEREAS, the HDFC and the Company have each been formed for the primary purpose of providing residential rental accommodations for persons of middle and low income, as well as the construction of approximately 5,612 square feet of commercial retail space; and

WHEREAS, the Company will develop, own, construct, maintain and operate a housing project for persons of middle income and low income on the Property, as well as develop, own, construct, and maintain the commercial retail space (the “Project”); and

WHEREAS, the HDFC’s and the Company’s plan for the use of the Property constitutes a “housing project” as that term is defined in the PHFL; and

WHEREAS, the HDFC is a “housing development fund company” as the term is defined in Section 572 of the PHFL; and

WHEREAS, pursuant to Section 577 of the PHFL, the local legislative body of a municipality may exempt the real property of a housing project of a housing development fund company from local and municipal taxes, including school taxes, other than assessments for local improvements, to the extent of all or a part of the value of the property included in the completed project; and

WHEREAS, the Council Members of the City of Newburgh, New York, by resolution number _____-2026 adopted _____, 2026, approved and authorized the execution of this Agreement;

NOW, THEREFORE, it is agreed as follows:

1. Pursuant to Section 577 of the PHFL, the City hereby exempts from local and municipal taxes, other than assessments for local improvements, one hundred percent (100%) of the value of the Property, including both land and improvements. "Local and Municipal Taxes" shall mean any and all real estate taxes levied by Orange County ("County"), the City, and the Newburgh Enlarged City School District (the "School District") (the City, the County, and the School District collectively referred to as the "Taxing Jurisdictions").
2. This tax exemption will operate for a period of **thirty (30) years**, measured from the City's first taxable status date following the date that a permanent certificate of occupancy ("Certificate of Occupancy") is issued by the City ("First Taxable Status Date"). This Agreement shall not limit or restrict the HDFC's or Company's right to apply for or obtain any other tax exemption to which it might be entitled upon the expiration of this Agreement. The parties understand that the exemption extended pursuant to Section 577 of the PHFL and this Agreement does not include exemption from assessments for local improvements, special assessments, or special ad valorem levies. During the period of this Agreement, the Company shall pay any service charges, special ad valorem levies, special assessments and improvement district charges or similar tax equivalents which are or would be levied upon or with respect to the Project by the Taxing Jurisdictions or any other taxing authority.
3. So long as the exemption hereunder continues, the Company shall make annual payments in lieu of taxes ("PILOT") in the amounts set forth in section 3(a) below, measured from the First Taxable Status Date, which payments shall cover all Local and Municipal Taxes owed in connection with the Property and the Project, and which payment shall be shared by Taxing Jurisdictions on the same basis as property taxes would be shared if the Property and the Project were fully taxed. So long as the tax exemption remains in effect, tenant rental charges shall not exceed the maximum established or allowed by law, rule or regulation, and the Property shall be operated in conformance with the provisions of Article XI of PHFL.
4. The first PILOT for the Property shall be in the amount of \$175,700.00 for the first taxable year and shall increase annually at the rate of three percent (3%). The annual payment schedule is annexed hereto as **Exhibit A**.
 - a. The first PILOT payment shall be made on or before February 15 of the calendar year following the first taxable year as contemplated in Section 2. Subsequent PILOT payments shall be due and received by the City on or before **February 15** of the calendar year to which this Agreement applies. The PILOT payment shall be payable to the "City of

Newburgh.” The PILOT payment shall be mailed via first class mail through the United States Postal Service or personally delivered to the City of Newburgh, attention Tax Collector, 83 Broadway, Newburgh, New York 12550, or such other address as the City may specify in writing.

- b. The HDFC and the Company agree that any PILOT payment will not be reduced for any reason, nor will the HDFC or the Company seek to commence any action(s) to reduce a PILOT payment, as these factors have been considered in arriving at the payment amounts reflected in this Agreement.
 - c. The HDFC and the Company shall continue to pay all water, sewer, and sanitation charges in accordance with the assessments and rates established by the City.
5. The tax exemption provided by this Agreement will continue for the term described above provided that (a) the Property continues to be used in accordance with certain representations made in Schedule E of a Site Development Agreement dated October 24, 2022 (and as may be amended from time to time) between the City of Newburgh and The Kearney Realty & Development Group Inc., and (b) any of the following occur (i) the HDFC and the Company operate the Property in conformance with Article XI of the PHFL; or (ii) the HDFC assumes sole legal ownership of the Property and the Company assumes sole beneficial ownership of the Property and operates the Property in conformance with Article XI of the PHFL; or (iii) in the event an action is brought to foreclose a mortgage upon the HDFC, and the legal and beneficial interest in the Project shall be acquired at the foreclosure sale or from the mortgagee, or by a conveyance in lieu of such sale, by a housing development fund corporation organized pursuant to Article XI of the PHFL, or by the Federal government or an instrumentality thereof, or by a corporation which is, or by agreement has become subject to the supervision of the superintendent of banks or the superintendent of insurance, such successor in interest, such successor in interest shall operate the property in conformance with Article XI of the PHFL; and (c) none of the Parties are in default under this Agreement.
6. Following the issuance of a permanent Certificate of Occupancy, the HDFC and the Company shall be required to obtain a Rental License from the City in accordance with Chapter 240 of the City of Newburgh Code of Ordinances (and as may be amended) (the “Code”). The HDFC and the Company shall make application to the City’s Code Compliance Bureau for a Rental License and any subsequent Rental License renewals no later than 60 days prior to the expiration date of the Rental License then in effect. Inability to provide access to a dwelling unit shall not be a defense to the HDFC’s and/or the Company’s ability to obtain a Rental License.
- i. The expiration or lapse of a Rental License for more than 60 days after the expiration date of the Rental License then in effect shall be grounds for default and termination of this Agreement, unless:
 1. The expiration or lapse results from a *force majeure*, a casualty caused by anyone other than an employee or agent of Company or the HDFC, the actions of an occupant of the Property, or the actions of a guest or invitee of an occupant of the Property, including but not limited to actions outlined in Code Sections 240-14(E)(3), (4), (5), (6), (7), or (8); and

2. The Company and HDFC are diligently taking steps to abate and resolve such actions, including, without limitation, seeking to evict such offending occupant, or taking steps to remedy the casualty.

~~6.7.~~ Failure to make a scheduled PILOT Payment will be treated as failure to make payment of taxes and will be governed by the same provisions of law as apply to the failure to make payment of taxes, including but not limited to imposition of penalty and interest charges as allowed under state and local law, and enforcement and collection of taxes to the extent permitted by law. Any payment not received by its due date shall accrue interest and penalties at the rates provided for late payment of taxes to the Taxing Jurisdictions.

~~7.8.~~ Failure to make PILOT payments when due, as required pursuant to Section 4 of this Agreement, and which failure continues for more than thirty (30) days following written notice from the City shall constitute an Event of Default hereunder ("Event of Default" or "Default").

- a. Whenever an Event of Default under this Agreement for failure to make required PILOT Payments shall have occurred and be continuing, the City shall have the following remedies: The City may terminate this Agreement and exercise all of the rights and remedies available for failure to pay property taxes accruing following the date of termination as and when due had this Agreement not been in effect. The City may take whatever action at law or in equity as may appear necessary or desirable to collect the amount then in default or to enforce the performance and observance of the obligations, agreements and covenants of HDFC and the Company under this Agreement, and the Company shall further pay the reasonable fees and disbursements of such attorneys as the City shall engage for the enforcement of performance or observance of any obligation, covenant or agreement on the part of HDFC and the Company and all other reasonable expenses, costs and disbursements so incurred.
- b. No remedy herein conferred reserved is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement or now or hereafter existing at law or in equity or by statute.
- c. No delay or omission in exercising any remedy shall impair any such remedy or construed to be a waiver thereof. It shall not be necessary to give any notice other than as expressly required under this Agreement. In the event any provision contained in this Agreement should be breached and thereafter duly waived by the party or parties so empowered to act, such waiver shall be limited to the particular breach so waived and shall not be deemed to be a waiver of any other breach hereunder.

~~8.9.~~ All notices and other communications hereunder shall be in writing and shall be sufficiently given when delivered to the applicable addresses stated in **Exhibit B** (or such other address as the party to whom notice is given shall have specified to the party giving notice) by registered or certified mail, return receipt requested or by such other means as shall provide the sender with documentary evidence of such delivery. This provision shall not apply in the event that the HDFC, its successors or assigns, become subject to the City's procedures with respect to the collection of delinquent taxes.

- a. With respect to any notice(s) of Default in accordance with Section 8 that may be issued by the City to the HDFC and/or the Company under the terms of this Agreement, the City shall also provide Project lenders with such notice(s) of Default at the following addresses (or such other address(es) as any Project lender shall provide in writing to the City Clerk and City's Office of the Corporation Counsel):

9.10. This Agreement shall inure to the benefit of and shall be binding upon the City the Company and the HDFC and their respective successors and assigns, including the successors in interest of the Company and the HDFC. There shall be no assignment of this Agreement except with consent of the other party, which consent shall not be unreasonably withheld. In the event that the Company and the HDFC seeks to assign this agreement, the Company and the HDFC must demonstrate to the City, at a minimum, that the record owner of the Property is a housing development fund company subject to Article XI of the PHFL, the assignee is willing to assume the obligations of this Agreement in writing, and the assignee shall have

provided such financial and other information as shall be reasonably requested by the City in order to assure the proper completion and operation of the housing project and the compliance with the terms of this Agreement and all applicable laws, regulations and covenants.

~~10.11.~~ If any provision of this Agreement or its application is held invalid or unenforceable to any extent, the remainder of this Agreement and the application of that provision to other persons or circumstances shall be enforced to the greatest extent permitted by law.

~~11.12.~~ This Agreement may be executed in any number of counterparts with the same effect as if all the signing parties had signed the same document. All counterparts shall be construed together and shall constitute the same instrument.

~~12.13.~~ This Agreement constitutes the entire agreement of the parties relating to payments in lieu of taxes with respect to the Property and supersedes all prior contracts, or agreements, whether oral or written, with respect thereto.

~~13.14.~~ Each of the parties individually represents and warrants that the execution, delivery and performance of this Agreement, (i) has been duly authorized by proper action of its governing body and does not require any other consent or approval for the execution thereof by such municipality, (ii) does not violate any law, rule, regulation, order, writ, judgment or decree by which it is bound, and (iii) will not result in or constitute a default under any agreement or instrument to which it is a party. Each such party represents that this Agreement shall constitute the legal, valid and binding agreement of such party enforceable in accordance with its terms.

~~14.15.~~ The Company and HDFC jointly and severally make the following representations, warranties and covenants:

a. The HDFC is a "housing development fund company" under Article XI of the PHFL, and the Company is a limited partnership, the co-general partner of which is the HDFC, each of which is organized, validly existing and in good standing under the laws of the State and is authorized under the laws of the State to do business in the State, has the power to enter into this Agreement and to perform the transactions contemplated hereby and its obligations hereunder and by proper action has duly authorized the execution and delivery of this Agreement and the performance of its obligations hereunder, and the execution, delivery and performance of this Agreement does not require any other consent or approval. This Agreement shall constitute the legal, valid and binding agreement of HDFC and the Company enforceable in accordance with its terms.

b. Neither the Company nor HDFC is in default under, or in violation of, any indenture, mortgage, declaration, lien, lease, contract, note, order, judgment, decree or other instrument of any kind to which any of its assets are subject, and the execution, delivery and compliance by the Company or HDFC with the terms and conditions of this Agreement do not and will not conflict with or constitute or result in a default by the Company or HDFC in any material respect under or violation of, (1) the entity's organizational documents, (2) any agreement or other instrument to which such entity is a party or by which, to such entity's knowledge, it is bound, or (3) any constitutional or statutory provision or order, rule, regulation, decree or ordinance of any court, government or

governmental authority having jurisdiction over the Company or HDFC or its property, and no event has occurred and is continuing which, with the lapse of time or the giving of notice, or both, would constitute or result in such a default or violation.

- c. The Company has provided to the City true and complete financial information with respect to the Property, including without limitation project costs, financing sources, rents and income limitations.
- d. The Company covenants and agrees to operate the Property in accordance with all applicable rules and regulations of Article XI of the PFHL.
- e. The Company covenants and agrees to provide to the City any information or documents reasonably requested in writing by the City in order to provide any federal, state or local entity with information or reports required under any applicable law, rule or regulation.

~~15.16.~~ The City shall file a copy of the fully-executed Agreement with the City Assessor. The Company shall be responsible for taking such actions as may be necessary to ensure that the Property shall be assessed as exempt upon the assessment rolls of the respective Taxing Jurisdictions, including without limitation ensuring that any required exemption form shall be filed with the appropriate officer or officers of each respective Taxing Jurisdiction. Such exemption shall be effective as of the first taxable status date of the applicable Taxing Jurisdiction following the date of this Agreement, provided that the Company shall timely file any requisite exemption forms.

~~16.17.~~ This Agreement shall be governed by and construed in accordance with the laws of the State of New York. The Parties each consent to the jurisdiction of the New York courts in and for the County of Orange regarding any and all matters, including interpretation or enforcement of this Agreement or any of its provisions. Accordingly, any litigation arising hereunder shall be brought solely in such courts.

~~17.18.~~ Entire Agreement. The Parties agree that this is the entire, fully integrated Agreement between them.

~~18.19.~~ Amendments. This Agreement may not be amended, changed, modified, altered or terminated except by an instrument in writing executed by the Parties hereto.

~~19.20.~~ No Third Party Beneficiaries. The Parties state that there are no third-party beneficiaries to this Agreement.

~~20.21.~~ All Terms Material. Each and every term and condition of this Agreement is of the essence and constitutes a material part of the bargained-for consideration, without which this Agreement would not have been executed.

~~21.22.~~ This Agreement shall be deemed withdrawn unless fully-executed by the Parties on or before December 31, 2026.

[Remainder of page intentionally left blank.
Signature page to follow.]

IN WITNESS WHEREOF, the City, the HDFC and the Company have caused this Agreement to be executed in their respective names by their duly authorized representatives and their respective seals to be hereunder affixed, all as of the date above-written.

Re: Request for Payment-In-Lieu-Of-Taxes (PILOT) Agreement – The Green

Dear City Manager Venning,

On behalf of Kearney Realty & Development Group, Inc., I respectfully submit this letter to formally request the City of Newburgh's consideration of a Payment-In-Lieu-Of-Taxes (PILOT) Agreement for the development known as The Green.

As you are aware, The Green is being developed pursuant to the existing Site Development Agreement between Kearney Realty & Development Group, Inc. and the City of Newburgh, which was authorized by City of Newburgh's Common Council Resolution No. 249-2022. That resolution followed the recommendation of the Strategic Economic Development Committee and the Common Council's selection of Kearney Realty & Development Group's response to the City's Request for Proposals "RFP #6.21 – Purchase and Development of City-Owned Parcels at 140 & 146 Montgomery Street, and 137 Smith Street."

We are pleased to confirm that The Green has been developed consistent with the Developer Representations set forth in Schedule E of the Site Development Agreement, specifically, The Green will include mixed-income housing for households earning up to 40%, 60%, 80%, and 100% of Orange County's Area Median Income, The Green will be mixed-use (commercial and residential), The Green will include a commercial space at below market rent for a minority or woman-owned small business owner, The Green will be LEED Certified, and The Green will include a local preference as well as a "Right of Return" preference to individuals or families who were displaced by Urban Renewal.

The project is currently scheduled to close with the New York State Housing Finance Agency (HFA) in March 2026. In order to support that closing timeline and provide certainty to all financing partners, we respectfully request that the PILOT Agreement be finalized by mid-February 2026, if possible.

To assist the City in its review, Cheryl Sarjeant of Cannon Heyman & Weiss, LLP will be working with Kearney Realty & Development Group, Inc. on the preparation of a draft PILOT Agreement for the

Common Council's consideration. Copies of the proposed agreement will also be provided to the Corporation Counsel for review and comment.

We appreciate the City of Newburgh's continued partnership and support of The Green, and we look forward to working collaboratively with your office, the Common Council, and City staff to advance this request in a timely manner. Please do not hesitate to contact me should you require any additional information or documentation.

Respectfully submitted,

Sean Kearney

President

Re: The Green Apartments – 581(a) Appraisal:

Dear Mr. Kearney,

In accordance with your requirements, I have undertaken an appraisal of an affordable development property located in the City of Newburgh, New York. This appraisal is being prepared for refinancing apparition. The valuation method as mandated by RPTL 581-a is only the income approach. This has created a *Jurisdictional Exception*, as noted in this report.

The proposed property is a 122-unit apartment development located at 140 Montgomery Street Newburgh New York 12555. The site is situated in a low-income neighborhood of the city that is occupied by high percentage of renters -75%.

The property could be assessed and conforms to the S-581-A, the assessment of residential properties.

I believe that the estimate is a reasonable reflection of the real estate taxes for 2024/ 2025 and is subject to your review and analysis of all revenues, expenses, and guidelines. The 581a analysis only impacts expenses based on mill rate calculation - (assessment x mill rate).

However, the actual real estate taxes are based on the date the property enters service, the rents at that time (*HUD/NYS-HCR – formula*), estimate tenant utility allowances by unit type, actual expenses, mill rates and effective capitalization rates for similar factors and conditions.

The subject property is appraised to estimate its market value, in a fee simple interest, as of March 26, 2026. After carefully considering supply and demand factors influencing the property, and transactions of competitive properties, I conclude the Market Value with 2025 rents and expenses of the fee simple interest of the Green Apartments, as of March 26, 2026, as follows:

Eight Million Seven Hundred Fifty Thousand Dollars
\$8,750,000 - \$71,800+/- per unit

Attached herewith is my consulting report that outlines all computations, methods of approach and pertinent facts that were considered in estimating the assessment value of the subject property.

Respectively submitted,

Richard J. Lampert

The Green Apartments – March 2026

Report Certification

I certify that, to the best of my knowledge and belief:

- The statements of fact contained in this report are true and correct.
- The reported analysis, opinions, and conclusions are limited only by the reported assumptions and limiting conditions, and is my personal, unbiased professional analysis, opinions, and conclusions.
- I have no present or prospective interest in the property that is the subject of this report, and I have no personal interest or basis with respect to the parties involved.
- My compensation is not contingent upon the reporting of a predetermined value or direction in value that favors the cause of the client, the amount of the value estimate, the attainment of a stipulated result, or the occurrence of a subsequent event resulting from the analysis, opinions, or conclusions in, or the use, of this report.
- My analysis, opinions, and conclusions were developed, and this report has been prepared, in conformity with the Uniform Standards of Professional Appraisal Practice. The use of this report is subject to the requirements of the Appraisal Institute relating to review by its duly authorized representatives.
- I, Richard J. Lampert, did inspect the site on March 26, 2026, that is the subject of this report. No one provided significant professional assistance to the person(s) signing this report.
- The appraisal was not based on a requested minimum valuation, a specific valuation, or the approval of a loan.
- I, Richard J. Lampert, hereby acknowledge that I have the appropriate education and experience to complete the assignment in a competent manner.
- I have performed no services, as an appraiser or in any other capacity, regarding the property that is the subject of this report within the three-year period immediately preceding acceptance of this assignment.
- The valuation method for this assignment is based on 581-a Stature.

The subject property is appraised to estimate its market value, in a fee simple interest, as of March 26, 2026. After carefully considering supply and demand factors influencing the property, and transactions of competitive properties, I conclude the Market Value with 2025 rents and expenses of the fee simple interest of the Green Apartments, as of March 26, 2026, as follows:

Eight Million Seven Hundred Fifty Thousand Dollars
\$8,750,000 - \$71,800+/- per unit

Trends in Affordable Rental Housing and 581-a Stature.

Prior to 1980's, the Federal Government policy toward housing was to provide development and operating assistance for low-income housing via the older 236 Program with HAP contracts, Section Eight (*New construction and existing housing*) and the smaller 515 Rural Development and 202 Senior Housing programs.

Both the Federal government and state government wanted to exit out of the annual rental subsidy program because of increasing costs and only marginal increases in new affordable housing stock.

By the year 2000, the Federal government had exited the standard operating subsidy program for housing, except for the 515 Rural Development Program and 202 housing programs for seniors. Over 90+% of all new affordable housing is developed under the Low-Income Housing Tax Credit (*LIHTC*) program.

Some states, including New York, have developed a State Low Income Housing Tax Credit (*SLIHTC*) for state Income taxes which this program has a few projects.

The concept of this program is to offset the development costs and expenses of new construction and renovations and limit the Federal government exposure for operating subsidies. Once the property is built, it should operate on its own cash flow, subject to HUD and New York Division of Housing and Community Renewal (*NYS-HCR*) requirements. In the long-term, the Federal and State governments will save billions of dollars. The rents will stay low because the debt structure is minimal.

However, the low rents and government restrictions result in marginal financially viable development. Currently, many areas of the state affordable housing market are experiencing cash flow issues, especially New York City.

Further impacting on the analysis is that the rental rates (*Government Standards*) are generally below market standards causing the effective operating expense ratio to be **significantly higher**. This results in a substantially lower net operating income.

For valuation purposes, the housing development is highly restricted and has a higher investment risk. The effective market capitalization rate will increase by 150 to 300 basis points because of risk, limited long-term appreciation, and restrictions.

The actual gross rent is determined by a formula that is based on average median income for the area (*MSA or County*) and is adjusted annually based on this formula. Given the marginal growth of income in upstate New York, effective values for most affordable housing development could be significantly financially impaired in limited growth regions.

The 202 program is very similar to the RD 515 program, which also may effectively end as an on-going program soon. The long-term view on the future of the Low-Income Housing Tax Credit (*LIHTC*) program is not highly positive currently.

The statute has created areas of interest. Many assessors attempt to utilize Institutional Investment quality capitalization rate surveys as the basis of the market rate capitalization factor, but clearly affordable housing is not institutional quality investment.

The owners view the low rents and government restriction to result in marginally viable development. A further impact on the analysis is that the rental rates (*Government Standards*) are below market standards causing the effective operating expense ratio to be significantly higher than market rate projects. This results in a substantially lower net operating income.

In addition, Housing Community Renewal (HCR) has increased the quality and overall operating efficiency of affordable housing. This is to protect Housing Trust Investment and other related funding programs and results in significant increase in reserve requirements over market rate developments. For some development, the reserves are the second highest expense item.

Programs under Housing and Community Renewal (HCR) have a greater percentage of lower income units for seniors than many of the existing NYS-HFA developments. While both are serving the community, the newer HCR senior developments have less revenue.

Disclosure to the Users of this Report

We believe that the estimate is a reasonable reflection of the real estate taxes for 2024/2025 and is subject to your review and analysis of all revenues, expenses, and guidelines. We are submitting this report as part of our application.

However, the actual real estate taxes are based on the date the property enters service, the rents at that time (*HUD/NYS-HCR – formula*), estimate tenant utility allowances by unit type, actual expenses, mill rates and effective capitalization rates for similar properties.

This report does not in any way bind the assessor(s) to agree to our analysis. Other than that, the property is to be assessed under the standards of 581-(a)

The property operates in a heavily regulated environment. The operations of the property are subject to the administrative directives, rules and regulations of federal, state and local regulatory agencies, including, but not limited to, HUD, NYS-DCR, NYS-HFA, Rural Development and other State Housing Agency. Such administrative directives, rules and regulations are subject to change by an act of Congress, or an administrative change mandated by HUD or the State Housing Agency. Such changes may occur with little notice or inadequate funding to pay for the related cost, including the additional administrative burden, to comply with the changes.

Jurisdictional Exception Rule:

If any part of USPAP is contrary to the law or public policy of any jurisdiction, only that part shall be void and no force or effect in that jurisdiction. An appraiser using the **JURISDICTIONAL EXCEPTION RULE** must properly identify and comply with the law or regulation that precludes compliance with USPAP. In addition, the appraiser must disclose in the report the part of USPAP that is voided by that law and regulation, and also cite in the report the specific law or regulation that precludes compliance with USPAP

The valuation method as mandated by RPTL 581-a is only the income approach. This has created a *Jurisdictional Exception*, as noted in this report. 581a also requires that reserves be assumed to be an operating expense for analysis and calculation basis.

Income Approach to Valuation:

The Income Approach is defined as,

"a set of procedures in which an appraiser derives a value indication for income producing property by converting anticipated benefits into property value. This conversion is accomplished either by:

- o Capitalizing a single-year's income expectancy or an annual average of several years' income expectancies at a market-derived capitalization rate or a capitalization rate that reflects a specified income pattern return on investment, and change in the value of the investment.

- o Discounting the annual cash flows for the holding period and the reversion at a specified yield rate."

The Income Approach views the property as a revenue producing asset whose value is dependent upon its ability to satisfy investment criteria. The general steps include:

- o Understanding the revenue producing potential of the property.

- o Considering appropriate expenses including a vacancy and rent loss factor as well as normal recurring operating expenses and real estate taxes. A careful study is undertaken to insure the level of operating expenses represents typical management.

- o Subtracting periodic operating expenses from anticipated revenues results in a net operating income stream. Then, deducting capital expenditures results in a pretax cash flow.

Under S-581-a. *ASSESSMENT OF RESIDENTIAL REAL PROPERTY* provides for net operating income to be reduced by required reserve requirements.

After, we have calculated the adjusted Net Operating Income (NOI), we are required to divide the adjusted Net Operating Income by a calculated capitalization rate to determine the assessed value of the property. I also reviewed comparable affordable family developments for operating expenses. I only adjusted payroll and related by increasing by \$24,000 to reflect an additional part-time employee.

Before I can finalize the overall rate, I need to calculate and include an effective tax rate. I used the rate supply to me by the assessor's records

I have not deducted the actual tax bill as an operating expense because the proper real estate taxes are still unknown. This is because real estate taxes are based on the property value, which we have not yet calculated.

In concluding the final capitalization rate for the value conclusion, I will add the market capitalization rate and the real estate tax capitalization rate.

Generally, the assessor is applying only a zero percent contingency factor on actual operating revenues that is based on 581a standards for actual operating properties. However, most state agencies for housing are using 5% to 7% as a standard.

The property cash flow is based on 100% revenue for analysis purposes. Given standard tenant turnover, the actual percentage varies from 2.5% to 5.00%. I have concluded a 3.00% factor

Capitalization Rate Development

The development of a real estate value under RPTL 581-a is relatively straight forward. The value is determined by actual revenues and expenses divided by a defined assessor's formula for the capitalization rate. The capitalization rate is based on three major factors:

- (1) Perceived Risk
- (2) Appreciation Expectations
- (3) Required Returns in alternative investment vehicles

Capitalization Rate Analysis Method

The capitalization of Net Operating Income (NOI) before and after reserves is a very gray area in the appraisal industry. The one factor is that the appraiser must be consistent in the application of its use. I always capitalized before reserves. In support of my view is the following:

1. Capitalization rates from sales comparable are based usually on NOI before reserves.
2. Reserves could be a major asset in some projects, and we should not treat it like a long-term liability.

However, the 581-a statute requires reserves to be deducted.

Development of The Assessor's Capitalization Rate

The Assessor's Capitalization rate consists of two rates. The first is the market rate, which is from the market rate or affordable sales data, if available. The second is the effective tax rate or ratio %, which is the sum of the mill rates (County, Town, School, Etc.)

Market Rate Capitalization Rate (+) Effective Tax Rate or Ratio %

Equals (=)

The Assessor's Capitalization Rate

The statute has created areas of interest. Many assessors attempt to utilize Institutional Investment quality capitalization rate surveys as the basis of the market rate capitalization factor, but clearly affordable housing is not institutional quality investment.

Capitalization Rate Survey

The RealtyRates.com™ quarterly **Investor Survey** includes national mortgage terms and interest rates, equity requirements, cap and discount rates, reserve requirements, and interim financing rates and terms for 32 income producing property types, plus financial indicators, historical cap rate trend data, and land lease cap and discount rates, likewise by property type.

The actual process of collection from our third-party sources is via online forms subsequently downloaded into Excel, converted to graphics and published to the Internet in HTML and PDF formats. Robert. G. Watts / RealtyRates.com™ conducts no data analysis itself, but rather collects, collates and presents the data for you to use in your own analyses. Likewise, we provide very limited commentary and offer virtually no prognostications, although the built-up overall cap rates in the *Investor Survey* tend to be forward-looking.

With 10 years on the Web, The RealtyRates.com™ serves more than 4,000 companies, government agencies, universities and individuals in all U. S. states and territorial possessions and more than 25 other countries. The Surveys are utilized as collateral material in more than 60 college and university programs including eight overseas, as well as by several trade and professional organizations including the CCIM Institute and IREM Institute of Real Estate Management. Survey extracts are included in three college texts as well as numerous published articles, monographs and scholarly reports

Given the subject is a lower income development with restrictions, the market standard capitalization rate will need to be increased by 100 to 150 basis points. The standard rates for occupied apartment complex is 6.5% to 8.5%. Generally, proposed developments have increase risks and a higher cap rate. Our conclusion to subject capitalization rate indicates a range from 8.5% to 9.5%. I have concluded a rate of 9.50%, given the status and location.

Final Reconciliation – Market Value

Final reconciliation is the application of the process of evaluation. Choice and selection of the indications of value derived from each of the approaches are utilized in the appraisal at hand to arrive at the final estimate of value.

The Cost Approach: The cost approach does not represent the market dynamics for the valuation of the property. The valuation method as mandated by RPTL 581-A is only the income approach. This has created a Jurisdictional Exception, as noted in this report.

The Market Approach: The Market Approach to value presents sales of properties considered comparable to the appraised property. In arriving at a value indication, I have not analyzed sales of comparable apartments complexes located in the surrounding area.

However, the valuation method as mandated by the RPTL 581-A is only the income approach. This has created a Jurisdictional Exception, as noted in this report.

The Income Approach: The income methodology involves the capitalization of an estimated stabilized net operating income for the property, by a market derived overall rate or discounting of the income stream by market derived rates. The direct capitalization method is utilized since buyers usually will obtain third party financing and the rates provide a sufficient adjustment range to provide a basic level for underwriting the loan. The valuation method as mandated by RPTL 581-A is only the income approach.

The subject property is appraised to estimate its market value, in a fee simple interest, as of March 26, 2026. After carefully considering supply and demand factors influencing the property, and transactions of competitive properties, I conclude the Market Value with 2025 rents and expenses of the fee simple interest of the Green Apartments, as of March 26, 2026, as follows:

Eight Million Seven Hundred Fifty Thousand Dollars
\$8,750,000 - \$71,800+/- per unit

Estimated Assessment Value

The assessment of the property is as follows based on equalization rate of 100%. This concludes an assessment amount of \$8,750,000, which indicates real estate taxes of \$264,000.

As discussed in the report the projected real estate taxes did vary from 264,000 to \$300,000 based on various assumptions, conditions, and terms.

Market Area Analysis - City of Newburgh

The city's population has continued to increase during the last twenty years by immigration and limited internal growth. The City of Newburgh has a population (2025) of over 28,760 persons in over 10,000 households. The median household income is \$61,831 and average household income is \$68,048. The median house value is \$246,838 and average value is \$329,155. The City of Newburgh has the highest unemployment rates in the county. The city has one of the largest areas of historic houses in the region. The city is mainly a renter community with 27% of population are owners, 61% are renters, and 12% is vacant non-occupied housing.

The City of Newburgh is the largest city in the County of Orange and the poorest. The city has one of the largest areas of historic houses in the region.

The city's population has continued to increase during the last twenty years by immigration and limited internal growth. The City of Newburgh has a population (2009) of over 28,000 persons. The City of Newburgh has the highest unemployment rates in the county.

The city consists of eight census tracts of 001, 002, 003.01, 003.02, 004, 005.01, 005.02, and 006. The subject property is in Census Tract 4, which is a lower income area of the City of Newburgh.

During the last 20 years, over 50% of the population growth within the City of Newburgh had incurred in Census Tract 4.00, which is also dominated by highest percentage of renters in the city. The city was considered an affordable community in the lower Hudson Region.

The major employers in Newburgh include St. Luke's Cornwall Hospital, 105th Airlift Wing- USAF Air National Guard, Stewart, C & S Wholesale Grocers Inc, Key Bank, Mid-Hudson Processing and Distribution USPS, Mount St. Mary College, AHRC-MR/DD Services and numerous large law firms.

Housing values in the City of Newburgh are 38% to 40% less than overall values in the County of Orange. Higher income families populate the area towards the east and many of these households have renovated their historic houses. In addition, this area has had some townhouse development in the 1980's and 1990's.

As 2025, renters in the city contain 61% of all households, the Town of Newburgh has only a 20% renter base.

The Town of Newburgh has a median household income of \$94,318 versus the City of Newburgh of only \$43,341.

Both the Town and City of Newburgh continue to have increases in population and households.

The poverty percentage of households in the City of Newburgh is 24%, but only 5.00% for the town. Education levels are significantly higher in the town with only 7% not having a high school diploma versus the city at 25%.

Source: Census Data 2025

Police: The City of Newburgh Police Department is located at 55 Broadway, Newburgh New York. The department is comprised of eighty-three officers and 13 staff personnel. The City of Newburgh Police Department maintains several divisions including a crime unit, scuba/marine unit, motorcycle unit, bicycle unit, animal control, joint crimes task force to name a few.

Fire: The City of Newburgh Fire Department is located at 22 Grand Street, Newburgh, New York.

Post Office: The main Post Office for the City of Newburgh is located at 215-217 Liberty Street and the zip code is 12550. The area code is 845. The Town of Newburgh does not have a main Post Office they use the one located at 215-217 Liberty Street.

Medical: The Beacon/Newburgh area has two major medical centers. The closest hospital is Saint Lukes Hospital in the City of Newburgh, Saint Luke's Cornwall-Hospital located at 70 Dubois Street in Newburgh, New York.

Major Roads: The New York State Thruway (I-87/90) has an interchange west of the city. The city has direct access to Interstate Highway I-84. Other major roads within the city are Routes 9W, 17K, and 32.

Transportation: Amtrak at Beacon provides rail transportation, across the Hudson River and there is a Metro North Station located to the southwest in Cornwall. The county maintains a bus system within the area, along Broadway, Liberty and Lake Streets. Stewart International Airport is located within a 10–minute drive of the site.

Valuation Analysis of the 581(a)

Year 2025

Utilities: The Central Hudson Gas and Electric Corporation supply electricity and natural gas to the area. The city is the supplier of water and sewer facilities. Electric, Gas, Sewer and Water are available to the sites.

Education: In 1963 the Newburgh Enlarged City School District was formed. It consisted of the City of Newburgh and most of the Town of New Windsor and several school districts in the Town of Newburgh. The Newburgh Enlarged City School District directs the public schools of the City of Newburgh, the Town of Newburgh, and the Town of New Windsor.

The District serves 12,000 students with 9 elementary schools, 3 Junior High's North, South and Heritage for grades 7-9 and 1 High School the New Free Academy with 2,685 students in grades 10-12.

Mount Saint Mary College is a 4-year liberal arts college with majors in Nursing and Education located at 330 Powell Avenue in Newburgh. SUNY Orange, a 2-year community college, operates a branch in Newburgh. A major expansion of the Newburgh campus is expected in the next few years.

Library: The Newburgh Enlarged City School District also operates the Newburgh Free Public Library located at 124 Grand Street, Newburgh.

Shopping: There are no major food stores within the City of Newburgh. The Rite Aid Drug chain has recently completed a store on Broadway. Most stores are convenience type establishments. However, there are numerous service type shops available within the city. The main local shopping is located along Route 300 (Union Avenue) near the intersection of Route

300 and I-84. There is a Walmart, Home Depot, The Newburgh Shopping Mall and other major retailers along this road.

There are some addition strip shopping center and food store along Route 52. The Newburgh Mall is conveniently located at 1401 Route 300 in Newburgh. The mall is a regional indoor shopping center with over 65 stores and services.

The area has several supermarkets, they include Shop Rite Supermarket, Price Chopper and Garcia's Supermarket, all located in Newburgh. There is a Hannaford Supermarket and Pharmacy in New Windsor at 2636 State Route 32. Additional pharmacies include Wal-Mart Pharmacy, Rite Aid Pharmacy, and Ace Drug Co. Inc.

Recreation: The City of Newburgh has numerous parks, memorials, and smaller open spaces they include Delano-Hitch Recreational Park, Downing Park, and the Audrey Carney Park.

Identification of the Property: The subject properties are located in the City of Newburgh, New York.

Valuation Analysis of the 581(a)

Year 2025

Purpose of the Appraisal: The purpose of the appraisal is to estimate the market value of the fee simple interest of the building and related land parcel on March 7 2026, subject to zoning and site approval.

Property Rights Appraised: As of the appraisal date, March 26, 2026, the property is vacant land. The properties are being appraised as fee simple.

Use of the Appraisal: This appraisal is intended for the use by developer to calculate the tax under the 581-a

Other Untended users: The report may be NYS HFA

Personal Property: Included in the valuation is no personal property.

History of the Property; The property has not been sold for the last five years.

Hypothetical Condition: Yes

Extraordinary Assumptions Yes

Jurisdictional Exception: The valuation method as mandated by the RPTL 581-A is only the income approach. This has created a Jurisdictional Exception, as noted in this report.

Scope of the Assignment

The scope of an appraisal is defined as "the amount and type of information researched, and the analysis applied in an assignment" (USPAP). In accordance with our Letter of Engagement, this assignment involves:

- Research and analysis in preparation of a credible appraisal.
- Presentation of our research, analysis, and final opinions in a summary report format.

Additionally, this appraisal assignment was prepared to conform to the applicable requirements set forth under:

This appraisal is being prepared for refinancing apparition. The valuation method as mandated by RPTL 581-a is only the income approach. **This has created a *Jurisdictional Exception*.**

1. Obtained property data and related documents for the property.
2. Obtain financial data, real estate tax bills, and other needed data
3. Analyze revenues and expenses for trends and conditions
4. Estimated the value of the property by means of the income Approach -581(a)

Finally, I correlated and applied the resulting information in the valuation analysis.

Definition of Value and Interest Appraised

Market Value: Title XI of the Federal Financial Institutions Reform, Recovery, and Enforcement Act of 1989 (FIRREA) requires the Office of the Comptroller of the Currency (OCC) to adopt regulations regarding the performance and utilization of appraisals by national banks. Regulations under 12CFR, Part 34, Subpart C-Appraisers, 34.42 Definitions (f) specifies that all real estate appraisal reports be based upon the following definition of "market value":

The most probable price which a property should bring in a competitive and open market under all condition's requisite to a fair sale, the buyer and seller each acting prudently and knowledgeably, and assuming the price is not affected by undue stimulus. Implicit in this definition is the consummation of a sale as of a specified date and the passing of title from seller to buyer under conditions whereby:

- (1) Buyer and seller are typically motivated.
- (2) Both parties are well informed or well advised, and acting in what they consider their own best interests.
- (3) A reasonable time is allowed for exposure in the open market.
- (4) Payment is made in cash in U.S. dollars or in terms of financial arrangements comparable thereto; and
- (5) The price represents the normal consideration for the property sold unaffected by special or creative financing or sales concessions granted by anyone associated with the sale.

"As Is " Value: The value of the property in its current condition and subject to the zoning in effect as of the current date of value.

Fee Simple Estate: Fee simple estate as defined in the *Dictionary of Real Estate Appraisal - Second Edition* and published by the American Institute of Real Estate Appraisers is as follows:

"Absolute ownership unencumbered by any other interest or estate; subject only to the limitations imposed by the government powers of taxation, eminent domain, police power, and escheat."

"As Is " Value : The value of the property in its current condition and subject to the zoning in effect as of the current date of value.

Fee Simple Estate : Fee simple estate as defined in the *Dictionary of Real Estate Appraisal - Second Edition* and published by the American Institute of Real Estate Appraisers is as follows:

"Absolute ownership unencumbered by any other interest or estate; subject only to the limitations imposed by the government powers of taxation, eminent domain, police power, and escheat."

Leased Fee Estate: Leasehold Interest estate as defined in the *Dictionary of Real Estate Appraisal - Second Edition* and published by the American Institute of Real Estate Appraisers is as follows: "An ownership interest held by a landlord with the right of use and occupancy conveyed by lease to others; the rights of lesser or the Leasehold Interest owner and Leasehold Interest are specified by contract terms contained within the lease."

Valuation Analysis of the 581(a)

Year 2025

Leasehold Interest: Leasehold interest as defined in the *"The Appraisal of Real Estate -12th"* edition by the Appraisal Institute states as follows: The interest held by the lessee (*the tenant or renter*) through a lease transferring the rights of use and occupancy for a stated term under certain conditions.

Jurisdictional Exception Rule: If any part of USPAP is contrary to the law or public policy of any jurisdiction, only that part shall be void and no force or effect in that jurisdiction.

An appraiser using the **JURISDICTIONAL EXCEPTION RULE** must properly identify and comply with the law or regulation that precludes compliance with USPAP. In addition, the appraiser must disclose in the report the part of USPAP that is voided by that law and regulation and also cite in the report the specific law or regulation that precludes compliance with USPAP.

Extraordinary Assumption: An extraordinary assumption is defined as an assumption, directly related to a specific assignment, which, if found to be false, could alter the appraiser's opinions or conclusions.

Hypothetical Condition: A hypothetical condition is defined as condition that which is contrary to what exists but is supposed for the purpose of the analysis.

Exposure Time: Under Paragraph 3 of the Definition of Market Value, the value opinion presumes that "A reasonable time is allowed for exposure in the open market". Exposure time is defined as the length of time the property interest being appraised would have been offered on the market prior to the hypothetical consummation of a sale at the market value on the effective date of the appraisal. Exposure time is presumed to precede the effective date of the appraisal. The reasonable exposure period is a function of price, time and use. It is not an isolated opinion of time alone. Exposure time is different for various types of real estate and under various market conditions. As noted above, exposure time is always presumed to precede the effective date of appraisal. It is the length of time the property would have been offered prior to a hypothetical market value sale on the effective date of appraisal. It is a retrospective opinion based on an analysis of recent past events, assuming a competitive and open market. It assumes not only adequate, sufficient and reasonable time but adequate, sufficient and a reasonable marketing effort. Exposure time and conclusion of value are therefore interrelated.

Marketing Time: Marketing time is an opinion of the time that might be required to sell a real property interest at the appraised value. Marketing time is presumed to start on the effective date of the appraisal. (Marketing time is subsequent to the effective date of the appraisal and exposure time is presumed to precede the effective date of the appraisal). The opinion of marketing time uses some of the same data analyzed in the process of estimating reasonable exposure time and it is not intended to be a prediction of a date of sale.

*

Contingent and Limiting Conditions

This appraisal report has been made with the following general assumptions:

1. No opinion is intended to be expressed, and no responsibility is assumed for the legal description or for any matters which are legal in nature or require legal expertise or specialized knowledge beyond that of a real estate appraiser. Title to the Property is assumed to be good and marketable and the Property is assumed to be free and clear of all liens unless otherwise stated. No survey of the Property was undertaken.
2. The information contained in the Appraisal or upon which the Appraisal is based has been gathered from sources the Appraiser assumes to be reliable and accurate. Some of such information may have been provided by the owner of the Property. Neither the Appraiser shall be responsible for the accuracy or completeness of such information, including the correctness of opinions, dimensions, sketches, exhibits and factual matters.
3. The opinion of value is only as of the date stated in the Appraisal. Changes since that date in external and market factors or in the Property itself can significantly affect property value.
4. The Appraisal is to be used in whole and not in part. No part of the Appraisal shall be used in conjunction with any other appraisal. Publication of the Appraisal or any portion thereof without the prior written consent of Ferrigno Realty Advisors is prohibited. Except as may be otherwise stated in the letter of engagement, the Appraisal may not be used by any person other than the party to whom it is addressed or for purposes other than that for which it was prepared. No part of the Appraisal shall be conveyed to the public through advertising or used in any sales or promotional material without Richard Lampert Appraisal written consent..
5. Except as may be otherwise stated in the letter of engagement, the Appraiser shall not be required to give testimony in any court or administrative proceeding relating to the Property or the Appraisal.
6. The Appraisal assumes (a) responsible ownership and competent management of the Property; (b) there are no hidden or unapparent conditions of the Property, subsoil or structures that render the Property more or less valuable (no responsibility is assumed for such conditions or for arranging for engineering studies that may be required to discover them); (c) full compliance with all applicable federal, state and local zoning and environmental regulations and laws, unless noncompliance is stated, defined and analyzed in the Appraisal; and (d) all required licenses, certificates of occupancy and other governmental consents have been or can be obtained and renewed for any use on which the value opinion contained in the Appraisal is based.
7. The physical condition of the improvements analyzed within the Appraisal is based on visual inspection by the Appraiser or other person identified in the Appraisal. Ferrigno, LLC, Realty Advisors assumes no responsibility for the soundness of structural members or for the condition of mechanical equipment, plumbing or electrical components.
8. The projected potential gross income referred to in the Appraisal may be based on lease summaries provided by the owner or third parties. The Appraiser has not reviewed lease documents and assumes no responsibility for the authenticity or completeness of lease information provided by others. Richard Lampert Appraisal recommends that legal advice be obtained regarding the interpretation of lease provisions and the contractual rights of parties.

Contingent and Limiting Conditions

9. The projections of income and expenses are not predictions of the future. Rather, they are the Appraiser's opinion of current market thinking on future income and expenses. The Appraiser make no warranty or representation that these projections will materialize. The real estate market is constantly fluctuating and changing. It is not the Appraiser's task to predict or in any way warrant the conditions of a future real estate market; the Appraiser can only reflect what the investment community, as of the date of the Appraisal, envisages for the future in terms of rental rates, expenses, supply and demand.
10. Unless otherwise stated in the Appraisal, the existence of potentially hazardous or toxic materials which may have been used in the construction or maintenance of the improvements or may be located at or about the Property was not analyzed in arriving at the opinion of value. These materials (such as formaldehyde foam insulation, asbestos insulation and other potentially hazardous materials) may adversely affect the value of the Property. The Appraisers are not qualified to detect such substances. Richard Lampert Appraisal recommends that an environmental expert be employed to determine the impact of these matters on the opinion of value.
11. The author of this report is not qualified to comment on environmental issues that may affect the market value of the property appraised, including but not limited to pollution or contamination of land, buildings, water, groundwater or air. Unless expressly stated, the property is assumed to be free and clear of pollutants and contaminants, including but not limited to molds or mildews or the conditions that might give rise to either, and in compliance with all environmental condition, past, present, or future, that might affect the market value of the property appraised. If the party relying on this report requires information about environmental issues, then that party is cautioned to retain an expert qualified in such issues. We expressly deny any legal liability relating to the effect of environmental issues on the market value of the property being appraised
12. Unless otherwise stated in the Appraisal, compliance with the requirements of the Americans with Disabilities Act of 1990 (ADA) has not been analyzed in arriving at the opinion of value. Failure to comply with the requirements of the ADA may adversely affect the value of the property. Richard Lampert Appraisal recommends that an expert in this field be employed.
13. Additional work requested by the client beyond the scope of this assignment will be billed at our prevailing hourly rate. Preparation for court testimony, update valuations, additional research, depositions, travel or other proceedings will be billed at our prevailing hourly rate, plus reimbursement of expenses.
14. The reader acknowledges that Richard Lampert Appraisal been retained hereunder as an independent contractor to perform the services described herein and nothing in this agreement shall be deemed to create any other relationship between us. This assignment shall be deemed concluded and the services hereunder completed upon delivery to you of the appraisal report discussed herein.
15. This study has not been prepared for use in connection with litigation and this document is not suitable for use in a litigation action. Accordingly, no rights to expert testimony, pretrial or other conferences, deposition, or related services are included with this appraisal. Professional fees and expenses of Richard Lampert Appraisal either in accordance with the provisions of the engagement letter or arrangements at the time, as the case may be.

Re: Project Name: "The Green"
RPT §581-a Analysis

For "The Green" project proposal, the developer's appraiser determined the value for this project to be \$8,750,000 based upon a "loaded capitalization rate" (a/k/a "loaded cap rate") of 12.5189%.

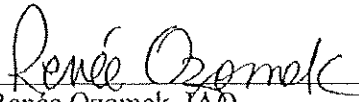

The project will be subject to, and eligible for, a RPTL §581-a valuation analysis. This type of valuation also utilizes capitalization rates (a/k/a "cap rates"). Cap rates are calculated as net operating income divided by market value. To estimate a project's market value, take a project's net operating income and divide it by the cap rate.

Cap rates for market rate, multi-family housing in Newburgh for 2026 range from 6.5% to 8.5%. Cap rates for §581-a eligible housing in Newburgh range from approximately 7.50% to 8.50%.

A loaded cap rate is the cap rate plus the mill rate. The mill rate is another term for the tax rate in a jurisdiction. The most current mill rate for Newburgh is 3.0189%. Using a loaded cap rate analysis can be more accurate in providing a property valuation because it considers a known tax rate in a particular taxing jurisdiction.

Cap rates (and loaded cap rates) for projects of the type proposed may be adjusted higher based on risk and location. The appraiser uses a cap rate of 9.5% / loaded cap rate of 12.1589%. Given the low vacancy rate of rental apartments in the City of Newburgh and demand for rental apartment units, no increased risk appears warranted for a project of this type. The developer's appraiser also noted an increasing demand for low-income and affordable housing. Therefore, loaded cap rate ranges between 10.5189% and 12.5189% are reasonable for valuation purposes.

The calculations provided show valuations at loaded cap rates between 10.5189% and 12.5189%, at 0.25% increments. Also provided are the projected tax amounts that correspond to each valuation based on current-year tax rates and an assumption for three percent (3%) annual increases.

Renée Ozomek, IAO
City Assessor
